### ITEM 4. PURPOSE OF TRANSACTION

Pursuant to an Acquisition Agreement, dated July 27, 2004, by and between the Issuer and Lenovo, as supplemented and amended by Supplement and Amendment No. 1 to Acquisition Agreement, dated October 1, 2004 between the Issuer and Lenovo (as amended, the "Acquisition Agreement") the Issuer acquired from Lenovo (the "Acquisition") its non-telecom related IT services business (the "Non-Telecom Business"). The consideration for the Acquisition was as follows: (i) 974,284 shares of Common Stock with an aggregate market value of US\$4.8 million (RMB40 million), delivered to Lenovo IT Alliance; (ii) execution of a Forward Contract, dated October 19, 2004, between the Bonson Information Technology Limited, a corporation organized and existing under the Laws of the British Virgin Islands and a direct wholly-owned subsidiary of the Issuer ("BITL") and Lenovo IT Alliance (the "Forward Contract") with respect to the Issuer's Common Stock having an aggregate market value of US\$31.5 million (RMB260 million) (the "Forward Contract Shares"); and (iii) assumption by the Issuer of certain liabilities of Lenovo and its subsidiaries, as specified in the Acquisition Agreement. In addition, under the terms of the Acquisition Agreement, Lenovo is entitled to receive certain earnout payments consisting of either cash or Common Stock, at the Issuer's sole discretion, upon the attainment by the Non-Telecom Business of certain performance goals during the first full twelve months following the closing of the Acquisition.

The Forward Contract provided for payment by BITL on behalf of the Issuer of a portion of the purchase price relating to the Acquisition through the transfer by BITL of the

Forward Contract Shares to Lenovo IT Alliance at any time during a twelve-month period following the closing date of the Acquisition, as determined by BITL in its sole and absolute discretion (such date, the "Settlement Date"). Under the terms of the Forward Contract, if the value of the Forward Contract Shares was less than US\$31.5 million (the "Settlement Amount") on the Settlement Date, then BITL was required to deliver either cash or additional Common Stock in an amount equivalent to the difference between the market value and the settlement Amount. On July 1, 2005, 4,498,130 shares of Common Stock, constituting the Forward Contract Shares, were delivered by the Issuer to Lenovo IT Alliance pursuant to the terms of the Forward Contract. In addition, in accordance with the terms of the Forward Contract, the Issuer made a cash payment to Lenovo IT Alliance via Lenovo Group Limited in the amount of \$2,023,842.

Pursuant to the terms of the Acquisition Agreement, the Issuer appointed Mr. Bing Yu, a representative of Lenovo, to its Board of Directors and agreed to maintain Lenovo's representation on the Board of Directors during the time Lenovo holds at least 80% of the Forward Contract Shares. On January 4, 2006, Mr. Bing Yu resigned as director of the Issuer. On January 18, 2006, Mr. Cheung, Wing Chung Anders was nominated as Lenovo's representative on the Issuer's Board of Directors.

(b) engage in any activity of the type sometimes referred to as "trade loading" or "channel stuffing" or in any other activity that reasonably could be expected to result in a material reduction, temporary or otherwise, in the demand for the products offered by the Business following the Closing, including sales of a product (i) with payment terms longer than terms customarily offered by Seller or any of its Subsidiaries for such product, (ii) at a greater discount from listed prices than customarily offered for such product, other than pursuant to a promotion of a nature previously used in the normal course of business of Seller and its Subsidiaries for such product, (iii) at a price that does not give effect to any previously announced general increase in the list price for such product, (iv) with shipment terms more favorable to the customer than shipment terms customarily offered by Seller and its Subsidiaries for such product, (v) in a quantity greater than the reasonable retail or wholesale (as the case may be) resale requirement of the particular customer or (vi) in conjunction with other material benefits to the customer not previously offered in the ordinary course of business to such customer;

(c) except as otherwise expressly provided in this Agreement, waive any rights in respect of or write off any Account Receivable or fail to timely pay any account payable, except in either case other than in the ordinary course of business;

(l) settle or compromise any material claim, action, suit or proceeding pending or threatened against Seller, the Business or the Assets, except in the ordinary course of business or for the purpose of effecting the transactions contemplated hereby;

(m) enter into any transaction or any contract with any Subsidiaries, except in the ordinary course of business; or

(n) take, or agree or otherwise commit to take, any of the foregoing actions or any other action that if taken would cause any representation or warranty of Seller or the Selling Subsidiaries contained in this Agreement to be untrue or incorrect as of the date when made or as of any subsequent date (as if made as of such date) or that could prevent the satisfaction of any condition set forth in Article VI.

Notwithstanding the foregoing, the covenants in this Section 5.1 shall not prevent Seller from disposing of part or all of its interest in the equity or assets of the ChinaWeal Group or Lenovo AI or taking any of the other actions set forth above with respect to the ChinaWeal Group or Lenovo AI.

### Section 5.2. Access to Information.

(a) Seller shall (i) provide Purchaser and its officers, directors, employees, agents, counsel, accountants, financial advisors, consultants and other representatives (together, its "Representatives") with reasonable access, during normal business hours and upon reasonable prior notice to all personnel, officers, employees, agents, accountants, properties and facilities, of Seller, the Business, the Assets and the books and records relating to the Business and the Assets and (ii) furnish Purchaser and its Representatives with all such information and data (including copies of contracts, Plans and other books and records) concerning the Business and operations of the Business and the Assets as Purchaser or any of such Representatives reasonably may request in connection with such investigation. All such information shall be kept confidential in accordance with the terms of the confidentiality agreement, dated as of March 2, 2004, between Purchaser and Seller (the "Confidentiality Agreement"). In the event of a conflict or inconsistency between the terms of this Agreement and the Confidentiality Agreement, the terms of this Agreement will govern.

(b) The provisions of the Confidentiality Agreement shall remain binding and in full force and effect until the Closing (or after the termination of this Agreement in accordance with Article VIII), except that the Confidentiality Agreement shall not apply to any documents prepared in connection with or proceeding before or filed with, or other disclosure made to, a Government Authority, court, arbitration tribunal or mediation service to enforce

Purchaser's rights arising in connection with the termination of this Agreement. The information contained herein, in the Seller Disclosure Schedule or delivered to Purchaser or its authorized representatives pursuant hereto shall be subject to the Confidentiality Agreement as Confidential Information (as defined and subject to the exceptions contained therein) until the Closing and, for that purpose and to that extent, the terms of the Confidentiality Agreement are incorporated herein by reference. All obligations of Purchaser under the Confidentiality Agreement shall terminate simultaneously with the Closing. Except as otherwise provided herein, Seller and its Affiliates and their consultants, advisors and representatives shall treat after the date hereof as strictly confidential (unless compelled to disclose by judicial or administrative process or, in the opinion of legal counsel, by other requirements of law) the terms of this Agreement and all nonpublic, confidential or proprietary information concerning the Business, and Seller and its

- 42 -

Affiliates and their consultants, advisors and representatives shall not use such information to the detriment of the Business. Seller has not waived, nor will it waive any provision of any confidentiality or similar agreement that relates to any of the Business, the Assets or the Assumed Liabilities.

### Section 5.3. Reasonable Efforts.

(a) Upon the terms and subject to the conditions of this Agreement, each of the parties hereto shall use all commercially reasonable efforts to take, or cause to be taken, all actions, and to do, or cause to be done, all things necessary, proper or advisable under applicable laws and regulations to consummate and make effective the transactions contemplated by this Agreement, including any and all necessary approvals of PRC Governmental Authorities. Seller and Purchaser each shall comply as promptly as practicable with any other laws of any Governmental Authority that are applicable to any of the transactions contemplated hereby or by the Transaction Documents and pursuant to which any consent, approval, order or authorization of, or registration, declaration or filing with, any Governmental Authority or any other Person in connection with such transactions is necessary. Seller and Purchaser shall furnish to each other such necessary information and reasonable assistance as the other may request in connection with their preparation of any filing, registration or declaration which is necessary under applicable laws. Purchaser and Seller shall keep each other apprised of the status of any communications with, and any inquiries or requests for additional information from, any Governmental Authority (or other Person regarding any of the transactions contemplated by this Agreement or the Transaction Documents) in respect of any such filing, registration or declaration, and shall comply promptly with any such inquiry or request (and, unless precluded by law, provide copies of any such communications that are in writing). The parties shall use their respective commercially reasonable efforts and take all necessary action to obtain any consent, approval, order or authorization of any Governmental Authority under United States or foreign antitrust or competition laws, necessary in connection with the transactions contemplated hereby or to resolve any objections that may be asserted by any Governmental Authority with respect to the transactions contemplated hereby. Nothing in this Agreement shall require Purchaser or its Affiliates to divest or hold separate or agree to any limitations on or other requirements in respect of the operation of any business, division or operating unit of Purchaser or any of its Affiliates, including the Business and the Assets from and after the Closing.

(b) Subject to the terms and conditions of this Agreement, each party shall use its commercially reasonable efforts to cause the Closing to occur as promptly as practicable, including by defending against any lawsuits, actions or proceedings, judicial or administrative, challenging this Agreement or the

## Edgar Filing: ASIAINFO HOLDINGS INC - Form SC 13D

consummation of the transactions contemplated hereby, and seeking to have any preliminary injunction, temporary restraining order, stay or other legal restraint or prohibition entered or imposed by any court or other Governmental Authority that is not yet final and nonappealable vacated or reversed.

