EMPLOYMENT AGREEMENTS

Collins Agreement. We entered into an employment agreement with John W. Collins effective as of January 30, 1998 (the Collins agreement) under which he serves as our Chief Executive Officer. The Collins agreement provides that Mr. Collins will receive a base salary of not less than \$265,000 per year. Mr. Collins base salary may be increased upon a periodic review by the board of directors or a board committee. In addition, Mr. Collins is entitled to incentive compensation as determined by the board of directors or a board committee based upon achievement of targeted levels of performance and such other criteria as the board of directors or a committee establishes from time to time, and an additional annual bonus as determined by the board of directors or a board committee. Mr. Collins may participate in our stock option plans and can receive health insurance for himself and his dependents, long-term disability insurance, civic and social club dues, use of an automobile

owned or leased by us and other benefits.

The Collins agreement has a term of three years and renews daily until either party fixes the remaining term at three years by giving written notice. We can terminate the Collins agreement upon his death or disability or for cause, and Mr. Collins can terminate his employment for any reason within a 90-day period beginning on the 30th day after any occurrence of a change in control or within a 90-day period beginning on the one-year anniversary of the occurrence of any change in control. Under the Collins agreement, a change in control means the occurrence during the term of the Collins agreement of

(a) an acquisition by any person, subject to certain exceptions, of 20% or more of the combined voting power of our voting securities,

(b) a change in the composition of our board such that the members of our board of directors as of the date of our initial public offering (the Incumbent Board) cease to constitute at least two-thirds of our board; provided, however, that any new director that is approved by a vote of at least two-thirds of the Incumbent Board shall be considered a member of the Incumbent Board; provided further, that no director appointed in connection with a threatened or actual proxy contest by someone other than our board shall be considered to be a member of the Incumbent Board; or

(c) approval by our stockholders of a merger, consolidation or reorganization (subject to a limited exception) or the complete liquidation or dissolution of the company or a sale of all or substantially all of our assets.

If Mr. Collins' employment is terminated after a change in control (a) by us without cause or otherwise in breach of the Collins agreement or (b) by Mr. Collins for any reason, we must pay him all accrued compensation and bonus amounts and one-twelfth of his annual base salary and bonus for each of 36 consecutive 30-days periods following the termination. In addition, we must continue life and health insurance for Mr. Collins until he reaches age 65, and his outstanding options to purchase common stock would vest and become immediately exercisable.

If Mr. Collins ceases to be our Chief Executive Officer for any reason other than by voluntary resignation, we must offer to repurchase all of the common stock he owns at a purchase price equal to the fair market value (as defined in the Collins agreement). Also, in the Collins agreement we granted, with respect to our shares of common stock, piggyback and, after any termination of employment, demand registration rights to Mr. Collins. Mr. Collins has further agreed to maintain the confidentiality of our trade secrets for a period of one year, if terminated for cause, and not to solicit our employees or customers.

Boggs Agreement. We entered into an employment agreement with G. Lynn Boggs effective as of February 19, 2002 (the Boggs agreement) under which he serves as our President. The Boggs agreement provides that Mr. Boggs will receive a base salary of not less than \$400,000 per year. The board or the Compensation Committee will review his salary at least annually. In addition, Mr. Boggs is entitled to incentive compensation as determined by the board of directors or a board committee based upon achievement of targeted levels of performance and such other

6

criteria as the board of directors or a committee establishes from time to time. In addition, our CEO, board or the Compensation Committee will annually consider Mr. Boggs' performance and determine if any additional bonus is appropriate. Mr. Boggs may participate in our stock option plans and may receive health insurance for himself and his dependents, long-term disability insurance, use of an automobile owned or leased by us and other benefits.

