### ITEM 1. BUSINESS

American Realty Investors, Inc. ("ARI"), a Nevada corporation, is the successor through merger to American Realty Trust, Inc. ("ART"), a Georgia corporation and National Realty, L.P. ("NRLP"), a Delaware partnership.

On November 3, 1999, ART and NRLP jointly announced the agreement of their respective Boards to combine, in a tax-free exchange, under a new company, ARI. Prior to December 31, 1998, ART accounted for its investment in NRLP under the equity method. As of December 31, 1998, upon the election of a wholly-owned subsidiary of ART as general partner of NRLP, ART began consolidation of NRLP's accounts at that date and consolidation of its operations subsequent to that date.

The merger transaction was closed on August 2, 2000. NRLP unitholders, except for ART, received one share of ARI Common Stock for each unit of NRLP held. ART stockholders received .91 shares of ARI Common Stock for each share of ART Common Stock held. Each share of ART Preferred Stock was converted into one share of Preferred Stock of ARI, having substantially the same rights as ART's preferred stock. The ART shares of Common Stock ceased trading on the New York Stock Exchange on August 2, 2000. ARI Common Stock commenced trading on the New York Stock Exchange on August 3, 2000. For financial reporting purposes, the merger is treated as the purchase of NRLP by ART; accordingly, the historical information presented for ARI is that of ART.

On October 23, 2001, ARI, Transcontinental Realty Investors, Inc. ("TCI"), and Income Opportunity Realty Investors, Inc. ("IORI") jointly announced a preliminary agreement with the plaintiff's legal counsel of the derivative action entitled Olive et al. V. National Income Realty Trust, et al. for complete settlement of all disputes in the lawsuit. In February 2002, the court granted final approval of the proposed settlement. Under the proposal, ARI would acquire all of the outstanding shares of IORI and TCI not currently owned by ARI for a cash payment or shares of ARI Preferred Stock. ARI will pay \$17.50 cash per TCI share and \$19.00 cash per IORI share for the stock held by non-affiliated stockholders. ARI will issue one share of Series G Preferred Stock with a liquidation value of \$20.00 per share for each share of TCI common stock for stockholders who affirmatively elect to receive ARI Preferred Stock in lieu of cash. ARI will issue one share of Series H Preferred Stock with a liquidation value of \$21.50 per share for each share of IORI common stock for stockholders who affirmatively elect to receive ARI Preferred Stock in lieu of cash. All affiliated stockholders will receive ARI Preferred Stock. Each share of Series G Preferred Stock will be convertible into 2.5 shares of ARI Common Stock, and each share of Series H Preferred Stock will be convertible into 2.25 shares of ARI Common Stock during a 75-day period that commences fifteen days after the date of the first ARI Form 10-Q filing that occurs after the closing of the merger transaction. Upon the acquisition of IORI and TCI shares, TCI and IORI would become wholly-owned subsidiaries of ARI. The transaction is subject to the negotiation of a definitive merger agreement and a vote of the shareholders of all three entities. ARI has the same advisor as TCI and IORI,

## Edgar Filing: AMERICAN REALTY INVESTORS INC - Form 10-K405

and TCI and IORI have the same board of directors.

### Business Plan and Investment Policy

ARI's primary business is investing in equity interests in real estate (including equity securities of real estate-related entities), leases, joint venture development projects and partnerships and, to a lesser extent, financing real estate and real estate activities through investments in mortgage loans, including first, wraparound and junior mortgage loans. Information regarding the real estate and mortgage notes receivable portfolios of ARI is set forth in ITEM 2. "PROPERTIES" and in Schedules III and IV to the Consolidated Financial Statements included at ITEM 8. "CONSOLIDATED FINANCIAL STATEMENTS AND SUPPLEMENTARY DATA."

ARI, through its wholly owned subsidiary, Pizza World Supreme, Inc. ("PWSI"), operates and franchises pizza parlors featuring pizza delivery, carry-out and dine-in under the trademarks "Me-N-Ed's," "Slices" and

3

"Angelo & Vito's" in California and Texas. The first Me-N-Ed's pizza parlor opened in 1962. At December 31, 2001, there were 59 pizza parlors in operation, consisting of 47 owned and 12 franchised pizza parlors. One of the owned pizza parlors was in Texas and the remainder were in California.

ARI's businesses are not seasonal. With regard to real estate investments, ARI is seeking both current income and capital appreciation. ARI's plan of operation is to continue, to the extent its liquidity permits, to make equity investments in income producing real estate such as hotels, apartments or commercial properties or equity securities of real estate-related entities. ARI also intends to continue to pursue higher risk, higher reward investments, such as improved and unimproved land where it can obtain financing of substantially all of a property's purchase price. ARI intends to seek selected dispositions of certain of its assets, in particular, selected income producing properties in stabilized markets and certain of its land holdings where the prices obtainable for such assets justify their disposition. ARI has determined that it will no longer actively seek to fund or purchase mortgage loans. However, it may, in selected instances, originate mortgage loans or it may provide purchase money financing in conjunction with a property sale. See ITEM 2. "PROPERTIES" and Schedules III and IV to the Consolidated Financial Statements included in ITEM 8. "CONSOLIDATED FINANCIAL STATEMENTS AND SUPPLEMENTARY DATA."

ARI's Board of Directors has broad authority under ARI's governing documents to make all types of investments, and may devote available assets to particular investments or types of investments, without restriction on the amount or percentage of assets that may be allocated to a single investment or to any particular type of investment, and without limit on the percentage of securities of any one issuer that may be acquired. Investment objectives and policies may be changed at any time by the Board without stockholder approval.

The specific composition of ARI's real estate portfolio will depend largely on the judgment of management as to changing investment opportunities and the level of risk associated with specific investments or types of investments. Management intends to attempt to maintain a real estate portfolio diversified by location and type of property.

In addition to its equity investments in real estate, ARI has also invested in private and open market purchases of the equity securities of Income Opportunity Realty Investors, Inc. ("IORI") and Transcontinental Realty Investors, Inc. ("TCI"), both affiliates of ARI. See ITEM 2.

### Management of the Company

Although the Board of Directors is directly responsible for managing the affairs of ARI and for setting the policies which guide it, its day-to-day operations are performed by Basic Capital Management, Inc. ("BCM"), a contractual advisor under the supervision of the Board. The duties of BCM include, among other things, locating, investigating, evaluating and recommending real estate and mortgage note investment and sales opportunities, as well as financing and refinancing sources. BCM also serves as a consultant in connection with ARI's business plan and investment policy decisions made by the Board. BCM is a company owned by a trust for the benefit of the children of Gene E. Phillips. Mr. Phillips serves as a representative of his children's trust, which owns BCM and, in such capacity, has substantial contact with the management of BCM and input with respect to its performance of advisory services to ARI. As of March 15, 2002, BCM owned 6,269,344 shares of ARI's Common Stock, approximately 55.1% of the shares then outstanding. BCM is more fully described in ITEM 10. "DIRECTORS, EXECUTIVE OFFICERS AND ADVISOR OF THE REGISTRANT--The Advisor." BCM has been providing advisory services to ARI since February 6, 1989. BCM also serves as advisor to IORI and TCI. The officers of ARI are also officers of IORI, TCI and BCM. Affiliates of BCM have provided property management services to ARI. Currently, Triad Realty Services, Ltd. ("Triad"), an affiliate, and Carmel Realty, Inc. ("Carmel") provide such property management services. Triad and Carmel subcontract with other entities for property-level management services. The general partner of Triad is BCM. The limited partner of Triad is GS Realty Services, Inc. ("GS Realty"), a related party. Triad subcontracts the property-level management and

4

leasing of 13 of ARI's commercial properties (shopping centers, office buildings and a merchandise mart) and eight of its hotels to Regis Realty, Inc. ("Regis"), a related party, which is a company also owned by GS Realty. Regis is entitled to receive property and construction management fees and leasing commissions in accordance with the terms of its property-level management agreement with Triad. Carmel is a company owned by First Equity Properties, Inc., which is a company affiliated with BCM.

Regis is also entitled to receive real estate brokerage commissions in accordance with the terms of the Advisory Agreement as discussed in ITEM 10. "DIRECTORS, EXECUTIVE OFFICERS AND ADVISOR OF THE REGISTRANT--The Advisor."

ARI has no employees itself, but PWSI has 921 employees. Employees of BCM render services to ARI.

### Competition

Real Estate. The real estate business is highly competitive, and ARI competes with numerous entities engaged in real estate activities (including certain entities described in ITEM 13. "CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS--Related Party Transactions"), some of which have greater financial resources than ARI. Management believes that success against such competition is dependent upon the geographic location of the property, the performance of property-level managers in areas such as marketing, collections and control of operating expenses, the amount of new construction in the area and the maintenance and appearance of the property. Additional competitive factors with respect to commercial properties are the ease of access to the property, the adequacy of related facilities, such as parking, and sensitivity to market conditions in setting rent levels. With respect to apartments,

## Edgar Filing: AMERICAN REALTY INVESTORS INC - Form 10-K405

competition is also based upon the design and mix of the units and the ability to provide a community atmosphere for the tenants. With respect to hotels, competition is also based upon the market served, i.e., transient, commercial or group users. Management believes that beyond general economic circumstances and trends, the rate at which properties are renovated or the rate new properties are developed in the vicinity of each of ARI's properties, in particular its improved and unimproved land, are also competitive factors.

To the extent that ARI seeks to sell any of its properties, the sales prices for the properties may be affected by competition from other real estate entities and financial institutions, also attempting to sell properties in areas where ARI's properties are located, as well as aggressive buyers attempting to dominate or penetrate a particular market.

As described above and in ITEM 13. "CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS--Related Party Transactions," the officers of ARI also serve as officers of IORI and TCI, both of which are also advised by BCM, and both of which have business objectives similar to ARI's. ARI's officers and advisor owe fiduciary duties to both IORI and TCI as well as to ARI under applicable law. In determining whether a particular investment opportunity will be allocated to ARI, IORI or TCI, management and the advisor consider the respective investment objectives of each and the appropriateness of a particular investment in light of the existing real estate and mortgage notes receivable portfolios of each. To the extent that any particular investment opportunity is appropriate to more than one of the entities, the investment opportunity will be allocated to the entity which has had funds available for investment for the longest period of time or, if appropriate, the investment may be shared among all or some of the entities.

In addition, also as described in ITEM 13. "CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS," ARI also competes with entities which are affiliates of BCM having similar investment objectives in the purchasing, selling, leasing and financing of real estate and real estate-related investments. In resolving any potential conflicts of interest which may arise, BCM has informed ARI that it intends to continue to exercise its best judgment as to what is fair and reasonable under the circumstances in accordance with applicable law.

5

ARI is subject to all the risks incident to ownership and financing of real estate and interests therein, many of which relate to the general illiquidity of real estate investments. These risks include, but are not limited to, changes in general or local economic conditions, changes in interest rates and availability of permanent mortgage financing which may render the purchase, sale or refinancing of a property difficult or unattractive and which may make debt service burdensome, changes in real estate and zoning laws, increases in real estate taxes, federal or local economic or rent controls, floods, earthquakes, hurricanes and other acts of God and other factors beyond the control of management or the advisor. The illiquidity of real estate investments may also impair the ability of management to respond promptly to changing circumstances. Management believes that such risks are partially mitigated by the diversification by geographic region and property type of ARI's real estate and mortgage notes receivable portfolios. However, to the extent that property sales, new property investments, in particular improved and unimproved land, or mortgage lending are concentrated in any particular region the advantages of geographic diversification are mitigated.

Virtually all of ARI's real estate, equity security holdings in IORI and TCI and its trading portfolio of equity securities are held subject to secured indebtedness. Such borrowings increase the risk of loss because they represent

## Edgar Filing: AMERICAN REALTY INVESTORS INC - Form 10-K405

a prior claim on ARI's assets and require fixed payments regardless of profitability. In the event of default, the lender may foreclose on the assets securing such indebtedness, and ARI could lose its investment in the pledged assets.

**Pizza Parlors.** The pizza parlor business is highly competitive and is affected by changes in consumer tastes and eating habits, as well as national, regional and local economic conditions, and demographic trends. The performance of an individual pizza parlor can be affected by changes in traffic patterns, demographics, and the type, number and location of competing restaurants.

The quick-service restaurant industry is extremely competitive with respect to price, service, location and food quality. PWSI and its franchisees compete with a variety of other restaurants in the quick-service restaurant industry, including those that offer dine-in, carry-out and delivery services. These competitors include national and regional chains, franchisees of other restaurant chains and local owner-operated restaurants. Some of these competitors have been in existence longer and have an established market presence in certain geographic regions, and some have substantially greater financial, marketing and other resources than PWSI and its franchisees. PWSI competes for qualified franchisees with many other restaurant concepts, including national and regional restaurant chains.

PWSI's success is largely dependent upon the efforts of its management and other key personnel. The loss of the service of one or more members of management could have an adverse effect on PWSI's operations. Significant transitions in management involve important risks, including potential loss of key personnel, difficulties in implementing changes to operational strategies and maintaining relationships with franchisees.

