CA, Inc. (the Company) is filing this notice in order to obtain a 15-day extension, from June 14 to June 29, 2006, for filing its Annual Report on Form 10-K for the fiscal year ended March 31, 2006 (the Form-10-K), for the following reasons. As previously announced in its preliminary earnings release on May 30, 2006, the Company has determined that the amount of its commission expense for fiscal year 2006 was significantly higher than anticipated and that it will incur additional income taxes associated with the repatriation of cash from foreign subsidiaries. The Company also stated that, as a result of these developments, it was in the process of (i) restating its earnings for the third quarter of fiscal 2006 to reflect additional commission expense that should have been recorded in that quarter, (ii) evaluating a potential material weakness in its financial controls relating to the forecasting, processing and monitoring of sales commissions, and (iii) determining the impact on its financial statements of the additional income taxes and the related impact on its internal control assessment. The Company will not be able to complete these processes and the preparation of the financial statements and other information required in the Form 10-K by the initial filing deadline without unreasonable effort and expense.

For more information about the matters described above, see the Company's Current Report on Form 8-K filed in part and furnished in part with the SEC on May 30, 2006, which includes the preliminary earnings release.

**PART IV OTHER INFORMATION**

(1) Name and telephone number of person to contact in regard to this notification

(Name)	(Area Code)	(Telephone Number)

(2) Have all other periodic reports required under Section 13 or 15(d) of the Securities Exchange Act of 1934 or Section 30 of the Investment Company Act of 1940 during the preceding 12 months or for such shorter period that the registrant was required to file such report(s) been filed? If answer is no, identify report(s).

Yes  No

(3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof?

Yes  No

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

As previously indicated in its preliminary earnings release on May 30, 2006, the Company expects to report in the Form 10-K, revenue and diluted (GAAP) net loss per share that are greater for the fiscal quarter ended March 31, 2006 than for the fiscal quarter ended March 31, 2005 and significantly different for the fiscal year ended March 31, 2006 than for the fiscal year ended March 31, 2005. Due to the reasons described in Part III above, the results of operations reported on May 30, 2006 were reported on a preliminary basis and the Company has not yet completed the preparation of its financial statements and the related audit process for fiscal year 2006. This process could result in adjustments to the previously reported preliminary results for fiscal year 2006 that were not described in the May 30 release or report on Form 8-K.
