This loan is payable out of the proceeds of the exercise of IDT Telecom, Inc. stock options held by Mr. Garner and will be forgiven if Mr. Garner does not exercise such options by certain dates, if Mr. Garner pays all applicable taxes relating to such forgiveness.

In addition, during Fiscal 2002, the Company extended a loan to Stephen R. Brown, the Company's Chief Financial Officer, in the principal amount of \$300,000 that bears interest at the rate of 8% per annum. The entire amount of this loan is currently outstanding and is due on December 31, 2004. In addition, Morris Lichtenstein was extended a loan in the amount of \$1,000,000 that bears interest at the rate of 6% per year. The entire amount is currently outstanding and is payable on demand. Management of the Company has obtained a commitment from Mr. Lichtenstein to repay the amount due in equal one-third installments on or before July 31 in each of 2003, 2004 and 2005.

Brown and Levy are payable entirely on demand. Management of the Company has obtained a commitment from Messrs. The \$150,000 loan bears interest at a rate of 8% per annum. Pursuant to a separation agreement between the Company and Mr. Brecher entered into during Fiscal 2001 (the Brecher Separation Agreement), the interest rate on the \$3,000,000 loan was reduced to 5¾%, and the Company agreed to forgive both loans upon the exercise of certain stock options held by Mr. Brecher and the payment by him out of the proceeds of all applicable taxes relating to such forgiveness. Those events have occurred and both loans were forgiven in Fiscal 2002.

In connection with the Brecher Separation Agreement, in addition to the arrangements for forgiveness and interest rate adjustments of certain loans made to Mr. Brecher described above and below, the Compensation Committee of the Board accelerated the vesting of certain of Mr. Brecher's outstanding options exercisable for

The required events have occurred and \$100,000 of such loan was forgiven. The remaining \$200,000 of such loan is still outstanding.

In connection with the initial public offering of Net2Phone, in July 1999, each of Stephen R. Brown, Moshe Kaganoff, Geoffrey Rochwarger and Michael Fischberger borrowed \$117,600 from the Company. - (1) Consists of (i) options to purchase 1,488,167 shares of Common Stock and 9,103,449 shares of Class B Common Stock granted under the Company's 1996 Stock Option and Incentive Plan, as amended and restated (the Plan), and (ii) options to purchase 1,083,100 shares of Class B Common Stock granted outside of the Plan, which were approved by stockholders on December 14, 2000.
- (2) Consists of (i) options to purchase 398,500 shares of Common Stock granted on March 1, 1999 (and options to purchase 398,500 shares of Class B Common Stock issued to the recipients of those options in connection with the Class B Dividend) to six executive officers and key employees of the Company, (ii) options to purchase 1,256,450 shares of Class B Common Stock granted on various dates to employees of the Company, and (iii) options to purchase 186,964 shares of Common Stock granted prior to the Company's

initial public offering (and 186,964 shares of Class B Common Stock granted to the recipients of those options in connection with the Class B Dividend) to certain officers, directors and key employees of the Company. All such options expire 10 years from the grant date, vest either immediately or over periods of between one and three years, and, other than certain of the options referred to in clause (iii) above, had exercise prices equal to or greater than the fair market value of the shares of stock underlying such options as of the day preceding their respective grant dates. The grants of all of such options were approved by the Board or the Compensation Committee of the Board and the recipients were selected (based in some circumstances on the recommendations of management) on their prior service to the Company or their ability to provide future value to the Company's development or performance.

Employment Agreements

The Company has entered into employment agreements with Messrs. Jonas and Courter. Mr. Jonas's employment agreement, dated as of April 1, 2002, provides for a minimum base salary of \$250,000, which may be increased, but not decreased, during the term of the agreement. The Company may terminate Mr. Jonas's employment only for cause (as defined in the agreement). If the agreement is terminated without cause, the Company is obligated to pay to Mr. Jonas an amount equal to the sum of his base salary for the remainder of his term. The agreement has a five year term, but is automatically extendable for additional one year periods unless the Board of Directors or Mr. Jonas notifies the other, within ninety days of the anniversary of such period, that the agreement will not be extended. Pursuant to the agreement, Mr. Jonas has agreed not to compete with the Company for a period of one year following the termination of the agreement.

During Fiscal 2002, Mr. Courter was employed as the Chief Executive Officer of the Company pursuant to an employment agreement, dated as of April 1, 1999 and amended as of August 1, 2001, and subsequently amended as of October 22, 2001. Such employment agreement, as amended, provides for a minimum base salary of \$250,000, which may not be decreased, but must be increased from time to time to match the base salary of the highest paid employee of the Company or of any entity controlled by the Company, during the term of the agreement. The Company may terminate Mr. Courter's employment only for cause (as defined in the agreement). In the event of termination without cause or in the event Mr. Courter terminates his employment for good reason (as defined in the employment agreement), any and all unvested options shall automatically vest and Mr. Courter shall be permitted to exercise any and all options which are outstanding as of the date of his termination within two (2) years from such date. If the agreement is terminated without cause, the Company is obligated to pay to Mr. Courter all due and unpaid amounts to which Mr. Courter was then entitled and Mr. Courter's minimum base salary for the remainder of the employment term but in no event less than twelve months. The amended agreement has a five year term commencing from October 2001, and is automatically extendable for additional one-year periods unless the Board of Directors or Mr. Courter notifies the other, within ninety days of the anniversary of such period, that the agreement will not be extended. Pursuant to the agreement, Mr. Courter has agreed not to compete with the Company for a period of one year following the termination of the agreement. In addition, Mr. Courter was granted options to purchase 300,000 shares of Class B Common Stock which vest over a three-year period under the original terms of the agreement and, pursuant to the October 2001 amendment, was granted options to purchase an additional 1,000,000 shares of Class B Common Stock which will vest over a five-year period.

Employee Stock Option Program

The Company previously maintained an informal stock option program whereby selected key employees were granted options to purchase shares of Common Stock. The primary purpose of this program was to provide long-term incentives to the Company's key employees and to further align their interests with those of the Company. Options granted under such program have a term of ten years and are subject to all other reasonable terms and conditions as the Company deems necessary and appropriate. The selection of the participants and the determination of the number of options to be granted to each participant were made by the Compensation

Committee of the Board. Under such program, options to purchase an aggregate of 186,964 shares of Common Stock and 186,964 shares of Class B Common Stock were outstanding as of October 25, 2002. The Company does not anticipate that any additional options will be granted under this program. In addition to this program, the Company also has adopted the 1996 Stock Option and Incentive Plan, as Amended and Restated, which is described further in Proposal No. 2 below.

Compensation Committee Interlocks and Insider Participation

During Fiscal 2002, the Compensation Committee was comprised of Messrs. Berman and Blaker. None of the members of the Compensation Committee were employees of the Company during such period.

Reports of the Compensation Committee and the Audit Committee of the Board of Directors

Notwithstanding anything to the contrary set forth in any of the Company's previous filings under the Securities Act of 1933, as amended (the Act), or the Securities Exchange Act of 1934, as amended (the Exchange Act), that might incorporate future filings, including this Proxy Statement, in whole or in part, the following reports and the Performance Graph set forth below shall not be incorporated by reference into any such filings, nor shall they be deemed to be soliciting material or deemed filed with the Securities and Exchange Commission under the Act or under the Exchange Act.

Report of the Compensation Committee

The Compensation Committee determines the compensation levels of the various officers of the Company with a view to attract, retain, motivate and reward key employees who possess exceptional leadership and management skills through a competitive base salary, bonus payments (when appropriate), long-term incentives such as awards of stock options, and various other benefits.

The policies of the Compensation Committee are intended to combine competitive levels of compensation with rewards for commendable performance, and to align each officer's relative compensation with the Company's achievement of key business objectives, optimal satisfaction of customers and maximization of stockholder value. The Compensation Committee believes that stock ownership by management is beneficial in aligning the interests of the Company's management with the interests of the Company's stockholders.

Base Salaries. Salaries for the Company's executive officers are determined primarily on the basis of each executive officer's responsibility, the general salary practices of companies with which the Company competes and each officer's individual qualifications and experience. The base salaries are reviewed by the Compensation Committee in accordance with a variety of criteria, including individual performance, the functions charged to each officer, the scope of the officer's duties, trends in the compensation peer group in which the Company competes for executive talent, and the Company's financial performance generally. The weight given such factors by the Compensation Committee may vary with respect to each of the Company's officers, and from year to year, as the Compensation Committee may deem necessary.

Bonus Payments. Bonuses for the Company's executive officers are based on various financial and non-financial results of the Company and the Operating Subsidiaries, such as revenue growth, expense reductions and customer and employee satisfaction, as well as on such executive officers' job level, responsibilities and contributions to the Company.

