PROXY STATEMENT

2003 ANNUAL MEETING OF STOCKHOLDERS TO BE HELD ON MAY 22, 2003

This proxy statement is furnished in connection with the solicitation of proxies from the holders of USDATA Corporation common stock and preferred stock by the Board of Directors for use at the 2003 annual meeting (the "Annual Meeting"). This proxy statement and accompanying form of proxy are first being mailed to our stockholders on or about April 30, 2003.

TIME AND PLACE; PURPOSE

The Annual Meeting will be held at USDATA's corporate offices, 2435 North Central Expressway, Richardson, Texas 75080-2759. At the meeting, you will be asked to vote upon: (1) the election of five directors to serve until the 2004 annual meeting, (2) the proposed amendment to the Company's Certificate of Incorporation to increase the total number of authorized shares of each of the Series C-1 Preferred Stock and Series C-2 Preferred Stock from 125,000 to 225,000, and (3) such other matters as may properly come before the meeting.

VOTING RIGHTS; VOTES REQUIRED FOR APPROVAL

The Board of Directors (the "Board") has fixed the close of business on April 7, 2003 as the record date for the Annual Meeting. Only holders of record of shares of USDATA's common stock and preferred stock on the record date are entitled to notice of and to vote at the meeting. On the record date, there were: 3,708,518 shares of USDATA common stock; 50,000 shares of USDATA Series A Preferred Stock; 281,800 shares of USDATA Series B Preferred Stock; and 112,500 shares of USDATA Series C Preferred Stock (collectively the "Preferred Stock") outstanding and entitled to vote at the meeting.

Each holder of record of USDATA common stock as of the record date is entitled to cast one vote per share. The holders of Preferred Stock as of the record date are entitled to cast one vote per share of common stock that may be received upon conversion of their Preferred Stock to common stock and for which the holders of those shares are entitled to vote with the holders of common stock as a single class on all matters submitted to our stockholders. As of the record date, the Preferred Stock was convertible into 3,705,100 shares of common stock, including accrued dividends. The presence, in person or by proxy, of the holders of a majority of the outstanding shares of USDATA common stock and Preferred Stock entitled to vote is necessary to constitute a quorum at the meeting. A properly executed proxy marked "ABSTAIN," although counted for purposes of determining whether there is a quorum and for purposes of determining the aggregate number of shares represented and entitled to vote at the meeting, will

Edgar Filing: USDATA CORP - Form DEF 14A

have no effect on the vote. In addition, where brokers are prohibited from exercising discretionary authority in voting shares for beneficial owners who have not provided voting instructions (commonly referred to as "broker non-votes"), those shares will not be included in vote totals, but will be counted for purposes of determining whether there is a quorum at the Annual Meeting.

All shares of USDATA common stock and Preferred Stock represented by properly executed proxies received prior to or at the meeting and not revoked will be voted in accordance with the instructions indicated in the proxies. If no instructions are indicated on a properly executed and timely returned proxy, the persons named in the proxy will vote the shares FOR election of the five nominees of the Board of Directors and WILL NOT VOTE on the proposal to amend the

Company's Certificate of Incorporation. If you decide to attend the Annual Meeting, you can vote your shares in person, even if you have already returned your proxy.

The Board is not currently aware of any business to be acted upon at the meeting other than as described in this proxy statement. If, however, other matters are properly brought before the meeting, or any adjournments or postponements of the meeting, the persons appointed as proxies will have discretion to vote or act on such matters according to their best judgment.

You may revoke your proxy at any time prior to its use by delivering or mailing in sufficient time to be received prior to the meeting a signed notice of revocation or a later-dated signed proxy to the Chief Financial Officer of USDATA, at the address listed on the notice of annual meeting of stockholders, or by attending the meeting and voting in person. Attendance at the meeting will not in itself constitute the revocation of a proxy.