The Boggs agreement has a term of two years and renews each day for an additional day until either party fixes the remaining term at two years, without further automatic extension, by giving written notice. We can terminate the Boggs agreement upon his death or disability or for cause, and Mr. Boggs can terminate his employment for any reason within a 90-day period beginning on the 30th day after any occurrence of a change in control or within a 90-day period beginning on the one-year anniversary of the occurrence of any change in control. Under the Boggs agreement, a change in control means the occurrence during the term of the Boggs agreement of

(a) an acquisition by any person, subject to certain exceptions, of 34% or more of the combined voting power of our voting securities,

(b) a change in the composition of our board such that the members of our board of directors as of the date of our initial public offering (the Incumbent Board) cease to constitute at least a majority of our board; provided, however, that any new director that is approved by a vote of at least a majority of the Incumbent Board shall be considered a member of the Incumbent Board; provided further, that no director appointed in connection with a threatened or actual proxy contest by someone other than our board shall be considered to be a member of the Incumbent Board, or

Edgar Filing: INTERCEPT INC - Form 10-K/A

(c) approval by our shareholders of a merger, consolidation or reorganization (subject to a limited exception) or the complete liquidation or dissolution of the our company or a sale of all or substantially all of our assets.

If Mr. Boggs' employment is terminated after a change in control (a) by us without cause or otherwise in breach of the Boggs agreement or (b) by Mr. Boggs for any reason, we must pay him all accrued compensation and bonus amounts and one-twelfth of his annual base salary and bonus for each of the 24 consecutive 30-day periods following the termination. In addition, we must continue the life insurance, disability, medical, dental and other benefits provided to Mr. Boggs and his dependents for the two-year period following termination. Further, his outstanding options to purchase common stock would vest and become immediately exercisable notwithstanding that he has left our employment.

Pursuant to the Boggs agreement, the board approved the G. Lynn Boggs Stock Option Plan on April 16, 2002, and granted Mr. Boggs options to purchase 150,000 shares of our common stock at an exercise price of \$34.22 per share. Of these options, 50,000 vested on the date of grant, 50,000 vested on the first anniversary of the date of grant, and 50,000 vested on the second anniversary of the date of grant.

Fluitt Agreement. On March 1, 2004, we entered into an employment agreement with Randy Fluitt (the Fluitt agreement) under which he serves as an Executive Vice President. The Fluitt agreement provides that Mr. Fluitt will receive a base salary of not less than \$280,000 per year. Mr. Fluitt's base salary may be increased upon a periodic review by the Chief Executive Officer or the President, which increase may require the approval of the Compensation Committee. The Fluitt agreement has a term of two years that renews automatically at the end of each term unless earlier terminated by us or Mr. Fluitt, or because of Mr. Fluitt's death. We can terminate the Fluitt agreement upon his disability or for cause. If we terminate Mr. Fluitt's employment without adequate justification, we must pay him all accrued compensation and bonus amounts, and we must pay him one twelfth of his annual base salary and bonus for the greater of the number of months remaining under the term of his agreement or 12 months. In addition, his outstanding options to purchase common stock would vest and become immediately exercisable.

Meyerhoff Agreement. On February 1, 1998, we entered into an employment agreement with Scott R. Meyerhoff (the Meyerhoff agreement) under which he served as our Chief Financial Officer until the Meyerhoff

7

agreement was amended effective April 1, 2004 as described below. The Meyerhoff agreement initially provided that Mr. Meyerhoff would receive a base salary of not less than \$130,000 per year. Mr. Meyerhoff's base salary could be increased upon a periodic review by the board of directors or a board committee. The Meyerhoff agreement had a term of one year that renewed automatically at the end of each term unless earlier terminated by us or Mr. Meyerhoff.

On April 1, 2004, we entered into an amendment to the Meyerhoff agreement with Mr. Meyerhoff (the amended Meyerhoff agreement) whereby he resigned as our Senior Vice-President, Chief Financial Officer and Secretary. The amended Meyerhoff agreement provides that Mr. Meyerhoff is employed on a part-time basis to assist us with certain financial matters and the transition to a new chief financial officer. Pursuant to the amended Meyerhoff agreement, Mr. Meyerhoff will receive his current base salary, and his outstanding options to purchase common stock will continue to vest in accordance with the instruments governing those options. The amended Meyerhoff agreement has a term ending on December 31, 2004 unless earlier terminated because of the death or disability of Mr. Meyerhoff, or at our election. If we terminate Mr. Meyerhoff's employment for any reason prior to December 31, 2004, we must pay him a lump sum cash payment equal to the remaining compensation to which he would have been entitled had we employed him until December 31, 2004. In addition, Mr. Meyerhoff's outstanding options to purchase common stock would vest and become immediately exercisable.

