QUESTIONS AND ANSWERS

1. Q: WHY AM I RECEIVING THESE MATERIALS?
A: The Board of Directors of TriCo Bancshares is providing these proxy materials to you in connection with TriCo's annual meeting of shareholders which will take place on May 4, 2004. As a shareholder, you are invited to attend the meeting and may vote on the proposals described in this proxy statement.
2. Q: WHAT INFORMATION IS CONTAINED IN THESE MATERIALS?
A: The information included in this proxy statement relates to the proposals to be voted on at the meeting, the voting process, the compensation of our directors and executive officers and certain other required information. Our 2003 Annual Report is also enclosed.
3. Q: WHO MAY VOTE AT THE MEETING?
A: Only shareholders of record at the close of business on March 8, 2004, may vote at the meeting. As of the record date, 7,817,761 shares of our common stock were issued and outstanding. Each shareholder is entitled to one vote for each share of common stock held on the record date.
4. Q: WHAT IS THE DIFFERENCE BETWEEN HOLDING SHARES AS A SHAREHOLDER OF RECORD AND AS A BENEFICIAL OWNER?
A: Most shareholders hold shares through a stockbroker, bank or other nominee rather than directly in their own name. The distinctions between shares held of record and shares owned beneficially are summarized below.

Shareholder of Record

If your shares are registered directly in your name with our transfer agent, Mellon Investor Services, LLC, you are considered to be the shareholder of record of those shares and these proxy materials are being sent directly to you by TriCo. As the shareholder of record, you have the right to vote by proxy or to vote in person at the meeting. In that case, we have enclosed a proxy card for you to use.

Beneficial Owner

If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in street name, and these proxy materials are being forwarded to you by your broker or nominee which is considered to be the shareholder of record of those shares. As the beneficial owner, you have the right to direct your broker how to vote and are also invited to attend the meeting. If you wish to vote these shares at the meeting, you must contact your bank or broker for instructions. Your broker or bank has enclosed a voting instruction card for you to use in directing

Edgar Filing: TRICO BANCSHARES / - Form DEF 14A

the broker or bank how to vote your shares for you.

5. Q: WHAT MAY I VOTE ON AT THE MEETING?
A: You may vote to:
- elect eleven nominees to serve on our Board of Directors for terms expiring at the next annual meeting,
 - amend our articles of incorporation to increase by 30,000,000 the authorized shares of common stock from 20,000,000 to 50,000,000,
 - amend our 2001 stock option plan to increase by 450,000 the number of shares which may be granted under the plan, and
 - ratify the selection of KPMG, LLP as our independent accountants for 2004.
6. Q: HOW DOES THE BOARD OF DIRECTORS RECOMMEND I VOTE?
A: The Board of Directors recommends that you vote your shares FOR each of the eleven listed director nominees, FOR amendment of our articles of incorporation, FOR amendment of our 2001 stock option plan, and FOR the ratification of the accountants.
7. Q: HOW CAN I VOTE MY SHARES?
A: You may vote either in person at the meeting or by appointing a proxy. Please refer to the instructions included on your proxy card to vote by proxy. If you hold your shares through a bank, broker or other nominee, then you may vote by the methods your bank or broker makes available, using the instructions the bank or broker has included with this proxy statement.
8. Q: HOW ARE VOTES COUNTED?
A: In the election of directors, you may vote FOR all of the director nominees or your vote may be WITHHELD with respect to one or more nominees. You may vote FOR, AGAINST or ABSTAIN on the proposals to amend the articles of incorporation, to amend the stock option plan and to ratify the accountants.
9. Q: HOW ARE ABSTENTIONS AND BROKER NON-VOTES TREATED?
A: Since the affirmative vote of the holders of a majority of the shares of our common stock present and voting is required to approve the proposals (other than the election of directors), abstentions and broker non-votes will be counted for purposes of determining whether a quorum is present. Abstentions will be counted as voting shares and will have the effect of a vote "against" the proposals. Broker non-votes will not be counted as shares voting on the proposals.
10. Q: CAN I CHANGE MY VOTE?
A: You have the right to revoke your proxy at any time before the meeting by:
- providing written notice to TriCo's corporate secretary and voting in person at the meeting, or
 - appointing a new proxy before the meeting begins.

Edgar Filing: TRICO BANCSHARES / - Form DEF 14A

Attending the meeting will not by itself revoke a proxy unless you specifically revoke your proxy in writing.

11. Q: WHAT IF I OWN SHARES THROUGH TRICO'S EMPLOYEE STOCK OWNERSHIP PLAN AND TRUST?
A: For present or past employees of TriCo, your proxy includes any shares held in your account under our employee stock ownership plan and trust.

