Forward-Looking Statements

This Report on Form 6-K contains forward-looking statements, including projections about our business, within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. For example, statements in the future tense, and statements including words such

as "expect", "plan", "estimate", "anticipate", or "believe" are forward-looking statements. These statements are based on information available to us at the time of the Report; we assume no obligation to update any of them. The statements in this Report are not guarantees of future performance and actual results could differ materially from our current expectations as a result of numerous factors, including the failure of the Company to satisfy the conditions imposed by the Nasdaq Listing Qualifications Panel for the continued listing of Commtouch shares on The Nasdaq SmallCap Market; business conditions and growth or deterioration in the Internet market, commerce and the general economy both domestic as well as international; fewer than expected new-partner relationships; competitive factors including pricing pressures; technological developments, and products offered by competitors; availability of qualified staff for expansion; and technological difficulties and resource constraints encountered in developing new products as well as those risks described in the Company's Annual Reports on Form 20-F and reports on Form 6-K, which are available through www.sec.gov.

Purpose of this Report

Attached as Exhibit 99.1 to the Company's Form 6-K filed with the Securities and Exchange Commission ("SEC") on November 5, 2004 (the "Prior Form 6-K") is a press release summarizing certain Nasdaq Listing Qualifications Panel ("Panel") requirements relating to continued listing of the Company's Ordinary Shares on The Nasdaq SmallCap Market. Included in that summary is the requirement of a filing by December 15, 2004 with the SEC and Nasdaq of an unaudited balance sheet no older than 60 days, on a proforma as adjusted basis for any significant events or transactions occurring subsequent to the date of the balance sheet (but before the date of this filing), evidencing compliance with the \$2.5 million shareholders' equity requirement.

The Company believes that the filing of this Form 6-K, inclusive of the pro forma balance sheet set forth below, is sufficient to meet the above described Nasdaq requirement. However, the Company remains subject to the Panel's hearings exception until the Company has demonstrated an ability to sustain compliance with the minimum shareholders' equity requirement over the long term.

Description of Transactions Resulting in Proforma Adjustment

On October 31, 2004, Commtouch entered into two transactions: 1) a Securities Purchase Agreement ("SPA") for the sale of 6.38 million Series A Preferred Shares to new and existing investors of Commtouch for \$3.19 million at a purchase price of \$0.50 per share and 2) a Redemption, Amendment and Exchange Agreement ("RAE"), pursuant to which the Company and note holders under the convertible loan transaction of November 2003 agreed that the Company would make an early repayment of the \$3 million (plus interest) loan, issue approximately 3.3 million warrants and 900,000 Series A Preferred Shares in exchange for the note holders' agreement to allow for the early repayment of the loan, removal of security interests and waivers of certain rights. A more detailed summary of the provisions of the SPA and RAE transactions is included in the Prior Form 6-K filing.

The SPA and RAE transactions were subject to certain closing conditions, including the approval of shareholders. On December 6, 2004, the Company's shareholders approved the two transactions, as well as related amendments to the Company's Amended and Restated Articles of Association. Coupled with the satisfaction of all other closing conditions, this enabled the parties to call a closing of the transactions on December 9, 2004.
