PROXY STATEMENT

VOTING AND OTHER MATTERS

General

The enclosed proxy is solicited on behalf of Comstock Homebuilding Companies, Inc., a Delaware corporation, by our Board of Directors for use at our Annual Meeting of Stockholders to be held on Thursday, June 1, 2006 at 9:00 a.m., or at any adjournment thereof, for the purposes set forth in this proxy statement and in the accompanying meeting notice. The meeting will be held at the Comstock Sales Center, 1980 Isaac Newton Square, Reston, Virginia.

These proxy solicitation materials were first mailed on or about April 14, 2006 to all stockholders entitled to vote at the meeting.

Voting Securities and Voting Rights

Stockholders of record at the close of business on April 7, 2006, which we have set as the record date, are entitled to notice of and to vote at the meeting. On the record date, there were issued and outstanding 11,261,707 shares of our Class A common stock and 2,733,500 shares of our Class B common stock. Each holder of Class A common stock voting at the meeting, either in person or by proxy, may cast one vote per share of Class A common stock held on all matters to be voted on at the meeting. Each holder of Class B common stock voting at the meeting, either in person or by proxy, may cast 15 votes per share of Class B common stock held on all matters to be voted on at the meeting.

The meeting will be held only if there is a quorum present. A quorum exists only if the holders of a majority of the voting power of the stock outstanding are represented at the meeting. Votes cast by proxy or in person at the meeting will be tabulated by the inspector of elections appointed for the meeting and will determine whether a quorum is present. The inspector of elections will treat abstentions and broker non-votes as shares that are present and entitled to vote for purposes of determining the presence of a quorum.

At this years meeting, stockholders will (i) elect three directors who will each serve a term of three years or until they resign or are removed and (ii) vote on the ratification of PricewaterhouseCoopers LLP as the independent registered public accounting firm of the Company for the fiscal year ending December 31, 2006. In voting on the election of directors, you may vote in favor of all nominees, withhold authority for all nominees, or withhold votes as to specific nominees. In the election of directors, broker non-votes will be disregarded and have no effect on the outcome of the vote. Assuming that a quorum is present, a plurality of affirmative votes properly cast in person or by proxy will be required to elect directors. In voting on the ratification of PricewaterhouseCoopers LLP, you may vote in favor of the proposal, vote against the proposal or abstain from voting. A majority of affirmative votes properly cast in person or by proxy will be required to ratify the appointment of PricewaterhouseCoopers LLP. With respect to the ratification of the appointment of PricewaterhouseCoopers LLP, abstentions from voting will have the same

effect as a vote against such matter and broker non-votes will be disregarded and have no effect on the outcome of the vote.

Voting of Proxies

When a proxy is properly executed and returned, the shares it represents will be voted at the meeting as directed. If no specification is indicated, the shares will be voted (1) for the election of the nominees set forth in this proxy statement, and (2) for the ratification of the appointment of PricewaterhouseCoopers LLP as the independent registered public accounting firm of our Company for the fiscal year ending December 31, 2006.

Any person giving a proxy may revoke the proxy at any time before its use by delivering to the General Counsel and Secretary of the Company either a written notice of revocation or a duly executed proxy bearing a later date or by attending the meeting and voting in person. Attendance at the meeting will not in itself constitute revocation of your proxy.

The Board of Directors recommends a vote **for** each of the nominees for director and **for** ratification of PricewaterhouseCoopers LLP as the Company's independent registered public accounting firm of our Company for the fiscal year ending December 31, 2006.

Solicitation

We will pay for this solicitation. In addition, we may reimburse brokerage firms and other persons representing beneficial owners of shares for expenses incurred in forwarding solicitation materials to such beneficial owners. Proxies also may be solicited by certain of our directors and officers, personally or by telephone or e-mail, without additional compensation.

Annual Report and Other Matters

Our 2005 Annual Report to Stockholders, which was mailed to stockholders with or preceding this proxy statement, contains financial and other information about our Company, but is not incorporated into this proxy statement and is not to be considered a part of these proxy soliciting materials or subject to Regulations 14A or 14C or to the liabilities of Section 18 of the Securities Exchange Act of 1934, as amended. The information contained in the Compensation Committee Report on Executive Compensation, Report of the Audit Committee, and Performance Graph below shall not be deemed filed with the Securities and Exchange Commission, or the SEC, or subject to Regulations 14A or 14C or to the liabilities of Section 18 of the Exchange Act.