Perry Agreement. We entered into an employment agreement with John M. Perry effective as of December 20, 2002 (the Perry agreement) under which he served as the Chief Executive Officer of InterCept Payment Solutions until March 24, 2004, when the Perry agreement was terminated as described below. The Perry agreement provided that Mr. Perry would receive a base salary of not less than \$400,000 per year. The board or the Compensation Committee would review his salary at least annually. In addition, Mr. Perry was entitled to incentive compensation with a target of 50% of base salary upon achievement of targeted levels of performance and such other criteria as the board of directors or a committee established from time to time. During the initial term of the Perry agreement, Mr. Perry was to receive a minimum bonus compensation of \$100,000, which we agreed to pay to Mr. Perry in equal quarterly installments beginning April 1, 2003. Under the Perry agreement, Mr. Perry was eligible to participate in our stock option plans and receive health insurance for himself and his dependents, long-term disability insurance and other benefits.

The Perry agreement had a term of two years and provided that it would automatically renew for two consecutive two-year terms unless earlier terminated by written notice not less than 90 days prior to the end of the term. We could terminate the Perry agreement upon his death or disability or for or without cause. Mr. Perry could terminate his employment for or without adequate justification with 60 days notice and for any reason within a 90-day period beginning on the 30th day after any occurrence of a change in control. If Mr. Perry's employment was terminated after a change in control (a) by us without cause or otherwise in breach of the Perry agreement or (b) by Mr. Perry for any reason, we were required to pay him all accrued compensation and bonus amounts and one-twelfth of his annual base salary and bonus for up to 24 consecutive 30-day periods following the termination. In addition, his outstanding options to purchase common stock were to vest and become

immediately exercisable notwithstanding that he had left our employment.

Pursuant to the Perry agreement, the board granted Mr. Perry options to purchase 150,000 shares of our common stock at an exercise price of \$16.56 per share. Of these options, 50,000 vested on the date of grant, 50,000 vested on the first anniversary of the date of grant, and 50,000 would have vested on the second anniversary of the date of grant if Mr. Perry had remained an employee.

On March 24, 2004, we entered into a mutual release with Mr. Perry. Under the Perry release, we paid Mr. Perry \$500,000 consisting of a bonus of \$400,000 related to the sale of our merchant services division and a pro-rata annual bonus of \$100,000. Pursuant to the Perry release, we fully released Mr. Perry, and Mr. Perry fully released us, from any and all legal or administrative proceedings with respect to any matter whatsoever relating to the Perry agreement and Mr. Perry's performance of services thereunder, occurring or taking place on or before March 24, 2004. Notwithstanding the Perry release, the provisions of the Perry agreement relating to protection of trade secrets

and confidential information and non-solicitation and related matters remain in effect. Also under the Perry release, we agreed to indemnify Mr. Perry against any third-party claims brought against us, where Mr. Perry is named as a party to the claim. Mr. Perry's options expired on April 23, 2004.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

During 2003 and until February 2004, our Compensation and Stock Option Committee was composed of Jon R. Burke, Boone A. Knox and John D. Schneider, Jr. The current members of our Compensation and Stock Option Committee are Mr. Schneider, Arthur G. Weiss and Mark Hawn. During 2003:

- o none of our other executive officers was a director of another entity where one of that entity's executive officers served on InterCept's Compensation and Stock Option Committee,
- o no member of the Compensation and Stock Option Committee was an officer or employee of InterCept or any of its subsidiaries,
- o no member of the Compensation and Stock Option Committee entered into any transaction with InterCept in which the amount involved exceeded \$60,000,
- o none of our executive officers served on the compensation committee of any entity where one of that entity's executive officers served on InterCept's Compensation and Stock Option Committee, and
- o none of our executive officers served on the compensation committee of another entity where one of that entity's executive officers served as a director on InterCept's board.

During 2003, our Compensation and Stock Option Committee did not meet. John W. Collins, our Chairman and Chief Executive Officer, and Lynn Boggs, our President and Chief Operating Officer, participated in informal discussions with our board regarding executive officer compensation.

