ELECTION OF DIRECTORS (PROPOSAL 1)

The Bye-laws of the Company state that the number of Directors of the Company shall be established by the Board of Directors from time to time but shall not be less than two. The Board of Directors has set the number of Director positions at seven. The Nominating Committee has identified seven candidates for election to the Board of Directors. Each Director elected shall serve as a Director until the next annual meeting of shareholders, or until his or her successor is elected and qualified.

The seven persons named below are the Nominating Committee's nominees for election as Directors. Gerald J. Rubin and Stanlee N. Rubin are married. Gerald J. Rubin and Byron H. Rubin are brothers. Set forth below are descriptions of the principal occupations during at least the past five years of the nominees for membership on the Company's Board of Directors:

Gerald J. Rubin, age 58, founder of the Company, has been the Chairman of the Board, Chief Executive Officer and President of the Company since June 2000. From 1984 to July 2000, Mr. Rubin was Chairman of the Board and Chief Executive Officer of the Company. Mr. Rubin has been a Director of the Company since 1969.

Gary B. Abromovitz, age 59, has been Deputy Chairman of the Board of Directors of the Company since March 2002 and a Director of the Company since 1990. Mr. Abromovitz is an attorney and is a consultant to several law firms specializing in the areas of trade secrets, unfair competition, and commercial litigation. He is active in real estate development concentrating on industrial, commercial, and historic properties.

Edgar Filing: HELEN OF TROY LTD - Form DEF 14A

Stanlee N. Rubin, age 58, has been a Director of the Company since 1990. Mrs. Rubin is active in civic and charitable organizations. She is a member of the University of Texas at El Paso Board of Development. Mrs. Rubin is also a Partner for the Susan G. Komen Breast Cancer Foundation.

4

Christopher L. Carameros, age 48, has been a Director of the Company since June 1993. Mr. Carameros has been an officer of L & M Asset Management Inc., a financial services and asset management company, from August 1997 to the present. Mr. Carameros was an officer of Cactus Apparel Inc., an apparel manufacturing company, from September 1993 to July 1997.

Byron H. Rubin, age 52, has been a Director of the Company since 1981. Mr. Rubin has been a partner in the firm Daniels & Rubin, an insurance and tax planning firm in Dallas, Texas since 1979.

Daniel C. Montano, age 53, has been a Director of the Company since 1980. He has been the Managing Director of C&K Capital since January 1997. In May 1998, the National Association of Securities Dealers, Inc. (the "NASD") suspended Mr. Montano's registration as a registered securities broker for an unspecified time due to his failure to pay an arbitration award. In July 1998, the Securities and Exchange Commission entered an order affirming a decision by the NASD that Mr. Montano was found to have violated certain rules of the NASD, including not accurately and sufficiently discussing the mechanism of short-selling or the risks associated with implementing the strategy using a particular stock, making improper references to prior recommendations, making exaggerated and inappropriate presentations of prior recommendations and making improper projections. None of the matters discussed above with regard to Mr. Montano involved any securities or transactions involving the Company or any of its subsidiaries.

John B. Butterworth, age 50, is a new nominee and has not served previously on the Company's Board of Directors. Mr. Butterworth is a Certified Public Accountant and, since 1982, has been a shareholder in a public accounting firm located in El Paso, Texas. Mr. Butterworth's area of practice includes federal income tax, corporation and partnership business planning, and family wealth preservation. Prior to becoming a shareholder in a public accounting practice, Mr. Butterworth was a tax manager for a national accounting firm.

VOTE REQUIRED FOR ELECTION OF DIRECTORS

The nominees receiving a majority of the votes cast at the Annual Meeting will be elected as Directors.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE SHAREHOLDERS VOTE FOR EACH OF THE SEVEN NOMINEES NAMED ABOVE.

MEETINGS OF THE BOARD OF DIRECTORS AND COMMITTEES

During fiscal 2002, the Company's Executive Committee consisted of Gerald J. Rubin and Byron H. Rubin. The Executive Committee has the power to exercise all of the authority of the Board of Directors in the management of the business and affairs of the Company, except to the extent limited by the Company's Bye-laws and by applicable law. All actions and resolutions of the Executive Committee are reported to the Board of Directors at the next meeting of the Board for its review, approval and ratification. The Executive Committee meets informally on a periodic basis during the year. The Executive Committee did not adopt any resolutions or hold any formal meetings during fiscal 2002.

