PROXY STATEMENT

Questions and Answers

1. **Q. Who is entitled to vote?**
A: Shareholders as of the close of business on the record date, February 7, 2003, are entitled to vote at the Annual Meeting.

-
2. **Q: How do I cast my vote?**
A: There are four different ways you may cast your vote this year. You may vote by:
- (1) *telephone*, using the toll-free number listed on each proxy card (if you are a shareholder of record) or vote instruction card (if your shares are held by a bank or broker);
 - (2) *the Internet*, at the address provided on each proxy or vote instruction card;
 - (3) *marking, signing, dating, and mailing* each proxy or vote instruction card and returning it in the envelope provided. If you return your signed proxy or vote instruction card but do not mark the boxes showing how you wish to vote, your shares will be voted FOR the three proposals; or
 - (4) *attending the meeting* (if your shares are registered directly in your name on Sunoco's books and not held through a broker, bank or other nominee).

For voting procedures for shares held in the Sunoco, Inc. Capital Accumulation Plan or SunCAP, Sunoco's 401(k) Plan for employees, see Question 9.

If you are the registered shareholder (that is, if you hold your stock in your name), you can vote by telephone or electronically through the Internet by following the instructions provided on the proxy card. You will need to use the individual control number that is printed on your proxy card in order to authenticate your ownership.

If your shares are held in street name (that is, they are held in the name of a broker, bank or other nominee), or your shares are held in custody for your account by The Vanguard Fiduciary Trust Company, as trustee for SunCAP, you will receive instructions with your materials that you must follow in order to have your shares voted. Please review your proxy or vote instruction card to determine whether you will be able to vote by telephone or electronically.

The deadline for voting by telephone or electronically is 11:59 p.m. Eastern U.S. Time, April 30, 2003.

Table of Contents

3. Q: How do I revoke or change my vote?

A: You may revoke or change your vote by:

- (1) notifying Sunoco's Corporate Secretary or its designated agent, IVS Associates, Inc., Suite 210, 111 Continental Drive, Newark, DE 19713, in writing at any time before the meeting;
- (2) submitting a later-dated proxy by mail, telephone, or via the Internet; or
- (3) voting in person at the meeting (if your shares are registered directly in your name on Sunoco's books and not held through a broker, bank, or other nominee).

The latest-dated, timely, properly completed proxy that you submit, whether by mail, telephone or the Internet, will count as your vote. If a vote has been recorded for your shares and you submit a proxy card that is not properly signed or dated, the previously recorded vote will stand.

4. Q: Who will count the vote?

A: Representatives of IVS Associates, Inc., an independent tabulator, will count the vote and act as the judge of election.

5. Q: Is my vote confidential?

A: Proxy cards, vote instruction cards, telephone and Internet voting reports, ballots and voting tabulations that identify individual shareholders are returned directly to IVS Associates, Inc. and are handled in a manner that protects your voting privacy. As a registered shareholder, SunCAP participant, or Non-Objecting Beneficial Owner, your vote will not be disclosed to Sunoco *except*: (1) as needed to permit IVS Associates, Inc. to tabulate and certify the vote; (2) as required by law; or (3) in limited circumstances such as a proxy contest in opposition to the Board. Additionally, all comments written on the proxy or vote instruction card or elsewhere will be forwarded to Sunoco, but your identity will be kept confidential unless you specifically ask that your name be disclosed.

6. Q: What shares are included on the proxy or vote instruction card(s)?

A: The shares on your proxy or vote instruction card(s) represent those shares registered directly in your name, those held on account in Sunoco's Shareholder Access & Reinvestment Plan or SHARP and SunCAP shares. If you do not cast your vote, your shares (except for those in SunCAP) will not be voted. See Question 9 for an explanation of the voting procedure for shares in SunCAP.

Table of Contents

7. **Q: What does it mean if I get more than one proxy or vote instruction card?**
A: If your shares are registered differently and are in more than one account, you will receive more than one card. Please complete and return all of the proxy or vote instruction cards you receive (or vote by telephone or the Internet all of the shares on all of the proxy or vote instruction cards received) to ensure that all of your shares are voted.
-
8. **Q: How many shares can vote?**
A: As of the February 7, 2003 record date, 76,525,859 shares of Sunoco common stock were issued and outstanding. Every shareholder of common stock is entitled to one vote for each share held as of the record date.
-
9. **Q: How is Sunoco common stock in SunCAP voted?**
A: Voting instructions from SunCAP participants are maintained in the strictest confidence and will not be disclosed to Sunoco except as set forth in those limited circumstances discussed in Question 5, which apply to all shareholders. If you hold shares of Sunoco common stock through SunCAP, you may vote by instructing the SunCAP trustee, The Vanguard Fiduciary Trust Company (Vanguard), how to vote your shares pursuant to the vote instruction card that is mailed to you with this proxy statement. If you do not provide voting instructions, or provide unclear voting instructions, then Vanguard will vote the shares in your SunCAP account in proportion to the way the shares of Sunoco common stock are voted by the other SunCAP participants.
-
10. **Q: What is a quorum ?**
A: A quorum is a majority of the outstanding shares. They may be present at the meeting or represented by proxy. There must be a quorum for the meeting to be held, and a proposal must receive more than 50% of the shares voting to be adopted. If you submit a timely, properly executed proxy or vote instruction card, then you will be considered part of the quorum, even if you abstain from voting.

Abstentions: Abstentions are not counted in the tally of votes FOR or AGAINST a proposal. A WITHHELD vote is the same as an abstention. Abstentions and withheld votes are counted as shares present and entitled to be voted.

Broker Non-Votes: Broker non-votes occur when shares held by a broker are not voted with respect to a proposal because (1) the broker has not received voting instructions from the shareholder, and (2) the broker lacks the authority to vote the shares at his/her discretion. Broker non-votes will not affect the outcome of any of the matters being voted upon at the meeting, and they are not counted as shares present and entitled to be voted with respect to the matter on which the broker has not voted expressly.

11. Q: Who can attend the Annual Meeting and how do I get a ticket?

A: All shareholders who owned shares on February 7, 2003 may attend. Just check the box on your proxy or vote instruction card, or as indicated on the Internet site, or press the appropriate key if voting by telephone. If your shares are held through a broker and you'd like to attend, please write to Ann C. Mulé, Chief Governance Officer, Assistant General Counsel and Corporate Secretary, Sunoco, Inc., Ten Penn Center, 1801 Market Street, Philadelphia, PA 19103-1699. Include a copy of your brokerage account statement or an omnibus proxy (which you can get from your broker), and we will send you a ticket.

12. Q: How will voting on any other business be conducted?

A: Although we do not know of any business to be considered at the 2003 Annual Meeting other than the proposals described in this proxy statement, if any other business is presented at the Annual Meeting, your signed proxy or vote instruction card, or your authenticated Internet or telephone proxy, gives authority to John G. Drosdick, Sunoco's Chairman, Chief Executive Officer and President, and Ann C. Mulé, Sunoco's Chief Governance Officer, Assistant General Counsel and Corporate Secretary, to vote on such matters at their discretion.

13. Q: Can I, in the future, receive my proxy statement and annual report over the Internet?

A: Yes. You can receive this information over the Internet.

- (1) *If you are a registered shareholder:* You can agree to access the annual report and proxy statement on the Internet by completing the question regarding consent included on your proxy or vote instruction card, on the Internet site, or on the telephone. You will be notified when you receive your proxy card that the materials are available on our web site (www.SunocoInc.com). Your choice of electronic delivery will remain in effect until you contact us by sending a written request to the Corporate Secretary, Sunoco, Inc., Ten Penn Center, 1801 Market Street, Philadelphia, PA 19103-1699.
 - (2) *If you hold shares through a broker or bank:* Please refer to the information provided by that entity in the proxy materials mailed to you; or contact your broker or bank and indicate your preference to access the documents on the Internet.

14. **Q: If I am receiving multiple copies of the proxy statement and annual report at my residence, what do I need to do to receive only one copy?**
A: With your consent and the consent of other shareholders in your household, we may send one set of the proxy statement and annual report to a household where two or more Sunoco shareholders reside if we believe they are members of the same family. Each consenting shareholder would continue to receive a separate notice of annual meeting and proxy card. This procedure, referred to as householding, would reduce the volume of duplicate information you receive, and would also reduce the Company's printing and mailing costs. If you are an eligible shareholder and would be interested in receiving only one copy of the proxy statement and annual report, please complete the question regarding consent relating to multiple copies included on your proxy or vote instruction card, on the Internet site, or on the telephone; or you may contact the Company by sending a written request to the Corporate Secretary, Sunoco, Inc., Ten Penn Center, 1801 Market Street, Philadelphia, PA 19103-1699. Your consent will remain in effect unless Sunoco receives contrary instructions from you or other shareholders in your household. Should you revoke your consent, Sunoco will begin sending individual copies of the annual report and proxy statement to you within thirty (30) days of your revocation. Also, if you would like to obtain a separate copy of the annual report or proxy statement, you may direct your request to the address above, or you may call 215-977-6082. If you hold your shares in street name, please contact your broker.
-
15. **Q: I have Sunoco shares that are held in street name, as do others in my household. We received only one copy of the proxy statement and annual report. What if I would like additional copies of these materials?**
A: Some brokerage firms have instituted householding in connection with the delivery of annual reports and proxy statements (see Question 14). If your family holds Sunoco shares in multiple brokerage accounts, you may have previously received householding notification from your broker or bank. If you wish to revoke your decision to household and thereby receive multiple reports, please contact your broker directly. If any shareholder residing at the same address would like additional copies of the annual report or proxy statement, please contact your broker or bank, or you may contact Sunoco at Ten Penn Center, 1801 Market Street, Philadelphia, PA 19103-1699, Attention: Corporate Secretary.

GOVERNANCE OF THE COMPANY

Corporate Governance Guidelines

INTRODUCTION

Sunoco's corporate governance practices are designed to ensure that the most qualified directors are elected, that other than the CEO Sunoco's directors are independent directors, and that directors are provided with full and transparent information from management so that the Board can function at its highest level. Corporate governance practices also help to ensure that full and transparent disclosures are made by Sunoco to its shareholders, the securities markets and the Securities and Exchange Commission.

Sunoco's Board has been focused on developing corporate governance practices for Sunoco for many years. Sunoco published its first set of formal corporate governance guidelines in 1998 and has updated and republished these guidelines each year in its proxy statement so that its shareholders would be well informed as to the manner in which Sunoco is governed.

Sunoco's Board has specifically charged its Governance Committee with the responsibility of keeping up with best practices in corporate governance so that the practices can continually be updated. Recognizing that corporate governance is of critical importance to the corporate enterprise and thus merits adequate resources, the Board elected in 2002 a Chief Governance Officer a senior level executive whose job duties are dedicated to corporate governance and providing guidance with respect to compliance with the federal securities laws. With respect to corporate governance matters, this executive reports directly to the Governance Committee and the full Board to help ensure that governance practices, consistent with Sunoco's best practices philosophy, are implemented over time and in the context of an ever-changing and increasingly complex world.

The following Corporate Governance Guidelines were adopted by Sunoco's Board of Directors on March 6, 2003.