DIRECTOR COMPENSATION

We pay each director \$1,000 for in-person attendance at any meeting for their services as our directors, \$250 for attendance via telephone for meetings lasting 30 minutes or less and \$500 for attendance via telephone for meetings lasting over 30 minutes. Upon initial election to the board of directors, each non-employee director who beneficially owns less than 4% of our outstanding common stock on the date of his election to the board of directors receives options to acquire 35,000 shares of common stock, 11,667 of which vest immediately and the remainder of which vest ratably on the first and second anniversaries of such initial election. In addition, on each anniversary date of a director's initial election to the board of directors, each director receives a grant of options to acquire 10,000 shares of common stock that vest on the date of grant. On the fifth anniversary, each director receives a grant of options to acquire 35,000 shares of common stock, 11,667 of which vest immediately and the remainder of which vest ratably on the first and second anniversaries of such grant. The exercise price of these options is equal to the fair market value of the common stock on the date of grant. Each director option expires ten years after the date of grant, unless canceled sooner as a result of termination of service or death, or unless the option is fully exercised before the end of the option period. Directors may be reimbursed for out-of-pocket expenses incurred in attending meetings of the board of directors or its committees and for other expenses

incurred in their capacity as directors.

ITEM 12. SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT AND RELATED STOCKHOLDER MATTERS.

The following table provides certain information as of April 15, 2004 regarding the beneficial ownership of our common stock by: (a) each of our directors; (b) each named executive officer (other than Mr. Meyerhoff, who is no longer an officer, and Mr. Perry, who is no longer an officer or employee); (c) each person known to us to be the beneficial owner of more than 5% of our common stock; and (d) all of our directors and executive officers as a group. The information in the table is based on information from the named persons regarding their ownership of our common stock, except that information regarding 5% owners other than Mr. Collins is based on Schedules 13G filed with the SEC in February 2004 by those entities, provided that information about JANA Partners LLC is based on a Schedule 13D it filed in April 2004. Unless otherwise indicated, each of the holders listed below has sole voting power and investment power over the shares beneficially owned and each person listed below as one of our executive officers or directors has an address in care of our principal office. The table also includes information regarding the ownership of our Series A preferred stock.

For purposes of this table, a person or group of persons is deemed to have beneficial ownership of any shares that the person or group has the right to acquire within 60 days after April 15, 2004 or with respect to which the person otherwise has or shares voting or investment power. For purposes of computing the percentages of outstanding shares held by each person or group of persons on a given date, shares which that person or group has the right to acquire within 60 days after that date are deemed to be outstanding for purposes of computing the percentage for that person or group but are not deemed to be outstanding for the purpose of computing the percentage of any other person or group. The Shares Owned column in the table includes the shares owned by the persons named but does not include shares they may acquire by exercising options. The numbers shown in the Vested Options column include options that were vested as of April 15, 2004 and options that are scheduled to vest during the 60 days following April 15, 2004. On April 15, 2004, the following securities were outstanding: (a) 20,287,895 shares of our common stock, (b) 100,000 shares of our Series A Preferred Stock, and (c) options to purchase 4,134,205 shares of common stock.

EQUITY COMPENSATION PLANS

The following table provides information as of December 31, 2003 about shares of our common stock that may be issued upon the exercise of options and other rights under our existing equity compensation plans and arrangements, divided between plans approved by our shareholders and plans or arrangements not submitted to our shareholders for approval. The information includes the number of shares covered by, and the weighted average exercise prices of, outstanding options and other rights and the number of shares remaining available for future grants excluding the shares to be issued upon exercise of outstanding options, warrants and other rights.