We will provide, without charge, additional copies of our annual report on Form 10-K for the year ended December 31, 2005 as filed with the Securities Exchange Commission (the SEC) to each stockholder of record as of the record date that requests a copy in writing. Any exhibits listed in the Form 10-K report also will be furnished upon request at the actual expense we incur in furnishing such exhibit. Any such requests should be directed to our Company's secretary at our executive offices set forth in this proxy statement.

ELECTION OF DIRECTORS

Nominees

Our certificate of incorporation and bylaws provide that the number of our directors shall be fixed from time to time by resolution of our Board of Directors. Presently, the number of directors is fixed at eight and that number of directors is divided into three classes, with one class standing for election each year for a three-year term. At each

annual meeting of stockholders, directors of a particular class will be elected for three-year terms to succeed the directors of that class whose terms are expiring.

Information Relating to Corporation Governance and the Board of Directors

Our Board of Directors has determined, after considering all the relevant facts and circumstances, that each of Messrs. Chirite, Guernsey, MacCutcheon, Perfall, Pincus and Verses are independent directors, as independence is defined under the listing standards of the Nasdaq Stock Market.

Our bylaws authorize our Board of Directors to appoint among its members one or more committees, each consisting of one or more directors. Our Board of Directors has established two standing committees: an Audit Committee and a Compensation Committee. The Board of Directors does not have a standing nominating committee. It is the Board of Directors' view, given its relatively small size and majority of independent directors, that it is sufficient to select or recommend director nominees itself. Each director has the opportunity to suggest any nominee and such suggestions are comprehensively reviewed by the independent directors. Director nominees are recommended for selection by the Board of Directors by a majority of the independent directors. The Board of Directors does not have a charter for the Company's nominating process. However, the qualities and skills sought in prospective members of the Board of Directors generally require that director candidates be qualified individuals who, if added to the Board of Directors, would provide the mix of director characteristics, experience, perspectives and skills appropriate for the Company. Criteria for selection of candidates include, but are not limited to: (i) business and financial acumen, as determined by the independent directors in their discretion, (ii) qualities reflecting a proven record of accomplishment and ability to work with others, (iii) knowledge of the Company's industry, (iv) relevant experience and knowledge of corporate governance practices, and (v) expertise in an area relevant to the Company. Such persons should not have commitments that would conflict with the time commitments of a director of the Company.

The Board of Directors does not have a specific policy for consideration of nominees recommended by security holders due to the fact that most of the voting control of the Company is held by two individuals. However, security holders can recommend a prospective nominee for the Board of Directors by writing to our corporate secretary at the Company's corporate headquarters and providing the information required by our bylaws, along with any additional supporting materials the security holder considers appropriate. There have been no recommended nominees from security holders. The Company pays no fees to third parties for evaluating or identifying potential nominees.

Our Board of Directors has adopted charters for the Audit and Compensation Committees describing the authority and responsibilities delegated to each committee by the Board of Directors. Our Board of Directors has also adopted Corporate Governance Guidelines, a Code of Conduct, a Code of Ethics for the CEO and Senior Financial Officers, and a Whistleblower Policy. We post on our website, at www.comstockhomebuilding.com, the charters of our Audit and Compensation Committees; our Corporate Governance Guidelines, Code of Conduct, Code of Ethics for the CEO and Senior Financial Officers, and Whistleblower Policy, and any amendments or waivers thereto; and any other corporate governance materials contemplated by SEC or Nasdaq National Market regulations. These documents are also available in print to any stockholder requesting a copy in writing from our corporate secretary at our executive offices set forth in this proxy statement. A copy of the Audit Committee charter was included as Appendix A to our

proxy statement for the 2005 Annual Meeting of Stockholders.

Interested parties may communicate with our Board of Directors or specific members of our Board of Directors, including our independent directors and the members of our various board committees, by submitting a

letter addressed to the Board of Directors of Comstock Homebuilding Companies, Inc. c/o any specified individual director or directors at the address listed herein. Any such letters are then forwarded to the indicated directors.