Edgar Filing: HELEN OF TROY LTD - Form DEF 14A

The Company's Audit Committee consisted of Gary B. Abromovitz, Daniel C. Montano and Christopher L. Carameros during fiscal 2002. Mr. Carameros is the chair of this Committee. Due to his consulting agreement with the Company (see "Certain Relationships and Related Transactions"), Mr. Carameros might not meet the NASD's definition of an "Independent Director." However, in light of the exceptional and limited circumstances under which Mr. Carameros performed his consulting tasks, the Board of Directors determined that Mr. Carameros' continued membership on the Audit Committee was in the best interest of the Company and its shareholders because of his financial management experience and his knowledge of the Company's business. The Board of Directors will readdress Mr. Carameros' participation on the Audit Committee at the Board's next regularly scheduled meeting following the Annual Meeting of the Shareholders. The Audit Committee is responsible for evaluating accounting and control procedures and practices of the Company and for reporting on such matters to the Board of Directors. The Audit Committee serves as a direct liaison with the Company's independent public accountants and recommends the engagement or discharge of such accountants. The Audit Committee meets periodically with the Chief Financial Officer, other appropriate officers of the Company and the Company's independent public accountants to review the Company's financial and accounting systems, accounting and financial controls, reports by the independent public accountants, proposed accounting changes and financial statements and opinions on such financial statements. The Audit Committee also reviews the content and enforcement of the Company's Ethical Code of

5

Conduct, consults with the Company's legal counsel on various legal compliance matters and on other legal matters if those matters could affect materially the Company's financial statements. The Audit Committee met four times during fiscal 2002.

The Company's Nominating Committee consisted of Gerald J. Rubin and Stanlee N. Rubin during fiscal 2002. The Nominating Committee receives recommendations from its members or other members of the Board of Directors for candidates to be appointed to the Board or Committee positions, reviews and evaluates such candidates and makes recommendations to the Board of Directors for nominations to fill Board and Committee positions. The Nominating Committee held no formal meetings during the year, but did hold periodic informal meetings. The Nominating Committee will consider candidates recommended by employees and shareholders. Written suggestions for candidates, accompanied by a written consent of the proposed candidate to serve as a Director if nominated and elected, a description of his or her qualifications and other relevant biographical information, should be sent by March 14, 2003 for consideration by the Nominating Committee prior to the next annual meeting to the Secretary of the Company, Clarendon House, Church Street, Hamilton, Bermuda.

The Company's Stock Option and Compensation Committee consisted of Gary B. Abromovitz and Daniel C. Montano during fiscal 2002. Mr. Abromovitz is the chair of this committee. The Stock Option and Compensation Committee generally oversees matters relating to compensation of employees of the Company. In connection with this oversight, it reviews and makes recommendations to the Board of Directors on officer and senior employee compensation and on grants of stock options under the Company's stock option plans. The Stock Option and Compensation Committee met informally five times and adopted resolutions one time during fiscal 2002.

The Corporate Governance Committee is comprised of Gary B. Abromovitz and Daniel C. Montano. Mr. Abromovitz is the chair of this committee. This committee is charged with reviewing all corporate and organizational documentation for the

Edgar Filing: HELEN OF TROY LTD - Form DEF 14A

Company and its subsidiaries.

The full Board of Directors met or voted on resolutions five times during fiscal 2002. One of the five meetings was a telephonic meeting. Stanlee N. Rubin was present for three of the five meetings. Each of the other Directors attended or acted upon at least seventy-five percent of the aggregate number of Board of Directors meetings, consents, and committee meetings or consents held or acted upon during the period for which he or she acted as a Director during fiscal 2002.

EXECUTIVE OFFICERS

The executive officers of the Company are Gerald J. Rubin, Russell G. Gibson, and Vincent D. Carson; Mr. Rubin is also a Director of the Company. See "Election of Directors."

