Table of Contents

Item 1.01. Entry into Material Definitive Agreements

On May 11, 2006, the Compensation Committee of the Board of Directors of IntercontinentalExchange, Inc. (the Company) adopted a resolution to increase the annual base salary of the Company's named executive officers in its 2006 annual proxy statement and to enter a new employment agreement with one named executive officer.

Amendments to Employment Agreement

Effective January 1, 2006, the annual base salary for each name executive officer is as follows: Jeffrey C. Sprecher, Chairman and Chief Executive Officer \$725,000; Charles A. Vice, President and Chief Operating Officer \$500,000; Richard V. Spencer, Senior Vice President, Chief Financial Officer \$460,000; and Edwin Marcial, Senior Vice President, Chief Technology Officer \$365,000. In addition, the Compensation Committee approved an increase in the annual bonus target for Mr. Sprecher to 85% of his annual base salary and for Mr. Vice to 70% of his annual base salary.

Entry into New Employment Agreement

The Compensation Committee also approved a new employment agreement between the Company and David S. Goone, Senior Vice President, Chief Strategic Officer. The agreement, which has a three year term, increased Mr. Goone's base salary to \$460,000 per annum. A copy of the employment agreement is filed as Exhibit 10.1 to this Report on Form 8-K and is incorporated herein by reference.

Corporate Headquarter Lease Amendment

On May 12, 2006, the Company entered into an amendment to the lease governing its principal executive offices in Atlanta, Georgia (the Lease Amendment). Under the terms of the Lease Amendment, the lease will be extended until February 15, 2012 and will include 13,282 square feet of net additional lease space.

A copy of the Lease Amendment is filed as Exhibit 10.2 to this Report on Form 8-K and is incorporated herein by reference.

Item 8.01. Other Events

Entry into 10b5-1 Plans by Executive Officers

Each of Messrs. Sprecher, Vice, Spencer, Goone and Marcial (each executive officers of the Company referred to above), Johnathan Short, the Company's Senior Vice President, General Counsel, and David Peniket, the President and Chief Operating Officer of ICE Futures (a subsidiary of the Company), entered into pre-arranged trading plans established in accordance with Rule 10b5-1 under the Securities Exchange Act of 1934 (the Exchange Act) and on terms consistent with the Company's insider trading policy.

Under the plans, each executive officer (other than Mr. Sprecher whose plan is discussed separately below) may sell up to a maximum of 20% of the shares of common stock such officer beneficially owns (calculated on the basis of existing share ownership, together with vested and unvested stock options and restricted stock grants) in accordance with the terms of the respective plan. The actual number of shares that may be sold under the respective plan is dependent upon a number of factors, including the attainment of share price targets specified in the respective plans. No sales may occur under any of the trading plans for a period of at least 75 days following the date hereof. Generally, the term of the plans are for six to twelve months.

Mr. Sprecher beneficially owns shares of the Company's common stock directly and indirectly through Continental Power Exchange, Inc. (CPEX), an entity owned by Mr. Sprecher and certain members of his immediate family. Accordingly, Mr. Sprecher entered into two pre-arranged trading plans: one covering shares underlying options granted to Mr. Sprecher as Chairman and Chief Executive Officer of the Company (Mr. Sprecher's Plan); and another covering shares held directly by CPEX (the CPEX Plan). Under Mr. Sprecher's Plan, he may exercise options and sell the shares underlying such options representing a maximum of 139,790 shares of common stock, which is less than 5% of the shares of common stock beneficially owned by Mr. Sprecher (calculated on the basis of existing share ownership, together with vested and unvested stock options and restricted stock grants). Mr. Sprecher's Plan will facilitate the exercise and purchase of an additional 82,247 shares of the Company's common stock by exercising vested stock options.

Table of Contents

Under the CPEX Plan, CPEX may sell a maximum of 164,835 shares of common stock beneficially owned by CPEX. CPEX owns 2,197,813 shares of the Company's common stock, which Mr. Sprecher may be deemed to beneficially own due to his 92.5% ownership interest in and his voting control of CPEX. The remaining 7.5% ownership interest is held by members of Mr. Sprecher's family. Under the CPEX Plan, proceeds received from any sales will be used by Mr. Sprecher to redeem the equity interests in CPEX held by his family members so that Mr. Sprecher will be the sole owner of CPEX and its remaining holdings in the Company's stock. No sales may be made under either of Mr. Sprecher's plans for at least 75 days following the date hereof.

The plans are intended to comply with Rule 10b5-1 under the Exchange Act and the Company's insider trading policy. Rule 10b5-1 allows corporate insiders to establish pre-arranged written stock trading plans at a time when the insider is not aware of material, non-public information. Subsequent receipt by the insider of material, non-public information will not prevent prearranged transaction under the plans from being executed.