At December 31, 2001, PWSI owned and operated 47 and franchised 12 pizza parlors. The results achieved by PWSI's relatively small pizza parlor base may not be indicative of the results of a larger number of pizza parlors in a more geographically dispersed area. Because of PWSI's relatively small pizza parlor base, an unsuccessful pizza parlor has a more significant effect on PWSI's results of operations than would be the case in a company owning more pizza parlors.

PWSI's existing pizza parlors, both owned and franchised, are located in California or Texas. At December 31, 2001, there were 54 pizza parlors in California and five in Texas. Accordingly, PWSI's results of operations may be affected by economic or other conditions in those regions. Also, given PWSI's present geographic concentration, publicity relating to PWSI's pizza parlors could have a more pronounced effect on PWSI's overall sales than might be the case if PWSI's pizza parlors were geographically dispersed.

All of PWSI's owned pizza parlors are operated on premises leased from third parties. Most of the pizza parlor leases provide for a minimum annual rent and additional rental payments if sales volumes exceed specified

amounts. There can be no assurance that PWSI will be able to renew leases upon expiration or that the lease terms upon renewal will be as favorable as the current lease terms. In 2001, PWSI added three new company-owned stores and sold two company-owned stores to franchisees. In 2002, PWSI plans to construct and open four new company-owned stores.

### ITEM 2. PROPERTIES

## Edgar Filing: AMERICAN REALTY INVESTORS INC - Form 10-K405

ARI's principal offices are located at 1800 Valley View Lane, Suite 300, Dallas, Texas 75234 and are, in the opinion of management, suitable and adequate for ARI's present operations.

Details of ARI's real estate and mortgage notes receivable portfolios at December 31, 2001, are set forth in Schedules III and IV, respectively, to the Consolidated Financial Statements included at ITEM 8. "CONSOLIDATED FINANCIAL STATEMENTS AND SUPPLEMENTARY DATA." The discussions set forth below under the headings "Real Estate" and "Mortgage Loans" provide certain summary information concerning ARI's real estate and mortgage notes receivable portfolios.

At December 31, 2001, no single asset accounted for 10% or more of total assets. At December 31, 2001, 78% of ARI's assets consisted of real estate, 4% consisted of notes and interest receivable, 10% consisted of investments in equity investees, including IORI and TCI, and 3% consisted of pizza parlor equipment and related goodwill. The remaining 5% of ARI's assets were leasehold interests in oil and gas properties, cash, cash equivalents, marketable equity securities and other assets. The percentage of assets invested in any one category is subject to change and no assurance can be given that the composition of ARI's assets in the future will approximate the percentages listed above.

ARI's real estate is geographically diverse. At December 31, 2001, ARI's real estate was located in all geographic regions of the continental United States, other than the Northeast region, as shown more specifically in the table under "Real Estate" below. ARI also holds mortgage notes receivable secured by real estate located in the Southeast, Southwest, Pacific and Midwest regions of the continental United States. See SCHEDULE IV to the Consolidated Financial Statements included at ITEM 8. "FINANCIAL STATEMENTS AND SUPPLEMENTARY DATA" for a detailed description of ARI's notes receivable portfolio.

Excluded from above are 54 parcels of improved and unimproved land, a hotel in Sofia, Bulgaria and a single family residence, as described below.

### Real Estate

At December 31, 2001, 88% of ARI's assets were invested in real estate and the equity securities of IORI and TCI. ARI invests in real estate located throughout the continental United States, either on a leveraged or nonleveraged basis. ARI's real estate portfolio consists of properties held for investment, investments in partnerships, properties held for sale and investments in equity securities of IORI and TCI.

Types of Real Estate Investments. ARI's real estate consists of apartments, commercial properties (office buildings, shopping centers and a merchandise mart), hotels and improved and unimproved land. In selecting real estate for investment, the location, age and type of property, gross rents, lease terms, financial and business standing of tenants, operating expenses, fixed charges, land values and physical condition are among the factors considered. Properties may be purchased subject to debt, or existing debt may be assumed and properties may be mortgaged, pledged or otherwise collateralized to obtain financing. The Board of Directors may alter the types of and criteria for selecting new real estate investments and for obtaining financing without a vote of stockholders.

Although ARI has typically invested in developed real estate, it may also invest in new construction or development either directly or in partnership with nonaffiliated parties or affiliates (subject to approval by the Board of Directors). To the extent that it invests in construction and development projects, such as Four Hickory

8

Centre described below, ARI is subject to business risks, such as cost overruns and construction delays, associated with such higher risk projects. Also at December 31, 2001, ARI had under construction Oaks of Vista Ridge, a 288 unit apartment complex in Lewisville, Texas and Vista Lago, a 206 unit apartment complex in Farmers Branch, Texas.

In the opinion of management, the properties owned by ARI are adequately covered by insurance.

The following table sets forth the percentages, by property type and geographic region, of owned real estate (excluding 54 parcels of improved and unimproved land, a hotel in Sofia, Bulgaria and a single family residence, described below) at December 31, 2001.

If the asset fails to produce the annual return, ARI will pay TCI any shortfall. In addition, if the asset fails to produce a 12% return for a calendar year, TCI may require ARI to repurchase the shares of NM for the purchase price. Management has classified this related party transaction as a note payable to TCI.

Mortgage Loans

In addition to real estate, a portion of ARI's assets are invested in mortgage notes receivable, secured by income-producing real estate, unimproved land and partnership interests. Management expects that the percentage of ARI's assets invested in mortgage loans will decline, as ARI will no longer seek to fund or acquire new mortgage loans. However, ARI may, in selected instances, originate mortgage loans or it may provide purchase money financing in conjunction with a property sale. Management intends to service and hold for investment the mortgage notes currently in the portfolio. Mortgage notes receivable consist of first mortgage loans.

mortgage notes receivable at December 31, 2001, consisted of apartments, a commercial building, unimproved land and partnership interests. The type of properties subject to mortgages in which ARI invests may be altered without a vote of stockholders.

As of December 31, 2001, the obligors on \$25.9 million or 79% of the mortgage notes receivable portfolio were affiliates of ARI. Also at that date, \$10.3 million or 31% of the mortgage notes receivable portfolio was nonperforming.

The following table sets forth the percentages (based on the outstanding mortgage loan balance at December 31, 2001), by geographic region, of the commercial properties that serve as collateral for ARI's mortgage notes receivable. Excluded are \$26.1 million of mortgage notes secured by unimproved land and other security. See Schedule IV to the Consolidated Financial Statements included in ITEM 8. "CONSOLIDATED FINANCIAL STATEMENTS AND SUPPLEMENTARY DATA" for additional details of ARI's mortgage notes receivable portfolio.

	===

During 2001, \$1.8 million in interest and \$5.0 million in principal were collected on mortgage notes receivable.

**First Mortgage Loans.** These loans generally provide for level periodic payments of principal and interest sufficient to substantially repay the loan at or prior to maturity, but may involve interest-only payments or moderate or negative amortization of principal or all interest and a "balloon" principal payment at maturity. With respect to first mortgage loans, it is ARI's general policy to require that the borrower provide a title policy or an acceptable legal opinion of title as to the validity and the priority of ARI's mortgage lien over all other obligations, except liens arising from unpaid property taxes and other exceptions normally allowed by first mortgage lenders.

The following discussion briefly describes first mortgage loans funded in 2001, as well as events that affected previously funded first mortgage loans during 2001.

## Edgar Filing: AMERICAN REALTY INVESTORS INC - Form 10-K405

In July 2000, ARI sold a 749.1 acre tract of its Keller land parcel for \$10.0 million, receiving \$8.7 million in cash and providing purchase money financing of the remaining \$1.3 million of the sales price. The loan bore interest at 12.0% per annum. A payment of \$500,000 principal and interest was collected in September 2000 and all remaining principal and interest was due July 31, 2001. The loan was secured by 100% of the shares of DM Development, Inc. and an assignment of land sales proceeds. In March 2001, \$850,000 in principal and interest was collected. In June 2001, the loan was collected in full, including accrued but unpaid interest.

In August 2000, ARI sold a 20.5 acre tract of its Mason Goodrich land parcel for \$3.6 million, receiving \$2.1 million in cash and providing purchase money financing of the remaining \$1.5 million of the sales price. The loan bore interest at 13.5% per annum, and matured in December 2000. All principal and interest were due at maturity. In February 2001, the loan was collected in full, including accrued but unpaid interest.

In March 2001, ARI sold a 20.0 acre tract of its Katrina land parcel for \$2.8 million, receiving \$700,000 in cash and providing purchase money financing of the remaining \$2.1 million of the sales price. The loan bears interest at 12.0% per annum and matured in July 2001. All principal and interest were due at maturity. In January 2002, \$274,000 in principal and \$226,000 in interest was collected. In March 2002, the note was collected in full, including accrued but unpaid interest.

In April 2001, ARI sold a 20.0 acre tract of its Katrina land parcel for \$2.9 million, receiving \$700,000 in cash and providing purchase money financing of the remaining \$2.2 million of the sales price. The loan bore interest at 10.0% per annum and matured in June 2001. In May 2001, ARI sold an 80% senior interest in the note to a financial institution. In June 2001, the interest rate was increased to 12.0% and the maturity date was extended to August 2001. All principal and accrued but unpaid interest were due at maturity. In July 2001, the note was collected in full, including accrued but unpaid interest.

In November 2001, ARI sold a 12.71 acre tract of its Santa Clarita parcel for \$1.9 million, receiving \$1.5 million in cash and providing purchase money financing of the remaining \$437,000 of the sales price. Also in November 2001, ARI sold the Blackhawk Apartments for \$7.1 million, receiving \$1.5 million in cash after the assumption of \$4.0 million of mortgage debt and providing purchase money financing of the remaining \$1.6 million of the sales price. Other. In September 1999, in conjunction with the sale of two apartments in Austin, Texas, \$2.1 million in purchase money financing was provided, secured by limited partnership interests in two limited partnerships owned by the buyer. The financing bore interest at 16.0% per annum, required monthly payments of interest only at 6.0%, beginning in February 2000 and required a \$200,000 principal paydown in December 1999, which was not received, and matured in August 2000. ARI had the option of obtaining the buyer's general and limited partnership interests in the collateral partnerships in full satisfaction of the financing. In March 2000, ARI agreed to forbear foreclosing on the collateral securing the note and released one of the partnership interests, in exchange for a payment of \$250,000 and executed deeds of trusts on certain properties owned by the buyer. In March 2000, the borrower made a \$1.1 million payment, upon receipt of which ARI returned the deeds of trust. The borrower executed a replacement promissory note for the remaining note

balance of \$1.0 million, which is unsecured, non-interest bearing and matures in April 2003. In April 2000, ARI funded a \$100,000 loan to the borrower. The loan was secured by five second lien deeds of trust, was non-interest bearing and matured in September 2001. Payment was not received at maturity, and ARI began to accrue default interest. In December 2001, the \$100,000 loan was collected in full, including accrued but unpaid interest.

In December 1999, a note with a principal balance of \$1.2 million, secured by a pledge of a partnership interest in a partnership which owns real estate in Addison, Texas, matured. The maturity date was extended to April 2000 in exchange for an increase in the interest rate to 14.0% per annum. All other terms remained the same. In February 2001, the loan amount was increased to \$1.6 million and the maturity date was extended to June 2001. In February 2002, \$1.5 million in principal and \$87,000 in interest were collected. ARI has demanded payment of the remaining \$84,000 in principal plus accrued but unpaid interest.

In August 1998, a \$635,000 loan was funded to La Quinta Partners, LLC. The loan was secured by interest bearing accounts prior to their being used as escrow deposits toward the purchase of 956 acres of land in La Quinta, California, and the personal guarantee of the manager of the borrower. The loan had an extended maturity date of November 1999. All principal and interest were due at maturity. In November and December 1998, \$250,000 in principal paydowns were received. In the second quarter of 1999, the loan was modified, increasing the interest rate to 15.0% per annum and extending the maturity to November 1999. Accrued but unpaid interest was added to the principal balance, increasing it by \$42,000 to \$402,000. In the fourth quarter of 1999, an additional \$2,000 was funded increasing the loan balance to \$404,000. In March 2000, \$25,000 in interest was collected and the loan's maturity was extended to April 2000. The borrower did not repay the loan at maturity. In March 2001, a settlement was reached, whereby ARI collected \$410,000 in full satisfaction of the note.

Related Party. In March 2001, ARI funded \$13.6 million of a \$15.0 million unsecured line of credit to One Realco Corporation ("One Realco"), which owns approximately 14.8% of the outstanding shares of ARI's Common Stock. The line of credit bears interest at 12.0% per annum. All principal and interest were due at maturity in February 2002. The line of credit is guaranteed by BCM. In June 2001, \$394,000 in principal and \$416,000 in interest was collected. In December 2001, \$21,000 in principal and \$804,000 in interest was collected. The new principal balance is \$5.6 million. All principal and accrued interest are due at maturity.

