PROXY STATEMENT

2015 ANNUAL MEETING OF STOCKHOLDERS
NOVEMBER 2, 2015

GENERAL

This Proxy Statement is being furnished to the stockholders of CINEDIGM CORP. (the “Company”) in connection with the solicitation of proxies by the Board of Directors of the Company (the “Board”). The proxies are for use at the 2015 Annual Meeting of Stockholders of the Company to be held on Monday, November 2, 2015, at 2:00 p.m., local time, or at any adjournment thereof (the “Annual Meeting”). The Annual Meeting will be held at the offices of Kelley Drye & Warren LLP, 10100 Santa Monica Boulevard, Suite 2300, Los Angeles, California 90067. The Company’s telephone number is (212) 206-8600.

The shares represented by your proxy will be voted at the Annual Meeting as therein specified (if the proxy is properly executed and returned, and not revoked).

The shares represented by your proxy will be voted as indicated on your properly executed proxy. If no directions are given on the proxy, the shares represented by your proxy will be voted:

FOR the election of the director nominees named herein (Proposal One), unless you specifically withhold authority to vote for one or more of the director nominees, if you are a record holder of your shares. If you hold your shares through a broker in “street name,” your broker will not be allowed to vote on Proposal One unless you direct your broker as to such vote.

FOR authorizing an amendment to the Company’s Certificate of Incorporation to effect a reverse stock split and to reduce the number of authorized shares of the Company’s Class A Common Stock, subject to the Board’s discretion (Proposal Two).

FOR the approval of the non-binding advisory vote on executive compensation (Proposal Three).

FOR ratifying the appointment of EisnerAmper LLP as our independent registered public accounting firm for the fiscal year ending March 31, 2016 (Proposal Four).

The Company knows of no other matters to be submitted to the Annual Meeting. If any other matters properly come before the Annual Meeting, it is the intention of the persons named in the accompanying form of proxy to vote the shares they represent as the Board may recommend.

These proxy solicitation materials are first being mailed to the stockholders on or about September 23, 2015.

VOTING SECURITIES

Stockholders of record at the close of business on September 16, 2015 (the “Record Date”) are entitled to notice of and to vote at the Annual Meeting. As of the Record Date, _____ shares of the Company’s Class A Common Stock, \$0.001 par value (“Class A Common Stock”), were issued and outstanding.

Each holder of Class A Common Stock is entitled to one vote for each share of Class A Common Stock held as of the Record Date.

QUORUM; ABSTENTIONS; BROKER NON-VOTES

A majority of the aggregate voting power of the outstanding shares of Class A Common Stock as of the Record Date must be present, in person or by proxy, at the Annual Meeting in order to have the required quorum for the transaction of business. If the aggregate voting power of the shares of Class A Common Stock present, in person and by proxy, at the Annual Meeting does not constitute the required quorum, the Annual Meeting may be adjourned to a subsequent date for the purpose of obtaining a quorum.

Shares of Class A Common Stock that are voted “FOR,” “AGAINST” or “ABSTAIN” are treated as being present at the Annual Meeting for purposes of establishing a quorum. Shares that are voted “FOR,” “AGAINST” or “ABSTAIN” with respect to a matter will also be treated as shares entitled to vote at the Annual Meeting (the “Votes Cast”) with respect to such matter. Abstentions will be counted for purposes of quorum and will have the same effect as a vote “AGAINST” a proposal.

Broker non-votes (i.e., votes from shares of Class A Common Stock held as of the Record Date by brokers or other custodians as to which the beneficial owners have given no voting instructions) will be counted as “shares present” at the Annual Meeting for purposes of determining the presence or absence of a quorum for the transaction of business so long as the broker can vote on any proposal being considered. However, brokers cannot vote on their clients’ behalf on “non-routine” proposals for which they have not received voting instructions from their clients for such proposals. The vote on Proposals 1, 2, and 3 are considered “non-routine.” Accordingly, broker non-votes will not have any effect with respect to Proposals 1,2, or 3, as shares that constitute broker non-votes are not considered entitled to vote on these matters.

Brokers do have authority to vote uninstructed shares for or against “routine” proposals. Proposal No. 4, ratification of the appointment of EisnerAmper LLP as our independent registered public accounting firm for the fiscal year ending March 31, 2016, constitutes a “routine” proposal. Accordingly, a broker may vote uninstructed shares “FOR” or “AGAINST” Proposal No. 4.

DEADLINE FOR RECEIPT OF STOCKHOLDER PROPOSALS TO BE PRESENTED AT NEXT ANNUAL MEETING

In order for any stockholder proposal submitted pursuant to Rule 14a-8 promulgated under the Securities Exchange Act of 1934, as amended (the “Exchange Act”), to be included in the Company’s Proxy Statement to be issued in connection with the 2015 Annual Meeting of Stockholders, such stockholder proposal must be received by the Company no later than May 26, 2016. Any such stockholder proposal submitted, including any accompanying supporting statement, may not exceed 500 words, as per Rule 14a-8(d) of the Exchange Act. Any such stockholder proposals submitted outside the processes of Rule 14a-8 promulgated under the Exchange Act, which a stockholder intends to bring forth at the Company’s 2014 Annual Meeting of Stockholders, will be untimely for purposes of Rule 14a-4 of the Exchange Act if received by the Company after August 9, 2016. All stockholder proposals must be made in writing addressed to the Company’s Secretary, Mr. Loffredo, at 902 Broadway, 9th Floor, New York, New York

10010.

REVOCABILITY OF PROXY

Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before its use by delivering to the Company's Secretary, Mr. Loffredo, a written notice of revocation, a duly executed proxy bearing a

2

later date or by attending the Annual Meeting and voting in person. Attending the Annual Meeting in and of itself will not constitute a revocation of a proxy.

DISSENTERS' RIGHT OF APPRAISAL

Under Delaware General Corporation Law and the Company's Certificate of Incorporation, stockholders are not entitled to any appraisal or similar rights of dissenters with respect to any of the proposals to be acted upon at the Annual Meeting.

SOLICITATION

Proxies may be solicited by certain of the Company's directors, executive officers and regular employees, without additional compensation, in person, or by telephone, e-mail or facsimile. The cost of soliciting proxies will be borne by the Company. The Company expects to reimburse brokerage firms, banks, custodians and other persons representing beneficial owners of shares of Class A Common Stock for their reasonable out-of-pocket expenses in forwarding solicitation material to such beneficial owners.

Some banks, brokers and other record holders have begun the practice of "householding" notices, proxy statements and annual reports. "Householding" is the term used to describe the practice of delivering a single set of notices, proxy statements and annual reports to any household at which two or more stockholders reside if a company reasonably believes the stockholders are members of the same family. This procedure reduces the volume of duplicate information stockholders receive and also reduces a company's printing and mailing costs. The Company will promptly deliver an additional copy of any such document to any stockholder who writes or calls the Company. Alternatively, if you share an address with another stockholder and have received multiple copies of our notices, proxy statements and annual reports, you may contact us to request delivery of a single copy of these materials. Any such written request should be directed to Investor Relations at 902 Broadway, 9th Floor, New York, New York 10010, (212) 206-8600.

AVAILABILITY OF PROXY MATERIALS

Our proxy materials are primarily available to stockholders on the Internet, as permitted by the rules of the Securities and Exchange Commission (the "SEC"). A Notice of Internet Availability of Proxy Materials will be mailed to stockholders beginning approximately September 23, 2015, and this Proxy Statement and form of proxy, together with our Annual Report on Form 10-K, are first being made available to stockholders beginning approximately September 23, 2015. The Annual Report, which has been posted along with this Proxy Statement, is not a part of the proxy solicitation materials. Upon receipt of a written request, the Company will furnish to any stockholder, without charge, a copy of such Annual Report. Any such written request should be directed to the Company's Secretary at 902 Broadway, 9th Floor, New York, New York 10010 or (212) 206-8600. This proxy statement and the Annual Report are available on the Internet at <http://investor.cinedigm.com/>. These documents are also included in our SEC filings, which you can access electronically at the SEC's website at <http://www.sec.gov>.

ELECTRONIC ACCESS TO PROXY MATERIALS

This year we are pleased to again apply the U.S. Securities and Exchange Commission rule that allows companies to furnish proxy materials to stockholders primarily over the Internet. We believe this method should expedite receipt of your proxy materials, lower costs of our Annual Meeting and help conserve natural resources. We encourage you to vote via the Internet by following the links to the Proxy Statement and Annual Report, which are both available at www.proxyvote.com.

If any nominee is not available for election at the time of the Annual Meeting (which is not anticipated), the proxy holders named in the proxy, unless specifically instructed otherwise in the proxy, will vote for the election of such other person as the existing Board may recommend, unless the Board decides to reduce the number of directors of the Company. PROPOSAL TWO
APPROVAL TO AMEND THE COMPANY’S CERTIFICATE OF INCORPORATION
TO EFFECT A REVERSE STOCK SPLIT AND TO REDUCE THE NUMBER OF
AUTHORIZED SHARES OF THE COMPANY’S CLASS A COMMON STOCK, SUBJECT TO
THE BOARD’S DISCRETION

The Board has approved, and is hereby soliciting stockholder approval of, an amendment to the Company’s Certificate of Incorporation to effect a reverse stock split of the Company’s Class A Common Stock at a ratio of not less than one-for-two and not more than one-for-ten, subject to the Board’s discretion to determine, without any further action by stockholders, not to proceed with a reverse stock split if it determines that a reverse stock split is no longer in the best interest of the Company and its stockholders. The language of the new Section 4.1 of the Certificate of Incorporation which would be contained in an amendment is set forth in Appendix A to this Proxy Statement (the “Reverse Stock Split Amendment”). A vote for this Proposal Two will constitute approval of the Reverse Stock Split Amendment providing for the combination of any whole number of shares of Class A Common Stock between and including two and ten into one share of Class A Common Stock and will grant the Board the authority to select which of the approved exchange ratios within that range will be implemented. If stockholders approve this proposal, the Board will have the authority, but not the obligation, in its sole discretion and without further action on the part of the stockholders, to select one of the approved reverse stock split ratios and effect the approved reverse stock split by filing the Reverse Stock Split Amendment with the Secretary of State of the State of Delaware at any time after the approval of the Reverse Stock Split Amendment. If the Reverse Stock Split Amendment is approved by stockholders and has not been filed with the Secretary of State of the State of Delaware by the close of business on the first anniversary of the date on which the stockholders approved it, the Board will abandon the Reverse Stock Split Amendment. If the reverse stock split is implemented, the Reverse Stock Split Amendment also would reduce the number of authorized shares of our Class A Common Stock as set forth below but would not change the par value of a share of our Class A Common Stock. Except for any changes as a result of the treatment of fractional shares, each stockholder will hold the same percentage of Class A Common Stock outstanding immediately following the reverse stock split as such stockholder held immediately prior to the reverse stock split. Because there are no shares of Class B common stock outstanding and no shares of Class B common stock remaining authorized for issuance, the Class B common stock will not be affected by the reverse stock split.

