**QUESTIONS AND ANSWERS**

**Who may vote?**

You may vote if you were a stockholder of SOLA at the close of business on June 12, 2003, the record date for the Annual Meeting. On that date, there were 24,728,933 shares of SOLA common stock outstanding.

**What am I voting on?**

SOLA's Board of Directors is soliciting your vote on the election of six directors.

**How many votes do I have?**

Each share of SOLA common stock that you own entitles you to one vote.

**How do I vote?**

You may vote your shares in either of the following ways:

By mail: complete the proxy card and sign, date and return it in the enclosed envelope; or

In person: attend the Annual Meeting, where ballots will be provided.

You may also vote by telephone or over the Internet if you hold your shares through a broker or bank that offers either of those options. If you choose to vote in person at the Annual Meeting and your shares are held in the name of your broker, bank or other nominee, you will need to bring an account statement or letter from the nominee indicating that you were the beneficial owner of the shares on June 12, 2003, the record date for voting.

**How does discretionary voting authority apply?**

If you sign, date and return your proxy card, your vote will be cast as you direct. If you do not indicate how you want to vote, you give authority to Jeremy C. Bishop and Jeffrey S. Cartwright to vote FOR the election of directors and FOR or AGAINST any other matters that are properly raised at the Annual Meeting. We do not expect that the stockholders will be voting on any business at the Annual Meeting other than the election of directors.

**May I revoke my proxy?**

You may revoke your proxy at any time before it is exercised in one of the following ways:

Notify our Secretary in writing before the Annual Meeting that you are revoking your proxy;

Submit another proxy with a later date;

Vote by telephone or Internet after you have given your proxy; or

Vote in person at the Annual Meeting.

**What does it mean if I receive more than one proxy card?**

Your shares are likely registered differently or are held in more than one account. You should sign and return all proxy cards to ensure that all of your shares are voted.

**What constitutes a quorum?**

## Edgar Filing: SOLA INTERNATIONAL INC - Form DEF 14A

The presence, in person or by proxy, of the holders of a majority of SOLA shares entitled to vote at the Annual Meeting constitutes a quorum. You will be considered part of the quorum if you return a signed and dated proxy card, if you vote by telephone or Internet or if you attend the Annual Meeting.

## **Table of Contents**

Abstentions and broker non-votes are counted as shares present at the Annual Meeting for purposes of determining whether a quorum exists. A broker non-vote occurs when a broker submits a proxy that does not indicate a vote for a proposal because he or she does not have voting authority and has not received voting instructions from you.

### **What vote is required to elect the directors?**

If a quorum is present, a plurality of the votes properly cast at the Annual Meeting will elect the directors. This means that the six nominees who receive the highest number of votes will be elected. If you do not want to vote your shares for a particular nominee, you may indicate that by following the instructions on the enclosed proxy card or on the ballot provided at the Annual Meeting or by withholding authority as prompted during telephone or Internet voting. Abstentions and broker non-votes will have no effect on the election of the directors.

### **How do I submit a stockholder proposal?**

We must receive your proposals for inclusion in our proxy statement for the 2004 annual meeting no later than February 28, 2004. Your proposal must be in writing and must comply with the proxy rules of the Securities and Exchange Commission (SEC).

You may also submit a proposal that you do not want to be included in our proxy statement, but that you want raised at the 2004 annual meeting. If you desire to do this, we must receive your written proposal no later than April 24, 2004. However, if the 2004 annual meeting is scheduled to be held before June 24, 2004 or after September 22, 2004, we must receive your proposal on or before the later of the close of business (1) 90 days prior to the date of the 2004 annual meeting, or (2) 10 days after the day on which we mail the notice of the 2004 annual meeting or publicly disclose the date of the annual meeting. If we receive your proposal after the applicable deadline, the SEC rules permit the individuals named in the proxies solicited by SOLA's Board of Directors for that meeting to exercise discretionary voting power as to that proposal, although they are not required to do so.