December 2001, the loan, and \$741,000 of accrued interest, remained unpaid. At March 2002, settlement terms are being negotiated. A corporation controlled by Richard D. Morgan is the general partner of Lordstown, L.P. Mr. Morgan served as a director of ARI until October 2001.

### Investments in Real Estate Companies and Real Estate Partnerships

Real estate entities. ARI's investment in real estate entities includes the equity securities of two publicly traded real estate companies, IORI and TCI, and interests in real estate joint venture partnerships. BCM, ARI's advisor, also serves as advisor to IORI and TCI.

Since acquiring its initial investments in IORI and TCI in 1989, ARI has made additional investments in the equity securities of both entities through private and open market purchases. The cost with respect to shares of IORI and TCI at December 31, 2001 totaled \$64.1 million. The aggregate carrying value (cost plus or minus equity in income or losses and less distributions received) of the equity securities of IORI and TCI was \$75.3 million at December 31, 2001 and the aggregate market value was \$71.9 million. The aggregate investee book value of IORI and TCI based upon the December 31, 2001 financial statements of each entity was \$118.4 million. See ITEM 13. "CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS."

The Board of Directors has authorized the expenditure of up to an aggregate of \$50.0 million to acquire, in open market purchases, shares of IORI and TCI, excluding private purchase transactions which are separately authorized. As of December 31, 2001, ARI had expended an aggregate of \$8.6 million to acquire shares of IORI and TCI, in open market purchases, in accordance with these authorizations. ARI expects to make additional investments in the equity securities of IORI and TCI to the extent its liquidity permits.

On October 3, 2000, ARI and IORI entered into an agreement which provided IORI and ARI with an option to purchase 1,858,900 shares of common stock of TCI from a third party. On October 19, 2000, IORI assigned all of its rights to purchase such shares to ARI. The total cost to purchase the TCI shares was

## Edgar Filing: AMERICAN REALTY INVESTORS INC - Form 10-K405

\$30.8 million. In October 2000, ARI paid \$5.6 million of the option price. In April 2001, the remainder of the option price was paid, and ARI acquired the TCI shares. See ITEM 1. "BUSINESS" for discussion of the proposed acquisition of TCI and IORI by ARI.

Pertinent information regarding ARI's investment in the equity securities of the IORI and TCI at December 31, 2001, is summarized below (dollars in thousands):

Investee	Percentage of ARI's Ownership at December 31, 2001	Carrying Value of Investment at December 31, 2001	Equivalent Investee Book Value at December 31, 2001	Market Value of Investment at December 31, 2001
IORI..	27.44%	\$ 6,789	\$ 10,034	\$ 7,379
TCI...	49.99	68,498	108,369	64,533

IORI and TCI each own a considerable amount of real estate, much of which they have held for many years. Because of depreciation, these entities may earn substantial amounts in periods in which they sell real estate and will probably incur losses in periods in which they do not. ARI's reported income or loss attributable to these entities will differ materially from its cash flow attributable to them.

ARI does not have a controlling equity interest in either IORI or TCI; therefore, it cannot, acting by itself, determine either the individual investments or the overall investment policies of either of them. However, due to ARI's equity investments in, and the existence of common officers with, each of IORI and TCI and that IORI and TCI have the same advisor as ARI, ARI may be considered to have the ability to exercise significant influence over the operating and investing policies of IORI and TCI. ARI accounts for its investment in IORI and TCI using the equity method. Under the equity method, ARI recognizes its proportionate share of the income or loss from the operations of IORI and TCI currently, rather than when realized through dividends or on sale. The

18

carrying value of ARI's investment in IORI and TCI, as set forth in the table above, is the original cost of investment in each adjusted for ARI's proportionate share of IORI's and TCI's income or loss and distributions received.

The following summary description of IORI and TCI is based upon information publicly reported by each entity.

IORI. IORI is a Nevada corporation which was originally organized on December 14, 1984, as a California business trust and commenced operations on April 10, 1985. IORI's business is investing in real estate through direct equity investments and partnerships. IORI holds equity investments in apartments and commercial properties (office buildings) in the Pacific, Southeast and Southwest regions of the continental United States with a concentration in the Southwest region. At December 31, 2001, IORI owned 16 income producing properties located in three states. These properties consisted of seven apartments comprising 777 units and seven office buildings with an aggregate of 459,549 sq. ft. In addition, IORI owned two parcels of unimproved

## Edgar Filing: AMERICAN REALTY INVESTORS INC - Form 10-K405

land, totaling 205 acres.

IORI reported a net loss of \$(3.5) million in 2001 as compared to net income of \$16.8 million in 2000. IORI's net income in 2000 included gains on sale of real estate of \$20.9 million. IORI's cash flow from property operations was \$6.0 million in 2001. At December 31, 2001, IORI had total assets of \$91.8 million, which consisted of \$87.3 million in real estate held for investment, \$4.5 million in investments in partnerships and other assets and \$66,000 in cash and cash equivalents.

ARI received no dividends from IORI in 2001.

TCI. TCI is a Nevada corporation which was originally organized on September 6, 1983, as a California business trust, and commenced operations on January 31, 1984. On November 30, 1999, TCI acquired, through merger, Continental Mortgage and Equity Trust ("CMET"), both of which, at the time, were equity investees of ARI. Pursuant to the merger agreement, TCI acquired all of the outstanding CMET shares of beneficial interest in a tax-free exchange of shares, issuing 1.181 shares of its common stock for each outstanding CMET share.

TCI has investment policies similar to those of IORI. TCI holds equity investments in apartments, commercial properties (office buildings, industrial warehouses and shopping centers) and hotels throughout the continental United States with a concentration in the Southeast and Southwest regions. At December 31, 2001, TCI owned 112 income producing properties located in 19 states. These properties consisted of 57 apartments comprising 10,714 units, 31 office buildings with an aggregate of 4.1 million sq. ft., 13 industrial warehouses with an aggregate of 2.0 million sq. ft., six shopping centers with an aggregate of 622,661 sq. ft., a fitness club with 56,532 sq. ft. and four hotels with a total of 209 rooms. In addition, TCI owned 26 parcels of unimproved land, totaling 840 acres. TCI also holds mortgage notes receivable secured by real estate located in the Midwest, Southeast and Southwest regions of the continental United States.

TCI reported net income of \$19.8 million in 2001 and \$29.8 million in 2000. TCI's net income in 2001 included gains from the sale of real estate of \$54.3 million, whereas its net income in 2000 included gains from the sale of real estate of \$50.6 million. TCI's cash flow from property operations was \$56.0 million in 2001. At December 31, 2001, TCI had total assets of \$709.2 million, which consisted of \$622.2 million in real estate held for investment, \$516,000 in real estate held for sale, \$14.2 million in investments in real estate entities, \$22.1 million in notes and interest receivable, \$39.9 million in other assets and \$10.3 million in cash and cash equivalents. At December 31, 2001, TCI owned 345,728 shares of IORI's common stock, approximately 24.0% of the shares then outstanding.

In 2001, ARI received a total of \$53,000 from TCI in accumulated dividends on shares of CMET that should have been exchanged for TCI common stock in 1999.

19

Elm Fork Ranch, L.P. In June 2000, ARI sold its partnership interests for \$2.0 million in cash, retaining an option to repurchase its interests. In January 2001, ARI purchased 100% of the partnership interests for \$9.2 million, including financing of \$9.0 million.

ART Florida Portfolio II, Ltd. In January 2002, Investors Choice Florida Public Funds II, in which ART Florida Portfolio II, Ltd. owned an interest, sold Villas Continental Apartments. ARI received \$1.0 million in cash from the

sale. ARI's share of the loss incurred on the sale was \$531,000, which will be included in equity in income of investees in the Consolidated Statement of Operations.

ARI is involved in various lawsuits arising in the ordinary course of business. In the opinion of ARI's management the outcome of these lawsuits will not have a material impact on ARI's financial condition, results of operations or liquidity.

### ITEM 7. MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

#### Introduction

ARI is the successor through merger to ART and NRLP. ART was organized in 1961 to provide investors with a professionally managed, diversified portfolio of real estate and mortgage loan investments selected to provide opportunities for capital appreciation as well as current income. ART owns a portfolio of real estate and mortgage loan investments. NRLP was organized in 1987, and subsequently acquired all of the assets and assumed all of the liabilities of 35 public and private limited partnerships. NRLP owns a portfolio of real estate and mortgage loan investments.

Effective December 18, 1998, a wholly-owned subsidiary of ART was elected general partner of NRLP. Prior to December 31, 1998, ART accounted for its investment in NRLP under the equity method. As of December 31, 1998, upon the election of its wholly-owned subsidiary as general partner of NRLP, ART began consolidation of NRLP's accounts and has consolidated its operations subsequent to that date.

#### Liquidity and Capital Resources

General. Cash and cash equivalents at December 31, 2001 totaled \$709,000, compared with \$4.2 million at December 31, 2000. Although ARI anticipates that during 2002 it will generate excess cash from operations, as discussed below, such excess cash is not sufficient to discharge all of ARI's debt obligations as they mature. ARI will therefore again rely on externally generated funds, including aggressive land sales, selected sales of income producing properties, borrowings against its investments in various real estate entities, refinancing of properties and, to the extent necessary, borrowings to meet its debt service obligations, pay taxes, interest and other non-property related expenses.

Notes payable totaling \$267.5 million are scheduled to mature during 2002. During the first quarter of 2002, ARI either extended, refinanced, paid down, paid off or received commitments from lenders to extend or refinance \$20.4 million of the debt scheduled to mature in 2002. In January 2002, the lender on three of ARI's residential properties located in Florida commenced foreclosure actions, due to ARI's failure to pay the loans at maturity on January 1, 2002. ARI has filed counterclaims asserting the lender had abruptly withdrawn from discussions for refinancing. The balance owed on the three loans is \$7.2 million. ARI is pursuing alternative financing for the properties. See NOTE 2. "REAL ESTATE," NOTE 8. "NOTES AND INTEREST PAYABLE" and NOTE 21. "SUBSEQUENT EVENTS."

ARI expects a further decline in cash from property operations in 2002. This

## Edgar Filing: AMERICAN REALTY INVESTORS INC - Form 10-K405

expected decrease results from the reduced number of apartment properties in ARI's real estate portfolio.

Net cash from operating activities was a deficit of \$48.6 million in 2001 compared to a deficit of \$54.6 million in 2000. Fluctuations in the components of cash from operating activities are discussed in the paragraphs that follow.

Net cash from pizza operations (sales less cost of sales) increased to \$6.4 million in 2001 from \$5.9 million in 2000. The increase was due to a price increase in October 2000, reduced interest costs after refinancing debt in 2001 and the closing of poor performing locations in 2000.

Net cash from property operations (rents collected less payments for expenses applicable to rental income) decreased to \$26.8 million in 2001 from \$32.7 million in 2000. This decrease was primarily attributable to apartment properties sold in 2001 and 2000.

Interest collected decreased to \$1.8 million in 2001 from \$4.4 million in 2000. The decrease was attributable to the reduced number of outstanding loans for which interest is due prior to maturity.

23

Interest paid decreased to \$62.6 million in 2001 from \$67.0 million in 2000. The decrease was due to the reduction in outstanding loan balances as properties were sold in 2001 and 2000.

Advisory fees paid increased to \$6.7 million in 2001 from \$5.1 million in 2000. The increase was due to inclusion of NRLP's assets in ARI's gross assets, the basis for such fee.

Incentive fees paid to affiliate were \$1.6 million in 2001. This was the first time that the requirements for this fee were met.

General and administrative expenses paid decreased to \$12.7 million in 2001 from \$18.1 million in 2000. The decrease was primarily attributable to a decrease in reimbursements paid to ARI's advisor.

Other cash from operating activities was \$4.4 million in 2001 compared to \$4.3 million used in other operating activities in 2000. The change was primarily due to a \$6.0 million decrease in escrow deposits in 2001, compared to a \$2.5 million increase in 2000.

Distributions from equity investees decreased to \$53,000 in 2001 from \$1.8 million in 2000. The decrease was due to the elimination of dividends paid by investees. Distributions from equity investees are expected to be minimal in 2002.

Distributions to minority interest holders decreased to \$4.1 million in 2001 from \$4.9 million in 2000. These distributions represent returns paid to limited partner unitholders of controlled consolidated partnerships. See NOTE 2. "REAL ESTATE."

Payments for oil and gas operations was \$259,000 in 2001. See NOTE 5. "OIL AND GAS OPERATIONS."

In 2001, ARI sold a total of 1,101.6 acres of land in Houston, Las Colinas, Plano, Collin County, Dallas County, Denton County, Harris County and Tarrant County, Texas; Palm Desert and Santa Clarita, California; Gulfport, Mississippi; and Nashville, Tennessee in 26 separate transactions for a total

## Edgar Filing: AMERICAN REALTY INVESTORS INC - Form 10-K405

of \$51.8 million. ARI received net cash of \$13.6 million, after paying off or paying down \$29.0 million in mortgage debt secured by such land parcels and after providing purchase money financing of \$4.8 million. ARI also sold 17 apartments, and a shopping center for a total of \$135.5 million. ARI received net cash of \$38.8 million, after the payoff or assumption by the purchaser of mortgage debt totaling \$81.2 million and after providing purchase money financing of \$1.6 million.