(c) Purchaser and Seller each shall use commercially reasonable efforts to obtain as promptly as practicable all Permits required by law for Purchaser to conduct the Business following the Closing and to own the Assets.

(d) Seller and Purchaser will cooperate and use their respective commercially reasonable efforts to obtain as promptly as practicable all consents, approvals and waivers required by third Persons to transfer the Assets to, or for the use of the Assets by, Purchaser in a manner that will avoid any applicable default, conflict, or termination of rights under or in respect of the Assets.

Section 5.4. Takeover Proposals. Seller will not take, nor will Seller permit any Affiliate of Seller (or authorize or permit any officer, director, employee, investment banker, financial advisor, attorney, accountant or other Person retained by or acting for or on behalf of Seller or any such Affiliate)

- 43 -

to take, directly or indirectly, any action to initiate, assist, solicit, receive, negotiate, participate in, facilitate, encourage or accept any offer or inquiry from any Person (a) to make any Takeover Proposal; (b) to reach any agreement or understanding (whether or not such agreement or understanding is absolute, revocable, contingent or conditional) for, or otherwise attempt to consummate, any Takeover Proposal; or (c) to furnish or cause to be furnished any information with respect to the Business or the Assets to any Person (other than as contemplated by Section 5.3) who Seller or such Affiliate (or any such Person acting for or on their behalf) knows or has reason to believe is in the process of considering a Takeover Proposal. If Seller or any such Affiliate (or any such Person acting for or on their behalf) receives from any Person (other than Purchaser or any other Person referred to in Section 5.3) any offer, inquiry or informational request referred to above, Seller will promptly advise such Person, by written notice, of the terms of this Section 5.4 and will promptly, orally and in writing, advise Purchaser of such offer, inquiry or request and deliver a copy of such notice to Purchaser. Seller will immediately cease and cause to be terminated any existing activities, discussions or negotiations with any parties conducted on or prior to the date of this Agreement with respect to any Takeover Proposal. Seller shall demand the return of any information previously furnished to others in connection with efforts to sell the Business or any of the Assets.

Section 5.5. Notification.

(a) From time to time prior to the Closing, Seller shall notify Purchaser in writing with respect to any matter hereafter arising or any information obtained after the date hereof that, if existing, occurring or known at or prior to the date of this Agreement, would have been required to be set forth or described in the Seller Disclosure Schedule or that is necessary to complete or correct any information in such schedule or in any representation and warranty of Seller that has been rendered inaccurate thereby. Seller shall promptly inform Purchaser of any claim by a third party that a contract has been breached, is in default, may not be renewed or that a consent would be required as a result of the transactions contemplated by this Agreement.

(b) Seller shall give notice to Purchaser promptly after becoming aware of (i) the occurrence or non-occurrence of any event whose occurrence or non-occurrence would be likely to cause either (A) any representation or

## Edgar Filing: ASIAINFO HOLDINGS INC - Form SC 13D

warranty contained in this Agreement to be untrue or inaccurate in any material respect at any time from the date hereof to the Closing Date or (B) any condition set forth in Article VI to be unsatisfied in any material respect at any time from the date hereof to the Closing Date and (ii) any material failure of Seller, the Selling Subsidiaries, any Affiliate or any officer, director, employee or agent thereof, to comply with or satisfy any covenant, condition or agreement to be complied with or satisfied by it hereunder.

(c) No notice given pursuant to this Section 5.5 shall have any effect on the representations, warranties, covenants or agreements contained in this Agreement for purposes of determining satisfaction of any condition contained herein or shall in any way limit any party's right to indemnity under Article VII.

Section 5.6. Use of Names. Seller agrees, for itself and its Affiliates, that from and after the Closing none of them will use the names "Han", "Han Consulting" "Han Pu" ("[Chinese characters omitted]"), "Han Pu" ("[Chinese characters omitted]") or any abbreviation of or derivation from those names or any names similar to it in any form whatsoever, including in respect of advertising and promotional materials without the prior written consent of Purchaser.

### Section 5.7. Tax Matters.

(a) Purchaser and the Purchasing Subsidiaries shall have the right to withhold tax from amounts paid to Seller and the Selling Subsidiaries under this Agreement as required by applicable law. Purchaser or the relevant Purchasing Subsidiary shall notify Seller of the basis and amount of such withholding within a reasonable time prior to such withholding. Any amount withheld by Purchaser pursuant to applicable law shall be treated for all purposes of this Agreement as if it were paid by Purchaser (or the relevant Purchasing Subsidiary) to Seller and the Selling Subsidiaries.

(b) All transfer, registration, stamp, documentary, sales, use, value added, business, recording, stock transfer and similar Taxes (including all applicable real estate transfer or gains Taxes and transfer Taxes) and any penalties, interest and additions to Tax in respect to such Taxes (collectively, "Transfer Taxes"), and fees incurred in connection with this Agreement or the transactions pursuant thereto shall be the responsibility of and be timely paid by Seller or Purchaser as required by applicable law. Seller and Purchaser shall cooperate in the timely making of all filings, returns, reports and forms as may be required in connection therewith.

(c) Seller shall cause the Transferred Companies to file their Tax Returns due on or before the Closing Date and Purchaser shall cause the Transferred Companies to file their Tax Returns due after the Closing Date. All Tax Returns due on or before the Closing Date, and all Tax Returns due after the Closing Date with respect to Tax periods beginning on or before the Closing Date, shall be filed in accordance with the respective past practices of the Transferred Companies. Seller shall cause the Transferred Companies to pay all Taxes due on or before the Closing Date and shall pay to the Transferred Companies or the applicable Tax authority, as directed by Purchaser, all Taxes due after the Closing Date that relate to Tax periods ending on or before the Closing Date (or to the pre-Closing portion of Tax periods beginning on or before and ending after the Closing Date) ("Straddle Periods") provided, that Seller shall not be obligated to pay any Tax set forth as a liability on the Closing Date Balance Sheet.

(d) Seller shall pay Purchaser an amount equal to (x) Seller's

## Edgar Filing: ASIAINFO HOLDINGS INC - Form SC 13D

Percentage Share of all Taxes of the Transferred Companies and WTITL that (A) relate to Tax periods ending on or before the Closing Date (or relate to the pre-Closing portion of Straddle Periods) and result directly from the transactions occurring pursuant to this Agreement or (B) result from breaches of the representations in Section 3.7 or breaches of the covenants in this Section 5.7, (y) the amount of any liability of Purchaser or its Affiliates for Taxes that are Taxes of Seller or the Selling Subsidiaries, Taxes with respect to periods ending on or before the Closing Date or to the pre-Closing portion of the Straddle Periods, Transfer Taxes, or Taxes resulting from breaches of the representations in Section 3.7 or the covenants in this Section 5.7 and (z) liabilities, losses, costs and expenses (including, without limitation, reasonable expenses of investigation and attorneys' fees and expenses) arising out of or incident to the imposition, assessment or assertion of any Tax described in (x) or (y) (the sum of (x), (y) and (z) being referred to herein as a "Tax Loss"); provided, that Seller shall not have an indemnity obligation under this Section 5.7(d) for any Tax Loss set forth as a liability on the Closing Date Balance Sheet as finally determined under Section 2.10. For purposes of Section 5.7(c) and this Section 5.7(d), in the case of any Straddle Period, the Tax relating to the pre-Closing portion of such period shall be determined (i) in the case of any Taxes other than gross receipts, sales or use Taxes and Taxes based upon or related to income, be deemed to be the amount of such Tax for the entire Tax period multiplied by a fraction the numerator of which is the number of days in the Tax period ending on and including the Closing Date and the denominator of which is the number of days in the entire Tax period, and (ii) in the case of any Tax based upon or related to income and any gross receipts, sales or use Tax, be deemed equal to the amount which would be payable if the relevant Tax period ended on and included the Closing Date. All determinations necessary to give effect to the allocation set forth in the foregoing clause (ii) shall be made in a manner

- 45 -

consistent with prior practices of the Transferred Companies. Seller shall make payment under this Section 5.7(d) within 15 days after receiving notice from Purchaser that Purchaser, its Affiliate, a Transferred Company or WTITL has incurred a Tax Loss. For avoidance of doubt, the limitations in Section 7.4 do not apply to this Section 5.7(d).

(e) Purchaser shall not settle any Tax audit or similar proceeding relating to Taxes of the Transferred Companies and WTITL described in clause (x) of Section 5.7(d) without the prior written consent of Seller (not to be unreasonably withheld).

(f) With respect to any refund of Taxes contemplated in Section 2.2(viii), Purchaser shall pay to Seller such refund within ten Business Days of the receipt of such refund.