The Board believes that stockholder approval of an exchange ratio range (rather than an exact exchange ratio) provides the Board with maximum flexibility to achieve the purposes of the reverse stock split. If the stockholders approve this Proposal Four, the reverse stock split will be effected, if at all, only upon a determination by the Board that the reverse stock split is in the Company’s and its stockholders’ best interests at that time. In connection with any determination to effect the reverse stock split, the Board will set the time for such a split and select a specific ratio within the range. These determinations will be made by the Board with the intention to create the greatest marketability for our Class A Common Stock based upon prevailing market conditions at that time.

The Board reserves its right to elect to abandon the reverse stock split if it determines, in its sole discretion, that this proposal is no longer in the best interest of the Company and its stockholders.

At the 2014 annual meeting of stockholders, the stockholders authorized the Board to effect a reverse stock split at its discretion (the “Prior Approval”). The Board has thus far determined not to effect a reverse split in case the stock price increases and the deficiency is cured without the need for a reverse stock split, and the Prior Approval expired on September 16, 2015.

Purpose of the Reverse Stock Split Amendment

The purpose of the reverse stock split is to increase the per share trading value of the Class A Common Stock. The Board intends to effect the proposed reverse stock split only if it believes that a decrease in the number of shares outstanding is likely to improve the trading price for the Class A Common Stock, and only if the implementation of a reverse stock split is determined by the Board to be in the best interests of the Company and its stockholders. The Board may exercise its discretion not to implement a reverse stock split.

On June 8, 2015, the Company received a letter (the “Notice”) from the Listing Qualifications staff of The NASDAQ Stock Market LLC (“Nasdaq”) indicating that, based upon the closing bid price of the Class A Common

Stock for the preceding 30 consecutive business days, the Company no longer met the requirement to maintain a minimum bid price of \$1 per share, as set forth in Nasdaq Listing Rule 5450(a)(1). In accordance with Nasdaq Listing Rule 5810(c)(3)(A), the Company has been provided a period of 180 calendar days, or until December 7, 2015, in which to regain compliance (which may be extended under certain conditions). In order to regain compliance with the minimum bid price requirement, the closing bid price of the Company's Class A Common Stock must be at least \$1 per share for a minimum of ten consecutive business days during such 180-day period. If the Company does not regain compliance by the December 7, 2015 deadline (or any extension thereof), the Staff will provide written notification to the Company that its Class A Common Stock may be delisted.

The Board has determined that a reverse stock split may be the best option for the Company to bring the bid price for the Class A Common Stock above the \$1 threshold in accordance with Nasdaq Listing Rule 5450(a)(1). The Board has been monitoring, and will continue to monitor, the trading price of the Class A Common Stock. If this Proposal Two is approved, the Board will make a determination whether to effect the reverse stock split in advance of the December 7, 2015 deadline (or an extension thereof).

Furthermore, the Board Believes that a reverse stock split would allow a broader range of institutions to invest in the Class A Common Stock (namely, funds that are prohibited from buying stocks with a price below a certain threshold), potentially increasing the trading volume and liquidity of the Class A Common Stock. A reverse stock split would also help increase analyst and broker interest in the Class A Common Stock, as their policies can discourage them from following or recommending companies with lower stock prices. Because of the trading volatility often associated with lower-priced stock, many brokerage houses and institutional investors have adopted internal policies and practices that either prohibit or discourage them from investing in such stocks or recommending them to their customers. Some of those policies and practices may also function to make the processing of trades in lower-priced stocks economically unattractive to brokers.

Impact of the Reverse Stock Split Amendment if Implemented

If approved and effected, the reverse stock split will be realized simultaneously and in the same ratio for all of the Class A Common Stock. The reverse stock split will affect all holders of the Class A Common Stock uniformly and will not affect any stockholder's percentage ownership interest, or voting power, in the Company (subject to the treatment of fractional shares). As described below, holders of Class A Common Stock otherwise entitled to a fractional share as a result of the reverse stock split will receive a cash payment in lieu of such fractional share. These cash payments will reduce the number of post-reverse stock split holders of the Class A Common Stock to the extent there are at the time the reverse stock split is effected, stockholders who would otherwise receive less than one share of Class A Common Stock after the reverse stock split. In addition, the reverse stock split will not affect any stockholder's proportionate voting power (subject to the treatment of fractional shares).

The principal effects of the Reverse Stock Split Amendment will be that:

depending on the ratio for the reverse stock split selected by the Board, each two or ten shares of Class A Common Stock owned by a stockholder, or any whole number of shares of Class A Common Stock between two and ten, as determined by the Board, will be combined into one new share of Class A Common Stock;

the number of shares of Class A Common Stock issued and outstanding will be reduced from approximately 75,000,000 to a range of approximately 37,500,000 to 7,500,000, depending upon the reverse stock split ratio selected by the Board;

the number of authorized shares of Class A Common Stock will be reduced from 210,000,000 to a range of 105,000,000 to 21,000,000, depending upon the reverse stock split ratio chosen by the Board;

based upon the reverse stock split ratio selected by the Board, proportionate adjustments will be made to the per share exercise price and/or the number of shares issuable upon the exercise or conversion of all outstanding options, warrants, and other convertible or exchangeable securities entitling the holders thereof to purchase, exchange for, or convert into, shares of Class A Common Stock, which will result in approximately the same aggregate price being required to be paid for such options and restricted stock

awards and units upon exercise immediately preceding the reverse stock split; and

the number of shares reserved for issuance or pursuant to the securities or plans described in the immediately preceding bullet will be reduced proportionately based upon the reverse stock split ratio selected by the Board.

The table below illustrates the effect, as of September __, 2015, of a reverse stock split at certain ratios on (i) the shares of Class A Common Stock outstanding; (ii) the shares of Class A Common Stock reserved for issuance, (iii) the reduced number of total authorized shares of Class A Common Stock under our certificate of incorporation, and (iv) the resulting number of shares of Class A Common Stock available for issuance:

	Shares Outstanding	Shares Reserved for Issuance	Total Authorized Shares	Shares Authorized and Available (% of total authorized)
Prior to Reverse Stock Split	74,946,814	100,399,306	210,000,000	34,653,880 (16.5%)
One-for-two	37,473,407	50,199,653	105,000,000	17,326,940 (16.5%)
One-for-five	14,989,363	20,079,861	42,000,000	6,930,776 (16.5%)
One-for-ten	7,494,681	10,039,930	21,000,000	3,465,389 (16.5%)

Certain Risks Associated with the Reverse Stock Split

If the reverse stock split is effected and the market price of the Class A Common Stock declines, the percentage decline may be greater than would occur in the absence of a reverse stock split. The market price of the Class A Common Stock will, however, also be based on performance and other factors, which are unrelated to the number of shares outstanding.

There can be no assurance that the reverse stock split will result in any particular price for the Class A Common Stock. As a result, the trading liquidity of the Class A Common Stock may not necessarily improve.

There can be no assurance that the market price per share of the Class A Common Stock after a reverse stock split will increase in proportion to the reduction in the number of shares of the Class A Common Stock outstanding before the reverse stock split. For example, based on the closing price of the Class A Common Stock on September __, 2015 of \$____ per share, if the reverse stock split were implemented and approved for a reverse stock split ratio of one-for-five, there can be no assurance that the post-split market price of the Class A Common Stock would be \$_____ or greater. Accordingly, the total market capitalization of the Class A Common Stock after the reverse stock split may be lower than the total market capitalization before the reverse stock split. Moreover, in the future, the market price of the Class

A Common Stock following the reverse stock split may not exceed or remain higher than the market price prior to the reverse stock split.

Because the number of issued and outstanding shares of Class A Common Stock would decrease as result of the reverse stock split, the number of authorized but unissued shares of Class A Common Stock may increase on a relative basis. If the Company issues additional shares of Class A Common Stock, then the ownership interest of the Company's current stockholders would be diluted, possibly substantially.

The reverse stock split may result in some stockholders owning “odd lots” of less than 100 shares of Class A Common Stock. Odd lot shares may be more difficult to sell, and brokerage commissions and other costs of transactions in odd lots are generally somewhat higher than the costs of transactions in “round lots” of even multiples of 100 shares.

The Board intends to effect the reverse stock split only if it believes that a decrease in the number of shares is likely to improve the trading price of the Class A Common Stock and if the implementation of the reverse stock split is determined by the Board to be in the best interests of the Company and its stockholders.

Effective Time

The proposed reverse stock split would become effective as of 11:59 p.m., Eastern Time (the “Effective Time”), on the date of filing the Reverse Stock Split Amendment with the office of the Secretary of State of the State of Delaware. Except as explained below with respect to fractional shares, at the Effective Time, all shares of the Class A Common Stock issued and outstanding immediately prior thereto will be combined, automatically and without any action on the part of stockholders, into a lesser number of shares of the Class A Common Stock calculated in accordance with the reverse stock split ratio determined by the Board.

After the Effective Time, the Class A Common Stock will have a new committee on uniform securities identification procedures (“CUSIP”) number, which is a number used to identify the Company’s equity securities, and stock certificates with the older CUSIP number will need to be exchanged for stock certificates with the new CUSIP number by following the procedures described below.