Edgar Filing: INTERCEPT INC - Form 10-K/A

- (1) Includes 257,793 shares that may be issued under our 2001 Employee Stock Purchase Plan. As of December 31, 2003, a total of 242,207 shares had been issued under the 2001 Employee Stock Purchase Plan.
- (2) Effective as of October 31, 2002, our board of directors determined that no additional options would be issued under our Amended and Restated 1996 Stock Option Plan. As of December 31, 2002: 3,561,043 options were issued, 449,043 have been exercised and 2,804,565 are outstanding under the Amended and Restated 1996 Stock Option Plan.
- (3) Subject to the annual increases described in the following sentence, the maximum number of shares of common stock that can be subject to outstanding options under our 2002 Stock Option Plan (which our shareholders approved on May 22, 2002), determined immediately after the grant of any option, is currently 895,095 shares, subject to certain adjustments for stock splits and similar matters. The 2002 Plan provides that the number of shares of common stock available for issuance under it is automatically increased on the first trading day of each calendar year by 3% of the number of shares outstanding on the preceding trading day. Shares of common stock that are attributable to awards that have expired, terminated, or been canceled or forfeited during any calendar year are available for issuance or use in connection with future awards.
- (4) Because we sold our merchant services division in March 22, 2004, no more options can be granted under the 2002 Acquisitions Stock Option Plan, and the 256,500 options outstanding under that plan will terminate 90 days after that date.

Summary of Material Features of Equity Compensation Plans Not Approved by Security Holders

InterCept has two equity compensation plans that have not been approved by shareholders: the 2002 Acquisitions Stock Option Plan and The G. Lynn Boggs 2002 Stock Option Plan. The material terms of each plan are described under the applicable heading below.

12

2002 Acquisitions Stock Option Plan

The board of directors approved InterCept's 2002 Acquisitions Stock Option Plan effective as of April 16, 2002. The persons eligible to participate in the 2002 Acquisitions Plan are former employees of, or consultants to, Internet Billing Company, Ltd., InterCept Payment Solutions, Inc. (formerly Electronic Payment Exchange, Inc.) or their affiliates. Because we sold our merchant services division in March 22, 2004, no more options can be granted under the 2002 Acquisitions Stock Option Plan, and the 256,500 options outstanding under the plan will terminate 90 days after that date.

Options granted under the 2002 Acquisitions Plan are not transferable other than:

- (a) by will or the laws of descent and distribution;
- (b) pursuant to a qualified domestic relations order; or
- (c) as otherwise provided by the compensation committee.

During the lifetime of an optionee, options can be exercised only by the optionee (or by the optionee's guardian or legal representative, should one be appointed).

The only awards that may be issued under the 2002 Acquisitions Plan are nonqualified stock options. Generally, a participant is not taxed on the grant of a non-qualified option. Upon exercise, however, the participant recognizes ordinary income equal to the difference between the option exercise price and the fair market value of the shares on the date of the exercise. We are entitled to an income tax deduction in the year of exercise in the amount recognized by the participant as ordinary income. Any gain on subsequent disposition of the shares is long term capital gain if the shares are held for at least one year following exercise. We do not receive an income tax deduction for this gain. (The foregoing discussion of the federal income tax consequences of the 2002 Acquisitions Plan is intended to be a summary of applicable federal income tax law. State and local tax consequences may differ.)

During an optionee's employment with or service to InterCept and for a period of 24 months following the date of termination of employment or service, the optionee cannot, on the optionee's own behalf or in the service or on behalf of others:

- (a) solicit, divert, or appropriate to or for, or attempt to solicit, divert, or appropriate to or for, a competing business, any person or entity that was a customer of InterCept on the date of termination and with whom the optionee had direct material contact within 12 months of

the optionee's last date of employment or service; or

(b) solicit, divert, or hire away, or attempt to solicit, divert, or hire away, any employee of InterCept, regardless of whether the employee is full-time or temporary, the employment is pursuant to written agreement, or the employment is for a determined period or is at will.

If the optionee violates either of these covenants, then the optionee's rights under any options outstanding under the 2002 Acquisitions Plan will be forfeited and terminated, subject in each case to a determination to the contrary by the stock option committee.

As of December 31, 2003, the maximum number of shares of common stock reserved for issuance under the 2002 Acquisitions Plan was 600,000, and 493,500 shares were available for grant. Shares of common stock that are attributable to awards that have expired, terminated, or been canceled or forfeited during any calendar year are available for issuance or use in connection with future awards during such calendar year. The 2002 Acquisitions Plan will remain in effect until the board of directors terminates it, which it may do at any time. No termination,

13

amendment, or modification of the 2002 Acquisitions Plan can affect adversely the optionee's rights under an outstanding stock option agreement without the consent of the optionee or his or her legal representative.

