ITEM 5. OTHER EVENTS

On April 27, 2004, Caprius, Inc., a Delaware corporation (the "Company"), issued and sold a series of 8% Senior Secured Convertible Promissory Notes (the "Notes") in the aggregate principal amount of \$1,075,000 (the "Offering"). The Notes are repayable, together with interest, on April 27, 2005 (the "Maturity Date"), subject to prepayment by the Company or conversion by the investors. The Notes and accrued interest thereon are convertible into shares of the Company's Common Stock at any time in whole or from time to time in part at a conversion price of Twenty Cents (\$.20) per share, subject to reduction to Fifteen Cents (\$.15) per share as of October 1, 2004 upon the occurrence of certain conditions described in the Notes, and subject to the anti-dilution provisions contained in the Notes.

To induce investors to purchase the Notes, pursuant to a Security and Pledge Agreement, the Company secured its obligations under the Notes by granting to the investors a security interest in all of the Company's assets and pledging all of its capital stock of M.C.M. Environmental Technologies, Inc., a Delaware corporation and majority-owned subsidiary ("MCM"), excluding any

royalty payments to be received pursuant to a Royalty Agreement, dated as of October 9, 2002, between Seradyn Inc. and Opus Diagnostic Inc., a subsidiary of the Company.

The proceeds from the sale of the Notes will be utilized for the expansion of MCM's infectious medical waste disposal business and for general working capital purposes of the Company.

The Offering shall continue until the earlier of May 12, 2004, subject to the right of extension up to June 11, 2004, or the issuance and sale of the balance of the Notes up to an aggregate principal amount of \$1,500,000.

The Company retained Sands Brothers International Ltd. ("SBIL") to serve as a selected dealer to offer and sell the Notes pursuant to a Selected Dealer Agreement (the "Dealer Agreement"). The Company is to pay SBIL a placement fee equal to 4% of the principal amount of the Notes sold and an advisory fee of 2% of the principal amount of the Notes sold, and is to grant warrants (the "Dealer Warrants") to SBIL to purchase up to 1,425,000 shares of the Company's Common Stock, at an exercise price of \$.28 per share, pursuant to a Common Stock Purchase Warrant Agreement. In addition, the Company paid SBIL accountable legal fees incurred in connection with the Offering in the amount of \$20,000, and is to pay SBIL a non-accountable expense allowance equal to 1% of the principal amount of the Notes sold. The Company entered into a Registration Rights Agreement with the purchasers of the Notes and SBIL for the registration of shares of Common Stock underlying the Notes and the Dealer Warrants.