Stock Option Grants. Stock options are currently granted to executive officers and other employees under the Company's 1996 Stock Option and Incentive Plan, as Amended and Restated. In the past, stock options were granted under the Company's employee stock option program. The Compensation Committee believes that the appreciation of stock value underlying stock options provides a strong incentive for recipients of awards to manage the Company in accordance with the interests of the Company's stockholders. Stock option grants and

awards are given in order to focus the grantee's attention on the long-term performance of the Company, as well as to provide an incentive for the grantee to maintain a long-term relationship with the Company. The number of options or awards granted and other option terms, such as vesting, are determined by the Compensation Committee based on the grantee's level of responsibility, prior performance, and other compensation. Neither the 1996 Stock Option and Incentive Plan nor the Employee Stock Option Program provides for specific quantitative criteria for weighing these factors. Rather, a decision to grant an option or award is primarily based upon an evaluation of the past as well as the future anticipated performance and responsibilities of the grantee.

401(k) Plan. The Company established a plan in September 1996, pursuant to Section 401(k) of the Internal Revenue Code of 1986, as amended (the "401(k) Plan"), for the benefit of employees. The Company's executive officers are permitted to participate on the same basis as other employees of the Company.

Chief Executive Officer Compensation. The Company has entered into an employment agreement with Mr. James A. Courter, dated as of April 1, 1999 and amended on August 1, 2001 and October 22, 2001, pursuant to which Mr. Courter replaced Howard S. Jonas as Chief Executive Officer of the Company effective August 2001. The employment agreement, as amended, provides for a minimum annual base salary of \$250,000, which, during the term of the agreement, may not be decreased, but must be increased from time to time to match the base salary of the highest paid employee of the Company or of any entity controlled by the Company. Pursuant to the agreement, as amended, Mr. Courter was paid the \$250,000 minimum base salary during Fiscal 2002. Pursuant to the agreement, as amended, Mr. Courter was also granted options during Fiscal 2002 to purchase 1,000,000 shares of Class B Common Stock, which options vest over a five-year period. Mr. Courter also received a bonus of \$975,000 in Fiscal 2002. In determining Mr. Courter's bonus, the Compensation Committee took into account Mr. Courter's continued demonstration of vision and leadership at a time of unprecedented turmoil in the telecommunications industry, which helped enable the Company to increase its revenues, particularly in its calling card business, and to maintain the trading price for its stock during this difficult period.

PROPOSAL NO. 2

**APPROVAL OF AN AMENDMENT TO THE COMPANY'S
1996 STOCK OPTION AND INCENTIVE PLAN,
AS AMENDED AND RESTATED**

The Company's stockholders are being asked to approve an amendment to the Company's 1996 Stock Option and Incentive Plan, as amended and restated (the Plan), that will increase the number of shares of Class B Common Stock available for award grants thereunder by 3,000,000 shares. The Board of Directors adopted the proposed amendment on or about September 18, 2002, subject to stockholder approval at the Annual Meeting.

The Board of Directors believes that the proposed amendment is necessary in order to provide the Company with a sufficient reserve of shares of Class B Common Stock for future award grants needed to attract and retain the services of key employees, directors and consultants of the Company essential to the Company's long-term success.

The proposed amendment is being submitted for a stockholder vote in order to enable the Company to grant options which are incentive stock options (ISOs) within the meaning of Section 422 of the Internal Revenue Code of 1986, as amended (the Code), and because such approval may be required or advisable in connection with (i) the provisions set forth in Section 162(m) of the Code relating to the deductibility of certain compensation and (ii) the rules and regulations applicable to New York Stock Exchange-listed companies.

The following description of the Plan, as proposed to be amended by this Proposal, is a summary, does not purport to be complete and is qualified in its entirety by the full text of the Plan, as proposed to be amended. A copy of the Plan, as proposed to be amended, is attached hereto as Exhibit A.

DESCRIPTION OF THE PLAN

Pursuant to the Plan, key employees, directors and consultants of the Company and any of its majority-owned subsidiaries are eligible to receive awards of stock options, stock appreciation rights, limited stock appreciation rights and restricted stock. Options granted under the Plan may be ISOs, or non-qualified stock options (NQSOs). Stock appreciation rights (SARs) and limited stock appreciation rights (LSARs) may be granted either alone or simultaneously with the grant of an option. Restricted stock may be granted in addition to or in lieu of any other award made under the Plan.

As of October 25, 2002, 12 executive officers, approximately 1,600 other employees, 8 consultants, 8 non-employee directors of the Company and 10 non-employee directors of the Company's subsidiaries were eligible to participate in the Plan.

The maximum number of shares of Common Stock and Class B Common Stock reserved for the grant of awards under the Plan, as adjusted for the Class B Dividend, is 6,300,000 and 12,600,000 (including the 3,000,000 shares of Class B Common Stock reserved subject to approval by the stockholders of this Proposal), respectively. Such share reserves are subject to further adjustment in the event of specified changes to the capital structure of the Company. The shares may be made available either from the Company's authorized but unissued capital stock or from capital stock reacquired by the Company.

As of October 25, 2002, options covering all of the shares of Common Stock reserved for issuance under the Plan had been granted. As of such date, options covering 9,600,000 shares of Class B Common Stock had been granted under the Plan and 3,000,000 shares of Class B Common Stock remained available for future award grants, assuming approval by the stockholders of this Proposal.

The Plan is administered by the Compensation Committee of the Board. Subject to the provisions of the Plan, the Compensation Committee will determine the type of awards, when and to whom awards will be granted, the number of shares covered by each award and the terms, provisions and kind of consideration payable (if any), with respect to awards. The Compensation Committee may interpret the Plan and may at any time adopt such rules and regulations for the Plan as it deems advisable. In determining the persons to whom awards shall be granted and the number of shares covered by each award, the Compensation Committee takes into account the duties of the respective persons, their present and potential contributions to the success of the Company and such other factors as the Compensation Committee deems relevant.

An option may be granted on such terms and conditions as the Compensation Committee may approve, and generally may be exercised for a period of up to ten years from the date of grant. Generally, ISOs will be granted with an exercise price equal to the Fair Market Value (as defined in the Plan) on the date of grant. In the case of ISOs, certain limitations will apply with respect to the aggregate value of option shares which can become exercisable for the first time during any one calendar year, and certain additional limitations will apply to ISOs granted to Ten Percent Stockholders of the Company (as defined in the Plan). The Compensation Committee may provide for the payment of the option price in cash, by delivery of Common Stock or Class B Common Stock having a Fair Market Value equal to such option price, by a combination thereof or by any other method. Options granted under the Plan will become exercisable at such times and under such conditions as the Compensation Committee shall determine, subject to acceleration of the exercisability of options in the event of, among other things, a Change in Control, a Corporate Transaction or a Related Entity Disposition (in each case, as defined in the Plan).

The Plan provides for automatic formula option grants to eligible non-employee directors of the Company and its majority-owned subsidiaries. Options to purchase 10,000 shares of Common Stock were granted to each non-employee director upon the consummation of the Company's initial public offering in March 1996 (the IPO) or upon such later date of a non-employee director's initial election to the Board and, effective May 31, 2001, subject to certain exceptions, options to purchase 20,000 shares of Class B Common Stock will be granted to each new non-employee director upon such director's initial election and qualification for the Board or the board of directors of any of the Company's majority-owned subsidiaries. In addition, options to purchase 20,000 shares of Class B Common Stock will be granted annually to each non-employee director on the anniversary date of each such director's election to the Board or, if such director was elected to the Board prior to the IPO, on the anniversary date of the IPO. Each such option will have an exercise price equal to (or in certain cases, no less than) the Fair Market Value of a share of Class B Common Stock on the date of grant and will be immediately exercisable. All options held by non-employee directors, to the extent not exercised, unless otherwise agreed to by the Company, expire on the earliest of (i) the tenth anniversary of the date of grant, (ii) the first anniversary of the non-employee director's termination of directorship other than for Cause (as defined in the Plan) or (iii) three months following the non-employee director's termination of directorship for Cause.

The Plan also permits the Compensation Committee to grant SARs and/or LSARs. Generally, SARs may be exercised at such time or times and only to the extent determined by the Compensation Committee and LSARs may be exercised only (i) during the 90 days immediately following a Change in Control or (ii) immediately prior to the effective date of a Corporate Transaction (as defined in the Plan). LSARs will be exercisable at such time or times and only to the extent determined by the Compensation Committee. A LSAR granted in connection with an ISO is exercisable only if the Fair Market Value per share of Common Stock or Class B Common Stock, as applicable, on the date of grant exceeds the purchase price specified in the related ISO.