ROLE OF BOARD AND MANAGEMENT: Sunoco's business is conducted by its employees under the direction of the CEO and the oversight of the Board, to enhance the long-term value of Sunoco for its shareholders. The Board is elected by the shareholders to oversee management and to assure that the long-term interests of the shareholders are being served. Both the Board and management recognize that the long-term interests of Sunoco are advanced by responsibly addressing the concerns of other constituencies, including employees, customers, suppliers and the communities in which Sunoco operates.

BOARD COMPOSITION

Edgar Filing: SUNOCO INC - Form DEF 14A

Annual Director Election: Each director is elected annually by shareholders for a one-year term. Sunoco does not have a staggered board.

Director Independence: A director is independent only if he or she is a non-management director and is free of any direct or indirect material relationship with Sunoco or its

Table of Contents

management. Ten of Sunoco's eleven current directors meet the independence standards of the current New York Stock Exchange, as well as the proposed New York Stock Exchange standards filed with the Securities and Exchange Commission in August 2002.

Board Size and Mix: Annually by resolution, Sunoco's Board fixes the number of directors that will constitute the Board for the following year. The Board believes that a board size of between 10 and 12 directors is the ideal size for Sunoco, although at times the size may vary due to transition periods for new directors in anticipation of planned director retirements. At this time, the Board has determined that a board size of 11 members is appropriate. Ten of Sunoco's 11 current members are independent, and one member, the Chairman and Chief Executive Officer, is a management director.

Board Membership Criteria: Each director is nominated to stand for election based on his or her professional experience, recognized achievement in his or her respective fields, an ability to contribute to some aspect of Sunoco's business, and the willingness to make the commitment of time and effort required of a Sunoco director. Each director should possess good judgment, strength of character and an independent mind. Each director must also possess a reputation for integrity and personal and professional ethics.

The Board, through the Governance Committee, is continually assessing which functional skills or areas of expertise are needed to round out the existing strengths of the Board as part of its director selection process. The goal is to include members with the diverse skills and characteristics that taken together will help ensure a strong and effective board.

Director Candidate Selection: Each year Sunoco's Board is responsible for nominating candidates to stand for election as directors. Directors and shareholders may recommend candidates to the Board. The Governance Committee has an extensive diligence process to review potential director candidates.

Changes to a Director's Current Position: If the position held by an independent director at the time of election (including retirement) changes, he or she must offer to tender his or her resignation as a director to the Governance Committee.

Service by Independent Directors on Other Boards and Other Audit Committees:

- Ø **Other Boards.** Sunoco does not limit the number of other public company boards on which an independent director may serve. However, Sunoco does expect all directors to devote sufficient time and effort to their duties as a Sunoco Board member. This is a factor that is considered in the annual individual director evaluation process.
- Ø **Other Audit Committees.** As a general rule, Sunoco's independent directors are expected to serve on not more than two other public company audit committees in addition to Sunoco's.

Directors are required to obtain the approval of Sunoco's Governance Committee prior to joining the board of another public company to ensure there are no conflicts or other issues.

Service by CEO on Other Boards: The CEO obtains the approval of the Governance Committee prior to accepting an invitation to serve on the board of another public company.

Table of Contents

The Governance Committee is of the view that the CEO should be limited to two outside public company directorships in addition to board service on Sunoco's 75%-owned master limited partnership, Sunoco Logistics Partners L.P.

The CEO may not serve on the board of a company on which a Sunoco independent director serves as an officer.

Retirement Age: Sunoco's independent directors retire from the Board at the annual meeting following their 72nd birthday. Because Sunoco's Board has adopted a mandatory retirement age and because Sunoco's Governance Committee annually performs an individual director evaluation for each director prior to recommending his or her nomination for election by the shareholders, the Board has decided not to adopt arbitrary term limits for its directors.

No Former CEO on Board: It is Sunoco's policy that when the CEO retires from Sunoco, he or she must also resign from the Board at that time.

BOARD OPERATIONS

Board Leadership: Sunoco's CEO also holds the position Chairman of the Board. Sunoco's Chairman and CEO is not a member of any standing Board committee, other than the Executive Committee. Sunoco believes the unified position of Chairman and CEO serves the corporation well because Sunoco has 10 independent directors who have many opportunities to be involved with the agenda setting process and to significantly influence the Board process.

Ø **Executive Sessions.** Executive Sessions of only independent directors are regularly scheduled at the conclusion of each board meeting. A *Presiding Director* leads each Executive Session. The *Presiding Director* is responsible for leading and facilitating the agenda and discussions. Sunoco's independent directors each serve as *Presiding Director* for an Executive Session on a rotating basis.

Ø **Independent Director Only Meetings.** In addition to the Executive Sessions, two separate meetings of independent directors are held each year. The Chair of the Governance Committee leads these meetings and is responsible for agenda preparation.

Board Meetings: Sunoco's Board usually meets seven times per year in regularly scheduled meetings, but meets more often if necessary. Annually, the Board conducts a 2-day meeting with senior management to review Sunoco's strategic plan, goals and objectives.

Meeting Agendas: The Chairman and CEO establishes a preliminary agenda for each board meeting. Any director may request items to be included on the agenda.

While the Board believes that a carefully planned agenda is important for effective Board meetings, the agenda is flexible enough to accommodate new developments. Ample time is scheduled at each Board meeting to assure full discussion of important matters. Agendas, in addition to including financial and operating reports, also include other reports, such as

Table of Contents

current issues that could affect Sunoco's short- and/or long-term strategy and business, critical measures and comparisons, and other types of presentations that could enhance a director's perspective on various matters. Management presentations are scheduled to permit a substantial proportion of Board meeting time to be available for discussion and comments.

The Corporate Secretary maintains a list of recurring agenda items and the timing of such agenda items throughout the year. This list is circulated to all Board members, who are free to add additional agenda items.

Information Flow: Board members receive agendas and other information well in advance of Board meetings so they will have an opportunity to prepare for discussion of the items at the meeting.

Information is provided from a variety of sources, including management reports, a comparison of performance to operating and financial plans, reports on Sunoco's stock performance and operations prepared by third parties, and articles from various business publications.

In many cases, significant items requiring Board approval may be reviewed in one or more meetings and voted upon in subsequent meetings, with the intervening time being used for clarification and discussion of relevant issues.

Regular Attendance of Non-Directors at Board Meetings: Board meetings generally begin in executive session with only board members and Sunoco's General Counsel and its Corporate Secretary in attendance. Thereafter, the Board meets in plenary session joined by the other Sunoco senior executives. At each meeting, numerous of Sunoco's senior executives report to the Board on their respective areas of responsibility. At times, other Sunoco personnel are asked to make specific presentations to the Board.

New Director Orientation: Sunoco's new directors are required to attend an orientation session which includes receiving and reviewing extensive materials relative to Sunoco's business and operations, visiting Sunoco facilities and meeting key personnel. The orientation also includes an overview of Sunoco's strategic plan, goals and objectives, Sunoco's governance practices, Sunoco's disclosure procedures and practices, Sunoco's compensation philosophy and an overview of Sunoco's investor relations program.

New directors attend meetings of all Board committees to acquaint them with the work and operations of each committee. After this rotation, new directors are assigned to particular committees.

Ongoing Director Education: Sunoco conducts ongoing training or continuing director education for its Board members. In addition to plant and site visits, Sunoco has an ongoing program of continuing director education on emerging issues and topics that could assist directors in discharging their duties. Sunoco is supportive of its directors attending outside director education programs.

Performance Evaluations: Sunoco's Board has a three-tier performance evaluation process which enables continuous improvements at all three tiers.

Table of Contents

- Ø *Full Board Evaluation.* The Board, through the Governance Committee, conducts an annual evaluation of how it is functioning as a whole. The results are reviewed with the Board.
- Ø *Committee Evaluation.* Sunoco's individual committees conduct annual self-evaluations. The results are reviewed with the Governance Committee and the Board.
- Ø *Individual Director Performance Evaluation.* Individual director evaluations are conducted annually by the Governance Committee. The results are shared with the individual director.

BOARD STRUCTURE

Committees of the Board: The Board makes all decisions of major importance to Sunoco; however, the Board has established five standing committees so that certain areas can be addressed in more depth.

Committee Structure: Sunoco's five standing committees are: the Audit Committee, the Compensation Committee, the Governance Committee, the Public Affairs Committee, and the Executive Committee. Each Committee has the authority to, as it deems appropriate, independently engage outside legal, accounting or other advisors or consultants. Additionally, each committee annually conducts a review and evaluation of the performance of such committee and its members. The current charters of each committee are published on Sunoco's website and will be mailed to shareholders upon written request. A summary of the responsibilities of each of the committees follows:

- Ø *Audit Committee.* The Audit Committee assists the Board in its oversight of the integrity of Sunoco's financial statements and disclosures and other internal control processes and Sunoco's compliance with ethics policies and legal and regulatory requirements. This Committee prepares a report that is included in Sunoco's proxy statement. The Committee selects, retains, compensates, oversees and evaluates the independence and ability of the independent auditors, as well as selects, appoints and evaluates Sunoco's General Auditor. Table of Contents

- Ø *Governance Committee.* The Governance Committee reviews the role, composition, and structure of the Board and its committees. The Committee reviews and evaluates individual Board members each year prior to recommending the annual directors' slate for election by shareholders at the Annual Meeting. The Committee identifies and reviews qualified individuals as potential new director candidates. The Committee consults with the CEO to review and consider recommendations regarding CEO succession and succession and development plans for the other executive officers. Additionally, the Committee sets and administers policies governing the level and form of directors' compensation.

The Governance Committee monitors and reviews corporate governance issues and emerging trends and continually benchmarks the best practices and governance guidelines of its proxy peers, leading governance authorities and experts, as well as Sunoco's institutional investors. The Committee has specifically been charged with recommending to the Board, on an on-going basis, a set of corporate governance guidelines.

- Ø *Public Affairs Committee.* The Public Affairs Committee reviews Sunoco's policies, practices and performance in the areas of environmental protection, health and safety, equal employment opportunity and diversity practices, government affairs and corporate charitable contributions. The Committee assesses Sunoco's performance as a responsible corporate citizen and keeps the Board apprised of Sunoco's relationship with its constituencies. The Committee reviews management's position on important public affairs issues, and assures that Sunoco addresses critical public affairs issues from a perspective that considers the interests of Sunoco's various constituencies. The Committee also assumes oversight responsibility for the resolution of significant complaints from shareholders, and the proper handling of shareholder proposals that concern topics within its purview for inclusion in Sunoco's proxy statement.

- Ø *Executive Committee.* The Executive Committee exercises the authority of the Board during the intervals between meetings of the Board except for Board actions specifically excluded by law and except that no action shall be taken by this Committee if any member of the Committee has voted in opposition.

Committee Membership:

- Ø *Independence.* Each committee of the Board, except for the Executive Committee, is composed entirely of independent directors, as defined in the current New York Stock Exchange listing standards, as well as the proposed New York Stock Exchange standards filed with the Securities and Exchange Commission in August 2002. Audit Committee members are required to meet an additional NYSE independence criteria specifically, they may not receive any compensation from Sunoco other than their directors' compensation. As a matter of policy, Sunoco's Board applies this additional requirement to members of the Compensation and Governance Committees.

