QUESTIONS AND ANSWERS ABOUT THE PROXY MATERIALS AND THE ANNUAL MEETING

Q: WHY AM I RECEIVING THESE MATERIALS?

A: The Board of Directors (the "Board") of Belden Inc. (sometimes referred to
as the "Company" or "Belden") is providing these proxy materials to you in
connection with Belden's annual meeting of shareholders which will take
place on May 7, 2002. You are invited to attend the meeting and are
requested to vote on the proposal described in this proxy statement.

Q: WHAT INFORMATION IS CONTAINED IN THESE MATERIALS?

A: The information included in this proxy statement relates to the proposal to

Edgar Filing: BELDEN INC - Form DEF 14A

be voted on at the meeting, the voting process, the compensation of directors and our most highly-paid officers, and certain other required information. Our 2001 Annual Report to Shareholders is also enclosed. The Annual Report includes our 2001 audited financial statements with notes and the related Management's Discussion and Analysis of Financial Condition and Results of Operations.

Q: WHAT PROPOSALS WILL BE VOTED ON AT THE MEETING?

A: One proposal will be voted on at the meeting: The election of one director.

Q: WHAT IS BELDEN'S VOTING RECOMMENDATION?

A: Our Board of Directors recommends that you vote your shares "FOR" the nominee to the Board.

Q: WHAT SHARES OWNED BY ME CAN BE VOTED?

A: All shares owned by you as of March 19, 2002, the Record Date, may be voted by you. These shares include those (1) held directly in your name as the shareholder of record, and (2) held for you as the beneficial owner through a stockbroker, bank or other nominee, including those shares purchased through Belden's 401(k) plan, the Belden Wire & Cable Company Retirement Savings Plan (the "Savings Plan").

Q: WHAT IS THE DIFFERENCE BETWEEN HOLDING SHARES AS A SHAREHOLDER OF RECORD AND AS A BENEFICIAL OWNER?

A: Most Belden shareholders hold their shares through a stockbroker, bank or other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

SHAREHOLDER OF RECORD

If your shares are registered directly in your name with Belden's Transfer Agent, Mellon Investor Services LLC ("Mellon"), you are considered (with respect to those shares) the shareholder of record and these proxy materials are being sent directly to you by Belden. As the shareholder of record, you have the right to grant your voting proxy directly to Belden or to vote in person at the meeting. Belden has enclosed a proxy card for you to use.

BENEFICIAL OWNER

If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in "street name" (that is, the name of your stockbroker, bank or other nominee) and these proxy materials are being forwarded to you by your broker or nominee who is considered, with respect to those shares, the shareholder of record. As the beneficial owner, you have the right to direct your broker or nominee how to vote and are also invited to attend the meeting. However, since you are not the shareholder of record, you may not vote these shares in person at the meeting. Your broker or nominee has enclosed a voting instruction card for you to use.

Q: HOW CAN I VOTE MY SHARES IN PERSON AT THE MEETING?

A: Shares held directly in your name as the shareholder of record may be voted in person at the annual meeting. If you choose to do so, please bring the enclosed proxy card or other proof of identification.

Edgar Filing: BELDEN INC - Form DEF 14A

Even if you plan to attend the annual meeting, we recommend that you also submit your proxy as described below so that your vote will be counted if you later decide not to attend the meeting.

Q: HOW CAN I VOTE MY SHARES WITHOUT ATTENDING THE MEETING?

A: Whether you hold shares directly as the shareholder of record or beneficially in street name, you may direct your vote without attending the meeting. You may vote by granting a proxy or, for shares held in street name, by submitting voting instructions to your broker or nominee. In most instances, you will be able to do this over the Internet, by telephone or by mail. Please refer to the summary instructions below and those included on your proxy card or, for shares held in street name, the voting instruction card included by your broker or nominee.

BY INTERNET -- If you have Internet access, you may submit your proxy or, if you hold shares in street name, voting instruction card included by your broker or nominee from any location in the world by following the "Vote by Internet" instructions on the proxy card or voting instruction card.

BY TELEPHONE -- If you live in the United States or Canada, you may submit your proxy or voting instruction card included by your broker or nominee by following the "Vote by Phone" instructions on such cards.

BY MAIL -- You may do this by signing your proxy card or, for shares held in street name, the voting instruction card included by your broker or nominee and mailing it in the enclosed, postage prepaid and addressed envelope. If you provide specific voting instructions, your shares will be voted as you instruct. If you sign but do not provide instructions, your shares will be voted as described below in "HOW ARE VOTES COUNTED?"