After the Effective Time, the Company will continue to be subject to periodic reporting and other requirements of the Exchange Act. The Class A Common Stock will continue to be listed on the Nasdaq Global Market under the symbol “CIDM”, although Nasdaq will add the letter “D” to the end of the trading symbol for a period of 20 trading days after the Effective Date to indicate that the reverse stock split has occurred.

Board Discretion to Implement the Reverse Stock Split Amendment

If the reverse stock split is approved by the Company’s stockholders, it will be effected, if at all, only upon a determination by the Board that a reverse stock split (at a ratio determined by the Board as described above) is in the best interests of the Company and the stockholders. The Board’s determination as to whether the reverse stock split will be effected and, if so, at what ratio, will be based upon certain factors, including existing and expected marketability and liquidity of the Class A Common Stock, prevailing market conditions and the likely effect on the market price of the Class A Common Stock. If the Board determines to effect the reverse stock split, the Board will consider various factors in selecting the ratio including the overall market conditions at the time and the recent trading history of the Class A Common Stock.

Fractional Shares

Stockholders will not receive fractional post-reverse stock split shares in connection with the reverse stock split. Instead, the Company’s transfer agent for the registered stockholders will aggregate all fractional shares of Class A Common Stock and arrange for them to be sold as soon as practicable after the Effective Time at the then prevailing prices on the open market on behalf of those stockholders who would otherwise be entitled to receive a fractional share. The Company expects that the transfer agent will cause the sale to be conducted in an orderly fashion at a reasonable pace and that it may take several days to sell all of the aggregated fractional shares of Class A Common

Stock. After completing the sale, stockholders will receive a cash payment from the transfer agent in an amount equal to the stockholder's pro rata share of the total net proceeds of these sales. No transaction costs will be assessed on the sale. However, the proceeds will be subject to certain taxes as discussed below. In addition, stockholders will not be entitled to receive interest for the period of time between the Effective Time and the date a stockholder receives payment for the cashed-out shares. The payment amount will be paid to the stockholder in the form of a check in accordance with the procedures outlined below.

After the reverse stock split, stockholders will have no further interests in the Company with respect to their cashed-out fractional shares. A person otherwise entitled to a fractional interest will not have any voting, dividend or other rights except to receive payment as described above.

Effect on Beneficial Holders of Class A Common Stock (i.e., stockholders who hold in “street name”)

Upon the reverse stock split, we intend to treat shares held by stockholders in “street name,” through a bank, broker or other nominee, in the same manner as registered stockholders whose shares are registered in their names. Banks, brokers or other nominees will be instructed to effect the reverse stock split for their beneficial holders holding the Class A Common Stock in “street name.” However, these banks, brokers or other nominees may have different procedures than registered stockholders for processing the reverse stock split and making payment for fractional shares. If a stockholder holds shares of the Class A Common Stock with a bank, broker or other nominee and has any questions in this regard, stockholders are encouraged to contact their bank, broker or other nominee.

Effect on Registered “Book-Entry” Holders of Class A Common Stock (i.e., stockholders that are registered on the transfer agent’s books and records but do not hold stock certificates)

Certain of the Company’s registered holders of Class A Common Stock may hold some or all of their shares electronically in book-entry form with the transfer agent. These stockholders do not have stock certificates evidencing their ownership of the Class A Common Stock. They are, however, provided with a statement reflecting the number of shares registered in their accounts.

If a stockholder holds registered shares in book-entry form with the transfer agent, no action needs to be taken to receive post-reverse stock split shares or cash payment in lieu of any fractional share interest, if applicable. If a stockholder is entitled to post-reverse stock split shares, a transaction statement will automatically be sent to the stockholder’s address of record indicating the number of shares of Class A Common Stock held following the reverse stock split.

If a stockholder is entitled to a payment in lieu of any fractional share interest, a check will be mailed to the stockholder’s registered address as soon as practicable after the Effective Time. By signing and cashing the check, stockholders will warrant that they owned the shares of Class A Common Stock for which they received a cash payment. The cash payment is subject to applicable federal and state income tax and state abandoned property laws. In addition, stockholders will not be entitled to receive interest for the period of time between the Effective Time of the reverse stock split and the date payment is received.

Effect on Certificated Shares

Stockholders holding shares of Class A Common Stock in certificate form will be sent a transmittal letter by the transfer agent after the Effective Time. The letter of transmittal will contain instructions on how a stockholder should surrender his or her certificate(s) representing shares of the Class A Common Stock (“Old Certificates”), to the transfer agent in exchange for certificates representing the appropriate number of whole shares of post-reverse stock split Class A Common Stock (“New Certificates”). No New Certificate will be issued to a stockholder until such stockholder has surrendered all Old Certificates, together with a properly completed and executed letter of transmittal, to the transfer agent. No stockholder will be required to pay a transfer or other fee to exchange his, her or its Old Certificates.

Stockholders will then receive a New Certificate(s) representing the number of whole shares of Class A Common Stock to which they are entitled as a result of the reverse stock split. Until surrendered, the Company will deem outstanding Old Certificates held by stockholders to be cancelled and only to represent the number of whole shares of post-reverse stock split Class A Common Stock, as applicable, to which these stockholders are entitled.

Any Old Certificates submitted for exchange, whether because of a sale, transfer or other disposition of stock, will automatically be exchanged for new certificates. If an Old Certificate has a restrictive legend on its back, the New Certificate will be issued with the same restrictive legends that are on the back of the Old Certificate. If a stockholder is entitled to a payment in lieu of any fractional share interest, such payment will be made as described above under "Fractional Shares."

STOCKHOLDERS SHOULD NOT DESTROY ANY STOCK CERTIFICATE(S) AND SHOULD NOT SUBMIT ANY STOCK CERTIFICATE(S) UNTIL REQUESTED TO DO SO.

Accounting Matters

The reverse stock split will not affect the par value of a share of the Class A Common Stock. As a result, as of the Effective Time of the reverse stock split, the stated capital attributable to Class A Common Stock on the Company's balance sheet will be reduced proportionately based on the reverse stock split ratio (including a retroactive adjustment of prior periods), and the additional paid-in capital account will be credited with the amount by which the stated capital is reduced. Reported per share net income or loss will be higher because there will be fewer shares of Class A Common Stock outstanding.

No Appraisal Rights

Under the Delaware General Corporation Law, stockholders are not entitled to appraisal rights with respect to the reverse stock split, and the Company will not independently provide stockholders with any such right.

Certain United States Federal Income Tax Considerations

The following is a summary of certain U.S. federal income tax consequences of the reverse stock split to holders of the Class A Common Stock. This discussion is based upon the Internal Revenue Code of 1986, as amended (the "Code"), Treasury regulations promulgated thereunder, judicial authorities, published positions of the Internal Revenue Service (the "IRS") and other applicable authorities, all as currently in effect and all of which are subject to change or differing interpretations (possibly with retroactive effect). This discussion is limited to U.S. holders (as defined below) that hold their shares of Class A Common Stock as capital assets for U.S. federal income tax purposes (generally, assets held for investment). This discussion does not address all of the tax consequences that may be relevant to a particular stockholder or to stockholders that are subject to special treatment under U.S. federal income tax laws, such as:

- stockholders that are not U.S. holders;
- financial institutions;
- insurance companies;
- tax-exempt organizations;
- dealers in securities or foreign currencies;
- persons whose functional currency is not the U.S. dollar;
- traders in securities that elect to use a mark to market method of accounting;
- persons who own more than 5% of the Company's outstanding stock;
- persons that hold the Class A Common Stock as part of a straddle, hedge, constructive sale, conversion or other integrated transaction; and
- U.S. holders who acquired their shares of Class A Common Stock through the exercise of an employee stock option or otherwise as compensation.

If a partnership or other entity taxed as a partnership holds Class A Common Stock, the tax treatment of a partner in the partnership generally will depend upon the status of the partners and the activities of the partnership. Partnerships and partners in such a partnership should consult their tax advisors about the tax consequences of the reverse stock split to them.

This discussion does not address the tax consequences of the reverse stock split under state, local or foreign tax laws. No assurance can be given that the IRS would not assert, or that a court would not sustain, a position contrary to

any of the tax consequences set forth below.

Holders of the Class A Common Stock are urged to consult with their own tax advisors as to the tax consequences of the reverse stock split in their particular circumstances, including the applicability and effect of the alternative minimum tax and any state, local or foreign and other tax laws and of changes in those laws.

For purposes of this section, the term “U.S. holder” means a beneficial owner of the Class A Common Stock that for U.S. federal income tax purposes is:

- an individual that is a citizen or resident of the United States;
- a corporation, or other entity treated as a corporation for U.S. federal income tax purposes, created or organized in or under the laws of the United States or any State or the District of Columbia;
- an estate that is subject to U.S. federal income tax on its income regardless of its source; or
- a trust, the substantial decisions of which are controlled by one or more U.S. persons and which is subject to the primary supervision of a U.S. court, or a trust that validly has elected under applicable Treasury regulations to be treated as a U.S. person for U.S. federal income tax purposes.

Tax Consequences of the Reverse Stock Split Generally

Except as provided below with respect to cash received in lieu of fractional shares, a U.S. holder will not recognize any gain or loss as a result of the reverse stock split.

Cash Received in Lieu of Fractional Shares

A U.S. holder that receives cash in lieu of a fractional share of Class A Common Stock in the reverse stock split will generally be treated as having received such fractional share and then as having sold such fractional share for cash, and will recognize capital gain or loss in an amount equal to the difference between the amount of cash received and the portion of the basis of the pre-reverse stock split Class A Common Stock allocable to such fractional interest. Such gain or loss generally will be long-term capital gain or loss if the U.S. holder’s holding period in the Class A Common Stock exchanged therefor was greater than one year as of the date of the exchange. Under certain circumstances, the cash might instead be treated as a return of capital or, if the Company has current or accumulated earnings and profits, a dividend.