In 2001, ARI exchanged 8.9 acres of land in Farmers Branch, Texas and 10.5 acres of land in Lewisville, Texas for a 168 unit apartment in Addison, Texas. See NOTE 2. "REAL ESTATE."

ARI expects that funds from existing cash resources, aggressive sales of land and selected income producing property sales, refinancing of real estate, and borrowings against its real estate will be sufficient to meet the cash requirements associated with ARI's current and anticipated level of operations, maturing debt obligations and existing commitments. To the extent that ARI's liquidity permits or financing sources are available, ARI will make investments in real estate, primarily in improved and unimproved land, will continue making investments in real estate entities and marketable equity securities, and will develop and construct income-producing properties.

ARI expects that it will be necessary for it to sell \$117.5 million, \$20.9 million and \$300,000 of its land holdings during each of the next three years to satisfy the debt on the land as it matures. If ARI is unable to sell at least the minimum amount of land to satisfy the land debt obligations as they mature, ARI, intends to extend such debt or sell other of its assets, specifically income producing properties to pay the debt.

24

Loans Payable. ARI has margin arrangements with various brokerage firms which provide for borrowings of up to 50% of the market value of marketable equity securities. The borrowings under the margin arrangements are secured by the equity securities and bear interest rates ranging from 5.75% to 24.0%. Margin borrowings totaled \$28.0 million (approximately 39.2% of market value) at December 31, 2001, compared to \$13.5 million at December 31, 2000. See NOTE 9. "MARGIN BORROWINGS."

Equity Investments. During the fourth quarter of 1988, ARI began purchasing shares of IORI and TCI which have the same advisor as ARI. It is anticipated that additional equity securities of IORI and TCI may be acquired in the future through open-market and negotiated transactions to the extent ARI's liquidity permits. See ITEM 1. "BUSINESS" for discussion of the proposed acquisition of TCI and IORI by ARI.

Equity securities of IORI and TCI held by ARI may be deemed to be "restricted securities" under Rule 144 of the Securities Act of 1933 ("Securities Act"). Accordingly, ARI may be unable to sell such equity securities other than in a registered public offering or pursuant to an exemption under the Securities Act for a one year period after they are acquired. Such restrictions may reduce ARI's ability to realize the full fair market value of such investments if ARI attempted to dispose of such securities in a short period of time.

ARI's cash flow from these investments is dependent on the ability of each of IORI and TCI to make distributions. In 2001, ARI received total distributions from TCI of \$53,000 in accumulated dividends on shares of CMET that should have been exchanged for TCI common stock in 1999. In December 2000, the Boards of IORI and TCI suspended the payment of quarterly dividends. ARI

## Edgar Filing: AMERICAN REALTY INVESTORS INC - Form 10-K405

anticipates receiving no distributions from IORI and TCI in 2002.

In 2001, ARI paid dividends to its Preferred stockholders totaling \$2.5 million. ARI paid \$5,000 in accumulated back dividends in 2001 on previously unexchanged units of National Realty.

Management reviews the carrying values of ARI's properties and mortgage notes receivable at least annually and whenever events or a change in circumstances indicate that impairment may exist. Impairment is considered to exist if, in the case of a property, the future cash flow from the property (undiscounted and without interest) is less than the carrying amount of the property. For notes receivable impairment is considered to exist if it is probable that all amounts due under the terms of the note will not be collected. If impairment is found to exist, a provision for loss is recorded by a charge against earnings to the extent that the investment in the note exceeds management's estimate of the fair value of the collateral securing such note. The mortgage note receivable review includes an evaluation of the collateral property securing each note. The property review generally includes: (1) selective property inspections; (2) a review of the property's current rents compared to market rents; (3) a review of the property's expenses; (4) a review of maintenance requirements; (5) a review of the property's cash flow; (6) discussions with the manager of the property; and (7) a review of properties in the surrounding area.

Commitments. In October 1999, an agreement was reached with the Valley Ranch, L.P. Class A unitholders to acquire their eight million Class A units for \$1.00 per unit. Through December 31, 2001, six million units had been purchased with the remaining two million units to be purchased in May 2002.

On October 3, 2000, ARI and IORI entered into an agreement which provided IORI and ARI with an option to purchase 1,858,900 shares of common stock of TCI from a third party. On October 19, 2000, IORI assigned all of its rights to purchase such shares to ARI. The total cost to purchase the TCI shares was \$30.8 million. In October 2000, ARI paid \$5.6 million of the option price. In April 2001, the remainder of the option price was paid, and ARI acquired the TCI stock.

ARI will rely on externally generated funds, including aggressive land sales, selected sales of income producing properties, refinancing of properties and, to the extent necessary, borrowings to meet these commitments.

### Results of Operations

2001 Compared to 2000. ARI reported net income of \$13.3 million in 2001 compared to \$2.7 million in 2000. ARI's net income in 2001 included gains on the sale of real estate of \$83.4 million compared to gains on the sale of real estate of \$96.7 million in 2000. The primary factors contributing to ARI's net income are discussed in the following paragraphs.

Rents decreased to \$129.3 million in 2001 from \$138.2 million in 2000. Rent from commercial properties increased to \$34.0 million in 2001 from \$31.5 million in 2000, rent from hotels increased to \$36.1 million in 2001 from \$33.1 million in 2000 and rent from apartments decreased to \$58.3 million in 2001 from \$69.8 million in 2000. The increase in rent from commercial properties was primarily attributable to completion of the Centura and Hickory Centre office buildings during 2000. The increase in rent from hotels is attributable to the opening of the Grand Hotel Sofia in 2001. Apartment rents decreased in 2001 as a result of the sale of nine apartments in 2000 and 17 apartments in 2001.

## Edgar Filing: AMERICAN REALTY INVESTORS INC - Form 10-K405

Rents are expected to decrease in 2002 as a result of the apartment sales in 2001 and expected apartment and commercial property sales in 2002.

Property operations expense decreased to \$93.2 million in 2001 from \$94.1 million in 2000. Property operations expense for commercial properties of \$20.2 million in 2001 approximated the \$19.8 million expense in 2000, hotel expense increased to \$28.3 million in 2001 from \$24.1 million in 2000, land expense decreased to \$8.6 million in 2001 from \$9.7 million expense in 2000 and apartment expense decreased to \$35.5 million in 2001 from \$40.4 million in 2000. The increase in hotel operations expense was primarily due to the opening of the Grand Hotel Sofia in 2001. The decrease in land operations expense was primarily due to the sale of 26 land parcels in 2000 and 34 land parcels in 2001. The decrease in apartment property operations expense was primarily due to the sale of nine apartments in 2000 and 17 apartments in 2001. Property operations expense is expected to decrease in 2002 as a result of the apartment sales in 2001 and anticipated apartment and commercial property sales in 2002.

Pizza parlor sales and cost of sales were \$34.2 million and \$27.9 million in 2001 and \$32.6 million and \$26.8 million, in 2000. Pizza parlor operations gross margin in 2001 increased over the gross margin in 2000 primarily due to reduced interest costs after refinancing debt in 2001 and reduced occupancy costs. Pizza parlor gross margin in 2002 is expected to approximate 2001, unless cheese prices change significantly.

Interest income of \$2.8 million in 2001 approximated the \$3.0 million income in 2000. Interest income is expected to decrease in 2002 as a result of the notes collected in early 2002, and as no new loans are expected to be funded in 2002.

Oil and gas sales in 2001 were \$59,000 representing start-up production from six wells. Oil and gas operating expenses were \$269,000. Operating expenses include lifting costs and repairs and maintenance. See NOTE 5. "OIL AND GAS OPERATIONS."

Equity in income of investees increased to \$8.8 million in 2001 from \$5.2 million in 2000. The increase in equity income was primarily due to increased ownership by ARI in TCI in 2001, due to purchases of TCI common stock. Equity investees reported gains on the sale of real estate in 2001 totaling \$54.3 million of which ARI's equity share was \$22.5 million. These gains were offset by operating losses totaling \$37.9 million, of which ARI's equity share was \$13.6 million. See NOTE 6. "INVESTMENTS IN EQUITY INVESTEES."

Other income improved to a loss of \$369,000 in 2001 from a loss of \$926,000 in 2000. The increase was primarily due to a reduction in losses on the sale of marketable securities.

Interest expense of \$77.0 million in 2001 approximated the \$76.7 million expense in 2000.

Advisory fees increased to \$6.7 million in 2001 from \$5.9 million in 2000. The increase was attributable to the inclusion of NRLP assets in ARI's gross assets, the basis for such fee. Advisory fees are expected to decrease in 2002, as ARI's gross asset base is expected to decrease through property sales.

Net income fee to affiliate in 2001 was \$166,000. The income fee payable to ARI's advisor is 10% of the net income for the year, in excess of a 10% return on shareholders' equity. No net income fee was paid in 2000.

## Edgar Filing: AMERICAN REALTY INVESTORS INC - Form 10-K405

Incentive fees increased to \$3.8 million in 2001 from \$1.6 million in 2000. The increase was attributable to 18 eligible sales in 2001 compared to four eligible sales in 2000. This fee represents 10% of the excess of net capital gains over net capital losses from sales of operating properties. The amount of this fee, if any, in 2002 will be dependent on the number of operating properties sold and net capital gains realized.

General and administrative expenses decreased to \$12.7 million in 2001 from \$17.1 million in 2000. The decrease was primarily attributable to a decrease in cost reimbursements to ARI's advisor. General and administrative expenses in 2002 are expected to approximate 2001.

Depreciation, depletion and amortization increased to \$17.7 million in 2001 from \$16.9 million in 2000. The increase was primarily attributable to the completion of the Hickory Centre office buildings in 2000 and the Grand Hotel Sofia in 2001. Depreciation, depletion and amortization expense should decrease in 2002 as a result of continued property sales.

Provision for loss increased to \$2.5 million in 2001 from \$2.2 million in 2000. In 2001, the impairment of an asset was recognized. In 2000, a litigation reserve, related to a breach of contract dispute, was established, and the carrying value of an 11.3 acre tract of land in Plano, Texas, sold in the first quarter of 2001, was reduced to its net realizable value.

Minority interest decreased to \$972,000 in 2001 from \$30.7 million in 2000. Minority interest is the earnings attributable to limited partners, other than ARI, of certain controlled limited partnerships. Minority interest in 2001 and 2000 was attributable, in part, to the preferred return limited partner units of Ocean Beach Partners, L.P., Valley Ranch, L.P., Grapevine American, L.P., Edina Park Plaza Associates, L.P. and Hawthorne Lakes Associations, L.P., ART Florida Portfolio III and ART Palm, L.L.C. In 2000, minority interest includes, in addition to the preferred returns discussed above, \$29.8 million of earnings attributable to the limited partners in NRLP prior to the merger. Minority interest in 2001 declined due to the 2000 merger of NRLP into ARI.

Gains on sale of real estate decreased to \$83.4 million in 2001 from \$96.7 million in 2000. In 2001, gains of \$73.5 million were recognized on the sale of 15 apartments: Rockborough, Carriage Park, Kimberly Woods, Place One, Shadowood, Bent Tree, Club Mar, Covered Bridge, Crossing at Church, Chalet I, Chalet II, Nora Pines, Timbercreek, Blackhawk, and Woodstock; \$2.2 million on the sale of Regency Pointe Shopping Center; and \$16.0 million on the sale of land: two tracts totaling 27.2 acres of Chase Oaks land, 10.0 acres of Elm Fork land, 27.8 acres of Frisco Bridges land, 1.7 acres of Las Colinas land, 22.1 acres of Mason Goodrich land, 4.2 acres of Nashville land, 5 tracts totaling 49.7 acres of Katrina land, 6.6 acres of Razor land, 12.7 acres of Santa Clarita land, 232.8 acres of Scoggins land, 408.0 acres of Scout land, 10.4 acres of Tree Farm land, and .4 acres of Waters Edge Apartment land. In 2001, losses of \$8.3 million were recognized on the sale of Glenwood Apartments, 12.0 acres of Plano Parkway land, 120.4 acres of Yorktown land, two tracts totaling 3.2 acres of Nashville land, Ashford Apartments, 6.7 acres of Santa Clarita land, 107.0 acres of Elm Fork land, and 27.4 acres of Vista Ridge land.

