PART III -- NARRATIVE

State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

On March 10, 2004, we announced that we would likely restate our historical financial statements and that, as a result, we would delay the release of our 2003 earnings announcement and the filing of our 2003 Form 10-K. The potential restatement relates to a downward revision of our estimated natural gas and oil reserves. For more information regarding the revision to our reserve estimates, see our Form 8-Ks dated February 17, 2004 and March 10, 2004. Because of the additional time required to determine whether a restatement is appropriate, and if so, the timing and magnitude of the restatement, we could not file our 2003 Form 10-K on or before March 15, 2004, without unreasonable effort or expense.