Upon exercise of an SAR, a grantee will receive for each share for which an SAR is exercised, an amount in cash, Common Stock or Class B Common Stock, as determined by the Compensation Committee, equal to the excess, if any, of (i) the Fair Market Value of a share of Common Stock or Class B Common Stock, as applicable, on the date the SAR is exercised over (ii) the exercise or other base price of the SAR or, if applicable, the exercise price per share of the option to which the SAR relates.

Upon exercise of an LSAR, a grantee will receive for each share for which an LSAR is exercised, an amount in cash equal to the excess, if any, of (i) the greater of (x) the highest Fair Market Value of a share of Common Stock or Class B Common Stock, as applicable, during the 90-day period ending on the date the LSAR is exercised, and (y) whichever of the following is applicable: (1) the highest per share price paid in any tender or exchange offer which is in effect at any time during the 90 days ending on the date of exercise of the LSAR; (2) the fixed or formula price for the acquisition of shares of Common Stock or Class B Common Stock, as applicable, in a merger in which the Company will not continue as the surviving corporation, or upon a consolidation, or a sale, exchange or disposition of all or substantially all of the Company's assets, approved by the Company's stockholders (if such price is determinable on the date of exercise); and (3) the highest price per share of Common Stock or Class B Common Stock, as applicable, shown on Schedule 13D, or any amendment thereto, filed by the holder of the specified percentage of Common Stock or Class B Common Stock, as applicable, the acquisition of which gives rise to the exercisability of the LSAR over (ii) the exercise or other base price of the LSAR or, if applicable, the exercise price per share of the option to which the LSAR relates. In no event, however, may the holder of an LSAR granted in connection with an ISO receive an amount in excess of the maximum amount which will enable the option to continue to qualify as an ISO.

When an SAR or LSAR is exercised, the option to which it relates, if any, will cease to be exercisable to the extent of the number of shares with respect to which the SAR or LSAR is exercised, but will be deemed to have been exercised for purposes of determining the number of shares available for the future grant of awards under the Plan.

The Plan further provides for the granting of restricted stock awards, which are awards of Common Stock or Class B Common Stock which may not be disposed of, except by will or the laws of descent and distribution, for such period as the Compensation Committee determines (the restricted period). The Compensation Committee may also impose such other conditions and restrictions, if any, on the shares as it deems appropriate, including the satisfaction of performance criteria. All restrictions affecting the awarded shares lapse in the event of a Change in Control, a Corporate Transaction or a Related Entity Disposition.

During the restricted period, the grantee will be entitled to receive dividends with respect to, and to vote the shares awarded to him or her. If, during the restricted period, the grantee's service with the Company terminates for any reason, any shares remaining subject to restrictions will be forfeited. The Compensation Committee has the authority to cancel any or all outstanding restrictions prior to the end of the restricted period, including cancellation of restrictions in connection with certain types of termination of service.

During any one calendar year, no grantee may be granted options to acquire more than an aggregate of 2,000,000 shares of Common Stock and Class B Common Stock or be awarded more than 2,000,000 shares of restricted stock (in each case as adjusted for the Class B Dividend and subject to further adjustment as provided in the Plan).

The Board may at any time and from time to time suspend, amend, modify or terminate the Plan; provided, however, that, to the extent required by any other law, regulation or stock exchange rule, no such change shall be effective without the requisite approval of the Company's stockholders. In addition, no such change may adversely affect an award previously granted, except with the written consent of the grantee.

No awards may be granted under the Plan after the tenth anniversary of its initial adoption.

ISOs (and any related SARs) are not assignable or transferable except by the laws of descent and distribution. Non-qualified stock options (and any SARs or LSARs related thereto) may be transferred to the extent permitted by the Compensation Committee. Holders of NQSOs (and any SARs or LSARs related thereto) granted after October 31, 2000 are permitted to transfer such NQSOs for no consideration to such holder's family members (as defined in Form S-8) without the prior approval of the Compensation Committee.

Options and Awards under the Plan. Except as set forth in the table below, the Company cannot now determine the number of options or other awards to be granted in the future under the Plan to officers, directors and employees.

Federal Income Tax Consequences of Awards Granted under the Plan

The Company believes that, under present law, the following are the U.S. federal income tax consequences generally arising with respect to awards under the Plan.

Incentive Stock Options. ISOs granted under the Plan are intended to meet the definitional requirements of Section 422(b) of the Code for incentive stock options. A participant who receives an ISO does not recognize any taxable income upon the grant of such ISO. Similarly, the exercise of an ISO generally does not give rise to federal taxable income to the participant, provided that (i) the federal alternative minimum tax, which depends on the participant's particular tax situation, does not apply and (ii) the participant is employed by the Company from the date of grant of the option until three months prior to the exercise thereof, except where such employment or service terminates by reason of disability or death (where the three month period is extended to one year).

Further, if after exercising an ISO, a participant disposes of the Common Stock or Class B Common Stock so acquired more than two years from the date of grant and more than one year from the date of transfer of the Common Stock or Class B Common Stock pursuant to the exercise of such ISO (the applicable holding period), the participant will normally recognize a long-term capital gain or loss equal to the difference, if any, between the amount received for the shares and the exercise price. If, however, the participant does not hold the shares so acquired for the applicable holding period thereby making a disqualifying disposition, the participant would realize ordinary income on the excess of the fair market value of the shares at the time the ISO was exercised over the exercise price, and the balance of income, if any, would be long-term capital gain (provided the holding period for the shares exceeded one year and the participant held such shares as a capital asset at such time).

A participant who exercises an ISO by delivering Common Stock or Class B Common Stock previously acquired pursuant to the exercise of another ISO is treated as making a disqualifying disposition of such Common Stock if such shares are delivered before the expiration of their applicable holding period. Upon the exercise of an ISO with previously acquired shares as to which no disqualifying disposition occurs, the participant would not recognize gain or loss with respect to such previously acquired shares.

The Company will not be allowed a federal income tax deduction upon the grant or exercise of an ISO or the disposition, after the applicable holding period, of the Common Stock or Class B Common Stock acquired upon exercise of an ISO. In the event of a disqualifying disposition, the Company generally will be entitled to a deduction in an amount equal to the ordinary income recognized by the participant, provided that such amount constitutes an ordinary and necessary business expense to the Company and is reasonable and the limitations of Sections 280G and 162(m) of the Code (discussed below) do not apply.

Non-Qualified Stock Options and Stock Appreciation Rights. Non-qualified stock options granted under the Plan are options that do not qualify as ISOs. A participant who receives an NQSO or an SAR (including an LSAR) will not recognize any taxable income upon the grant of such NQSO or SAR. However, the participant generally will recognize ordinary income upon exercise of an NQSO in an amount equal to the excess of (i) the fair market value of the shares of Common Stock or Class B Common Stock at the time of exercise over (ii) the exercise price. Similarly, upon the receipt of cash or shares pursuant to the exercise of an SAR, the individual generally will recognize ordinary income in an amount equal to the sum of the cash and the fair market value of the shares received.

The ordinary income recognized with respect to the receipt of shares or cash upon exercise of a NQSO or an SAR will be subject to both wage withholding and other employment taxes. In addition to the customary methods of satisfying the withholding tax liabilities that arise upon the exercise of an SAR for shares or upon the exercise of a NQSO, the Company may satisfy the liability in whole or in part by withholding shares of Common Stock or Class B Common Stock from those that otherwise would be issuable to the participant or by the participant tendering other shares owned by him or her, valued at their fair market value as of the date that the tax withholding obligation arises.

A federal income tax deduction generally will be allowed to the Company in an amount equal to the ordinary income recognized by the individual with respect to his or her NQSO or SAR, provided that such amount constitutes an ordinary and necessary business expense to the Company and is reasonable and the limitations of Sections 280G and 162(m) of the Code do not apply.

If a participant exercises an NQSO by delivering shares of Common Stock or Class B Common Stock to the Company, other than shares previously acquired pursuant to the exercise of an ISO which is treated as a disqualifying disposition as described above, the participant will not recognize gain or loss with respect to the exchange of such shares, even if their then fair market value is different from the participant's tax basis. The participant, however, will be taxed as described above with respect to the exercise of the NQSO as if he or she had paid the exercise price in cash, and the Company likewise generally will be entitled to an equivalent tax deduction.

Other Awards. With respect to other awards under the Plan that are settled either in cash or in shares of Common Stock or Class B Common Stock that are either transferable or not subject to a substantial risk of forfeiture (as defined in the Code and the regulations thereunder), participants generally will recognize ordinary income equal to the amount of cash or the fair market value of the Common Stock or Class B Common Stock received.