The Audit Committee

The purpose of the Audit Committee is to oversee the accounting and financial reporting processes of our Company and the audits of the financial statements of our Company. The Audit Committee also provides assistance to our Board of Directors with respect to its oversight of the integrity of the financial statements of our Company, our Company's compliance with legal and regulatory requirements, the qualifications and independence of the Company's independent registered public accounting firm, and the performance of our Company's audit function, internally, if any, and by the Company's independent registered public accounting firm. The primary responsibilities of the Audit Committee are set forth in its charter and include various matters with respect to the oversight of our Company's accounting and financial reporting processes and audits of the financial statements of our Company on behalf of our Board of Directors. The Audit Committee also selects the independent registered public accounting firm to conduct the annual audit of the financial statements of our Company; reviews the proposed scope of such audit; reviews accounting and financial controls of our Company with the independent registered public accounting firm and our financial accounting staff; and reviews and approves transactions between us and our directors, officers, and their affiliates.

The Audit Committee currently consists of Messrs. MacCutcheon, Perfall and Pincus, each of whom is an independent director of our Company under the Nasdaq rules as well as under rules adopted by the SEC pursuant to the Sarbanes-Oxley Act of 2002. The Board of Directors has determined that Mr. Perfall (whose background is detailed above) qualifies as an Audit Committee financial expert in accordance with applicable rules and regulations of the SEC. Mr. Perfall serves as the Chairman of the Audit Committee.

The Compensation Committee

The purpose of the Compensation Committee includes determining, or recommending to our Board of Directors for determination, the compensation of the Chief Executive Officer and other executive officers of our Company, discharging the responsibilities of our Board of Directors relating to our Company's compensation programs and compensation of our Company's executives, and to produce an annual report on executive compensation for inclusion in our Company's annual proxy statement in accordance with applicable rules and regulations of Nasdaq, the SEC, and other regulatory bodies. The Compensation Committee currently consists of Messrs. Chirite, Guernsey, and Verses. For the fiscal year ended December 31, 2005 through February 28, 2006 upon his resignation from the Board of Directors, Gary Martin served as Chairman and a member of the Compensation Committee. Upon the resignation of Mr. Martin in February 2006, Mr. Chirite was nominated and appointed by the independent members of the Board of Directors to the Board of Directors, was appointed to the Compensation Committee to fill the vacancy created by Mr. Martin's resignation. Currently, Mr. Verses serves as Chairman of the Compensation Committee.

Board and Committee Meetings

Our Board of Directors held a total of seven meetings during the fiscal year ended December 31, 2005. During the fiscal year ended December 31, 2005, the Audit Committee held six meetings and the Compensation Committee held two meetings. No director attended fewer than 75% of the aggregate of (i) the total number of meetings of our Board of Directors, and (ii) the total number of meetings held by all Committees of our Board of Directors on which he was a member. We encourage each of our directors to attend the annual meeting of stockholders.

Option Grants

The following table sets forth information concerning the stock option grant made to the named executive officers in the fiscal year ended December 31, 2005. The exercise price per share for the options was equal to the fair market value of the Class A common stock as of the grant date. Potential realizable value is calculated net of exercise prices and before taxes based on the assumption that our common stock appreciates at the annual rate shown, compounded annually, from the date of grant until the expiration of the option term. The potential realizable value is calculated based on the requirements of the SEC and does not reflect our estimate of future stock price growth. Actual gains, if any, on stock option exercises will depend on the future performance of our common stock and the date on which the options are exercised. The options granted to each of Messrs. Clemente, Benson, Labovitz and Bensten in 2005 vest in four semi-annual equal installments, beginning on December 31, 2006, as long as each recipient continues to serve as one of our employees.

As a result of our consolidation in connection with our initial public offering, the lender was entitled to a premium of up to 10% of the outstanding principal balance. This note was paid in full in June 2005.

On October 1, 2004, we entered into a lease agreement with Comstock Asset Management, L.C., an entity owned by Christopher Clemente, for 20,609 square feet for our corporate headquarters. In February 2005, the Company received payment in full on this note. In March 2005 all other members assigned their membership rights to Gregory Benson giving him 100% ownership of Investors Management.

