**Item 2.01 Completion of Acquisition or Disposition of Assets.**

On April 4, 2011, Harris Corporation, a Delaware corporation ( Harris ), and certain of its subsidiaries, completed the acquisition from Schlumberger B.V., a company incorporated in the Netherlands (the Seller ), and its affiliates, of substantially all of the assets of the Global Connectivity Services business of the Schlumberger group (the Business ). The Business provides global communications services for a wide range of customers primarily in the oil and gas industries, including the Schlumberger group. The acquisition was consummated pursuant to the terms of the Share and Business Sale Agreement, dated as of November 6, 2010, between Harris and the Seller (the Agreement ). Harris previously disclosed the entry into the Agreement in a Current Report on Form 8-K filed by Harris with the Securities and Exchange Commission (the SEC ) on November 12, 2010.

The purchase price for the Business was \$397,500,000 in cash, subject to post-closing adjustments as set forth in the Agreement. Pursuant to the Agreement, Harris also assumed liabilities related to the Business, with exceptions and subject to certain indemnities as set forth in the Agreement. These exceptions include certain pension and benefits, criminal and civil liabilities incurred on or prior to closing. These indemnities include indemnities in respect of liabilities in connection with certain excluded contracts or assets and in respect of certain tax, employment, environmental and product warranty liabilities incurred on or prior to closing, subject in certain cases to certain time, monetary and other limitations on the Seller s liability in respect thereof as set forth in the Agreement.

No material relationship exists between the Seller or its affiliates and Harris or its affiliates, or any director or officer of Harris, or any associate of any such director or officer, other than in respect of the Agreement and related documentation. Pursuant to the Agreement, at the closing, Harris and its applicable affiliates, on the one hand, and the Seller and its applicable affiliates, on the other hand, entered into, among other agreements, (1) master services agreements relating to certain satellite telecommunications services to be provided to members of the Seller s group by the Harris group, and (2) a transitional services agreement relating to the provision of certain services by the Seller s group to the Harris group.

The foregoing description of the acquisition by Harris of the Business, the Agreement and the transactions contemplated thereby is only a summary, does not purport to be complete and is qualified in its entirety by reference to, and should be read in conjunction with, the full text of the Agreement, which was filed as Exhibit 2.1 to Harris Current Report on Form 8-K filed with the SEC on November 12, 2010, and is incorporated in this Item 2.01 by reference.
