2003 PROXY STATEMENT

QUESTIONS AND ANSWERS

1. Q: What is a proxy?

A: A proxy is a document, also referred to as a proxy card (which is enclosed), by which you authorize someone else to vote for you in the way that you want to vote. Caraco's Board of Directors is soliciting this proxy. You may also abstain from voting.

2. Q: What is a proxy statement?

A: A proxy statement is the document the United States Securities and Exchange Commission (the "SEC") requires to explain the matters on which you are asked to vote on the proxy card. Caraco's proxy statement, together with its enclosed proxy card, was first mailed to shareholders on or about May 5, 2003.

3. Q: Who can vote?

A: Only holders of Caraco's common stock at the close of business on April 25, 2003, the Record Date, can vote at the Annual Meeting. Each shareholder of record has one vote for each share of common stock on each matter presented for a vote at the Meeting.

4. Q: What will I vote on at the Meeting?

A: At the Annual Meeting, shareholders will vote to:

Edgar Filing: CARACO PHARMACEUTICAL LABORATORIES LTD - Form DEF 14A

1. elect three directors for three-year terms expiring in 2006 and upon the election and qualification of their successors;
2. approval of amendment to Amended and Restated Articles of Incorporation increasing the number of common shares to 50 million and of preferred shares to 15 million (the "Amendment");
3. transact any other business that is properly submitted before the Annual Meeting or any adjournments of the Meeting.

5. Q: How does the Board of Directors recommend I vote on the proposal?

A: The Board of Directors recommends a vote "FOR" all of the nominees listed in Proposal 1 and "FOR" the amendment to the Amended and Restated Articles of Incorporation.

1

6. Q: How can I vote?

A: You can vote in person or by proxy. To vote by proxy, sign, date and return the enclosed proxy card. If you return your signed proxy card to American Stock Transfer before the Annual Meeting, the persons named as proxies on the card will vote your shares as you directed. You may revoke a proxy at any time before the proxy is exercised by:

1. giving written notice of revocation to the Chief Executive Officer of Caraco at 1150 Elijah McCoy Drive, Detroit, MI 48202;
2. submitting another proxy that is properly signed and later dated;
3. voting in person at the Meeting (but only if the shares are registered in Caraco's records in the name of the shareholder and not in the name of a broker, dealer, bank or other third party);

7. Q: Is my vote confidential?

A: Yes, your vote is confidential. Only the inspector of election and certain employees associated with processing proxy cards and counting the vote have access to your vote.

8. Q: What is a quorum?

A: There were 23,762,532 shares of Caraco's common stock outstanding on the Record Date. A majority of the outstanding shares, or 11,881,266 shares, present or represented by proxy, constitutes a quorum. For purposes of a quorum, abstentions and broker non-votes are included. A broker non-vote is a proxy a broker submits that does not indicate a vote for some or all the proposals because the broker does not have discretionary voting authority and the broker did not receive instructions as to how to vote on those proposals. A quorum must exist to conduct business at the Annual Meeting.

9. Q: How does voting work?

A: If a quorum exists, each director must receive the favorable vote of a majority of the shares voted, excluding broker non-votes, present in person or represented by proxy. The Amendment must receive the favorable

vote of a majority of the outstanding shares entitled to vote, present either in person or represented by proxy. Accordingly, shares which are not voted, broker non-votes and abstentions have the effect of a vote against the Amendment.

Caraco will vote properly executed proxies it receives prior to the Meeting in the way you direct. IF YOU SIGN THE PROXY CARD BUT DO NOT SPECIFY INSTRUCTIONS, THE SHARES REPRESENTED BY PROXIES WILL BE VOTED "FOR" THE NOMINEES FOR DIRECTORS AND "FOR" THE AMENDMENT. No other matters are currently scheduled to be presented at the Meeting. If any matter or matters are properly brought before the Meeting or any adjournment thereof, it is the intention of the persons named in the accompanying proxy card to vote the shares represented by the proxy card as they determine.