Q: CAN I CHANGE MY VOTE?

A: You may change your proxy or voting instructions at any time prior to the vote at the annual meeting. For shares held directly in your name, you may accomplish this by granting a new proxy or by attending the annual meeting and voting in person. Attendance at the meeting will not cause your previously granted proxy to be revoked unless you specifically so request. For shares held beneficially by you, you may accomplish this by submitting new voting instructions to your broker or nominee.

Q: HOW ARE VOTES COUNTED?

A: In the election of directors, you may vote "FOR" the nominee or your vote may be "WITHHELD" with respect to the nominee. If you sign your proxy card or broker voting instruction card with no further instructions, your shares will be voted in accordance with the recommendations of the Board -- "FOR" the Company's nominee to the Board and at the discretion of the proxy holders, on any other matter that comes properly before the meeting. If you participate in the Savings Plan, you will receive a proxy card for all shares you own through the plan. The proxy card will serve as a voting instruction card for the trustee, CIGNA Retirement & Investment Services. If you own shares through the plan and do not vote, the trustee will vote the plan shares in the same proportion as shares for which instructions were received under the plan.

Q: WHAT IS THE VOTING REQUIREMENT TO APPROVE THE PROPOSAL?

A: The proposal requires the affirmative "FOR" vote of a majority of those shares present and entitled to vote.

Edgar Filing: BELDEN INC - Form DEF 14A

Q: WHAT DOES IT MEAN IF I RECEIVE MORE THAN ONE PROXY OR VOTING INSTRUCTION CARD?

A: It means your shares are registered differently or are in more than one account. Please provide voting instructions for all proxy and voting instruction cards you receive.

Q: WHERE CAN I FIND THE VOTING RESULTS OF THE MEETING?

A: We will announce preliminary voting results at the meeting and publish final results in our quarterly report on Form 10-Q for the second quarter of 2002.

3

Q: WHAT HAPPENS IF ADDITIONAL PROPOSALS ARE PRESENTED AT THE MEETING?

A: Other than the proposal described in this proxy statement, we do not expect any matters to be presented for a vote at the annual meeting. If you grant a proxy, the persons named as proxy holders, Kevin L. Bloomfield, Belden's Secretary, and Christopher E. Allen, Belden's Assistant Secretary, will have the discretion to vote your shares on any additional matters properly presented for a vote at the meeting. If for any unforeseen reason our nominee is not available as a candidate for director, the persons named as proxy holders will vote your proxy for such other candidate or candidates as may be nominated by the Board of Directors.

Q: WHAT CLASS OF SHARES IS ENTITLED TO BE VOTED?

A: Each share of our common stock outstanding as of the close of business on March 19, 2002, the Record Date, is entitled to one vote at the annual meeting. On February 1, 2002, we had 24,773,770 shares of common stock issued and outstanding.

Q: WHAT IS THE QUORUM REQUIREMENT FOR THE MEETING?

A: The quorum requirement for holding the meeting and transacting business is a majority of the outstanding shares entitled to be voted. The shares may be present in person or represented by proxy at the meeting. Both abstentions and "broker non-votes" are counted as present for the purpose of determining the presence of a quorum. Generally, broker non-votes occur when shares held by a broker for a beneficial owner are not voted with respect to a particular proposal because (1) the broker has not received voting instructions from the beneficial owner and (2) the broker lacks discretionary voting power to vote such shares. But a broker non-vote will not arise with respect to the proposal to be considered at this meeting because a broker will have the discretionary authority to vote on the proposal in the absence of receiving voting instructions from his or her beneficial owner. Cumulative voting is not permitted for the proposal.

Q: WHO WILL COUNT THE VOTE?

A: A representative of ADP Investor Communications Services will tabulate the votes and Kevin L. Bloomfield, Belden's Secretary, or Christopher E. Allen, Belden's Assistant Secretary, will act as the inspector of election.

Q: IS MY VOTE CONFIDENTIAL?

A: Proxy instructions, ballots and voting tabulations that identify individual shareholders are handled in a manner that protects your voting privacy. Your vote will not be disclosed either within Belden or to third parties except

Edgar Filing: BELDEN INC - Form DEF 14A

(1) as necessary to meet applicable legal requirements, (2) to allow for the tabulation of votes and certification of the vote, or (3) to facilitate a successful proxy solicitation by our Board. Occasionally, shareholders provide written comments on their proxy cards which are then forwarded to Belden management.

