AUDIT COMMITTEE REPORT

The Audit Committee of the Board of Directors oversees our financial reporting process on behalf of the Board. Management has the primary responsibility for the financial statements and the reporting process, including systems and internal controls. In fulfilling its oversight responsibilities, the Committee reviewed and discussed our audited financial statements for the year ended December 31, 2002 with management and discussed with Deloitte & Touche LLP, certified public accountants, our independent auditors and accountants, the matters required to be discussed by Statement on Auditing Standards No. 61 with respect to those statements.

The Committee also received and reviewed the letter from Deloitte & Touche LLP required by Independence Standards Board Standard No. 1 (Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees) and discussed with Deloitte & Touche LLP its independence in connection with its audit of our most recent financial statements. Based on this review and these discussions, the Committee recommended to the Board of Directors that these audited financial statements be included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2002 for filing with the Securities and Exchange Commission.

EMPLOYMENT AGREEMENTS

We entered into an employment agreement with Robert W. Weaver effective July 1, 1998, which expired in July 2002. Mr. Weaver's annual base salary pursuant to the agreement was \$400,000. Mr. Weaver was granted an option upon execution of the agreement to purchase 30,000 shares of common stock. Under the terms of the agreement, Mr. Weaver participated in bonus programs as authorized by the Board of Directors and was provided an automobile.

We have entered into a new three-year employment contract with Mr. Weaver that became effective July 1, 2002 upon the expiration of the term of his prior employment agreement. We have also entered into employment agreements with W. Clif Lawson, our Executive Vice President and Chief Operating Officer, and Larry J. Goddard, our Vice President of Finance and Chief Financial Officer, with terms that commenced January 1, 2002 and end on June 30, 2004 and December 31, 2004, respectively. Under these employment agreements, each of the executives receives a minimum annual base salary that increases throughout the term of his respective agreement. Mr. Weaver's base salary ranges from \$415,000 to \$445,000, Mr. Lawson's base salary ranges from \$214,000 to \$234,000, and Mr. Goddard's base salary ranges from \$175,000 to \$195,000. The base salaries may be increased at any time in the sole discretion of the Board of Directors, and the executives are also entitled to receive discretionary bonuses from time to time as may be

determined by the

4

Board. Each agreement provides that if the executive is terminated due to medical disability, he shall continue to receive his then current base salary for a period of twelve months, and if the executive is terminated without cause, he will be entitled to receive all compensation due under the respective agreement for the remainder of the term of the agreement. Each agreement contains a three-year confidentiality provision and a one-year non-competition provision. Each agreement may be extended at the company's option for an additional one-year period. If the option is exercised, Messrs. Weaver, Lawson and Goddard will be entitled to annual base salaries during the extension period of \$460,000, \$244,000 and \$205,000, respectively.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

During 2002, Messrs. Calderone, Conner, Cooke, Matthew Moroun, Sullivan and Wilkins served as members of the Compensation and Stock Option Committee, though not all together at the same time. Mr. Matthew Moroun, a member of the Compensation and Stock Option Committee and the Executive Committee of the Board of Directors, and our largest stockholder, is the controlling stockholder, Vice Chairman and a director of CenTra, Inc., a transportation holding company based in Warren, Michigan. During 2002, certain subsidiaries of CenTra paid us a total of \$239,157 for transporting freight. We also made payments to certain subsidiaries of CenTra during 2002 in the aggregate amount of \$633,086. These payments related to property leases (\$230,917), insurance premiums (\$384,516), and other miscellaneous services or expenses (\$17,653); and are more fully described in the paragraphs below.

Payments were made to Crown Enterprises, Inc. in the amount of \$226,817 for real estate leases. Properties leased from Crown Enterprises, Inc. include office and maintenance facilities in Oklahoma City, Oklahoma and Effingham, Illinois and trailer drop yards in eleven states. The lease in Oklahoma City, Oklahoma expires on July 31, 2003. The lease in Effingham, Illinois and the trailer drop yard leases are generally month to month leases with automatic monthly renewal provisions. Property is also leased from Lakeshore Properties that is used for trailer drop yards. Payments were made to Lakeshore Properties in the amount of \$4,100 during 2002 and represent lease payments made in accordance with lease agreements that contain automatic monthly renewal provisions.