With respect to awards under the Plan that are settled in shares of Common Stock or Class B Common Stock that are restricted to transferability and subject to a substantial risk of forfeiture absent a written election pursuant to Section 83(b) of the Code filed with the Internal Revenue Service within 30 days after the date of

transfer of such shares pursuant to the award (a Section 83(b) election) a participant will recognize ordinary income at the earlier of the time at which (i) the shares become transferable or (ii) the restrictions that impose a substantial risk of forfeiture of such shares (the Restrictions) lapse, in an amount equal to the excess of the fair market value (on such date) of such shares over the price paid for the award, if any. If a Section 83(b) election is made, the participant will recognize ordinary income, as of the transfer date, in an amount equal to the excess of the fair market value of the Common Stock or Class B Common Stock, as applicable, as of that date over the price paid for such award, if any.

The ordinary income recognized with respect to the receipt of cash, shares of Common Stock, Class B Common Stock or other property under the Plan will be subject to both wage withholding and other employment taxes.

The Company generally will be allowed a deduction for federal income tax purposes in an amount equal to the ordinary income recognized by the participant, provided that such amount constitutes an ordinary and necessary business expense and is reasonable and the limitations of Sections 280G and 162(m) of the Code do not apply.

Change in Control. In general, if the total amount of payments to a participant that are contingent upon a change of control of the Company (as defined in Section 280G of the Code), including awards under the Plan that vest upon a change in control, equals or exceeds three times the individual's base amount (generally, such participant's average annual compensation for the five calendar years preceding the change in control), then, subject to certain exceptions, the payments may be treated as parachute payments under the Code, in which case a portion of such payments would be non-deductible to the Company and the participant would be subject to a 20% excise tax on such portion of the payments.

Certain Limitations on Deductibility of Executive Compensation. With certain exceptions, Section 162(m) of the Code denies a deduction to publicly held corporations for compensation paid to certain executive officers in excess of \$1 million per executive per taxable year (including any deduction with respect to the exercise of an NQSO or SAR or the disqualifying disposition of stock purchased pursuant to an ISO). One such exception applies to certain performance-based compensation provided that such compensation has been approved by stockholders in a separate vote and certain other requirements are met. The Company believes that Stock Options, SARs and LSARs granted under the Plan should qualify for the performance-based compensation exception to Section 162(m).

On October 25, 2002, the last reported sale price of the Common Stock and Class B Common Stock on the New York Stock Exchange was \$17.66 and \$16.30 per share, respectively.

Each of the option grants is subject to the terms of an agreement substantially in the form of Exhibit B hereto. The agreements incorporate the terms of the Plan which are described in the discussion of Proposal No. 2 above.

The options terminate three months following the termination of the grantee s employment with the Company for any reason other than death, disability or retirement and 180 days following the death, disability or retirement of the grantee. (ii) Ten Percent Stockholder shall mean a Grantee who, at the time an Incentive Stock Option is granted, owns stock possessing more than ten percent (10%) of the total combined voting power of all classes of stock of the Company or any Parent or Subsidiary.

(a) The Plan shall be administered by the Committee, the members of which may be composed of (i) non-employee directors under Rule 16b-3 and outside directors under Section 162(m) of the Code, or (ii) any other members of the Board.

No member of the Board or Committee shall be liable for any action taken or determination made in good faith with respect to the Plan or any award granted hereunder.

(d) The Board may delegate to the Chairman of the Company the authority to (i) grant awards under the Plan to employees of the Company and its Subsidiaries who are not officers or directors of the Company, and (ii) execute and deliver documents or take such other ministerial actions on behalf of the Committee with respect to awards. The grant of authority in this Section 3(d) shall be subject to such conditions and limitations as may be determined by the Committee. If the Committee delegates authority to the Chairman of the Company pursuant to this Section 3(d), and the Chairman grants awards pursuant to such delegated authority, references in this Plan to the Committee as they relate to such awards shall be deemed to refer to the Chairman.

4. *Eligibility.*

Awards may be granted to executive officers, other key employees, directors and consultants of the Company or of any Subsidiary. In addition to any other awards granted to Non-Employee Directors hereunder, awards shall be granted to Non-Employee Directors pursuant to Section 14 hereof. In determining the persons to whom awards shall be granted and the number of shares to be covered by each award, the Committee shall take into account the duties of the respective persons, their present and potential contributions to the success of the Company and such other factors as the Committee shall deem relevant in connection with accomplishing the purposes of the Plan.

5. *Stock.*

(a) The maximum number of shares of Common Stock reserved for the grant of awards under the Plan, as adjusted for the Class B common stock dividend effected in May 2001, shall be 18,900,000, of which 6,300,000 shall be shares of common stock and 12,600,000 shall be shares of Class B common stock, in each case subject to adjustment as provided in Section 12 hereof. Such shares may, in whole or in part, be authorized but unsecured shares or shares that shall have been or may be reacquired by the Company.

(b) If any outstanding award under the Plan should, for any reason expire, be canceled or be forfeited (other than in connection with the exercise of a Stock Appreciation Right or a Limited Right), without having been exercised in full, the shares of Common Stock allocable to the unexercised, canceled or terminated portion of such award shall (unless the Plan shall have been terminated) become available for subsequent grants of awards under the Plan.

(c) In no event may a Grantee be granted during any calendar year Options to acquire more than 2,000,000 shares of Common Stock or more than 2,000,000 shares of Restricted Stock, in each case as adjusted for the Class B Common Stock dividend effected in May 2001 and subject to further adjustment as provided in Section 12 hereof.

6. *Terms and Conditions of Options.*

(a) **OPTION AGREEMENT.** Each Option granted pursuant to the Plan shall be evidenced by a written agreement between the Company and the Grantee (the *Option Agreement*), in such form and containing such A-4 terms and conditions as the Committee shall from time to time approve, which Option Agreement shall comply with and be subject to the following terms and conditions, unless otherwise specifically provided in such Option Agreement. For purposes of interpreting this Section 6, a director's service as a member of the Board shall be deemed to be employment with the Company.

(b) **NUMBER OF SHARES.** Each Option Agreement shall state the number of shares of Common Stock to which the Option relates.

(c) **TYPE OF OPTION.** Each Option Agreement shall specifically state that the Option constitutes an Incentive Stock Option or a Nonqualified Stock Option. In the absence of such designation, the Option will be deemed to be a Nonqualified Stock Option.

(d) **OPTION PRICE.** Each Option Agreement shall state the Option Price, which, in the case of an Incentive Stock Option, shall not be less than one hundred percent (100%) of the Fair Market Value of the shares of Common Stock covered by the Option on the date of grant. The Option Price shall be subject to adjustment as provided in Section 12 hereof.

(e) **MEDIUM AND TIME OF PAYMENT.** The Option Price shall be paid in full, at the time of exercise, in cash or in shares of Common Stock (whether then owned by the Grantee or issuable upon exercise of the Option) having a Fair Market Value equal to such Option Price or in a combination of cash and Common Stock, including a cashless exercise procedure through a broker-dealer; provided, however, that in the case of an Incentive Stock Option, the medium of payment shall be determined at the time of grant and set forth in the applicable Option Agreement.

(f) **TERM AND EXERCISABILITY OF OPTIONS.** Each Option Agreement shall provide the exercise schedule for the Option as determined by the Committee, provided, that, the Committee shall have the authority to accelerate the exercisability of any outstanding option at such time and under such circumstances as it, in its sole discretion, deems appropriate. The exercise period will be ten (10) years from the date of the grant of the option unless otherwise determined by the Committee; provided, however, that in the case of an Incentive Stock Option, such exercise period shall not exceed ten (10) years from the date of grant of such Option. The exercise period shall be subject to earlier termination as provided in Sections 6(g) and 6(h) hereof. An Option may be exercised, as to any or all full shares of Common Stock as to which the Option has become exercisable, by written notice delivered in person or by mail to the Company's transfer agent or other administrator designated by the Company, specifying the number of shares of Common Stock with respect to which the Option is being exercised.

(g) **TERMINATION.** Except as provided in this Section 6(g) and in Section 6(h) hereof, an Option may not be exercised unless the Grantee is then in the employ of or maintaining a director or consultant relationship with the Company or a Subsidiary thereof (or a company or a Parent or Subsidiary of such company issuing or assuming the Option in a transaction to which Section 424(a) of the Code applies), and unless the Grantee has remained continuously so employed or in the director or consultant relationship since the date of grant of the Option. In the event that the employment or consultant relationship of a Grantee shall terminate (other than by reason of death, Disability or Retirement), all Options of such Grantee that are exercisable at the time of Grantee's termination may, unless earlier terminated in accordance with their terms, be exercised within thirty (30) days after the date of such termination (or such different period as the Committee shall prescribe); provided, however, that Options granted after November 17, 1998 and on or prior to October 22, 2001 may be exercised within three (3) months after the date of termination (or such different period as the Committee shall prescribe), and Options granted after October 22, 2001 may be exercised within 180 days after the date of termination (or such different period as the Committee shall prescribe).