- Ø *Other Qualifications.* The individual qualifications of committee members are reviewed annually for compliance with the various regulatory requirements mandated for the members of each particular committee. The Governance Committee recommends the members and chairs of the Committees to the Board.

Table of Contents

Ø *Rotation Policy.* Sunoco's Board does not have a practice of automatic rotation of committee chairs and members after a set time period. There are many reasons to maintain an individual director on a specific committee, including continuity and subject matter expertise necessary for an effective committee. However, the Governance Committee reviews the strengths and expertise of each director, as well as the current and anticipated needs for each committee and, at times, may rotate members based on committee needs.

Committee Agendas: Committee agendas are prepared by the Committee Secretary in consultation with the Committee Chair. Annual recurring events for each committee are circulated each year and used as preliminary agenda items. All committee members are free to include additional items on an agenda.

Committee Reporting: Each Committee Chair reports to the full Board on committee actions in a timely manner, but in no event later than the next Board meeting.

Evaluate the CEO:

Edgar Filing: SUNOCO INC - Form DEF 14A

- Ø The CEO is the highest-ranking member of the management team. As such, he or she is accountable to the Board for Sunoco's management and performance.

- Ø Annually, the CEO meets with the independent directors to discuss the overall performance and direction of the Company, as well as his or her individual performance.

Table of Contents

- Ø Following that discussion, the independent directors meet separately, at a meeting which is led by the Chair of the Governance Committee, to evaluate Sunoco's direction and performance and the individual performance of the CEO.
- Ø The results of this evaluation are communicated to the CEO at an executive session of the Board.

Review and Approve Executive Compensation:

- Ø The Board and its Committees have the right to, at any time, retain outside financial, legal or other advisors or consultants.

BOARD AND EXECUTIVE COMPENSATION PROGRAM

Sunoco attempts to maintain fair and straightforward compensation programs at both the Board and executive levels which are designed to enhance shareholder value.

Director Compensation:

- Ø Sunoco's Governance Committee, which is composed entirely of independent directors, sets and administers the policies that govern the level and form of director's compensation.
- Ø Sunoco's Governance Committee directly engages an independent compensation consultant to advise them as to best practices and emerging trends in director compensation. The independent consultant also benchmarks Sunoco's director compensation as against the proxy peer group and general industry data, which is adjusted for each company's relative revenue and asset base.
- Ø Sunoco's Governance Committee believes that a substantial portion of the total director compensation package should be in the form of Sunoco common shares and share equivalents in order to better align the interests of Sunoco's directors with the long-term interests of its shareholders.
- Ø In order to further encourage a link between director and shareholder interests, the Committee adopted Director Stock Ownership Guidelines to which members of the Board of Directors are expected to adhere. Directors are expected to own shares or share equivalents equal to 5 times the total annual retainer within 5 years of joining the Sunoco Board.
- Ø In addition to the Director Stock Ownership Guidelines, director-nominees are required to own at least \$2,000 worth of Sunoco common shares prior to standing for election as a director for the first time.

Executive Compensation:

- Ø Sunoco's Compensation Committee consists entirely of independent directors who have the sole authority to retain an independent compensation consultant to assist in the evaluation of CEO and senior executive compensation.
- Ø Total compensation (cash and non-cash) for Sunoco's CEO and the senior executives is targeted at or below median levels as determined from an annual review of proxy peers, industry peers and general industry data, which is adjusted for each company's relative revenue and asset base.
- Ø Sunoco's annual incentive program results in payments that are closely correlated with Sunoco's earnings, return on capital, and health, environmental and safety performance.

- Ø The annual incentive program applies to all salaried and most hourly employees. The basis for calculation is consistent for all participants.
-

Table of Contents

- Ø Sunoco's long-term incentive awards (options and performance units) have generally been less than 1% of outstanding shares, even though since 1997, Sunoco has repurchased 25% of its outstanding shares.
 - Ø The long-term executive incentive plan does not permit re-pricing of options, strike prices below market prices or reloads of options.
 - Ø All of Sunoco's executive incentive plans qualify under IRS Section 162(m) as performance-based plans that enable Sunoco to fully deduct the plan payments.
 - Ø Sunoco maintains stock ownership guidelines for its approximately top 40 executives. The amount of stock required to be owned increases with the level of responsibility of each executive, with the CEO expected to own stock with a value at least equal to four times his base salary.

Table of Contents**Directors Compensation**

As discussed in the Corporate Governance Guidelines, directors are compensated partially in Sunoco common stock or stock equivalents to better align their interests with those of shareholders. Currently, equity-based compensation represents a substantial portion of the total compensation package. The Chief Executive Officer (CEO) is not paid for his services as a director. The following table summarizes the compensation of Sunoco s directors during 2002.

Directors Compensation Table

Type of Compensation	Value
Retainer (Cash Portion)	\$ 18,400
Retainer (Stock-Based Portion)	\$ 10,000 ¹
Stock Option Value	\$ 19,000 ²
Restricted Share Credit under Deferred Compensation Plan	\$ 22,000 ³
TOTAL (excluding meeting fees and Committee Chair Retainer)	\$ 69,400
Annual Retainer for Committee Chair	\$ 2,000
Board or Committee Attendance Fee (per meeting) ⁴	\$ 1,250

NOTES TO TABLE:

- 1 Represents approximate dollar value on the date of grant of 275 shares of Sunoco common stock paid under the Directors Retainer Stock Plan.
- 2 Represents approximate dollar value on the date of grant of 1,666 options to purchase Sunoco common stock awarded under the Sunoco Long-Term Performance Enhancement Plan II, as determined using the Black-Scholes option pricing model. The stock options have a ten-year term and are exercisable two years after the date of grant with an exercise price equal to the fair market value of Sunoco common stock on the date of grant.
- 3 Represents the approximate dollar value on the date of grant of 601 restricted share units that are not payable until death or other termination of Board service, calculated in accordance with the terms of the Directors Deferred Compensation Plan.
- 4 A fee of \$1,250 per day is also paid in cash for special meetings.

Directors Deferred Compensation: The Directors Deferred Compensation Plan permits independent directors to defer a portion of their compensation. Payments of compensation deferred under this plan are restricted in terms of the earliest and latest dates that payments may begin. Deferred compensation is designated as share units, cash units, or a combination of both. A share unit is treated as if it were invested in shares of Sunoco common stock, but it does not have voting rights. Dividend equivalents are credited to each Director in the form of additional share units. Share units are settled in cash, based upon the fair market value of Sunoco common stock at the time of payment. Cash units accrue interest at a rate based upon Sunoco's cost of borrowing.

Table of Contents

Long-Term Performance Enhancement Plan II: The Long-Term Performance Enhancement Plan II provides that stock option awards under the plan may be made to outside directors of the Company. The options generally have a ten-year term and are generally exercisable two years after the date of grant. The purchase price payable upon exercise of an option will not be less than the fair market value of a share of Sunoco Common Stock on the date the option was granted. The purchase price may be paid in cash or in shares of common stock.

Directors Stock Ownership Guidelines: Each outside director is expected to own Sunoco common stock with a market value equal to at least 5 times the total annual retainer. Included in the determination of stock ownership for purposes of these guidelines are all shares beneficially owned and any share units held in the Directors Deferred Compensation Plan. New directors are allowed a five-year phase-in period to comply with the guidelines. As of the February 7, 2003 record date, all of Sunoco s current directors were in compliance with these stock ownership guidelines (or, in the case of directors with less than five years of service, on track for compliance within the five-year period).

Directors & Officers Indemnification Agreements

Sunoco s bylaws require that Sunoco indemnify its directors and officers, to the extent permitted by Pennsylvania law, against any costs, expenses (including attorneys fees) and other liabilities to which they may become subject by reason of their service to Sunoco. To insure against such liabilities, Sunoco has purchased liability insurance for its directors and officers and has entered into indemnification agreements with its directors and certain key executive officers and other management personnel. This insurance and the indemnification agreements supplement the provisions in Sunoco s Articles of Incorporation which eliminate the potential monetary liability of directors and officers to Sunoco or its shareholders in certain situations as permitted by law.

Table of Contents**Directors & Officers Ownership of Sunoco Stock**

The following table shows how much Sunoco common stock each director nominee and Named Executive Officer¹ beneficially owned as of December 31, 2002. No director or executive officer beneficially owns more than 1.0% of the common stock, and directors and executive officers as a group beneficially own approximately 1.9% of the common stock.

Item 2. Approval of the Amendment and Restatement of the Long-Term Performance Enhancement Plan II

Sunoco's shareholders originally approved the Long-Term Performance Enhancement Plan II (LTPEP II) at the 2001 Annual Meeting. LTPEP II allows Sunoco to grant to key employees compensation awards based on or related to Sunoco's common stock, including stock options and Common Stock Units (CSUs). The purpose of LTPEP II is to attract, retain and reward employees who can and do contribute to Sunoco's long-term success. In today's challenging marketplace, LTPEP II is an important tool for keeping and attracting talented individuals.

Some of the important features of LTPEP II include:

- Ø With regard to stock options awarded under the plan, the option price of the stock options has never been at less than fair market value on the date of grant.
- Ø The plan prohibits repricing of underwater options without shareholder approval.
- Ø Reload options have not been issued.
- Ø Stock options have a minimum vesting period of one year and terminate after ten years. Currently, all stock options which have been granted have a minimum vesting period of two years.
- Ø Common Stock Units that are awarded may be conditioned upon continued employment or may be tied to certain objective performance criteria or targets of the Company and will only be paid out if those performance targets are met. Up to the current time, the majority of the CSUs that have been granted have been performance-based.
- Ø Up to the current time, for performance-based CSUs, the performance periods have been for three years; and retention-based CSUs have a minimum retention period of three years.
- Ø Currently under LTPEP II, the maximum number of CSUs that may be granted in any calendar year to a participant is 50,000, and the maximum number of CSUs that may be granted in the aggregate under the plan is 1,000,000.
- Ø Currently CSUs pay out only in the form of Common Stock.

The total number of shares of Common Stock that may be awarded under LTPEP II, as approved by the shareholders in May 2001, was 4,000,000. As of December 31, 2002, 2,526,780 shares remained available for issuance under LTPEP II.

The Compensation Committee of the Board of Directors, which is comprised entirely of outside independent directors, has approved amendments to LTPEP II, subject to the approval of shareholders. The proposed amendments to Section 1.16, Section 2.3, Section 2.7 and Section 6.6 would: (1) revise the definition of "Fair Market Value" to make it clear that the option price will not be less than fair market value; (2) revise the effective date of the plan

Table of Contents

based on approval of these amendments by the shareholders at the 2003 Annual Meeting; (3) increase from 50,000 to 150,000 the maximum number of CSUs that may be granted in any calendar year to a participant, and increase the limitation on the maximum number of CSUs that may be granted under the plan from 1,000,000 to 2,000,000 so that more shares could be granted in the form of CSUs should the Compensation Committee decide to do so; and (4) permit settlement in cash (as an alternative to stock) for earned CSUs at the discretion of the Compensation Committee. The total number of shares that may be issued under LTPEP II remains unchanged from what was previously approved by the shareholders in May 2001, and currently 2,526,780 shares remain available for issuance.