2

10. Q: Who pays for the costs of the Meeting?

A: Caraco pays the cost of preparing and printing the proxy statement and soliciting proxies. Caraco will solicit proxies primarily by mail, but may also solicit proxies personally and by telephone. Caraco will reimburse banks, brokerage houses and other custodians, nominees and fiduciaries for their out-of-pocket expenses for forwarding solicitation material to beneficial owners of Caraco's common stock.

11. Q: When are shareholder proposals for the 2004 Annual Meeting due?

A: All shareholder proposals to be considered for inclusion in next year's proxy statement must be submitted in writing to the Chief Executive Officer, Caraco Pharmaceutical Laboratories, 1150 Elijah McCoy Drive, Detroit, Michigan 48202, before December 30, 2003.

Additionally, under Caraco's bylaws, shareholders of Caraco must provide advance notice to Caraco if they wish to nominate persons for election as directors or propose items of business at an annual meeting of Caraco's shareholders. The shareholder must deliver this notice for next year's annual meeting before December 30, 2003.

3

PROPOSAL 1 - ELECTION OF DIRECTORS:

ELECTION OF BOARD OF DIRECTORS

Caraco's Board of Directors is divided into three classes with each class of directors elected to a three-year term of office. At each annual meeting of shareholders, shareholders elect one class of directors for a three-year term to succeed the class of directors whose term of office expires at that meeting. This year you are voting on three candidate directors. Based on the recommendation of the Board of Directors, the following individuals, each of whom is a current director, are recommended for re-election: Dilip S. Shanghvi, Jitendra N. Doshi and Jay F. Joliat. Each of the nominees has consented to his nomination and has agreed to serve as a director of Caraco if elected.

Edgar Filing: CARACO PHARMACEUTICAL LABORATORIES LTD - Form DEF 14A

If any director is unable to stand for re-election, Caraco may vote the shares to elect any substitute nominee recommended by the Board of Directors. If the Board of Directors does not recommend any substitute nominees, the number of directors to be elected at the Annual Meeting may be reduced by the number of nominees who are unable to serve.

Caraco's Board of Directors recommends a vote "FOR" these nominees.

The 1993 Stock Option Plan terminated on December 31, 2002. Options granted under such plan, however, continue until their respective expiration dates. Caraco has also granted non-qualified stock options to David A. Hagelstein, a director of Caraco (574,158) and to Jay F. Joliat, a director of Caraco, and certain family members of Mr. Joliat (1,332,666). Mr. Hagelstein's options are all exercisable, are exercisable at exercise prices ranging from \$0.88 to \$1.56 and expire at various times over the next several years. The options may be exercised and payment made only from royalties. At December 31, 2002, royalties totaled \$801,144, and were included in accrued expenses. Caraco is currently determining, however, whether the formula provided to it by such pharmaceutical company is different than the formula currently used. If the formula is different, Caraco would cease to accrue any royalties.

During 2002 we issued to Sun Global 1,632,000 shares of our common stock in exchange for three ANDAs.

During 2002 and 2001, we purchased approximately \$2,422,000 and \$1,138,000, respectively, of our raw materials from Sun Pharmaceutical. Management believes that the terms and conditions of its agreements to purchase such raw materials are fair and comparable to those, which could have been obtained from independent parties. We intend to continue to purchase raw materials from Sun Pharmaceutical in 2003.

During 2002 and 2001, Caraco purchased approximately \$310,000 and \$260,000, respectively, of equipment from Sun Pharmaceutical. Management believes that the terms and conditions of its agreements to purchase such equipment are fair and comparable to those which could have been obtained from independent parties. We intend to continue to purchase equipment from Sun Pharmaceutical in 2003.

During the first quarter of 2002, Sun Pharmaceutical loaned us \$1,400,000 at an annual interest rate of 8%. During 2001, Sun Pharmaceutical lent us \$2,450,000. Sun Pharmaceutical reduced the rate of interest on such loan from 10% to 8% per annum with an effective date of April 1, 2001. The loans are due and payable in October 2006.