### Section 5.8. Non-Competition.

(a) From the Closing and for five years thereafter, Seller will not, and will cause its Subsidiaries not to, directly or indirectly anywhere in China, (i) engage in, own any equity interest in or invest in any business, part or all of the principal activities of which compete with the Business as conducted on the Closing Date, directly or indirectly in any manner, (ii) solicit, sell or attempt to sell software solutions or services offered by the Business as conducted on the Closing Date, (iii) disclose any confidential or non-public information regarding the Business or the Assets to any third party or provided, however, that notwithstanding the foregoing (A) the prohibition on ownership of direct or indirect interest in a competing business in this Section 5.8 (a) shall not apply to Seller's or its Subsidiaries' current equity ownership in the companies set forth in Section 5.8(a) of the Seller Disclosure Schedule as of

## Edgar Filing: ASIAINFO HOLDINGS INC - Form SC 13D

the date hereof, (B) Seller and its Subsidiaries may own, directly or indirectly, solely as an investment, securities of any Person that are traded on any internationally-recognized securities exchange if Seller (alone or collectively with its Subsidiaries) (1) is not a controlling Person of, or a member of a group that controls such Person and (2) does not, directly or indirectly, own ten percent or more of any class of securities of such Person, (C) nothing in the foregoing clauses shall be construed to prohibit Seller or its Subsidiaries from engaging in repair, maintenance, technical support or general after sales services in connection with any of Seller's business as conducted on the Closing Date other than the Business and this Section 5.8(a) shall not apply to the Telecommunications Applications Services Division as operated as of the date hereof by the ChinaWeal Group or the Insurance IT Services Division operated as of the date hereof by Lenovo AI, and (D) this clause shall not be construed to prohibit Seller's continued employment of the Seconded Employees. With respect to the Telecommunications Applications Services Division of the ChinaWeal Group, Seller agrees that as long as the ChinaWeal Group is, directly or indirectly, a Subsidiary of Seller, in the event there are any activities that would constitute direct or indirect competition between the ChinaWeal Group and any businesses conducted by Purchaser, Seller shall engage in good faith discussions with Purchaser and use reasonable efforts to minimize or avoid such competition.

(b) From the Closing and for two years thereafter, Seller will not, and will cause its Subsidiaries not to, directly or indirectly solicit or encourage to leave, employ or contract, or offer to employ or contract, any person who is (or was, to Seller's knowledge after reasonable inquiry, during the previous 12 months) an employee of the Business (or any successor) or who is (or was during the previous 12 months) hired by Purchaser in connection with the transactions contemplated hereby.

(c) The parties hereto recognize that the laws and public policies of China, the various states of the United States, and various other jurisdictions may differ as to the validity and enforceability of covenants similar to those set forth in this Section. It is the intention of the parties that the provisions of this Section be enforced to the fullest extent permissible under the laws and policies of each jurisdiction in which enforcement may be sought, and that the unenforceability (or the modification to

- 46 -

conform to such laws or policies) of any provisions of this Section shall not render unenforceable, or impair, the remainder of the provisions of this Section. Accordingly, if any provision of this Section shall be determined to be invalid or unenforceable, such invalidity or unenforceability shall be deemed to apply only with respect to the operation of such provision in the particular jurisdiction in which such determination is made and not with respect to any other provision or jurisdiction.

(d) The parties to this Agreement acknowledge and agree that any remedy at law for any breach of the provisions of this Section would be inadequate, and Seller hereby consents to the granting by any court of an injunction or other equitable relief, without the necessity of actual monetary loss being proved, in order that the breach or threatened breach of such provisions may be effectively restrained. Notwithstanding the foregoing, this paragraph shall not apply to the last sentence of Section 5.8(a) above.

Section 5.9. Assignment of Contracts and Rights. Anything in this Agreement to the contrary notwithstanding, this Agreement shall not constitute an agreement to assign any Asset or any claim or right or any benefit arising thereunder or resulting therefrom if such assignment, without the consent of a third Person, would constitute a breach or other contravention of such Asset or

in any way adversely affect the rights of Purchaser or Seller or its Affiliates thereunder. Seller and Purchaser will use their commercially reasonable efforts (but without any payment of money by any of them) to obtain the consent of such Persons in respect of any such Asset or any claim or right or any benefit arising thereunder for the assignment thereto to Purchaser (or a Purchasing Subsidiary designated by Purchaser) as Purchaser may request. If such consent is not obtained, or if an attempted assignment thereof would be ineffective or would adversely affect the rights of Seller or its Affiliates hereunder so that Purchaser would not in fact receive all such rights, Seller and Purchaser will cooperate in a mutually agreeable arrangement pursuant to which Purchaser (or a Purchasing Subsidiary designated by Purchaser) would obtain the benefits and assume the obligations thereunder in accordance with this Agreement, including sub-contracting, sub-licensing or sub-leasing to Purchaser (or a Purchasing Subsidiary designated by Purchaser), or under which Seller or its Affiliates would enforce for the benefit of Purchaser, with Purchaser assuming Seller's or its Affiliates' obligations, any and all rights of Seller or its Affiliates against a third party thereto. Seller will promptly pay to Purchaser when received all monies received by Seller or its Affiliates under any Asset or any claim or right or any benefit arising thereunder, and Seller and Purchaser shall continue to cooperate and use all commercially reasonable efforts to obtain such consent and to provide Purchaser with all such rights shall continue to use all reasonable efforts to obtain such consent. Nothing in this Section 5.9 shall affect Purchaser's other rights under this Agreement and shall not affect the conditions to Purchaser's obligation to close. The provisions of this Section 5.9 shall not limit, modify or otherwise affect any representation or warranty of the Selling Subsidiaries or Seller under this Agreement.

Section 5.10. Insurance Coverage. If any of the insurance policies listed on Section 3.16 of the Seller Disclosure Schedule cannot be assigned to Purchaser on the date hereof, at Purchaser's request, before or after the date hereof, Seller shall have Purchaser named as an additional insured, as its interest may appear, on all current insurance policies maintained by Seller covering time periods beginning prior to the date hereof and extending beyond the date hereof, until the expiration date of such policy or policies. With respect to any Assumed Liabilities and Purchaser's indemnification obligations pursuant to Section 7.3 or any other liabilities to which Purchaser may become subject for pre-Closing occurrences, in each case to the extent such liabilities may be covered by insurance maintained by Seller or as to which Seller is additional insured, Seller agrees to prosecute diligently any insurance claims that may be asserted in respect thereof and to promptly notify Purchaser of the assertion of each such claim. From and after the date of this Agreement, if Seller recovers insurance proceeds in respect of any amounts in respect of the liabilities described in the preceding sentence, Seller shall promptly remit such proceeds to Purchaser and Purchaser shall pay such liabilities with such proceeds.

- 47 -

Section 5.11. Employee Matters.

(a) As promptly as practicable, and in no event more than five Business Days after the date hereof, Seller shall use its best efforts to make available to Purchaser all employees listed on Section 3.9(a) of the Seller Disclosure Schedule and any related employee records for the purposes of interviewing and, if desired by Purchaser, hiring. The list of the employees to whom Purchaser intends to extend an offer of employment is set forth in Section 5.11(a) of the Seller Disclosure Schedule. Any offers of employment shall be at such salary or wage and benefit levels and on such other terms and conditions generally consistent with those previously provided to such employees by Seller or any of its Affiliates, as the case may be; provided that to the extent that service is relevant for eligibility and vesting (and solely for purposes of calculating entitlement to vacation and sick days and benefit accruals) under any Plan

## Edgar Filing: ASIAINFO HOLDINGS INC - Form SC 13D

established or maintained by Purchaser or any Purchasing Subsidiary for the benefit of the Transferred Employees, such Plan shall credit such Transferred Employees for service on or prior to Closing with Seller or any of its Affiliates. The employees who accept and commence employment with Purchaser are collectively referred to as the "Transferred Employees". Seller or its Affiliates, as the case may be, shall, as of the Closing, release each of the Transferred Employees from any employment obligations that such employee may have to Seller or its Affiliates. Seller will not take, and will cause each of its Affiliates not to take, any action that would impede, hinder, interfere or otherwise compete with Purchaser's effort to hire any Transferred Employees. Purchaser shall not assume any responsibility for any Transferred Employee until such employee commences employment with Purchaser.

(b) Seller shall use its reasonable best efforts to assist Purchaser in securing an employment agreement for each of the employees of Seller listed on Section 5.11(a) of the Seller Disclosure Schedule. If any such employee declines the offer of employment from Purchaser (or any Purchasing Subsidiary), Seller and its Affiliates agree not to offer any form of employment (full-time, part-time or on an agency basis) to such employee for a period of two years following the Closing Date.

(c) Seller agrees to assign the R&D Employees (the "Seconded Employees") to Purchaser (or any Subsidiary of Purchaser) for a period of nine months following the Closing Date. The Seconded Employees shall remain at the research and development facilities of Seller and shall have full access to use such facilities for the purpose of performing any research or development projects in connection with the Non-Telecommunications Business as may be requested by Purchaser (or one or more of its Purchasing Subsidiaries). The Seconded Employees shall also provide training for employees of Purchaser in relevant aspects of their research and development activities for the Security Services Division and be responsible for doing the necessary research and development work to support the Purchaser's application for security licenses. Seller shall continue to pay each Seconded Employee their respective base compensation and benefits, consistent with past practice, during the period of assignment and shall deliver detailed and itemized invoices to Purchaser on a monthly basis for reimbursement of such salaries and benefits, along with reasonable out of pocket variable costs and expenses related to the research performed by such Seconded Employees solely for the benefit of the Non-Telecommunications Business during the secondment. Seller shall provide Purchaser prior to the Closing Date with the three month payroll records related to the Seconded Employees for purposes of verifying the salary and benefits to be paid during the secondment. Seller agrees that Purchaser shall be responsible to pay any performance-based compensation to the Seconded Employees during such period and Seller shall not make any such payments to the Seconded Employees. Seller agrees not to terminate any Seconded Employee (which shall not include an employee's voluntary separation or resignation) prior to the end of the assignment without the advance written consent of Purchaser.

