Item 1.01 Entry into a Material Definitive Agreement.

On September 2, 2009, PHH Corporation (the Company or PHH), PHH Vehicle Management Services, LLC (VMS) and Chesapeake Funding LLC (Chesapeake), entered into a Purchase Agreement with J.P. Morgan Securities Inc., Banc of America Securities LLC, Citigroup Global Markets Inc. and Deutsche Bank Inc., as representatives of several initial purchasers (Initial Purchasers), for the issuance and sale of certain Class A floating rate asset backed notes to be issued by Chesapeake (the Series 2009-2 Class A Notes) in a private placement. The Series 2009-2 Class A Notes have an aggregate principal amount of \$850,000,000 which are expected to qualify upon issuance as eligible collateral under and as defined in the Term Asset-Backed Securities Loan Facility (TALF) established by the Federal Reserve Bank of New York. The net proceeds from the offering of the notes will be used to repay a portion of Chesapeake s Series 2006-1 Floating Rate Asset Backed Variable Funding Investor Notes (the 2006-1 Notes), with any remaining proceeds from the offering expected to be used to make loans to another of PHH s indirect wholly-owned subsidiaries, Chesapeake Finance Holdings LLC, to fund the acquisition of vehicles to be leased to customers of VMS. This offering is expected to close on September 11, 2009.

The Purchase Agreement includes customary and other TALF specific representations, warranties and covenants. Under the terms of the Purchase Agreement, the Company has agreed to indemnify the Initial Purchasers against certain liabilities.

Each of the Initial Purchasers have performed investment banking and other advisory services for PHH or certain of its affiliates from time to time for which they have received customary fees and expenses. Certain of the Initial Purchasers may, from time to time, engage in transactions with and perform services for PHH or certain of its affiliates in the ordinary course of their business. In addition, affiliates of certain of the Initial Purchasers are lenders under PHH s \$1.3 billion Amended and Restated Competitive Advance and Revolving Credit Agreement, dated as of January 6, 2006, as amended, and certain other existing funding arrangements to which PHH or certain of its subsidiaries are parties, including the Series 2006-1 Notes.

The Series 2009-2 Class A Notes have not been and will not be registered under the Securities Act of 1933, as amended (the Securities Act), or any applicable state securities laws, and may not be offered or sold in the United States without registration under the Securities Act or pursuant to an applicable exemption from such registration. The Series 2009-2 Class A Notes are being offered and sold solely to: (a) Qualified Institutional Buyers, as defined in Rule 144A under the Securities Act in compliance therewith; and (b) certain persons in offshore transactions in reliance on Regulation S of the Securities Act.