In addition, our by-laws contain specific requirements for stockholder proposals that you must comply with to properly raise a proposal at an annual meeting. According to our by-laws, your proposal should include: (1) a brief description of the business you want to bring before the meeting and the reasons for conducting the business at the meeting; (2) your name and address as they appear on our stock records; (3) the number of SOLA shares that you own beneficially or of record; (4) a description of any arrangement or agreement you may have with any other person concerning the proposal and any interest you may have in the business you want to bring before the meeting; and (5) a representation that you intend to attend the meeting in person or by proxy and present your business at the meeting.

You should submit all proposals and requests for copies of our by-laws in writing to our Secretary at our address on the cover of this proxy statement.

### **How do I nominate a director?**

If you desire to nominate an individual for election as a director at the 2004 annual meeting, we must receive your nomination no later than April 24, 2004. However, if the 2004 annual meeting is scheduled to be held before June 24, 2004 or after September 22, 2004, we must receive your nomination on or before the later of the close of business (1) 90 days prior to the date of the 2004 annual meeting, or (2) 10 days after the day on which we mail the notice of the 2004 annual meeting or publicly disclose the date of the annual meeting.

Our by-laws contain specific requirements that you must comply with to nominate a director. Our by-laws require that for each person you propose to nominate you provide: (1) the name, age, business address and residence address of the proposed nominee; (2) the principal occupation of the proposed nominee; (3) the number of SOLA shares that the proposed nominee owns beneficially and of record; and (4) any other information relating to the proposed nominee that would be required by the SEC to be included in a proxy statement had SOLA's Board nominated the proposed nominee.

## **Table of Contents**

In addition, our by-laws require that you provide the following information: (1) your name and address as they appear on our stock records; (2) the number of SOLA shares that you own beneficially and of record; (3) a description of any arrangement or understanding you may have with each proposed nominee or any other person concerning the nominations; (4) a representation that you intend to attend the meeting in person or by proxy to nominate the proposed nominees; (5) any other information relating to you that would be required by the SEC to be included in a proxy statement for election of directors; and (6) the written consent of each proposed nominee to being named as a nominee and to serving as a director if elected.

You should send your proposals and requests for copies of our by-laws in writing to our Secretary at our address on the cover of this proxy statement.

### **Who pays to prepare, mail and solicit the proxies?**

SOLA will pay all of the costs of preparing and mailing the proxy statement and soliciting the proxies. We will ask brokers, dealers, banks, voting trustees and other nominees and fiduciaries to forward the proxy materials and our Annual Report to the beneficial owners of SOLA common stock and to obtain the authority to execute proxies. We will reimburse them for their reasonable expenses upon request. In addition to mailing proxy materials, our directors, officers and employees may solicit proxies in person, by telephone or otherwise. These individuals will not be specially compensated.

## **ELECTION OF DIRECTORS**

SOLA's directors are elected at each annual meeting and hold office until the next election. The Board of Directors has authority under our by-laws to fill vacancies and to increase or decrease its size between annual meetings. The Board currently consists of seven directors; however, A. William Hamill is not standing for re-election and following the Annual Meeting the Board will consist of six members.

At this Annual Meeting, you will be asked to elect six directors. The six nominees are presently directors of SOLA. Each director will serve until the 2004 annual meeting, until a qualified successor director has been elected, or until he resigns or is removed by the Board.

We will vote your shares as you specify on the enclosed proxy card or during telephone or Internet voting. If you do not specify how you want your shares voted, we will vote them FOR the election of the nominees. If unforeseen circumstances (such as death or disability) make it necessary for the Board to substitute another person for any of the nominees, we will vote your shares FOR that other person. The Board of Directors does not anticipate that any nominee will be unable to serve. The nominees have provided the following information about themselves.

(6) Ms. Roberts became an executive officer in August 2001.

**Table of Contents****Option Grants in Fiscal Year 2003**

This table gives information relating to option grants to the named executive officers during fiscal year 2003. The options were granted under SOLA's option plan and have exercise prices equal to the fair market value of SOLA common stock on the grant date. One-fifth of the options in each grant is immediately exercisable. An additional one-fifth vests on each of the first four anniversary dates of the grant. In the event of a change of control of SOLA, the options will become fully vested and immediately exercisable.

