EX-99.A.20: PRESS RELEASE

---

**Table of Contents**

This Amendment No. 1 ( **Amendment No. 1** ) amends and supplements the Schedule 14D-9 ( the **Schedule 14D-9** ) initially filed by Gold Fields with the Securities and Exchange Commission ( the **SEC** ) on December 7, 2004 relating to the Subsequent Offer. Except as otherwise defined herein, capitalized terms shall have the meaning given to them in the Schedule 14D-9.

This Amendment No. 1 amends and supplements Item 8 as follows:

**ITEM 8. ADDITIONAL INFORMATION TO BE FURNISHED**

**Recent Developments**

On December 9, 2004, Patrice Motsepe, Chairman of Harmony, contacted Christopher Thompson, Chairman of Gold Fields, and arranged to meet Mr. Thompson at the head offices of Gold Fields today. Mr. Motsepe and Mr. Thompson met briefly and agreed that the current state of affairs between Gold Fields and Harmony was destroying shareholder value. Mr. Thompson informed Mr. Motsepe that he appreciated the point of view expressed, but did not believe that any conversations between Gold Fields and Harmony would prove to be beneficial until and unless certain conditions, which have been publicly communicated by Gold Fields today, were met.

**Shareholder Communications**

On December 9, 2004, Gold Fields made the following public communication:

Gold Fields issued a press release rejecting suggestions made in the media by Harmony that the two companies should enter into friendly discussions. Gold Fields also stated that the Board does not believe there is any basis for such discussions unless:

Harmony substantially increases its offer to reflect Gold Fields value;

Gold Fields shareholders receive Harmony s independently audited reserves and resources statement, which Harmony promised to publish early in December 2004;

Harmony consents to a comprehensive commercial due diligence on all of its assets, and in particular allows Gold Fields access to its reserves and life of mine plan; and

all of Harmony s loss-making and short-life shafts are excised from any proposal for discussion.

Further, Gold Fields stated that fair value for Gold Fields, even before any premium is factored in, would be in excess of 1.73 Harmony shares for each Gold Fields Share, at a Rand 85,000/kg gold price, and Gold Fields called upon Harmony to immediately allow its reserves to be independently reviewed by Gold Fields.

A copy of the press release has been filed herewith as Exhibit 99.(a)(20) and is hereby incorporated herein by this reference.