Christopher Clemente's mother-in-law, Janice Schar, and Gary Martin, a former director who resigned effective February 28, 2006, each invested \$100,000 as minority shareholders in one of our subsidiaries, and Judah and Deborah Labovitz, the parents of Bruce Labovitz, loaned approximately \$300,000 to another of our subsidiaries. During the first quarter 2005, the Company repurchased the minority interests of Janice Schar and Gary Martin for an approximate purchase price of \$136,000. In March 2005, the Company sold four condominium units to Belmont Models I, L.C. under a sale and leaseback arrangement. The four condominium units were delivered for a total purchase price of \$2 million and leased back at a rate of \$20,000 per month. The Company expects the lease to continue for a period of twenty-four months. As a result of the deliveries, the promissory note was reduced by the total purchase price. At December 31, 2005 the Company owed \$663,000 under this note. Accrued interest payable on this note totaled \$6,000

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee is composed exclusively of independent directors. The Committee reviews the compensation program for the Chief Executive Officer and other members of senior management, including the named executive officers, and determines and administers their compensation. In the case of the Chief Executive Officer, the compensation determination made by the Committee is also subject to approval by the entire Board of Directors. The Committee also oversees the administration of employee benefits and benefit plans for the Company.

Compensation Philosophy and Objectives

The Committee's philosophy is to provide a compensation package that attracts and retains executive talent and delivers higher rewards for superior performance and consequences for underperformance. It is also the Committee's intention to provide a balanced mix of cash and equity-based compensation that the Committee believes is appropriate to align the short- and long-term interests of the Company's executives with that of its stockholders and to encourage executives to act as equity owners of the Company.

The Committee seeks to attract and retain executive talent by offering competitive base salaries, annual performance incentive opportunities, and the potential for long-term rewards under the Company's Long-Term Incentive Compensation Plan, which has been approved by the Company's stockholders. It is the Committee's intention to provide incentives that promote both the short- and long-term financial objectives of the Company. Achievement of short-term objectives is rewarded through base salary and annual performance incentives, while long-term equity-based incentive grants encourage executives to focus on the Company's long-term goals as well. These incentives are based on financial objectives of importance to the Company, including revenue and earnings growth, return on invested capital, and profitability. The Company's compensation program also accounts for individual performance, which enables the Committee to differentiate among executives and emphasize the link between personal performance and compensation.

The long-term incentive component of the Company's compensation program may consist of grants of bonus stock awards, time-vested restricted stock, stock options or stock appreciation rights, among other equity-linked vehicles. These components reflect the Committee's philosophy that long-term incentive compensation serves three purposes: to align the interests of executives with those of the Company's stockholders (through stock options or stock appreciation rights), to promote the Company's long-term performance goals (through performance-based awards), and to further executive retention (through time-vested restricted stock grants).

Compensation in 2005

The following generally describes how the Company's executive officers and, in particular, the named executive officers, were paid in 2005. Please see the tables under "Summary Compensation Table" on page 6 for a detailed presentation of the compensation earned by the named executive officers in 2005. The specifics of the Chief Executive

Officers' compensation are addressed separately in this report.

Base Salaries

Base salaries are viewed as compensation for an executive's ongoing contribution to the performance of the Company in the area or areas for which he or she is responsible. Executive base salaries are targeted to be competitive with average base salaries paid to executives with comparable responsibilities at other companies in the home building sector. Individual salaries are reviewed annually and salary increases are based on the Company's overall performance and the executive's attainment of individual objectives during the preceding year.

Annual Incentive Awards

Annual incentive awards are paid in cash and are intended to reward executives for improved short-term performance as measured against specific performance criteria relative to both the area or areas for which he or she is responsible and the overall performance of the Company. Applicable performance criteria are established by the Company at the beginning of the fiscal year and include performance in pre-tax profit, pre-tax return on investment, lot deliveries, community count, controlled land inventory and other performance benchmarks specific to the executive's business. The Board considered the Company's strong financial position at the end of the fiscal year, including approximately \$42 million of cash, stockholders' equity of approximately \$145 million and net profit of approximately \$27.5 million. Additionally, the Company increased total revenues approximately 135% to \$224.3 million. Based on these quantitative results and specific performance criteria for each executive, annual incentive awards were awarded to the named executive officers as set forth in the table entitled "Summary Compensation Table" on page 6.

Long-Term Incentive Compensation

Long-term incentive compensation is generally awarded in the form of grants of stock options and restricted stock under the Company's Long-Term Incentive Compensation Plan. Stock options are granted at the market price of the Company's stock at the date of grant, and provide compensation to the optionee only to the extent the market price of the stock increases between the date of grant and the date the option is exercised. In general, grants of the Company's restricted stock have vesting periods ranging from one to four years. Furthermore, such grants are subject to certain restrictions.