The potential realizable value is calculated based on the term of the option at its time of grant, which is 10 years. The calculation assumes that the fair market value on the date of grant appreciates at the indicated rate compounded annually for the entire term of the option and that the option is exercised at the exercise price and sold on the last day of its term at the appreciated price. The stock price appreciation of 5% and 10% is assumed under the rules of the SEC. This assumed appreciation does not represent any estimate of our stock price appreciation.

**Option Exercises in Fiscal Year 2003 and Fiscal Year-End 2003 Option Values**

This table provides information regarding the exercise of options during fiscal year 2003 and options outstanding at the end of fiscal year 2003 for the named executive officers. The value realized is calculated using the difference between the option exercise price and the price of SOLA common stock on the date of exercise multiplied by the number of shares underlying the option. The value of unexercised in-the-money options at fiscal year end is calculated using the difference between the option exercise price and \$12.36 (the closing price of SOLA stock on March 31, 2003, the last regular trading day of fiscal year 2003) multiplied by the number of shares underlying the option. An option is in-the-money if the market value of SOLA common stock is greater than the option's exercise price.

**Pension Plans**

Mr. Bishop participates in the American Optical U.K. Ltd. Pension Scheme. Assuming retirement at age 60, Mr. Bishop would receive the maximum annual pension benefit permitted by the U.K. tax laws, which approximates \$85,245.

Mr. Packham and Ms. Roberts participate in the SOLA Superannuation Fund in Australia. Assuming retirement at age 65, Mr. Packham and Ms. Roberts would receive lump sum pension benefits from SOLA of

2.396 and 5.302 times the average of the last three years of pensionable salary, or approximately \$535,748 and \$358,104, respectively, based on their current salary.

Messrs. Bishop and Neil participate in the SOLA Optical Pension Plan. Effective March 31, 2003, we discontinued any further accruals to the participants of the SOLA Optical Pension Plan, and the benefit levels as of a normal retirement date were frozen for all participants. The years of credited service as of March 31, 2003 for Mr. Bishop were 3.25 and for Mr. Neil were 5.47. The following table shows estimated annual benefits payable to them under that plan.

Benefits under the SOLA Optical Pension Plan are not offset by Social Security benefits. The amounts shown are based upon certain assumptions, including retirement of the employee at exactly age 65 on March 31, 2003 and payment of the benefit under the basic form of the SOLA Optical Pension Plan, a single life annuity for the life of the participant. The amounts will change if the payment is made under any other form permitted by the SOLA Optical Pension Plan, or if an employee's retirement occurs after March 31, 2003 since the Social Security Wage Base of that employee (one of the factors used in computing the annual retirement benefits) will reflect higher Social Security tax bases for years after 2003. The SOLA Optical Pension Plan provides a higher level of benefits for the portion of compensation above the compensation levels on which Social Security benefits are based.

The remuneration levels shown represent the five-year average of annual compensation covered by the SOLA Optical Pension Plan as of March 31, 2003. Compensation covered by the SOLA Optical Pension Plan includes regular base salary, hourly wages, shift differentials, overtime, vacation and sick leave pay, commissions, sales bonuses, amounts deferred under any tax qualified plan and amounts paid pursuant to management bonus plans or other formally adopted incentive compensation plans. The current compensation covered by the SOLA Optical Pension Plan for Messrs. Bishop and Neil differs substantially (by more than 10%) from that set forth in the Summary Compensation Table under the aggregate of the Salary and Bonus columns because the amount of compensation that may be covered under a tax qualified pension plan is limited by the Internal Revenue Code. The pension amounts shown for remuneration in excess of the compensation cap (\$200,000 for 2003) are based upon the compensation cap in each year, as required by law. The Internal Revenue Code Section 415 defined benefit limit was \$160,000 for 2003, but it did not provide any further limitation on the amounts calculated.