USDATA will pay the cost of solicitation of proxies. In addition to solicitation by mail, arrangements will be made with brokerage houses and other custodians, nominees and fiduciaries to send proxy material to beneficial owners, and USDATA will, upon request, reimburse them for their reasonable expenses in so doing. To the extent necessary to ensure sufficient representation at the meeting, USDATA may request, in person, by telephone or telecopy, the return of proxy cards. Such solicitation may be made by USDATA's directors, officers or regular employees. USDATA also may employ an outside firm to assist in the solicitation of proxies, and the cost for such services would be paid by USDATA.

QUESTIONS AND ANSWERS

Q: WHAT MAY I VOTE ON?

A: You may vote on the election of five directors who have been nominated to serve on our Board and on the proposal to amend the Company's Certificate of Incorporation.

Edgar Filing: USDATA CORP - Form DEF 14A

Q: HOW DOES THE BOARD RECOMMEND I VOTE ON THE PROPOSALS?

A: The Board recommends a vote FOR each Board nominee and FOR the adoption of the amendment to the Company's Certificate of Incorporation.

Q: HOW DO I VOTE?

A: There are three ways you can vote as follows: (1) Sign and date each proxy card you receive, mark the boxes indicating how you wish to vote, and return the proxy card in the prepaid envelope provided; (2) Use the Internet to vote your proxy. Have your proxy card in hand when you access the following web site: <http://www.eproxy.com/usdc>. You will be prompted to enter the control number that is printed on your proxy card to create and submit an electronic ballot; or (3) Use any touch-tone telephone to vote your proxy. Have your proxy card in hand when you call. You will be prompted to enter the control number that is printed on your proxy card and then follow the directions given.

If you sign your proxy card but do not mark any boxes showing how you wish to vote, your shares will be voted as recommended by the Board.

Your proxy may be revoked by: (a) providing notice in writing to Jennifer P. Dooley, our Vice President and Chief Financial Officer, at any time, or (b) by advising Ms. Dooley at the Annual Meeting that you wish to revoke your proxy and vote your shares in person. Your attendance at the meeting will not constitute an automatic revocation of the proxy.

Q: WHAT IF I HOLD MY USDATA SHARES IN A BROKERAGE ACCOUNT?

A: If you hold your USDATA shares through a broker, bank or other nominee, you will receive a voting instruction form directly from them describing how to vote your shares. This form will, in most cases, offer you the following voting options:

If you hold your shares through a broker, bank or other nominee and wish to vote at the meeting, you must obtain a legal proxy from that nominee authorizing you to vote at the Annual Meeting. We will be unable to accept a vote from you at the meeting without that form. If you hold your shares directly and wish to vote at the Annual Meeting, no additional forms will be required.

Q: HOW WILL DIRECTORS BE ELECTED?

A: The five nominees receiving the highest number of affirmative votes at a meeting of the stockholders at which a quorum is present will be elected as directors.

Q: WHAT VOTE IS REQUIRED TO APPROVE THE PROPOSAL TO AMEND OUR CERTIFICATE OF

Edgar Filing: USDATA CORP - Form DEF 14A

INCORPORATION TO INCREASE THE NUMBER OF AUTHORIZED SHARES OF EACH OF THE SERIES C-1 PREFERRED STOCK AND THE SERIES C-2 PREFERRED STOCK FROM 125,000 TO 225,000?

A: To approve the proposal to amend our Certificate of Incorporation to increase the number of authorized shares of each of the Series C-1 Preferred Stock and the Series C-2 Preferred Stock from 125,000 to 225,000, a quorum must be present and voting on the proposal and the holders of a majority of all of our outstanding common stock must be in favor of the proposal. In addition, holders of a majority of the outstanding shares of Preferred Stock, each voting as a separate class, must vote in favor of the proposal.

Q: WHO WILL COUNT THE VOTES?

A: A representative from our transfer agent, Mellon Investor Services, will count the votes and act as the inspector of elections.