(h) **DEATH, DISABILITY OR RETIREMENT OF GRANTEE.** If a Grantee shall die while employed by, or maintaining a director or consultant relationship with, the Company or a Subsidiary thereof, or within thirty (30) days after the date of termination of such Grantee's employment, director or consultant relationship (or within such different period as the Committee may have provided pursuant to Section 6(g) hereof), or if the Grantee's employment, director or consultant relationship shall terminate by reason of Disability, all Options theretofore granted to such Grantee (to the extent otherwise exercisable) may, unless earlier terminated in accordance with their terms, be exercised by the Grantee or by the Grantee's estate or by a person who acquired the right to exercise such Options by bequest or inheritance or otherwise by result of death or Disability of the Grantee, at any time within 180 days after the death or Disability of the Grantee (or such different period as the Committee shall prescribe). In the event that an Option granted hereunder shall be exercised by the legal representatives of a deceased or former Grantee, written notice of such exercise shall be accompanied by a certified copy of letters testamentary or equivalent proof of the right of such legal representative to exercise such Option. In the event that the employment or consultant relationship of a Grantee shall terminate on account of such Grantee's Retirement, all Options of such Grantee that are exercisable at the time of such Retirement may, unless earlier terminated in accordance with their terms, be exercised at any time within one hundred eighty (180) days after the date of such Retirement (or such different period as the Committee shall prescribe).

(i) **OTHER PROVISIONS.** The Option Agreements evidencing awards under the Plan shall contain such other terms and conditions not inconsistent with the Plan as the Committee may determine.

7. Nonqualified Stock Options.

Options granted pursuant to this Section 7 are intended to constitute Nonqualified Stock Options and shall be subject only to the general terms and conditions specified in Section 6 hereof.

8. *Incentive Stock Options.*

Options granted pursuant to this Section 8 are intended to constitute Incentive Stock Options and shall be subject to the following special terms and conditions, in addition to the general terms and conditions specified in Section 6 hereof:

(a) **LIMITATION ON VALUE OF SHARES.** To the extent that the aggregate Fair Market Value of shares of Common Stock subject to Options designated as Incentive Stock Options which become exercisable for the first time by a Grantee during any calendar year (under all plans of the Company or any Subsidiary) exceeds \$100,000, such excess Options, to the extent of the shares covered thereby in excess of the foregoing limitation, shall be treated as Nonqualified Stock Options. For this purpose, Incentive Stock Options shall be taken into account in the order in which they were granted, and the Fair Market Value of the shares of Common Stock shall be determined as of the date that the Option with respect to such shares was granted.

(b) **TEN PERCENT STOCKHOLDER.** In the case of an Incentive Stock Option granted to a Ten Percent Stockholder, (i) the Option Price shall not be less than one hundred ten percent (110%) of the Fair Market Value of the shares of Common Stock on the date of grant of such Incentive Stock Option, and (ii) the exercise period shall not exceed five (5) years from the date of grant of such Incentive Stock Option.

9. *Stock Appreciation Rights.*

The Committee shall have authority to grant a Stock Appreciation Right, either alone or in tandem with any Option. A Stock Appreciation Right granted in tandem with an Option shall, except as provided in this Section 9 or as may be determined by the Committee, be subject to the same terms and conditions as the related Option. Each Stock Appreciation Right granted pursuant to the Plan shall be evidenced by a written Agreement between the Company and the Grantee in such form as the Committee shall from time to time approve, which Agreement shall comply with and be subject to the following terms and conditions, unless otherwise specifically provided in such Agreement:

(a) **TIME OF GRANT.** A Stock Appreciation Right may be granted at such time or times as may be determined by the Committee.

(b) **PAYMENT.** A Stock Appreciation Right shall entitle the holder thereof, upon exercise of the Stock Appreciation Right or any portion thereof, to receive payment of an amount computed pursuant to Section 9(d).

(c) **EXERCISE.** A Stock Appreciation Right shall be exercisable at such time or times and only to the extent determined by the Committee, and will not be transferable except to the extent any related Option is transferable or as otherwise determined by the Committee. A Stock Appreciation Right granted in connection with an Incentive Stock Option shall be exercisable only if the Fair Market Value of a share of Common Stock on the date of exercise exceeds the purchase price specified in the related Incentive Stock Option. Unless otherwise approved by the Committee, no Grantee shall be permitted to exercise any Stock Appreciation Right during the period beginning two weeks prior to the end of each of the Company's fiscal quarters and ending on the second business day following the day on which the Company releases to the public a summary of its fiscal results for such period.

(d) **AMOUNT PAYABLE.** Upon the exercise of a Stock Appreciation Right, the Optionee shall be entitled to receive an amount determined by multiplying (i) the excess of the Fair Market Value of a share of Common Stock on the date of exercise of such Stock Appreciation Right over the exercise or other base price of the Stock Appreciation Right or, if applicable, the Option Price of the related Option, by (ii) the number of shares of Common Stock as to which such Stock Appreciation Right is being exercised.

(e) **TREATMENT OF RELATED OPTIONS AND STOCK APPRECIATION RIGHTS UPON EXERCISE.** Upon the exercise of a Stock Appreciation Right, the related Option, if any, shall be canceled

to the extent of the number of shares of Common Stock as to which the Stock Appreciation Right is exercised. Upon the exercise or surrender of an option granted in connection with a Stock Appreciation Right, the Stock Appreciation Right shall be canceled to the extent of the number of shares of Common Stock as to which the Option is exercised or surrendered.

(f) **METHOD OF EXERCISE.** Stock Appreciation Rights shall be exercised by a Grantee only by a written notice delivered to the Company in accordance with procedures specified by the Company from time to time. Such notice shall state the number of shares of Common Stock with respect to which the Stock Appreciation Right is being exercised. A Grantee may also be required to deliver to the Company the underlying Agreement evidencing the Stock Appreciation Right being exercised and any related Option Agreement so that a notation of such exercise may be made thereon, and such Agreements shall then be returned to the Grantee.

(g) **FORM OF PAYMENT.** Payment of the amount determined under Section 9(d) may be made solely in whole shares of Common Stock in a number based upon their Fair Market Value on the date of exercise of the Stock Appreciation Right or, alternatively, at the sole discretion of the Committee, solely in cash, or in a combination of cash and shares of Common Stock as the Committee deems advisable. If the Committee decides to make full payment in shares of Common Stock, and the amount payable results in a fractional share, payment for the fractional share will be made in cash.

10. Limited Stock Appreciation Rights.

The Committee shall have authority to grant a Limited Right, either alone or in tandem with any Option. Each Limited Right granted pursuant to the Plan shall be evidenced by a written Agreement between the Company and the Grantee in such form as the Committee shall from time to time approve, which Agreement shall comply with and be subject to the following terms and conditions, unless otherwise specifically provided in such Agreement:

(a) **TIME OF GRANT.** A Limited Right may be granted at such time or times as may be determined by the Committee.

(b) **EXERCISE.** A Limited Right may be exercised only (i) during the ninety-day period following the occurrence of a Change in Control or (ii) immediately prior to the effective date of a Corporate Transaction. A Limited Right shall be exercisable at such time or times and only to the extent determined by the Committee, and will not be transferable except to the extent any related Option is transferable or as otherwise determined by the Committee. A Limited Right granted in connection with an Incentive Stock Option shall be exercisable only if the Fair Market Value of a share of Common Stock on the date of exercise exceeds the purchase price specified in the related Incentive Stock Option.

(c) **AMOUNT PAYABLE.** Upon the exercise of a Limited Right, the Grantee thereof shall receive in cash whichever of the following amounts is applicable:

(i) in the case of the realization of Limited Rights by reason of an acquisition of Common Stock described in clause (i) of the definition of Change in Control (Section 2(c) above), an amount equal to the Acquisition Spread as defined in Section 10(d)(ii) below; or

(ii) in the case of the realization of Limited Rights by reason of stockholder approval of an agreement or plan described in clause (i) of the definition of Corporate Transaction (Section 2(j) above), an amount equal to the Merger Spread as defined in Section 10(d)(iv) below; or

(iii) in the case of the realization of Limited Rights by reason of the change in composition of the Board described in clause (ii) of the definition of Change in Control or stockholder approval of a plan or agreement described in clause (ii) of the definition of Corporate Transaction, an amount equal to the Spread as defined in Section 10(d)(v) below.

Notwithstanding the foregoing provisions of this Section 10(c) (or unless otherwise approved by the Committee), in the case of a Limited Right granted in respect of an Incentive Stock Option, the Grantee may not receive an amount in excess of the maximum amount that will enable such option to continue to qualify under the Code as an Incentive Stock Option.