The Compensation Committee approved these amendments because it believes that it is important that a greater portion of long-term compensation that is granted be tied to company goals and performance and/or other company specific performance-based metrics, rather than be granted predominantly in the form of stock options.

Therefore, beginning in 1996, Sunoco modified its long-term compensation program to switch from a totally option-based program to a program that consisted of a mix of stock options and CSUs. The CSUs were designed to only have value if certain objective company-specific performance criteria were met. Each year the Compensation Committee has evaluated the goals and modified them as appropriate based on overall Company objectives. Additionally, each year, the Committee has evaluated the appropriate mix of stock options versus CSUs. While this mix has varied, for the most part, the Committee has elected to split the long-term value opportunity equally between stock options and CSUs.

The Compensation Committee has engaged an independent compensation consultant to assist it in continuing to design a long-term incentive package that will serve the shareholders' best interests. The Committee has noted that numerous institutional investors and corporate governance/compensation experts are of the view that the mix of long-term compensation should include an even higher percentage or should consist entirely of company performance-based incentive awards as compared to stock options. While the Committee has not made any decisions as to the appropriate mix of CSUs as compared to stock options for future years, the Committee is of the view that it needs to have the flexibility to continue to design long-term compensation as it sees fit depending on Company objectives and goals at that time.

By approving these amendments you will not be increasing the number of shares available for future grants under LTPEP II. Rather, you will be giving the Compensation Committee the flexibility to increase the percentage mix more toward CSUs and less toward stock options should it be of the view that such a mix is more appropriate at some future time.

A copy of the proposed amended and restated Long-Term Performance Enhancement Plan II is included as Exhibit B to this proxy statement.

Your Board of Directors unanimously recommends a vote FOR the approval of the amendments to LTPEP II.

The material features of LTPEP II, as proposed to be amended, are described below:

- ◆ *Summary Plan Description.* The purpose of the LTPEP II is to attract, retain and reward individuals who can and do contribute to Sunoco's success. Awards may be made to

Table of Contents

management and key employees as well as directors. The approximate number of individuals who are eligible to participate in this plan is 45. The Compensation Committee, comprised entirely of outside directors of the Company as defined under Internal Revenue Code Section 162(m), administers this plan. None of the members receive additional compensation from Sunoco for administering this plan. The following description of the LTPEP II is only a summary. The LTPEP II has the following types of awards and other terms:

- ◆ *Stock Options and Incentive Stock Options.* Each option will be exercisable during a period fixed by the Committee, beginning no earlier than one year, and ending no later than ten years, after the date of grant. Options may be transferred only by will, pursuant to the laws of descent and distribution, in response to a qualified domestic relations order, or during the participant's lifetime to an immediate family member (with certain restrictions). The purchase price payable upon exercise of an option will not be less than the fair market value of a share of Sunoco common stock on the date the option is granted. The purchase price may be paid in cash or in shares of Sunoco common stock. Upon termination of the participant's employment, unvested options will be canceled immediately, and vested options will be canceled ninety days after the date of the participant's termination (other than for just cause as defined in the plan). However, to the extent exercisable, options may be exercised for a period of up to sixty months following a termination of employment by reason of death, permanent disability or retirement, as determined by the Committee. If there is a change in control, outstanding options will become exercisable. The maximum number of options that may be granted to any single participant in any one calendar year will not exceed 400,000.

- ◆ *Limited Rights.* The Committee may grant related limited rights to any participant who has been awarded options under the LTPEP II. Limited rights are immediately exercisable in full upon grant for a period up to seven months following a change in control of Sunoco. Upon the exercise of limited rights, payment will be made in cash in an amount equal to the difference between the exercise price of the related option and the greater of (a) the highest price per share of Sunoco common stock paid in connection with the change in control or (b) the highest price per share of Sunoco common stock during the sixty-day period prior to the change in control. Exercise of limited rights reduces options held on a one-for-one basis. Generally, limited rights will terminate upon the participant's death or termination of employment unless such termination of employment is due to retirement or disability, in which case the participant may exercise limited rights within six months of such termination to the extent they are exercisable. A participant whose employment is terminated for other than just cause, as defined in the plan, following a change in control of Sunoco, may exercise limited rights during the seven-month period following the change in control during the related option period.

- ◆ *Common Stock Units.* A common stock unit, or CSU, is a right to receive a share of Sunoco common stock or cash, and related dividend equivalents which are paid in cash. At the time of the grant, the Committee will determine whether this right will be conditioned only upon continued employment with Sunoco for a certain period of time, or whether it will be further conditioned upon the attainment, during the period,

Table of Contents

of certain predetermined objective performance goals (based upon financial or operating measures). CSUs usually will terminate upon the participant's termination of employment. However, if termination is due to death, permanent disability or retirement, payment of all performance-based CSUs and applicable dividend equivalents will be made at the end of the performance period, as though the participant had continued in the employment of the Company through such period. In the event of a change in control of the Company, all outstanding CSUs and related dividend equivalents will be paid out as described in the Plan.

- ∅ For CSUs conditioned only upon continued employment with Sunoco, the employment period will not be less than three years.

- ∅ For performance-based CSUs, the number of shares actually earned will vary depending upon the levels of certain performance goals actually achieved.

- ◆ *Minimum Stock Ownership Guidelines.* For participants that have failed to meet the minimum stock ownership guidelines (as described on pages 22 and 37), the Committee has the power to impose restrictions on the sale or other disposition of any Sunoco common stock received by those participants as a result of any exercise of stock options or payment of CSUs.

- ◆ *Federal Tax Consequences.* A participant will not realize any income and Sunoco will not receive any deduction for federal income tax purposes, upon the grant of options, limited rights or CSUs. With regard to stock options or limited rights, ordinary income will be realized by the participant at the time shares are received or cash is paid upon exercise. For stock options, the amount of income will be equal to the difference between the stock option price and the fair market value of shares of Sunoco common stock on the date of the exercise. For limited rights, the amount of income will be equal to the cash received. Ordinary income will be realized by a participant in the year in which CSUs are paid, in an amount equal to the fair market value of the shares of Sunoco common stock issued at the end of the performance period and the dividend equivalents paid. Income received by a participant pursuant to a limited right or CSU which is received upon a change in control of Sunoco may be subject to a twenty-percent excise tax as an excess parachute payment. Sunoco will receive a deduction on its consolidated federal income tax return for the taxable year in which the participant realizes ordinary income from the exercise of stock options or limited rights, or from the payment of CSUs. A participant will not recognize taxable income from the exercise of an incentive stock option, so long as the participant holds the stock received until the later of two years from the date of grant or one year from the date of exercise. The exercise of an incentive stock option will result in a tax preference item for the alternative minimum tax of an amount equal to the difference between the stock option price and the fair market value of the shares of Sunoco common stock on the date of exercise.

- ◆ *Adjustments.* If there is a change in the number of outstanding shares of Sunoco common stock as a result of any stock dividend or distribution, recapitalization, merger, consolidation, split-up, combination, exchange of shares or the like, the

Table of Contents

Committee may appropriately adjust the number of shares of Sunoco common stock to be issued under the LTPEP II, or under the awards previously granted under the LTPEP II.

- ◆ *Amendments.* The Committee may terminate or amend the LTPEP II at any time, without shareholder approval. However, without shareholder approval, the Committee may not amend the LTPEP II in certain respects, including amendments which would (a) increase the maximum award levels established in LTPEP II, including the maximum number of shares of Sunoco common stock which may be issued under the LTPEP II (except for adjustments as described above); (b) extend the term during which an option may be exercised beyond ten years from the date of grant; or (c) alter the terms of any previously granted option in order to reduce the option price, or cancel any outstanding option award and replace it with a new option, having a lower option price, where the economic effect would be the same as reducing the option price of the cancelled option.

Plan Benefits. Because the awards are determined by the Compensation Committee, we cannot determine the benefits or amounts that will be received or allocated in the future under the plan.

AUDIT COMMITTEE REPORT

The Audit Committee reviews Sunoco's financial reporting process on behalf of the Board of Directors. In fulfilling its responsibilities, the Committee has reviewed and discussed the audited financial statements contained in the 2002 Annual Report on Form 10-K with Sunoco's management and the independent auditors. Management is responsible for the financial statements and the reporting process, including the system of internal controls. The independent auditors are responsible for expressing an opinion on the conformity of those audited financial statements with accounting principles generally accepted in the United States.

The Committee discussed with the independent auditors their independence from Sunoco and its management including the matters in the written disclosures required by Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committees*, and considered the compatibility of non-audit services with the auditors' independence. In addition, the Committee discussed the matters required to be discussed by Statement on Auditing Standards No. 61, *Communication with Audit Committees*, as amended.

In reliance on the reviews and discussions referred to above, the Committee recommended to the Board of Directors, and the Board has approved, the inclusion of the audited financial statements in Sunoco's Annual Report on Form 10-K for the year ended December 31, 2002, for filing with the Securities and Exchange Commission.

EXECUTIVE COMPENSATION: REPORT OF THE COMPENSATION COMMITTEE

The Committee's Responsibilities: The Compensation Committee of the Board has responsibility for setting and administering the policies which govern executive compensation. The Committee is composed entirely of independent directors. Reports of the Committee's actions and decisions are presented to the full Board. The purpose of this report is to summarize the philosophical principles, specific program objectives and other factors considered by the Committee in reaching its determinations regarding the executive compensation of the Named Executive Officers.

Compensation Philosophy: The Committee has approved principles for the management compensation program which:

- ◆ Encourage strong financial and operational performance of the Company;
- ◆ Emphasize performance-based compensation (pay at risk) which balances rewards for short-term and long-term results;
- ◆ Focus executives on beating the competition including measurements based on performance relative to peer companies;
- ◆ Link compensation to the interests of shareholders by providing stock incentives and requiring significant shareholdings; and
- ◆ Provide a competitive level of total compensation necessary to attract and retain talented and experienced executives.

Management's Stock Ownership Guidelines: The Committee considers stock ownership by management to be an important means of linking management's interests directly to those of shareholders. Sunoco has stock ownership guidelines for its approximately 40 top executives. The amount of stock required to be owned increases with the level of responsibility of each executive, with the Chief Executive Officer expected to own stock with a value at least equal to four times his base salary. Until such time as they are actually paid out and received, shares that the executives have the right to acquire through the exercise of stock options are not included in the calculation of stock ownership. Participants are expected to reach their respective stock ownership goals by the end of a five-year period. As of the February 7, 2003 record date, all of the executives subject to the stock ownership guidelines were in compliance (or, in the case of new executives or executives in new positions with higher stock ownership requirements, on track for compliance within the five-year period).

Compensation Methodology: Sunoco strives to provide a comprehensive executive compensation program that is performance-based and competitive in order to attract and retain superior executive talent. The Committee has engaged its own independent compensation consultant to advise regarding current best practices in executive compensation and to review market data and assess Sunoco's competitive position for three components of executive compensation: (1) base salary, (2) annual incentives, and (3) long-

Table of Contents

term incentives. Because the Committee believes that the Company's direct competition for executive talent is broader than the companies that are included in the performance peer group established for purposes of comparing shareholder returns (see the Stock Performance Graph on page 49 for more information), compensation practices of companies in the performance peer group and others in the oil industry are taken into consideration in establishing executive compensation at Sunoco. This information is supplemented by general industry compensation information with adjustments for each company's relative revenue and asset base.