Q: WHO WILL BEAR THE COST OF SOLICITING VOTES FOR THE MEETING?

A: Belden will pay the entire cost of preparing, assembling, printing, mailing and distributing these proxy materials. In addition to the mailing of these proxy materials, the solicitation of proxies or votes may be made in person, by telephone or by electronic communication by our directors, officers, and employees, who will not receive any additional compensation for such solicitation activities. We also have hired ADP Investor Communications Services to assist us in the distribution of proxy material and tabulating votes. We will pay ADP a fee of \$7,750 plus expenses for these services. We will also reimburse brokerage houses and other custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses for forwarding proxy and solicitation materials to shareholders.

Q: MAY I PROPOSE ACTIONS FOR CONSIDERATION AT NEXT YEAR'S ANNUAL MEETING OF SHAREHOLDERS OR NOMINATE INDIVIDUALS TO SERVE AS DIRECTORS?

A: You may submit proposals for consideration at future shareholder meetings, including director nominations.

SHAREHOLDER PROPOSALS: For a shareholder proposal to be considered for inclusion in

4

Belden's proxy statement for next year's annual meeting, the written proposal must be received by Belden no later than November 30, 2002. Such proposals also will need to comply with Securities and Exchange Commission regulations regarding the inclusion of shareholder proposals in company-sponsored proxy materials. Apart from the issue of inclusion in proxy materials, the Company's Bylaws establish requirements for shareholder proposals to be considered at the annual meeting. For example, for a shareholder proposal to be raised from the floor during next year's annual meeting, written notice must be received by Belden no later than March 8, 2003, and shall contain such information as required under our Bylaws.

NOMINATION OF DIRECTOR CANDIDATES: You may propose director candidates for consideration by our Board. In addition, our Bylaws permit shareholders to nominate directors at a shareholders meeting. To make a director nomination at a shareholders meeting it is necessary that you notify Belden not fewer than 60 days in advance of the meeting. In addition, the notice must meet all other requirements contained in our Bylaws.

COPY OF BYLAW PROVISIONS: You may contact the Belden Secretary at our Company headquarters for a copy of the relevant Bylaw provisions regarding the requirements for making shareholder proposals and nominating director candidates.

THE AUDIT COMMITTEE

The Audit Committee assists the Board in overseeing the Company's corporate accounting and reporting practices by:

- meeting with our financial management and auditors (Ernst & Young) to review the financial statements, quarterly earnings releases and financial data of the Company;
- reviewing and recommending to the Board the selection of auditors who will audit our financial statements;
- reviewing the scope, procedures and results of Company audits; and
- evaluating the Company's key financial and accounting personnel.

AUDIT COMMITTEE REPORT

The Audit Committee is composed of the three directors named below and operates under a written charter adopted by the Board of Directors. Each member is independent as defined by the New York Stock Exchange listing standards.

Management is responsible for the Company's internal controls and the financial reporting process. The independent auditors are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards and to issue a report thereon. We, the Committee, are responsible to oversee and monitor these processes.

In this context, we have met and held discussions with management and the independent auditors. We meet with the independent auditors, with and without management present. We reviewed and discussed with management and the independent auditors the Company's audited consolidated financial statements. We

Edgar Filing: BELDEN INC - Form DEF 14A

discussed with the independent auditors matters required to be discussed by the Statement on Auditing Standards No. 61 (Communications with Audit Committee).

The independent auditors also provided to us the written disclosures required by the Independence Standards Board Standard No. 1 Independence Discussions with Audit Committees, and we discussed with the independent auditors the existence of that firm's independence.

In reliance on such reviews and discussions, we recommended that the Board of Directors include the audited financial statements in the Company's Annual Report on Form 10-K for the calendar year of 2001 filed with the Securities and Exchange Commission.

EXECUTIVE COMPENSATION

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

For the year, the Compensation Committee (comprised entirely of non-employee directors) continued to follow its established compensation policies. The compensation program for management is designed to motivate performance so individual and Company objectives are achieved. The main compensation objective for executive officers is to enhance shareholder value over the long term. The Committee strives to achieve this goal by providing competitive base salaries to attract and retain employees; an annual cash bonus that gives management cash incentives for achievement of pre-determined performance targets; and long-term compensation awards so management's interest is aligned with that of other shareholders.