Russell G. Gibson, age 49, has been the Senior Vice President of Finance and Chief Financial Officer of the Company since August 2000. Mr. Gibson served as Vice President and Chief Financial Officer of Lucchese, Inc., a footwear manufacturer, from December 1998 to August 2000, and as Vice President and Chief Financial Officer of Farah, Inc., a manufacturer of apparel, from November 1994 to December 1998. Prior to its acquisition by Tropical Sportswear Corp., Farah, Inc. was listed on the New York Stock Exchange.

Vincent D. Carson, age 42, joined the Company on November 1, 2001 in the capacity of Vice President, General Counsel and Secretary, after a 16-year legal career in private practice. Prior to joining the Company, Mr. Carson was a shareholder in Brandys Carson & Pritchard, P.C. from 1993 to 2001 and was a shareholder at Mounce, Green, Myers, Safi & Galatzan, P.C. during 2001. Both firms are located in El Paso, Texas. Mr. Carson is responsible for coordination of all the Company's legal matters, including commercial transactions, intellectual property, litigation, real estate matters and human resources.

EMPLOYMENT CONTRACT

Mr. Rubin's employment contract was amended and restated effective March 1999. Mr. Rubin's employment contract has a term of five years, renews itself daily and provides for a base salary of \$600,000, a bonus equal to five percent of adjusted earnings from continuing operations less Mr. Rubin's base salary, in accordance with the Company's 1997 Cash Bonus Performance Plan, which was approved by the Company's shareholders, and reimbursement of certain expenses

Edgar Filing: HELEN OF TROY LTD - Form DEF 14A

and taxes. Mr. Rubin also received options to purchase Common Stock that are immediately vested in the amount of 250,000 shares on the last business day of each of the Company's fiscal quarters. Under the contract and subject to options being available under the Company's stock option plans, he will continue to receive options in such amount on the last business day of each August, November, February and May during the term of the agreement. In the event there are not a sufficient number of shares under the stock option plans to cause the grant of stock options to Mr. Rubin, the Company agrees to use its reasonable efforts to cause the Company's shareholders to approve additional shares of Common Stock to be subject to such stock option plans to enable such grants. In the event the Company's shareholders do not approve additional shares to be issued under such stock option plans, the Company is not obligated to Mr. Rubin to grant such options.

Should Mr. Rubin's employment with the Company be terminated by an occurrence other than death, disability, or good cause, Mr. Rubin will receive payments, each in an amount equal to his monthly rate of basic compensation, which shall commence on the date of termination and shall continue until the date the employment contract would have expired but for said occurrence. Mr. Rubin would also receive payments, payable annually after the close of each fiscal year of the Company, each in an amount of incentive compensation and bonuses that would otherwise have been payable to him if he had continued in the employ of the Company for the same period.

Upon the occurrence of a change in control of the Company, Mr. Rubin may elect to terminate his employment with the Company, and upon such termination will receive a present-value lump sum payment of that amount due to him as basic compensation if his employment contract had continued until the date the employment contract would have expired but for said occurrence. In the event of a change in control, Mr. Rubin will also receive a lump sum payment in an amount equal to the amount of incentive compensation and bonuses that would otherwise have been payable to him under the employment agreement. Such lump sum payment shall be calculated using Mr. Rubin's highest incentive compensation and bonuses payable with respect to the Company's most recent three fiscal years ending prior to the date of the termination, with present value calculated using the applicable federal rate for the date of the termination of employment. Mr. Rubin's contract also provides for a gross-up for the excise tax on any amounts that are treated as excess parachute payments under the Internal Revenue Code of 1986, as amended.

9

If Mr. Rubin's employment is terminated by an occurrence other than by death, disability, or good cause, including upon a change in control, Mr. Rubin will also receive: (1) all amounts earned, accrued or owing but not yet paid to him, (2) immediate vesting of all options granted to him, (3) removal of all restrictions on restricted stock awarded to him and immediate vesting of the rights to such stock, (4) medical benefits for him and his wife for life, and (5) paid premiums of his life insurance policy, required under his employment contract. Mr. Rubin will continue to participate in all employee benefits plans, programs or arrangements available to Company executives in which he was participating on the date of termination until the date the employment contract would have expired but for said occurrence or, if earlier, until he receives equivalent benefits and coverage by another employer.

