In addition, pursuant to the Underwriting Agreement, the Company granted the underwriters an option to purchase up to 1,155,000 additional shares of Common Stock (the Additional Shares, and together with the Firm Shares, the Shares). The public offering price was \$13.00 per share. The closing of the public offering is expected to occur on or about June 16, 2009.

Subject to specified exceptions, each of the Company's directors and executive officers have entered into lock-up agreements and have agreed for a period of 90 days after the date of the final prospectus supplement, dated June 11, 2009, not to directly or indirectly: (1) offer, sell, contract to sell, pledge, grant any option to purchase or otherwise dispose of any stock, options, warrants or other securities of the Company, or any securities convertible into or exercisable or exchangeable for, or any rights to purchase or otherwise acquire, any stock, options, warrants or other securities of the Company held or deemed to be beneficially owned by the person or entity without the prior written consent of Raymond James & Associates, Inc. or (2) exercise or seek to exercise or effectuate in any manner any rights of any nature that the person or the entity has or may have hereafter to require the Company to register under the Securities Act of 1933, as amended (the Securities Act), the sale, transfer or other disposition of any of the securities held or deemed to be beneficially owned by the person or entity, or to otherwise participate as a selling securityholder in any manner in any registration by the Company under the Securities Act.

The Underwriting Agreement contains customary representations, warranties and covenants that are valid as between the parties and as of the date of entering into such Underwriting Agreement, and are not factual information to investors about the Company.