Q: WHAT IS A QUORUM?

A: A quorum is a majority of the outstanding shares entitled to be cast on a matter. The shares may be represented at the meeting either in person or by proxy. To hold the meeting, there must be a quorum present.

Q: WHAT DOES IT MEAN IF I GET MORE THAN ONE PROXY CARD?

A: Your shares may be registered differently or may be in more than one account. We encourage you to have all accounts registered in the same name and address (whenever possible). You may obtain information about how to do this by contacting our transfer agent at:

Mellon Investor Services
85 Challenger Road
Ridgefield Park, NJ 07660
toll-free telephone 800-635-9270

If you provide Mellon Investor Services with photocopies of the proxy cards that you receive or with the account numbers that appear on each proxy card, it will be easier for Mellon Investor Services to combine your accounts.

You also can find information on transferring shares and other useful stockholder information on their web site at www.melloninvestor.com.

Q: WHAT IS THE EFFECT IF I ABSTAIN OR FAIL TO GIVE INSTRUCTIONS TO MY BROKER?

A: If you submit a properly executed proxy, your shares will be counted as part of the quorum even if you abstain from voting or withhold your vote for a particular director.

Broker non-votes also are counted as part of the quorum. A broker non-vote occurs when banks, brokers or other nominees holding shares on behalf of a stockholder do not receive voting instructions from the stockholder by a specified date before the meeting. In this event, banks, brokers and other nominees may vote those shares on matters deemed routine. The election of directors is considered a routine matter. The proposal to amend our Certificate of Incorporation is considered a non-routine matter. Therefore, banks,

Edgar Filing: USDATA CORP - Form DEF 14A

instructions from the stockholder. This will result in a "broker non-vote" on these matters equal to the number of shares for which the brokers do not receive specific voting instructions.

Abstentions are counted in tabulations of the votes cast on proposals presented to stockholders and have the effect of negative votes. A "withheld" vote is treated the same as an abstention. Broker non-votes are not counted for purposes of determining whether a proposal has been approved.

Q: WHO CAN ATTEND THE MEETING?

A: All stockholders are encouraged to attend the meeting. Admission tickets are not required.

Q: WHAT IS A STOCKHOLDER PROPOSAL?

A: A stockholder proposal is your recommendation or requirement that we, or our board of directors take action on a matter that you intend to present at a meeting of stockholders. However, under the proxy rules we have the ability to exclude certain matters proposed, including those that deal with matters relating to our ordinary business operations.

Q: CAN ANYONE SUBMIT A STOCKHOLDER PROPOSAL?

A: To be eligible to submit a proposal, you must have continuously held at least \$2,000 in market value, or 1%, of our common stock for at least one year by the date you submit your proposal. You also must continue to hold those securities through the date of the meeting.

Q: IF I WISH TO SUBMIT A STOCKHOLDER PROPOSAL FOR THE ANNUAL MEETING IN 2004, WHAT ACTION MUST I TAKE?

A: If you wish us to consider including a stockholder proposal in the proxy statement for the annual meeting in 2004, you must submit the proposal, in writing, so that we receive it no later than January 23, 2004. The proposal must meet the requirements established by the Securities and Exchange Commission. Send your proposal to:

Jennifer P. Dooley
Chief Financial Officer
USDATA Corporation
2435 North Central Expressway
Richardson, TX 75080-2759

As to any proposal presented by a stockholder at the annual meeting that has not been included in the proxy statement, management proxies will be allowed to use their discretionary voting authority unless we receive notice of such proposal no later than March 15, 2004.

Q: WHO ARE USDATA'S LARGEST STOCKHOLDERS?