In the event of the death of Gerald J. Rubin, all unpaid benefits under these agreements are payable to his estate. Gerald J. Rubin's contract grants him the right to elect a cash payment of the remainder of his contract in the event of a merger, consolidation or transfer of all or substantially all of the Company's assets to any unaffiliated company or other person.

The executive compensation strategy reflects the Company's fundamental philosophy of aligning the interests of management with the long-term performance of the Company and offering competitive compensation opportunities based on each individual's contribution to the achievement of shareholder value. This strategy is designed to attract and retain employees with outstanding qualifications and experience.

The three elements of the Company's executive compensation strategy, all determined by corporate and individual performance, are:

- Base salary
- Annual incentive compensation
- Long-term incentive compensation

Total compensation opportunities are competitive with those offered by a range of comparable companies and are intended to align management interests with shareholder interests. The Stock Option and Compensation Committee has

10

reviewed the Company's primary competitors in determining competitive compensation. Some of these competitors are privately held and are therefore not included in the stock performance graph.

The base salary for Gerald J. Rubin (Chief Executive Officer) for fiscal 2002 was based on his employment contract. See "Executive Compensation -

Edgar Filing: HELEN OF TROY LTD - Form DEF 14A

Employment Contract."

The base salaries for the other executive officers are determined by the Chief Executive Officer of the Company based on the skills and experience required by the position, the effect of the individual's performance on the Company and the potential of the individual.

Annual incentive compensation consists of cash bonuses. The amount of the cash bonus for Gerald J. Rubin is based upon the 1997 Cash Bonus Performance Plan, which was approved by the Company's shareholders, plus a discretionary bonus pursuant to his employment contract. During fiscal 2002, the Company awarded a bonus of \$1,391,174 to Gerald J. Rubin under the 1997 Cash Bonus Performance Plan. The bonus was paid in fiscal 2003.

The bonuses for the other executive officers are determined based upon performance objectives set by the Company's Chief Executive Officer.

Long-term incentive compensation consists of the Company's stock option plans. Stock options are granted based on the performance and position of the executive officer, as well as the Company's performance. Executive officers are provided with opportunities for ownership positions in the Common Stock through the Company's stock option plans. This opportunity for ownership, combined with a significant performance-based incentive compensation opportunity, forges a strong link between the Company's management and shareholders. During fiscal 2002 the Company's Board of Directors granted to Gerald J. Rubin, Russell G. Gibson, and Vincent D. Carson stock options to purchase 1,000,000, 4,024, and 10,000 shares of the Common Stock, respectively.

As stated above, the compensation to the Company's Chief Executive Officer, Gerald J. Rubin, during fiscal 2002 consisted of base salary, annual incentive compensation and long-term incentive compensation. All of the factors discussed above in this report were taken into consideration by the Stock Option and Compensation Committee in determining the total compensation for Mr. Rubin for fiscal 2002.

Edgar Filing: HELEN OF TROY LTD - Form DEF 14A

has accounting or related financial management experience required under the listing standards. We operate under a written charter. As required by the charter, we review and reassess the charter annually and recommend any changes to the Board of Directors for approval.

At each of its meetings during fiscal 2002, the Audit Committee met with the Company's Chief Financial Officer, General Counsel, and other members of management, as necessary. On one occasion, we also met privately with the independent auditors to discuss the Company's financial reporting, accounting principles, and internal controls. We recommended to the Board of Directors the reappointment of KPMG LLP as the Company's independent auditors. The Audit Committee also reviewed the Company's Ethical Code of Conduct and addressed means by which management should monitor compliance with that code.

Under the charter, the Company's management is responsible for preparing the Company's financial statements and the independent auditors are responsible for auditing those financial statements. The Audit Committee's role under the charter is to provide oversight of management's responsibility. The Audit Committee is not providing any expert or special assurance as to the Company's financial statements or any professional certification of the independent auditor's work.

As part of our oversight of management's preparation and the independent auditors' audit of the Company's financial statements for and as of the fiscal year ended February 28, 2002, we:

- o reviewed and discussed the Company's audited financial statements with management;
- o discussed with KPMG LLP, the Company's independent auditors, the matters required by Statement on Auditing Standards No. 61 relating to the conduct of the audit;
- o received from KPMG LLP the written disclosures and letter required by Independence Standards Board Standard No.1; and
- o discussed with KPMG LLP its independence and considered the compatibility of the provision of non-audit services with the auditors' independence.