The G. Lynn Boggs 2002 Stock Option Plan

The board of directors approved The G. Lynn Boggs Stock Option Plan effective as of April 16, 2002. The sole person eligible to participate in the Boggs Plan is G. Lynn Boggs, our President and Chief Operating Officer. Awards under the Boggs Plan were granted by a compensation committee composed of two independent directors of the board of directors. As of December 31, 2003, the maximum number of shares of common stock reserved for issuance under the Boggs Plan was 150,000, and no shares were available for grant. If Mr. Boggs is terminated from his employment or other service to InterCept or its subsidiaries for cause, as defined in his employment agreement, his options, whether vested or unvested, will terminate immediately and will not thereafter be exercisable. Mr. Boggs's options are not transferable other than:

- (a) by will or the laws of descent and distribution;
- (b) pursuant to a qualified domestic relations order; or
- (c) as otherwise provided by the compensation committee.

During Mr. Boggs's lifetime, options can be exercised only by him (or by his guardian or legal representative, should one be appointed).

The stock options issued under the Boggs Plan are nonqualified stock options. The federal income tax consequences of the granting and exercise of stock options under the Boggs Plan are as described above for options granted and exercised under the 2002 Acquisitions Plan.

The Boggs Plan prohibits, in the same manner as the 2002 Acquisitions Plan described above, the solicitation of customers and employees by Mr. Boggs after his employment is terminated.

The Boggs Plan will remain in effect until the board of directors terminates it, which it may do at any time. The board may also, at any time and from time to time and in any respect, amend the Boggs Plan without the consent of the shareholders of InterCept; provided, however, that the board may not amend the Boggs Plan:

- (a) to increase the total number of shares of stock issuable under the Boggs Plan;
- (b) to permit options to be granted to anyone other than Mr. Boggs; or
- (c) otherwise to materially increase the benefits accruing to Mr. Boggs as the holder of options under the Boggs Plan.

No termination, amendment, or modification of the Boggs Plan can affect adversely Mr. Boggs's rights under his outstanding stock option agreement without the consent of Mr. Boggs or his legal representative.

ITEM 13. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS.

Glenn W. Sturm, one of our directors, is a partner in the law firm of Nelson Mullins Riley & Scarborough, L.L.P. We retained Nelson Mullins to provide various legal services to InterCept during 2003 and have retained Nelson Mullins to provide various legal services to us in 2004. The amount paid to Nelson Mullins for services rendered to us in 2003 did not exceed 5% of Nelson Mullins' gross revenues in 2003.

14

Denise C. Saylor, a Senior Vice President, is the daughter of John W. Collins, our Chief Executive Officer and Chairman of our Board of Directors. For 2003, Ms. Saylor received a salary of \$175,000. Ms. Saylor's husband, David W. Saylor, is a Commissioned Sales Representative with InterCept and received aggregate salary and commissions of \$238,776 in 2003.

We paid \$49,000 to W-II Investments, Inc. as reimbursement for use of a W-II Investments aircraft for business travel during fiscal 2003. Payment was based on the average incremental cost of operating that type of aircraft. Each of Mr. John W. Collins, our Chief Executive Officer and Chairman of our Board of Directors, and Glenn W. Sturm, a director, owns 50% of W-II Investments, Inc.

ITEM 14. PRINCIPAL ACCOUNTANT FEES AND SERVICES.

Deloitte & Touche LLP has served as our independent auditors since July 2002. Previously, Arthur Andersen LLP had served as our independent public accountants from 1997 until July 18, 2002, when we dismissed Andersen as our independent public accountants. Our board of directors approved the decision to dismiss Andersen, upon recommendation of the Audit Committee.

Because Andersen was dismissed during the year 2002, Andersen did not issue a report on our financial statements for 2002 or 2003. During 2002 through the date of our dismissal of Andersen, there were:

- (a) no disagreements with Andersen on any matter of accounting principle or practice, financial statement disclosure, or auditing scope or procedure which, if not resolved to Andersen's satisfaction, would have caused them to make reference to the subject matter in connection with their reports on our consolidated financial statements for those years; and
- (b) no reportable events as defined in Item 304(a)(1)(v) of Regulation S-K.

We provided Andersen with a copy of the foregoing disclosure and requested that they furnish a letter addressed to the Securities and Exchange Commission stating whether they agree with the above statements. A representative from Andersen advised us that Andersen is no longer in a position to provide letters relating to its termination as a former audit client's independent public accountant and that Andersen's inability to provide such letters has been discussed with the SEC staff.