Tax Basis and Holding Period

A U.S. holder’s aggregate tax basis in the Class A Common Stock received in the reverse stock split will equal such stockholder’s aggregate tax basis in the Class A Common Stock surrendered in the reverse stock split reduced by any amount allocable to a fractional share of post-reverse stock split Class A Common Stock for which cash is received. The holding period for the shares of the Class A Common Stock received in the reverse stock split generally will include the holding period for the shares of the Class A Common Stock exchanged therefor.

The Company does not have any plans, proposals or arrangements to issue for any purpose, including future acquisitions and/or financings, any of the authorized shares of Class A Common Stock that would become newly available for issuance following the reverse stock split.

This proposal requires approval by a majority of the votes present in person or represented by proxy at the Annual Meeting and entitled to vote thereat.

THE BOARD UNANIMOUSLY RECOMMENDS A VOTE “FOR” THE PROPOSAL TO AMEND THE COMPANY’S CERTIFICATE OF INCORPORATION TO EFFECT A REVERSE STOCK SPLIT AND TO REDUCE THE NUMBER OF SHARES OF THE COMPANY’S AUTHORIZED CLASS A COMMON STOCK, AT THE BOARD’S DISCRETION.

PROPOSAL THREE

NON-BINDING ADVISORY VOTE ON EXECUTIVE COMPENSATION

SEC rules adopted pursuant to the Dodd-Frank Wall Street Reform and Consumer Protection Act, enacted in July 2010 (the “Dodd-Frank Act”), enable our stockholders to vote to approve, on a non-binding, advisory basis, the compensation of our named executive officers as disclosed in this proxy statement.

As described in detail in the section entitled, “Compensation Discussion and Analysis”, we believe that executive compensation should be focused on promoting Company performance and stockholder value. To achieve these goals our executive compensation program emphasizes pay for performance and aligning the interests of our executives with those of our stockholders through the use of long-term incentives and the encouragement of equity ownership. In addition, our executive compensation program is designed to allow us to recruit, retain and motivate employees who play a significant role in our current and future success. Please read the Compensation Discussion and Analysis, the 2015 Summary Compensation Table and the other related tables and accompanying narrative for a detailed description of the fiscal year 2015 compensation of our named executive officers. We believe that the 2015 compensation of each of our named executive officers was reasonable and appropriate and aligned with the Company’s 2015 results and the achievement of the objectives of our executive compensation program.

The vote on this resolution is not intended to address any specific element of compensation; rather, the vote relates to the overall compensation of our named executive officers. This vote is advisory only and is not binding on the Company or the Board. Although the vote is non-binding, our Board values the opinions of our stockholders and the Board and the Compensation Committee will consider the outcome of the vote when making future compensation decisions for our named executive officers.

This proposal requires approval by a majority of the votes present in person or represented by proxy at the Annual Meeting and entitled to vote thereat.

Accordingly, we ask our stockholders to vote in favor of the following resolution:

“RESOLVED, that the Company’s stockholders approve, on an advisory basis, the compensation of the named executive officers, as disclosed in the Company’s Proxy Statement for the 2015 Annual Meeting of Stockholders pursuant to the compensation disclosure rules of the Securities and Exchange Commission.”

THE BOARD RECOMMENDS A VOTE “FOR” APPROVING THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS.

PROPOSAL FOUR

RATIFICATION OF THE APPOINTMENT OF OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Board has selected the firm of EisnerAmper LLP as our independent registered public accounting firm for the fiscal year ending March 31, 2016, subject to ratification by our stockholders at the Annual Meeting. EisnerAmper LLP has been our independent registered public accounting firm since the fiscal year ended March 31, 2006. A representative of EisnerAmper LLP is expected to be present at the Annual Meeting and will have an opportunity to make a statement, if desired, and respond to appropriate questions.

This proposal requires approval by a majority of the votes present in person or represented by proxy at the Annual Meeting and entitled to vote thereat.

More information about our independent registered public accounting firm is available under the heading “Independent Registered Public Accounting Firm” on page 35 below.

THE BOARD UNANIMOUSLY RECOMMENDS THAT YOU VOTE “FOR” THE RATIFICATION OF THE APPOINTMENT OF EISNERAMPER LLP AS OUR INDEPENDENT AUDITORS FOR THE FISCAL YEAR

ENDING MARCH 31, 2016.

OTHER MATTERS

The Board does not know of any other matters that may be brought before the Annual Meeting. However, if any such other matters are properly brought before the Annual Meeting, the proxies may use their own judgment to determine how to vote your shares.

MATTERS RELATING TO OUR GOVERNANCE

Board of Directors

The Board oversees the Company's risk management including understanding the risks the Company faces and what steps management is taking to manage those risks, as well as understanding what level of risk is appropriate for the Company. The Board's role in the Company's risk oversight process includes receiving regular updates from members of senior management on areas of material risk to the Company, including operational, financial, legal and regulatory, human resources, employment, and strategic risks.

The Company's leadership structure consists of the combined role of Chairman of the Board and Chief Executive Officer and a separate Lead Independent Director. Mr. Westlake currently serves as our Lead Independent Director. The Lead Independent Director's responsibilities include presiding at all meetings of the Board at which the Chairman is not present, including executive sessions of the independent directors, serving as a liaison between the Chairman and the independent directors, reviewing information sent to the Board, consulting with the Nominating Committee with regard to the membership and performance evaluations of the Board and Board committee members, calling meetings of and setting agendas for the independent directors, and serving as liaison for communications with stockholders. The Board recently determined to split the roles of Chairman and Chief Executive Officer, and is in the process of seeking a new independent director to serve as non-executive Chairman, at which time we will no longer have a Lead Independent Director and Mr. Westlake will cease serving as such.

The Board intends to meet at least quarterly and the independent directors serving on the Board intend to meet in executive session (i.e., without the presence of any non-independent directors and management) immediately following regularly scheduled Board meetings. During the fiscal year ended March 31, 2015 (the "Last Fiscal Year"), the Board held four (4) meetings and the Board members acted two (2) times by unanimous written consent in lieu of holding a meeting. Each current member of the Board, who was then serving, attended at least 75% of the total number of meetings of the Board and of the committees of the Board on which they served in the Last Fiscal Year. No individual may be nominated for election to the Board after his or her 73rd birthday. Messrs. Brown, Clevenger, Finlay, O'Brien, O'Connor, Rhine, Schuon and Westlake and Ms. Sims are considered "independent" under the rules of the SEC and Nasdaq.

The Board currently does not provide a formal process for stockholders to send communications to the Board. In the opinion of the Board, it is appropriate for the Company not to have such a process in place because the Board believes there is currently not a need for a formal policy due to, among other things, the limited number of stockholders of the Company. While the Board will, from time to time, review the need for a formal policy, at the present time, stockholders who wish to contact the Board may do so by submitting any communications to the Company's Secretary, Mr. Loffredo, 902 Broadway, 9th Floor, New York, New York 10010, with an instruction to forward the communication to a particular director or the Board as a whole. Mr. Loffredo will receive the correspondence and forward it to any individual director or directors to whom the communication is directed.

The Company does not currently have a policy in place regarding attendance by Board members at the Company's annual meetings. However, each of the current directors, who was then serving, attended the 2014 Annual Meeting of Stockholders, and each director who is standing for re-election currently intends to attend this Annual Meeting.

The Board has three standing committees, consisting of an Audit Committee, a Compensation Committee and a Nominating Committee.

Audit Committee

The Audit Committee consists of Messrs. Brown, O'Connor, Rhine and Westlake. Mr. Brown is the Chair of the Audit Committee. The Audit Committee held five (5) meetings in the Last Fiscal Year. The Audit Committee has met with the Company's management and the Company's independent registered public accounting firm to review and help ensure the adequacy of its internal controls and to review the results and scope of the auditors' engagement and other financial reporting and control matters. Mr. Rhine is financially literate and financially sophisticated, as those terms are defined under the rules of Nasdaq. Mr. Rhine is deemed to be an "audit committee financial expert" under applicable SEC rules. Messrs. Brown, O'Connor, Rhine and Westlake are considered "independent" under the rules of the SEC and Nasdaq.

The Audit Committee has adopted a formal written charter (the "Audit Charter"). The Audit Committee is responsible for ensuring that the Company has adequate internal controls and is required to meet with the Company's auditors to review these internal controls and to discuss other financial reporting matters. The Audit Committee is also responsible for the appointment, compensation and oversight of the auditors. Additionally, the Audit Committee is responsible for the review and oversight of all related party transactions and other potential conflict of interest situations between the Company and its officers, directors, employees and principal stockholders. The Audit Charter is available on the Company's Internet website at www.cinedigm.com.

Compensation Committee

The Compensation Committee consists of Messrs. Brown, O'Brien and Westlake and Ms. Sims. Ms. Sims is the Chair of the Compensation Committee. The Compensation Committee met five (5) times during the Last Fiscal Year. The Compensation Committee approves the compensation package of the Company's Chief Executive Officer and, based on recommendations by the Company's Chief Executive Officer, approves the levels of compensation and benefits payable to the Company's other executive officers, reviews general policy matters relating to employee compensation and benefits and recommends to the entire Board, for its approval, stock option and other equity-based award grants to its executive officers, employees and consultants and discretionary bonuses to its executive officers and employees. The Compensation Committee has the authority to appoint and delegate to a sub-committee the authority to make grants and administer bonus and compensation plans and programs. Messrs. Brown, O'Brien and Westlake and Ms. Sims are considered "independent" under the rules of the SEC and Nasdaq.

The Compensation Committee has adopted a formal written charter (the "Compensation Charter"). The Compensation Charter sets forth the duties, authorities and responsibilities of the Compensation Committee. The Compensation Charter is available on the Company's Internet website at www.cinedigm.com.