Based on our:

- o review of the audited financial statements,
- o discussions with and reliance upon management,
- o discussions with and reliance upon KPMG LLP, and
- o review of KPMG LLP's written disclosures and letter as described above,

We recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended February 28, 2002 filed with the Securities and Exchange Commission.

Respectfully submitted,

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

During fiscal 2002, the Company continued an agreement (the "Lease") under which it leases a 108,000 square foot warehouse facility in El Paso, Texas from a real estate partnership (the "Partnership") in which Gerald J. Rubin and Stanlee N. Rubin are limited partners. The Company entered into the Lease in order to expand its inventory storage capacity in El Paso, Texas. Under the terms of the Lease, the Company pays \$29,250 in monthly rent. The Company also pays certain expenses associated with the operation of the facility. The Company leased the warehouse facility for the entire fiscal year and made a total of \$505,470 in payments for associated rent and operating expenses during fiscal 2002. The amount of rent under the Lease is comparable to that being paid by other companies for similar facilities in El Paso. The Company obtained comparable rental information on similar properties from an unaffiliated real estate company at the time of the Lease. This information was used to establish the rental rate for this facility. The Lease is a month-to-month agreement. Either the Company or the Partnership may cancel the Lease by providing the other party with notice 30 days in advance of terminating the Lease. During fiscal 2002, the Company was the sublessee of offices in various locations throughout the United States under three separate agreements (collectively, the "Subleases") with the Partnership. The Company entered into the Subleases in order to facilitate contact with customers. Under the Subleases, the Company pays rent and certain operating expenses in amounts equal to the rent and operating expenses paid by the Partnership under its leases of these facilities. During fiscal 2002, the Company paid \$118,558 under the Subleases. During July 1999, the Company entered into an agreement with the Partnership under which the Company leases 3,325 square feet of office space in El Paso, Texas to the Partnership. The agreement calls for the Company to receive \$3,879 in monthly rent. During fiscal 2002, the Company recorded \$46,550 in rental income associated with this agreement.

During fiscal 2002, the Company made sales totaling approximately \$70,400 to a business owned by Jay Rubin, the brother of Gerald J. Rubin. The prices for the goods sold to the business owned by Jay Rubin were determined based on a method consistent with the determination of sales prices to customers not affiliated with the Company.

Christopher L. Carameros, a member of the Company's Board of Directors and Audit Committee was asked to perform certain specific tasks in addition to his normal duties as a member of the Board of Directors and the Audit Committee. Mr. Carameros received \$177,875 during the fiscal year ended February 28, 2002 under this consulting arrangement with the Company.

Byron H. Rubin, a member of the Company's Board of Directors, earns ordinary insurance agent's commissions in connection with the Company's group health, life and disability insurance policies as well as in connection with certain life insurance policies on its officers. During fiscal 2002 he received commissions of approximately \$25,000 from policies sold to the Company and received \$20,000 under a separate consulting arrangement with the Company.

(PROPOSAL 2)

The Board of Directors, upon the recommendation of the Audit Committee, has appointed KPMG LLP to serve as independent auditors for the fiscal year ending February 28, 2003, subject to ratification of the appointment by the shareholders. KPMG LLP has served as the Company's independent auditors since 1978 and is considered by management to be well qualified.

SHAREHOLDER APPROVAL

The affirmative vote of the holders of a majority of the shares of Common Stock entitled to vote at the Annual Meeting is required to ratify the appointment of KPMG LLP as independent auditors as described in this Proposal 2.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR THIS PROPOSAL.