12. Q: WHAT DOES IT MEAN IF I GET MORE THAN ONE PROXY CARD?
A: If your shares are registered differently and are held in more than one account, then you will receive more than one card. Be sure to vote all of your accounts so that all of your shares are voted. We encourage you to have all accounts registered in the same name and address. You can accomplish this by contacting Mellon Investor Services LLC, 235 Montgomery Street, 23rd Floor, San Francisco, California 94104, telephone 1-800-676-0712.

13. Q: WHO MAY ATTEND THE MEETING?
A: All shareholders who owned shares of our common stock on March 8, 2004 may attend the meeting. You may indicate on the enclosed proxy card if you plan to attend the meeting.

2

14. Q: HOW WILL VOTING ON ANY OTHER BUSINESS BE CONDUCTED?
A: We do not know of any business to be considered at the meeting other than:

- election of eleven directors,
- amendment of our articles to increase the authorized shares of common stock from 20,000,000 to 50,000,000,
- amendment of our 2001 stock option plan to increase by 450,000 the number of shares which may be granted under the plan, and
- ratification of our accountants for 2004.

If any other business is properly presented at the meeting, your proxy gives Richard P. Smith, our president and chief executive officer, and Richard O'Sullivan, executive vice president of our subsidiary, Tri Counties Bank, authority to vote on these matters in their discretion.

15. Q: WHERE AND WHEN WILL I BE ABLE TO FIND THE RESULTS OF THE VOTING?
A: The results of the voting will be announced at the meeting. We will also publish the final results in our quarterly report on Form 10-Q for the second quarter of 2004 to be filed with the Securities and Exchange Commission.

16. Q: IS MY VOTE CONFIDENTIAL?
A: Proxy instructions, ballots and voting tabulations that identify individual shareholders are handled in a manner that protects your voting privacy. Your vote will not be disclosed either within TriCo or to third parties except:

Edgar Filing: TRICO BANCSHARES / - Form DEF 14A

- as necessary to meet applicable legal requirements,
- to allow for the counting and certification of votes, or
- to help our Board solicit proxies.

17. Q: WHEN ARE SHAREHOLDER PROPOSALS FOR THE 2005 ANNUAL MEETING DUE?

A: All shareholder proposals to be considered for inclusion in our proxy statement for the 2005 annual meeting must be received at our principal office by November 28, 2004. Shareholder nominations for directors must be received by our president as described on page 10.

18. Q: WHO WILL BEAR THE COST OF SOLICITING PROXIES FOR THE MEETING AND HOW WILL THESE PROXIES BE SOLICITED?

A: We will pay the cost of preparing, assembling, printing, mailing and distributing these proxy materials, including the charges and expenses of brokers, banks, nominees and other fiduciaries who forward proxy materials to their principals. Proxies may be solicited by mail, in person, by telephone or by electronic communication by our officers and employees who will not receive any additional compensation for these solicitation activities.

PROPOSALS TO BE VOTED ON

1. ELECTION OF DIRECTORS

Eleven directors will be elected this year for terms expiring at our annual meeting in 2005. The nominees for election are:

William J. Casey
Donald J. Amaral
Craig S. Compton
John S. A. Hasbrook
Michael W. Koehnen
Wendell J. Lundberg
Donald E. Murphy
Steve G. Nettleton
Richard P. Smith
Carroll R. Taresh
Alex A. Vereschagin, Jr.

Each nominee is currently serving as a director of TriCo, except for Mr. Hasbrook and Mr. Koehnen who are currently serving as directors of Tri Counties Bank.

The eleven nominees receiving the most affirmative votes cast at the meeting will be elected as directors assuming a quorum is present. Consequently, any shares not voted at the meeting, whether by abstention or otherwise, will have no effect on the election of directors. If any of the nominees should unexpectedly decline or become unable to serve, the proxies we are soliciting may be voted for a substitute nominee or the Board may reduce the size of the Board.

Brief biographies of the director nominees begin on page 7. These biographies

Edgar Filing: TRICO BANCSHARES / - Form DEF 14A

include their age, business experience and the names of publicly held and certain other corporations of which they are also directors. Unless stated otherwise, each director has been engaged in his present occupation for at least the past five years.

Shareholders may cumulate their votes when electing directors. To do so, you must follow the procedures set forth in our bylaws which are described at "Governance, Board Nomination and Board Committees--Nomination and Election of Directors" on page 10.

The Board recommends a
vote to elect these eleven
nominees.

