**SPECIAL NOTE REGARDING FORWARD-LOOKING STATEMENTS**

This prospectus and the documents we incorporate herein by reference may contain disclosures which are forward-looking statements as defined in the Private Securities Litigation Reform Act of 1995, as amended. Forward-looking statements include all statements that do not relate solely to historical or current facts, and can be identified by the use of words such as may, will, expect, project, estimate, anticipate, plan, believe, po continue or the negative versions of those words or other comparable words. These forward-looking statements are based upon our current plans or expectations and are subject to a number of uncertainties and risks that could significantly affect current plans, anticipated actions and our future financial condition and results. These statements are not guarantees of future performance, and we have no specific intention to update these statements. The uncertainties and risks include, but are not limited to risks relating to our insurance operating units such as:

significant weather-related or other natural or human-made catastrophes and disasters;

the cyclical nature of the property and casualty industry;

the long-tail and potentially volatile nature of certain casualty lines of business written by our insurance operating units;

the cost and availability of reinsurance;

exposure to terrorist acts;

the willingness and ability of our insurance operating units' reinsurers to pay reinsurance recoverables owed to our insurance operating units;

**Table of Contents**

changes in the ratings assigned to our insurance operating units;

claims development and the process of estimating reserves;

legal and regulatory changes;

the uncertain nature of damage theories and loss amounts;

increases in the levels of risk retention by our insurance operating units; and

adverse loss development for events insured by our insurance operating units in either the current year or prior year.

Additional risks and uncertainties include general economic and political conditions, including the effects of a prolonged U.S. or global economic downturn or recession; changes in costs; variations in political, economic or other factors; risks relating to conducting operations in a competitive environment; effects of acquisition and disposition activities, inflation rates or recessionary or expansive trends; changes in market prices of our significant equity investments; extended labor disruptions, civil unrest or other external factors over which we have no control; and changes in our plans, strategies, objectives, expectations or intentions, which may happen at any time at our discretion. As a consequence, current plans, anticipated actions and future financial condition and results may differ from those expressed in any forward-looking statements made by or on our behalf.

**RATIO OF EARNINGS TO FIXED CHARGES**

The following table sets forth our ratio of earnings to fixed charges for each of the periods indicated:

	<b>Three Months Ended March 31, 2006</b>	<b>2005</b>	<b>Year Ended December 31,</b>			
			<b>2004</b>	<b>2003</b>	<b>2002</b>	<b>2001</b>
Ratio of earnings to fixed charges	32.3x	8.0x	22.0x	37.0x	11.1x	31.6x

For purposes of calculating these ratios, earnings consists of (1) net income, (2) fixed charges and (3) amortization of any capitalized interest, and fixed charges consists of (1) interest expensed and capitalized, (2) amortized premiums, discounts and capitalized expenses related to indebtedness and (3) an estimate of the interest within rental expense.

We did not have any preferred stock outstanding during any of the periods shown and accordingly our ratio of earnings to fixed charges and preferred stock dividends would be the same as the ratios shown above.

(2) that, for the purpose of determining any liability under the Securities Act of 1933, as amended, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof;

(3) to remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering;

(4) that, for the purpose of determining liability under the Securities Act of 1933, as amended, to any purchaser:

(i) each prospectus filed by the Registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(ii) each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5) or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act of 1933, as amended, shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which the prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. *Provided, however,* that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date; and