Components of Compensation:

- ◆ **Base Salary:** Annual base salary is designed to compensate executives for their level of responsibility and sustained individual performance. The Committee approves in advance all salary increases for the Named Executive Officers. The Committee engages its own independent consultant to assist in the annual review of base salaries. In determining salary increases, the Committee reviews data presented by its independent consultant. The goal is to compensate executives at the median range of base salaries paid by companies in the performance peer group, the oil industry, and industry in general. Individual performance is a key component in determining base salary increases.

- ◆ **Annual Incentives:** Annual incentive awards for the Named Executive Officers are provided in order to promote the achievement of Sunoco's business objectives. The Committee engages its own independent consultant in determining the annual incentive awards. Each year the Committee considers the Company's prior year's performance and objectives, as well as its expectations for Sunoco in the upcoming year and data presented by the Committee's independent consultant. Bearing in mind these considerations, the Committee sets certain Company performance criteria or goals which must be met before payments are made. Additionally, individual performance goals may be established for each participant. Payments may range from 0% to 200% of the annual incentive opportunity, with payments increasing as performance improves.

For the 2002 awards, the Committee established a fixed percentage of actual annual base salary as an executive's annual incentive opportunity, based on comparative survey data on annual incentives paid in the former performance peer group, the oil industry, and industry in general. The incentive opportunity increases with the level of the actual base salary which reflects the level of responsibility of the executive. Annual incentive awards for 2002 were based on meeting weighted objectives for the following principal measurements:

- Ø after-tax operating income, as defined by the Committee; and

- Ø performance relative to the peer group (see page 49), as measured by return on capital employed, or ROCE ;

- Ø as modified by certain health, environment and safety performance goals.

Table of Contents

Due to the Company's performance during 2002, there was no payout for the portion of the annual incentive opportunity that related to after-tax operating income, as defined by the Committee. There was a payout based on the relative ranking, as measured by ROCE, against the former performance peer group, which was modified by certain health, environment and safety performance goals, and which averaged 23.8% for the Company.

- ◆ **Long-Term Incentive Compensation:** Each year, the Committee reviews and approves all long-term incentive awards. The Committee engages its own independent consultant to assist in determining the form and amount of the awards. In determining the total value of the long-term incentive opportunity, the Committee reviews data presented by its independent compensation consultant of similar awards made to individuals in comparable positions within the performance peer group, the oil industry, and industry in general.

The Committee believes that it is important that a substantial portion of long-term compensation be tied to company goals and/or other Company-specific performance-based metrics. Due to this firmly held belief, beginning in 1996, Sunoco modified its long-term compensation program to switch from a totally stock-option-based program to a program that consisted of a mix of stock options and performance-based Common Stock Units (CSUs). The performance-based CSUs were designed to only have value if certain objective Company-specific performance criteria were met. Each year the Committee has evaluated the appropriate mix of stock options versus performance-based CSUs. While this mix has varied, for the most part, the Committee has elected to split the long-term value opportunity equally between stock options and CSUs.

The following is a description of the awards granted in 2002:

- ∅ **Stock Options:** Options have an exercise price equal to the fair market value of common stock on the date of grant, are exercisable beginning two years from the date of grant, and have a term of ten years from the date of grant.
- ∅ **Common Stock Units:** For the 2002 awards, performance-based CSUs are earned based on the level of company performance achieved over a three-year period subsequent to the date of grant measured on a scale combining the Company's return on capital employed above the cost of capital and its earnings per share growth.

Chief Executive Officer Compensation: The Chief Executive Officer participates in the same programs and receives compensation based on the same factors as the other executive officers. However, Mr. Drosdick's overall compensation reflects a greater degree of policy and decision-making authority and a higher level of responsibility with respect to the strategic direction and financial and operational results of the Company. For 2002, the Chief Executive Officer's compensation components were:

- ◆ **Base Salary:** The Committee evaluated Mr. Drosdick's individual performance during 2001 based on certain criteria. These criteria included the following: overall leadership, development of Sunoco's long-term strategic plan and annual goals and objectives, development of an effective senior management team and provision for management

Table of Contents

succession, effective communications with stakeholders and relationship with the Board. As a result of this evaluation and Sunoco's performance in 2001, Mr. Drosdick's annual salary was increased to \$925,000, effective January 1, 2002.

- ◆ **Annual Incentive:** Annual incentive compensation for Mr. Drosdick was based on meeting weighted objectives for the following principal measurements:

- Ø after-tax operating income, as defined by the Committee; and
- Ø performance relative to the peer group (see page 49), as measured by ROCE;
- Ø as modified by certain health, environment and safety performance goals.

Due to the Company's performance during 2002, there was no payout for that portion of the annual incentive that related to after-tax operating income, as defined by the Committee. There was a payout based on performance relative to the former peer group, as measured by ROCE, which was modified by certain health, environment and safety performance goals, and which averaged 23.8% for the corporation. Based on these criteria, Mr. Drosdick was awarded \$220,150 representing 23.8% of his annual incentive opportunity for performance in 2002.

- ◆ **Long-Term Incentive Awards:** In December 2002, as part of the Company's annual award of long-term compensation to executives, Mr. Drosdick received a grant of 225,000 stock options which become exercisable in December 2004, and 50,000 performance-based common stock units. In determining the amounts granted, the Committee considered, without specific weighting, the performance of the Company, the same individual criteria that is referred to above under Base Salary, and the value of such awards granted to other chief executive officers in the industry survey groups. See pages 39 and 40 for a discussion of the Committee's review of and actions regarding 2002 long-term incentive compensation.

Omnibus Budget Reconciliation Act of 1993: This Act has no material impact upon Sunoco's ability to take a tax deduction for annual compensation in excess of \$1 million paid to any of the Named Executive Officers for the year 2002.

NOTES TO TABLE:

- 1 The amounts reported in the table under Base Salary reflect that there were 26 bi-weekly pay periods in 2002, 2001 and 2000. J. H. Maness became an employee of Sunoco on May 1, 2000, thus his base salary reflects 17.5 pay periods in 2000.
- 2 The amounts shown in this column include reimbursements for the payment of certain taxes.
- 3 Long-term awards were composed of stock options and common stock units (representing shares of Sunoco common stock). Grants of performance-based common stock unit awards are excluded from this table; however, such grants made during the last completed fiscal year are reflected in the table of Performance-Based Common Stock Unit Awards on page 48. Other common stock unit awards, if any, are included in this Summary Compensation Table as Restricted Stock Awards.
- 4 The table below shows the components of this column for 2002:

Name	Company Match Under Defined Contribution Plans*	Cost of Term Life Insurance	Total
J. G. Drosdick	\$ 46,250	\$ 1,850	\$ 48,100
J. H. Maness	\$ 21,000	\$ 850	\$ 21,850
R. W. Owens	\$ 20,000	\$ 800	\$ 20,800
B. G. Fischer	\$ 17,500	\$ 700	\$ 18,200
T. W. Hofmann	\$ 17,500	\$ 700	\$ 18,200
C. K. Valutas	\$ 17,500	\$ 700	\$ 18,200
M. H. R. Dingus	\$ 17,500	\$ 700	\$ 18,200

* Executive officers participate in two defined contribution plans: (i) SunCAP, Sunoco's 401(k) plan for most employees, and (ii) the Sunoco, Inc. Savings Restoration Plan. The Savings Restoration Plan permits a SunCAP participant to continue receiving the Company-matching contribution after reaching certain limitations under the Internal Revenue Code.

- 5 The amounts shown for 2001 include the payout of performance-based common stock units granted in 1997, which were paid out at 25% of target, including applicable dividend equivalents. The payout of the common stock units was contingent on achieving a certain level of total shareholder return as compared to the Peer Group, which was achieved, and on achieving a certain stock price averaged over a specified ten-day period. The stock price was achieved, but not for the specified ten-day period. Due to the Company's performance, the Compensation Committee determined that it was appropriate to pay out the 1997 Performance-Based Common Stock Unit Award at the 25% level. The required criteria for payout of the 1998 Performance-Based Common Stock Unit Award were met in 2001 and 110% of the targeted award was paid in early 2002. The amounts shown reflect the value of the common stock units paid out, including applicable dividend equivalents.
- 6 In 1997, J. G. Drosdick was granted a special award of 2,500 common stock units with a value of \$104,688 on the date of grant. This award was paid to Mr. Drosdick in 1,250 share installments in January 1999 and January 2000 when they were valued at \$45,625 and \$30,938, respectively (including dividend equivalents). The amount shown for 2000 also includes \$463,125 representing the value of the 1996

Edgar Filing: SUNOCO INC - Form DEF 14A

Performance-Based Common Stock Unit Award paid out in 2000 at 130% of the targeted award, including applicable dividend equivalents. The amount shown for 2001 consists of \$150,000 representing the value of the 1997 Performance-Based Common Stock Unit Award and \$532,488 representing the value of the 1998 Performance-Based Common Stock Unit Award, including applicable dividend equivalents. The amount shown for 2002 consists of \$620,849, which represents the value of the 1999 Performance-Based Common Stock Unit Award, including applicable dividend equivalents, the criteria for which were met in 2002, and was paid out in early 2003 at 143% of the targeted award.

- 7 The amount shown includes a one-time bonus paid to J. H. Maness when he joined the Company in May 2000.
- 8 The amount shown includes \$23,468 paid to J. H. Maness in 2000 for certain relocation and temporary housing expenses, and also includes amounts related to reimbursements of the payment of certain taxes.

The loan was imputed to bear a variable interest rate, and the imputed interest was compensatory to Mr. Owens. In 2000, \$50,000 of the loan amount was forgiven and was imputed income to Mr. Owens. The remaining balance of \$50,000 was repaid in the first quarter of 2001. In 2000, the imputed interest rate was 6.15% and the imputed income to Mr. Owens was \$3,073. There was no imputed income to Mr. Owens in 2001 for this loan. The amounts for each year also include reimbursements for the payment of certain taxes.

The amount for 2002 reflects the value of the 1999 Performance-Based Common Stock Unit Award paid out, including applicable dividend equivalents, the criteria for which were met in 2002, and was paid out in early 2003.
- ¹³ The amount shown for 2000 reflects the value of the 1996 Performance-Based Common Stock Unit Award paid out, including applicable dividend equivalents. NOTES TO TABLE: (CONTINUED)

- ² Each option was awarded with an exercise price equal to the fair market value of a share of Sunoco common stock on the date of grant and will become exercisable two years from the grant date. Each option has a term of ten years from the date of grant. These stock options were granted along with an equal number of limited rights. Limited rights become exercisable only in the event of a Change in Control (as defined in the Plan) and permit the holder to be paid in cash the appreciation on a stock option instead of exercising the option.
- ³ These dollar amounts are not intended to forecast future appreciation of the common stock price. The Named Executive Officers will not benefit unless the common stock price increases above the stock option exercise price. Any appreciation in the common stock price which results in a gain to these Named Executive Officers would also benefit all shareholders of the common stock. For example, the additional value realized by all shareholders of Sunoco common stock as a group (at December 31, 2002) based on the assumed annual appreciation levels for the term of the options for the December 4, 2002 grants reflected in the table would be as follows:

APPRECIATION LEVEL	ADDITIONAL VALUE
5%	\$1,449,359,253
10%	\$3,672,968,803

STOCK PERFORMANCE GRAPH

Sunoco's performance peer group is composed of major domestic independent refining and marketing companies and other companies which are similar in size and compete with Sunoco in certain geographic regions. Reflecting industry changes in 2002, Sunoco's peer group for 2003 awards has been changed to add Premcor and remove Phillips, which merged with Conoco. The changes improve the peer group's comparability to Sunoco's business interests and size and better reflect alternate investment choices within Sunoco's market sector.

