On August 12, 2010, Cardtronics, Inc. (the Company) and its wholly-owned subsidiaries, ATM National, LLC, Cardtronics Holdings, LLC and Cardtronics USA, Inc. (the Subsidiary Guarantors), entered into an Underwriting Agreement (the Underwriting Agreement) with Banc of America Securities LLC as representative of the several underwriters named therein (collectively, the Underwriters), in connection with an underwritten public offering of \$200 million aggregate principal amount of the Company's 8 1/4% senior subordinated notes due 2018 (the Notes). The Notes, which will be issued at a price equal to 100% of the principal amount thereof, will be guaranteed on a senior subordinated basis by the Subsidiary Guarantors and by certain future restricted subsidiaries of the Company. The Notes were offered and sold under a prospectus filed under the Company's shelf registration statement on Form S-3 (Registration No. 333-164395) (the Registration Statement). The Notes will be issued pursuant to an indenture (the Base Indenture), to be dated as of the date of Closing (as defined herein), among the Company, the Subsidiary Guarantors and Wells Fargo National Bank, National Association, as trustee (the Trustee), and the First Supplemental Indenture relating to the Notes (the Supplemental Indenture). The Base Indenture, as supplemented and amended by the Supplemental Indenture, is referred to as the Indenture. Closing of the issuance and sale of the Notes is scheduled for August 26, 2010.

The Underwriting Agreement contains customary representations, warranties and agreements by the Company and customary conditions to closing, obligations of the parties and termination provisions. Additionally, the Company has agreed to indemnify the Underwriters against certain liabilities, including liabilities under the Securities Act, or to contribute to payments the Underwriters may be required to make because of any of those liabilities. Furthermore, the Company has agreed with the Underwriters not to offer or sell any debt securities of the Company or securities exchangeable for or convertible into debt securities of the Company (other than the Notes) for a period of 90 days after the date of the Underwriting Agreement without the prior written consent of Banc of America Securities LLC.

The summary of the Underwriting Agreement in this report does not purport to be complete and is qualified in its entirety by reference to such agreement, which is filed as Exhibit 1.1 hereto.

The Company intends to use the net proceeds from the offering of the Notes of approximately \$196 million (after deducting underwriting discounts and commission and estimated expenses) together with borrowings under the Company's revolving credit facility and cash on hand to fund the Company's pending tender offer and consent solicitation (the Tender Offer) for any and all of its outstanding \$200 million aggregate principal amount of 9 1/4% senior subordinated notes due 2013-Series A (the Series A Notes). Certain of the Underwriters or their affiliates are holders of our Series A Notes and may receive a portion of the proceeds of the offering of the Notes in the Tender Offer. In the event that all of the Company's Series A Notes are not tendered in the Tender Offer or the Tender Offer is not consummated, the Company will use the net proceeds from the Notes offering for the redemption of such Series A Notes.