**Employment Agreements**

We entered into an employment agreement with Jeremy C. Bishop dated November 6, 2000. The agreement has an initial term of three years, which will be extended automatically for successive one-year periods unless either party gives 60 days notice prior to the expiration of the then current term that it will not

be extended. Pursuant to this agreement, Mr. Bishop receives a base salary of \$400,000, subject to discretionary annual increases. This agreement also provides that Mr. Bishop may participate in our management incentive plan and other medical, insurance and benefit plans. Mr. Bishop is entitled to receive severance benefits if his employment with SOLA is terminated for any reason other than cause , if we elect not to extend the initial term or any additional term for any reason other than cause , if he is regularly assigned duties that materially diminish his position as president and chief executive officer or if certain other circumstances occur.

The severance benefits provided by Mr. Bishop s employment agreement include (1) his annual salary immediately prior to the termination of employment, plus the average of management incentive plan compensation paid to him over the three immediately preceding years, for a period of 18 months, (2) all benefit plans we regularly provide to our other executives or employees, including health, dental, vision, pension or other retirement plans, plus certain benefits associated with his status as an expatriate employee, for a period of 18 months and (3) outplacement assistance up to a maximum of \$25,000.

We entered into a letter agreement with Steven M. Neil on September 2, 1997 at the time of his appointment pursuant to which we employed Mr. Neil as Executive Vice President and Chief Financial Officer. Effective June 30, 2003, Mr. Neil will be leaving the company to pursue employment closer to his home. The agreement provides that Mr. Neil will receive a \$250,000 annual salary, subject to discretionary annual increases. The agreement also provides that Mr. Neil will participate in our management incentive plan and other medical, insurance and benefit plans. Under the terms of the agreement, we loaned Mr. Neil \$300,000, interest free, structured as an IRS Relocation Loan. The agreement also provides that the loan will be forgiven at the rate of \$5,000 per month commencing November 2000. Under the terms of the loan, Mr. Neil must repay any outstanding balance within 30 days following termination of employment. We also made an equity investment in Mr. Neil s home in the amount of \$745,000. In February 2002, Mr. Neil paid his obligation to SOLA and we no longer have an equity investment in his home.

We entered into severance agreements with Steven M. Neil and Barry J. Packham on October 17, 1997 and January 1, 1997, respectively. Pursuant to these agreements, each executive will be entitled to receive severance benefits if his employment is terminated for any reason other than cause , if the executive is regularly assigned duties that materially diminish his position as an executive or if certain other circumstances occur. The executive will not be entitled to severance benefits if he freely resigns his employment. The severance benefits provided by these severance agreements include (1) the executive s annual salary immediately prior to the termination of employment, plus the average of management incentive plan compensation paid to him over the three immediately preceding years, which will be received for the longer of 12 months or one month per completed year of service up to a maximum of 18 months, (2) all benefit plans we regularly provide to our other executives or employees, including health, dental, vision, pension or other retirement plans, for the longer of 12 months or one month per completed year of service, up to a maximum of 18 months and (3) outplacement assistance up to a maximum of \$25,000.

We entered into an employment agreement with Mark Ashcroft dated April 6, 2002. The agreement has an initial term of two years, which will be extended automatically for successive one-year periods unless either party gives 90 days notice prior to the expiration of the then current term that it will not be extended. Pursuant to this agreement, Mr. Ashcroft receives a base salary of \$250,000, subject to discretionary annual increases. This agreement also provides that Mr. Ashcroft may participate in our management incentive plan and other medical, insurance and benefit plans. Mr. Ashcroft is entitled to receive severance benefits if his employment with SOLA is terminated for any reason other than cause , if we elect not to extend the initial term or any additional term for any reason other than cause , if he is regularly assigned duties that materially diminish his position as president and chief executive officer or if certain other circumstances occur.

The severance benefits provided by Mr. Ashcroft s employment agreement include (1) his annual salary immediately prior to the termination of employment, plus the average of management incentive plan compensation paid to him over the three immediately preceding years, for a period of 12 months, (2) all benefit plans we regularly provide to our other executives or employees, including health, dental, vision,

pension or other retirement plans, plus certain benefits associated with his status as an expatriate employee, for a period of 12 months and (3) outplacement assistance up to a maximum of \$25,000.