(d) DETERMINATION OF AMOUNTS PAYABLE. The amounts to be paid to a Grantee pursuant to Section 10(c) shall be determined as follows:

(i) The term **Acquisition Price per Share** as used herein shall mean, with respect to the exercise of any Limited Right by reason of an acquisition of Common Stock described in clause (i) of the definition of Change in Control, the greatest of (A) the highest price per share shown on the Statement on Schedule 13D or amendment thereto filed by the holder of 25% or more of the voting power of the Company that gives rise to the exercise of such Limited Right, (B) the highest price paid in any tender or exchange offer which is in effect at any time during the ninety-day period ending on the date of exercise of the Limited Right, or (C) the highest Fair Market Value per share of Common Stock during the ninety day period ending on the date the Limited Right is exercised.

(ii) The term **Acquisition Spread** as used herein shall mean an amount equal to the product computed by multiplying (A) the excess of (1) the Acquisition Price per Share over (2) the exercise or other base price of the Limited Right or, if applicable, the Option Price per share of Common Stock at which the related Option is exercisable, by (B) the number of shares of Common Stock with respect to which such Limited Right is being exercised.

(iii) The term **Merger Price per Share** as used herein shall mean, with respect to the exercise of any Limited Right by reason of stockholder approval of an agreement described in clause (i) of the definition of Corporate Transaction, the greatest of (A) the fixed or formula price for the acquisition of shares of Common Stock specified in such agreement, if such fixed or formula price is determinable on the date on which such Limited Right is exercised, (B) the highest price paid in any tender or exchange offer which is in effect at any time during the ninety-day period ending on the date of exercise of the Limited Right, (C) the highest Fair Market Value per share of Common Stock during the ninety-day period ending on the date on which such Limited Right is exercised.

(iv) The term **Merger Spread** as used herein shall mean an amount equal to the product, computed by multiplying (A) the excess of (1) the Merger Price per Share over (2) the exercise or other base price of the Limited Right or, if applicable, the Option Price per share of Common Stock at which the related Option is exercisable, by (B) the number of shares of Common Stock with respect to which such Limited Right is being exercised.

(v) The term **Spread** as used herein shall mean, with respect to the exercise of any Limited Right by reason of a change in the composition of the Board described in clause (ii) of the definition of Change in Control or stockholder approval of a plan or agreement described in clause (ii) of the definition of Corporate Transaction, an amount equal to the product computed by multiplying (i) the excess of (A) the greater of (1) the highest price paid in any tender or exchange offer which is in effect at any time during the ninety-day period ending on the date of exercise of the Limited Right or (2) the highest Fair Market Value per share of Common Stock during the ninety day period ending on the date the Limited Right is exercised over (B) the exercise or other base price of the Limited Right or, if applicable, the Option Price per share of Common Stock at which the related Option is exercisable, by (ii) the number of shares of Common Stock with respect to which the Limited Right is being exercised.

(e) TREATMENT OF RELATED OPTIONS AND LIMITED RIGHTS UPON EXERCISE. Upon the exercise of a Limited Right, the related Option, if any, shall cease to be exercisable to the extent of the shares of Common Stock with respect to which such Limited Right is exercised but shall be considered to have been exercised to that extent for purposes of determining the number of shares of Common Stock available for the grant of future awards pursuant to this Plan. Upon the exercise or termination of a related

Option, if any, the Limited Right with respect to such related Option shall terminate to the extent of the shares of Common Stock with respect to which the related Option was exercised or terminated.

(f) **METHOD OF EXERCISE.** To exercise a Limited Right, the Grantee shall (i) deliver written notice to the Company specifying the number of shares of Common Stock with respect to which the Limited Right is being exercised, and (ii) if requested by the Committee, deliver to the Company the Agreement evidencing the Limited Rights being exercised and, if applicable, the Option Agreement evidencing the related Option; the Company shall endorse thereon a notation of such exercise and return such Agreements to the Grantee. The date of exercise of a Limited Right that is validly exercised shall be deemed to be the date on which there shall have been delivered the instruments referred to in the first sentence of this paragraph (f).

11. Restricted Stock.

The Committee may award shares of Restricted Stock to any eligible employee or consultant. Each award of Restricted Stock under the Plan shall be evidenced by a written Agreement between the Company and the Grantee, in such form as the Committee shall from time to time approve, which Agreement shall comply with and be subject to the following terms and conditions, unless otherwise specifically provided in such Agreement:

(a) **NUMBER OF SHARES.** Each Agreement shall state the number of shares of Restricted Stock to be subject to an award.

(b) **RESTRICTIONS.** Shares of Restricted Stock may not be sold, assigned, transferred, pledged, hypothecated or otherwise disposed of, except by will or the laws of descent and distribution, for such period as the Committee shall determine from the date on which the award is granted (the Restricted Period). The Committee may also impose such additional or alternative restrictions and conditions on the shares as it deems appropriate including the satisfaction of performance criteria. Such performance criteria may include sales, earnings before interest and taxes, return on investment, earnings per share, any combination of the foregoing or rate of growth of any of the foregoing, as determined by the Committee. Certificates for shares of stock issued pursuant to Restricted Stock awards shall bear an appropriate legend referring to such restrictions, and any attempt to dispose of any such shares of stock in contravention of such restrictions shall be null and void and without effect. During the Restricted Period, such certificates shall be held in escrow by an escrow agent appointed by the Committee. In determining the Restricted Period of an award, the Committee may provide that the foregoing restrictions shall lapse with respect to specified percentages of the awarded shares on successive anniversaries of the date of such award.

(c) **FORFEITURE.** Subject to such exceptions as may be determined by the Committee, if the Grantee's continuous employment or consultant relationship with the Company or any Subsidiary shall terminate for any reason prior to the expiration of the Restricted Period of an award, any shares remaining subject to restrictions (after taking into account the provisions of Subsection (e) of this Section 11) shall thereupon be forfeited by the Grantee and transferred to, and retired by, the Company without cost to the Company or such Subsidiary.

(d) **OWNERSHIP.** During the Restricted Period the Grantee shall possess all incidents of ownership of such shares, subject to Subsection (b) of this Section 11, including the right to receive dividends with respect to such shares and to vote such shares.

(e) **ACCELERATED LAPSE OF RESTRICTIONS.** Upon the occurrence of any of the events specified in Section 13 (and subject to the conditions set forth therein), all restrictions then outstanding on any shares of Restricted Stock awarded under the Plan shall lapse as of the applicable date set forth in Section 13. The Committee shall have the authority (and the Agreement may so provide) to cancel all or any portion of any outstanding restrictions prior to the expiration of the Restricted Period with respect to any or all of the shares of Restricted Stock awarded on such terms and conditions as the Committee shall deem appropriate.

12. *Effect of Certain Changes.*

(a) **ADJUSTMENTS UPON CHANGES IN CAPITALIZATION.** In the event of any extraordinary dividend, stock dividend, recapitalization, merger, consolidation, stock split, warrant or rights issuance, or combination or exchange of such shares, or other similar transactions, the Committee shall equitably adjust (i) the maximum number of Options or shares of Restricted Stock that may be awarded to a Grantee in any calendar year (as provided in Section 5 hereof), (ii) the number of shares of Common Stock available for awards under the Plan, (iii) the number and/or kind of shares covered by outstanding awards and (iv) the price per share of Options or the applicable market value of Stock Appreciation Rights or Limited Rights, in each such case so as to reflect such event and preserve the value of such awards; provided, however, that any fractional shares resulting from such adjustment shall be eliminated.

(b) **CHANGE IN COMMON STOCK.** In the event of a change in the Common Stock of the Company as presently constituted that is limited to a change of all of its authorized shares of Common Stock into the same number of shares with a different par value or without par value, the shares resulting from any such change shall be deemed to be the Common Stock within the meaning of the Plan.

13. *Corporate Transaction; Change in Control; Related Entity Disposition.*

(a) **CORPORATE TRANSACTION.** In the event of a Corporate Transaction, each award which is at the time outstanding under the Plan shall automatically become fully vested and exercisable and, in the case of an award of Restricted Stock, shall be released from any restrictions on transfer and repurchase or forfeiture rights, immediately prior to the specified effective date of such Corporate Transaction. Effective upon the consummation of the Corporate Transaction, all outstanding awards of Options, Stock Appreciation Rights and Limited Rights under the Plan shall terminate. However, all such awards shall not terminate if the awards are, in connection with the Corporate Transaction, assumed by the successor corporation or Parent thereof.

(b) **CHANGE IN CONTROL.** In the event of a Change in Control (other than a Change in Control which is also a Corporate Transaction), each award which is at the time outstanding under the Plan automatically shall become fully vested and exercisable and, in the case of an award of Restricted Stock, shall be released from any restrictions on transfer and repurchase or forfeiture rights, immediately prior to the specified effective date of such Change in Control.

