INDEPENDENT AUDITORS' REPORT

To the Participants and Plan Committee of
Affiliated Computer Services, Inc. Savings Plan

We have audited the accompanying statements of net assets available for benefits of Affiliated Computer Services, Inc. Savings Plan ("Plan") as of December 31, 2000 and 1999, and the related statement of changes in net assets available for benefits for the year ended December 31, 2000. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on the financial statements based on our audit.

Except as discussed in the following paragraph, we conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 6, which was certified by Connecticut General Life Insurance Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the plan administrator that the trustee holds the plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the

Edgar Filing: AFFILIATED COMPUTER SERVICES INC - Form 11-K

year ended December 31, 2000 that the information provided to the plan administrator by the trustee is complete and accurate.

In our opinion, except for the effects of such adjustments, if any, as might have been determined to be necessary had we performed procedures with respect to the information summarized in Note 6, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the plan as of December 31, 2000 and 1999, and the changes in net assets available for benefits for the year ended December 31, 2000 in conformity with generally accepted accounting principles.

Affiliated Computer Services, Inc. Savings Plan
Page two

Our audit of the Plan's financial statements was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedule on page 11 is presented for the purpose of additional analysis and is not a required part of the basic financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

The supplemental schedule has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, except for the effects on the Schedules of Assets Held For Investment Purposes of such adjustments, if any, as might have been determined to be necessary had we performed procedures with respect to the information summarized in Note 6 as described in the second preceding paragraph, are fairly stated in all material respects in relation to the basic financial statements taken as a whole.

NOTE 1. PLAN DESCRIPTION (CONTINUED) ALLOCATION

Each participant's account is credited with the participants' and the Companies' matching contributions and allocated monthly to each participant's account. Investment income or loss is allocated daily based on the ratio of each participant's account balance at the end of each day.

Three to four years	100%

PARTICIPANT NOTES RECEIVABLE

Participants may borrow from their fund accounts a minimum of \$1,000 or up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance. Loan transactions are treated as a transfer to (from) the investment fund and from (to) the Participant Notes fund. NOTE 1. PLAN DESCRIPTION (CONTINUED)
FORFEITURES

Forfeitures are first used to reinstate previously forfeited account balances of rehired former participants and any remaining forfeitures serve to reduce the employer contributions. NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

This summary of significant accounting policies of the Plan is presented to assist in understanding the financial statements. The financial statements and notes are representations of the Plan's administrator, who is responsible for their integrity and objectivity. The accounting policies conform to generally accepted accounting principles and have been consistently applied in the preparation of the financial statements.

ESTIMATES

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures, such as fair value. Accordingly, actual results may differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

CIGNA Retirement & Investment Services holds the Plan's investments. The fair value per unit/share is stated at quoted market prices. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis.

The Plan presents, in the statement of changes in net assets available for benefits, the net appreciation (depreciation) in the fair value of its investments which consists of the realized gains or losses and the unrealized appreciation (depreciation) on those investments.

PAYMENT OF BENEFITS

Benefit payments are recorded when paid.

NOTE 3. INCOME TAX STATUS

The Internal Revenue Service has determined by letter dated March 11, 1994, that the Plan, as then designed, was in compliance with the applicable sections of the IRC. The Plan has since been amended, however, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.
