Item 5. Other Events.

Commencing on October 16, 2002, Stonepath Group, Inc. (the "Company") will participate in a series of meetings with private investors during which it will present the following information about the Company, some of which may constitute material non-public information.

Edgar Filing: STONEPATH GROUP INC - Form 8-K

Certain of the information contained herein should be considered forward-looking statements within the meaning of Section 27A of the Securities Act of 1933 as amended, and Section 21E of the Securities Exchange Act of 1934 that reflect the Company's current views with respect to future events and financial performance. We have based these forward-looking statements on our current expectations and projections about future events. These forward-looking statements are subject to known and unknown risks, uncertainties and assumptions about us and our affiliate companies, that may cause our actual results, levels of activity, performance or achievements to be materially different from any future results, levels of activity, performance or achievements expressed or implied by such forward-looking statements. While it is impossible to identify all of the factors that may cause our actual results, levels of activity, performance, or achievements to differ materially from those set forth in such forward-looking statements, such factors include: (i) our limited operating history, (ii) our ability to identify, acquire, integrate and profitably manage additional businesses; (iii) our ability to obtain the additional capital necessary to make additional cash acquisitions, (iv) the scarcity and competition for the operating companies we need to acquire to implement our business strategy, (v) competition in the freight forwarding, logistics and supply chain management industry, (vi) our historic losses and our ability to achieve operating profitability, (vii) the impact of current and future laws effecting the Company's operations, (viii) general economic conditions, (ix) regional disruptions in transportation, such as those recently experienced on the West Coast of the United States, and (x) other factors which are or may be identified from time to time in our Securities and Exchange Commission filings and other public announcements, including our Annual Report on Form 10-K filed on March 29, 2002. There can be no assurance that these and other factors will not affect the accuracy of such forward-looking statements.

## Safe Harbor Statement

=====

This presentation may include forward-looking statements within the meaning of Section 27A of the Securities Act of 1933 as amended, and Section 21E of the Securities Exchange Act of 1934. We have based these forward-looking statements on our current expectations and projections about future events. These forward-looking statements are subject to known and unknown risks, uncertainties and assumptions about us and our affiliate companies, that may cause our actual results, levels of activity, performance or achievements to be materially different from any future results, levels of activity, performance or achievements expressed or implied by such forward-looking statements. Factors that might cause or contribute to such a discrepancy include, but are not limited to, those identified in our other Securities and Exchange Commission filing and other public documents, including our Annual Report on Form 10-K filed on March 29, 2002, and our Form 10-Q for the second quarter ended June 30, 2002, which can be found on our corporate Web site, [www.stonepath.com](http://www.stonepath.com).