(c) **RELATED ENTITY DISPOSITION.** With respect only to awards granted under the Plan after November 17, 1998, the Continuous Service of each Grantee (who is primarily engaged in service to a Related Entity at the time it is involved in a Related Entity Disposition) shall terminate effective upon the consummation of such Related Entity Disposition, and each outstanding award of such Grantee under the Plan shall become fully vested and exercisable and, in the case of an award of Restricted Stock, shall be released from any restrictions on transfer; provided, however, that no such award shall vest pursuant to this Section 13(c) in connection with a Related Entity Disposition consummated prior to November 17, 2000, if such vesting would defeat the ability to account for such transaction as a pooling under generally accepted accounting principles. The Continuous Service of a Grantee shall not be deemed to terminate (and each outstanding award of such Grantee under the Plan shall not become fully vested and exercisable and, in the case of an award of Restricted Stock, shall not be released from any restrictions on transfer) if (i) a Related Entity Disposition involves the spin-off of a Related Entity, for so long as such Grantee continues to remain in the service of such entity that constituted the Related Entity immediately prior to the consummation of such Related Entity Disposition (SpinCo) in any capacity of officer, employee, director or consultant or (ii) an outstanding award is assumed by the surviving corporation (whether SpinCo or otherwise) or its parent entity in connection with a Related Entity Disposition.

(d) **SUBSTITUTE AWARDS.** The Committee may grant awards under the Plan in substitution of stock-based incentive awards held by employees of another entity who become employees of the Company or any Subsidiary by reason of a merger or consolidation of the employing entity with the Company or any

Subsidiary, or the acquisition by the Company or a Subsidiary of property or equity of the employing entity, upon such terms and conditions as the Committee may determine, and such awards shall not count against the share limitation set forth in Section 5 hereof.

14. Non-Employee Director Options.

The provisions of this Section 14 shall apply only to certain grants of Options to Non-Employee Directors, as provided below. Except as set forth in this Section 14, the other provisions of the Plan shall apply to grants of Options to Non-Employee Directors to the extent not inconsistent with this Section. For purposes of interpreting Section 6 of the Plan, a Non-Employee Director's service as a member of the Board or the board of directors of any Subsidiary shall be deemed to be employment with the Company.

(a) **GENERAL.** Non-Employee Directors shall receive Nonqualified Stock Options in accordance with this Section 14. The Option Price per share of Common Stock purchasable under Options granted to Non-Employee Directors shall be the Fair Market Value of a share on the date of grant. Options granted pursuant to this Section 14 shall be subject to the terms of such section and shall not be subject to discretionary acceleration of exercisability by the Committee. Non-Employee Directors shall receive separate and additional grants hereunder for being a Non-Employee Director of the Company and each Subsidiary.

(b) **INITIAL GRANTS.** On the date of the Initial Public Offering, each Non-Employee Director will be granted automatically, without action by the Committee, an Option to purchase 10,000 shares of Common Stock. The Option Price shall equal the offering price of the Common Stock in connection with the Initial Public Offering.

(c) **SUBSEQUENT GRANTS.** Each person who, after the Initial Public Offering, becomes a Non-Employee Director for the first time, will at the time such director is elected and duly qualified, be granted automatically, without action by the Committee, an Option to purchase 10,000 shares of Class B Common Stock; provided, however, that (i) each person who first becomes a Non-Employee Director of the Company after May 31, 2001 and before October 22, 2001 shall be granted an additional Option to purchase 10,000 shares of Class B Common Stock as of their date of election and qualification (for a total 20,000 shares), (ii) each person who first becomes a Non-Employee Director of a Subsidiary after May 31, 2001 and before October 22, 2001 shall receive an Option to purchase 20,000 shares of Class B Common Stock as of October 22, 2001 (in lieu of an Option for 10,000 shares), and (iii) each person who first becomes a Non-Employee Director on or after October 22, 2001 shall be granted an Option to purchase 20,000 shares of Class B Common Stock as of their date of election and qualification. The Option Price shall equal the Fair Market Value of the Class B Common Stock as of the date of grant.

(d) **ANNUAL GRANTS.** Each Non-Employee Director who was initially elected to the Board prior to the Initial Public Offering shall automatically be granted an Option to purchase 20,000 shares of Class B Common Stock on each anniversary date of the Initial Public Offering. Each Non-Employee Director who was initially elected to the Board or the board of directors of any Subsidiary after the Initial Public Offering shall automatically be granted an Option to purchase 20,000 shares of Class B Common Stock on each anniversary of their election to the Board or the board of directors of such Subsidiary, as applicable. The Options granted under this paragraph shall be granted without action by the Committee. The Option Price shall equal the Fair Market Value of the Class B Common Stock as of the date of grant.

(e) **VESTING.** Each option granted under this Section 14 shall be fully exercisable on the date of grant. Sections 6(f), 6(g) and 6(h) hereof shall not apply to Options granted to Non-Employee Directors.

(f) **DURATION.** Each Option granted to a Non-Employee Director shall expire on the first to occur of (i) the tenth anniversary of the date of grant of the Option, (ii) the first anniversary of the Non-Employee Director's termination of service as a member of the Board or the board of directors of any Subsidiary, as applicable, other than for Cause or (iii) three months following the Non-Employee Director's removal from

the Board or the board of directors of any Subsidiary, as applicable, for Cause. The Committee may not provide for an extended exercise period beyond the periods set forth in this Section 14.

(g) DEFINITION OF CAUSE. For purposes of this Section 14, cause shall mean the termination of service as a member of the Board or the board of directors of any Subsidiary, as applicable, by a Non-Employee Director due to any act of (i) fraud or intentional misrepresentation, or (ii) embezzlement, misappropriation or conversion of assets or opportunities of the Company or any Subsidiary.

15. Period During which Awards May Be Granted.

Awards may be granted pursuant to the Plan from time to time within a period of ten (10) years from February 7, 1996, the date the Plan was initially adopted by the Board.

16. Transferability of Awards.

(a) Incentive Stock Options (and any Stock Appreciation Rights related thereto) may not be sold, pledged, assigned, hypothecated, transferred or disposed of in any manner other than by the laws of descent and distribution and may be exercised, during the lifetime of the Grantee, only by the Grantee or his or her guardian or legal representative.

(b) Nonqualified Stock Options (together with any Stock Appreciation Rights or Limited Rights related thereto) shall be transferable in the manner and to the extent acceptable to the Committee, as evidenced by a writing signed by the Company and the Grantee. Nonqualified Stock Options (together with any Stock Appreciation Rights or Limited Rights related thereto) granted after October 31, 2000 shall be transferable by a Grantee as a gift to the Grantee's family members (as defined in Form S-8) without prior approval of the Committee; provided that written evidence of such assignment is provided to the Committee and the Grantee receives no consideration for the transfer. Notwithstanding the transfer by a Grantee of a Nonqualified Stock Option, the transferred Nonqualified Stock Option shall continue to be subject to the same terms and conditions as were applicable to the Nonqualified Stock Option immediately before the transfer and the Grantee will continue to remain subject to the withholding tax requirements set forth in Section 17 hereof.

(c) The terms of any award granted under the Plan, including the transferability of any such award, shall be binding upon the executors, administrators, heirs and successors of the Grantee.

17. Agreement by Grantee regarding Withholding Taxes.

If the Committee shall so require, as a condition of exercise of an Option, Stock Appreciation Right or Limited Right or the expiration of a Restricted Period (each, a Tax Event), each Grantee shall agree that no later than the date of the Tax Event, the Grantee will pay to the Company or make arrangements satisfactory to the Committee regarding payment of any federal, state or local taxes of any kind required by law to be withheld upon the Tax Event. Alternatively, the Committee may provide that a Grantee may elect, to the extent permitted or required by law, to have the Company deduct federal, state and local taxes of any kind required by law to be withheld upon the Tax Event from any payment of any kind due to the Grantee. The withholding obligation may be satisfied by the withholding or delivery of Common Stock.

18. Rights as a Stockholder.

Except as provided in Section 11(d) hereof, a Grantee or a transferee of an award shall have no rights as a stockholder with respect to any shares covered by the award until the date of the issuance of a stock certificate to him or her for such shares. No adjustment shall be made for dividends (ordinary or extraordinary, whether in cash, securities or other property) or distribution of other rights for which the record date is prior to the date such stock certificate is issued, except as provided in Section 12(a) hereof.