2. AMENDMENT OF OUR ARTICLES OF INCORPORATION TO INCREASE OUR AUTHORIZED SHARES OF COMMON STOCK FROM 20,000,000 TO 50,000,000

The Proposal. On February 24, 2004, our Board approved an amendment to our articles of incorporation to increase the number of authorized shares of common stock by 30,000,000 from 20,000,000 to 50,000,000, subject to shareholder approval. This additional common stock would have identical rights to our common stock currently outstanding. The amended Article 4(a) of our articles of incorporation would read:

"The corporation is authorized to issue two classes of shares designated "Preferred Stock" and "Common Stock," respectively. The number of shares of Preferred Stock authorized to be issued is one million (1,000,000), and the number of shares of Common Stock authorized to be issued is fifty million (50,000,000)."

On March 8, 2004, we had:

- 7,817,761 shares of common stock issued and outstanding,
- 956,641 shares reserved for issuance under our stock option plans, and
- 100,000 shares reserved for issuance under our dividend reinvestment plan.

On March 11, 2004, we reserved an additional 7,817,761 shares to be issued in

4

connection with the 2-for-1 stock split declared by our Board to be effective for the holders of record of our common stock at the close of business on April 9, 2004.

Reasons for the Increase in Shares. After the stock split to be effective on April 9, 2004, only 2,251,196 shares of our common stock would not be reserved for any specific use and would be available for future issuance. The Board recommends this increase in authorized shares primarily to give us appropriate flexibility to issue shares for such purposes as:

- raising capital,
- acquiring other businesses,
- attracting and retaining valuable employees by issuing shares under our 2001 stock option plan, and

Edgar Filing: TRICO BANCSHARES / - Form DEF 14A

- effecting a stock split or issuing stock dividends.

We have no present arrangements, agreements, commitments or understandings to issue any of the proposed additional shares, except in connection with existing stock options and the 2-for-1 stock split to be effective April 9, 2004. These shares may be issued by the Board in its discretion, subject to any further shareholder action required under Nasdaq rules or required by law. Any future issuance will have the effect of diluting the percentage of stock ownership and voting rights of current shareholders.

Potential Antitakeover Considerations. The Board is aware that increasing the number of our authorized shares of common stock may have a potential anti-takeover effect by delaying, deferring or preventing changes in control or management. We could use the increased shares to frustrate persons trying to gain control of TriCo. For example, the Board could privately place shares with purchasers who may side with the Board in opposing a hostile takeover or issue securities that would dilute the stock ownership of persons seeking to gain control of TriCo. Our corporate documents contain certain provisions that also could have an anti-takeover effect, such as:

- authorized preferred stock which can be issued by the Board in its discretion,
- procedures which the Board may follow in evaluating and potentially rejecting a tender offer or acquisition of TriCo's assets, and
- a shareholder's rights plan which could deter a tender offer by requiring a potential acquiror to pay a substantial premium over the market price of our stock.

This proposal to increase the number of authorized shares of common stock is not being recommended by the Board as part of an anti-takeover strategy and we are not aware of any efforts by any party to accumulate our stock or to obtain control of TriCo.

Effectiveness. The amendment to our articles of incorporation must be approved by the affirmative vote of a majority of our outstanding shares and then filed with the California Secretary of State before it becomes effective. The increase in authorized shares would not affect the rights of existing holders of common stock except to the extent that future issuances of common stock will reduce each existing shareholder's proportionate ownership.

The Board recommends a vote to approve the amendment to our articles of incorporation to increase the number of authorized shares of common stock from 20,000,000 to 50,000,000.

5

3. AMENDMENT OF OUR 2001 STOCK OPTION PLAN TO INCREASE BY 450,000 THE NUMBER OF SHARES WHICH MAY BE GRANTED UNDER THE PLAN

On February 24, 2004, our Board approved an amendment to our 2001 stock option plan to increase by 225,000 the number of shares which may be granted under the plan, subject to shareholder approval. On March 11, 2004, the Board declared a 2-for-1 stock split to be effective on April 9, 2004, and revised the amendment to the 2001 stock option plan to reflect the stock split. The proposed amendment to the plan (post-stock split) is to increase by 450,000 from 1,674,650 to

Edgar Filing: TRICO BANCSHARES / - Form DEF 14A

2,124,650 the number of shares which may be granted under the plan. The amendment is described in more detail beginning on page 22.

The amendment to our 2001 stock option plan will be effective if it is approved by the affirmative vote of a majority of our outstanding shares.

Our 2001 stock option plan promotes the interests of TriCo and our stockholders by:

- attracting and retaining key officers, employees, directors and consultants,
- motivating these individuals by granting them performance-related incentives to achieve long-range performance goals, and
- linking their compensation to the long-term interests of TriCo and our stockholders.

The Board recommends a vote to
approve the amendment to our
2001 stock option plan to increase
by 450,000 the number of shares
which may be issued under the plan.

4. RATIFICATION OF SELECTION OF INDEPENDENT ACCOUNTANTS

The firm of KPMG, LLP served as our independent certified public accountants for 2003 and our audit committee has selected the firm as our accountants for 2004. Representatives of KPMG will be present at the meeting and will have the opportunity to make a statement and to answer questions.