As of July 18, 2002, we engaged Deloitte & Touche to serve as our new independent auditors for the 2002 fiscal year. During each of fiscal year 2000 and fiscal year 2001 and through the date of our engagement of Deloitte & Touche, we did not engage Deloitte & Touche with respect to the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on our consolidated financial statements, or any other matters or reportable events as set forth in Items 304(a)(2)(i) and (ii) of Regulation S-K.

Fees Paid to Independent Auditors/Public Accountants

As noted above, Deloitte & Touche has served as our independent auditors since July 18, 2002. Previously, Andersen had served as our independent public accountants from 1997 until that date.

Audit Fees.

Audit Fees for 2003. Deloitte & Touche billed aggregate fees of \$430,912 for professional services rendered for the audit of our 2003 annual financial statements, and for the reviews of the financial statements included in our Quarterly Reports on Form 10-Q for that fiscal year.

15

Edgar Filing: INTERCEPT INC - Form 10-K/A

Audit Fees for 2002. Andersen billed us \$7,500 during the first quarter of 2002 for professional services related to the then-planned audit of our annual financial statements for the 2002 year, and for the reviews of the financial statements included in our Quarterly Report on Form 10-Q for the first quarter of 2002. Deloitte & Touche billed aggregate fees of \$245,300 for professional services rendered for the audit of our 2002 annual financial statements, and for the reviews of the financial statements included in our Quarterly Reports on Form 10-Q for the second and third quarters of 2002.

Audit-Related Fees.

Audit-Related Fees for 2003. Deloitte & Touche billed aggregate fees of \$23,000 for professional services rendered that were reasonably related to the performance of the audit of our 2003 financial statements, but which are not reported above. These fees relate primarily to the audits of employee benefit plans.

Audit-Related Fees for 2002. Andersen billed aggregate fees of \$140,970 for professional services rendered that were reasonably related to the performance of the audit of our 2002 financial statements, but which are not reported above. These other fees relate primarily to due diligence and audit activities associated with businesses we acquired in 2001 and 2002. Deloitte & Touche billed aggregate fees of \$169,175 for professional services reasonably related to the performance of the audit of our 2002 financial statements, but which are not reported in the previous paragraph. These fees relate primarily to the audits of employee benefit plans and additional due diligence and audit activities associated with businesses we acquired in 2002.

Tax Fees.

Tax Fees for 2003. Deloitte & Touche billed aggregate fees of \$185,685 for professional services rendered related to tax compliance, tax advice, and tax planning for 2003. These fees included \$77,905 in tax compliance fees for services including review of federal returns, sales and use tax outsourcing, preparation of taxability matrix for sales taxes, and preparation of returns for the employee benefit plans, and \$107,780 related to tax consulting for federal and state tax advice on the structuring of the disposition of our merchant services division.

Tax Fees for 2002. Andersen billed aggregate fees of \$43,645 for professional services rendered related to tax compliance, tax advice, and tax planning for 2002. Deloitte & Touche billed aggregate fees of \$20,975 for professional services rendered related to tax compliance, tax advice, and tax planning for 2002.

All Other Fees.

All Other Fees for 2003. For 2003, Deloitte & Touche billed us no fees other than for the services described above.

All Other Fees for 2002. The aggregate fees billed by Deloitte & Touche for services rendered to us during 2002, other than for the services described above, were \$58,164. These other fees relate primarily to audit activities related to valuation analysis of acquired businesses. For 2002, Andersen billed us no fees other than for the services described above.

Our Audit Committee has decided not to adopt a pre-approval policy for services performed by our independent auditors. Instead, as permitted by applicable law, our Audit Committee approves the engagement of our independent auditors to render audit or non-audit services before each such engagement. Our Audit Committee may, however, adopt a pre-approval policy in the future if it deems a pre-approval policy to be appropriate for us. Our Audit Committee did not rely upon the exception to the pre-approval requirements provided in SEC Rule 2-01(c)(7)(i) for non-audit services constituting no more than 5% of the amount we paid to Deloitte & Touche in 2003.