The Compensation Committee, when determining executive compensation (including under the executive compensation program, as discussed below under the heading Compensation Discussion and Analysis), evaluates the potential risks associated with the compensation policies and practices. The Compensation Committee believes that the Company's compensation programs are designed with an appropriate balance of risk and reward in relation to the Company's overall compensation philosophy and do not encourage excessive or unnecessary risk-taking behavior. In general, the Company compensates its executives in a combination of cash and stock options. The stock options contain vesting provisions, typically of proportional annual vesting over a three- or four-year period which encourages the executives, on a long-term basis, to strive to enhance the value of such compensation as measured by the trading price of the Class A Common Stock. The Compensation Committee does not believe that this type of compensation encourages excessive or unnecessary risk-taking behavior. As a result, we do not believe that risks relating to our compensation policies and practices for our employees are reasonably likely to have a material adverse effect on the Company. The Company intends to recapture compensation as required under the Sarbanes-Oxley Act. However, there have been no instances where it needed to recapture any compensation.

During the Last Fiscal Year, the Compensation Committee engaged Aon Hewitt, a compensation consulting firm. The consultant met with the Compensation Committee multiple times during the Last Fiscal Year and provided guidance for cash and equity bonus compensation to executive officers and directors, which the Compensation Committee considered in reaching its determinations of such compensation. In addition, the consultant was available to respond to specific inquiries throughout the year.

Compensation Committee Interlocks and Insider Participation

The Compensation Committee currently consists of Messrs. Brown, O'Brien and Westlake and Ms. Sims. Ms. Sims is the current Chair of the Compensation Committee. None of such members was, at any time during the Last Fiscal Year or at any previous time, an officer or employee of the Company.

None of the Company's directors or executive officers serves as a member of the board of directors or compensation committee of any other entity that has one or more of its executive officers serving as a member of the Company's board of directors. No member of the Compensation Committee had any relationship with us requiring disclosure under Item 404 of Securities and Exchange Commission Regulation S-K.

Nominating Committee

The Nominating Committee consists of Messrs. O'Brien, O'Connor, Rhine, Schuon and Westlake and Ms. Sims. Mr. O'Connor is the Chair of the Nominating Committee. The Nominating Committee held four (4) meetings during the Last Fiscal Year. The Nominating Committee evaluates and approves nominations for annual election to, and to fill any vacancies in, the Board and recommends to the Board the directors to serve on committees of the Board. The Nominating Committee also approves the compensation package of the Company's directors. Messrs. O'Brien, O'Connor, Rhine, Schuon and Westlake and Ms. Sims are considered "independent" under the rules of the SEC and Nasdaq.

The Nominating Committee has adopted a formal written charter (the "Nominating Charter"). The Nominating Charter sets forth the duties and responsibilities of the Nominating Committee and the general skills and characteristics that the Nominating Committee employs to determine the individuals to nominate for election to the Board. The Nominating Charter is available on the Company's Internet website at www.cinedigm.com.

The Nominating Committee will consider any candidates recommended by stockholders. In considering a candidate submitted by stockholders, the Nominating Committee will take into consideration the needs of the Board and the qualifications of the candidate. Nevertheless, the Board may choose not to consider an unsolicited recommendation if no vacancy exists on the Board and/or the Board does not perceive a need to increase the size of the Board. Stockholders should submit any recommendations of director candidates for the Company's 2015 Annual Meeting of Stockholders to the Company's Secretary, Mr. Loffredo, at 902 Broadway, 9th Floor, New York, New York 10010 in accordance with the procedures set forth above under the heading "Deadline for Receipt of Stockholder Proposals to be Presented at Next Annual Meeting."

There are no specific minimum qualifications that the Nominating Committee believes must be met by a Nominating Committee-recommended director nominee. However, the Nominating Committee believes that director candidates should, among other things, possess high degrees of integrity and honesty; have literacy in financial and business matters; have no material affiliations with direct competitors, suppliers or vendors of the Company; and preferably have experience in the Company's business and other relevant business fields (for example, finance, accounting, law and banking). The Nominating Committee considers diversity together with the other factors considered when evaluating candidates but does not have a specific policy in place with respect to diversity.

Members of the Nominating Committee meet in advance of each of the Company's annual meetings of stockholders to identify and evaluate the skills and characteristics of each director candidate for nomination for election as a director of the Company. The Nominating Committee reviews the candidates in accordance with the skills and qualifications set forth in the Nominating Charter and the rules of Nasdaq. There are no differences in the manner in which the Nominating Committee evaluates director nominees based on whether or not the nominee is recommended by a stockholder.

Stock Ownership Guidelines

During the Last Fiscal Year, the Board adopted stock ownership guidelines for its non-employee directors, pursuant to which the non-employee directors are required to acquire, within three (3) years, and maintain until separation

from the Company, shares equal in value to a minimum of three (3) times the aggregate value of the annual cash and stock retainer (not including committee or per-meeting fees) payable to such director. Shares acquired as Board retainer fees and shares owned by an investment entity with which a non-employee director is affiliated may be counted toward the stock ownership requirement. All of the Company's non-employee directors are currently in compliance with the stock ownership guidelines.

Code of Business Conduct and Ethics

We have adopted a code of ethics applicable to all members of the Board, executive officers and employees. Such code of ethics is available on our Internet website, www.cinedigm.com. We intend to disclose any amendment to, or waiver of, a provision of our code of ethics by filing a Current Report on Form 8-K with the SEC.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

As of September __, 2015, the Company's directors, executive officers and principal stockholders beneficially own, directly or indirectly, in the aggregate, approximately 53.9% of its outstanding Class A Common. These stockholders have significant influence over the Company's business affairs, with the ability to control matters requiring approval by the Company's stockholders, including the two proposals set forth in this Proxy Statement as well as approvals of mergers or other business combinations.

The following table sets forth as of September __, 2015, certain information with respect to the beneficial ownership of the Class A Common Stock as to (i) each person known by the Company to beneficially own more than 5% of the outstanding shares of the Company's Class A Common Stock, (ii) each of the Company's directors, (iii) each of the Company's Chief Executive Officer and its two other most highly compensated individuals who were serving as executive officers at the end of the Last Fiscal Year, for services rendered in all capacities during the Last Fiscal Year (the "Named Executives"), and (iv) all of the Company's directors and executive officers as a group.

COMPENSATION DISCUSSION AND ANALYSIS

Compensation Philosophy and Objectives and Compensation Program Overview

Cinedigm's executive compensation philosophy is focused on enabling the Company to hire and retain qualified and motivated executives, while meeting its business needs and objectives. To be consistent with this philosophy, the executive compensation program (the "Compensation Program") has been designed around the following objectives:

Provide competitive compensation levels to enable the recruitment and retention of highly qualified executives.

Design incentive programs that strengthen the link between pay and corporate and business unit performance to encourage and reward excellence and contributions that further Cinedigm's success.

Align the interests of executives with those of stockholders through grants of equity-based compensation that also provide opportunities for ongoing executive share ownership.

An overriding principle in delivering on these objectives is to ensure that compensation decisions are made in the Company's best financial interests such that incentive awards are both affordable and reasonable, taking into account Company performance and considering the interests of all stakeholders.

As the Company has evolved, so too has the Compensation Program. Going forward, the Company is focused on improving both stockholder returns and its cash position. To help achieve this goal, the Compensation Program is intended to reward the Chief Executive Officer ("CEO") for achieving strategic goals and increasing stockholder value and includes a formal performance-based Management Annual Incentive Plan (MAIP) based on predetermined, specific target award levels and performance metrics and goals. The MAIP is predicated on attaining goals that are critical to Cinedigm's future success and is designed to reward the level of collaboration across divisions and segments required to achieve corporate financial goals. No MAIP bonuses were paid to the Named Executives for fiscal 2015.

The Compensation Program consists of base salary, annual incentives, and long-term equity compensation. In addition, all Named Executives receive some modest personal benefits and perquisites. Retirement benefits are accumulated through the Company's 401(k) plan which is open to all employees. The Company does not provide supplemental retirement benefits for Named Executives. Two of our Named Executives have employment agreements. Mr. Mizel's employment agreement expired March 2015 and has not been renewed to date.

The Compensation Committee annually reviews the executive compensation elements and assesses the integrity of the Compensation Program as a whole to ensure that it continues to be aligned with the Company's compensation objectives and supports the attainment of Company goals. Periodically, the Company reviews competitive compensation levels, mix of pay, and practices to ensure all Compensation Program features continue to be in line with the market, while still reflecting the unique needs of our business model. Additionally, in response to business and talent needs, executive management brings compensation proposals to the Compensation Committee, which then reviews the proposal and either approves or denies them.

The Compensation Committee has engaged Aon Hewitt to provide guidance with respect to executive compensation, including bonuses, incentives and compensation for new hires.

Competitive Positioning and Mix of Pay

Competitive Assessment

The Compensation Committee has not defined a target pay positioning for the CEO or other Named Executives, nor does it commit to providing a specific percentile or pay range. In the most recent competitive assessment analysis conducted in connection with the renewal of our Named Executive employment agreements, the CEO's total direct compensation (total cash compensation plus long-term incentives and equity awards) was below the peer group median. The Compensation Committee viewed such positioning as reasonably appropriate because of Cinedigm's size relative to the peer group and its performance during the fiscal year.

The compensation for Mr. Mizel was assessed in 2013 as well (at the time of his employment agreement renewal) and for Mr. Sondheim in 2014 (at the time of his initial employment agreement); pay positioning for those roles is also conservative relative to the peer group median for the same reasons as noted in the CEO discussion above. It is the belief of the Compensation Committee that the available talent pool to fill these positions is broader than the pool for the CEO and therefore, that their pay levels, and potential opportunity for wealth creation through stock grants, are robust enough to retain and motivate them.

As the Company's performance improves and the business stabilizes, the competitiveness of Cinedigm's executive compensation for Named Executives should improve.

The Cinedigm executive compensation peer group includes 12 companies of comparable scale to Cinedigm (with a median revenue of \$234 million), similar, but smaller, media businesses, and some technology/software companies. The companies in the Cinedigm peer group used in the competitive compensation assessment at the time of the employment agreement renewals (for Messrs. McGurk and Mizel) and initial employment agreement (for Mr. Sondheim) are listed below.

PEER GROUP FOR 2013/2014 FISCAL YEAR

Avid Technology, Inc.	Dts Inc.
Demand Media Inc.	Harmonic Inc.
Dg Fastchannel Inc.	Limelight Networks Inc.
Dial Global, Inc.	RealD Inc.
Digimarc Corp.	Rentrack Corp.
Digital River, Inc.	Seachange International, Inc.

