Approval of Fiscal Year 2006 Incentive Funding

On October 20, 2006, the Leadership Development and Compensation Committee approved funding at 35% of annual target levels for fiscal 2006 compensation awards under the annual and long-term programs to eligible employees, including the named executive officers. This approval was done at the Committee's discretion, as the Company's performance against its operating income and revenue growth objectives did not reach the levels required to generate funding under the terms of these plans.

The Committee also approved discretionary funding at 25% of annual target levels for compensation awards under the annual program for the period October 1, 2006 through December 31, 2006 to eligible employees, including the named executive officers. This period is treated as a transition quarter between the close of the Company's 2006 fiscal year on September 30, 2006, and the start of the 2007 fiscal year on January 1, 2007, of the new company resulting from the planned merger of Alcatel and Lucent.

The individual amounts awarded to each of the named executive officers will be consistent with the ranges previously disclosed in the Form 8-K filed by the Company on October 20, 2005.

Stock Option Grant

The Company's long-term incentive performance award program will be cancelled upon the completion of the planned merger between Lucent and Alcatel. Participating employees will lose the future earnings opportunity under these awards. On October 20, 2006, the Committee acted to replace this lost opportunity with a stock option grant for participating employees, including named executive officers. This grant is effective November 1, 2006, and the options vest in four equal annual installments, with the first vesting occurring on November 1, 2007. Any unexercised options will expire on October 31, 2013. These stock options will have an exercise price of the Fair Market Value of a Share, as defined in the 2003 Long Term Incentive Program, on the effective date of the grant of the options (i.e., November 1, 2006). The grant will be cancelled if the merger is not completed by December 31, 2006.

The following table sets forth the stock options that will be granted to each named executive officer effective November 1, 2006:

Name	Number of Stock Options
Patricia F. Russo	2,000,000
Frank A. D. Amelio	1,152,778
Janet G. Davidson	607,500
James K. Brewington	607,500
Cynthia K. Christy-Langefeld	891,667