A: As of April 7, 2003, SCP Private Equity Partners II, L.P. ("SCP") beneficially owns 78.2%, Technology Leaders I L.P. beneficially owns 4.0%, Technology Leaders II L.P. beneficially owns 4.0%, and our directors and executive officers as a group beneficially own 0.60%, of our common stock. PROPOSAL TO AMEND OUR CERTIFICATE OF
INCORPORATION TO INCREASE THE NUMBER OF AUTHORIZED
SHARES OF EACH OF THE SERIES C-1 PREFERRED STOCK AND SERIES
C-2 PREFERRED STOCK FROM 125,000 TO 225,000

=====

The Board recommends that the stockholders approve the following resolutions:

RESOLVED, that the proposal of the board of directors to amend the certificate of incorporation to increase the number of shares of authorized preferred stock for each of the Series C-1 Preferred Stock and Series C-2 Preferred Stock from 125,000 to 225,000 is hereby

Edgar Filing: USDATA CORP - Form DEF 14A

approved and adopted; and it is further RESOLVED, that at any time prior to the filing of the amendment to the certificate of incorporation with the Secretary of State of the State of Delaware, the board of directors is authorized and empowered to abandon such amendment without further action by the stockholders.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR APPROVAL OF THE AMENDMENT TO THE CERTIFICATE OF INCORPORATION.

Approval of this amendment requires the vote of a majority of our outstanding voting securities cast at a meeting at which a quorum representing a majority of all outstanding voting stock is present, either in person or by proxy, and voting on the amendment. In addition, approval of the amendment requires the vote of the holders of a majority of the outstanding shares of: (a) the Series A Preferred Stock, (b) the Series B Preferred Stock and (c) a majority of the outstanding shares of the Series C-1 Preferred Stock and Series C-2 Preferred Stock voting together as a single class. The Board believes that SCP intends to vote its shares in favor of the proposal. In this event, the proposal will be assured passage based on the ownership of this entity. If the proposal is approved, the first paragraph of Article IV of the certificate of incorporation will be replaced with the following:

"ARTICLE IV: The Corporation shall be authorized to issue 42,400,000 shares which are divided into two classes consisting of (a) 40,000,000 shares of Common Stock, par value \$.01 per share, and (b) 2,400,000 shares of Preferred Stock, par value \$.01 per share."

The remainder of Article IV will not be amended and will remain unchanged in its entirety.

BACKGROUND. Our certificate of incorporation currently provides that 2,200,000 shares of preferred stock are authorized to be issued. The Board has unanimously approved and adopted, subject to stockholder approval, an amendment to the Certificate of Incorporation that increases the number of shares of preferred stock authorized to be issued from 2,200,000 shares to 2,400,000 shares. As of April 7, 2003, there were 444,300 outstanding shares of preferred stock and warrants to purchase 109,875 shares of Series C Preferred Stock .

PURPOSE. The authorization of an additional 100,000 shares of Series C-1 Preferred Stock and 100,000 shares of Series C-2 Preferred Stock as contemplated by the proposal would give the Company the ability to reserve from the authorized Series C-1 Preferred Stock and Series C-2 Preferred Stock, sufficient shares to satisfy the accrued dividends payable to the holders of the Series C-1 Preferred Stock and Series C-2 Preferred Stock on the current outstanding shares of Series C-1 Preferred Stock and Series C-2 Preferred Stock, as well as allow for potential future investment in the Series C-1 or Series C-2 Preferred Stock.

COMMITTEES OF THE BOARD OF DIRECTORS

The Board held 7 meetings in 2002, and has established two committees; the Audit Committee and Compensation Committee. Each director attended at least 75% of the total number of meetings of the Board and committees of which he was a member during the period in which he served as a director. Information regarding each committee is set forth below.

Audit Committee. The Audit Committee, pursuant to a written charter adopted by the Board, as amended and restated and attached as Appendix A to this proxy statement, recommends our independent accountants, discusses the scope and results of our audit with the independent accountants, reviews with management and the independent accountants our interim and year-end operating results, considers the adequacy of our internal accounting controls and audit procedures, and reviews the non-audit services to be performed by the independent accountants. During 2002, the Audit Committee met 3 times.