**REPORT OF THE COMPENSATION COMMITTEE****ON EXECUTIVE COMPENSATION**

SOLA's Compensation Committee of the Board of Directors consists of three directors who meet the independence requirements of the New York Stock Exchange. The committee is responsible for carrying out the Board's overall responsibility relating to compensation of SOLA's directors and officers, including setting SOLA's compensation philosophy and policies and reviewing and recommending to the Board the compensation to be paid to the Chief Executive Officer, executive officers and non-employee directors.

The committee is also responsible for administering SOLA's executive compensation plans and programs, including SOLA's stock option plan. The committee reviews SOLA's executive compensation program on at least an annual basis to ensure that the program continues to meet the goals of its compensation policy.

## **Table of Contents**

### **Compensation Policy**

The Compensation Committee has designed SOLA's executive compensation program to:

attract qualified executive officers from a global pool of talent;

reward, motivate and retain SOLA's executive officers; and

align the interests of SOLA's executive officers with those of the stockholders by linking the executives' annual cash and long-term incentive compensation to SOLA's performance.

The compensation program consists of three basic components: (1) base salary; (2) annual cash incentive-based compensation; and (3) long-term incentive-based compensation in the form of stock options. The committee's goal has been to base a greater portion of the executives' compensation on SOLA's performance. SOLA also provides perquisites to its executive officers to maintain its ability to attract and retain executive officers in a competitive global market.

### **Base Salary**

The Compensation Committee reviews base salary levels of the executive officers annually. The committee uses a two-step process to determine the salary ranges for each executive officer. First, the level and functional responsibilities of the position held by each executive officer are evaluated using the Hay Guide Chart Job Evaluation Method. Second, based on the evaluation, the committee determines salary ranges for each position using marketplace data provided by Hay Management Consultants and periodically cross-checked with other market surveys published by Mercer, Cullen-Egan-Dell and other compensation consultants. Historically, the committee has established a mid-point base salary around the 75th percentile among a select group of companies, with a minimum salary at 80% of the mid-point and a maximum salary at 120% of the mid-point. An executive officer's progression through the salary range is based upon the committee's evaluation of the individual's job performance.

The group of companies to which SOLA compares itself with respect to base salary compensation of its executives is not the same as the group to which it compares itself on the Performance Graph shown in this proxy statement. For the U.S. market, the comparison group for base salary purposes is comprised of vision care, healthcare and technology companies whose businesses are concentrated on the West Coast of the United States. The committee selected these companies because it believes that they are the companies with respect to which SOLA must remain competitive in order to attract and retain qualified executives to work at its California locations. For other marketplaces worldwide, the comparison group consists of all multinational and medium to large local companies in the specific marketplace. The comparison group used in the Performance Graph is comprised of SOLA's worldwide competitors.

### **Annual Cash Incentive Compensation**

The Compensation Committee views the annual cash incentive compensation component of its program as a significant element in attaining its goal of closely linking executive compensation to SOLA's performance by providing additional annual cash compensation based on SOLA's achievement of objective financial performance targets. The SOLA International Inc. Management Incentive Plan provides annual performance-based cash bonuses to officers designated by the committee. Under the plan, each designated officer has the opportunity to receive a cash bonus based on SOLA's achievement of certain pre-established targets based on one or more performance criteria. The committee prepares schedules for each performance period, which are treated as part of the plan for that period, setting forth each participant's target award percentages and performance targets for that performance period. The target award percentage for a participant is the percentage of his or her salary that will be awarded depending on the percentage of the performance target that he or she attains. The committee determines whether to establish maximum target award percentages. The maximum award that any participant may receive in a fiscal year under the plan is \$2,000,000. The committee does not have discretion to increase the amount of a participant's award payable under the plan after the establishment of the relevant performance targets and target award percentages. Awards are paid

## **Table of Contents**

annually upon certification by the committee of achievement of the relevant performance targets at a time and in a manner as determined by the committee.

The amount of an executive's bonus for fiscal 2003 was based on SOLA's level of achievement measured against its pre-established performance targets. The primary targets were related to earnings and cash flow. A bonus for earnings performance is payable when annual earnings per share and cash flow exceeds specified targets. No bonus is payable should actual performance fall below these minimum levels.

