### REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Participants of  
Schering-Plough Employees' Savings Plan

We have audited the accompanying statements of net assets available for benefits of the Schering-Plough Employees' Savings Plan (the "Plan") as of December 31, 2004 and 2003, and the related statements of changes in net assets available for benefits for the years then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The Plan is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audits included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, such financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2004 and 2003, and the changes in net assets available for benefits for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Our audits were conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedule of assets (held at end of year) as of December 31, 2004, is presented for the purpose of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This schedule is the responsibility of the Plan's management. Such schedule has been subjected to the auditing procedures applied in our audit of the basic 2004 financial statements and, in our opinion, is fairly stated in all material respects when considered in relation to the basic financial statements taken as a whole.

SCHERING-PLOUGH EMPLOYEES' SAVINGS PLAN  
NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN

The Schering-Plough Employees' Savings Plan (the "Plan") is a defined contribution plan maintained for the benefit of United States employees of Schering-Plough Corporation (the "Company") and its participating subsidiaries. Generally, all such employees are eligible to participate in the Plan on the date of employment. Schering Corporation, a subsidiary of the Company, is the Plan Sponsor.

The following brief description of the Plan is provided for general information purposes only. Participants should refer to the Plan document for more complete information.

GENERAL - On September 10, 2004, the Schering-Plough Employees' Profit-Sharing Incentive Plan (the "Profit Sharing Plan") merged into the Plan in order to reduce administrative expenses and burden. As a result of this merger, assets totaling \$1,014,051,000 were transferred at their fair market value into the Plan. The merger did not impact the combined monetary value of participants' accounts under the two plans.

SALARY DEFERRAL CONTRIBUTIONS - Each plan year participants may contribute from 1% to 50% of pretax annual compensation, up to an annual IRS maximum. For the 2003 plan year, highly compensated employees were limited to 6% of pretax annual compensation, up to an annual IRS maximum. Also, the Economic Growth and Tax

Relief Reconciliation Act of 2001 permits catch-up contributions that are designed to provide individuals age 50 and above with additional pre-tax retirement savings opportunity. As such, eligible participants in the Plan could contribute an additional \$3,000 in 2004.

**PARTICIPANT ACCOUNTS AND VESTING** - Each participant's account is credited with the participant's contributions and earnings (losses) thereon. Participants have a non-forfeitable right to their contributions plus (minus) actual earnings (losses) thereon which vest fully and immediately.

**INVESTMENT OPTIONS** - Upon enrollment in the Plan, participants may direct their contributions into any of the following Vanguard Fiduciary Trust Company ("Vanguard") investment options:

- Vanguard 500 Index Fund Investor Shares
- Vanguard Explorer Fund Investor Shares
- Vanguard Intermediate-Term Investment-Grade Fund Investor Shares
- Vanguard International Growth Fund Investor Shares
- Vanguard LifeStrategy Conservative Growth Fund
- Vanguard LifeStrategy Growth Fund
- Vanguard LifeStrategy Income Fund
- Vanguard LifeStrategy Moderate Growth Fund
- Vanguard Short-Term Investment-Grade Fund Investor Shares
- Vanguard Treasury Money Market Fund

- Vanguard Wellington Fund Investor Shares
- Vanguard Windsor Fund Investor Shares

Effective July 2004, the Vanguard Short-Term Corporate Fund was renamed the Vanguard Short-Term Investment-Grade Fund Investor Shares, and the Vanguard Intermediate-Term Corporate Fund was renamed the Vanguard Intermediate-Term Investment-Grade Fund Investor Shares.

Participants may also direct their contribution to the:

- Schering-Plough Stock Fund - This fund is comprised of Schering-Plough common stock and a small percentage of cash as required for liquidity purposes. Participants may contribute up to a maximum investment election of 50% of their salary deferral contribution into this fund or allocate no more than 50% of the value of his or her accounts at the time of reallocation to this fund.
- Loan Fund - Participants may borrow from their fund accounts up to the lesser of one-half of their account or \$50,000 (reduced by certain amounts

attributable to outstanding loans). Loan transactions are treated as a transfer between the investment funds and the loan fund. These loans, which reduce a participant's account balance in the event of default, bear a fixed rate of interest as determined to be reasonable by the Schering-Plough Employee Benefits Committee, and are repayable over periods not exceeding five years, except loans relating to a principal residence, which are repayable over a period not to exceed 20 years.

**PAYMENT OF BENEFITS** - On termination of service or attainment of age 65, a participant (or his beneficiary in the event of death) may elect to receive either a cash lump sum amount, fixed or variable installments not to exceed the life expectancy of the participant and the participant's beneficiary, shares of Company stock (with respect to amounts invested in the Schering-Plough Stock Fund), or certain combinations of the foregoing. Notwithstanding the foregoing, if a participant's account equals \$5,000 or less as of the date of distribution, his account will be paid in a lump sum. Alternatively, participants whose account balances exceed \$5,000 can elect to defer receipt of their account up to age 70 -1/2. Distribution of all or a portion of a participant's account, prior to termination of employment, may be granted by the sponsor in the case of financial hardship and participants may be able to take in-service distributions from accounts transferred to the Plan from the Profit Sharing Plan. Active participants may elect to withdraw all or a portion of their accounts at any time after age 70.

**CHANGES TO PLAN ON JANUARY 1, 2004** - Effective January 1, 2004, the Plan Sponsor amended the Plan to incorporate a nonelective Company contribution and a matching contribution. All employees eligible to participate in the Plan receive a Company contribution of 3% of eligible earnings, whether they elect to make contributions to the Plan or not. For employees who elect to make contributions to the Plan, the Company will make a matching contribution (dollar for dollar) up to 2% of compensation. The Company matching contribution, and any earnings

(losses) accrued thereon, are fully and immediately vested. In addition, highly compensated employees can contribute up to 50% of compensation.

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

**BASIS OF ACCOUNTING AND PRESENTATION** - The financial statements of the Plan have been prepared on an accrual basis in accordance with accounting principles generally accepted in the United States of America and are presented in accordance with the financial reporting requirements of the Employee Retirement Income Security Act of 1974 ("ERISA") as permitted by the Securities and Exchange Commission.

**INVESTMENT VALUATION AND INCOME RECOGNITION** - The Plan's investments are stated at fair value. Shares of registered investment companies are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year-end.

The Schering-Plough Stock Fund is valued using the unit accounting method whereby a participant's account value is expressed in units of participation rather than number of shares of Schering-Plough common stock.

The closing stock prices of Schering-Plough Corporation common stock at December 31, 2004 and 2003 were \$20.88 and \$17.39, respectively.

## Edgar Filing: SCHERING PLOUGH CORP - Form 11-K

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Dividends recorded in the Schering-Plough Stock Fund are reinvested in Schering-Plough common stock units.

Participant loans are valued at cost which approximates fair value.

WITHDRAWALS AND BENEFIT PAYMENTS - Withdrawals and benefit payments are recorded when paid.

USE OF ESTIMATES - The preparation of financial statements in conformity with generally accepted accounting principles requires Plan management to make estimates and use assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

RISKS AND UNCERTAINTIES - The Plan provides for various investment options. Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

ADMINISTRATIVE EXPENSES - Administrative expenses of the Plan are paid by the Plan Sponsor as provided in the Plan Document.

Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan's tax counsel believes that the Plan continues to be designed in material compliance with the applicable requirements of the IRC, and the Plan Administrator believes that the Plan is currently being operated in material compliance with the applicable requirements of the IRC.