Competitive analysis was also conducted for the CFO position in 2014 in conjunction with the hiring of Mr. Edell based on the peer group listed above.

In addition to competitive pay level information from the companies listed above, the Committee also considered pay practices at Imax, National Cinema, NetFlix, Lions Gate, and Rovi Corp., although these companies are not part of Cinedigm's executive compensation peer group.

Pay Mix

The Company's pay philosophy has been evolving from an emphasis on fixed pay to one that believes a substantial portion of each executive's compensation should be at risk and dependent upon performance. While the Compensation Committee has not adopted a targeted mix of either long-term to short-term, fixed to variable, or equity and non-equity compensation, it has taken steps to increase the portion of variable compensation. Steps in this direction include the introduction of the Management Annual Incentive Plan and more regular equity grants.

Elements of Compensation

Base Salary

Base salaries are fixed compensation with the primary function of aiding in attraction and retention. These salaries are reviewed periodically, as well as at the time of a promotion, change in responsibilities, or when employment agreements are renewed or entered into. Any increases are based on an evaluation of the previous year's performance of the Company and the executive, the relative strategic importance of the position, market conditions, and competitive pay levels (though, as noted earlier, the Compensation Committee does not target a specific percentile or range). None of the Named Executives received a salary increase during fiscal 2015.

Named Executive salaries will remain at current levels throughout the new fiscal year, with no salary increases planned, unless an increase is determined as a result of the negotiated renewal of a Named Executive's employment agreement. The decision to maintain salaries at current levels and forgo salary increases reflects the Compensation Committee's plan to deliver a greater proportion of compensation through variable components over time.

Annual Incentive Awards

Commencing with the 2010 fiscal year, the Compensation Committee implemented a formal annual incentive plan. This plan was used for the 2015 fiscal year and covered 33 Cinedigm employees including the Named Executives.

The plan established threshold and maximum levels of incentive awards defined as a percentage of a participant's salary.

Executive Officer	Threshold MAIP as		
	a	Target MAIP as a	Maximum MAIP as a
	Percent of Salary	Percent of Salary	Percent of Salary
Chris McGurk	37.5%	75%	150%
Adam M. Mizel	25%	50%	100%
William S. Sondheim	17.5%	35%	70%

Payouts for Named Executives were determined based on achievement of consolidated adjusted EBITDA and other performance targets. Participants who were part of a specific business segment or division have a portion of their award determined by business segment or division's EBITDA performance as compared to EBITDA goals established at the beginning of the fiscal year. We do not disclose segment and division targets, or individual goals, as we believe that such disclosure would result in competitive harm. Based on our experience in the segments and divisions, we believe these targets were set sufficiently high to provide incentive to achieve a high level of performance. We believe it is difficult, although not unattainable, for the targets to be reached and, therefore, no more likely than unlikely that the targets will be reached. Twenty percent of the award opportunity is determined based on individual performance for Named Executives.

For Mr. McGurk and Mr. Mizel, 80% of their fiscal 2015 MAIP award is determined based on achievement of consolidated adjusted EBITDA and 20% based on individual performance. For Mr. Sondheim, 60% of his fiscal 2015 MAIP award is determined based on the achievement of consolidated adjusted EBITDA, 20% is based on achievement of division EBITDA, and 20% is based on individual performance.

For the Last Fiscal Year, the Named Executives did not receive an MAIP award.

Long-Term Incentive Awards

The Compensation Committee annually considers long-term incentive awards, for which it has the authority to grant a variety of equity-based awards. The primary objective of such awards is to align the interests of executives with those of stockholders by increasing executive share ownership and fostering a long-term focus. In recent years, such awards have been made after fiscal year end in order to permit consideration of year-end performance.

Long-term incentive awards for the Named Executives have historically consisted of stock options and, on occasion, RSUs. These grants were designed to aid in retention, provide a discretionary reward for performance, increase executive ownership, and focus Named Executives on improving share price. No long-term incentive awards were granted in fiscal 2015.

No RSUs are currently outstanding for any Named Executives.

Mr. McGurk's Compensation Arrangements

Mr. McGurk joined Cinedigm in January 2011 as CEO and Chairman of the Board. Accordingly, Mr. McGurk's compensation package was created in line with the Company's current compensation philosophy of a base salary coupled with variable compensation including a large portion of equity-based compensation, through stock options, linked to stock price performance. When negotiating Mr. McGurk's employment agreement, the Company sought for salary and bonus amounts that were in line with peer group amounts and that would provide incentive for Mr. McGurk with a view toward increasing stockholder value. The Company determined that stock options would align Mr. McGurk's interests with stockholders and, further, that the escalating exercise price structure of the options (the options are grouped in three tranches which have exercise prices of \$1.50, \$3.00 and \$5.00 per share, respectively) would provide a strong incentive for Mr. McGurk to improve stock performance. Mr. McGurk and the Company entered into a new employment agreement in August 2013, pursuant to which, among other things, Mr. McGurk received a bonus of \$250,000 and a grant of stock options to purchase 1,500,000 shares of Class A Common Stock with a price of \$1.40 per share and vesting in three equal annual installments.

A summary of Mr. McGurk's compensation package is located under the heading "Employment agreements and arrangements between the Company and Named Executives" of this Item.

Personal Benefits and Perquisites

In addition to the benefits provided to all employees and grandfathered benefits (provided to all employees hired before January 1, 2005), Named Executives are eligible for an annual physical and supplemental life insurance coverage of \$200,000.

It is the Company's policy to provide minimal and modest perquisites to the Named Executives. With the new employment agreements, most perquisites previously provided, including automobile allowances, have been eliminated.

Employment Agreements for other Named Executives

The Company provides employment agreements to Mr. Mizel and Mr. Sondheim, for retention during periods of uncertainty and operational challenge. Additionally, the employment agreements include non-compete and non-solicitation provisions. The provisions for severance benefits are at typical competitive levels. See "Employment agreements and arrangements between the Company and Named Executives" of this Item for a description of the material terms of Mr. Mizel's and Mr. Sondheim's employment agreements.

Stock Ownership Guidelines

The Company does not maintain formal stock ownership guidelines for its executive officers.

Policy on Deductibility of Compensation

Section 162(m) of the Internal Revenue Code limits the deductibility of compensation in excess of \$1 million paid to certain executive officers named in this proxy statement, unless certain requirements are met. No element of the Company's compensation, including the annual incentive awards and restricted stock, meets these requirements. Given the Company's net operating losses, Section 162(m) is not currently a material factor in designing compensation.

Recapture Policy

The Company intends to recapture compensation as currently required under the Sarbanes-Oxley Act and as may be required by the rules promulgated in response to Dodd-Frank. However, there have been no instances to date where it needed to recapture any compensation.

Restriction on Speculative Transactions

The Company's Insider Trading and Disclosure Policy restricts employees and directors of the Company from engaging in speculative transactions in Company securities, including short sales, and discourages employees and directors of the Company from engaging in hedging transactions, including "cashless" collars, forward sales, and equity swaps, that may indirectly involve short sales. Pre-clearance by the Company is required for any such transaction.

Employment agreements and arrangements between the Company and Named Executives

Christopher J. McGurk. On December 23, 2010, the Company entered into an employment agreement with Mr. McGurk (the "2010 McGurk Employment Agreement"), pursuant to which Mr. McGurk served as the Chief Executive Officer of the Company. The term of the 2010 McGurk Employment Agreement commenced on January 3, 2011 and was scheduled to terminate on March 31, 2014. Pursuant to the 2010 McGurk Employment Agreement, Mr. McGurk received an annual base salary of \$600,000. In addition, Mr. McGurk received a bonus of \$112,500, payable in shares of Class A Common Stock, on March 31, 2011, and was eligible for bonuses for each of the fiscal years ending March 31, 2012 through March 31, 2014, with the target bonus for such years of \$450,000, which bonuses shall be based on Company performance with goals to be established annually by the Compensation Committee. If the Company terminates Mr. McGurk's employment without cause or he resigns with

good reason (as these terms are defined in the 2010 McGurk Employment Agreement), the 2010 McGurk Employment Agreement provided that he was entitled to continued payment of his base salary (and earned bonus) through March 31, 2014, as well as the accelerated vesting of any unvested options granted to him under the 2010 McGurk Employment Agreement. However, if the Company terminated Mr. McGurk's employment without cause or he resigned with good reason following a change in control of the Company, the 2010 McGurk Employment Agreement provided that he was entitled to a lump sum payment equal to his base salary (and earned bonus) times the greater of (i) two or (ii) the number of months remaining under his employment term divided by 12, as well as the accelerated vesting of any unvested options granted to him under the 2010 McGurk Employment Agreement. Also pursuant to the 2010 McGurk Employment Agreement, Mr. McGurk received an inducement grant of non-statutory options to purchase 4,500,000 shares of Class A Common Stock, which options are grouped in three tranches, consisting of options for 1,500,000 shares having an exercise price of \$1.50 per share, options for 2,500,000 shares having an exercise price of \$3.00 per share and options for 500,000 shares having an exercise price of \$5.00 per share. One-third of the options in each tranche vested on December 23 of each of 2011, 2012 and 2013 and all of the options have a term of ten (10) years.

On August 22, 2013, the Company entered into a new employment agreement with Mr. McGurk (the "2013 McGurk Employment Agreement"), pursuant to which McGurk will continue to serve as the Chief Executive Officer and Chairman of the Board of the Company. The term of the 2013 McGurk Employment Agreement continues from January 3, 2011 and will end on March 31, 2017. The 2013 McGurk Employment Agreement supersedes the 2010 McGurk Employment Agreement. Pursuant to the 2013 McGurk Employment Agreement, Mr. McGurk will receive an annual base salary of \$600,000 subject to annual reviews and increases in the sole discretion of the Compensation Committee. Mr. McGurk was entitled to receive a bonus of \$250,000. In addition, Mr. McGurk is entitled to receive a retention bonus of \$750,000, payable in three equal installments on March 31 of each of 2015, 2016 and 2017 in cash or shares of Class A Common Stock, or a combination thereof, at the Compensation Committee's discretion. In addition, Mr. McGurk will be eligible for bonuses for each fiscal year, with target bonus for fiscal years 2012, 2013 and 2014 of \$450,000 and target bonus for fiscal years 2015, 2016 and 2017 of \$600,000, which bonuses shall be based on Company performance with goals to be established annually by the Compensation Committee.

