ITEM 8.01 Other Events.

Reference is made to Note 2 - Rate and Regulatory Matters to the financial statements under Part I, Item 1; Outlook under Part I, Item 2. Management's Discussion and Analysis of Financial Condition and Results of Operations; and Part II, Item 1A. Risk Factors in the Form 10-Q for the quarterly period ended June 30, 2006, of registrant Ameren Corporation ("Ameren") and its registrant subsidiaries, Union Electric Company, doing business as AmerenUE, Central Illinois Public Service Company, doing business as AmerenCIPS ("CIPS"), Ameren Energy Generating Company, CILCORP Inc., Central Illinois Light Company, doing business as AmerenCILCO ("CILCO"), and Illinois Power Company, doing business as AmerenIP ("IP") (collectively, the "registrants"), for a discussion of the process for power procurement for Ameren's Illinois utility companies after the expiration of the current Illinois electric rate freeze on January 1, 2007 and power supply contracts on December 31, 2006 and a discussion of the delivery service rate cases filed by Ameren's Illinois utility companies with the Illinois Commerce Commission in December 2005. Reference is also made to the Form 8-K filed by Ameren and certain of its registrant subsidiaries on September 18, 2006.

On October 2, 2006, Michael J. Madigan, Speaker of the Illinois House of Representatives sent a letter (the "Speaker's letter") to Illinois Governor Rod R. Blagojevich asking the Illinois Governor to call a special session of the Illinois General Assembly for the purpose of considering legislation which would extend the electric rate freeze applicable to electric utility companies in Illinois, including CIPS, CILCO and IP, until January 1, 2010. A copy of the Speaker's letter is included as Exhibit 99.1. On October 2, 2006, the Illinois Governor sent a letter (the "Governor's letter") in response to the Speaker's letter indicating that once he and the Speaker had the votes to pass the legislation he would immediately call for a special session of the legislature. The Governor's letter further provided that in the event he is unable to reach a consensus with members of the General Assembly in the near future, he would call a special session in that event as well. The Governor's letter stated he continued to "support legislation extending a rate freeze and would like to sign it into law as soon as possible." A copy of the Governor's letter is included as Exhibit 99.2. We are unable to

predict whether any efforts to extend the electric rate freeze will be successful.
