Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

(e) Compensatory Agreements and Arrangements

Tax Gross Ups Eliminated: On February 15, 2010, Merck & Co., Inc. (the Company or Merck) amended its change in control plan to eliminate gross-up payment in the event that excise taxes are imposed under Sections 280G and 4999 (280G Excise Tax) of the Internal Revenue Code of 1986, as amended.

Previously, Executive Committee members employed by Merck Sharp & Dohme Corp. (MSD), a wholly-owned subsidiary of the Company, were provided with gross ups for 280G Excise Taxes imposed in the event of or threat of a change in control of the Company (or, until November 3, 2010, of MSD). The Compensation and Benefits Committee (the Committee) of the Company s Board of Directors (the Board) amended the Merck & Co., Inc. Change in Control Separation Benefits Plan (the CIC Plan) to provide that Executive Committee members will be treated in the same manner as other participating executives. That is, payments that become due under the terms of the CIC Plan will be reduced if doing so would result in the participant retaining a larger amount of his or her benefits as compared to receiving his or her full benefits and paying the 280G Excise Tax. Under the amendment procedures of the CIC Plan, this amendment will not apply if, generally, a change in control occurs before February 14, 2011.

Double Trigger Vesting of Options, RSUs Adopted: Also on February 15, 2010, the Board amended the Merck Sharp & Dohme Corp. 2007 Incentive Stock Plan (MSD 2007 ISP) to provide that options (other than certain performance options) and Restricted Stock Units (RSUs) granted thereafter generally will vest upon a change in control only if the grantee s employment is involuntarily terminated without cause within 24 months following a change in control. Previously granted options and RSUs generally vest immediately on a change in control. If options and RSUs are not continued after the change in control, the prior treatment is unchanged.

The forgoing is qualified by reference to the full texts of the amendments, copies of which are attached to this report as exhibits and are incorporated by reference in this Item 5.02. Copies of the full CIC Plan and MSD 2007 ISP can be found as Exhibits 10.14 and 10.7, respectively, to the Company s current report on Form 8-K filed on November 4, 2009.

Item 9.01. Financial Statements and Exhibits.