11

On November 21, 2002, we entered into a products agreement with Sun Global. In exchange for each new generic drug transferred to us by Sun Global which passes a bioequivalency test, we shall issue Sun Global 544,000 shares of a newly created preferred stock.

In December 2001, the Board extended the exercise date to December 31, 2005 with respect to options for 224,158 and 65,000 shares of Caraco common stock previously granted to Messrs. Hagelstein and Joliat. The exercise prices of such options are \$1.50 and \$3.50, respectively. Mr. Joliat, however has declined such extension. During 2002, Mr. Joliat also converted 285,714 shares of Series A Preferred Stock for 285,714 shares of Caraco's common stock pursuant

Edgar Filing: CARACO PHARMACEUTICAL LABORATORIES LTD - Form DEF 14A

to the terms of the Series A Preferred Stock.

On December 20, 2001, the Board of Directors granted to Jitendra N. Doshi a qualified stock option for 125,000 shares of Caraco's common stock at an exercise price of \$1.25 per share. The options are exercisable at the rate of 20% per year commencing one year from the date of grant and may be exercised until December 20, 2007.

On June 4, 2001, the Board of Directors granted to Robert Kurkiewicz a qualified stock option for 10,000 shares of Caraco's common stock at an exercise price of \$0.80 per share. Jitendra N. Doshi, the Chief Operating Officer of Caraco, entered into an employment agreement dated August 30, 2002. The employment agreement provides Mr. Doshi with a salary at the rate of \$129,800 annually and a car allowance of \$380.00 per month. The employment agreement is for a term of five (5) years, commencing on January 1, 2002 and ending on December 31, 2006. - o The shareholders of our company approve a merger or consolidation with any other corporation or entity, unless, following the merger, the shares outstanding immediately before the merger continue to represent a majority of the outstanding shares of the surviving entity immediately following the merger;

RELATIONSHIP WITH INDEPENDENT AUDITORS

Rehmann Robson audited the financial statements of Caraco for the year ended December 31, 2002. The Board is in the process of evaluating Caraco's auditing requirements for 2003 and, accordingly, has not yet selected independent accountants to audit Caraco's financial statements for 2003. A representative of Rehmann Robson is expected to be present at the Meeting with the opportunity to make a statement if such representative desires to do so and is expected to be available to respond to appropriate questions.

AUDIT FEES

Aggregate fees billed for professional services rendered for the audit of Caraco's annual consolidated financial statements for the fiscal year ended December 31, 2002 and the review of financial statements included in the quarterly Form 10-Qs filed with the Securities and Exchange Commission for that fiscal year were: \$43,500.

FINANCIAL INFORMATION SYSTEM DESIGN AND IMPLEMENTATION FEES

No professional services were rendered by Rehmann Robson for the year ended December 31, 2002, with respect to, directly or indirectly, operating or supervising the operations of Caraco's information systems or managing Caraco's local area network or designing or implementing hardware or software that aggregates source data underlying the financial statements or generates information that is significant to Caraco's financial statements taken as a whole.

ALL OTHER FEES

The aggregate fees billed for services rendered by Rehmann Robson PC for services not covered under the two preceding captions was \$67,815. These fees were principally for tax related services, including preparation of corporate tax returns and property taxes for services related to Caraco's registration statement for the registration of common stock for sale under the Securities Act of 1933, as amended, and other corporate related services.

Caraco's Audit Committee has concluded that the provision of services covered under the caption "All Other Fees" is compatible with Rehmann Robson maintaining

its independence. None of the hours expended on Rehmann Robson's engagement to audit the consolidated financial statements for the year ended December 31, 2002 were attributed to work performed by persons other than Rehmann Robson's full time permanent employees.

PROPOSAL 2 - AMENDMENT TO AMENDED AND RESTATED ARTICLES OF INCORPORATION TO INCREASE AUTHORIZED COMMON AND PREFERRED SHARES

On November 21, 2002, the Board of Directors unanimously approved a resolution, subject to shareholder approval, to amend Article III, Section 1 of Caraco's Amended and Restated Articles of Incorporation, as amended, by increasing the number of authorized common shares from 30,000,000 to 50,000,000 and by increasing the number of authorized preferred shares from

16

5,000,000 to 15,000,000. The affirmative vote of holders of a majority of the outstanding shares of common stock entitled to vote, present in person or represented by proxy, is required to adopt the proposed amendment.