Under the NASDAQ SmallCap Marketplace Rule 4350, the Company's Audit Committee must be comprised of at least three members comprised solely of independent directors, each of whom is able to read and understand fundamental financial statements, including a company's balance sheet, income statement, and cash flow statement or will become able to do so within a reasonable period of time after his or here appointment to the audit committee. Under exceptional and limited circumstances, one director who is not independent and is not a current employee of the Company, may be appointed to the audit committee if the Board determines under exceptional and limited circumstances that such director's participation on the audit committee is in the best interests of the Company. On December 2, 2002, Mr. Arthur Spector resigned as member of the Board and Audit Committee of the Company. The Board has determined that it is in the Company's best interests for Yaron Eitan, a member of the Board since October 1, 2002, to replace Mr. Spector as a member of the Audit Committee even though he does not meet the requirement as an independent director of the Board. Mr. Eitan is a partner at SCP Private Equity Partners, the Company's largest stockholder. Mr. Eitan has extensive experience in financial matters and has served on the board of directors of numerous companies over the past fifteen years. The Board believes that Mr. Eitan, will

demonstrate an independent prospective in all matters of the Audit Committee.

Edgar Filing: USDATA CORP - Form DEF 14A

The Board also believes that Mr. Eitan's educational background and business experience will provide valuable insights to the management of the Audit Committee and believes that he will fully work in the best interests of the Company as a member of the Audit Committee. While recognizing the achievements and benefits Mr. Eitan can provide to the Company's Audit Committee, the Company believes it will replace Mr. Eitan on the Audit Committee within the next two years in favor of an independent member.

Compensation Committee. The Compensation Committee reviews and recommends compensation arrangements for senior management, including salaries, cash incentives and option grants and administers our equity compensation plan. During 2002, the Compensation Committee met 1 time.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee is composed of three directors, two of whom are outside directors and one member who is not independent, and operates under a written charter adopted by the Board of Directors according to the rules and regulations of the Securities and Exchange Commission and the Nasdaq SmallCap Market. The Amended and Restated Audit Committee charter is attached as Appendix A. The Audit Committee members are Mr. Eitan, Mr. Dixon and Mr. Illig. Mr. Eitan serves as Chairperson of the Audit Committee. REPORT OF THE COMPENSATION COMMITTEE
ON EXECUTIVE COMPENSATION

=====

COMPENSATION PHILOSOPHY

Our mission is to succeed in a highly competitive business and achieve maximum returns for our stockholders by providing industrial automation software tools, applications and consulting services designed to provide businesses with the knowledge and control needed to perfect the products they produce and the processes they manage.

Our philosophy is to align the compensation of senior management and other employees with that mission and the long-term interests of our stockholders. This philosophy also helps us to:

- o attract and retain outstanding executives,
- o promote among our executives the economic benefits of stock ownership, and
- o motivate and reward executives who, by their hard work, loyalty and exceptional service, make contributions of special importance to the success of our business.

COMPENSATION STRUCTURE

The compensation of our executives, excluding Mr. Fleet, consists of:

- o base salary,
- o annual cash incentives, and

Edgar Filing: USDATA CORP - Form DEF 14A

- o stock options.

Effective October 29, 2002, the Company's board of directors appointed Mr. Fleet as interim president and chief executive officer. Mr. Fleet is a vice-president with Phoenix, an operationally focused turnaround management firm headquartered in Philadelphia, Pennsylvania. Mr. Fleet receives his compensation from Phoenix. Phoenix receives \$35,000 per month, plus expenses, under an engagement letter between Phoenix and the Company, until such time as a permanent president and chief executive officer is selected. In addition, Phoenix shall be granted warrants to purchase up to 5,000 shares of the Company's Series C-1 Preferred Stock and 5,000 shares of the Company's Series C-2 Preferred Stock, all of which shall be granted by May 1, 2003.

