**Table of Contents****1.01 Entry Into or Amendment of Material Definitive Agreement**

On December 20, 2005, Endo Pharmaceuticals Holdings Inc. (the Company) and Endo Pharmaceuticals Inc., a wholly owned subsidiary of the Company, entered into an amended and restated employment agreement with Peter A. Lankau, which, among other things, extends the term of this Agreement to December 31, 2006. The Company also renewed its employment agreements with each of its executive officers, Jeffrey R. Black, David A. Lee and Caroline B. Manogue. These renewals are each for a one-year term, renewable at the executive's and company's option, and extend each of these agreements until December 31, 2006. A copy of Mr. Lankau's amended and restated agreement is attached hereto as Exhibit 10.36 and copies of the letter agreements setting forth each of Mr. Black's, Dr. Lee's and Ms. Manogue's renewals are attached hereto as Exhibits 10.28.1, 10.29.1 and 10.35.1, respectively, all of which are hereby incorporated by reference.

**Item 8.01 Other Events.**

On December 16, 2005, Peter A. Lankau, Chief Executive Officer of the Company, adopted a pre-arranged stock trading plan to exercise a portion of his Company stock options and sell the related shares over time as part of his individual long-term strategy for asset diversification and liquidity. The stock trading plan was adopted in accordance with Rule 10b5-1 of the Securities and Exchange Act of 1934 and approved by the Company's Board of Directors. Rule 10b5-1 allows corporate officers and directors to adopt written, pre-arranged stock trading plans when they do not have material non-public information.

Under his Rule 10b5-1 plan, Mr. Lankau may exercise up to 436,520 options and sell shares received upon exercise over a period of approximately 24 months, commencing in March 1, 2006. The plan provides for a target level of sales of approximately 43,700 shares each month, subject to meeting certain minimum price targets set forth in the plan. Transactions under the plan will be publicly disclosed through Form 4 filings filed with the Securities and Exchange Commission.

These options, which were granted in 2000, 2001 and 2002, will expire between October 2010 and September 2012. The exercise prices of the options range from \$7.25 to \$9.40 per share. Following the completion of these transactions, assuming Mr. Lankau's ownership otherwise remains as it is on December 16, 2005, Mr. Lankau will personally beneficially own approximately 722,311 shares of the Company's common stock. It is anticipated that Mr. Lankau will continue to participate in the Company's stock option plan and will be eligible for continued stock option grants based on individual and company performance, as approved by the Board of Directors from time to time.