Also pursuant to the 2013 McGurk Employment Agreement, Mr. McGurk received a grant of non-statutory options to purchase 1,500,000 shares of Class A Common Stock, which options have an exercise price of \$1.40 and a term of ten (10) years, and one-third (1/3) of which vest on March 31 of each of 2015, 2016 and 2017.

The 2013 McGurk Employment Agreement further provides that Mr. McGurk is entitled to participate in all benefit plans provided to senior executives of the Company. If the Company terminates Mr. McGurk's employment without cause or he resigns with good reason, the 2013 McGurk Employment Agreement provides that he is entitled to receive his base salary through the later of March 31, 2017 or twelve (12) months following such termination as well as bonus earned and approved by the Compensation Committee, reimbursement of expenses incurred and benefits accrued prior to the termination date. If such termination or resignation occurs within two years after a change in control, then in lieu of receiving his base salary as described above, Mr. McGurk would be entitled to receive a lump sum payment equal to the sum of his then base salary and target bonus amount, multiplied by the greater of (i) two, or (ii) a fraction, the numerator of which is the number of months remaining in the term (but no less than twelve (12)), and the denominator of which is twelve. Upon a change in control, any unvested options shall immediately vest provided that Mr. McGurk is an employee of the Company on such date.

Adam M. Mizel. On October 19, 2011, the Company entered into an employment agreement with Adam M. Mizel (the "2011 Mizel Employment Agreement"). Pursuant to the 2011 Mizel Employment Agreement, Mr. Mizel served as the Chief Operating Officer and Chief Financial Officer of the Company. The term of the 2011 Mizel Employment Agreement commenced on October 3, 2011 and, after two extensions, ended on October 1, 2013. Pursuant to the 2011 Mizel Employment Agreement, Mr. Mizel received an annual base salary of \$375,000, subject to increase for

subsequent years at the Compensation Committee's discretion, and was eligible for a bonus based on overall Company performance with goals established by the Compensation Committee. The 2011 Mizel Employment Agreement provided that Mr. Mizel was entitled to participate in all benefit plans provided to senior executives of the Company. If the Company terminated Mr. Mizel's employment without cause or he resigned with good reason (as these terms are defined in the 2011 Mizel Employment Agreement), the 2011 Mizel Employment Agreement provided that he was entitled to continued payment of his base salary (and earned bonus) for 12 months following his termination as well as the accelerated vesting of any unvested options granted to him under the 2011 Mizel Employment Agreement. However, if the Company terminated Mr. Mizel's employment without cause or he resigned with good reason following a change in control of the Company, the 2011 Mizel Employment Agreement provided that he was entitled to a lump sum payment equal to his base salary (and earned bonus) times the greater of

(i) two or (ii) the number of months remaining under his employment term divided by 12, as well as the accelerated vesting of any unvested options granted to him under the 2011 Mizel Employment Agreement.

On October 15, 2013, the Company entered into a new employment agreement with Mr. Mizel (the “2013 Mizel Employment Agreement”). Pursuant to the 2013 Mizel Employment Agreement, Mr. Mizel will continue to serve as the Chief Operating Officer and Chief Financial Officer of the Company. The Mizel Agreement continues the 2011 Mizel Employment Agreement as amended until September 30, 2014. Pursuant to the 2013 Mizel Employment Agreement, Mizel will receive an annual base salary of \$425,000 effective as of October 1, 2013, subject to annual reviews and increases in the sole discretion of the Compensation Committee. Mr. Mizel will be eligible for bonuses for each fiscal year, with target bonus for fiscal years 2014 and 2015 of \$212,500, which bonuses shall be based on Company performance with goals to be established annually by the Compensation Committee. In addition, Mr. Mizel was entitled to receive a bonus of \$150,000.

Also pursuant to the 2013 Mizel Employment Agreement, Mr. Mizel received a grant of non-statutory options to purchase 600,000 shares of Class A Common Stock, which options have an exercise price of \$1.53 and a term of ten (10) years, and one-third (1/3) of which vest on October 15 of each of 2014, 2015 and 2016.

The 2013 Mizel Employment Agreement further provides that Mr. Mizel is entitled to participate in all benefit plans provided to senior executives of the Company. If the Company terminates Mr. Mizel’s employment without cause or he resigns with good reason, the Employment Agreement provides that he is entitled to receive his base salary for twelve (12) months following such termination as well as earned bonuses, reimbursement of expenses incurred and benefits accrued prior to the termination date. If such termination or resignation occurs within two years after a change in control, then in lieu of receiving his base salary as described above, Mr. Mizel would be entitled to receive a lump sum payment equal to two times the sum of his then base salary and target bonus amount.

On November 14, 2014, the Company and Mr. Mizel entered into an amendment pursuant to which, effective as of October 1, 2013, the 2013 Mizel Employment Agreement was extended through March 31, 2015.

William S. Sondheim. On December 4, 2014, Cinedigm Entertainment Corp., a wholly-owned subsidiary of Cinedigm, entered into an employment agreement with William Sondheim (the “Sondheim Employment Agreement”), pursuant to which Mr. Sondheim will serve as President of Cinedigm Entertainment Corp. and President of Cinedigm Home Entertainment, LLC, a wholly-owned indirect subsidiary of Cinedigm. The term of the Sondheim Employment Agreement is from October 1, 2014 through September 30, 2016. Pursuant to the Sondheim Employment Agreement, Mr. Sondheim will receive an annual base salary of \$412,000 subject to increase at the discretion of the Compensation Committee. In addition, Mr. Sondheim will be eligible for bonuses for each fiscal year, with target bonus for fiscal years 2015 and 2016 of \$144,200, which bonuses shall be based on Company performance with goals to be established annually by the Compensation Committee.

The Sondheim Employment Agreement further provides that Mr. Sondheim is entitled to participate in all benefit plans provided to senior executives of the Company. If the Company terminates Mr. Sondheim’s employment without cause or he resigns with good reason, the Sondheim Employment Agreement provides that he is entitled to receive his base salary for the longer of the remainder of the term or the (twelve) 12 months following the termination as well as earned salary and bonus(es), reimbursement of expenses incurred and benefits accrued prior to the termination date. If such termination or resignation occurs within two years after a change in control, then in lieu of receiving his base salary as described above, Mr. Sondheim would be entitled to receive a lump sum payment equal to two times the sum of his then base salary and target bonus amount.

The following table sets forth certain information, as of March 31, 2015, regarding the shares of Cinedigm's Class A Common Stock authorized for issuance under Cinedigm's equity compensation plan.

(1) Shares of Cinedigm Class A Common Stock.

(2) Reflects stock options which were not granted under the Plan.

Our Board originally adopted the Plan on June 1, 2000 and our stockholders approved the Plan by written consent in July 2000. Certain terms of the Plan were last amended and approved by our stockholders in September 2014. Under the Plan, we may grant incentive and non-statutory stock options, stock, restricted stock, restricted stock units (RSUs), stock appreciation rights, performance awards and other equity-based awards to our employees, non-employee directors and consultants. The primary purpose of the Plan is to enable us to attract, retain and motivate our employees, non-employee directors and consultants. The term of the Plan expires on June 1, 2020. As of March 31, 2015, there were 5,908,670 stock options outstanding to purchase shares of Class A Common Stock and there were 5,312,307 shares of Class A Common Stock available for issuance under the Plan.

As of June 22, 2015, stock options outstanding covering 6,033,670 shares of the Company’s Class A Common Stock had been granted under the Plan. During the Last Fiscal Year, 141,000 stock options were exercised.

Options granted under the Plan expire ten years following the date of grant (or such shorter period of time as may be provided in a stock option agreement or five years in the case of incentive stock options granted to stockholders who own greater than 10% of the total combined voting power of the Company) and are subject to restrictions on transfer. Options granted under the Plan generally vest over periods of up to three or four years. The Plan is administered by the Compensation Committee, and may be amended or terminated by the Board, although no amendment or termination may adversely affect the right of any individual with respect to any outstanding option without the consent of such individual. The Plan provides for the granting of incentive stock options with exercise

prices of not less than 100% of the fair market value of the Company's Class A Common Stock on the date of grant. Incentive stock options granted to stockholders of more than 10% of the total combined voting power of the Company must have exercise prices of not less than 110% of the fair market value of the Company's Class A Common Stock on the date of grant. Incentive and non-statutory stock options granted under the Plan are subject to vesting provisions, and exercise is generally subject to the continuous service of the optionee, except for consultants. The exercise prices and vesting periods (if any) for non-statutory options may be set at the discretion of the Board or the Compensation Committee. Upon a change of control of the Company, all options (incentive and non-statutory) that have not previously vested will vest immediately and become fully exercisable. Options covering no more than 500,000 shares may be granted to one participant during any calendar year unless pursuant to a multi-year award, in which case no more than options covering 500,000 shares per year of the award may be granted, and during which period no additional options may be granted to such participant.

Grants of restricted stock and restricted stock units are subject to vesting requirements, generally vesting over periods up to three years, determined by the Compensation Committee and set forth in notices to the participants. Grants of stock, restricted stock and restricted stock units shall not exceed 40% of the total number of shares available to be issued under the Plan.

Stock appreciation rights ("SARs") consist of the right to the monetary equivalent of the increase in value of a specified number of shares over a specified period of time. Upon exercise, SARs may be paid in cash or shares of Class A Common Stock or a combination thereof. Grants of SARs are subject to vesting requirements, similar to those of stock options, determined by the Compensation Committee and set forth in agreements between the Company and the participants. RSUs shall be similar to restricted stock except that no Class A Common Stock is

actually awarded to the Participant on the grant date of the RSUs and the Compensation Committee shall have the discretion to pay such RSUs upon vesting in cash or shares of Class A Common Stock or a combination thereof.