By providing executives with an ownership stake in the Company, grants of stock options and restricted stock are intended to align executive interests with stockholder interests and to motivate executives to continually improve the long-term performance of the Company. As shown in the table entitled "Option Grants in Last Fiscal Year" on page 9, a stock option grant was made in 2005 to four of the named executive officers. Use of restricted stock as a part of the annual grant process is intended to encourage direct share ownership by executives and to provide an additional retention incentive for members of the executive team. The named executive officers' options and restricted stock grants are reflected in the table entitled "Summary Compensation Table" on page 6.

Compensation of Chief Executive Officer in 2005

Mr. Clemente's compensation is largely driven by cash and stock-based incentives that are directly tied to the Company's financial performance. Mr. Clemente entered into an employment agreement with the Company in 2004 for a term of five years. The employment agreement provides that the Board of Directors may, in its discretion, increase Mr. Clemente's base salary from time to time, above his minimum salary of \$550,000. In 2005, Mr. Clemente's base salary was \$550,000. For 2005, Mr. Clemente received an annual incentive award or cash bonus of \$700,000.

Under his employment agreement, Mr. Clemente is also eligible to participate in the Company's 2004 Long-Term Incentive Compensation Plan and other similar executive compensation plans adopted from time to time. The

Committee employs generally the same criteria for grants of stock options and restricted stock as apply to other executive officers, taking into consideration the Chief Executive Officer's responsibility for the total enterprise as well as Mr. Clemente's individual performance. In 2005, Mr. Clemente received a discretionary grant of 41,096 options to purchase shares of the Company's Class A common stock, in connection with his performance in successfully closing a follow-on offering of the Company's shares.

Section 162(m) of the Internal Revenue Code

Section 162(m) of the Internal Revenue Code generally disallows a tax deduction to public companies for compensation over \$1,000,000 paid for any fiscal year to the Company's Chief Executive Officer and the named executive officers. The Company intends to attempt to qualify executive compensation for deductibility under applicable tax laws to the fullest extent practicable. The Committee will not, however, necessarily seek to limit executive compensation to the amount deductible under Section 162(m).

The Committee's Conclusion

The Committee has reviewed all components of the Company's Chief Executive Officer's and other named executive officers' compensation, including salary, bonus, equity and long-term incentive compensation, the dollar value to the executive and the cost to the Company of all other personal benefits. The Committee believes that the total compensation program for the Company's Chief Executive Officer and named executive officers is consistent with the overall compensation philosophy of the Company, is appropriately positioned vis-à-vis their peers, and reflects the Committee's subjective assessment of their performance as Chief Executive Officer and executive officers, respectively.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

During the fiscal year ended December 31, 2005, our Compensation Committee consisted of Messrs. Guernsey, Verses and Martin. Mr. Martin resigned from the Board of Directors, effective February 28, 2006. None of these individuals had any contractual or other relationships with us during the fiscal year except as directors.

REPORT OF THE AUDIT COMMITTEE

The purpose of the Audit Committee is to assist the oversight of our Board of Directors in the integrity of the financial statements of our Company, our Company's compliance with legal and regulatory matters, the independent registered public accounting firm's qualifications and independence, and the performance of our Company's audit, both internally and by the Company's independent registered public accounting firm. The primary responsibilities of the Committee include overseeing our Company's accounting and financial reporting processes and audits of the financial statements of our Company. Management has the primary responsibility for the financial statements and the reporting process, including the systems of internal controls.

In fulfilling its oversight responsibilities, the Committee reviewed with management the audited financial statements contained in the Company's Annual Report on Form 10-K for the year ended December 31, 2005. The review included a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements.

The Company's independent registered public accounting firm is responsible for expressing an opinion on the conformity of the audited financial statements with generally accepted accounting principles. The Committee reviewed with PricewaterhouseCoopers LLP, the Company's independent registered public accounting firm, PricewaterhouseCoopers LLP's judgment as to the quality, not just the acceptability, of the Company's accounting principles. The Committee discussed with PricewaterhouseCoopers LLP the results of the annual audit and any other matters required to be communicated to the Committee by the independent registered public accounting firm under generally accepted auditing standards, applicable law, or listing standards, including matters required to be discussed by Statement on Auditing Standard No. 61 (Communication with Audit Committees), as amended by Statement on Auditing Standard No. 90. In addition, the Committee received from PricewaterhouseCoopers LLP written disclosures and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees). The Committee discussed with the independent registered public accounting firm the firm's independence from management and our Company, including the matters covered by the written disclosures and letter provided by PricewaterhouseCoopers LLP. The Committee also considered whether the provision of non-audit services by PricewaterhouseCoopers LLP is compatible with maintaining the registered public accounting firm's independence.