Based on SOLA's performance for fiscal 2003, bonus awards for named executive officers were equal to the following percentages of their base salaries as of the end of fiscal 2003: 54.0% for Jeremy C. Bishop and 40.5% for Steven M. Neil, Barry J. Packham, Mark Ashcroft and Karen Roberts.

## **Stock Option Plan**

The Compensation Committee believes that the stock option component of its executive compensation program more closely aligns the executives' interests with those of SOLA's stockholders because the value of the options is linked directly to the price of SOLA's stock. The committee awards stock options to the executive officers under its International Stock Option Plan. During fiscal 2003, the named executive officers were granted the following options under its International Stock Option Plan: Mr. Bishop, 25,000 options; Mr. Neil, 15,000 options; Mr. Packham 20,000 options; and Mr. Ashcroft, 20,000 options.

## **Perquisites**

SOLA provided a company car allowance and supplemental medical coverage to certain named executive officers and an expatriate allowance for housing to each named executive officer who has relocated to California from outside the United States. The Compensation Committee believes that these perquisites are necessary to attract and retain executive talent in a competitive global market.

## **CEO Compensation**

The Compensation Committee determined Jeremy C. Bishop's compensation on the same basis and under the same philosophy it used in determining the compensation of other executive officers. As discussed above, the goal of the committee is to link a significant portion of the compensation of its executive officers, including the President and Chief Executive Officer, to SOLA's performance. During fiscal 2003, under the terms of his employment agreement, Mr. Bishop received a salary of \$425,000 and earned a bonus of \$229,500. In addition, during fiscal 2003 the committee granted 25,000 stock options to Mr. Bishop. His salary was increased to \$525,000 on April 1, 2003 and includes expatriate accommodation allowance previously reported as other annual compensation.

## **Deductibility of Compensation**

Section 162(m) of the Internal Revenue Code limits the deductibility by SOLA of compensation in excess of \$1,000,000 paid to its Chief Executive Officer or any of the next four most highly compensated executive officers. Certain performance based compensation is not included in the compensation counted for purposes of the deductibility limit. The policy of the committee with respect to Section 162(m) of the Internal Revenue Code is to establish and maintain a compensation program that will not be subject to the deduction limitation of Section 162(m). The committee, however, reserves the right to use its judgment, where merited by the need for flexibility to respond to changing business conditions or by an executive officer's individual performance, to authorize compensation that may not, in a specific case, be fully deductible by SOLA.

**REPORT OF THE AUDIT COMMITTEE**

SOLA's Audit Committee of the Board of Directors consists of three directors who meet the independence and experience requirements of the New York Stock Exchange, Section 10A(m)(3) of the Securities Exchange Act of 1934 and the rules and regulations of the SEC. The Board has adopted a charter that governs the Audit Committee. The charter is attached to this proxy statement as Appendix A and is also available on SOLA's website at [www.SOLA.com](http://www.SOLA.com). The members of the Committee are Maurice J. Cunniffe, Douglas D. Danforth, who is the Committee's chair, and Jackson L. Schultz.

SOLA's management is responsible for SOLA's internal controls and financial reporting process, including the preparation of consolidated financial statements in accordance with generally accepted accounting principles. SOLA's independent accountants, PricewaterhouseCoopers LLP (PWC), are responsible for auditing SOLA's annual consolidated financial statements in accordance with generally accepted auditing standards and for issuing a report on those financial statements. The Audit Committee monitors: the integrity of SOLA's financial statements; the qualifications, independence and performance of their independent accountants; the performance of SOLA's operational audit function; and compliance with legal and

**Table of Contents**

regulatory requirements. The Committee has the sole authority to appoint, terminate and determine the compensation for a firm of certified independent accountants to be SOLA's independent accountants.

To fulfill our responsibilities, we did the following:

We reviewed and discussed with SOLA's management and the independent accountants SOLA's consolidated financial statements for the fiscal year ended March 31, 2003.

We reviewed and discussed with SOLA's management and the independent accountants SOLA's consolidated quarterly financial statements for each of the first three quarters for the fiscal year ended March 31, 2003.