In 2000, gains of \$45.9 million were recognized on the sale of nine apartments: Summerwind, Windtree, The Pines, Whispering Pines, Four Seasons, Sherwood Glen, Fair Oaks, Hidden Valley and Candlelight Square; \$21.9 million on the sale of commercial properties: Katella Plaza, Marina Playa, Harbor Plaza and Preston Center; and \$30.6 million on the sale of land: 420 acres of Duchesne land, three tracts totaling 166.7 acres of Frisco Bridges land, 749.1 acres of Keller land, 0.02 acres of Katy land, four tracts totaling 41.2 acres of Mason/Goodrich land, 157.9 acres of Mastenbrook land, 82.0 acres of McKinney Corners I, II, III, IV and V land, 20.67 acres of Monterey land, four tracts totaling 8.69 acres of Nashville land, 182.5 acres of Pantex land, two tracts

## Edgar Filing: AMERICAN REALTY INVESTORS INC - Form 10-K405

totaling 329.4 acres of Parkfield land, three tracts totaling 89.51 acres of Razor land, 80.4 acres of Rowlett Creek land, 3.0 acres of Salmon River land, 126.6 acres of Vann Cattle land, 5.4 acres of Vista Business Park

27

land, and 70.3 acres of Wakefield land. In 2000, losses of \$1.6 million were recognized on the sale of 14.6 acres of McKinney Corners II land, 377.15 acres of Pioneer Crossing land, 4.79 acres of Plano Parkway land, 22.4 acres of Valley Ranch land, and 36.43 acres of Vista Business Park land.

2000 Compared to 1999. ARI reported net income of \$2.7 million in 2000 compared to \$10.3 million in 1999. ARI's net income in 2000 included gains on the sale of real estate of \$96.7 million compared to gains on the sale of real estate of \$129.3 million in 1999. The primary factors contributing to ARI's net income are discussed in the following paragraphs.

Rents decreased to \$138.2 million in 2000 from \$157.6 million in 1999. Rent from commercial properties increased to \$31.5 million in 2000 from \$30.2 million in 1999, rent from hotels increased to \$33.1 million in 2000 from \$31.6 million in 1999 and rent from apartments decreased to \$69.8 million in 2000 from \$93.9 million in 1999. The increase in rent from commercial properties was primarily attributable to completion of the Centura and Hickory Centre office buildings in 2000. The increase in rent from hotels is attributable to increased occupancy rates. Apartment rents decreased in 2000 as a result of 15 apartments being sold in 1999 and nine apartments sold in 2000.

Property operations expense decreased to \$94.1 million in 2000 from \$106.6 million in 1999. Property operations expense for commercial properties increased to \$19.8 million in 2000 from \$16.5 million in 1999, for hotels such expense of \$24.1 million in 2000 approximated the \$24.2 million expense in 1999, for land the expense of \$9.7 million in 2000 approximated the \$9.0 million expense in 1999 and apartments decreased to \$40.4 million in 2000 from \$56.4 million in 1999. The increase in commercial property operations expense was primarily due to the completion of the Centura and Hickory Centre office buildings in 2000. The decrease in apartment property operations expense was primarily due to 15 apartments being sold in 1999 and nine apartment sales in 2000.

Pizza parlor sales and cost of sales were \$32.6 million and \$26.8 million in 2000 and \$30.8 million and \$26.3 million, in 1999. Pizza parlor operations experienced higher profit margins in 2000 due to lower pizza ingredient costs (primarily cheese), a price increase in October 2000, and the closing of underperforming locations.

Interest income decreased to \$3.0 million in 2000 from \$6.4 million in 1999. The decrease was attributable to the collection of \$39.9 million in notes in 2000, while originating and funding loans of \$14.7 million.

Equity in income of investees decreased to \$5.2 million in 2000 from \$11.8 million in 1999. The decrease in equity income was primarily due to reduced ownership by ARI in TCI in 2000, due to sales of ARI-owned securities by margin debt holders. Equity investees reported gains on the sale of real estate in 2000 totaling \$71.4 million of which ARI's equity share was \$18.6 million. These gains were offset by operating losses totaling \$23.8 million, of which ARI's equity share was \$5.3 million. Also, sales of stock of equity investees by margin debt holders of ARI resulted in losses of \$7.9 million. See NOTE 6. "INVESTMENTS IN EQUITY INVESTEES."

Other income was a loss of \$926,000 in 2000 approximating the loss of

## Edgar Filing: AMERICAN REALTY INVESTORS INC - Form 10-K405

\$846,000 in 1999.

Interest expense decreased to \$76.7 million in 2000 from \$91.7 million in 1999. This decrease is due to 36 land and nine apartment sales in 2000.

Advisory fees increased to \$5.9 million in 2000 from \$5.5 million in 1999. The increase was attributable to the addition of NRLP assets to ARI's gross assets, the basis for such fee.

Incentive fees in 2000 were \$1.6 million. This fee represents 10% of the excess of net capital gains over net capital losses from sales of operating properties.

28

General and administrative expenses of \$17.1 million in 2000 approximated the \$17.1 million expense in 1999.

Depreciation and amortization decreased to \$16.9 million in 2000 from \$17.4 million in 1999. The reduction is due to the sale of nine apartments in 2000.

In the fourth quarter of 2000, a provision for loss of \$2.2 million was recognized. Such loss relates to the reduction of the carrying value of an 11.3 acre tract of land in Plano, Texas, sold in the first quarter of 2001, to its net realizable value and a litigation reserve related to a breach of contract dispute. In the third and fourth quarter of 1999, provisions for loss of \$2.1 million and \$1.0 million were recognized, respectively. Such loss relates to the relinquishment by ARI of its general and Class B limited partner interests in a controlled partnership that owned two apartments in Indianapolis, Indiana.

In December 1998, upon the election of a wholly-owned subsidiary of ARI as general partner of NRLP, the subsidiary assumed liability for certain legal settlement payments. Such obligation is included in litigation expense in the accompanying Consolidated Statement of Operations.

Minority interest decreased to \$30.7 million in 2000 from \$56.7 million in 1999. Minority interest is the earnings attributable to limited partners, other than ARI, of certain controlled limited partnerships. Minority interest in 2000 and 1999 was attributable, in part, to the preferred return limited partner units of Ocean Beach Partners, L.P.; Valley Ranch, L.P.; Grapevine American, L.P.; Edina Park Plaza Associates, L.P.; Hawthorne Lakes Associations, L.P.; ART Florida Portfolio III and ART Palm, L.L.C. In 2000, minority interest includes, in addition to the preferred returns discussed above, \$29.8 million of earnings attributable to the limited partners in NRLP prior to the merger, compared to \$55.7 million in 1999.

Gains on sale of real estate decreased to \$96.7 million in 2000 from \$129.3 million in 1999. In 2000, gains of \$45.9 million were recognized on the sale of nine apartments: Summerwind, Windtree, The Pines, Whispering Pines, Four Seasons, Sherwood Glen, Fair Oaks, Hidden Valley and Candlelight Square; \$21.9 million on the sale of commercial properties: Katella Plaza, Marina Playa, Harbor Plaza and Preston Center; and \$30.6 million on the sale of land: 420 acres of Duchesne land, three tracts totaling 166.7 acres of Frisco Bridges land, 749.1 acres of Keller land, 0.02 acres of Katy land, four tracts totaling 41.2 acres of Mason/Goodrich land, 157.9 acres of Mastenbrook land, 82.0 acres of McKinney Corners I, II, III, IV and V land, 20.67 acres of Monterey land, four tracts totaling 8.69 acres of Nashville land, 182.5 acres of Pantex land, two tracts totaling 329.4 acres of Parkfield land, three tracts totaling 89.51 acres of Razor land, 80.4 acres of Rowlett Creek land, 3.0 acres of Salmon River land, 126.6 acres of Vann Cattle land, 5.4 acres of Vista Business Park

land, and 70.3 acres of Wakefield land. In 2000, losses of \$1.6 million were recognized on the sale of 14.6 acres of McKinney Corners II land, 377.15 acres of Pioneer Crossing land, 4.79 acres of Plano Parkway land, 22.4 acres of Valley Ranch land, and 36.43 acres of Vista Business Park land.

In 1999, gains of \$96.5 million were recognized on the sale of 15 apartments: Olde Town, Sante Fe, Mesa Ridge, Horizon East, Lantern Ridge, Barcelona, Country Place, Lake Nora, Fox Club, Oak Hollow, Windridge, Tanglewood, Edgewater Garden, Bavarian Woods, and Manchester Commons; \$9.2 million on the sale of the Continental Hotel and Casino; and \$24.1 million on the sale of land: seven tracts totaling 46.9 acres of Plano Parkway land, 9.9 acres of Mason/Goodrich land, four tracts totaling 302.4 acres of McKinney Corners II, McKinney Corners IV and Dowdy land, 13.0 acres of Razor land, three tracts totaling 23.0 acres of Vista Ridge land, four tracts totaling 103.6 acres of Frisco Bridges land, .13 acres of JHL Connell land, 1.4 acres of Valley Ranch land, Sun City lots, 121.2 acres of Katrina land, five tracts totaling 187.7 acres of Keller, Scout and Scoggins land, and 205.4 acres of Yorktown land. In 1999, losses of \$545,000 were recognized on the sale of Stone Meadows land and 6.2 acres of Plano Parkway land.

### Environmental Matters

Under various federal, state and local environmental laws, ordinances and regulations, ARI may be potentially liable for removal or remediation costs, as well as certain other potential costs relating to hazardous or toxic substances (including governmental fines and injuries to persons and property) where property-level managers have arranged for the removal, disposal or treatment of hazardous or toxic substances. In addition, certain environmental laws impose liability for release of asbestos-containing materials into the air, and third parties may seek recovery for personal injury associated with such materials.

Management is not aware of any environmental liability relating to the above matters that would have a material adverse effect on ARI's business, assets or results of operations.

### Inflation

The effects of inflation on ARI's operations are not quantifiable. Revenues from property operations tend to fluctuate proportionately with inflationary increases and decreases in housing costs. Fluctuations in the rate of inflation also affect the sales values of properties and the ultimate gains to be realized from property sales. To the extent that inflation affects interest rates, earnings from short-term investments and the cost of new financings as well as the cost of variable interest rate debt will be affected.

30

### ITEM 7A. QUANTITATIVE AND QUALITATIVE DISCLOSURES REGARDING MARKET RISK

ARI's future operations, cash flow and fair values of financial instruments are partially dependent upon the then existing market interest rates and market equity prices. Market risk is the changes in the market rates and prices and the affect of the changes on the future operations. Market risk is managed by matching a property's anticipated net operating income to an appropriate financing.

## Edgar Filing: AMERICAN REALTY INVESTORS INC - Form 10-K405

The following table contains only those exposures that existed at December 31, 2001. Anticipation of exposures of risk on positions that could possibly arise was not considered. ARI's ultimate interest rate risk and its effect on operations will depend on future capital market exposures, which cannot be anticipated with a probable assurance level. Dollars in thousands.

REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

Board of Directors of  
American Realty Investors, Inc.

We have audited the accompanying consolidated balance sheets of American Realty Investors, Inc. and Subsidiaries as of December 31, 2001 and 2000 and the related consolidated statements of operations, stockholders' equity and cash flows for each of the three years in the period ended December 31, 2001. We have also audited the schedules listed in the accompanying index. These financial statements and schedules are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements and schedules based on our audits.

We conducted our audits in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements and schedules are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements and schedules. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements and schedules. We believe our audits provide a reasonable basis for our opinion.

As described in Note 20, American Realty Investors, Inc.'s management has indicated its intent to sell both land and operating properties and refinance or extend debt coming due, to meet its liquidity needs.

As discussed in Note 1, ARI adopted the provisions of SFAS 144, Accounting for Impairment of Long Lived Assets, in 2001.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the consolidated financial position of American Realty Investors, Inc. and Subsidiaries as of December 31, 2001 and 2000, and the consolidated results of their operations and their cash flows for each of the three years in the period ended December 31, 2001, in conformity with accounting principles generally accepted in the United States of America.

Also, in our opinion, the schedules referred to above present fairly, in all material respects, the information set forth therein.

### NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

The accompanying Consolidated Financial Statements of American Realty Investors, Inc. and consolidated subsidiaries have been prepared in conformity with generally accepted accounting principles, the most significant of which are described in NOTE 1. "SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES." These, along with the remainder of the Notes to Consolidated Financial Statements, are an integral part of the Consolidated Financial Statements. The data presented in the Notes to Consolidated Financial Statements are as of December 31 of each year and for the year then ended, unless otherwise indicated. Dollar amounts in tables are in thousands, except per share amounts.

Certain balances for 1999 and 2000 have been reclassified to conform to the 2001 presentation.

#### NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization and company business. American Realty Investors, Inc. ("ARI"), a Nevada corporation, is the successor through merger to American Realty Trust, Inc. ("ART"), a Georgia corporation and National Realty, L.P. ("NRLP"), a Delaware partnership, that primarily invests in real estate and real estate-related entities and purchases and originates mortgage loans.