The Committee approves individual officer salaries, bonuses, and awards under the Company's long-term incentive plan. For other employees, the Committee reviews guidelines for compensation, and approves bonuses and any awards under the incentive plan.

The Committee reviewed base salaries for officers in 2001 and any adjustments made to them. Pursuant to Company policies, salaries are adjusted based on competitive conditions and past individual performance. To gauge competitive conditions, salaries are structured so the mid-point salary range for an employee is at the 50th percentile of salaries paid by companies in the electronics and communications equipment industry. This is the industry in which the Company competes for talent. The companies selected for this salary comparison differ from the companies included in the S&P Electrical Equipment Index, which the Company uses in the performance graph that follows this report.

Management is eligible to receive an incentive bonus based on the achievement of predetermined performance criteria. Mr. Cunningham may receive an incentive bonus of up to 50% of his mid-point salary range for performance at the target level and a maximum amount of up to 100% of the mid-point of his salary range. The criteria for Mr. Cunningham are based solely on return on capital (33%) and earnings per share (67%). For officers other than Mr. Cunningham, an individual performance element is included with the weight assigned to each as follows: 53% earnings per share; 27% return on capital; and 20% individual performance.

The Committee establishes the performance goals at the beginning of the year. The Company's overall financial performance determines the size of the bonus pool to be distributed to the executives participating in the program. For the year 2001, none of the executive officers or senior management received a bonus. This is because the Company had a challenging year as it dealt with declining economic conditions in its major markets of North America and Europe.

The Company's long-term incentive plan authorizes the Committee to grant officers and key management various awards intended to promote success by aligning employee financial interests with long-term shareholder value. Awards that may be granted under the plan include stock options and restricted shares. Last year, the Committee made awards of restricted shares or stock options (or

Edgar Filing: BELDEN INC - Form DEF 14A

both) to key management, including officers. Consistent with the purpose of the plan, the options were issued at market value on the grant date. They vest over three years and expire in ten years. The restricted shares cannot be transferred or disposed of for three years and the holder forfeits his shares if he leaves the Company before expiration of the three-year vesting period. All dividends accrued on the restricted shares are accumulated and become payable only upon vesting. The size of individual grants of options and restricted shares was based on various factors primarily relating to the responsibilities of the individual officer, the recipient's expected future contributions and prior grants.

The compensation policies noted above apply equally to the compensation of Mr. Cunningham: the Committee is responsible for determining his salary, any cash bonus, or any awards under the long-term incentive plan.

In consultation with Company representatives and a compensation consultant, the Committee believes that it is unlikely the Company would pay any material amounts in 2002 that would result in a loss of a Federal income tax deduction under Section 162(m) of the Internal Revenue Code of 1986, as amended. (Section 162(m) of the Internal Revenue Code imposes a limitation on the deductibility of nonperformance-based compensation in excess of \$1 million paid to the named executive officers.) Nevertheless, the Committee will continue to use sound business judgment to determine whether specific compensation programs are appropriate, even if certain elements may not meet the performance criteria under the tax code provision, or whether to authorize special actions to be taken or plans or programs be revised in light of the tax provision.

- (1) Salaries are amounts actually received. The aggregate amount of perquisites and other personal benefits for any named executive does not exceed \$50,000 or 10% of the total annual salary and bonus for any such named executive and, therefore, such items have been excluded.
- (2) Determined by the Compensation Committee at its first meeting held after the end of the fiscal year in which the compensation was earned.
- (3) The figures in this column reflect the closing price of Belden shares (\$26.75 per share) on the grant date of awards of restricted stock (February 14, 2001). The awards are subject to forfeiture in the event the executive does not remain employed by the Company for three years after the grant date. The following chart shows the value of such shares as of the end of 2001 (i.e., \$23.55 per share, the closing price of Belden shares on December 31, 2001):

C. Baker Cunningham	400,350
Peter J. Wickman	141,300
Richard K. Reece	141,300
Paul Schlessman	117,750
Kevin L. Bloomfield	70,650

Dividends on the restricted stock accumulate and become payable after the three-year-vesting period. The dividend rate on the shares of restricted stock is the dividend rate payable on all outstanding shares of Company common stock.