Performance awards consist of awards of stock and other equity-based awards that are valued in whole or in part by reference to, or are otherwise based on, the market value of the Class A Common Stock, or other securities of the Company, and may be paid in shares of Class A Common Stock, cash or another form of property as the Compensation Committee may determine. Grants of performance awards shall entitle participants to receive an award if the measures of performance established by the Committee are met. Such measures shall be established by the Compensation Committee but the relevant measurement period for any performance award must be at least 12 months. Grants of performance awards shall not cover the issuance of shares that would exceed 20% of the total number of shares available to be issued under the Plan, and no more than 500,000 shares pursuant to any performance awards shall be granted to one participant in a calendar year unless pursuant to a multi-year award. The terms of grants of performance awards would be set forth in agreements between the Company and the participants. Our Class A Common Stock is listed for trading on Nasdaq under the symbol "CIDM".

The following table sets forth certain information concerning outstanding equity awards of the Company's Named Executives at the end of the Last Fiscal Year. All outstanding stock awards reported in this table represent restricted stock that vests in equal annual installments over three years. At the end of the Last Fiscal Year, there were no unearned equity awards under performance-based plans.

Effective through the Annual Meeting, each director who is not an employee of the Company was compensated for services as a director by receiving an annual cash retainer for Board service of \$8,000; an annual stock retainer of \$50,000 in Class A Common Stock (based on grant date stock price); a committee retainer of \$1,000 for participation on one or more committees (maximum of \$1,000); and a per meeting fee for in-person attendance at Board meetings of \$1,000. In addition to the cash and stock retainers paid to all non-employee Directors for Board service, the Lead Independent Director received a fixed amount to be determined by the Nominating Committee, in lieu of committee fees. Additional compensation as a chairperson is paid if the Lead Independent Director chairs a committee.

In light of the fact that non-employee director compensation has remained at existing levels for several years and upon a comparison of Cinedigm's director compensation to peer company practices, and in connection with its recent reconstitution, the Board approved new annual compensation for non-employee directors. Effective as of the Annual Meeting, each director who is not an employee of the Company will be compensated for services rendered as a director, including attendance at meetings and service as a member or chairman of any committee, by receiving an annual cash retainer of \$50,000, payable quarterly in arrears, and an annual stock grant of restricted shares of Class A common stock equal in value to \$50,000 as of the last day of the fiscal quarter during which the Company's annual meeting occurs, which restricted shares shall vest on a quarterly basis during the year of service. In addition to the cash and stock retainers paid to all non-employee Directors for Board service, the Lead Independent Director will receive a fixed amount to be determined by the Nominating Committee. The directors may elect to receive any annual cash retainer in shares of vested Class A common stock, in lieu of cash, based on the stock price as of the date of the cash payment.

The Company requires that Directors agree to retain 100% of their net after tax shares received for board service until separation from the Board. In addition, the Directors are reimbursed by the Company for expenses of traveling on

Company business, which to date has consisted of attending Board and Committee meetings.

The Company has adopted Stock Ownership Guidelines for its non-employee directors as discussed under “Compensation Discussion and Analysis – Stock Ownership Guidelines.”

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires the Company’s directors, executive officers and persons who beneficially own more than 10% of its Class A Common Stock to file reports of ownership and changes in ownership with the Commission and to furnish the Company with copies of all such reports they file. Based on the Company’s review of the copies of such forms received by it, or written representations from certain reporting persons, the Company believes that none of its directors, executive officers or persons who beneficially own more

than 10% of the Company's Class A Common Stock failed to comply with Section 16(a) reporting requirements in the Company's Last Fiscal Year.

CODE OF BUSINESS CONDUCT AND ETHICS

We have adopted a code of ethics applicable to all members of the Board, executive officers and employees. Such code of ethics is available on our Internet website, www.cinedigm.com. We intend to disclose any amendment to, or waiver of, a provision of our code of ethics by filing a Form 8-K with the SEC.

STOCKHOLDER COMMUNICATIONS

The Board currently does not provide a formal process for stockholders to send communications to the Board. In the opinion of the Board, it is appropriate for the Company not to have such a process in place because the Board believes there is currently not a need for a formal policy due to, among other things, the limited number of stockholders of the Company. While the Board will, from time to time, review the need for a formal policy, at the present time, stockholders who wish to contact the Board may do so by submitting any communications to the Company's Secretary, Mr. Loffredo, 902 Broadway, 9th Floor, New York, New York 10010, with an instruction to forward the communication to a particular director or the Board as a whole. Mr. Loffredo will receive the correspondence and forward it to any individual director or directors to whom the communication is directed.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The Audit Committee oversees the Company's financial reporting process on behalf of the Board. In fulfilling its oversight responsibilities, the Audit Committee reviewed and discussed with management the audited financial statements in the Form 10-K, including a discussion of the acceptability of the accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements.

The Audit Committee reviewed and discussed with the independent registered public accounting firm, which is responsible for expressing an opinion on the conformity of those audited financial statements with the standards of the Public Company Accounting Oversight Board, the matters required to be discussed by Statements on Auditing Standards (SAS 61), as may be modified or supplemented, and their judgments as to the acceptability of the Company's accounting principles and such other matters as are required to be discussed with the Audit Committee under the standards of the Public Company Accounting Oversight Board.

In addition, the Audit Committee has discussed with the independent registered public accounting firm their independence from management and the Company, including receiving the written disclosures and letter from the independent registered public accounting firm as required by the Independence Standards Board Standard No. 1, as may be modified or supplemented, and has considered the compatibility of any non-audit services with the auditors' independence.

The Audit Committee discussed with the Company's independent registered public accounting firm the overall scope and plans for their audit. The Audit Committee meets with the independent registered public accounting firm, with and without management present, to discuss the results of their examinations and the overall quality of the Company's financial reporting.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board, and the Board approved, that the audited financial statements be included in the Form 10-K for the year ended March 31, 2015 for filing with the SEC.

Respectfully submitted,
The Audit Committee of the Board of Directors
Peter C. Brown, Chairman
Martin B. O'Connor II
Zvi M. Rhine
Blair M. Westlake

THE FOREGOING AUDIT COMMITTEE REPORT SHALL NOT BE "SOLICITING MATERIAL" OR BE DEEMED "FILED" WITH THE SEC, NOR SHALL SUCH INFORMATION BE INCORPORATED BY REFERENCE INTO ANY FILING UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR THE EXCHANGE ACT, EXCEPT TO THE EXTENT THE COMPANY SPECIFICALLY INCORPORATES IT BY REFERENCE INTO SUCH FILING.

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

EisnerAmper LLP served as the independent registered public accounting firm to audit the Company's consolidated financial statements since the fiscal year ended March 31, 2005 and the Board has appointed EisnerAmper LLP to do so again for the fiscal year ending March 31, 2016.

The Company's Audit Committee has adopted policies and procedures for pre-approving all non-audit work performed by EisnerAmper LLP for the fiscal years ended March 31, 2015 and 2014. In determining whether to approve a particular audit or permitted non-audit service, the Audit Committee will consider, among other things, whether the service is consistent with maintaining the independence of the independent registered public accounting firm. The Audit Committee will also consider whether the independent registered public accounting firm is best positioned to provide the most effective and efficient service to our Company and whether the service might be expected to enhance our ability to manage or control risk or improve audit quality. Specifically, the Audit Committee has pre-approved the use of EisnerAmper LLP for detailed, specific types of services within the following categories of non-audit services: acquisition due diligence and audit services; tax services; and reviews and procedures that the Company requests Eisner to undertake on matters not required by laws or regulations. In each case, the Audit Committee has required management to obtain specific pre-approval from the Audit Committee for any engagements.

The aggregate fees billed for professional services by EisnerAmper LLP for these various services were:

Type of Fees	For the fiscal years ended March 31,	
	2015	2014
(1) Audit Fees	\$ 575,380	\$ 627,860
(2) Audit-Related Fees	—	—
(3) Tax Fees	—	—
(4) All Other Fees	—	—
	\$ 575,380	\$ 627,860

In the above table, in accordance with the SEC's definitions and rules, "audit fees" are fees the Company paid EisnerAmper LLP for professional services for the audit of the Company's consolidated financial statements for the fiscal years ended March 31, 2015 and 2014 included in Form 10-K and review of consolidated financial statements incorporated by reference into Form S-3 and Form S-8 and included in Form 10-Qs and for services that are normally provided by the accountant in connection with statutory and regulatory filings or engagements; "audit-related fees" are fees for assurance and related services that are reasonably related to the performance of the audit or review of the Company's consolidated financial statements; "tax fees" are fees for tax compliance, tax advice and tax planning; and "all other fees" are fees for any services not included in the first three categories. All of the services set forth in sections (1) through (4) above were approved by the Audit Committee in accordance with the Audit Committee Charter.

For the fiscal years ended March 31, 2015 and 2014, the Company retained a firm other than EisnerAmper LLP for tax compliance, tax advice and tax planning.

Language of New Section 4.1:

“FOURTH: CAPITALIZATION

Section 4.1 Authorized Shares.

The total number of shares of capital stock that the Corporation shall have authority to issue is [_____] (_____) shares as follows: (i) [_____] (_____) shares of common stock, of which [_____] (_____) shares shall be Class A Common Stock, par value \$.001 per share (the “Class A Common Stock”), and one million, two hundred forty-one thousand (1,241,000) shares shall be Class B Common Stock, par value \$.001 per share (the “Class B Common Stock”, and together with the Class A Common Stock, the “Common Stock”); and (ii) Fifteen Million (15,000,000) shares of preferred stock, par value \$.001 per share (the “Preferred Stock”), of which the Board of Directors shall have the authority by resolution or resolutions to fix all of the powers, preferences and rights, and the qualifications, limitations and restrictions of the Preferred Stock permitted by the Delaware General Corporation Law and to divide the Preferred Stock into one or more class and/or classes and designate all of the powers, preferences and rights, and the qualifications, limitations and restrictions of each class permitted by the Delaware General Corporation Law.
