Item 4. Changes in Registrant's Certifying Accountant

On March 23, 2002, Registrant engaged the accounting firm Cogen Sklar, LLP to audit Registrant's financial statements for the year ended December 31, 2001. The engagement of BDO Seidman, which had been engaged by Registrant to audit its financial statements for prior years, was not renewed. Such firm had not submitted a resignation, nor had it formally declined to stand for re-election as Registrant's auditor.

Except as set forth below, such accountant's report on Registrant's financial statements for either of the past two years did not contain an adverse opinion or a disclaimer of opinion, or was qualified or modified as to uncertainty, audit scope, or accounting principles.

statements for the year ended December 31, 1999 contained the following statements:

"The accompanying financial statements have been prepared assuming that the Company will continue as a going concern. As discussed in Note 11 to the financial statements, the Company has suffered recurring losses from operations that raises substantial doubt about its ability to continue as a going concern. Management's plans in regard to this matter are also described in Note 11. The financial statements do not include any adjustments that might result from the outcome of this uncertainty."

The decision to change certifying accountants was approved by Registrant's Board of Directors.

During the Registrant's two most recent fiscal years and any subsequent interim period preceding March 23, 2002: (A) there were (i) no disagreements with the former accountant on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreement(s), if not resolved to the satisfaction of the former accountant, would have caused it to make reference to the subject matter of the disagreement(s) in connection with its report; and (ii) no events of the kind described in paragraph (a) (1) (v) of Item 304 of Regulation S-K; and (B) Registrant did not consult the new accountant regarding any matter described in paragraph (a) (2) of Item 304 of Regulation S-K.

Registrant has provided to the former accountant a copy of the disclosures made herein and has asked such former accountant to furnish Registrant with a letter addressed to the Commission stating whether it agrees with the statements made herein by Registrant. A copy of the response of such former accountant will be filed with the Commission within two business days following its receipt by Registrant, but not later than ten business days after the date of filing of this Report on Form 8-K.