(d) On or after the Closing, Seller shall take all actions reasonably requested by Purchaser to transfer the registration of the Transferred Employees' social insurance entitlements pursuant to the Shehui Baoxianfei Zhengjiao Zanzing Banfa or other relevant laws or regulations of the PRC, and to reflect their status as employees of Purchaser or its Affiliate in the records of the Beijing Social Security Fund Center or other relevant authorities.

- 48 -

(e) The parties agree to furnish each other with such information concerning employees and employee benefit plans, and to take all such other action, as is necessary and appropriate to effect the transactions contemplated by this Agreement and to cooperate with each other in addressing inquiries from

## Edgar Filing: ASIAINFO HOLDINGS INC - Form SC 13D

employees.

(f) Seller shall have, as of the Closing, paid all Accrued Salaries and Bonuses of each of the Transferred Employees.

(g) Seller shall have, as of the Closing Date, established a equity compensation program (the "Equity Compensation Program") with certain of the Transferred Employees (collectively, the "Eligible Employees") whereby the Eligible Employees are entitled to acquire the Initial Shares from Seller. The Equity Compensation Program shall (1) provide that such shares are subject to a Lock-Up for a period of two years following the Closing Date and (2) include as Eligible Employees certain of the Key Employees who become Transferred Employees on the Closing Date, with their names and the number of Initial Shares to be made available to each such Eligible Employee under the Equity Compensation Program set forth in a list attached thereto.

(h) Seller agrees that neither Purchaser nor any Purchasing Subsidiary shall be liable to any Transferred Employee or other employee of Seller for any stock options or other equity incentives awarded to such employees under any Plan of Seller or its Affiliates, as the case may be, whether or not such stock options are vested or exercisable on the Closing Date. In the event any Transferred Employees are unable to retain any such options or awards, or Seller is otherwise unable to reach an agreement with such employees concerning such employee's reimbursement for loss of any such awards in connection with the transactions contemplated by this Agreement, or in the event Purchaser is required under applicable law or regulation or under the terms of any Plan to grant new stock options or equity incentives to any of the Transferred Employees or any other past or present employees of the Business or Seller as a result of the transactions contemplated by this Agreement, Seller shall indemnify and hold harmless Purchaser for all expenses (including expenses representing the option value of any new options) granted by Purchaser. For avoidance of doubt, the foregoing indemnification is not limited by Section 7.4.

Section 5.12. Public Announcements. The initial press release with respect to the execution of this Agreement shall be a joint press release acceptable to Purchaser and Seller. Until the Closing, neither Purchaser nor Seller nor any of their respective Affiliates shall issue or cause the dissemination of any press release or other public announcements or statements with respect to this Agreement or the transactions contemplated hereby without the consent of the other party, which consent will not be unreasonably withheld, except as may be required by law or by any listing agreement with an internationally-recognized securities exchange or trading market (and in such case shall use all reasonable efforts to consult the other party prior to such release or statement).

### Section 5.13. Further Assurances; Post-Closing Cooperation.

(a) From time to time after the Closing, without additional consideration, each of the parties hereto will (or, if appropriate, cause their Affiliates to) execute and deliver such further instruments and take such other action as may be necessary to make effective the transactions contemplated by this Agreement and the Transaction Documents. If any party to this Agreement shall following the Closing have in its possession any asset or right that under this Agreement should have been delivered to the other, such party shall promptly deliver such asset or right to the other.

- 49 -

(b) Seller, on behalf of itself and its Affiliates, hereby constitutes and appoints, effective as of the Closing Date, Purchaser and its successors and assigns as the true and lawful attorney of Seller or its Affiliates, as applicable, with full power of substitution in the name of Purchaser, or in the

## Edgar Filing: ASIAINFO HOLDINGS INC - Form SC 13D

name of Seller or its Affiliates, as applicable, but for the benefit of Purchaser, (i) to collect for the account of Purchaser any items of Assets and (ii) to institute and prosecute all proceedings that Purchaser may in its sole discretion deem proper to assert or enforce any right, title or interest in, to or under the Assets, and to defend or compromise any and all actions, suits or proceedings in respect of the Assets. Purchaser shall be entitled to retain for its own account any amounts collected pursuant to the foregoing powers, including any amounts payable as interest in respect thereof.

(c) Following the Closing, Seller will afford Purchaser and its Representatives (i) such access as Purchaser may reasonably request to all books, records and other data and information, including any information from employees of Seller and its Affiliates, relating to the Business, the Assets, the Excluded Assets, the Assumed Liabilities and the Excluded Liabilities to the extent necessary or useful for Purchaser in connection with any dispute or litigation or any other reasonable business purpose relating to the Business; and (ii) the right to make copies and extracts therefrom, provided that any such access by Purchaser shall not unreasonably interfere with the conduct of the business of Seller, and Purchaser shall bear all of the out-of-pocket costs and expenses (including attorneys' fees) relating thereto. Further, each party agrees for a period extending seven years after the Closing Date not to destroy or otherwise dispose of any such books, records and other data unless such party shall first offer in writing to surrender such books, records and other data to the other party and such other party shall not agree in writing to take possession thereof during the ten-day period after such offer is made.

(d) Following the Closing, Purchaser may receive and open all mail addressed to Seller or the Selling Subsidiaries and deal with the contents thereof in its discretion to the extent that such mail and the contents thereof relate to the Business (other than the Telecommunications Applications Services Division or the Insurance IT Services Division). Purchaser agrees to deliver or cause to be delivered to Seller all mail received by Purchaser after the Closing addressed to Seller or any of its respective Affiliates that does not relate to the Business.

Section 5.14. Transitional Services. Pursuant to the Transitional Services Agreement, Seller or its Affiliates shall provide such transition services as Purchaser may reasonably request. Such services shall (i) include the use of office facilities shared between the Business and Seller or its Affiliates and any services provided by Seller or its Affiliates to the Business, (ii) be performed in a prompt and commercially reasonable manner and (iii) be provided at a fee consistent with Seller's past practices regarding allocation of overhead to the Business prior to the date hereof. Pursuant to the Transitional Services Agreement, Seller (or an Affiliate of Seller) shall make available to Purchaser (or an Affiliate of Purchaser) any Real Property Purchaser reasonably requests to use in connection with the ongoing operation of the Business, including the Real Property currently used by the Business at No.6 Chuang Ye Road, Haidian District, Beijing, China (the "Beijing Office Space"). The Transitional Services Agreement shall provide for Purchaser's (or its Affiliate's) continued use of the Beijing Office Space after the Closing Date for a period of six months following the Closing Date at the same cost per square meter as set forth under Purchaser's current lease agreement for its office space located at 4/F, Zhongdian Tower, No.6 Zhongguancun, South Street, Haidian District, Beijing, China. All other Real Property shall be made available to Purchaser (1) in the case of Real Property owned by Seller or its Subsidiaries, on the basis of Seller's past practices regarding allocation of overhead to the Business prior to the date hereof and (2) in the case of Real Property leased from a third party, under the same terms and conditions as set forth under the lease agreement with such third party. The Transitional Services Agreement shall otherwise be on terms and conditions reasonably satisfactory to Purchaser. The term of the Transitional Services Agreement shall be longer of (A) six months and (B) the period reasonably required for

Purchaser to obtain alternative facilities and services (which in no event shall be more than twelve months), and shall be subject to earlier termination at the option of Purchaser upon reasonable notice.

Section 5.15. Representation on Purchaser's Board. As soon as practicable following the Closing Date, Purchaser agrees to appoint a representative of Seller to the Board of Directors of Purchaser and shall nominate and recommend to the stockholders the election of such nominee, or a replacement reasonably acceptable to Purchaser, to the Board of Directors at each subsequent annual meeting during the time which Seller continues to hold at least 80% of all of the Conversion Shares.

Section 5.16. Minority Interest in Han Consulting. After the date of this Agreement and in no event later than the Closing Date, Seller and Purchaser shall use their reasonable best efforts to cause the minority shareholders of Han Consulting to appoint Seller as their attorney-in-fact, on their behalf and in their name or otherwise, to sell their aggregate 49% equity interest in Han Consulting (the "Han Minority Interest") to Purchaser (or a Purchasing Subsidiary designated by Purchaser) for consideration of not more than RMB13,000,000 in cash. In the event Purchaser and Seller are unable to effectuate the foregoing, Seller shall transfer all of its rights and benefits but not its obligations under the Han Loan Agreement and the Floating Charge to Purchaser (or a Purchasing Subsidiary designated by Purchaser) for no additional consideration at or prior to Closing. For the avoidance of doubt, the foregoing shall be the sole remedy for Purchaser in the event Purchaser and Seller are unable to effectuate Purchaser's acquisition of the Han Minority Interest prior to Closing.

Section 5.17. Lock-Up; Registration Rights Agreement.

