Under the caption Business Material Contracts Clinical Research Agreement with INC RESEARCH, Inc. on page 64 of the preliminary prospectus included in Amendment No. 4 to the Registration Statement, we added the following disclosure:

Clinical Research Agreement with INC RESEARCH, Inc.

On September 11, 2006, we entered into a clinical research and related services agreement with INC RESEARCH, Inc., or INC, pursuant to which INC will assist us in making preparations to conduct a Phase 1/2 dose-escalation clinical trial that will employ our proprietary SonoLysis bubbles, ultrasound and tPA. Upon signing the agreement, we made a payment to INC of \$200,000, which amount will be applied against amounts that accrue and become due to INC for future services under the agreement. We estimate that costs and fees for all services to be provided under the agreement total approximately \$1.6 million. We will be obligated to pay fees and to reimburse INC for direct and indirect costs incurred by them under the agreement within 30 days after our receipt of invoices provided from time to time by INC. The agreement will terminate on December 1, 2006 unless earlier terminated by either party upon 30 days written notice to the other party.