NOTES TO GRAPH:

- ¹ Assuming that the value of the investment in Sunoco common stock and each index was \$100 on December 31, 1997 and that all dividends were reinvested, this graph compares Sunoco's cumulative total return (i.e., based on common stock price and dividends), plotted on an annual basis, with Sunoco's new and former performance peer groups' cumulative total returns and the S&P 500 Stock Index (a performance indicator of the overall stock market).
- ² Premcor is included in the New Peer Group beginning on April 29, 2002, the date the company completed its initial public offering.

- ¹ Final Average Total Cash Compensation is the average of the base salary and annual bonus in the highest 36 consecutive months during the last 120 months of service.

- ² Based on the SERP minimum benefit formula of 40% of the Final Average Total Cash Compensation with 12 or more years of service.

The retirement benefits shown above for SCIRP, the Pension Restoration Plan and SERP are amounts calculated prior to the Social Security offset. The Social Security offset is equal to one and two-thirds percent of primary Social Security benefits for each year of Retirement Plan participation up to 30 years or a maximum offset of 50% of primary Social Security benefits.

The SERP was amended to provide Mr. Drosdick with a retirement benefit equal to 60% of Final Average Earnings at age 65. This benefit will vest with 10 years of service or upon a change in control and will be reduced 5% for each year retirement is prior to age 65.

Table of Contents

Any SERP benefit payable to Mr. Owens will be offset by accrued benefits from the pension plans of prior employers as provided in his employment arrangement. For purposes of calculating his benefits under SERP, Mr. Owens has been credited with his years of service with certain former employers.

Credited years of service under these plans for the Named Executive Officers as of December 31, 2002 are as follows:

Name	Years of Service
J. G. Drosdick	6
J. H. Maness	2
R. W. Owens	13 ¹
M. H. R. Dingus	32
B. G. Fischer	24
T. W. Hofmann	25
C. K. Valutas	26

NOTE TO TABLE:

¹ R. W. Owens years of service include 8 years credited under SERP for service with prior employers, as described above.

Table of Contents

SEVERANCE PLANS

The Named Executive Officers participate in plans with certain other key management personnel which provide for severance benefits in the event they are involuntarily terminated without cause by Sunoco. In the case of the Chief Executive Officer, severance payments would be equal to two years of base salary plus guideline annual incentive in effect on his or her termination date, as defined in the plans. The other Named Executive Officers would receive such payments for one and one-half years. If termination (whether actual or constructive) occurs within two years of a Change in Control, as defined in the plans, severance would be payable in a lump sum equal to three times annual compensation for the Chief Executive Officer and the other Named Executive Officers. For these purposes, annual compensation consists of (i) the executive's annual base salary in effect immediately prior to a Change in Control or immediately prior to his or her employment termination date, whichever is greater, plus (ii) the greater of his or her annual guideline incentive in effect immediately before the Change in Control or employment termination date, or the highest bonus awarded to the executive in any of the three years ending before the Change in Control or in any subsequent year ending before his or her employment termination date.

Each eligible executive will be entitled to medical and life insurance coverage for up to the number of years of severance received, at the same rate that such benefits are provided to active employees of Sunoco. In the case of a Change in Control, the plans also provide for the protection of certain pension benefits and reimbursement for any additional tax liability incurred as a result of excise taxes imposed on payments deemed to be attributable to the Change in Control. Sunoco's long-term incentive compensation plans provide that upon a Change in Control, all stock options become immediately exercisable, and all performance-based common stock unit awards will be paid out in an amount equal to the total number of performance-based common stock units outstanding as of the Change in Control (when the Change in Control occurs during the year following the date of grant) and at the greater of (i) the total number of performance-based common stock units outstanding as of the Change in Control or (ii) the total number of performance-based common stock units outstanding, multiplied by the applicable performance factor (as defined in the Plans) related to the Company's performance immediately prior to the Change in Control (when the Change in Control occurs after the first year of grant). The common stock unit awards will be paid out regardless of whether performance targets have been met. Common stock unit awards conditioned on continued employment will be paid out in an amount equal to the total number of common stock units outstanding as of the Change in Control.

Neither the Committee nor the Company will have any obligation to inform any transferee of a Stock Option or stock appreciation right of any expiration, termination, lapse or acceleration of such Option. The Company will have no obligation to register with any federal or state securities commission or agency any Common Stock issuable or issued under a Stock Option or stock appreciation right that has been transferred by a Participant under this Section 3.5.

3.6 Manner of Payment. Each Stock Option Agreement shall set forth the procedure governing the exercise of the Stock Option granted thereunder, and shall provide that, upon such exercise in respect of any shares of Common Stock subject thereto, the Optionee shall pay to the Company, in full, the Option Price for such shares (together with payment for any taxes which the Company is required by law to withhold by reason of such exercise) with cash or with Common Stock. All shares of Common Stock issued under this Plan, or any other Company plan, must be held at least six (6) months before they may be used as payment of the Option Price.

As soon as practicable after receipt of payment, the Company shall deliver to the Optionee a certificate or certificates for, or otherwise register the Optionee on the books and records of the Company as a holder of, such shares of Common Stock. The Optionee shall become a shareholder of Sunoco, Inc. with respect to the Common Stock so registered, or represented by share certificates so issued, and as such shall be fully entitled to receive dividends, to vote and to exercise all other rights of a shareholder except to the extent otherwise provided in the Option award.

(a) Notwithstanding the foregoing, and at the discretion of the Committee, any Optionee subject to minimum stock ownership guidelines (as established from time to time by the Committee or the Company), but failing to meet the applicable personal ownership requirement within the prescribed period may, upon exercise of the Options, receive a number of shares of Common Stock subject to the following restrictions which shall remain in place until compliance with such ownership guidelines is attained:

(1) The number of shares subject to the restrictions shall be equal to the total number of shares received in the exercise of the Options, minus the sum of:

Table of Contents

(i) to the extent that shares received upon exercise of the Option are used to pay the Option Price, the number of shares which have a Fair Market Value on the date of the Option exercise equal to the total amount paid for all the shares received in the Option exercise; and

(ii) to the extent that shares received upon exercise of the Option are used to pay taxes and brokerage fees, the number of shares which have a Fair Market Value on the date of the Option exercise equal to the applicable federal, state and local withholding tax on the total Option exercise and any brokerage commission or interest charges, if applicable to the exercise.

(2) Other than transfers to family members or trusts that are permitted in accordance with the applicable stock ownership guidelines, and that will not result in a reduction in the level of ownership attributable to the Participant under such guidelines, the Optionee shall be prohibited from effecting the sale, exchange, transfer, pledge, hypothecation, gift or other disposition of such shares of Common Stock until the earlier of:

(i) attainment of compliance with applicable stock ownership guidelines;

(ii) the Optionee's death, retirement, or permanent disability (as determined by the Committee); or

(iii) occurrence of the Optionee's Employment Termination Date, for any reason other than Just Cause.

Notwithstanding the foregoing, six (6) months after the exercise of the Stock Option, such shares of Common Stock may be used as payment of the Option Price of shares issued upon the exercise of other Stock Options. However, all such shares issued will be restricted shares.

(3) The restrictions shall apply to any new, additional or different securities the Optionee may become entitled to receive with respect to such shares by virtue of a stock split or stock dividend or any other change in the corporate or capital structure of the Company.

(b) Until such time as the restrictions hereunder lapse, the shares will be held in book-entry form and appropriate notation of these restrictions will be maintained in the records of the Company's transfer agent and registrar. Any share certificate representing such shares will bear a conspicuous legend evidencing these restrictions, and the Company may require the Optionee to deposit the share certificate with the Company or its agent, endorsed in blank or accompanied by a duly executed irrevocable stock power or other instrument of transfer.

3.8 Retirement or Disability. Upon termination of the Optionee's employment by reason of retirement or permanent disability (as each is determined by the Committee), the Optionee may, within sixty (60) months from the date of termination, exercise any Stock Options to the extent such options are exercisable during such 60-month period.

Table of Contents

3.9 Termination for Other Reasons. Except as provided in Sections 3.8 and 3.10, or except as otherwise determined by the Committee, upon termination of an Optionee's employment, all unvested Stock Options shall terminate immediately, and all vested Stock Options shall terminate:

(a) immediately, in the case of an Optionee terminated by the Company for Just Cause; or

(b) upon the expiration of ninety (90) calendar days following the occurrence of the Optionee's Employment Termination Date, other than for Just Cause;

provided, however, that the Limited Rights awarded in tandem with such Stock Options shall not terminate and such Limited Rights shall remain exercisable during the Exercise Period for any Optionee whose employment relationship with the Company has been terminated as a result of any Qualifying Termination.

3.10 Death of Optionee. Any rights in respect of Stock Options to the extent exercisable on the date of the Optionee's death may be exercised by the Optionee's estate or by any person that acquires the legal right to exercise such Stock Option by bequest, inheritance, or otherwise by reason of the death of the Optionee. Any such exercise to be valid must occur within the remaining option term of the Stock Option. The foregoing provisions of this Section 3.10 shall apply to an Optionee who dies while employed by the Company and to an Optionee whose employment may have terminated prior to death; *provided, however,* that:

(a) an Optionee who dies while employed by the Company will be treated as if the Optionee had retired on the date of death. Accordingly, the Optionee's estate or a person who acquires the right to exercise such Stock Option by bequest or inheritance will have the right to exercise the Stock Option in accordance with Section 3.8; or

(b) the estate or a person who acquires the right to exercise a Stock Option by bequest or inheritance from an Optionee who dies after terminating employment with the Company will have the remainder of any exercise period provided under Sections 3.8 and 3.9.

3.11 Acceleration of Options. Notwithstanding any provisions to the contrary in agreements evidencing Options granted thereunder or in this Plan, each outstanding Option shall become immediately and fully exercisable upon the occurrence of any Change in Control.

3.12 Effect of Exercise. The exercise of any Stock Options shall cancel that number of related Limited Rights, if any, which is equal to the number of shares of Common Stock purchased pursuant to said Options.

ARTICLE IV

Incentive Stock Options

4.1 Award of Incentive Stock Options. The Committee, from time to time, and subject to the provisions of the Plan and such other terms and conditions as the Committee may

B-12

Table of Contents

prescribe, may grant to any Participant in the Plan one or more incentive stock options (intended to qualify as such under the provisions of Section 422 of the Code (Incentive Stock Options)) to purchase for cash or shares the number of shares of Common Stock allotted by the Committee. The date an Incentive Stock Option is granted shall mean the date selected by the Committee as of which the Committee allots a specific number of options to a Participant pursuant to the Plan. Notwithstanding the foregoing, Incentive Stock Options shall not be granted to any owner of ten percent (10%) or more of the total combined voting power of Sunoco, Inc. and its subsidiaries (within the meaning of Section 424(f) of the Code).