(a) In respect of the Conversion Shares issuable or deliverable upon conversion of the Note, neither Seller nor any of its Subsidiaries (1) will offer, sell, contract to sell, pledge, grant any option to purchase, make any short sale or otherwise dispose of, or reduce its economic risks with regard to, any Conversion Share, any options or warrants convertible or exercisable into Conversion Shares, or any other securities convertible into, exchangeable for or that represent the right to receive the Conversion Shares (except for transfer into and out of the Escrow Account pursuant to and in accordance with the Escrow Agreement) or (2) engage in any hedging or other transaction that is designed to or which reasonably could be expected to lead to or result in a sale or disposition of the Conversion Shares, including any short sale or any purchase, sale or grant of any right (including any put or call option) with respect to any of the Conversion Shares or with respect to any security that includes, relates to, or derives any part of its value from the Conversion Shares (the "Lock-Up"). The term of the Lock-Up shall commence on the Closing Date and end on (i) the fifth anniversary of the Closing Date with respect to Conversion Shares representing 5% of the total issued and outstanding AsiaInfo Shares as of the Conversion Date, after giving effect to such conversion (the "Five Year Lock-Up Shares") and (ii) the second anniversary of the Closing Date with respect to the remaining Conversion Shares, if any. Notwithstanding the foregoing, in the event that Purchaser enters into a merger, consolidation or acquisition with a competitor of Seller in the business of manufacturing and distributing personal computers and mobile phone handsets whereby such competitor acquires control of Purchaser (a "Seller Competitor Acquisition"), Seller shall be automatically released from this provisions of this Section 5.17(a). For the purpose of this section, "control" means beneficial ownership of more than 20% of the outstanding securities of Purchaser or the right to appoint more than one half of the members of the Purchaser's board of

directors.

(b) Prior to Closing, Purchaser and Seller will enter into a registration rights agreement (the "Registration Rights Agreement") providing, among other things, that once the Conversion Shares have been released from the Lock-Up restrictions in Section 5.17(a), Seller may, on not more than two occasions, require Purchaser to register the public sale of part or all of the Conversion Shares on Form S-3 or a similar short form registration statement. The Registration Rights Agreement will also provide

- 51 -

Seller with "piggy-back registration rights" for a reasonable period following the termination of, or release from, the lock-up. In addition, in the event Purchaser elects to make the Earn-out Payment, if any, in AsiaInfo Shares, the Registration Rights Agreement will provide Seller with one demand registration on Form S-3 in respect of such AsiaInfo Shares. The Registration Rights Agreement will include other customary and commercially reasonable terms and conditions including reasonable "cut-backs", "blackouts" and "market stand-off" provisions as are typically included in market standard registration rights agreements.

Section 5.18. [RESERVED]

Section 5.19. Operation of Business Post-Closing.

(a) Following the Closing and for a period of not less than two years thereafter, Purchaser shall operate and manage its Non-Telecommunications Business as an independent division of Purchaser pursuant to the memorandum relating to the post-closing operation of the Non-Telecommunications Business, a copy of which is set forth in Section 5.19 of the Seller Disclosure Schedule. Purchaser agrees that it will not modify the terms of such memorandum or operate the Business other than as an independent division of Purchaser without the consent of Seller.

(b) Seller shall execute and deliver, and shall procure that any relevant Selling Subsidiaries or other Subsidiaries of Seller execute and deliver, a Trademark License Agreement with Purchaser on the Closing Date in form and substance reasonably acceptable to the parties (the "Trademark License Agreement"). The Trademark License Agreement shall provide for the use by Purchaser and/or one or more Purchasing Subsidiaries engaged principally in Purchaser's Non-Telecommunications Business of the Lenovo Trademarks on any products and/or services offered, provided, manufactured and/or distributed by Purchaser's Non-Telecommunications Business on a co-branded basis with logos and brandnames used or held for use by Purchaser prior to the Closing Date, including use of the brandname "Lenovo-AsiaInfo" (or "[Chinese characters omitted]" in Chinese). The Trademark License Agreement will also provide for Purchaser's use of the Lenovo Trademarks on a stand-alone basis in connection with products of the Security Services Division for a period of six months following the Closing Date for transitional purposes. After the Closing, Purchaser shall operate the Non-Telecommunications Business under the name "Lenovo-AsiaInfo" (or "[Chinese characters omitted]" in Chinese). Following the Closing, Purchaser shall use the Chinese name "[Chinese characters omitted]" as the name of the parent, listed company, AsiaInfo Holdings, Inc., or any successor corporation, whenever the name of such company is translated into Chinese. The Trademark License Agreement shall have a minimum term of five years (the "Initial Term"). Following the expiration of the Initial Term, Seller shall have the right to terminate the Trademark License Agreement by giving two years' prior written notice to Purchaser and the Purchasing Subsidiaries at any time Seller holds a number of AsiaInfo Shares less than the number of Five Year Lock-Up Shares. Notwithstanding the foregoing, the Trademark License Agreement

shall be terminable by Seller at any time by giving two years' prior notice to Purchaser in the event of a Seller Competitor Acquisition.

Section 5.20. Security Business Permits. Seller shall and shall cause LHL and its other Affiliates to use their best efforts to assist Purchaser (or an Affiliate of Purchaser designated by Purchaser) in obtaining from, or being granted by, the relevant PRC Governmental Authorities, new Business Permits in each of the seven categories of Security Business Permits set forth in Section 7.2(b). To the extent that any one or more of such Security Business Permit is not obtained by Purchaser within the relevant time periods specified in Section 7.2(b), Purchaser shall be entitled to the indemnity payments set out in Section 7.2(b). For avoidance of doubt, Seller shall have no obligation to ensure that such Business Permits are maintained by Purchaser for any period of time.

- 52 -

Section 5.21. Firewall Products. Pursuant to the Procurement Agreement, Seller shall continue to manufacture the Firewall Products for Purchaser (or a Purchasing Subsidiary designated by Purchaser) and provide after sales services to the customers of such Firewall Products under similar terms and conditions as currently enjoyed by LCSTSL for a period of time to be agreed upon by the parties, which shall not be less than two years.

Section 5.22. Intellectual Property. Following the date hereof and prior to the Closing Date, Seller and Purchaser shall engage in good faith negotiations to agree upon a schedule of Intellectual Property (other than the Lenovo Trademarks) used or held for use in the Business (other than the Telecommunications Applications Services Division or the Insurance IT Services Division) that, because of its use primarily in connection with other business segments of Seller, will not be transferred to Purchaser but instead will be licensed on a perpetual, royalty-free basis to Purchaser (with rights of sub-license as part of the ordinary course of business) (the "Excluded Intellectual Property"). Seller shall execute and deliver, and shall procure that any relevant Seller Subsidiaries execute and deliver, a technology license agreement (the "Technology License Agreement") in form and substance reasonably satisfactory to Purchaser, regarding Purchaser's perpetual, royalty-free use of the Excluded Intellectual Property.

Section 5.23. Initial Shares and Conversion Shares. Purchaser shall take all such actions as are necessary in order to ensure that each of (i) the Initial Shares to be issued or delivered on the Closing Date and (ii) the Conversion Shares issuable or deliverable on the Conversion Dates, shall each be either (a) in case of new AsiaInfo Shares, validly issued, fully paid and nonassessable or (b) in the case of the delivery of AsiaInfo Shares held by Purchaser as treasury stock or otherwise, validly transferred, free and clear of all Encumbrances and, in each case, shall rank pari passu with all other AsiaInfo Shares.

(a) The representations and warranties of Seller, the Selling Subsidiaries and Purchaser contained in this Agreement will survive the Closing (a) until the fifth anniversary of the Closing Date in case of Section 3.7 and (b) until the second anniversary of the Closing Date in the case of all other representations and warranties; provided, however, that any representation, warranty that would otherwise terminate in accordance with clause (a) or (b) above will continue to survive if an Indemnity Notice shall have been given under this Article VII on or prior to the date on which it otherwise would terminate, until the related claim for indemnification has been satisfied or otherwise resolved as provided in this Article VII. Except as otherwise expressly provided in this Agreement, each covenant hereunder shall survive without limit.

(b) For purposes of this Agreement, a party's representations and warranties shall be deemed to include, with respect to Seller, the Seller Disclosure Schedule, and all other documents or certificates delivered by or on behalf of such party in connection with this Agreement. No party's rights hereunder (including rights under this Article VII) shall be affected by any investigation conducted by or any knowledge acquired (or capable of being acquired) by such party at any time, whether before or after the execution or delivery of this Agreement or the Closing, or by the waiver of any condition to Closing.

(i) any inaccuracy in or any breach of, as of the date of this Agreement or the Closing Date, any representation and warranty made by Seller in this Agreement, in any of the Transaction Documents or in any document or other paper delivered by Seller pursuant to this Agreement; provided, however, that if any such representation or warranty (other than the representation and warranty contained in Section 3.5(a)) is qualified in any respect by knowledge, materiality or Business Material Adverse Effect, for purposes of this clause (i) such knowledge, materiality or Business Material Adverse Effect qualification will in all respects be ignored;

(ii) any failure by Seller to duly and timely perform or fulfill any of its covenants or agreements required to be performed by Seller under this Agreement, the Transaction Documents or any document or other paper delivered by Seller pursuant to this Agreement; and

(iii) any Excluded Liability.