During 2002 payments were made to Cherokee Insurance Company (\$29,865) and Liberty Bell Agency (\$188,371). The payments were for insurance premiums paid pursuant to agreements to provide non-trucking liability coverage (Cherokee Insurance Company) and physical damage insurance coverage (Liberty Bell Agency) for a group of the company's independent contractors. Both the Cherokee Insurance Company and the Liberty Bell Agency agreements are made directly with the independent contractors. The company acts only as a sponsor for the programs. The full amount of payments to Cherokee Insurance Company and Liberty Bell Agency were recouped from the independent contractors.

The company has auto liability coverage with AIG Insurance Company. The company retained Liberty Bell Agency as its third party claims administrator. The TPA agreement is a one year agreement which commenced on the October 1, 2001, and was renewed on October 2, 2002. The auto liability insurance policy has a \$2,500 per claim deductible. Liberty Bell Agency adjusts the claims and pays the claimants the amounts of the settlements. Liberty Bell Agency invoices the company for the claims which fall within the \$2,500 deductible. The company paid Liberty Bell Agency a total of \$166,280 for claims paid by Liberty Bell Agency under the deductible.

Edgar Filing: PAM TRANSPORTATION SERVICES INC - Form DEF 14A

The company paid Central Transport International, Inc. \$17,653 during 2002 for transportation services. Transportation services are provided on an as needed basis and are negotiated in the regular course of the company's transportation business.

We believe that each of the above transactions was entered into on terms as favorable to us as could have been obtained from unaffiliated third parties at the time such transactions were negotiated. The company expects to continue transactions with subsidiaries of CenTra in 2003 that are similar to those described above.

OPTION GRANTS IN 2002

The following table provides information on options granted to the named executive officers during the year ended December 31, 2002:

NAME	INDIVIDUAL GRANTS				POTENTIAL REALIZED ASSUMED ANNUAL STOCK PRICE APPRECIATION OPTION VALUE
	NO. OF SHARES UNDERLYING OPTIONS GRANTED (1)	% OF TOTAL OPTIONS GRANTED TO EMPLOYEES IN 2002	EXERCISE PRICE PER SHARE (2)	EXPIRATION DATE	
Robert W. Weaver.....	120,000	38.40%	\$23.22	8/27/12	\$1,752,352

Larry J. Goddard.....	90,000	28.80%	\$23.22	8/27/12	\$1,314,263

- (1) Options vest in increments of 20% at the date of grant and the remaining 80% vests over the next succeeding six years subject to the company meeting certain specified performance criteria.
- (2) The exercise price for each of the options has been the market price of the common stock at the time the option was granted. The exercise price may be paid in cash, or at the discretion of the Compensation and Stock Option Committee, by the delivery of previously owned shares, or by a combination of cash and shares.
- (3) Caution is recommended in interpreting the financial significance of these figures. Potential values are based on the assumption that the company's common stock will appreciate 5% or 10% each year, compounded annually, from the grant date of the option to the end of the option term. The figures are not intended to forecast future appreciation, if any, of the price of common stock or establish a present value of the options.

AGGREGATED STOCK OPTION EXERCISES IN 2002 AND YEAR-END OPTION VALUES

The following table provides information on the exercise of stock options during the year ended December 31, 2002 by the named executive officers and the value of unexercised options at December 31, 2002:

Edgar Filing: PAM TRANSPORTATION SERVICES INC - Form DEF 14A

NAME	SHARES		NUMBER OF SHARES	VALUE OF UNEXERCISED MONEY OPTIONS EXERCISABLE/UNEXERCISABLE

Larry J. Goddard.....	0	N/A	18,000/72,000	35,820/

(1) Dollar values were calculated by subtracting the exercise price from the fair market value of the underlying common stock on December 31, 2002 (\$25.21 per share). An option is "in-the-money" if the market value of the common stock underlying the option exceeds the option's exercise price.

COMPENSATION OF DIRECTORS

We currently pay our non-employee directors an annual fee of \$8,000 per year. In addition, such directors are paid a fee of \$1,500 per Board or committee meeting that they attend in person, and \$500 per Board or committee meeting that they attend by telephone. When a director attends more than one meeting on the same day, the director is generally paid only one meeting fee for the day. We reimburse directors for their expenses in attending such meetings. Directors who are also employees of P.A.M. are not additionally compensated for their services as members of the Board of Directors.