15

PROPOSAL TO INCREASE THE NUMBER OF SHARES OF COMMON STOCK AVAILABLE UNDER THE HELEN OF TROY LIMITED 1995 STOCK OPTION PLAN FOR NON-EMPLOYEE DIRECTORS (PROPOSAL 3)

The Board of Directors has determined that it is in the best interest of the Company and its shareholders to amend the Helen of Troy Limited 1995 Stock Option Plan for Non-Employee Directors (the "Directors Plan") to add 500,000 shares of Common Stock to the Directors Plan. There are currently 480,000 shares of Common Stock subject to the Directors Plan, of which 420,000 shares of Common Stock have been issued or are currently subject to options granted under the Directors Plan at June 20, 2002. The Board of Directors has approved this amendment to the Directors Plan, to be effective as of the date of approval thereof by the Company's shareholders. The following summary of the Directors Plan does not purport to be complete and is subject in all respects to, and qualified by, the provisions of the Directors Plan.

The closing sale price of the Common Stock on June 20, 2002, as reported on the NASDAQ National Market System, was \$12.24 per share.

GENERAL PLAN INFORMATION

The Directors Plan was adopted by the Board of Directors on June 6, 1995, subject to shareholder approval, which was subsequently obtained on August 23, 1995 at the Annual Meeting of Shareholders. The purpose of the Directors Plan is to attract and to retain the services of experienced and knowledgeable independent individuals as members of the Board of Directors, to extend to them the opportunity to acquire a proprietary interest in the Company so that they will apply their best efforts for the benefit of the Company, and to provide those individuals with an additional incentive to continue in their positions, for the best interest of the Company and its shareholders.

The Directors Plan provides for an automatic quarterly grant of options to purchase 4,000 shares of Common Stock to each Director who is not at the time of the grant an officer or employee of the Company or any of its affiliates (each an "Eligible Director"). Options will be awarded under the Directors Plan only to Eligible Directors. Currently the Company has five Eligible Directors.

As of June 20, 2002, there were 60,000 shares of Common Stock available for the grant of options under the Directors Plan. The Board of Directors believes that this is not a sufficient number of shares of Common Stock to accomplish the objectives described above. The inclusion of 500,000 additional shares of Common

Edgar Filing: HELEN OF TROY LTD - Form DEF 14A

Stock reserved for granting of stock options under the Directors Plan will enable the Company to further promote these objectives.

ADMINISTRATION OF THE DIRECTORS PLAN

The Directors Plan is administered by the members of the Board of Directors who are employees of the Company or one of its affiliates (the "Ineligible Directors"). The Ineligible Directors have the authority and discretion to interpret the Directors Plan and to make all other determinations necessary for the administration of the Directors Plan and to prescribe, amend and rescind any rules and regulations relating to the Directors Plan. However, the Ineligible Directors have no discretion or authority to disregard or change any of the terms and conditions under which options are granted or may be exercised under the Directors Plan.

PRIOR GRANTS OF PLAN AWARDS

During fiscal 2002, options to purchase 16,000 shares of Common Stock were granted to each Eligible Director pursuant to the Directors Plan. Eligible Directors as a group held 360,000 options outstanding under the Directors Plan as of June 20, 2002.

16

OPTIONS UNDER THE DIRECTORS PLAN

An option granted under the Directors Plan becomes fully vested for one hundred percent (100%) of the number of shares of Common Stock subject to the option one year after the date such option was granted. The exercise price under each option shall be equal to the mean between the high and low prices of the Common Stock reported on the NASDAQ National Market System or other primary market or exchange on the last trading day preceding the date on which such option is granted to an Eligible Director. The option shall be deemed exercised on the day when written notice of such exercise has been received by the Company from the person entitled to exercise the option, accompanied by full payment of the purchase price in cash or check. No option is exercisable after the tenth anniversary of its grant.

In the event that an optionee ceases to be a Director of the Company or one or more of its affiliates for any reason other than death or disability, and such optionee does not remain or thereupon become an employee of the Company or one or more of its affiliates, all options to the extent then exercisable may be exercised for a period of six months after the date of cessation of directorship or employment. In the event that the optionee dies while serving on the Board of Directors of the Company or the Board of Directors of an affiliate of the Company or while an employee thereof, all options granted to such optionee may be exercised by the optionee's legal representatives, legatees or distributees to the extent such options are exercisable at any time prior to the first anniversary of his or her death, and his or her unexercised options shall expire at the end of such period. If an optionee becomes disabled while a Director or an employee of the Company or one or more of its affiliates and thereafter ceases to be such a Director by reason of a disability, all options to the extent then exercisable may be exercised for a period of 90 days after the date of cessation of directorship or employment. In no event, however, shall the period during which such options may be exercised extend beyond the term of the options.