- 56 -

(b) Seller shall indemnify and hold harmless Purchaser if, notwithstanding Seller's efforts pursuant to Section 5.20, Purchaser or an Affiliate of Purchaser is unable to obtain the following Business Permits (the "Security Business Permits") within 270 days, with respect to each of the categories in (i) to (v) below, and within 540 days, with respect to each of the categories in (vi) and (vii) below, in each case, following the Closing Date:

(vii) Computer Information System Integration Concerning State Secrets Qualification Certificate ([Chinese characters omitted]), issued by the National Administration for Protection of State Secrets ([Chinese characters omitted]).

Seller and Purchaser acknowledge that Purchaser's actual losses for failure to obtain the Security Business Permits are not likely to be readily quantifiable and, accordingly agree that Seller's liability for Purchaser's not obtaining one or more of the Security Business Permits in each of the categories in (i) to (v), within 270 days from the Closing Date, shall be RMB4,000,000 for each such category, and in each of the categories in (vi) and (vii), within 540 days from the Closing Date, shall be RMB15,000,000 for each such category. Notwithstanding anything to the contrary in this Agreement, the provisions of this Section 7.2(b) shall be Purchaser's exclusive remedy for Seller's breach of its obligations under Section 5.20 or for any other Losses arising out of or relating to Seller's representation or warranties concerning the LHL Security Business Permits.

- 57 -

Section 7.3. Indemnification of Seller. Purchaser shall indemnify and hold harmless Seller, its Affiliates, and their respective shareholders, officers, directors, employees and agents (collectively the "Seller Indemnified Parties") from and against any and all Losses that may be asserted against, or paid, suffered or incurred by any Seller Indemnified Party that arise out of, result from, are based upon or relate to:

(b) any failure by Purchaser to perform or fulfill any of its covenants or agreements required to be performed by Purchaser under this Agreement; and

(c) any Assumed Liability.

Section 7.4. Limitations. The maximum liability of Seller under clause (a) of Section 7.2 shall not exceed RMB50,000,000 in the aggregate (the "Indemnity Amount"). The maximum liability of Seller for any accounts receivable, notes receivable or other receivables reflected on the Closing Date Balance Sheet that are not fully collected after the Closing Date in the ordinary course, net of the amount provided therefore in the Closing Date Balance Sheet, shall not exceed an amount equal to 10% of the gross amount of such receivables as set out in the Closing Date Balance Sheet; provided, however, that the foregoing limitation on liability shall not apply to the account receivables from Guizhousheng Nongcun Zhongxiaoxue Xiandai Yuancheng Jiaoyu Shidian Xiangmu Lingdao Xiaozu Bangongshi ([Chinese characters omitted]) or Zhongguo Guangda Yinghang Gufen Youxian Gongsi ([Chinese characters omitted]). The maximum liability of Seller for any breach of the representation and warranty contained in Section 3.26, net of the amount provided therefore in the Closing Date Balance Sheet, shall not exceed RMB5,000,000. Seller shall not be liable to indemnify Purchaser for any Losses of Purchaser if and to the extent full and adequate provisions for such Losses have been made on the Closing Date Balance Sheet. The maximum liability of Purchaser under Section 7.3 shall not exceed the Indemnity Amount; provided that such limitation shall not apply to Purchaser's obligations under the Note. Notwithstanding the foregoing, the limitations on

## Edgar Filing: ASIAINFO HOLDINGS INC - Form SC 13D

liability contained in this Section 7.4 shall not apply to any claim for indemnity based on any of Sections 3.1, 3.2(a), 3.7, 3.13, 5.7(d) and 5.11(h) or any claim for fraud or willful misconduct.

Section 7.5. Method of Asserting Claims. All claims for indemnification by any Indemnified Party under this Article VII will be asserted and resolved as follows:

(a) If an Indemnified Party intends to seek indemnification under this Article VII, it shall promptly notify the Indemnifying Party in writing of such claim. The failure to provide such notice will not affect any rights hereunder except to the extent the Indemnifying Party is materially prejudiced thereby.

(b) If such claim involves a claim by a third party against the Indemnified Party, the Indemnifying Party may, within ten days after receipt of such notice and upon notice to the Indemnified Party, assume, with counsel reasonably satisfactory to the Indemnified Party, at the sole cost and expense of the Indemnifying Party, the settlement or defense thereof (in which case any Loss associated therewith shall be the sole responsibility of the Indemnifying Party), provided that the Indemnified Party may participate in such settlement or defense through counsel chosen by it. If the Indemnified Party determines in good faith that representation by the Indemnifying Party's counsel of both the Indemnifying

- 58 -

Party and the Indemnified Party may present such counsel with a conflict of interest, then the Indemnifying Party shall pay the reasonable fees and expenses of the Indemnified Party's counsel. Notwithstanding the foregoing, (i) the Indemnified Party may, at the sole cost and expense of the Indemnified Party, at any time prior to the Indemnifying Party's delivery of the notice referred to in the first sentence of this Section 7.5(b), file any motion, answer or other pleadings or take any other action that the Indemnified Party reasonably believes to be necessary or appropriate to protect its interests, (ii) the Indemnified Party may take over the control of the defense or settlement of a third-party claim at any time if it irrevocably waives its right to indemnity under this Article VII with respect to such claim and (iii) the Indemnifying Party may not, without the consent of the Indemnified Party, settle or compromise any action or consent to the entry of any judgment, such consent not to be unreasonably withheld. So long as the Indemnifying Party is contesting any such claim in good faith, the Indemnified Party shall not pay or settle any such claim without the Indemnifying Party's consent, such consent not to be unreasonably withheld. If the Indemnifying Party is not entitled to assume the defense of the claim pursuant to the foregoing provisions or is entitled but does not contest such claim in good faith (including if it does not notify the Indemnified Party of its assumption of the defense of such claim within the ten-day period set forth above), then the Indemnified Party may conduct and control, through counsel of its own choosing and at the expense of the Indemnifying Party, the settlement or defense thereof, and the Indemnifying Party shall cooperate with it in connection therewith. The failure of the Indemnified Party to participate in, conduct or control such defense shall not relieve the Indemnifying Party of any obligation it may have hereunder. Any defense costs required to be paid by the Indemnifying Party shall be paid as incurred, promptly against delivery of invoices therefor.

Section 7.6. Character of Indemnity Payments. The parties agree that any indemnification payments made with respect to this Agreement shall be treated for all Tax purposes as an adjustment to the Purchase Price, unless otherwise required by law (including by a determination of a Tax authority that, under applicable law, is not subject to further review or appeal). If an indemnification payment by law cannot be treated as an adjustment to Purchase

## Edgar Filing: ASIAINFO HOLDINGS INC - Form SC 13D

Price, the Indemnifying Party will pay an amount to the Indemnified Party that reflects the hypothetical Tax consequences of the receipt or accrual of such indemnification payment, using the maximum applicable statutory rate (or, in the case of an item that affects more than one Tax, rates) of Tax and reflecting, for example, the effect of deductions available for Taxes such as state and local income Taxes.

### ARTICLE VIII

Section 8.1. Termination. This Agreement may be terminated, and the transactions contemplated by this Agreement may be abandoned at any time prior to the Closing by:

(a) the mutual written agreement of Seller and Purchaser;

(b) either Seller or Purchaser if any court of competent jurisdiction or other competent Governmental Authority shall have issued a statute, rule, regulation, order, decree or injunction or taken any other action permanently restraining, enjoining or otherwise prohibiting all or any portion of the transactions contemplated by this Agreement and such statute, rule, regulation, order, decree or injunction or other action shall have become final and nonappealable;

(c) Seller or Purchaser, in the event (i) of a material breach of this Agreement by the non-terminating party if such non-terminating party fails to cure such breach within five Business Days following notification thereof by the terminating party or (ii) the satisfaction of any condition to the terminating party's obligations under this Agreement becomes impossible if the failure of such condition to be satisfied is not caused by a breach of this Agreement by the terminating party or its Affiliates; or

- 59 -

(d) Seller or Purchaser if the Closing shall not have occurred on or before the date that is 180 days following the date hereof, unless the failure to consummate the Closing is due to the failure to act by the terminating party or its Affiliates.

Section 8.2. Effect of Termination. If this Agreement is validly terminated pursuant to Section 8.1, this Agreement will forthwith become null and void and have no further effect, without any liability on the part of any party hereto or its Affiliates, directors, officers or stockholders, other than the provisions of this Section 8.2 and Article IX hereof. Nothing contained in this Section 8.2 shall relieve any party from liability for any breach of this Agreement occurring prior to termination.

FORM OF FORWARD CONTRACT

This FORWARD CONTRACT (this "Forward Contract"), dated as of October [o], 2004, is made and entered into by and between Bonson Information Technology Limited, a company organized and existing under the laws of the British Virgin Islands ("Bonson"), and Lenovo IT Alliance Limited, a company organized and existing under the laws of the British Virgin Islands ("LIAL").

