ITEM F

Par Value Reduction

PROPOSAL OF THE BOARD OF DIRECTORS

At Allied World's Annual Shareholder Meeting on May 5, 2011, the Allied World shareholders approved a proposal to pay dividends in the form of a distribution by way of par value reductions. The aggregate reduction amount will be paid to Allied World shareholders in four quarterly installments of \$0.375 per share (the May 2011 Resolutions). Allied World distributed the first of these dividends on August 5, 2011 to shareholders of record on July 27, 2011. Prior to the closing of the merger, which the parties expect to occur in the fourth quarter of 2011, Allied World expects to pay the second of these quarterly dividends in October 2011.

Under Swiss law, a corporation is under the duty to treat all shareholders equally. Hence, following the expected closing of the merger, Allied World (re-named TransAllied following the closing of the merger) will seek to pay the third and fourth installments of its quarterly dividend to the combined company's shareholders. Because the merger will result in the issuance of a significant number of new shares to the former shareholders of Transatlantic, the aggregate reduction amount necessary to pay a \$0.375 per share quarterly dividend will increase significantly. The purpose of this proposal is to approve an aggregate reduction amount such that TransAllied will be able to pay the remaining two installments of a \$0.375 per share dividend to the combined company's shareholders. TransAllied would expect to make these payments in January 2012 and April 2012.

Any declaration and payment of dividends by Allied World (or TransAllied following the merger) will depend upon Allied World's (or TransAllied's) results of operations, financial condition and cash requirements, and will be subject to Swiss law and other related factors described in Allied World's proxy statement for its Annual Shareholder Meeting in 2011.

For purposes of Swiss corporate law, the May 2011 Resolutions regarding the capital reduction need to be cancelled after the payment of the second installment scheduled for October 2011 and replaced by new resolutions that will ensure that the combined company's shareholders are treated equally with respect to the payment of the dividend through a reduction in par value. The resolutions below assume that the combined company's shareholders will be entitled to receive the third and the fourth installment of the quarterly dividend, provided that if at the time of the Allied World Extraordinary Shareholder Meeting more or less than two partial par value reductions based on the May 2011 Resolutions have already been effected, the resolutions described below will be amended in order to take into account these changed circumstances.

It is proposed that the May 2011 Resolutions be cancelled insofar as they have not already been completed as of the day immediately following the payment of the second installment provided therein. Based on a report in accordance with Article 732 paragraph 2 of the Swiss Code of Obligations to be provided by Deloitte AG, as an auditor supervised by the Swiss authorities, it is proposed that the Allied World shareholders voting (in person or by proxy) at

the Allied World Extraordinary Shareholder Meeting approve the following dividend in the form of a distribution by way of a par value reduction. Such resolutions shall become effective on the day immediately following the payment of the second installment provided in the May 2011 Resolutions. For purposes of the amendments below, references to Allied World shall be deemed to be references to TransAllied following the merger. Pursuant to Swiss law, Allied World is required to submit to the Allied World shareholders for approval both the English and the (authoritative) German versions of the proposed amendments to the Allied World Articles:

1. The capital of Allied World in the aggregate amount of CHF [(number of Allied World voting shares and Allied World non-voting shares as registered in the Commercial Register on the date of the Allied World Extraordinary Shareholder Meeting (the Total Shares)) x (par value per share on the Allied World Extraordinary Shareholder Meeting Date (the Par Value))] (after giving effect to the first and second partial par value reductions pursuant to the May 2011 Resolutions) shall be reduced by an amount of CHF [(number of Total Shares) (Aggregate Reduction Amount as determined in paragraph 3(i))] (the Aggregate Distribution Amount) to CHF [completed at the date of the Allied World Extraordinary Shareholder Meeting (the Allied World Extraordinary Shareholder Meeting Date)] (i.e., the share capital of [CHF [completed on the Allied World Extraordinary Shareholder Meeting Date] (after giving effect to the first and second partial par value reductions pursuant to the May 2011 Resolutions) shall be reduced by an amount of CHF [completed on the Allied World Extraordinary Shareholder Meeting Date] to CHF [completed on the Allied World Extraordinary Shareholder Meeting Date] and the participation capital of CHF [completed on the Allied World Extraordinary Shareholder Meeting Date] (after giving effect to the first and second partial par value reductions pursuant to the May 2011 Resolutions) shall be reduced by the amount of CHF [completed on the Allied World Extraordinary Shareholder Meeting Date] to CHF [completed on Allied World Extraordinary Shareholder Meeting Date]]).
 2. Based on the report of the auditor dated [date of auditor report], it is recorded that the claims of the creditors of the Allied World are fully covered even after taking into account the Partial Par Value Reductions (as defined below).
 3. The capital reduction shall be executed as follows:
 - i. The capital reduction shall occur by reducing the par value per Allied World share and Allied World non-voting share from CHF [par value] (i.e., after giving effect to the first and second
-

partial par value reductions pursuant to the May 2011 Resolutions) by CHF [] (USD 0.75 x the Foreign Exchange Rate) (Aggregate Reduction Amount)] to CHF [] in two steps (each, a Partial Par Value Reduction): (1) for the first partial par value reduction from CHF [] completed on the Allied World Extraordinary Shareholder Meeting Date] by CHF [] Aggregate Reduction Amount divided by two] to CHF [] completed on the Allied World Extraordinary Shareholder Meeting Date] by the end of December 2011 (first Partial Par Value Reduction); and (2) for the second partial par value reduction from CHF [] completed on Allied World Extraordinary Shareholder Meeting Date] by CHF [] Aggregate Reduction Amount divided by two] to CHF [] completed on the Allied World Extraordinary Shareholder Meeting Date] by the end of April 2012 (second Partial Par Value Reduction).