The Directors Plan currently provides for transferability of options for Common Stock granted under the Directors Plan by will or the laws of descent or distribution, through the bona fide gift of options for Common Stock granted to

Edgar Filing: HELEN OF TROY LTD - Form DEF 14A

a Director under the Directors Plan to family members of the Director, to trusts established for the benefit of family members of the Director or to entities controlled by the Director or family members of the Director.

CAPITALIZATION ADJUSTMENTS; MERGER; CHANGE IN CONTROL

Adjustments to prevent dilution will be made in the event of a stock dividend, or split, combination, exchange of shares or other recapitalization, merger, or otherwise, in which the Company is the surviving corporation. No fractional shares of Common Stock shall be issued under the Directors Plan on account of any such adjustments. Such adjustments shall be made by the Ineligible Directors.

TERM AND TERMINATION OF THE DIRECTORS PLAN; AMENDMENT

The Directors Plan will continue in effect until June 6, 2005, unless sooner terminated. The Board of Directors may make such changes in and additions to the Directors Plan as it may deem proper; provided, however, except for adjustments to reflect certain changes in capitalization permitted under the Directors Plan, shareholder approval is required for any amendment that (1) materially increases the benefits accruing to the Eligible Directors under the Directors Plan; (2) changes the class of persons eligible to receive options under the Directors Plan; or (3) increases the duration of the Directors Plan. The Board of Directors may not, without the Eligible Director's written consent, modify the terms and conditions of an option previously granted under the Directors Plan. In addition, no amendment, suspension or termination of the Directors Plan shall, without the Eligible Director's written consent, alter, terminate or impair any right or obligation under any option previously granted under the Directors Plan. An amendment revising the price, date of exercisability, option term or amount of shares of Common Stock covered by an option granted under the Directors Plan may not be made more frequently than every six months, unless such an amendment is required to comply with the Internal Revenue Code, or the Employee Retirement Income Security Act of 1974, as amended, or the rules promulgated thereunder.

17

MISCELLANEOUS

The Directors Plan is not qualified under the provisions of Section 401(a) of the Internal Revenue Code and is not subject to any of the provisions of the Employee Retirement Income Security Act of 1974, as amended.

FEDERAL INCOME TAX CONSEQUENCES

The following general summary is based upon the Internal Revenue Code and does not include a discussion of any state or local tax consequences. A participant will not recognize any taxable income upon the grant of an option. However, upon exercise of an option, a participant must recognize ordinary income in an amount equal to the excess of the fair market value of the shares of Common Stock at the time of exercise over the exercise price. Upon the subsequent disposition of the shares, the participant will realize a capital gain or loss, depending on whether the selling price exceeds the fair market value of the shares on the date of exercise. The participant's holding period in the shares, for capital gains and losses purposes, begins on the date of exercise. A participant's tax basis in the shares received on exercise of an option will be equal to the amount of consideration paid by the participant on exercise, plus the amount of ordinary income recognized as a result of the receipt of such shares. If a participant exercises an option by delivering shares of Common Stock, the participant will not recognize gain or loss with respect to the shares delivered by the participant, even if the then fair market

Edgar Filing: HELEN OF TROY LTD - Form DEF 14A

value of such shares is different from the participant's tax basis therein. The participant, however, will be taxed as described above with respect to the exercise of the option as if he had paid the exercise price in cash. The participant's tax basis in the shares received on such exercise will be equal to his basis in the number of shares surrendered on such exercise plus the fair market value of the number of shares received in excess of the number of shares surrendered and the holding period for such number of shares received will include the holding period of the shares surrendered. The Company will not be entitled to a deduction for federal income tax purposes for the compensation paid to the participants under the Directors Plan.

THE SUMMARY OF FEDERAL INCOME TAX CONSEQUENCES SET FORTH ABOVE IS FOR GENERAL INFORMATION ONLY AND MAY NOT BE APPLICABLE TO ALL INDIVIDUALS. PARTICIPANTS SHOULD CONSULT THEIR OWN TAX ADVISORS FOR A DETERMINATION AS TO THE SPECIFIC TAX CONSEQUENCES APPLICABLE TO THEM.