This Forward Contract is the forward contract referred to in, and is subject to all of the terms and conditions of, the Acquisition Agreement dated July 27, 2004 (the "Acquisition Agreement") by and between AsiaInfo Holdings, Inc., a corporation organized and existing under the law of the State of Delaware of the United States ("Purchaser"), and Lenovo Group Limited, a company organized and existing under the law of the Hong Kong Special Administrative Region of the People's Republic of China ("Seller"), as supplemented and amended by Supplement and Amendment No. 1 to Acquisition Agreement (the "Supplement") dated October 1, 2004 by and between Purchaser and Seller. The Acquisition Agreement, as supplemented and amended by the Supplement, is referred to herein as the "Amended Acquisition Agreement". Capitalized terms used and not otherwise defined herein shall have the meaning ascribed to such terms in the Amended Acquisition Agreement. In the event of any conflict between the provisions hereof and the provisions of the Amended Acquisition Agreement, the relevant provisions of the Amended Acquisition Agreement shall prevail.

Bonson and LIAL have agreed to enter into this Forward Contract to provide for the forward payment of part of the Purchase Price for the Assets in the amount of RMB260,000,000 (the "Settlement Amount"), as contemplated in Section 2.5(a) of the Amended Acquisition Agreement. Bonson and LIAL agree that

## Edgar Filing: ASIAINFO HOLDINGS INC - Form SC 13D

the Settlement Amount shall be satisfied through the transfer by Bonson to LIAL, at any time during the 12-month period following the Closing Date, as determined by Bonson at its sole and absolute discretion (the "Settlement Date"), of an aggregate number of duly authorized, validly issued, fully paid and nonassessable shares of the common stock, par value \$0.01 per share, of Purchaser (the "Forward Contract Shares") having a Market Value equivalent to the Settlement Amount as calculated in accordance with Section 2.11 of the Amended Acquisition Agreement, subject to any adjustment as provided in Sections 2.10(f), 2.11(c) or elsewhere in the Amended Acquisition Agreement, and further subject to the AsiaInfo Share Cap as provided in Section 2.11 of the Amended Acquisition Agreement. In the event that the Settlement Amount is greater than the Market Value of the maximum number of Forward Contract Shares available under the AsiaInfo Share Cap, the difference shall be paid by Purchaser or Bonson (at Purchaser's option) to Seller, in cash or in AsiaInfo Shares having an aggregate Market Value on the Settlement Date equal to such difference, or in any combination of cash and AsiaInfo Shares, at the sole and absolute discretion of Purchaser. LIAL acknowledges and agrees that the Forward Contract Shares that are Escrow Shares shall be delivered to the Escrow Agent pursuant to the terms of the Escrow Agreement and that the release of such shares to LIAL shall be subject to the terms thereof.

On the Settlement Date, Bonson shall transfer AsiaInfo Shares that it holds free and clear of Encumbrances (other than Permitted Encumbrances or Encumbrances arising by virtue of applicable securities laws) to LIAL or the Escrow Agent, as the case may be, in order to fulfil its obligation to deliver the Forward Contract Shares under this Forward Contract. As soon as possible after the Settlement Date (but in any event within five Business Days), Bonson shall deliver (i) to LIAL a certificate or certificates representing the number of Forward Contract Shares that are not Escrow Shares and (ii) to the Escrow Agent a certificate or certificates representing the number of Forward Contract Shares that are Escrow Shares, in each

case, duly endorsed for transfer in blank or in the name of LIAL. The transfer of the Forward Contract Shares shall be deemed to have been effected as of the close of business on the Settlement Date. Bonson shall give written notice of such delivery to LIAL no later than 2:00 p.m. on the Settlement Date. Such notice shall include the number of AsiaInfo Shares to be transferred and shall be delivered in accordance with the notice provisions in Section 9.1 of the Amended Acquisition Agreement. This Forward Contract shall not entitle LIAL to any rights as a shareholder of Purchaser or to any other rights except the rights stated herein. At such time as such delivery has been effected, the rights of LIAL under this Forward Contract shall cease, and LIAL shall be deemed to have become the holder of record of the Forward Contract Shares.

The delivery of certificates for the Forward Contract Shares shall be made without charge to LIAL for transfer tax (if any) in respect thereof or other cost incurred by Bonson in connection with the delivery of the Forward Contract Shares under this Forward Contract. On or prior to the Settlement Date, Bonson shall take all such actions as are necessary in order to ensure that the Forward Contract Shares deliverable under this Forward Contract shall be validly issued by Purchaser, fully paid and nonassessable, and held by Bonson, free and clear of all Encumbrances (other than Permitted Encumbrances or Encumbrances arising by virtue of applicable securities laws), and shall rank pari passu with all other AsiaInfo Shares.

Bonson hereby represents and warrants to Seller that, assuming the accuracy of the representations and warranties of the Seller in Section 3.30 of the Amended Acquisition Agreement, the transfer of the AsiaInfo Shares to LIAL on the Settlement Date will not require registration under the Securities Act.

Edgar Filing: ASIAINFO HOLDINGS INC - Form SC 13D

LIAL acknowledges and agrees that, except as contemplated in Section 2.11(b) of the Amended Acquisition Agreement, in no event shall it be entitled to receive cash or other assets, other than the Forward Contract Shares, in respect of Bonson's obligation to deliver the Settlement Amount and that such obligation shall be fully satisfied by prompt delivery (and in any event within five Business Days following the Settlement Date) of (i) the certificate or certificates representing the number of Forward Contract Shares that are not Escrow Shares to LIAL and (ii) the certificate or certificates representing the number of Forward Contract Shares that are Escrow Shares to the Escrow Agent. LIAL acknowledges that the foregoing agreement is an essential element of this Forward Contract, absent which Purchaser would not have entered into the transactions contemplated in the Amended Acquisition Agreement and hereby.

Each of the parties agrees that (i) for all United States federal, state and local tax purposes, this Forward Contract in its entirety shall be treated as a forward contract for the delivery of the Forward Contract Shares and will be not be treated in whole or any portion thereof, as constituting indebtedness or giving rise to any amount of interest or other ordinary expense to LIAL and (ii) this Forward Contract is not intended to be governed by the provisions of the United States Commodity Exchange Act of 1936, as amended, or by the rules or regulations of the United States Commodity Futures Trading Commission.

Bonson agrees that if it defaults in the performance of its obligation hereunder, LIAL shall be entitled to specific performance of the terms hereof, in addition to any other remedy at law or in equity.

This Forward Contract constitutes a "securities contract" within the meaning of Section 741(7) of Title 11 of the United States Code as amended (the "Bankruptcy Code"), and as such each party shall be entitled to the rights and benefits afforded to such securities contract under the Bankruptcy Code.

This Forward Contract shall not be assigned or transferred by either party, in whole or in part, without the prior written consent of the other party; provided, however, that such consent shall not be unreasonably withheld in the event of a proposed assignment by either

party to an Affiliate of such party that agrees in writing to be bound by all relevant provisions of this Forward Contract and the other Transaction Documents.

(iv) That all factual statements made in such documents are correct.

This legal opinion is confined to and given on the basis of the published laws of the People's Republic of China as at the date hereof. 5. Based on the above assumptions and subject to the qualifications herein, we are of the opinion that:

(i) Each of LHL, WTITL and [Chinese characters omitted] ("LWY") (each a "PRC Entity" or together the "PRC Entities") is duly organized as a company with limited liability, validly existing and in good standing under the laws of the People's Republic of China, and has the power and authority (corporate or other) (1) to carry on its business as it is currently conducted and to own, lease and operate the properties and assets used in connection therewith and (2) to the extent it is a party thereto, to execute, deliver and perform the Documents, and the transactions contemplated thereby.

B-1

(ii) Each of the PRC Entities has obtained all necessary licenses, authorizations and approvals to conduct its business as currently conducted, such licenses, authorization and approvals being in full force and effect, and no violations exist in respect of any such license, authorization or approval, except where such violation would not have a material adverse effect on the ability of any of the PRC Entities to perform its obligations under the Documents.

(v) After due inquiry and to the best of our knowledge, none of the PRC Entities is currently subject to any claims, suits or demands or actions threatened or initiated by or before any PRC governmental or public body, authority or regulatory agency, which may have a material adverse effect on the ability of any of the PRC Entities to perform its obligations under the Documents to the extent it is a party thereto.

(vi) The execution, delivery and the performance by each of the PRC Entities of its obligations under the Documents and the consummation of the transactions contemplated thereby did not and will not (a) conflict with or result in a violation or breach of any of the terms, conditions or provisions of the articles of association or other organizational documents of any of the PRC Entities, (b) conflict with or result in a violation or breach of any term or provisions of any law or order known to us or (c) require any of the PRC Entities to obtain any consent, approval or action of, make any filing with or give any notice to any Governmental Authority.

(vii) None of the PRC Entities nor any of their assets or properties enjoys, under the laws of the PRC, any right of immunity from service of

## Edgar Filing: ASIAINFO HOLDINGS INC - Form SC 13D

process, jurisdiction, suit, judgment, immunity from any legal or other proceedings or from enforcement, execution or attachment in respect of its obligations in the transactions contemplated under the LWY Transaction Documents.

(viii) The registered capital of LWY is RMB[ ], all of which has been fully contributed and verified, and LHL, [ ] and [ ] are the record holders of 51%, [ ] and [ ], respectively, of the outstanding equity interest in LWY, in each case free and clear of any security interest, mortgage, pledge, lien, encumbrance, claim or equity, except the pledge created under the LWY Share Pledge Agreement and the option granted under the Equity Transfer Arrangement Agreement.