The Committee discussed with the independent registered public accounting firm the overall scope and plans for their respective audits. The Committee met with the independent registered public accounting firm, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal control over financial reporting, and the overall quality of the Company's financial reporting.

Based on the reviews and discussions referred to above, the Committee recommended to the Board of Directors that the audited financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2005 for filing with the Securities and Exchange Commission. The Committee also appointed PricewaterhouseCoopers LLP as the Company's independent registered public accounting firm for 2006, subject to stockholder ratification.

PERFORMANCE GRAPH

The following line graph compares cumulative total stockholder returns for the period from December 14, 2004, the date of our initial public offering, through December 31, 2005 for (1) our Class A common stock; (2) the Nasdaq Stock Market (U.S.) Index; and (3) the Standard & Poor's Homebuilding Index. The graph assumes an investment of \$100 on December 14, 2004, which was the first day on which our stock was listed on the Nasdaq National Market. The calculations of cumulative stockholder return on the Nasdaq Stock Market (U.S.) Index and Standard & Poor's Homebuilding Index include reinvestment of dividends, but the calculation of cumulative stockholder return on our Class A common stock does not include reinvestment of dividends because we did not pay dividends during the measurement period. The performance shown is not necessarily indicative of future performance.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our directors, officers, and persons that own more than 10% of a registered class of our Company's equity securities to file reports of ownership and changes in ownership with the SEC. Officers, directors, and greater than 10% stockholders are required by SEC regulations to furnish our Company with copies of all Section 16(a) forms they file. Based solely upon our review of the copies of such forms received by us during the fiscal year ended December 31, 2005, and written representations that no other reports were required, we believe that each person who, at any time during such fiscal year, was a director, officer, or beneficial owner of more than 10% of our common stock complied with all Section 16(a) filing requirements during such fiscal year, except that Form 4s for each of Messrs. RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The firm of PricewaterhouseCoopers LLP, an independent registered public accounting firm, has audited the consolidated financial statements of our Company for the fiscal year ended December 31, 2005. Our Audit Committee has appointed PricewaterhouseCoopers LLP to audit the consolidated financial statements of our Company for the fiscal year ending December 31, 2006. Our organizational documents do not require that our stockholders ratify the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm. We are submitting the appointment of PricewaterhouseCoopers LLP to our stockholders for ratification because we believe it is a matter of good corporate practice. In the event of a negative vote on such ratification, the Audit Committee will reconsider its selection, but may still retain PricewaterhouseCoopers LLP. We anticipate that representatives of PricewaterhouseCoopers LLP will be present at the meeting, will have the opportunity to make a statement if they desire, and will be available to respond to appropriate questions.

The Board of Directors recommends a vote **for** the ratification of the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for the fiscal year ended December 31, 2006.

The charter of our Audit Committee provides that the duties and responsibilities of our Audit Committee include the pre-approval of all audit, audit-related, tax, and other services permitted by law or applicable SEC regulations (including fee and cost ranges) to be performed by our independent registered public accounting firm. Any pre-approved services that will involve fees or costs exceeding pre-approved levels will also require specific pre-approval by the Audit Committee. Unless otherwise specified by the Audit Committee in pre-approving a service, the pre-approval will be effective for the 12-month period following pre-approval. The Audit Committee will not approve any non-audit services prohibited by applicable SEC regulations or any services in connection with a transaction initially recommended by the independent registered public accounting firm, the purpose of which may be tax avoidance and the tax treatment of which may not be supported by the Internal Revenue Code and related regulations.

To the extent deemed appropriate, the Audit Committee may delegate pre-approval authority to the Chairman of the Audit Committee or any one or more other members of the Audit Committee provided that any member of the Audit Committee who has exercised any such delegation must report any such pre-approval decision to the Audit Committee at its next scheduled meeting. The Audit Committee will not delegate to management the pre-approval of services to be performed by the independent registered public accounting firm.

Our Audit Committee requires that our independent registered public accounting firm, in conjunction with our Chief Financial Officer, be responsible for seeking pre-approval for providing services to us and that any request for pre-approval must inform the Audit Committee about each service to be provided and must provide detail as to the particular service to be provided.