SHAREHOLDER APPROVAL

The affirmative vote of the holders of a majority of the shares of Common Stock entitled to vote at the Annual Meeting is required to approve the amendment to the Directors Plan described in this Proposal 3. If the amendment described in this Proposal 3 is not approved by the Company's shareholders, the Directors Plan, as previously approved, will continue in effect.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR THIS PROPOSAL.

SHAREHOLDER PROPOSALS

Shareholders intending to present proposals at the 2003 Annual Meeting of Shareholders and desiring to have those proposals included in the Company's proxy statement and form of proxy relating to that meeting must submit such proposals, in compliance with Rule 14a-8 of the Securities Exchange Act of 1934, to be received at the executive offices of the Company no later than March 19, 2003. For proposals that shareholders intend to present at the 2003 Annual Meeting of Shareholders outside the processes of Rule 14a-8 of the Securities Exchange Act of 1934, unless the shareholder notifies the Company of such intent by June 2, 2003, any proxy solicited by the Company for such Annual Meeting will confer on the holder of the proxy discretionary authority to vote on the proposal so long as such proposal is properly presented at the Annual Meeting.

18

RELATIONSHIP WITH INDEPENDENT PUBLIC ACCOUNTANTS

KPMG LLP has served as independent public accountants for the Company since 1978. A representative of KPMG LLP is expected to be present at the Annual Meeting with the opportunity to make a statement if such representative desires to do so. The KPMG LLP representative is also expected to be available to respond to appropriate questions.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's Directors and executive officers, and persons who own more than ten percent of a registered class of the Company's equity securities, to file with the Securities and Exchange Commission initial reports of ownership and reports of changes in ownership of Common Stock and other equity securities of the Company. Executive officers, Directors and greater than ten percent shareholders are required by SEC Regulations to furnish the Company with copies of all Section 16(a) forms

Edgar Filing: HELEN OF TROY LTD - Form DEF 14A

they file.

To the Company's knowledge, based solely on review of the copies of such reports furnished to the Company and written representations that no other reports were required, during fiscal 2002, all Section 16(a) filing requirements applicable to the officers, Directors and greater than ten percent beneficial owners were satisfied.

QUORUM; VOTING

The presence in person of two or more persons, representing throughout the Annual Meeting, in person or by proxy, at least a majority of the issued shares of Common Stock entitled to vote is necessary to constitute a quorum at the Annual Meeting. Abstentions and broker non-votes are counted for purposes of determining whether a quorum is present. If a quorum is present, the seven nominees for Directors receiving a majority of the votes cast at the Annual Meeting in person or by proxy shall be elected. The affirmative vote of the majority of the votes cast at the Annual Meeting in person or by proxy shall be the act of the shareholders with respect to Proposals 2 and 3. If within half an hour from the time appointed for the Annual Meeting a quorum is not present or represented by proxy, the Annual Meeting shall stand adjourned to the same day one week later, at the same time and place or to such other day, time or place the Board of Directors may determine, provided that at least two persons are present at such adjourned meeting, representing throughout the meeting, in person or by proxy, at least a majority of the issued shares of Common Stock entitled to vote. At any such adjourned meeting at which a quorum is present or represented, any business may be transacted that might have been transacted at the Annual Meeting as originally called.

Broker non-votes are shares held by a broker or nominee that are represented at the Annual Meeting, but with respect to which such broker or nominee is not empowered to vote on a particular proposal. Such broker non-votes will be counted towards a quorum. Abstentions and broker non-votes are not counted in determining the total number of votes cast and will have no effect with respect to Proposals 1, 2, and 3.

OTHER MATTERS

The Board of Directors knows of no matters to be presented at the Annual Meeting other than the election of Directors, ratification of KPMG LLP as the Company's independent auditors, and consideration of the amendment to the 1995 Stock Option Plan for Non-Employee Directors to increase the number of shares reserved for granting under that plan. If other matters properly come before the Annual Meeting or any adjournment thereof, the holders of the proxies are authorized to vote on these matters in accordance with management's discretion.