(ix) The beneficial ownership structure of LWY, its business and its contractual arrangement with LAI, as set forth in the LWY Documents, are in compliance with all existing PRC laws and regulations and do not require any consent, approval or action of, filing with, or notice to, any Governmental Authority except as expressly set out therein.

(x) The registered capital of WTITL is RMB10,000,000, all of which has been fully contributed and verified, and (as of the date hereof) HICCL, Dongfeng Automobile Co., Ltd. [Chinese characters omitted] and Dongfeng Automobile Limited [Chinese characters omitted] are the record holders of 40%, 35% and 25%, respectively, of the outstanding equity interest in WTITL. HICCL holds its 40% equity interest in WTITL free and clear of any security interest, mortgage, pledge, lien, encumbrance, claim or equity. With respect to the transactions contemplated by the WTITL Equity Transfer Agreement (the "WTITL Transactions"), we have (1) prepared all the related corporate and other documents, (2) arranged for such documents to be duly executed by the parties thereto and (3) submitted the WTITL Equity Transfer Agreement and all such documents to [insert name of relevant MOFCOM/COFCOM] for its approval of the WTITL Transactions. To the best of our knowledge, we are not aware of any

B-2

substantial legal obstacle in obtaining such approval from [insert name of relevant MOFCOM/COFCOM]. The receipt of approval from [insert name of relevant MOFCOM/COFCOM] for the transactions contemplated by the WTITL Equity Transfer Agreement will transfer to Goldfame good and valid title to all of the outstanding equity interest in WTITL, free and clear of any adverse claim.

(xi) The courts of the PRC would recognize as a valid judgment, a final and conclusive arbitral award obtained in accordance with Section 9.11 of the Acquisition Agreement against any of the PRC Entities under which a sum of money is payable and would recognize and enforce such award without re-examination or re-litigation of any matter which shall be the subject of such award.

FORWARD CONTRACT

This FORWARD CONTRACT (this "Forward Contract"), dated as of October 18, 2004, is made and entered into by and between Bonson Information Technology Limited, a company organized and existing under the laws of the British Virgin Islands ("Bonson"), and Lenovo IT Alliance Limited, a company organized and existing under the laws of the British Virgin Islands ("LIAL").

This Forward Contract is the forward contract referred to in, and is subject to all of the terms and conditions of, the Acquisition Agreement dated July 27, 2004 (the "Acquisition Agreement") by and between AsiaInfo Holdings, Inc., a corporation organized and existing under the law of the State of Delaware of the United States ("Purchaser"), and Lenovo Group Limited, a company organized and existing under the law of the Hong Kong Special Administrative Region of the People's Republic of China ("Seller"), as supplemented and amended by Supplement and Amendment No. 1 to Acquisition Agreement (the "Supplement") dated October 1, 2004 by and between Purchaser and Seller. The Acquisition Agreement, as supplemented and amended by the Supplement, is referred to herein as the "Amended Acquisition Agreement". Capitalized terms used and not otherwise defined herein shall have the meaning ascribed to such terms in the Amended Acquisition Agreement. In the event of any conflict between the provisions hereof and the provisions of the Amended Acquisition Agreement, the relevant provisions of the Amended Acquisition Agreement shall prevail.

Bonson and LIAL have agreed to enter into this Forward Contract to provide for the forward payment of part of the Purchase Price for the Assets in the amount of RMB260,000,000 (the "Settlement Amount"), as contemplated in Section 2.5(a) of the Amended Acquisition Agreement. Bonson and LIAL agree that the Settlement Amount shall be satisfied through the transfer by Bonson to LIAL, at any time during the 12-month period following the Closing Date, as determined by Bonson at its sole and absolute discretion (the "Settlement Date"), of an aggregate number of duly authorized, validly issued, fully paid and nonassessable shares of the common stock, par value \$0.01 per share, of Purchaser (the "Forward Contract Shares") having a Market Value equivalent to the Settlement Amount as calculated in accordance with Section 2.11 of the Amended Acquisition Agreement, subject to any adjustment as provided in Sections 2.10(f), 2.11(c) or elsewhere in the Amended Acquisition Agreement, and further subject to the AsiaInfo Share Cap as provided in Section 2.11 of the Amended Acquisition Agreement. In the event that the Settlement Amount is greater than the Market Value of the maximum number of Forward Contract Shares available under the AsiaInfo Share Cap, the difference shall be paid by Purchaser or Bonson (at Purchaser's option) to Seller, in cash or in AsiaInfo Shares having an aggregate Market Value on the Settlement Date equal to such difference, or in any combination of cash and AsiaInfo Shares, at the sole and absolute discretion of Purchaser. LIAL acknowledges and agrees that the Forward Contract Shares that are Escrow Shares shall be delivered to the Escrow Agent pursuant to the terms of the Escrow Agreement and that the release of such shares to LIAL shall be subject to the terms thereof.

On the Settlement Date, Bonson shall transfer AsiaInfo Shares that it holds free and clear of Encumbrances (other than Permitted Encumbrances or

## Edgar Filing: ASIAINFO HOLDINGS INC - Form SC 13D

Encumbrances arising by virtue of applicable securities laws) to LIAL or the Escrow Agent, as the case may be, in order to fulfil its obligation to deliver the Forward Contract Shares under this Forward Contract. As soon as possible after the Settlement Date (but in any event within five Business Days), Bonson shall deliver (i) to LIAL a certificate or certificates representing the number of Forward Contract Shares that are not Escrow Shares and (ii) to the Escrow Agent a certificate or certificates representing the number of Forward Contract Shares that are Escrow Shares, in each case, duly endorsed for transfer in blank or in the name of LIAL. The transfer of the Forward Contract Shares shall be deemed to have been effected as of the close of business on the

Settlement Date. Bonson shall give written notice of such delivery to LIAL no later than 2:00 p.m. on the Settlement Date. Such notice shall include the number of AsiaInfo Shares to be transferred and shall be delivered in accordance with the notice provisions in Section 9.1 of the Amended Acquisition Agreement. This Forward Contract shall not entitle LIAL to any rights as a shareholder of Purchaser or to any other rights except the rights stated herein. At such time as such delivery has been effected, the rights of LIAL under this Forward Contract shall cease, and LIAL shall be deemed to have become the holder of record of the Forward Contract Shares.

The delivery of certificates for the Forward Contract Shares shall be made without charge to LIAL for transfer tax (if any) in respect thereof or other cost incurred by Bonson in connection with the delivery of the Forward Contract Shares under this Forward Contract. On or prior to the Settlement Date, Bonson shall take all such actions as are necessary in order to ensure that the Forward Contract Shares deliverable under this Forward Contract shall be validly issued by Purchaser, fully paid and nonassessable, and held by Bonson, free and clear of all Encumbrances (other than Permitted Encumbrances or Encumbrances arising by virtue of applicable securities laws), and shall rank pari passu with all other AsiaInfo Shares.

Bonson hereby represents and warrants to Seller that, assuming the accuracy of the representations and warranties of the Seller in Section 3.30 of the Amended Acquisition Agreement, the transfer of the AsiaInfo Shares to LIAL on the Settlement Date will not require registration under the Securities Act.

LIAL acknowledges and agrees that, except as contemplated in Section 2.11(b) of the Amended Acquisition Agreement, in no event shall it be entitled to receive cash or other assets, other than the Forward Contract Shares, in respect of Bonson's obligation to deliver the Settlement Amount and that such obligation shall be fully satisfied by prompt delivery (and in any event within five Business Days following the Settlement Date) of (i) the certificate or certificates representing the number of Forward Contract Shares that are not Escrow Shares to LIAL and (ii) the certificate or certificates representing the number of Forward Contract Shares that are Escrow Shares to the Escrow Agent. LIAL acknowledges that the foregoing agreement is an essential element of this Forward Contract, absent which Purchaser would not have entered into the transactions contemplated in the Amended Acquisition Agreement and hereby.

Each of the parties agrees that (i) for all United States federal, state and local tax purposes, this Forward Contract in its entirety shall be treated as a forward contract for the delivery of the Forward Contract Shares and will be not be treated in whole or any portion thereof, as constituting indebtedness or giving rise to any amount of interest or other ordinary expense to LIAL and (ii) this Forward Contract is not intended to be governed by the provisions of the United States Commodity Exchange Act of 1936, as amended, or by the rules or regulations of the United States Commodity Futures Trading Commission.

Bonson agrees that if it defaults in the performance of its obligation

hereunder, LIAL shall be entitled to specific performance of the terms hereof, in addition to any other remedy at law or in equity.

This Forward Contract constitutes a "securities contract" within the meaning of Section 741(7) of Title 11 of the United States Code as amended (the "Bankruptcy Code"), and as such each party shall be entitled to the rights and benefits afforded to such securities contract under the Bankruptcy Code.

This Forward Contract shall not be assigned or transferred by either party, in whole or in part, without the prior written consent of the other party; provided, however, that such consent shall not be unreasonably withheld in the event of a proposed assignment by either party to an Affiliate of such party that agrees in writing to be bound by all relevant provisions of this Forward Contract and the other Transaction Documents.
