(e) Form of Performance Shares Agreement. On December 10, 2009, the Compensation Committee of the Board of Directors of ACI Worldwide, Inc. (the Company) approved the form of LTIP Performance Shares Agreement attached as Exhibit 10.1 to this Current Report on Form 8-K and incorporated herein by reference (the Performance Shares Agreement). The Performance Shares Agreement sets forth the terms of performance shares (Performance Shares) that may be awarded under the Company's 2005 Equity and Performance Incentive Plan, as amended (the 2005 Incentive Plan) to key employees of the Company, including named executive officers (NEOs). Performance Shares are earned based upon the achievement, over a performance period of not less than one year commencing on the date of grant, of specified performance goals based on the measurable performance objectives established pursuant to the 2005 Incentive Plan.

Grant of Performance Shares. On December 10, 2009, the Compensation Committee granted awards of performance shares as part of the Company's 2010 long term incentive program (2010 LTIP) to each of the following NEOs using the Company's form of Performance Shares Agreement attached as Exhibit 10.1.

<b>Name</b>	<b>Number of Targeted Performance Shares (assumes 100% attainment of performance goals)</b>
Philip G. Heasley, President and Chief Executive Officer	36,570
Scott W. Behrens, Senior Vice President, Chief Financial Officer, Chief Accounting Officer and Controller	12,100
Craig A. Maki, Senior Vice President, Chief Corporate Development Officer and Treasurer	12,100
David N. Morem, Senior Vice President, Global Business Operations	7,780

Performance Shares under the 2010 LTIP are earned based upon the achievement, over a three-year period (the Performance Period), of performance goals relating to the following: (a) compound annual growth rate over the Performance Period in the sales for the Company and its subsidiaries as determined by the Company (Revenue Growth), and (b) the cumulative operating income over the Performance Period for the Company and its subsidiaries as determined by the Company (Contribution Margin).

Receipt of Performance Shares under the 2010 LTIP is not guaranteed, and the grantees will earn the awards only if both the Revenue Growth and Contribution Margin performance goals exceed a threshold performance level. If the Company achieves the threshold performance level for both Revenue Growth and Contribution Margin, then grantees will earn performance shares based on a performance matrix that provides 50% of the awarded performance shares are earned for threshold performance, 100% of the awarded performance shares are earned for target performance and 200% of performance shares are earned for performance at or above the maximum

level and other specified earning percentages based on the actual performance of the Company against the performance goals. If the performance of the Revenue Growth and Contribution Margin performance goals fall between the specified percentage ranges set forth in the performance matrix, the Compensation Committee will determine the award percentage earned by mathematical interpolation and rounded up to the nearest whole share.

The 2010 LTIP also included a grant of stock options to NEOs which stock options were granted pursuant to the 2005 Incentive Plan.