Base Pay. Base pay is established initially on the basis of a combination of subjective factors, including experience and achievements of the individual and the level of responsibility assumed at USDATA. Salary increases are based on:

- o level of achievement of financial and strategic objectives,
- o levels of individual responsibility and performance, and
- o general levels of inflation.

Annual Cash Incentives. Annual cash incentives are intended to create an incentive for executives who significantly contribute to and influence our strategic plans and are responsible for our performance. Our primary objectives are to:

- o focus executives' attention on profitability and asset management,
- o encourage teamwork, and
- o tie executives' pay to corporate performance goals consistent with long-term goals of our stockholders.

18

(USDATA LOGO(R))

Incentives are awarded based on achievement of annual financial and strategic goals approved by the compensation committee at the beginning of the year, which goals may include target ranges of:

- o pretax earnings,
- o revenue growth,
- o earnings per share,
- o return on equity,
- o cash management, or
- o some other objective measurement consistent with long-term goals of our stockholders.

The committee approves a target range for specific and/or strategic goals and a range of potential incentive amounts for each executive, stated as a percentage of base salary, and based upon the executive's ability to impact our performance. Incentives are awarded at year-end based on the level achievement

Edgar Filing: USDATA CORP - Form DEF 14A

of the goals compared to the target ranges established.

Based on this criteria, no executive was eligible for a cash incentive for 2002.

Stock Options. Stock options are intended to align the interests of executives and key employees with the long-term interests of our stockholders and other investors and to encourage executives and key employees to remain in our employ. Grants are not made in every year, but are awarded subjectively based on the following factors including:

- o individual's level of responsibility,
- o amount and term of options already held by the individual, and
- o individual's achievement of financial and strategic objectives, which may include in addition to the goals described above:
 - developing strategic alliances,
 - identifying and expanding markets,
 - developing new products,
 - expanding existing market share and penetration,
 - expanding operating capabilities, and
 - improving net operating margins and return on equity.

In 2002, the committee granted stock options to purchase 16,500 shares, 15,800 shares and 22,925 shares at \$1.90 per share to Ms. Dooley, Ms. Blackstone and Mr. Davis, respectively. These options vest 25% per year beginning with the first anniversary date from the date of grant.

EMPLOYMENT CONTRACTS; SEVERANCE AND CHANGE-IN-CONTROL ARRANGEMENTS

The Company has similar employment agreements with Ms. Dooley, Ms. Blackstone and Mr. Davis (collectively, the "Executives" and individually, an "Executive"), who are all "at will" employees. The employment agreements provide that if an Executive is terminated involuntarily for reasons other than cause, the Executives will be entitled to payment of their

salary and certain benefits for a period of six months. In addition, upon a change of control of the Company and certain conditions are met, each Executive is entitled to a one-time bonus.

Edgar Filing: USDATA CORP - Form DEF 14A

On April 25, 2002 the Board, upon the recommendation by the Compensation Committee, approved a change of control distribution plan for our executive officers (the "Liquidation Plan"). The Compensation Committee recommended the approval of the Liquidation Plan in accordance with its general philosophy of aligning the interests of management with the long-term interests of all of our stockholders. The options currently held by management align their interests with those of the holders of common stock, and the Liquidation Plan aligns the interests of the executive team with the holders of our Preferred Stock.

The Liquidation Plan provides compensation to our executive officers based on the liquidation preference received by the stockholders of USDATA's Series B Preferred Stock upon a liquidation event of the Company. The holders of our Preferred Stock are entitled to a preferential distribution of up to approximately \$56.2 million upon a liquidation event of the Company. Out of this liquidation preference, the holders of the Series B Preferred Stock are entitled to receive approximately \$32.2 million, which equals \$30.45 per share on a common stock equivalent basis. In connection therewith, the Liquidation Plan will allow the Executives (as a group) to also receive a preferential distribution, prior to any distribution to the holders of our common stock, of; (a) 15% of the liquidation preference received by the holders of then outstanding shares of Series B Preferred Stock above \$9.67 per share and below \$19.35 per share on a common stock equivalent basis, and (b) 20% of the liquidation preference received by the holders of then outstanding shares of Series B Preferred Stock above \$19.35 per share on a common stock equivalent basis.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS WITH MANAGEMENT AND OTHERS