The merger of ART and NRLP into ARI was completed on August 2, 2000. NRLP unitholders, except for ART, received one share of ARI Common Stock for each unit of NRLP held. ART stockholders received .91 shares of ARI Common Stock for each share of ART Common Stock held. Each share of ART Preferred Stock was converted into one share of Preferred Stock of ARI, having substantially the same rights as ART's Preferred Stock. The ART shares of Common Stock ceased trading on the New York Stock Exchange on August 2, 2000. ARI Common Stock commenced trading on the New York Stock Exchange on August 3, 2000. Prior to December 31, 1998, ART accounted for its investment in NRLP under the equity method, as of December 31, 1998, upon the election of a wholly-owned subsidiary

## Edgar Filing: AMERICAN REALTY INVESTORS INC - Form 10-K405

of ART as general partner of NRLP, ART began consolidation of NRLP's accounts on December 31, 1998 and consolidation of its operations subsequent to that date. For reporting purposes, the merger is treated as the purchase of NRLP by ART; accordingly, the historical information presented for ARI is that of ART.

On October 23, 2001, ARI, Transcontinental Realty Investors, Inc. ("TCI"), and Income Opportunity Realty Investors, Inc. ("IORI") jointly announced a preliminary agreement with the plaintiff's legal counsel of the derivative action entitled Olive et al. V. National Income Realty Trust, et al. for complete settlement of all disputes in the lawsuit. In February 2002, the court granted final approval of the proposed settlement. Under the proposal, ARI would acquire all of the outstanding shares of IORI and TCI not currently owned by ARI for a cash payment or shares of ARI preferred stock. ARI will pay \$17.50 cash per TCI share and \$19.00 cash per IORI share for the stock held by non-affiliated stockholders. ARI will issue one share of Series G Preferred Stock with a liquidation value of \$20.00 per share for each share of TCI Common Stock for stockholders who affirmatively elect to receive ARI Preferred Stock in lieu of cash. ARI will issue one share of Series H Preferred Stock with a liquidation value of \$21.50 per share for each share of IORI Common Stock for stockholders who affirmatively elect to receive ARI Preferred Stock in lieu of cash. All affiliated stockholders will receive ARI Preferred Stock. Each share of Series G Preferred Stock will be convertible into 2.5 shares of ARI Common Stock, and each share of Series H Preferred Stock will be convertible into 2.25 shares of ARI Common Stock during a 75-day period that commences fifteen days after the date of the first ARI Form 10-Q filing that occurs after the closing of the merger transaction. Upon the acquisition of IORI and TCI shares, TCI and IORI would become wholly-owned subsidiaries of ARI. The transaction is subject to the negotiation of a definitive merger agreement and a vote of the shareholders of all three entities. ARI has the same advisor as TCI and IORI, and TCI and IORI have the same board of directors.

#### NOTES TO CONSOLIDATED FINANCIAL STATEMENTS--(Continued)

**Basis of consolidation.** The Consolidated Financial Statements include the accounts of ARI, and all controlled subsidiaries and partnerships. The equity method was used to account for ART's investment in NRLP prior to December 31, 1998. All significant intercompany transactions and balances have been eliminated.

**Accounting estimates.** In the preparation of these Consolidated Financial Statements, in conformity with generally accepted accounting principles it was necessary for management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the Consolidated Financial Statements and the reported amounts of revenues and expense for the year then ended. Actual results could differ materially from these estimates.

**Interest recognition on notes receivable.** Interest income is not recognized on notes receivable that have been delinquent for 60 days or more. In addition, accrued but unpaid interest income is only recognized to the extent that the net realizable value of the underlying collateral exceeds the carrying value of the receivable.

**Allowance for estimated losses.** A valuation allowance is provided for estimated losses on notes receivable considered to be impaired. Impairment is

## Edgar Filing: AMERICAN REALTY INVESTORS INC - Form 10-K405

considered to exist when it is probable that all amounts due under the terms of the note will not be collected. Valuation allowances are provided for estimated losses on notes receivable to the extent that the investment in the note exceeds management's estimate of fair value of the collateral securing such note.

Accounting pronouncements. In June 2001, the Financial Accounting Standards Board finalized FASB Statement No. 141, Business Combinations (SFAS 141), and No. 142, Goodwill and Other Intangible Assets (SFAS 142). SFAS 141 requires the use of the purchase method of accounting and prohibits the use of the pooling-of-interests method of accounting for business combinations initiated after June 30, 2001. SFAS 141 also requires that ARI recognize acquired intangible assets apart from goodwill if the acquired intangible assets meet certain criteria. SFAS 141 applies to all business combinations initiated after June 30, 2001. It also requires, upon adoption of SFAS 142, that ARI reclassify the carrying amounts of intangible assets and goodwill based on the criteria in SFAS 141.

SFAS 142 requires, among other things that companies no longer amortize goodwill, but instead test goodwill for impairment at least annually. In addition, SFAS 142 requires that ARI identify reporting units in order to assess potential future impairment of goodwill, reassess the useful lives of other existing recognized intangible assets, and cease amortization of intangible assets with an indefinite useful life. SFAS 142 requires that an intangible asset with an indefinite useful life be tested for impairment in accordance with specified guidelines. SFAS 142 is required to be applied in fiscal years beginning after December 15, 2001 to all goodwill and other intangible assets recognized at that date, regardless of when those assets were initially recognized. SFAS 142 requires ARI to complete a transitional goodwill impairment test six months from the date of adoption. ARI is also required to reassess the useful lives of other intangible assets within the first interim quarter after adoption of SFAS 142. Currently, ARI does not believe that the adoption of SFAS 141 and SFAS 142 will impact its financial position and results of operations.

SFAS 143 requires that the fair value for an asset retirement obligation be recognized in the period in which it is incurred, if a reasonable estimate of fair value can be made, and that the carrying value of the asset, including capitalized asset retirement costs, be tested for impairment. SFAS 143, is effective for fiscal years beginning after June 15, 2002. Management does not believe this statement will have a material effect on ARI's financial position or results of operations.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS--(Continued)

Real estate held for investment and depreciation. Real estate held for investment is carried at cost. Statement of Financial Accounting Standards No. 144 ("SFAS No. 144") requires that a property be considered impaired, if the sum of the expected future cash flows (undiscounted and without interest charges) is less than the carrying amount of the property. If impairment exists, an impairment loss is recognized, by a charge against earnings, equal to the amount by which the carrying amount of the property exceeds the fair value less cost to sell the property. If impairment of a property is recognized, the carrying amount of the property is reduced by the amount of the impairment, and a new cost for the property is established. Such new cost is

## Edgar Filing: AMERICAN REALTY INVESTORS INC - Form 10-K405

depreciated over the property's remaining useful life. Depreciation is provided by the straight-line method over estimated useful lives, which range from five to 40 years.

Real estate held for sale. Foreclosed real estate is initially recorded at new cost, defined as the lower of original cost or fair value minus estimated costs of sale. SFAS No. 144 also requires that properties held for sale be reported at the lower of carrying amount or fair value less costs of sale. If a reduction in a held for sale property's carrying amount to fair value less costs of sale is required, a provision for loss is recognized by a charge against earnings. Subsequent revisions, either upward or downward, to a held for sale property's estimated fair value less costs of sale is recorded as an adjustment to the property's carrying amount, but not in excess of the property's carrying amount when originally classified as held for sale. A corresponding charge against or credit to earnings is recognized. Properties held for sale are not depreciated.

Investments in equity investees. ARI may be considered to have the ability to exercise significant influence over the operating and investment policies of certain of its investees. Those investees are accounted for using the equity method. Under the equity method, an initial investment, recorded at cost, is increased by a proportionate share of the investee's operating income and any additional investment and decreased by a proportionate share of the investee's operating losses and distributions received.

Present value premiums/discounts. Present value premiums and discounts are provided on notes receivable or payable that have interest rates that differ substantially from prevailing market rates and such premiums and discounts are amortized by the interest method over the lives of the related notes. The factors considered in determining a market rate for notes receivable include the borrower's credit standing, nature of the collateral and payment terms of the note.

Revenue recognition on the sale of real estate. Sales of real estate are recognized when and to the extent permitted by Statement of Financial Accounting Standards No. 66, "Accounting for Sales of Real Estate" ("SFAS No. 66"). Until the requirements of SFAS No. 66 for full profit recognition have been met, transactions are accounted for using either the deposit, the installment, the cost recovery, or the financing method, whichever is appropriate.

Operating segments. Management has determined reportable operating segments to be those that are used for internal reporting purposes, which disaggregates operations by type of real estate.

Fair value of financial instruments. The following assumptions were used in estimating the fair value of its notes receivable, marketable equity securities and notes payable. For performing notes receivable, the fair value was estimated by discounting future cash flows using current interest rates for similar loans. For nonperforming notes receivable the estimated fair value of ARI's interest in the collateral property was used. For marketable equity securities fair value was based on the year end closing market price of each security. For notes payable the fair value was estimated using current rates for mortgages with similar terms and maturities.

Cash equivalents. For purposes of the Consolidated Statements of Cash Flows, all highly liquid debt instruments purchased with an original maturity of three months or less are considered to be cash equivalents.

Earnings per share. Income per share is presented in accordance with Statement of Financial Accounting Standards No. 128, "Earnings Per Share". Income per share is computed based upon the weighted average number of shares of Common Stock outstanding during each year.

Employee stock option plans. Employee stock options are presented in accordance with Accounting Principles Board Opinion No. 25 "Accounting for Stock Issued to Employees." Compensation cost is limited to the excess of the quoted market price. No compensation cost is recorded if the quoted market price is below the exercise price. See NOTE 12. "STOCK OPTIONS."

respectively.

Notes receivable at December 31, 2001, mature from 2000 to 2004 with interest rates ranging from 0.00% to 14.0% per annum and a weighted average rate of 11.8% per annum. Notes receivable are generally collateralized by real estate or interests in real estate and personal guarantees of the borrower. A majority of the notes receivable provide for interest to be paid at maturity. Scheduled principal maturities of \$11.6 million are due in 2002.

In March 2001, ARI sold a 20.0 acre tract of its Katrina land parcel for \$2.8 million, receiving \$700,000 in cash and providing purchase money financing of the remaining \$2.1 million of the sales price. The loan bears interest at 12.0% per annum and matured in July 2001. All principal and interest were due at maturity. In January 2002, \$274,000 in principal and \$226,000 in interest was collected. In March 2002, the note was collected in full, including accrued but unpaid interest.

In April 2001, ARI sold a 20.0 acre tract of its Katrina land parcel for \$2.9 million, receiving \$700,000 in cash and providing purchase money financing of the remaining \$2.2 million of the sales price. The loan bore interest at 10.0% per annum and matured in June 2001. In May 2001, ARI sold an 80% senior interest in the note to a financial institution. In June 2001, the interest rate was increased to 12.0% and the maturity date was extended to August 2001. All principal and accrued but unpaid interest were due at maturity. In July 2001, the note was collected in full, including accrued but unpaid interest.

In November 2001, ARI sold a 12.71 acre tract of its Santa Clarita parcel for \$1.9 million, receiving \$1.5 million in cash and providing purchase money financing of the remaining \$437,000 of the sales price. The loan bears interest at 8.00% per annum and matures in November 2002. All principal and accrued but unpaid interest are due at maturity.

Also in November 2001, ARI sold the Blackhawk Apartments for \$7.1 million receiving \$1.5 million in cash after the assumption of \$4.0 million of mortgage debt and providing purchase money financing of the remaining \$1.6 million of the sales price. The loan bears interest at 10.00% per annum and matures in May 2002. Monthly principal and interest payments are required. All remaining principal and accrued but unpaid interest are due at maturity.

In July 2000, ARI sold a 749.1 acre tract of its Keller land parcel for \$10.0 million, receiving \$8.7 million in cash and providing purchase money financing of the remaining \$1.3 million of the sales price. The loan bore interest at 12.0% per annum. A payment of \$500,000 principal and interest was collected in September 2000 and all remaining principal and interest was due July 31, 2001. The loan was secured by 100% of the shares of DM Development, Inc. and an assignment of proceeds. In March 2001, \$850,000 in principal and interest was collected. In June 2001, the loan was collected in full, including accrued but unpaid interest.

In August 2000, ARI sold 20.5 acres of its Mason Goodrich land parcel for \$3.6 million, receiving \$2.1 million in cash and providing purchase money financing of the remaining \$1.5 million of the sales price. The loan bore interest at 13.5% per annum, and matured in December 2000. All principal and

interest were due at maturity. In February 2001, the loan was collected in full, including accrued but unpaid interest.

In June 2000, the 124,322 sq.ft. Marina Playa Office Building in Santa Clara, California, was sold for \$25.8 million, ARI received \$7.0 million in cash and provided financing of \$18.8 million in the form of a wraparound mortgage note. Subsequently, ARI sold the note receivable, net of the underlying debt, for \$6.2 million, retaining a \$3.9 million participation. In August 2000, the participation was collected in full, including accrued but unpaid interest.

In August 1999, a \$2.6 million loan was funded to JNC Enterprises, Inc. ("JNC"). The loan was subsequently split into two pieces. The loans were secured by second liens on a 3.5 acre and a 1.2561 acre parcel of land in Dallas, Texas, the guarantee of the borrower and the personal guarantees of its shareholders. The loans bore interest at 16.0% per annum and matured in February 2000. All principal and interest were due at maturity. In March and April 2000, the loans were collected in full, including accrued but unpaid interest.