The Board of Directors recommends a vote "FOR" the approval of the amendment, a copy of which is attached as Appendix B.

Caraco presently is authorized to issue 30,000,000 common shares, no par value. As of March 31, 2003, there were 23,762,532 common shares outstanding. There are 2,916,199 options outstanding under Caraco's option plans. An additional 2,453,000 options are reserved under Caraco's 1999 Equity Participation Plan. Caraco also has filed a pending registration statement with the Securities and Exchange Commission to register for sale 4,365,000 shares. Pursuant to its products agreement with Sun Pharma Global, Inc. (see below), Caraco may issue up to 13,600,000 preferred shares which are convertible into 13,600,000 common shares. Caraco presently is authorized to issue 5,000,000 preferred shares, no par value. At this date, no preferred shares are issued and outstanding.

As noted, on November 21, 2002, Caraco entered into a products agreement with Sun Pharma Global, Inc. pursuant to the approval of a committee of its non-employee independent directors. Under the agreement, Sun Pharma Global, Inc. has agreed to provide Caraco with 25 new generic drugs over a five-year period. In return for the technology transfer, Sun Pharma Global, Inc. will receive 544,000 shares of a newly created preferred stock for each generic drug transferred when such drug has passed its bioequivalency study. The terms and conditions of the newly created preferred stock were designated by the independent committee pursuant to a Certificate of Determination of Rights, Privileges and Preferences Series B Preferred Stock and filed with the State of Michigan. Among other things, the preferred shares are non-voting, do not receive dividends and are convertible into common shares after three years (or immediately upon a change in control) on a one-to-one basis. In addition, the Series B Preferred Shares have a liquidation preference, in an amount per share equal to the value of the Series B Preferred Shares on the respective dates on which they were earned, ahead of the holders of the common shares, to the assets and surplus funds, if any, of Caraco after the payment of all outstanding debt. The Series B Preferred Shares also prohibit Caraco from issuing any securities having a preference ahead of the Series B Preferred Shares without the consent of a majority of the outstanding shares of the Series B Preferred Shares.

The purpose of the amendment is to provide Caraco with sufficient common shares and preferred shares to fulfill its obligations under its option plans, registration statement, product agreement with Sun Pharma Global, Inc., and for other general corporate purposes. Other than as disclosed, Caraco has no other current plans, arrangements or understandings for the issuance of additional shares that would be authorized by this proposed amendment. If the amendment is approved, Caraco also will have greater flexibility in the future to issue shares in excess of those presently authorized, without the expense and delay of a special shareholders' meeting. No holder of common shares has any preemptive right with respect to the common shares. If the Board deems it in the best interests of Caraco and its shareholders to issue additional shares in the future, the Board will have the authority to determine the terms of the issuance and, generally, would not seek further authorization by vote of the shareholders unless authorization is required by applicable law or regulations.

Should the Board desire to issue additional common shares in the future, such issuance of additional shares could dilute the voting power of a person seeking control of Caraco, thereby deterring or rendering more difficult a merger, tender offer, proxy contest or an extraordinary transaction opposed by Caraco's Board. Caraco has no knowledge that any person intends to effect such a transaction

- o with the assistance of counsel for the Company, the committee shall prepare the report required by the rules of the Securities and Exchange Commission to be included in the Company's annual Proxy Statement to be filed with the Securities and Exchange Commission.

While the audit committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Audit Committee to plan or conduct audits or to determine that the Company's financial statements are complete and accurate and are in accordance with generally accepted accounting principles. This is the responsibility of management and the independent auditor. Nor is it the duty of the audit committee to conduct investigations, to resolve disagreements, if any, between management and the independent auditor or to assure compliance with laws and regulations governing the Company.