On March 30, 2001, we received an equity contribution of \$1.5 million from SCP through the issuance of 37,500 shares of Series C-1 Preferred Stock and a warrant to purchase up to 75,000 shares of Series C-2 Preferred Stock. In addition, SCP had committed to purchase an additional 37,500 shares of Series C-1 Preferred ("Option Stock") at the purchase price of \$40 per share or \$1.5 million. We could have exercised our right to sell these shares on or before the expiration of nine months after March 30, 2001, but not before May 30, 2001. In addition, we needed to be in compliance with specified monthly targets as defined in the Series C Preferred Stock Purchase Agreement.

On July 20, 2001, we exercised our right to sell 16,250 shares of the Option Stock to SCP. We received \$635,596, net of transaction costs, in exchange for issuing these shares to SCP.

In March 2002, we entered into a First Amendment to the Series C Preferred Stock Purchase Agreement (the "Agreement"). The Agreement extended the Option Stock draw down period to December 31, 2002, deleted the specified monthly target provisions and provided for additional warrant coverage equal to 50% of the remaining Option Stock, or up to 10,625 shares. All other terms of the original Series C Preferred Stock Purchase Agreement were unchanged. The agreement was unanimously approved by the disinterested members of our board of directors on March 8, 2002.

On September 30, 2002, we exercised our right to sell the remaining 21,250 shares of Series C-1 Preferred and we received \$809,867 in cash, net of transaction costs, in exchange for issuing these shares.

On October 1, 2002, SCP acquired Safeguard's interest in USDATA by entering into a Stock Purchase Agreement with Safeguard Delaware, Inc., Safeguard Scientifics (Delaware), Inc. and Safeguard 2000, pursuant to which SCP acquired for an aggregate purchase price of \$300,000,

Edgar Filing: USDATA CORP - Form DEF 14A

(USDATA LOGO(R))

(1) 1,003,182 shares of USDATA common stock; (2) 50,000 shares of the USDATA Series A Preferred; (3) 132,500 shares of USDATA Series B Preferred; and (3) warrants to purchase 5,300,000 shares of eMake Series A-2 Preferred. Upon a sale, transfer or other disposition of such shares and warrants purchased by SCP, or any portion thereof, or sale of all or substantially all of the assets or stock of USDATA, on or before December 31, 2003, Safeguard shall receive an aggregate of 25% of the excess that SCP receives over the \$300,000 in the same form and on the same terms and conditions, received by SCP in such transaction.

On January 14, 2003, USDATA and SCP entered into a Series C Preferred Stock Purchase Agreement, pursuant to which SCP acquired on January 15, 2003, for an aggregate purchase price of \$1.5 million, (1) 37,500 shares of Series C-1 Preferred; (2) a warrant to purchase 18,750 shares of Series C-2 Preferred at an initial exercise price of \$40.00 per shares, subject to adjustment upon the occurrence of certain events; and (3) 619,186 shares of USDATA common stock. We received \$1,486,000 in cash, net of transaction costs.

The Series C Preferred Stock is convertible into our common stock at a conversion rate of 20 shares of common stock for each share of Series C Preferred Stock. Cumulative dividends are payable at \$4.00 per share per annum in the form of additional shares of Series C Preferred. As an additional condition to the March 30, 2001 financing, SCP is restricted from exercising its right to exchange shares of Series A-1 and Series A-2 Preferred Stock of eMake that they may receive upon the exercise of warrants issued by eMake Corporation.