In September 1999, in conjunction with the sale of two apartments in Austin, Texas, \$2.1 million in purchase money financing was provided, secured by limited partnership interests in two limited partnerships owned by the buyer. The financing bore interest at 16.0% per annum, required monthly payments of interest only at 6.0% per annum, beginning in February 2000 and required a \$200,000 principal payoff in December 1999, which was not received, and matured in August 2000. ARI had the option of obtaining the buyer's general and limited partnership interests in the collateral partnerships in full satisfaction of the financing. In March 2000, ARI agreed to forbear foreclosing on the collateral securing the note and released one of the partnership interests, in exchange for a payment of \$250,000 and executed deeds of trusts on certain properties owned by the buyer. In March 2000, the borrower made a \$1.1 million payment, upon receipt of which ARI returned the deeds of trust. The borrower executed a replacement promissory note for the remaining note balance of \$1.0 million, which is unsecured, non-interest bearing and matures in April 2003. In April 2000, ARI funded a \$100,000 loan to the borrower. The loan was secured by five second lien deeds of trust, was non-interest bearing and matured in September 2001. Payment was not received at maturity, and ARI began accruing default interest. In December 2001, the \$100,000 loan was collected in full, including accrued but unpaid interest.

In December 1999, a note with a principal balance of \$1.2 million and secured by a pledge of a partnership interest in a partnership which owns real estate in Addison, Texas, matured. The maturity date was extended to April 2000 in exchange for an increase in the interest rate to 14.0% per annum. All other terms remained the same. NOTE 9. MARGIN BORROWINGS

ARI has margin arrangements with various financial institutions and brokerage firms which provide for borrowings of up to 50% of the market value of marketable equity securities. The borrowings under such margin arrangements are secured by the equity securities of IORI and TCI and ARI's trading portfolio securities and bear interest rates ranging from 5.75% to 24.0% per annum. Margin borrowings were \$28.0 million at December 31, 2001, and \$13.5 million at December 31, 2000, 39.2% and 46.1%, respectively, of the market values of the equity securities at those dates.

In June 2000, 1.6 million shares of TCI common stock and 54,000 shares of IORI common stock held as collateral on margin loans were sold to satisfy margin calls resulting in losses totaling \$7.9 million. These losses are included in equity income of investees in the Consolidated Statements of Operations. See NOTE 6. "INVESTMENTS IN EQUITY INVESTEEES."

In March 2001, ARI obtained a security loan in the amount of \$3.5 million from a financial institution. ARI received net cash of \$3.5 million after paying various closing costs. The loan bore interest at 16.0% per annum. In April and May 2001, a total of \$2.0 million in principal paydowns were made. In July 2001, the loan was repaid in full, including accrued but unpaid interest.

### NOTE 10. DIVIDENDS

During the second quarter of 1999, ARI's Board of Directors established a policy that dividend declarations on Common Stock would be determined on an annual basis following the end of each year. No dividends on Common Stock were declared for 2000 or 2001. Future distributions to Common stockholders will be dependent upon ARI's income, financial condition, capital requirements and other factors deemed relevant by the Board.

### NOTE 12. STOCK OPTIONS

In January 1998, stockholders approved the 1997 Stock Option Plan (the "Option Plan"). Under the Option Plan, options have been granted to certain ARI officers and key employees of BCM and its affiliates. The Option Plan provides for options to purchase up to 300,000 shares of Common Stock. All grants are determined by the Option Committee of the Board of Directors. Options granted pursuant to the Option Plan are exercisable, based upon vesting of 20% per year, beginning one year after the date of grant and expire the earlier of three months after termination of employment or ten years from the date of grant.

option to purchase 1,000 Common shares at exercise prices of \$18.53, \$13.625 and \$9.87 per Common share, respectively. Each Independent Director will be awarded an option to purchase an additional 1,000 shares on January 1 of each year. At December 31, 2001, 10,000 options were exercisable at prices ranging from \$13.625 to \$18.53 per Common share.

Accounting Principles Board Opinion No. 25 "Accounting for Stock Issued to Employees," and related Interpretations are utilized by management in accounting for the option plans. All share options issued have exercise prices equal to the market price of the shares at the dates of grant. Accordingly, no compensation cost has been recognized for the option plans. Had compensation cost for the option plans been determined based on the fair value at the grant dates consistent with the method of Statement of Financial Accounting Standards No. 123 "Accounting for Stock-Based Compensation," net income and net income per share would have been the pro forma amounts indicated below.

	2001		2000		1999	
	As Reported	Pro Forma	As Reported	Pro Forma	As Reported	Pro Forma

Net income applicable to common shares, per share	1.07	1.02	.03	--	.75	.71

The fair value of each option is estimated on the date of grant using the Black-Scholes option-pricing model with the following weighted average assumptions:

The weighted average fair value per share of options in 2001 was \$6.86.

### NOTE 13. ADVISORY AGREEMENT

Although the Board of Directors is directly responsible for managing the affairs of ARI and for setting the policies which guide it, the day-to-day operations of ARI are performed by BCM, a contractual advisor under the supervision of the Board. The duties of the advisor include, among other things, locating, investigating, evaluating and recommending real estate and mortgage loan investment and sales opportunities as well as financing and refinancing sources. BCM as advisor also serves as a consultant in connection with the preparation of ARI's business plan and investment policy decisions made by the Board.

BCM, an affiliate, has been providing advisory services to ARI or ART since February 6, 1989. BCM is a company owned by a trust for the benefit of the children of Gene E. Phillips. Mr. Phillips serves as a representative of the trust for the benefit of his children that owns BCM and, in such capacity has substantial contact with the management of BCM and input with respect to BCM's performance of advisory services for ARI.

The Advisory Agreement provides that BCM shall receive base compensation at the rate of 0.0625% per month (0.75% on an annualized basis) of ARI's Average Invested Assets.

58

AMERICAN REALTY INVESTORS, INC.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS--(Continued)

In addition to base compensation, the Advisory Agreement provides that BCM, or an affiliate of BCM, receive an acquisition fee for locating, leasing or purchasing real estate for ARI's benefit; a disposition fee for the sale of each equity investment in real estate; a loan arrangement fee; an incentive fee equal to 10% of net income for the year in excess of a 10% return on stockholders' equity, and 10% of the excess of net capital gains over net capital losses, if any; and a mortgage placement fee, on mortgage loans originated or purchased.

The Advisory Agreement further provides that BCM shall bear the cost of certain expenses of its employees not directly identifiable to ARI's assets, liabilities, operations, business or financial affairs; and miscellaneous administrative expenses relating to the performance of its duties under the Advisory Agreement.

If and to the extent that BCM or any director, officer, partner or employee of BCM, shall be requested to render services to ARI other than those required to be rendered by BCM under the Advisory Agreement, such additional services, if performed, will be compensated separately on terms agreed upon between each party from time to time.

The Advisory Agreement automatically renews from year to year unless terminated in accordance with its terms. Management believes that the terms of the Advisory Agreement are at least as fair as could be obtained from unaffiliated third parties.

### NOTE 14. PROPERTY MANAGEMENT

Affiliates of BCM provided property management services to ARI. Currently,

## Edgar Filing: AMERICAN REALTY INVESTORS INC - Form 10-K405

Triad Realty Services, Ltd. ("Triad"), an affiliate, and Carmel Realty, Inc. ("Carmel") provide property management services to ARI's properties for a fee of 5% or less of the monthly gross rents collected on the residential properties under its management and 3% or less of the monthly gross rents collected on the commercial properties under its management. Triad and Carmel subcontract with other entities for property-level management services at various rates. The general partner of Triad is BCM. The limited partner of Triad is GS Realty Services, Inc. ("GS Realty"), a related party. Triad subcontracts the property-level management of 13 of ARI's commercial properties (office buildings, shopping centers and a merchandise mart) and eight of its hotels to Regis Realty, Inc. ("Regis"), a related party, which is a company also owned by GS Realty. Regis is entitled to receive property and construction management fees and leasing commissions in accordance with the terms of its property-level management agreement with Triad. Carmel is a company owned by First Equity Properties, Inc., which is a company affiliated with BCM.

NOTE 16. INCOME TAXES

ARI had losses for federal income tax purposes for 2001, 2000 and 1999, as amended; therefore, it recorded no provision for income taxes. ARI's tax basis in its net assets differs from the amount at which its net assets are reported for financial statement purposes, principally due to the accounting for gains and losses on property sales, the difference in the allowance for estimated losses, depreciation on owned properties, and investments in equity method real estate entities. At December 31, 2001, ARI's tax basis in its net real and personal property assets exceeded their basis for financial statement purposes by \$32.4 million. As a result, aggregate future income for income tax purposes will be less than such amount for financial statement purposes. Additionally, at December 31, 2001, ARI had current and carryforward net operating losses of \$146.0 million expiring through the year 2021. Certain of the net operating and capital loss carryforwards may be subject to limitation under the current tax laws.

At December 31, 2001, ARI had a net deferred tax asset of \$60.0 million due to tax deductions available to it in future years. However, as management cannot determine that it is more likely than not that ARI will realize the benefit of the deferred tax asset, a 100% valuation allowance has been established.

NOTE 17. RENTS UNDER OPERATING LEASES

ARI's operations include the leasing of commercial properties (office buildings, shopping centers and a merchandise mart). The leases thereon expire at various dates through 2015. The following is a schedule of minimum future rents under non-cancelable operating leases as of December 31, 2001:

Pizza World Supreme, Inc. ("PWSI") conducts its operations from leased facilities which include office space, a warehouse, and 52 pizza parlor locations for which a lease was signed and the pizza parlor was either open at December 31, 2001 or scheduled to open thereafter. The leases expire over the next 20 years. PWSI also leases vehicles under operating leases.

Total facilities and automobile rent expense relating to these leases was \$2.2 million in 2001, \$2.5 million in 2000 and \$2.9 million in 1999.

### NOTE 18. OPERATING SEGMENTS

Significant differences among the accounting policies of the operating segments as compared to the Consolidated Financial Statements principally involve the calculation and allocation of administrative expenses. Management evaluates the performance of each of the operating segments and allocates resources to them based on their net operating income and cash flow. Items of income that are not reflected in the segments are equity in income of investees and other income which totaled \$8.4 million in 2001, \$4.3 million in 2000 and \$11.0 million in 1999. Expenses that are not reflected in the segments are general and administrative expenses, minority interest, incentive fees, advisory fees, net income fees, litigation settlement expenses and provision for losses which totaled \$27.0 million in 2001, \$57.6 million in 2000 and \$82.8 million in 1999. Excluded from operating segment assets are assets of \$118.7 million in 2001 and \$97.8 million in 2000 and \$88.1 million in 1999 which are not identifiable with an operating segment. There are no intersegment revenues and expenses and ARI conducted all of its business within the United States, with the exception of Hotel Sofia (Bulgaria), which had operating revenues of \$4.1 million and operating expenses of \$3.0 million in 2001. Hotel Sofia had no operations in 2000. See NOTE 2. "REAL ESTATE" and NOTE 3. "NOTES AND INTEREST RECEIVABLE."

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS--(Continued)

NOTE 20. COMMITMENTS AND CONTINGENCIES AND LIQUIDITY

Liquidity. Although management anticipated that ARI would generate excess cash from operations in 2001, such excess cash did not materialize and, therefore, was not sufficient to discharge all of ARI's debt obligations as they became due. ARI relied on additional borrowings, and sales of land and income producing properties to meet its cash requirements. In 2002, ARI will rely on aggressive land sales, selected income producing property sales and, to the extent necessary, additional borrowings to meet its cash requirements.

Commitments. In March 1999, an agreement was reached with the Class A unitholders of Valley Ranch, L.P. to acquire their eight million Class A units for \$1.00 per unit. In 1999, three million units were purchased. Additionally one million units were purchased in January 2000 and two million units were purchased in May 2001. ARI has committed to purchase the remaining two million units in May 2002. See NOTE 11. "PREFERRED STOCK."

On October 3, 2000, ARI and IORI entered into an agreement which provided IORI and ARI with an option to purchase 1,858,900 shares of common stock of TCI from a third party. On October 19, 2000, IORI assigned all of its rights to purchase such shares to ARI. The total cost to purchase the TCI shares was \$30.8 million. In October 2000, ARI paid \$5.6 million of the option price. In April 2001, the remainder of the option price was paid, and ARI acquired the TCI shares.

Litigation. ARI is involved in various lawsuits arising in the ordinary course of business. In the opinion of management the outcome of these lawsuits will not have a material impact on ARI's financial condition, results of

operations or liquidity.

A litigation reserve has been established for the estimated exposure in a breach of contract dispute.

