Explanatory Note

On December 19, 2005, Ramco-Gershenson Properties Trust filed a Current Report on Form 8-K under Item 1.01 in which the interest rates were incorrectly reported. This Form 8-K/A is filed as an amendment to the Form 8-K to disclose the correct interest rates.

Item 1.01 Entry into a Material Definitive Agreement.

On December 13, 2005, Ramco-Gershenson Properties, L.P. (the Company), the majority-owned operating partnership of Ramco-Gershenson Properties Trust (the Registrant), entered into a new \$250 million unsecured credit facility (the Credit Facility) with certain lenders party thereto, KeyBank National Association as agent, KeyBanc Capital Markets as sole lead manager and arranger, JPMorgan Chase Bank, N.A. and Bank of America, N.A. as co-syndication agents and Deutsche Bank Trust Company Americas, as documentation agent. The Credit Facility consists of a \$100 million unsecured term loan facility and a \$150 million unsecured revolving credit facility. The Credit Facility provides that the unsecured revolving credit facility may be increased by up to \$100 million at the Company s request (for a total unsecured revolving credit facility commitment of \$250 million.)

The unsecured term loan matures in December 2010 and bears interest at a rate equal to LIBOR plus 130 to 165 basis points. The unsecured revolving credit facility matures in December 2008 and bears interest at a rate equal to LIBOR plus 115 to 150 basis points. The Company has the option to extend the maturity date of the unsecured revolving credit facility to December 2010. The proceeds were used to retire borrowings under the Company s previous unsecured revolving credit facility and secured revolving credit facility, a bridge loan and a construction loan. It is anticipated that funds borrowed under the Credit Facility will be used for general corporate purposes, including working capital, capital expenditures, the repayment of indebtedness or other corporate activities.

The new facility replaces the Company s \$160 million secured revolving credit facility and \$40 million unsecured revolving credit facility, which were due to expire on December 29, 2005.