Pursuant to automatic grant provisions under our 1995 Stock Option Plan, on March 2 of each year, each non-employee director is granted an option to purchase 2,000 shares of our common stock at an exercise price equal to the fair market value of our stock on the date of grant. During 2002, options were granted for 2,000

6

shares of common stock to each of Messrs. Calderone, Matthew Moroun, Sullivan and Wilkins, who were our non-employee directors as of March 2, 2002. The exercise price under these options is \$20.79 per share.

Notwithstanding anything to the contrary set forth in any of our previous filings under the Securities Act of 1933 or the Securities Exchange Act of 1934 that might incorporate future filings, including this proxy statement, in whole or in part, the following Report of the Compensation and Stock Option Committee on Executive Compensation and the Stockholder Return Performance Graph shall not be incorporated by reference into any such filings.

REPORT OF THE COMPENSATION AND STOCK OPTION COMMITTEE ON EXECUTIVE COMPENSATION

In accordance with the proxy statement rules of the Securities and Exchange Commission, the Compensation and Stock Option Committee of the Board of the Directors offers the following report regarding compensation policies for our executive officers and Chief Executive Officer with respect to compensation paid to such officers during the last fiscal year.

During 2002, Messrs. Calderone, Conner, Cooke, Matthew Moroun, Sullivan and Wilkins served as members of the Compensation and Stock Option Committee, though not all together at the same time. Each of them is a non-employee director of

Edgar Filing: PAM TRANSPORTATION SERVICES INC - Form DEF 14A

P.A.M. It is the Committee's responsibility to review and make recommendations to the Board of Directors with respect to compensation of P.A.M.'s officers. In formulating its compensation policies and decisions, the Committee endeavors to provide a competitive compensation package that enables the company to attract and retain key executives and to integrate compensation programs with the company's annual and long-term business strategies and objectives and focus executive actions on the fulfillment of the objectives.

P.A.M.'s executive compensation program generally consists of base salary and annual incentive compensation through a cash bonus plan. Stock options are utilized in order to align executives' interests more closely with the interests of stockholders. The amount of such awards, if any, may be determined from time to time by the Compensation and Stock Option Committee or the Board of Directors.

Robert W. Weaver, P.A.M.'s President and Chief Executive Officer, is presently employed pursuant to a three-year employment agreement that became effective on July 1, 2002. The company has also entered into two and one-half to three-year employment agreements with its two other executive officers, W. Clif Lawson, Executive Vice President and Chief Operating Officer, and Larry J. Goddard, Vice President and Chief Financial Officer. The terms of these agreements are described above under the caption "Employment Agreements."

The Board of Directors has adopted an Incentive Compensation Plan covering all of our office and shop employees, including executive officers, which allows employees to earn annual bonuses, payable over a three-year period, based on the operating ratio and revenues of the company. The Board of Directors believes this program serves as an incentive to all participating employees (currently approximately 250 employees) to give greater effort on behalf of the company. During 2002, Messrs. Weaver, Lawson and Goddard accrued bonuses of \$182,327, \$98,413 and \$81,278, respectively, pursuant to the company's Incentive Compensation Plan.

The Committee believes that the total compensation of the company's executive officers has been competitive within the industry.

7

P.A.M.'s future compensation policies will be developed in light of P.A.M.'s profitability and with the goal of rewarding members of management for their contributions to the company's success. It is the company's intention that the compensation to be paid to its executive officers will not exceed the present maximum allowable amount for purposes of deductibility set forth in the Internal Revenue Code.

INDEPENDENT PUBLIC ACCOUNTANTS

The Audit Committee of the Board of Directors has selected Deloitte & Touche LLP as our principal independent auditors for the year ending December 31, 2003. Representatives of Deloitte & Touche LLP do not plan to attend the annual meeting of stockholders.

AUDIT FEES

Audit Fees. The aggregate fees billed by Deloitte & Touche LLP for professional services rendered for the audit of our annual financial statements for the year ending December 31, 2002 and the reviews of the financial statements included in our Forms 10-Q during 2002 were \$61,000.

Financial Information Systems Design and Implementation Fees. During 2002, Deloitte & Touche LLP did not perform any services with regard to financial information systems design and implementation.

All Other Fees. The aggregate fees for non-audit services provided by Deloitte & Touche LLP were \$34,860. The Audit Committee believes that the services provided by Deloitte & Touche LLP that resulted in such fees were not incompatible with maintaining the independence of such firm.