Pursuant to our certificate of incorporation, the holders of the Series C Preferred Stock are entitled to elect one director to our board of directors by the vote of a majority of the holders of the Series C Preferred. Currently, SCP holds all of the outstanding Series C Preferred Stock. As a result, at its discretion SCP may elect one additional director to our Board.

In addition, pursuant to the Second Amended and Restated Investors' Rights Agreement, as amended, SCP (as long as it owns at least 5% of our Common Stock on an as-converted basis) is entitled to propose one director for election to our Board. SCP has proposed that Winston J. Churchill be its director nominee, to stand for election as proposed.

25

(USDATA LOGO(R))

Exhibit A

USDATA CORPORATION
AMENDED AND RESTATED CHARTER OF THE
AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

GENERAL

Edgar Filing: USDATA CORP - Form DEF 14A

The role of the Audit Committee (the "Committee") of the Board of Directors (the "Board") of USDATA Corporation (the "Corporation") is to assist the Board of Directors in fulfilling its oversight responsibilities by:

- o Serving as an independent and objective party to monitor the Corporation's financial reporting process and internal control system.
- o Reviewing and appraising the audit efforts of the Corporation's independent accountants.
- o Providing an open avenue of communication among the independent accountants, financial and senior management and the Board of Directors.

COMPOSITION

The Committee shall consist of three or more directors as determined by the Board. Each member of the Committee shall be an independent director and free from any relationship that, in the opinion of the Board, would interfere with the exercise of his or her independent judgment as a member of the Committee. In determining whether any director is independent, the Board shall take into consideration the requirements of the principal exchange or system on which the Corporation's common stock is traded. Directors who are affiliates of the Company, or officers or employees of the Company or of its subsidiaries, will not be considered independent. Notwithstanding the above, one director who is not independent as defined, and is not a current employee or an immediate family member of such employee, may be appointed to the Committee, if the Board, under exceptional and limited circumstances, determines that membership on the Committee by the individual is required by the best interests of the corporation and its stockholders, and the Board discloses, in the next annual proxy statement subsequent to such determination, the nature of the relationship and the reasons for that determination.

All members of the Committee must be able to read and understand fundamental financial statements, including a balance sheet, income statement and cash flow statement, or become able to do so within a reasonable period of time after his or her appointment to the Committee, and at least one member of the Committee is to have past employment experience in finance or accounting, requisite professional certification in accounting or any other comparable experience or background which results in that member's financial sophistication, including being or having been a chief executive officer, chief financial officer or other senior officer with financial oversight responsibilities.

The members of the Committee are to be elected by the Board and shall serve until their successors are duly elected and qualified. Unless a Chair is elected by the full Board, the members of the Committee may designate a Chair by majority vote of the full Committee membership.

MEETINGS

The Committee shall hold regular meetings as may be necessary and special meetings as may be called by the Chair of the Committee. As part of its job to foster open communication, the Committee should meet at least annually with management and the independent accountants in separate executive sessions to discuss any matters that the Committee or either of these groups believe

Edgar Filing: USDATA CORP - Form DEF 14A

should be discussed privately. In addition, the Committee or its Chair should meet with the independent accountants and management quarterly to review the Corporation's financial statements.

RELATIONSHIP WITH INDEPENDENT ACCOUNTANTS

The Corporation's independent accountants are to be ultimately accountable to the Board and the Committee, and the Committee and the Board shall have the ultimate authority and responsibility to select, evaluate and, where appropriate, replace the independent accountants (or nominate the outside auditor to be proposed for shareholder approval in any proxy statement).

RESPONSIBILITIES AND DUTIES

To fulfill its responsibilities and duties the Committee shall:

Documents/Reports Review

- o Review and assess the adequacy of this Charter at least annually, and otherwise as conditions dictate.
- o Review the Corporation's annual financial statements and any reports or other financial information submitted to the Securities and Exchange Commission or the public, including any certification, report, opinion, or review rendered by the independent accountants.
