**Dr. Reddy s announces ANDA filing for Rosiglitazone Maleate**

Hyderabad, India, September 9, 2003:

Dr. Reddy s Laboratories (NYSE: RDY) today announced that the Company had filed an Abbreviated New Drug Application (ANDA) with the United States Food and Drug Administration for Rosiglitazone Maleate tablets, equivalent to 2mg, 4mg and 8 mg, with a Paragraph IV Certification on two of the three Orange Book patents listed for the drug.

Dr. Reddy s notified GlaxoSmithKline, upon which the latter filed a lawsuit against the Company in the United States District Court for the District of New Jersey, alleging patent infringement on the 803 patent. Dr. Reddy s believes that it has the first-to-file status on all dosage strengths and if successful in its litigation, would enjoy a 180-day marketing co-exclusivity pursuant to the July 2003 FDA guidance on 180-day exclusivity when multiple ANDAs are filed on the same day.

Rosiglitazone Maleate is the generic version of GlaxoSmithkline s Avandia® and is indicated for the management of type 2 diabetes. The brand had annual sales in the United States of approximately US \$1.1 billion (Source: IMS 2002).

**About Dr Reddy s**

Established in 1984, Dr. Reddy s Laboratories (NYSE: RDY) is an emerging global pharmaceutical company with proven research capabilities. The Company is vertically integrated with a presence across the pharmaceutical value chain. It produces finished dosage forms, active pharmaceutical ingredients and biotechnology products and markets them globally, with focus on India, US, Europe and Russia. The Company conducts research in the areas of cancer, diabetes, cardiovascular, inflammation and bacterial infection.

**Dr. Reddy s Safety, Health and Environment Annual Report Released**

Hyderabad, India, September 16, 2003:

Dr. Reddy s Laboratories today released its first Corporate Safety, Health & Environment (SHE) Annual Report for the year 2002-2003. The report was released by Satish Reddy, Chief Operating Officer, Dr. Reddy s, at a function organized for employees at the Company s corporate office.

Speaking at the release function, GV Prasad, CEO, Dr. Reddy s said, It is wonderful to witness the release of this report. It has been a dream for me since I first got involved in addressing environment related issues for the Company ten years ago. Harmony & Social Responsibility is our corporate value. We are backing the value with investments, commitment, passion and focus. It is our stated objective to make a difference to the communities we live in. Our experience has demonstrated that being eco-friendly actually helps to be competitive on a sustainable basis.

Dr. Reddy s has taken up several safety, health and environment initiatives. The Company has set up a Zero Liquid Effluent Discharge (ZLED) facility at its bulk actives manufacturing unit at Miryalguda, Andhra Pradesh. This has been operational for the last one year. The Company plans to commission Zero Liquid Effluent Discharge facilities in two of its Bulk Actives manufacturing units. Both these projects are expected to become operational during this financial year. This will make all the six Bulk Actives manufacturing units of Dr. Reddy s Zero Liquid Discharge plants.

For more details on the SHE initiatives of Dr. Reddy s, read the Corporate Safety, Health & Environment Annual Report available at <http://www.drreddys.com>.

**Dr. Reddy s announces USFDA approval for Nefazodone HCL tablets**

Hyderabad, India, September 17, 2003:

Dr. Reddy s Laboratories Limited (NYSE: RDY) announced today that the U. S. Food and Drug Administration has issued final approval for the Company s Abbreviated New Drug Application for Nefazodone Hydrochloride tablets 50, 100, 150, 200 and 250 mg. The product will be marketed through the Company s alliance partner, Par Pharmaceuticals.

Nefazodone hydrochloride is the AB-rated generic equivalent of Bristol Myers Squibb s Serzone®. Serzone® is indicated for the treatment of depression. As per IMS 2002, the product had annual US brand sales of approximately \$261 million.