- (1) In January 2002, IORI, a related party, purchased 100% of the outstanding common shares of Rosedale Corporation ("Rosedale"), a wholly-owned subsidiary of ARI, for \$5.1 million. Rosedale owns the Rosedale Towers Office Bulding. ARI has guaranteed that the asset will produce at least a 12% annual return on the purchase price for a period of three years from the purchase date. If the asset fails to produce the 12% return, ARI will pay IORI any shortfall. In addition, if the asset fails to produce the 12% return for a calendar year, IORI may require ARI to repurchase the shares of Rosedale for the purchase price. Management has classified this related party transaction as a note payable to IORI.
  - (2) In January 2002, TCI, a related party, purchased 100% of the common shares of ART Two Hickory Corporation ("Two Hickory"), a wholly-owned subsidiary of ARI, for \$4.4 million. Two Hickory owns the Two Hickory Centre Office Bulding. ARI has guaranteed that the asset will produce at least a 12% annual return on the purchase price for a period of three years from the purchase date. If the asset fails to produce the 12% return, ARI will pay TCI any shortfall. In addition, if the asset fails to produce the 12% return for a calendar year, TCI may require ARI to repurchase the shares of Two Hickory for the purchase price. Compliance with Section 16(a) of the Securities Exchange Act of 1934

Under the securities laws of the United States, ARI's Directors, executive officers, and any persons holding more than 10 percent of ARI's shares of Common Stock are required to report their ownership and any changes in that ownership to the Securities and Exchange Commission (the "Commission"). Specific due dates for these reports have been established and ARI is required to report any failure to file by these dates during 2001. All of these filing requirements were satisfied by ARI's Directors and executive officers and 10 percent holders. In making these statements, ARI has relied on the written representations of its incumbent Directors and executive officers and its 10 percent holders and copies of the reports that they have filed with the Commission.

The Advisor

Although the Board of Directors is directly responsible for managing the affairs of ARI and for setting the policies which guide it, the day-to-day operations of ARI are performed by BCM, a contractual advisor under the supervision of the Board. The duties of the advisor include, among other things, locating, investigating, evaluating and recommending real estate and mortgage loan investment and sales opportunities as well as financing and refinancing sources. BCM also serves as consultant in connection with ARI's business plan and investment policy decisions made by the Board.

BCM, an affiliate, serves as advisor to ARI. BCM is a company owned by a trust for the benefit of the children of Gene E. Phillips. Mr. Phillips serves as a representative of the trust for the benefit of his children which owns BCM and, in such capacity, has substantial contact with the management of BCM and input with respect to BCM's performance of advisory services for ARI. As of March 15, 2002, BCM owned 6,269,344 shares of ARI's Common Stock, approximately 55.1% of the shares then outstanding.

The Advisory Agreement provides for the advisor to receive monthly base compensation at the rate of 0.0625% per month (0.75% on an annualized basis) of Average Invested Assets.

78

In addition to base compensation, BCM, an affiliate of BCM, or a related party receives the following forms of additional compensation:

(1) an acquisition fee for locating, leasing or purchasing real estate for ARI in an amount equal to the lesser of (1) the amount of compensation customarily charged in similar arm's-length transactions or (2) up to 6% of the costs of acquisition, inclusive of commissions, if any, paid to non-affiliated brokers;

(2) a disposition fee for the sale of each equity investment in real estate in an amount equal to the lesser of (1) the amount of compensation customarily charged in similar arm's-length transactions or (2) 3% of the sales price of each property, exclusive of fees, if any, paid to non-affiliated brokers;

(3) a loan arrangement fee in an amount equal to 1% of the principal

## Edgar Filing: AMERICAN REALTY INVESTORS INC - Form 10-K405

amount of any loan made to ARI arranged by BCM;

(4) an incentive fee equal to 10% of net income for the year in excess of a 10% return on stockholders' equity, and 10% of the excess of net capital gains over net capital losses, if any, realized from sales of assets;

(5) a mortgage placement fee, on mortgage loans originated or purchased, equal to 50%, measured on a cumulative basis, of the total amount of mortgage origination and placement fees on mortgage loans advanced by ARI for the fiscal year.

The Advisory Agreement further provides that BCM shall bear the cost of certain expenses of its employees, excluding fees paid to ARI's Directors; rent and other office expenses of both BCM and ARI (unless ARI maintains office space separate from that of BCM); costs not directly identifiable to ARI's assets, liabilities, operations, business or financial affairs; and miscellaneous administrative expenses relating to the performance by BCM of its duties under the Advisory Agreement.

If and to the extent that ARI shall request BCM, or any director, officer, partner or employee of BCM, to render services to ARI other than those required to be rendered by BCM under the Advisory Agreement, such additional services, if performed, will be compensated separately on terms agreed upon between such party and ARI from time to time.

The Advisory Agreement automatically renews from year to year unless terminated in accordance with its terms. ARI's management believes that the terms of the Advisory Agreement are at least as fair as could be obtained from unaffiliated third parties.

Situations may develop in which the interests of ARI are in conflict with those of one or more Directors or officers in their individual capacities or of BCM, or of their respective affiliates. In addition to services performed for ARI, as described above, BCM actively provides similar services as agent for, and advisor to, other real estate enterprises, including persons and entities involved in real estate development and financing, including IORI and TCI. The Advisory Agreement provides that BCM may also serve as advisor to other entities.

As advisor, BCM is a fiduciary of ARI's public investors. In determining to which entity a particular investment opportunity will be allocated, BCM will consider the respective investment objectives of each entity and the appropriateness of a particular investment in light of each such entity's existing mortgage note and real estate portfolios and business plan. To the extent any particular investment opportunity is appropriate to more than one such entity, such investment opportunity will be allocated to the entity that has had funds available for investment for the longest period of time, or, if appropriate, the investment may be shared among various entities. See ITEM 13. "CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS--Certain Business Relationships."

The directors and principal officers of BCM are set forth below:

Phillips serves as a representative of the trust established for the benefit of his children which owns BCM and, in such capacity, has substantial contact with the management of BCM and input with respect to its performance of advisory services for ARI.

### Property Management

Affiliates of BCM have provided property management services to ARI. Currently, Triad Realty Services, Ltd. ("Triad"), an affiliate, and Carmel Realty, Inc. ("Carmel") provide such property management services for a fee of 5% or less of the monthly gross rents collected on the residential properties under management and 3% or less of the monthly gross rents collected on the commercial properties under its management. Triad and Carmel subcontract with other entities for the provision of the property-level management services to ARI at various rates. The general partner of Triad is BCM. The limited partner of Triad is GS Realty, Inc. ("GS Realty"), a related party. Triad subcontracts the property-level management of eight of ARI's hotels, 13 of its commercial properties (office buildings, shopping centers and a merchandise mart) to Regis Realty, Inc. ("Regis"), a related party, which is a company also owned by GS Realty. Regis is entitled to receive property and construction management fees and leasing commissions in accordance with terms of its property-level management agreement with Triad. Carmel is a company owned by First Equity Properties, Inc., which is a company affiliated with BCM.

### Real Estate Brokerage

Regis, a related party, also provides real estate brokerage services to ARI and receives brokerage commissions in accordance with the Advisory Agreement.

### ITEM 11. EXECUTIVE COMPENSATION

ARI has no employees, payroll or benefit plans and pays no compensation to its executive officers. The Directors and executive officers of ARI who are also officers or employees of BCM are compensated by BCM. Such affiliated Directors and executive officers perform a variety of services for BCM and the amount of their compensation is determined solely by BCM. BCM does not allocate the cash compensation of its officers among the various entities for which it serves as advisor. See ITEM 10. "DIRECTORS, EXECUTIVE OFFICERS AND ADVISOR OF THE REGISTRANT--The Advisor" for a more detailed discussion of compensation payable to BCM by ARI.

The only direct remuneration paid by ARI is to those Directors who are not officers or employees of BCM or its affiliated companies. Until December 31, 2000, each Independent Director was compensated at the rate of \$20,000 per year, plus \$300 per Audit Committee meeting attended and the Chairman of the

In January 1999, stockholders approved the Director's Stock Option Plan (the "Director's Plan") which provides for options to purchase up to 40,000 shares of Common Stock. Options granted pursuant to the Director's Plan are immediately exercisable and expire on the earlier of the first anniversary of the date on which a Director ceases to be a Director or ten years from the date of grant. Each Independent Director was granted an option to purchase 1,000 Common shares at an exercise price of \$17.71 per share on January 11, 1999, the date stockholders approved the plan. ### Performance Graph

The following graph compares the cumulative total stockholder return on ARI's shares (ARI's shares prior to August 2000) of Common Stock with the Dow Jones Equity Market Index ("DJ Equity Index") and the Dow Jones Real Estate Investment Index ("DJ Real Estate Index"). The comparison assumes that \$100 was invested on December 31, 1996 in shares of Common Stock and in each of the indices and further assumes the reinvestment of all dividends. Past performance is not necessarily an indicator of future performance.

### ITEM 13. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

#### Policies with Respect to Certain Activities

Article ELEVENTH of ARI's Articles of Incorporation provides that ARI shall not, directly or indirectly, contract or engage in any transaction with (1) any director, officer or employee of ARI, (2) any director, officer or employee of the advisor, (3) the advisor or (4) any affiliate or associate (as such terms are defined in Rule 12b-2 under the Securities Exchange Act of 1934, as amended) of any of the aforementioned persons, unless (a) the material facts as to the relationship among or financial interest of the relevant individuals or persons and as to the contract or transaction are disclosed to or are known by ARI's Board of Directors or the appropriate committee thereof and (b) ARI's Board of Directors or committee thereof determines that such contract or transaction is fair to ARI and simultaneously authorizes or ratifies such

## Edgar Filing: AMERICAN REALTY INVESTORS INC - Form 10-K405

contract or transaction by the affirmative vote of a majority of independent directors of ARI entitled to vote thereon.

Article ELEVENTH defines an "Independent Director" as one who is neither an officer or employee of ARI, nor a director, officer or employee of ARI's advisor.

ARI's policy is to have such contracts or transactions approved or ratified by a majority of the disinterested Directors with full knowledge of the character of such transactions, as being fair and reasonable to the stockholders at the time of such approval or ratification under the circumstances then prevailing. Such Directors also consider the fairness of such transactions to ARI. Management believes that, to date, such transactions have represented the best investments available at the time and that they were at least as advantageous to ARI as other investments that could have been obtained.

ARI expects to enter into future transactions with entities the officers, directors or stockholders of which are also officers, Directors or stockholders of ARI, if such transactions would be beneficial to the operations of ARI and consistent with ARI's then-current investment objectives and policies, subject to approval by a majority of disinterested Directors as discussed above.

ARI does not prohibit its officers, Directors, stockholders or related parties from engaging in business activities of the types conducted by ARI.

### Certain Business Relationships

BCM, ARI's advisor, is a company for which Messrs. Branigan, Corna, Kimbrough and Starowicz serve as executive officers. BCM is a company owned by a trust for the benefit of the children of Gene E. Phillips.

The executive officers of ARI, also serve as executive officers of IORI and TCI, and owe fiduciary duties to each of those entities as well as to BCM under applicable law. IORI and TCI have the same relationship with BCM as does ARI.

ARI contracts with affiliates of BCM for property management services. Currently, Triad, an affiliate, and Carmel Realty, Inc. ("Carmel") provide such property management services. The general partner of Triad is BCM. The limited partner of Triad is GS Realty, a related party, which is a company not affiliated with BCM. Triad and Carmel subcontract the property-level management of 13 of ARI's commercial properties (office buildings, shopping centers and a merchandise mart) and eight of its hotels to Regis, a related party, which is a company owned by GS Realty. Regis also provides real estate brokerage services to ARI and receives brokerage commissions in accordance with the Advisory Agreement. In October 1997, ARI entered into leases with BCM and an affiliate of BCM, for space at the One Hickory Centre Office Building, construction of which was completed in December 1998. The BCM leases, effective upon ARI obtaining permanent financing of the building, were for 75,852 sq. ft. (approximately 75% of the building), had terms of ten and fifteen years and provided for annual base rent of \$19.25 per sq. ft. for the first year. In January 2001, both leases were terminated, and ARI entered into a new lease with BCM, effective October 1, 2000. The new lease is for 59,463 sq. ft. (approximately 62% of the building), has a term of three years, and provides for annual base rent of \$1.3 million or \$21.50 per sq.ft. In May 2001, ARI exchanged with TCI two parcels of land, a 10.5 acre tract of Vista Ridge land and an 8.88 acre tract of Hollywood Casino land, for the 168 unit Glenwood Apartments. ARI received net cash of \$3.2 million on the subsequent sale of the apartments. See NOTE 2. "REAL ESTATE."

In October 1999, ARI funded a \$4.7 million loan to Realty Advisors, Inc., an affiliate. The loan was secured by all of the outstanding shares of common stock of American Reserve Life Insurance Company. The loan bore interest at 10.25% per annum, and matured in November 2001. In January 2000, \$100,000 was collected. In November 2001, the maturity date was extended to November 2004. The collateral was changed to a subordinate pledge of 850,000 shares of ARI Common Stock owned by BCM. The shares are also pledged to a lender on ARI's behalf. NM owns the Executive Court Office Building. ARI has guaranteed that the asset will produce at least a 12% annual return on the purchase price for a period of three years from the purchase date. If the asset fails to produce the annual return, ARI will pay TCI any shortfall.
