On July 1, 2011, Equity LifeStyle Properties, Inc. (the *Company*), MHC Operating Limited Partnership, the *Company's* operating partnership (the *Operating Partnership*), Wells Fargo Securities, LLC, as sole lead arranger and sole book runner, Bank of America, N.A., as syndication agent, and Wells Fargo Bank, National Association, as administrative agent (the *Administrative Agent*), and each of the financial institutions initially a signatory thereto together with their successors and assignees entered into a term loan agreement with respect to a \$200 million unsecured term loan facility (the *Term Loan*). The *Term Loan* matures on July 1, 2017 and, subject to certain conditions, may be prepaid at any time without premium or penalty after July 1, 2014. Prior to July 1, 2014, a prepayment penalty of 2% of the amount prepaid would be owed. The interest rate on the *Term Loan* is at LIBOR plus 1.85% to 2.80% per annum. The spread over LIBOR is variable based on leverage throughout the loan term. The *Term Loan* contains an arrangement fee of approximately \$0.5 million, an upfront fee of approximately \$1.3 million and an annual administrative agency fee of \$20,000 as well as customary representations, warranties and negative and affirmative covenants and provides for acceleration of principal and payment of all other amounts payable thereunder upon the occurrence of certain events of default.

Pursuant to a guaranty (the *Guaranty*) dated as of July 1, 2011 among the *Company* and certain of its subsidiaries and the *Administrative Agent*, the *Company* and two of its subsidiaries have guaranteed all of the obligations under the *Term Loan* when due, whether at stated maturity, by acceleration or otherwise.

As previously reported on the *Company's* Form 8-K filed June 9, 2011, in connection with the *Term Loan*, the *Company* entered into a 3-year LIBOR Swap Agreement (the *Swap*) allowing the *Company* to trade its variable interest rate for a fixed interest rate on the *Term Loan*. The *Swap* fixes the underlying LIBOR rate on the *Term Loan* at 1.11% per annum for the first three years and the *Company's* spread over LIBOR after completion of the *Acquisition* (as defined below) is expected to be 2.15% resulting in an all-in interest rate of 3.26% per annum. The proceeds from the *Term Loan* are expected to be used to partially fund the previously announced pending acquisition of a portfolio of 76 manufactured home communities (the *Hometown Properties*) containing 31,167 sites on approximately 6,500 acres located in 16 states (primarily located in Florida and the northeastern region of the United States) and certain manufactured homes and loans secured by manufactured homes located at the *Hometown Properties* (the *Home Related Assets* and collectively with the *Hometown Properties*, the *Hometown Portfolio*) for a stated purchase price of \$1.43 billion. The *Company* refers to this pending acquisition as the *Acquisition*.

The preceding descriptions are qualified in their entirety by reference to the *Term Loan Agreement* and the *Guaranty*, copies of which are attached hereto as Exhibits 10.50 and 10.51 to this Current Report on Form 8-K and are incorporated herein by reference.

***Joinder to the Partnership Agreement***

In connection with the purchase and other agreements (the *Purchase Agreements*) that the *Company* and the *Operating Partnership*, entered into with certain affiliates of Hometown America, LLC ( *Hometown* ) with respect to the *Acquisition*, the *Company* will contribute, in a series of closings (the *Closings*), an aggregate of 1,740,000 shares of Series B Subordinated Non-Voting Cumulative Redeemable Preferred Stock, par value \$0.01 per share (the *Series B Preferred Stock*), to MHC Trust, the general partner (the *General Partner*), of the *Operating Partnership* in exchange for the issuance to the *Company* of an aggregate of 1,740,000 shares of Series H Subordinated Non-Voting Cumulative Redeemable Preferred Stock by the *General Partner* (the *Series H Preferred Stock*). The *Series H Preferred Stock* has economic terms that are substantially similar to the *Series B Preferred Stock*.

At each *Closing*, the *General Partner* will contribute the *Series B Preferred Stock* to the *Operating Partnership* to be transferred by the *Operating Partnership* to the *Sellers* as consideration in accordance with the terms of the *Purchase Agreements*. In exchange for each contribution of the *Series B Preferred Stock* to the *Operating Partnership*, at each *Closing* the *Operating Partnership* will issue to the *General Partner* an aggregate of 1,740,000 *Series H Subordinated Non-Voting Cumulative Redeemable Preference Units* (the *Series H Units*). In

connection therewith, the General Partner executed that certain Series H Subordinated Non-Voting Cumulative Redeemable Preference Units Term Sheet and Joinder to the Second Amended and Restated Agreement of Limited Partnership of the Operating Partnership (the Joinder). The Series H Units have economic terms that are substantially similar to the Company's Series B Preferred Stock.

The Operating Partnership's Series H Units will rank, with respect to rights to receive distributions and to participate in distributions and rights upon voluntary or involuntary liquidation, dissolution or winding up of the Operating Partnership, senior to the common units of limited partnership interest of the Operating Partnership, on parity with other partnership units of the Operating Partnership the terms of which place them on parity with the Series H Preferred Units, and junior to all partnership units of the Operating Partnership the terms of which specifically provide that such partnership units rank senior to the Series H Preferred Units.
