## Report of Independent Registered Public Accounting Firm

Benefits Committee  
The Provident Bank:

We have audited the accompanying statements of net assets available for plan benefits of The Incentive Savings Plan for the Employees of First Savings Bank (the "Plan") as of December 31, 2004 and 2003, and the related statements of changes in net assets available for plan benefits for the years then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for plan benefits of The Incentive Savings Plan for the Employees of First Savings Bank as of December 31, 2004 and 2003, and the changes in net assets available for plan benefits for the years then ended in conformity with U.S. generally accepted accounting principles.

Our audits were performed for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplementary schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the 2004 basic financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in the audit of the 2004 basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the 2004 basic financial statements taken as a whole.

THE INCENTIVE SAVINGS PLAN FOR THE  
EMPLOYEES OF FIRST SAVINGS BANK

Notes to Financial Statements

December 31, 2004 and 2003

(1) General

The Incentive Savings Plan for the Employees of First Savings Bank (the "Plan"), a participant-directed, defined contribution plan, is a voluntary savings plan available to all eligible employees of First Savings Bank (the "Bank"). The Bank was a wholly-owned subsidiary of First Sentinel Bancorp, Inc, which was acquired by Provident Financial Services, Inc. on July 14, 2004. Upon completion of the acquisition, the Bank was merged with and into The Provident Bank.

The accompanying financial statements have been prepared on an accrual basis. Purchases and sales of investments are recorded on a trade-date basis.

A number of estimates and assumptions have been made relating to the reporting of assets and liabilities, related increases and decreases in such amounts, and the disclosure of contingent assets and liabilities in order to prepare these financial statements in conformity with accounting principles generally accepted in the United States of America. Actual results could differ from those estimates.

The assets of the Plan are primarily financial instruments which are monetary in nature. As a result, interest rates have a more significant impact on the Plan's performance than do the effects of general levels of

## Edgar Filing: PROVIDENT FINANCIAL SERVICES INC - Form 11-K

inflation. Interest rates do not necessarily move in the same direction or in the same magnitude as the prices of goods and services as measured by the consumer price index. Investments are subject to risk conditions of the individual fund objectives, the stock market, interest rates, economic conditions and world affairs. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect member's account balances and the amounts reported in the statement of net assets available for benefits.

All contributions are invested in a trust fund managed by Merrill Lynch, with oversight from a committee consisting of at least three members of the Board of Directors of the Bank. Contributions to the Plan were suspended upon the July 14, 2004 merger of the Bank with and into The Provident Bank. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

### (2) Plan Description

The following description of the Plan provides only general information. Eligible employees who participate ("members") should refer to the plan agreement for a more complete description of the Plan's provisions.

#### Eligibility

Employees over age 21 and working at least 1,000 hours are eligible to participate in the Plan on the first day of each calendar quarter following the completion of one year of service, as defined.

#### Employee Contributions

A member may make basic contributions to the Plan, through payroll deductions, of any whole percentage from 2% to 15% of the member's compensation, as defined, up to certain limitations.

#### Notes to Financial Statements

December 31, 2004 and 2003

#### Bank Contributions

In 2004 and 2003, the Bank matched 25% of a member's basic contribution, up to 6% of that member's compensation, as defined. Bank contributions are funded biweekly. At its discretion, the Bank may make an additional contribution to the Plan as of the end of a plan year in an amount determined by the Bank. For the years ended December 31, 2004 and 2003, the Bank elected not to make an additional discretionary match.

#### Vesting

All member contributions, employer contributions and income or loss thereon are fully vested at all times.

#### Withdrawals

Edgar Filing: PROVIDENT FINANCIAL SERVICES INC - Form 11-K

Money can be withdrawn from the Plan when a member reaches age 59-1/2, terminates employment, dies, becomes disabled or experiences financial hardship, as defined.

Benefit Payments

Upon termination of employment, a member's vested amount under the Plan is generally paid in a lump-sum distribution. The benefit to which a member is entitled is the benefit that can be provided from a member's account.

Members' Accounts

Each member's account is credited with the member's contribution, the appropriate amount of the Bank's contribution and an allocation of the Plan's earnings or losses. Allocations are based on the member's relative contribution to the individual funds.

Loans to Members

Members are permitted to borrow from the Plan as defined in the plan document. In no event shall the loan exceed the lesser of: (a) \$50,000, reduced by the highest loan balance outstanding during the one-year period ending on the day before the date on which the new loan is granted; or (b) 50% of the member's vested amount under the Plan on the date the loan is granted. Interest shall be charged thereon at a rate for similar loans in the Bank's portfolio and the loan shall be repaid by payroll deduction or in a manner determined by the plan sponsor, but not less frequently than quarterly.

Investments

Contributions to the Plan by a member and by the Bank will be invested at the member's direction in various types of investments, as determined by the trust fund committee, such as mutual funds and First Sentinel Bancorp, Inc.'s common stock. Loans to members are carried at cost plus accrued interest. Mutual funds and common stock are carried at fair value. Fair value is determined by quoted market prices.

	-----	-----
Net investment income	\$ 720,805	5,507,065
	=====	=====

#### (4) Plan Expenses

Administrative expenses of the Plan may be paid in whole or in part by the Bank at its discretion, and any expenses not paid by the Bank shall be paid by the Plan out of the principal or income of the trust fund. All administrative expenses for the years ended December 31, 2004 and 2003 were paid by the Bank.

#### (5) Plan Termination

The Plan has no termination date, however, the Bank may terminate, amend or modify the Plan at any time that it may deem advisable. In the event of the termination of the Plan, an appraisal of the trust fund shall be made and, after deducting termination expenses, the members will be paid their vested amounts.

On July 14, 2004, First Sentinel Bancorp, Inc. was acquired by Provident Financial Services, Inc. In connection with the merger, the Plan is expected to be merged into The Provident Bank's Employee Savings Incentive Plan prior to December 31, 2005.

#### (6) Income Taxes

The Plan obtained its latest determination letter dated February 25, 2005, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). Plan management believes that the Plan is currently designed and being operated in compliance with the applicable

requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

(7) Related Party Transactions

Certain Plan investments are managed by Merrill Lynch. Merrill Lynch is the trustee as defined by the Plan. In addition, the Plan invests in the stock of First Sentinel Bancorp, Inc. and provides loans to its members. These transactions qualify as party-in-interest transactions.
