The respective parties to the voting agreements with PMC Commercial and PMC Capital rescinded the voting agreements effective December 10, 2003. The rescissions were effected in connection with exemptive relief being sought for the merger from the Securities and Exchange Commission as required under the Investment Company Act of 1940.

In addition to the rescission of the PMC Capital and PMC Commercial voting agreements, the board of directors of PMC Capital and the board of trust managers of PMC Commercial each agreed to waive the condition in the merger agreement that the voting agreements be in full force and effect at the time of the closing of the merger.

The board of trust managers of PMC Commercial has unanimously approved the merger and has determined that the merger is in the best interest of PMC Commercial's shareholders. The board of trust managers recommends that PMC Commercial shareholders vote FOR the merger, the merger agreement and the other transactions contemplated by the merger agreement, and FOR approval of all other items to be voted upon at the annual meeting.