We reviewed management's representations to us that those consolidated financial statements were prepared in accordance with generally accepted accounting principles.

We discussed with the independent accountants the matters that Statement on Auditing Standards No. 61 (Communication With Audit Committees) requires them to discuss with us, including matters related to the conduct of the audit of SOLA's consolidated financial statements.

We received written disclosures and the letter from the independent accountants required by Independence Standards Board Standard No. 1 (Independence Discussions With Audit Committees) relating to their independence from SOLA, and we have discussed with PWC their independence from SOLA.

We considered whether PWC's non-audit services to SOLA are compatible with maintaining their independence from SOLA.

Based on the discussions we had with management and the independent accountants, the independent accountants' disclosures and letter to us, the representations of management to us and the report of the independent accountants, we recommended to the Board that SOLA's audited annual consolidated financial statements for fiscal year 2003 be included in SOLA's Annual Report on Form 10-K for the fiscal year ended March 31, 2003 for filing with the Securities and Exchange Commission.

We have engaged PWC as SOLA's independent accountants to audit and report on any consolidated financial statements of SOLA filed with the SEC during fiscal 2004.

Douglas D. Danforth, Chairman

Maurice J. Cunniffe

Jackson L. Schultz

**RELATIONSHIP WITH INDEPENDENT ACCOUNTANTS**

PricewaterhouseCoopers LLP has been SOLA's independent accountants since 1999. The Audit Committee has engaged PWC as our independent accountants for the fiscal year ending March 31, 2004. A representative of PWC will attend the Annual Meeting. The representative will have an opportunity to make a statement if he or she desires to do so and will be available to respond to appropriate questions.

**Audit Fees**

PWC billed us approximately \$850,000 and \$817,000 for professional services in connection with the audit of the annual financial statements included in our Annual Report on Form 10-K for the years ended March 31, 2003 and March 31, 2002, respectively, and the review of the financial statements included in our Quarterly Reports on Form 10-Q.

**Audit-Related Fees**

There were no audit-related fees in connection with assurance and related services by PWC that were related to the audit of the annual financial statements included in our Annual Reports for the years ended

**Table of Contents**

March 31, 2003 and March 31, 2002, respectively, and the review of the financial statements included in our Quarterly Reports on Form 10-Q.

**Tax Fees**

PWC billed us approximately \$15,000 and \$300,000 for professional services rendered in connection with tax return preparation and tax consulting for the years ended March 31, 2003 and March 31, 2002, respectively.

**All Other Fees**

In fiscal year 2003, there was \$25,000 in other fees billed by and paid to PWC. These fees related to other consulting services and are not expected to recur in the future. In fiscal 2002, PWC billed us approximately \$300,000 for professional services rendered in connection with our 11% Senior Note offering and other consulting services.

**Audit Committee Approval of Independent Accountants Services and Fees**

The Audit Committee has adopted a policy that requires the Audit Committee to pre-approve all audit and permitted non-audit services performed by SOLA's independent accountants to ensure that the performance of these services does not impair the independent accountants independence. The independent accountants are prohibited from providing certain non-audit services, such as management consulting services, financial and other information systems design and implementation, and internal auditing services. In addition, the Audit Committee has adopted a policy that the independent accountants will not be engaged to perform any non-audit-related tax services.

The Audit Committee approved all of the professional services that were performed by PWC during fiscal 2003, as well as the fees related to those services.

**SECTION 16(a) BENEFICIAL OWNERSHIP**

**REPORTING COMPLIANCE**

Section 16(a) of the Securities Exchange Act of 1934 requires that SOLA's executive officers, directors and 10% stockholders file reports of ownership and changes of ownership of SOLA common stock with the SEC and the New York Stock Exchange. Based on a review of the copies of these reports provided to us and written representations from executive officers and directors, we believe that all filing requirements were met during fiscal 2003, except that Mr. Danforth reported one transaction late. In a Form 4 filed on November 20, 2002, Mr. Danforth reported an open market purchase of 5,000 shares of SOLA common stock transacted on November 4, 2002.

**ANNUAL REPORT ON FORM 10-K**
