Minutes of a meeting of the Board of Directors
Held on November 12, 2007

1. Date, Time and Location. Held on November 12, 2007 at 3 p.m. at Rua Antonio Carlos, Nº 434, in the City of São Paulo, in the State of São Paulo.
2. Convening and Presence. Duly convened and assembled, with the presence of (including participants by telephone) Mrs. Pedro Wongtschowski, André Covre, Eduardo de Toledo, José Roberto Opice, Roberto Kutschat Neto and José Afonso Alves Castanheira, members of the Board of Directors of Distribuidora de Produtos de Petróleo Ipiranga (“DPPI”) in accordance with Articles 9 and 10 of the DPPI’s bylaws. Present also, under the terms of Article 163, §3º of Law Nº 6.404/76, were members of the Fiscal Council of DPPI, Mrs. Ubaldo Evangelista Neto, Carlos Mello and Eliana Chimenti, the executive officers of DPPI, Srs. Leocadio de Almeida Antunes Filho and Sergio Roberto Weyne Ferreira da Costa, and representatives of KPMG Independent Auditors (“KPMG”), Banco de Investimentos Credit Suisse (Brasil) S.A. (“Credit Suisse”) Apsis Consultoria Empresarial S/C Ltda. (“Apsis”), Mrs. Alexandre Heinerman, Marco Gonçalves and Luiz Paulo César Silveira, respectively.
3. Presiding at the Board. Pedro Wongtschowski - Chairman and André Covre - Secretary.
4. Deliberated Matters. The Presiding Chairman announced that the object of the meeting was to deliberate on the exchange of shares issued by DPPI by Ultrapar Participações S.A. (“ULTRAPAR”) (“Share Exchange”). The members of the Board of Directors recognized that the Share Exchange is of the interest of DPPI, which will be strengthened together with the other companies of the Ipiranga Group, and their shareholders, in order to simplify the corporate structure of the Ipiranga Group, concentrating all the shareholders into one publicly-traded company, aligning the interests of all the shareholders, increasing market capitalization and share liquidity, and participating in a company recognized for its high corporate governance standards. After the presentation of the necessary clarifications by the Executive Officers, the members of the Board of Directors examined and discussed the documents sent by the Executive Officers, including the “Protocol and Justification for the Exchange of Shares issued by Distribuidora de Produtos de Petróleo Ipiranga S.A. by Ultrapar Participações S.A.” and the documents referred to therein. In particular, considering the position of certain minority shareholders in relation to the intended Share Exchange, they carefully examined and discussed the results of the valuation reports prepared by Deutsche Bank Securities Inc. (“Deutsche Bank”) and Credit Suisse according to which DPPI and ULTRAPAR were evaluated in order to establish the exchange ratio between the shares of DPPI and ULTRAPAR. Although the members of the Board had previously discussed with Credit Suisse, they requested additional clarification to Credit Suisse representatives related to the

final version of the document. Subsequently, the members of the Board inquired the representatives of Credit Suisse, Apsis and KPMG if they, as specialists on this subject, considered all the pertinent legal requirements on the elaboration of their respective valuation reports, in particular Brazilian Corporate Law, regulations of the CVM (Brazilian Securities and Exchange Commission) and generally accepted accounting practices, to which the representatives of the three companies each individually confirmed the complete conformity of their respective valuation reports to the legal precepts applicable, with the representatives of Credit Suisse in addition confirming, based on the valuation report that they prepared, that the exchange ratio offered for the Share Exchange, is adequate. Based on this examination and discussion and also considering the discussion at the meeting of the Board of Directors on November 6, 2007, during which the representatives of Credit Suisse answered to queries and clarified questions of the members present, in accordance with the minutes of such meeting, the members concluded, in their best judgement, that these valuation reports were prepared according to the concepts and assumptions which these banks used freely and independently in the exercising of their tasks. Thus, exercising their fiduciary duty in the fulfilment of their responsibilities, under the terms of articles 153, 154 and 155 of Law N° 6.404/76, and having verified that the documents referred to below and the Share Exchange conform to legal and statutory requirements, decided to submit the proposal for the Share Exchange to the approval of the shareholders of DPPI, under the terms and conditions of the “ Protocol and Justification for the Exchange of Shares issued by Distribuidora de Produtos de Petróleo Ipiranga S.A by Ultrapar Participações S.A.”, and its annexes, signed by the executive officers of DPPI and ULTRAPAR on November 9, 2007. The Board of Directors authorised the Executive Officers to provide the publication of the relevant notice and Convening Notice for the convening of an Extraordinary Shareholders Meeting to deliberate on the Share Exchange, as well as practice all the necessary acts to implement these operation. Given the previous deliberations, the Board of Directors decided to convene the Special Shareholders Meeting to deliberate and approve the intended Share Exchange, for December 18, 2007.

5. Quorum for deliberations: All the deliberations above were voted on and approved unanimously.
6. Closing of the meeting. The Presiding Chairman, having offered the opportunity for any party to pronounce, none having done, declared the meeting closed, the minutes of which being duly transcript, read and approved by all those present undersigned.