19. No Rights to Employment; Forfeiture of Option Gains.

Nothing in the Plan or in any award granted or Agreement entered into pursuant hereto shall confer upon any Grantee the right to continue in the employ of, or in a consultant relationship with, the Company or any Subsidiary or to be entitled to any remuneration or benefits not set forth in the Plan or such Agreement or to interfere with or limit in any way the right of the Company or any such Subsidiary to terminate such Grantee's employment. Awards granted under the Plan shall not be affected by any change in duties or position of a Grantee as long as such Grantee continues to be employed by, or in a consultant relationship with, the Company or any Subsidiary. The Agreement for any award under the Plan may require the Grantee to pay to the Company any financial gain realized from the prior exercise or vesting of the award in the event that the Grantee engages in conduct that violates any non-compete, non-solicitation or non-disclosure obligation of the Grantee under any agreement with the Company or any Subsidiary, including, without limitation, any such obligations provided in the Agreement.

20. Beneficiary.

A Grantee may file with the Committee a written designation of a beneficiary on such form as may be prescribed by the Committee and may, from time to time, amend or revoke such designation. If no designated beneficiary survives the Grantee, the executor or administrator of the Grantee's estate shall be deemed to be the Grantee's beneficiary.

21. Stockholder Approval; Amendment and Termination of the Plan.

(a) STOCKHOLDER APPROVAL. The Plan initially became effective when adopted by the Board on February 7, 1996 and shall terminate on the tenth anniversary of such date. The Plan was ratified by the Company's stockholders on February 27, 1997. In December 1997, the Board submitted to the Company's stockholders for approval an amendment authorizing an additional 1,000,000 shares of Common Stock for awards under the Plan, making a total of 3,300,000 shares of Common Stock authorized for awards. On September 28, 1998, the Board authorized an additional 1,000,000 shares of Common Stock for awards under the Plan, on November 20, 1998, the Board approved the Plan, as amended and restated herein, and on November 23, 1998 the Executive Committee approved the further increase of 500,000 shares of Common Stock, bringing the total number of shares authorized for issuance under the Plan to 4,800,000 shares of Common Stock. The Company's stockholders approved the September and November 1998 increases in December 1998 and an additional increase of 1,500,000 shares of Common Stock in December 1999. On May 24, 2000, the Board authorized 300,000 shares of the Company's Class B Common Stock for awards under the Plan, and on September 12, 2000, the Board authorized an additional 3,000,000 shares of the Company's Class B Common Stock for awards under the Plan; each of these increases was approved by the Company's stockholders on December 13, 2001. On or about September 18, 2002, the Board authorized an additional 3,000,000 shares of the Company's Class B Common Stock for awards under the Plan, subject to stockholder approval.

(b) AMENDMENT AND TERMINATION OF THE PLAN. The Board at any time and from time to time may suspend, terminate, modify or amend the Plan; however, unless otherwise determined by the Board, an amendment that requires stockholder approval in order for the Plan to continue to comply with any law, regulation or stock exchange (or Nasdaq) requirement shall not be effective unless approved by the requisite vote of stockholders. Except as provided in Section 12(a) hereof, no suspension, termination, modification or amendment of the Plan may adversely affect any award previously granted, unless the written consent of the Grantee is obtained. The amendment of Section 6(g) (extending the post-termination exercise period of Options from thirty (30) days to three (3) months) and the addition of Section 13(c) in respect of Related Entity Dispositions shall apply prospectively only to Options granted after November 17, 1998, the date that the Plan, as amended and restated herein, was adopted by the Board.

22. Governing Law.

The Plan and all determinations made and actions taken pursuant hereto shall be governed by the laws of the State of Delaware.

NOW, THEREFORE, the parties hereby agree as follows:

1. *Definitions.* Capitalized terms are defined herein.
2. *Grant of Options.* The Employee is hereby granted stock options (the Options) to purchase an aggregate of _____ shares of Stock, pursuant to the terms of this Agreement.
3. *Term.* The term of the Options (the Option Term) shall be for ten (10) years commencing on _____, _____ and terminating on _____.
4. *Option Price.* The initial exercise price per share of the Options shall be \$ _____, subject to adjustment as provided herein.
5. *Conditions to Exercisability.* The Options shall vest and become exercisable on _____, _____ if the Employee continues to be employed by or acts as a Consultant to or a Director of the Company or any of its subsidiaries on such date.
6. *Method of Exercise.* An Option may be exercised, as to any or all full shares of the Stock as to which the Option has become exercisable, by written notice delivered in person or by mail to the Company's transfer agent or other administrator designated by the Company, specifying the number of shares of Stock with respect to which the Option is being exercised.
7. *Medium and Time of Payment.* The Option Price shall be paid in full, at the time of exercise, in cash or in shares of Stock (whether then owned by the Employee or issuable upon exercise of the Option) having a Fair Market Value equal to such Option Price or in a combination of cash and Stock, including a cashless exercise procedure through a broker-dealer.
8. *Termination.* Except as provided in this Section 8 and in Section 9 hereof, an Option may not be exercised unless the Employee is then in the employ of or maintaining a director or consultant relationship with the Company or a Subsidiary thereof (or a company or a Parent or Subsidiary of such company issuing or assuming the Option in a transaction to which Section 424(a) of the Code applies), and unless the Employee has remained continuously so employed or in the director or consultant relationship since the date of grant of the Option. In the event that the employment or consultant relationship of a Employee shall terminate (other than by reason of death, Disability or Retirement), all Options of such Employee that are exercisable at the time of Employee's termination may, unless earlier terminated in accordance with their terms, be exercised within three (3) months after the date of such termination (or such different period as the Compensation Committee of the Company (the Committee) shall prescribe).

9. *Death, Disability or Retirement of Employee.* If the Employee shall die while employed by, or maintaining a director or consultant relationship with, the Company or a Subsidiary thereof, or within thirty (30) days after the date of termination of such Employee's employment, director or consultant relationship (or within such different period as the Committee may have provided pursuant to Section 8 hereof), or if the Employee's employment, director or consultant relationship shall terminate by reason of Disability, all Options theretofore granted to the Employee (to the extent otherwise exercisable) may, unless earlier terminated in accordance with their terms, be exercised by the Employee or by the Employee's estate or by a person who acquired the right to exercise such Options by bequest or inheritance or otherwise by result of death or Disability of the Employee, at any time within 180 days after the death or Disability of the Employee (or such different period as the Committee shall prescribe). In the event that an Option granted hereunder shall be exercised by the legal representatives of a deceased or former Employee, written notice of such exercise shall be accompanied by a certified copy of letters testamentary or equivalent proof of the right of such legal representative to exercise such Option. In the event that the employment or consultant relationship of a Employee shall terminate on account of such Employee's Retirement, all Options of the Employee that are exercisable at the time of such Retirement may, unless earlier terminated in accordance with their terms, be exercised at any time within one hundred eighty (180) days after the date of such Retirement (or such different period as the Committee shall prescribe).

10. *Withholding Taxes.* No later than the date of exercise of an Option, the Employee will pay to the Company or make arrangements satisfactory to the Company regarding payment of any federal, state or local taxes of any kind required by law to be withheld upon the exercise of an Option. Alternatively, solely to the extent permitted or required by law, the Company may deduct the amount of any federal, state or local taxes of any kind required by law to be withheld upon the exercise of an Option from any payment of any kind due to the Employee. The withholding obligation may be satisfied by the withholding or delivery of the Stock.

11. *Terms Incorporated by Reference Herein.* Each of the terms of the Company's 1996 Stock Option and Incentive Plan, as Amended and Restated (Plan), as in effect as of the date hereof, shall be deemed to govern the Options granted hereunder, as if the Options had been granted pursuant to the Plan. To the extent that there is any inconsistency between this Agreement and the terms of the Plan, the terms of this Agreement shall govern.

12. *Transferability of Options.* Stock Options may not be sold, pledged, assigned, hypothecated, transferred or disposed of in any manner other than to an immediate family member of Employee or to a trust or other estate planning entity created for the benefit of the Employee or one or more members of his immediate family as provided for under the Plan, provided that, in all cases, such transferee executes a written consent to be bound by the terms of this Agreement.

13. *Entire Agreement.* This Agreement contains all of the understandings between the parties hereto pertaining to the matters referred to herein, and supersedes all undertakings and agreements, whether oral or in writing, previously entered into by them with respect thereto. The Employee represents that, in executing this Agreement, he does not rely and has not relied upon any representation or statement not set forth herein made by the Company with regard to the subject matter of this Agreement or otherwise.

14. *Amendment or Modification, Waiver.* No provision of this Agreement may be amended or waived unless such amendment or waiver is agreed to in writing, signed by the Employee and by a duly authorized officer of the Company. No waiver by any party hereto of any breach by another party hereto of any condition or provision of this Agreement to be performed by such other party shall be deemed a waiver of a similar or dissimilar condition or provision at the same time, any prior time or any subsequent time.
