ITEM 5. OTHER EVENTS

On October 15, 2002, the stockholders of Talk America Holdings, Inc. (the "Company") approved an amendment to the Company's Amended and Restated Certificate of Incorporation to effect a one-for-three reverse stock split of the Common Stock of the Company ("Reverse Split"). The Reverse Split was effective as of 5:00 pm, EDT on October 15, 2002 ("Effective Date"). Pursuant to the Reverse Split, each holder of three shares of Company common stock, par value \$0.01 per share ("Old Company Common Stock"), immediately prior to the Effective Date became the holder of one share of Company common stock, par value \$0.01 per share ("New Company Common Stock") after the Effective Date. As a result, 27,273,344 shares of Common Stock and no shares of preferred stock were outstanding immediately following the Effective Date. Following the Reverse Split, the Company has 100 million shares of authorized Common Stock, par value \$.01 per share and 5 million shares of authorized preferred stock.

Commencing on the Effective Date, each certificate formerly representing shares of Old Company Common Stock will be deemed for all corporate purposes to evidence ownership of the reduced number of shares of New Company Common Stock resulting from the Reverse Split. As soon as practicable after the Effective

Date, Company stockholders will be notified of the effectiveness of the Reverse Split and instructed as to how and when to surrender their certificates representing shares of Old Company Common Stock in exchange for certificates representing shares of New Company Common Stock. No certificates representing fractional share interests in the New Company Common Stock will be issued and no such fractional share interests will entitle the holder thereof to any rights as a stockholder of Company. In lieu of such fractional share interests, each holder of Old Company Common Stock who would otherwise be entitled to receive a fractional share of New Company Common Stock will be paid cash by First City Transfer Company, which will act as the exchange agent for the Reverse Split. Such exchange agent will pool fractional share interests, sell them on behalf of the stockholders otherwise entitled to them and return the appropriate pro rata share of the proceeds to holders of fractional share interests.

For a period of 20 trading days beginning on October 16, 2002, the Company's NASDAQ symbol "TALK" will be appended with the letter "D" to alert the trading community of the Reverse Split.