- (4) Options granted under the Incentive Plan. The exercise of one-third of the shares is permitted on the first, second, and third anniversaries of the grant dates. The exercise price for the 1999 options was \$20.06; the exercise price for the 2000 options was \$21.75; and the exercise price for the 2001 options was \$26.38. In each instance, the exercise price equaled the average of the high and low of Belden shares on the grant date.
- (5) For each named officer, amounts include Company contributions and allocations in Company-sponsored defined contribution plans and other plans. For Mr. Schlessman, this column also includes, for 1999, reimbursements related to a relocation totaling \$86,330.

The dollar amounts under these columns are the result of calculations at the 5% (\$42.97) and 10% (\$49.40) rates set by the SEC and therefore are not intended to forecast possible future appreciation, if any, of the stock price of the Company.
- (2) Grants of stock options in 2001 awarded under the Incentive Plan. Exercises of one-third of the shares are permitted on the first, second, and third anniversaries of the grant date.

The Company maintains a "grantor trust" under Section 671 of the Code to provide certain participants in designated compensation and supplemental retirement plans with greater assurance that the benefits and payments to which those participants are entitled under those plans will be paid. Prior to a "change of control" of the Company (as defined in the Trust agreement), the Company has the discretion to make contributions to the Trust. After a change in control of the Company, the Company must transfer to the Trust the amount of the benefits participants have earned through the date of the change in control and thereafter continue to fund the Trust as benefits accrue. The amount held in trust at December 31, 2001 was de minimis. The assets of the Trust are subject to claims of the creditors of the Company in the event the Company becomes "insolvent" as defined in the Trust agreement.

The named officers in the Summary Compensation Table are parties to agreements whereby in the event their employment is terminated other than for cause after a change of control or they resigned for good reason following a change of control (i) they would receive an amount equal to 2 times (or 2.99 times in the case of Mr. Cunningham) the sum of (a) their then current base salary and (b) their highest annual bonus paid during the past two years and (ii) be provided health benefits and life insurance for 2 years following such change of control.

The Incentive Plan provides for the acceleration of certain benefits in the event of a change of control (as defined in the plan) of the Company. Upon the occurrence of a change of control, each non-employee director option with respect to which six months have elapsed since the date of grant, whether the option is then exercisable or not, will be cancelled in consideration for a payment equal to the excess of the then fair market value of the common stock (as calculated in accordance with the Incentive Plan) over the option exercise price. Except as may be provided in the agreement relating to the options, a holder of any other options granted under the Incentive Plan which are not then exercisable in full at the time of a change of control will be entitled, with respect to the portion not then exercisable, to receive a cash payment equal to the excess of the then fair market value of the common stock (as calculated in accordance with the Incentive Plan) over the option exercise price.

PENSION PLANS

The executives named in the Summary Compensation Table may upon retirement be entitled to benefits from the Belden Wire & Cable Company Pension Plan (the "Pension Plan") and the Supplemental Excess Defined Benefit Plan of Belden Wire & Cable Company (the "Supplemental Plan"). Benefits under the plans upon retirement are determined based upon compensation during the employment period and years of service.

Pursuant to the Pension Plan, the Company credits to each individual's account thereunder 5.5% of each year's total compensation up to the Social Security wage base for the year, plus 8% of each year's total compensation that exceeds the Social Security wage base. For this purpose, total compensation is cash remuneration paid by the Company to or for the benefit of a participant in the Pension Plan for services rendered while an employee.

For the executives named in the Summary Compensation Table, the total compensation will be computed as shown in the columns "Salary" and "Bonus" of the Summary Compensation Table. Employees who were formerly employees of Cooper Industries, Inc. were credited for service while employed by Cooper. Benefits for service through August 1, 1993, were determined under the Cooper Salaried Employees' Retirement Plan then in effect and converted to initial balances under the Pension Plan. Funds equal to the actuarial value of the accrued liabilities for all participants plus a pro rata portion of the Cooper plan excess assets have been transferred from the Cooper pension trust to a trust established by Belden for the Pension Plan.

Edgar Filing: BELDEN INC - Form DEF 14A

Employees do not make any contributions to the Pension Plan. Benefits at retirement are payable, as the participant elects, in the form of an escalating annuity, a level annuity with or without survivorship, or a lump-sum payment. The Company contributes to a trust fund sufficient to meet the minimum requirements under the Internal Revenue Code ("Code") to maintain the status of the Pension Plan as a qualified defined benefit plan.

The Supplemental Plan is an unfunded, nonqualified plan which provides to certain employees, including those named in the Summary Compensation Table, Pension Plan benefits that generally cannot be paid from a qualified, defined benefit plan due to provisions of the Code.