CHANGE OF ACCOUNTANTS

On July 9, 2002, we dismissed our independent auditors, Arthur Andersen LLP, and on the same date engaged Deloitte & Touche LLP as our independent auditors for the fiscal year ending December 31, 2002. Each of these actions was approved by the Audit Committee of our Board of Directors.

Arthur Andersen LLP audited our financial statements for the fiscal year ended December 31, 2001 and for the fiscal year ended December 31, 2000. Neither of the audit reports of Arthur Andersen LLP for those years contained any adverse opinion or a disclaimer of opinion, or was qualified or modified as to uncertainty, audit scope, or accounting principles. In connection with the audits for the fiscal years ended December 31, 2001 and 2000 and for the unaudited interim period ended March 31, 2002, there were no disagreements with Arthur Andersen LLP on any matter of accounting principle or practice, financial statement disclosure, or audit procedure or scope which disagreement, if not resolved to the satisfaction of Arthur Andersen LLP, would have caused it to make reference to the subject matter of the disagreement in its report.

Further, prior to the engagement of Deloitte & Touche LLP, neither we nor any of our representatives sought the advice of Deloitte & Touche LLP regarding the application of accounting principles to a specific completed or contemplated transaction or the type of audit opinion that might be rendered on our financial statements, which advice was an important factor considered by us in reaching a decision as to the accounting, auditing or financial reporting issue.

In connection with the audit of the fiscal year ended December 31, 2001 and for the unaudited interim period ended March 31, 2002, Arthur Andersen LLP did not advise the Company that:

(i) internal controls necessary for us to develop reliable financial statements did not exist;

(ii) information had come to its attention that led it to no longer be able to rely on management's representations, or that made it unwilling to be associated with the financial statements prepared by management;

(iii) there existed a need to expand significantly the scope of its audit, or that information had come to its attention that if further

investigated might materially impact the fairness or reliability of either: a previously issued audit report or the underlying financial statements, or the financial statements issued or to be issued covering the fiscal period subsequent to the date of the most recent financial statements covered by an audit report (including information that might prevent it from rendering an unqualified audit report on those financial statements).

We requested that Arthur Andersen LLP furnish us with a letter addressed to the Securities and Exchange Commission stating whether it agrees with the above statements. We made reasonable efforts to obtain such letter and have not obtained any letter from Arthur Andersen LLP.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Certain transactions between us and subsidiaries of CenTra, Inc., a corporation controlled by Manuel Moroun, who is a member of our Board of Directors, and his son, Matthew Moroun, who is our largest stockholder, and a member of our Board of Directors, are described above under the caption "Compensation Committee Interlocks and Insider Participation."

ANNUAL REPORT TO STOCKHOLDERS AND REPORT ON FORM 10-K

Additional information concerning us, including our financial statements, is provided in our 2002 Annual Report to Stockholders that accompanies this proxy statement. Our Annual Report on Form 10-K for the year ended December 31, 2002, as filed with the Securities and Exchange Commission, is available to stockholders who make a written request for it to our Secretary, Larry J. Goddard, at our principal executive office, 297 West Henri DeTonti Boulevard, Tontitown, Arkansas 72770. Copies of exhibits filed with that report or referenced in it will be furnished to stockholders of record upon request and payment of our expenses in furnishing such documents.

STOCKHOLDER PROPOSALS

Any proposal to be presented at the 2004 Annual Meeting of Stockholders must be received at our principal executive office not later than December 26, 2003, directed to the attention of the Secretary, for consideration for inclusion in our proxy statement and form of proxy relating to that meeting. Any such proposals must comply in all respects with the rules and regulations of the Securities and Exchange Commission.

In connection with our Annual Meeting of Stockholders to be held in 2004, if we do not receive notice of a matter or proposal to be considered by March 10, 2004, then the persons appointed by the Board of Directors to act as the proxies for such Annual Meeting (named in the form of proxy) will be allowed to use their discretionary voting authority with respect to any such matter or proposal at the Annual Meeting, if such matter or proposal is properly raised at the Annual Meeting and put to a vote.

OTHER MATTERS

We do not know of any matters to be brought before the meeting other than those described in this proxy statement. If any other matter properly comes before the meeting, the persons designated as proxies will vote on each such matter in accordance with their best judgment.