- ii. The Aggregate Reduction Amount shall be repaid to the Allied World shareholders in installments of CHF [] completed on the Allied World Extraordinary Shareholder Meeting Date] in January 2012 and CHF [] completed on the Allied World Extraordinary Shareholder Meeting Date] in April 2012 per Allied World share and Allied World non-voting shares.
 - iii. At each Partial Par Value Reduction an updated report in accordance with Article 732 paragraph 2 of the Swiss Code of Obligations by Deloitte AG, an auditor supervised by the Swiss authorities, shall be prepared (an Updated Report).
 - iv. The Allied World board of directors is only authorized to repay a Partial Par Value Reduction amount in the event the Updated Report confirms that the claims of creditors are fully covered in spite of the Partial Par Value Reduction.
 - v. In addition, under Swiss law, upon satisfaction of all legal requirements (including shareholder approval of a par value reduction as described in this proposal), Allied World will be required to submit an application to the Commercial Register in the Canton of Zug to register each applicable par value reduction. Without effective registration of the applicable par value reduction with the Commercial Register in the Canton of Zug, Allied World will not be able to proceed with the payment of any installment of the dividend as described in this proposal. Allied World cannot assure you that the Commercial Register in the Canton of Zug will approve the registration of any applicable par value reduction.
4. The Partial Par Value Reduction amount of CHF [] completed on the Allied World Extraordinary Shareholder Meeting Date] per Allied World share and Allied World non-voting share (the Distribution Amount) pursuant to paragraph 3(i) and (ii) equals USD 0.375 (the U.S. Dollar Amount) based on a USD/CHF exchange ratio of CHF [] completed on the Allied World Extraordinary Shareholder Meeting Date] (rounded down to the next whole cent) per \$1 (being the Foreign Exchange Rate). The Distribution Amount and the Aggregate Distribution Amount pursuant to paragraph 1 are subject to the following adjustments as a result of USD/CHF currency fluctuations:
- i. The Distribution Amount is to be adjusted as a result of currency fluctuations such that each Allied World share and Allied World non-voting share Partial Par Value Reduction amount shall equal an amount calculated as follows (rounded down to the next whole cent):
Distribution Amount = U.S. Dollar Amount x USD/CHF currency exchange ratio as published in The Wall Street Journal on December 19, 2011 for the first Partial Par Value Reduction and on March 19, 2012, for the second Partial Par Value Reduction.

If as a result of one or several adjustments the Aggregate Distribution Amount would otherwise be increased by more than CHF [] (number of Total Shares) multiplied by the Aggregate Reduction Amount divided by two] (corresponding to 50% of the Aggregate Distribution Amount set forth in paragraph 1, rounded to the nearest cent), the adjustment is limited such that the aggregate increase to the Aggregate Distribution Amount rounded to the nearest cent equals CHF [] completed on the Allied World Extraordinary Shareholder Meeting Date] (being CHF [] (50% of the Aggregate Distribution Amount) divided by the number of Total Shares, rounded up

or down to the next cent] per Allied World voting share and Allied World non-voting share.

ii. The Aggregate Distribution Amount pursuant to paragraph 1 shall be adjusted as follows:

Sum of the two Distribution Amounts (adjusted pursuant to Section 4(i)) x number of Allied World shares and Allied World non-voting shares registered in the Commercial Register of the Canton of Zug as issued and outstanding on the date of the registration of the respective Partial Par Value Reduction).

5. The Aggregate Distribution Amount pursuant to paragraph 1 (as adjusted pursuant to paragraph 4 (ii)) shall be increased by par value reductions on Allied World shares that are issued (i) in the course of ordinary capital increases, particularly in relation to the merger, (ii) from authorized share capital and (iii) from conditional share capital after the Allied World Extraordinary Shareholder Meeting but before the date of the registration in the Commercial Register of the respective Partial Par Value Reductions (this applies also to shares issued from conditional share capital that have not been registered in the Commercial Register of the Canton of Zug at such date). In the case of such capital increases the maximum amount set forth in paragraph 4 (i) shall also be increased so that it corresponds to 50% of the increased Aggregate Distribution Amount but shall not be higher than CHF. [completed on the Allied World Extraordinary Meeting Date].
6. The general meeting acknowledges that the report of the auditor dated [], has been prepared on the basis of (i) the maximum possible increase provided under paragraphs 4 and 5, particularly taking into account the maximum possible increase due to the increase of the ordinary share capital pursuant to article 3a(a) of the Allied World Articles in relation to the merger, and that (ii) all Allied World shares and Allied World non-voting shares have been issued out of conditional share capital and the authorized share capital post merger and therefore refers to a maximum amount of CHF. [completed on the Allied World Extraordinary Meeting Date].
7. The Allied World board of directors is instructed to determine the procedure for the payment of the Distribution Amounts.
8. Effective with the registrations of the respective Partial Par Value Reductions in the Commercial Register, the following amendments are resolved to Article 3a subparagraph a), of the Allied World Articles:

Beneficial owners of shares will receive instructions from their bank, brokerage firm or other nominee acting as shareholder of record to indicate how they wish their shares to be voted. Beneficial owners who wish to vote in person at the Extraordinary Shareholder Meeting are requested to obtain a power of attorney from their bank, brokerage firm or other nominee that authorizes them to vote the shares held by them on their behalf.