4.2 Incentive Stock Option Agreements. The grant of an Incentive Stock Option shall be evidenced by a written Incentive Stock Option Agreement, executed by the Company and the holder of an Incentive Stock Option stating the number of shares of Common Stock subject to the Incentive Stock Option evidenced thereby, and in such form as the Committee may from time to time determine.

4.3 Incentive Stock Option Price. The Option Price per share of Common Stock deliverable upon the exercise of an Incentive Stock Option shall not be less than 100% of the Fair Market Value of a share of Common Stock on the date the Incentive Stock Option is granted.

4.4 Term and Exercise. The term and the vesting schedule of the Incentive Stock Option shall be determined by the Committee. However, no Incentive Stock Option may be exercisable before the first anniversary of the date of grant or after the tenth anniversary of such date. No Incentive Stock Option shall be exercisable after the expiration of its term.

4.5 Limits on Incentive Stock Options. Each Incentive Stock Option shall provide that, if the aggregate Fair Market Value of the stock on the date of grant with respect to which Incentive Stock Options are exercisable for the first time by an Optionee during any calendar year, under this Plan or any other stock option plan of Sunoco, Inc. and its subsidiaries (within the meaning of Section 424(f) of the Code) exceeds One Hundred Thousand Dollars (\$100,000.00), then the Option, as to the excess shall be treated as a non-qualified stock option. An Incentive Stock Option shall not be granted to any person who is not an employee of the Company (within the meaning of Section 424(f) of the Code).

4.6 Retirement or Disability. Upon the termination of the Optionee's employment by reason of retirement or permanent disability (as each is determined by the Committee), the Optionee may, within sixty (60) months from the date of such termination of employment, exercise any Incentive Stock Options to the extent such Incentive Stock Options are exercisable during such 60-month period. Notwithstanding the foregoing, the tax treatment available pursuant to Section 422 of the Code upon the exercise of an Incentive Stock Option will not be available to an Optionee who exercises any Incentive Stock Option more than:

(a) twelve (12) months after the date of termination of employment due to permanent disability; or

(b) three (3) months after the date of termination of employment due to retirement.

4.7 Termination for Other Reasons. Except as provided in Sections 4.6 and 4.8, or except as otherwise determined by the Committee, upon termination of an Optionee's

Table of Contents

employment, all unvested Incentive Stock Options shall terminate immediately, and all vested Incentive Stock Options shall terminate:

(a) immediately, in the case of an Optionee terminated by the Company for Just Cause; or

(b) upon the expiration of ninety (90) calendar days following the date of termination of an Optionee's employment other than for Just Cause;

provided, however, that the Limited Rights awarded in tandem with such Incentive Stock Options shall not terminate and such Limited Rights shall remain exercisable during the Exercise Period for any Optionee whose employment relationship with the Company has been terminated as a result of any Qualifying Termination.

4.8 Death of Optionee. Any rights in respect of Incentive Stock Options to the extent exercisable on the date of the Optionee's death may be exercised by the Optionee's estate or by any person that acquires the legal right to exercise such Stock Option by bequest, inheritance, or otherwise by reason of the death of the Optionee. Any such exercise to be valid must occur within the remaining option term of the Incentive Stock Option. The foregoing provisions of this Section 4.8 shall apply to an Optionee who dies while employed by the Company and to an Optionee whose employment may have terminated prior to death; *provided, however,* that:

(a) an Optionee who dies while employed by the Company will be treated as if the Optionee had retired on the date of death. Accordingly, the Optionee's estate or a person who acquires the right to exercise such Incentive Stock Option by bequest or inheritance will have the right to exercise the Incentive Stock Option in accordance with Section 4.6; or

(b) the estate or a person who acquires the right to exercise a stock option by bequest or inheritance from an Optionee who dies after terminating employment with the Company will have the remainder of any exercise period provided under Section 4.6 and 4.7.

4.9 Applicability of Stock Options Selections. Section 3.6 (Manner of Payment), Section 3.7 (Issuance and Delivery of Shares), Section 3.11 (Acceleration of Options) and Section 3.12 (Effect of Exercise), applicable to Stock Options, shall apply equally to Incentive Stock Options. Said Sections are incorporated by reference in this Article IV as though fully set forth herein.

ARTICLE V

Limited Rights

5.1 Award of Limited Rights. Concurrently with or subsequent to the award of any Option, the Committee may, subject to the provisions of the Plan and such other terms and conditions as the Committee may prescribe, award to the Optionee with respect to each Option, a related limited right permitting the Optionee, during a specified limited time period, to be paid the appreciation on the Option in lieu of exercising the Option (Limited Right).

B-14

Table of Contents

5.2 Limited Rights Agreement. Limited Rights granted under the Plan shall be evidenced by written agreements in such form as the Committee may from time to time determine.

5.3 Exercise Period. Limited Rights are immediately exercisable in full upon grant for a period of up to seven (7) months following the date of a Change in Control (the Exercise Period).

5.4 Amount of Payment. The amount of payment to which an Optionee shall be entitled upon the exercise of each Limited Right shall be equal to 100% of the amount, if any, which is equal to the difference between the Option Price of the related Option and the Market Price of a share of such Common Stock. Market Price is defined to be the greater of:

(a) the highest price per share of Common Stock paid in connection with any Change in Control during the period from the sixtieth (60th) calendar day immediately prior to the Change in Control through the ninetieth (90th) calendar day following the Change in Control; and

(b) the highest trading price per share of Common Stock reflected in the consolidated trading tables of The Wall Street Journal (presently the New York Stock Exchange Composite Transactions quotations) during the 60-day period immediately prior to the Change in Control.

5.5 Form of Payment. Payment of the amount to which an Optionee is entitled upon the exercise of Limited Rights, as determined pursuant to Section 5.4, shall be made solely in cash.

5.6 Effect of Exercise. If Limited Rights are exercised, the Stock Options, if any, related to such Limited Rights cease to be exercisable to the extent of the number of shares with respect to which the Limited Rights were exercised. Upon the exercise or termination of the Options, if any, related to such Limited Rights, the Limited Rights granted with respect thereto terminate to the extent of the number of shares as to which the related Options were exercised or terminated; *provided, however*, that with respect to Options that are terminated as a result of the termination of the Optionee's employment status, the Limited Rights awarded in tandem therewith shall not terminate and such Limited Rights shall remain exercisable during the Exercise Period for any Optionee whose employment relationship with the Company has been terminated as a result of any Qualifying Termination.

5.7 Retirement or Disability. Upon termination of the Optionee's employment by reason of permanent disability or retirement (as each is determined by the Committee), the Optionee may, within six (6) months from the date of termination, exercise any Limited Rights to the extent such Limited Right is exercisable during such six-month period.

5.8 Death of Optionee or Termination for Other Reasons. Except as provided in Sections 5.7 and 5.9 or except as otherwise determined by the Committee, all Limited Rights granted under the Plan shall terminate upon the termination of the Optionee's employment or upon the death of the Optionee.

5.9 Termination Related to a Change in Control. The requirement that an Optionee be terminated by reason of retirement or permanent disability or be employed by the Company at

B-15

the time of exercise pursuant to Sections 5.7 and 5.8 respectively, is waived during the Exercise Period as to any Optionee whose employment relationship with the Company has been terminated as a result of any Qualifying Termination.

ARTICLE VI

Common Stock Units

6.1 **Award of Common Stock Units.** The Committee, from time to time, and subject to the provisions of the Plan, may grant to any Participant in the Plan rights to receive shares of Common Stock which are subject to a risk of forfeiture by the Participant (Common Stock Units). At the time it grants any Common Stock Units, the Committee shall determine whether the payment of such Common Stock Units shall be conditioned upon either:

(a) the Participant s continued employment with the Company throughout a stated period (Section 6.4); or

(b) the attainment of certain predetermined performance objectives during a stated period (Section 6.5).

The date Common Stock Units are granted shall mean the date selected by the Committee as of which the Committee allots a specific number of Common Stock Units to a Participant pursuant to the Plan.

6.2 **Common Stock Unit Agreements.** Common Stock Units granted under the Plan shall be evidenced by written agreements stating the number of Common Stock Units evidenced thereby or in such form and as the Committee may from time to time determine.

6.3 **Dividend Equivalents.** A holder of Common Stock Units will be entitled to receive payment from the Company in an amount equal to each cash dividend (Dividend Equivalent) Sunoco, Inc. would have paid to such holder had he, on the record date for payment of such dividend, been the holder of record of shares of Common Stock equal to the number of Common Stock Units which had been awarded to such holder as of the close of business on such record date. The Company shall establish a bookkeeping account on behalf of each Participant in which the Dividend Equivalents that would have been paid to the holder of Common Stock Units (Dividend Equivalent Account) shall be credited. The Dividend Equivalent Account will not bear interest.

6.4 **Performance Period.** Upon making an award, the Committee shall determine (and the Common Stock Unit Agreement shall state) the length of the applicable period during which employment must be maintained or certain performance targets must be attained (the Performance Period). Performance Periods will normally be from three (3) to five (5) years; *provided, however*, that the Committee at its sole discretion may establish other time periods; *and further provided*, that the Performance Period for an award conditioned upon a Participant s continued employment with the Company shall not be less than three (3) years.

6.5 Performance Goals. Common Stock Units and the related Dividend Equivalent Account earned may be based upon the attainment of Performance Goals established by the

B-16

Table of Contents

Committee in accordance with Section 162(m) of the Code. Within the first ninety (90) days of the Performance Period, the Committee shall establish, in writing, the weighted Performance Goals and related Performance Factors for various goal achievement levels for the Company. In establishing the weighted Performance Goals, the Committee shall take the necessary steps to insure that the Company's ability to achieve the pre-established goals is uncertain at the time the goals are set. The established written Performance Goals, assigned weights, and Performance Factors shall be written in terms of an objective formula, whereby any third party having knowledge of the relevant Company performance results could calculate the amount to be paid. Such Performance Goals may vary by Participant and by grant.

The number of Common Stock Units and Dividend Equivalents earned will be equal to the amounts awarded multiplied by the applicable Performance Factors. However, the Committee shall have the discretion, by Participant and by grant, to reduce (but not to increase) some or all of the amount that would otherwise be payable by reason of the satisfaction of the Performance Goals. In making any such determination, the Committee is authorized to take into account any such factor or factors it determines are appropriate, including but not limited to Company, business unit and individual performance.

6.6 Payment of Common Stock Units and Dividend Equivalent Account. Payment in respect of Common Stock Units earned (as determined under Sections 6.4 and 6.5) shall be made to the holder thereof within ninety (90) days after the Performance Period for such units has ended, but only to the extent the Committee certifies in writing that the continuing employment and/or any applicable performance targets have been met.

Except as may be otherwise provided by Section 6.9, payment for Common Stock Units earned shall be made either in shares of Common Stock, or in cash, at the sole discretion of the Committee. The medium of payment, whether in shares of Common Stock or in cash, shall be set forth in the Committee's resolution granting the Common Stock Units and in the Agreement with the Participant.

For an award of Common Stock Units to be paid out in shares, the number of shares paid shall be equal to the number of Common Stock Units earned. The holder may elect to reduce this amount by the number of shares of Common Stock which have, on the date the Common Stock Units are paid, a Fair Market Value equal to the applicable federal, state and local withholding tax due on the receipt of Common Stock, in lieu of making a cash payment equal to the amount of such withholding tax due.

For an award of Common Stock Units to be settled in cash, the amount of cash paid shall be equal to the number of Common Stock Units earned multiplied by the Fair Market Value of a share of Common Stock on such date following the lapse of the Performance Period, and the satisfaction of any other applicable conditions established by the Committee at the time of grant, that the Participant first becomes entitled to receive such payment. Such amount will be reduced by the applicable federal, state and local withholding tax due.

A holder of Common Stock Units (whether or not such Common Stock Units are to be paid out in Common Stock, or settled in cash) will be entitled to receive from the Company, at the end of the Performance Period, payment of an amount in cash equal to the Dividend Equivalent Account earned (as determined under Sections 6.4 and 6.5) by the holder minus applicable federal, state and local withholding tax due.

Table of Contents

(a) Notwithstanding the foregoing, and at the discretion of the Committee, any Participant subject to minimum stock ownership guidelines (as established from time to time by the Committee or the Company), but failing to meet the applicable personal ownership requirement within the prescribed period may receive a number of shares of Common Stock upon payment of the Common Stock Units, subject to the following restrictions which shall remain in place until compliance with such ownership guidelines is attained:

(1) The number of shares subject to the restrictions shall be equal to the total number of Common Stock Units being paid out, minus the number of shares of Common Stock used to pay applicable federal, state and local withholding tax on the total payment of such Common Stock Units.

(2) Other than transfers to family members or trusts that are permitted in accordance with the applicable stock ownership guidelines, and that will not result in a reduction in the level of ownership attributable to the Participant under such guidelines, the Participant shall be prohibited from effecting the sale, exchange, transfer, pledge, hypothecation, gift or other disposition of such shares of Common Stock until the earlier of:

(i) attainment of compliance with applicable stock ownership guidelines;

(ii) the Participant's death, retirement, or permanent disability (as determined by the Committee); or

(iii) occurrence of the Participant's Employment Termination Date, for any reason other than Just Cause.

(3) These restrictions shall apply to any new, additional or different securities the Participant may become entitled to receive with respect to such shares by virtue of a stock split or stock dividend or any other change in the corporate or capital structure of the Company.

(b) Until such time as the restrictions hereunder lapse, the shares will be held in book-entry form and appropriate notation of these restrictions will be maintained in the records of the Company's transfer agent and registrar. Any share certificate representing such shares will bear a conspicuous legend evidencing these restrictions, and the Company may require the Participant to deposit the share certificate with the Company or its agent, endorsed in blank or accompanied by a duly executed irrevocable stock power or other instrument of transfer.

6.7 Death, Disability or Retirement.

(a) Upon the occurrence of a Participant's Employment Termination Date, by reason of death, permanent disability or retirement (as each is determined by the Committee) prior to the end of the Performance Period:

(1) in the case of an award of Common Stock Units made pursuant to Section 6.1(a) hereof and conditioned upon the Participant's continued employment, the conditions to

B-18

Table of Contents

payout, if any, shall be determined by the Committee and shall be as set forth in the agreement granting the Common Stock Units.

(2) in the case of an award of Common Stock Units made pursuant to Section 6.1(b) hereof and conditioned upon the attainment of certain predetermined performance objectives, no portion of the Participant's Common Stock Units and the Dividend Equivalent Account related to such award shall be forfeited, and the Common Stock Units, together with related Dividend Equivalents, shall be paid out as though such Participant continued to be an employee or director of the Company through any applicable Performance Period, and as, if, and when the applicable Performance Goals have been met.

6.8 Termination of Employment. Except as provided in Sections 6.7 and 6.9, or as determined by the Committee, 100% of all Common Stock Units of a Participant under the Plan shall be forfeited and the Dividend Equivalent Account shall be forfeited upon the occurrence of the Participant's Employment Termination Date prior to the end of the Performance Period, and in such event the Participant shall not be entitled to receive any Common Stock or any payment of the Dividend Equivalent Account regardless of the level of Performance Goals achieved for the respective Performance Periods.

6.9 Change in Control. In the event of a Change in Control, Common Stock Units shall be paid to the Participant no later than ninety (90) days following the date of occurrence of such Change in Control (the CSU Payout Date), regardless of whether the applicable Performance Period has expired or whether the applicable Performance Goals have been met. For a Change in Control occurring within the first consecutive twelve-month period following the date of grant, the number of performance-based Common Stock Units paid out with regard to such grant shall be equal to the total number of Common Stock Units outstanding in such grant as the Change in Control, not adjusted for any Performance Factors described in Section 6.5. For a Change in Control occurring after the first consecutive twelve-month period following the date of grant, the number of performance-based Common Stock Units paid out with regard to such grant shall be the greater of (i) the total number of Common Stock Units outstanding in such grant as of the Change in Control, not adjusted for any Performance factors described in Section 6.5 or (ii) the total number of such Common Stock Units outstanding in such grant, multiplied by the applicable Performance Factors related to the Company's actual performance immediately prior to the Change in Control. In the case of an award of Common Stock Units conditioned upon the Participant's continued employment, the total number of Common Stock Units outstanding in such grant as of the Change in Control shall be paid to the Participant. The Participant's Common Stock Units shall be payable to the Participant in cash or stock, as determined by the Committee prior to the Change in Control, as follows:

(a) if the Participant is to receive stock, the Participant will receive shares of Common Stock equal in number to the total number of Common Stock Units as stated above in this Section 6.9; or

(b) if the Participant is to receive cash, the Participant will be paid an amount in cash equal to the number of Common Stock Units stated above in this Section 6.9 multiplied by the Market Price as defined in Section 5.4. Such amount will be reduced by the applicable federal, state and local withholding taxes due.

Table of Contents

On or before the CSU Payout Date, the Participant will be paid an amount in cash equal to the applicable Dividend Equivalents on the number of Common Stock Units being paid pursuant to this Section 6.9 for the time period immediately preceding the Change in Control. Payout of Common Stock Units and the Dividend Equivalents shall be made to each Participant:

(c) who is employed by the Company on the CSU Payout Date; or

(d) whose employment relationship with the Company is terminated:

(1) as a result of any Qualifying Termination prior to the CSU Payout Date; or

(2) as a result of death, permanent disability or retirement (as each is determined by the Committee), that has occurred prior to the CSU Payout Date.

The Committee may establish, at the time of the grant of Common Stock Units, other conditions which must be met for payout to occur. These conditions shall be set forth in the Committee's resolution granting the Common Stock Units and in the Agreement with the holders.

ARTICLE VII

Miscellaneous

7.1 General Restriction. Each award under the Plan shall be subject to the requirement that if, at any time, the Committee shall determine that:

(a) the listing, registration or qualification of the shares of Common Stock subject or related thereto upon any securities exchange or under any state or Federal law; or

(b) the consent or approval of any government regulatory body; or

(c) an agreement by the recipient of an award with respect to the disposition of shares of Common Stock,

is necessary or desirable as a condition of, or in connection with, the granting of such award or the issue or purchase of shares of Common Stock thereunder, then such award may not be consummated in whole or in part unless such listing, registration, qualification, consent, approval or agreement shall have been effected or obtained free of any conditions not acceptable to the Committee.

7.2 Non-Assignability. Awards under the Plan shall not be assignable or transferable by the recipient thereof, except by will or by the laws of descent and distribution except as otherwise determined by the Committee. Accordingly, during the life of the recipient, such award shall be exercisable only by such person or by such person's guardian or legal representative, unless the Committee determines otherwise.

7.3 Right to Terminate Employment: Effect of Disaffiliation. Nothing in the Plan or in any agreement entered into pursuant to the Plan shall confer upon any Participant the right to

B-20

Table of Contents

continue in the employment of the Company, to continue to be nominated or serve on the Board of Directors, or affect any right which the Company may have to terminate the employment of such Participant. If an Affiliate ceases to be an Affiliate as a result of the sale or other disposition by Sunoco, Inc. or one of its continuing Affiliates of its ownership interest in the former Affiliate, or otherwise, then individuals who remain employed by such former Affiliate thereafter shall be considered for all purposes under the Plan to have terminated their employment relationship with the Company.

7.4 Non-Uniform Determinations. The Committee's determinations under the Plan (including without limitation, determinations of the persons to receive awards, the form, amount and timing of such awards, the terms and provisions of such awards, and the agreements evidencing same) need not be uniform and may be made by it selectively among persons who receive, or are eligible to receive, awards under the Plan, whether or not such persons are similarly situated.

7.5 Rights as a Shareholder. The recipient of any award under the Plan shall have no rights as a shareholder with respect thereto unless and until shares of Common Stock are issued on behalf of such recipient in book-entry form, in the records of the Company's transfer agent and registrar, or certificates have been issued for such shares.

7.6 Leaves of Absence. The Committee shall be entitled to make such rules, regulations and determinations as it deems appropriate under the Plan in respect of any leave of absence taken by the recipient of any award. Without limiting the generality of the foregoing, the Committee shall be entitled to determine (a) whether or not any such leave of absence shall constitute a termination of employment within the meaning of the Plan and (b) the impact, if any, of any such leave of absence on awards under the Plan theretofore made to any recipient who takes such leaves of absence.

7.7 Newly Eligible Employees. The Committee shall be entitled to make such rules, regulations, determinations and awards as it deems appropriate in respect of any employee who becomes eligible to participate in the Plan or any portion thereof after the commencement of an award or incentive period.

7.8 Adjustments. In any event of any change in the outstanding Common Stock by reason of a stock dividend or distribution, recapitalization, merger, consolidation, split-up, combination, exchange of shares or the like, the Committee may appropriately adjust the number of shares of Common Stock which may be issued under the Plan, the number of shares of Common Stock subject to Options theretofore granted under the Plan, the Option Price of Options theretofore granted under the Plan, the number of Common Stock Units theretofore awarded under the Plan and any and all other matters deemed appropriate by the Committee.

7.9 Amendment of the Plan.

(a) The Committee may, without further action by the shareholders and without receiving further consideration from the Participants, amend this Plan or condition or modify awards under this Plan in response to changes in securities or other laws or rules, regulations or regulatory interpretations thereof applicable to this Plan or to comply with stock exchange rules or requirements.

Table of Contents

(b) The Committee may at any time, and from time to time, modify or amend the Plan, or any award granted under the Plan, in any respect; *provided, however*, that, without shareholder approval the Committee may not:

(1) increase the maximum award levels established in Section 2.7, including the maximum number of shares of Common Stock which may be issued under the Plan (other than increases pursuant to Section 7.8);

(2) extend the term during which an Option may be exercised beyond ten years from the date of grant; or

(3) alter the terms of any Option to reduce the Option Price, or cancel any outstanding Option award and replace it with a new Option, having a lower Option Price, where the economic effect would be the same as reducing the Option Price of the cancelled Option.

Except as provided in Section 7.9(a) above, no termination, modification or amendment of the Plan (or any award granted under the Plan), shall, without the consent of a Participant, affect the Participant's rights under an award previously granted.