The following audit services were performed by KPMG for the year ended December 31, 2003:

- examination of our financial statements and our employee benefit plans,
- services related to our filings with the Securities and Exchange Commission, and
- consultation on matters related to accounting, financial reporting, tax returns and regulatory compliance.

Additional information concerning KPMG's services for TriCo can be found on pages 25 and 26. The affirmative vote of a majority of our outstanding shares will ratify the selection of KPMG as our independent accountants.

The Board recommends a vote to
ratify selection of KPMG, LLP
as our accountants for 2004.

The following nominees to the Board are currently serving as Board members of both TriCo Bancshares and Tri Counties Bank, except for Mr. Amaral who is a director of only TriCo, and Mr. Hasbrook and Mr. Koehnen who are directors of only Tri Counties Bank. GOVERNANCE, BOARD NOMINATION AND BOARD COMMITTEES

CORPORATE GOVERNANCE

We have long believed that good corporate governance is important to ensure that TriCo is managed for the long-term benefit of its shareholders. We continue to review our corporate governance policies and practices along with provisions of the Sarbanes-Oxley Act of 2002, the new rules of the Securities and Exchange Commission and the new listing standards of Nasdaq. Since our 2003 annual meeting we have:

- updated our audit committee charter,
- affirmatively determined that all of our directors except for Mr. Smith qualify as independent directors under the rules of Nasdaq and our corporate governance guidelines,
- affirmatively determined that Mr. Amaral is an audit committee financial expert under the rules of the Securities and Exchange Commission,
- updated our corporate governance guidelines, and
- updated our code of business conduct which applies to all officers, directors and employees.

The charter for our nominating and corporate governance committee is attached to this proxy statement as Exhibit A. The charter for our audit committee was included with our 2003 proxy statement. You can view our current code of business conduct, our code of ethics for our principal executive officers and senior financial officers, and our audit committee charter on our website at www.tricountiesbank.com under "investor information--corporate information," or receive copies by writing to our corporate secretary at TriCo Bancshares, 63 Constitution Drive, Chico, California 95973, phone (530) 898-0300.

BOARD PROCEDURES AND COMMITTEES

Our full Board of Directors considers all major decisions. However, we have established three standing committees so that some matters can be addressed in more depth than may be possible in a full Board meeting: a compensation and management succession committee, a nominating and corporate governance committee and an audit committee. These three committees each operate under written charter. The Board has affirmatively determined that each member of our Board committees are independent as defined by NASD Rule 4200(a)(15) and our corporate governance guidelines. Following is a description of each of these committees. Our subsidiary, Tri Counties Bank, also has an audit committee and other Board committees.

Edgar Filing: TRICO BANCSHARES / - Form DEF 14A

Audit Committees. We have a standing audit committee of TriCo and a standing audit committee of Tri Counties Bank. The current members of both audit committees are Donald Amaral (chairman), Donald Murphy, William Casey, Craig Compton, Wendell Lundberg, Steve Nettleton, Carroll Taresh and Alex Vereschagin. The board has determined that Mr. Amaral is an audit committee financial expert and that each member of the committee is financially literate and independent as defined by NASD listing standards. Their qualifications and business expertise are described beginning on page 7. The committee monitors:

- the integrity of our financial statements, including the financial reporting process and systems of internal controls regarding finance, accounting and legal and regulatory compliance,
- our compliance with legal and regulatory requirements,
- the independence, qualifications and performance of our financial executives, independent auditor and internal auditing department, and
- the communication among our independent auditor, management, our internal auditing function and the Board.

Our audit committee met seven times during 2003. For more information on the audit committee, please see the report of the audit committee on page 25.

Compensation and Management Succession Committee. The current members of the compensation and management succession

9

committee are William Casey (chairman), Donald Amaral, Craig Compton, Wendell Lundberg and Donald Murphy. This committee:

- determines TriCo's salary philosophy,
- sets the compensation levels for our president and chief executive officer, o reviews the compensation of our other executive officers,
- administers our stock option plans,
- reviews the benefits provided to our executive officers and directors, and
- establishes and reviews our management succession policies.

The compensation and management succession committee held four meetings in 2003. Additional information on the compensation and management succession committee is found on page 21 and at Exhibit A to this proxy statement.

Nominating and Corporate Governance Committee. The current members of the nominating and corporate governance committee are William Casey (chairman), Wendell Lundberg, Donald Murphy, Steve Nettleton and Carroll Taresh. This committee:

- determines nominees to the Board in the manner described below,
- reviews our Board committee structure and members,
- annually evaluates the Board,

Edgar Filing: TRICO BANCSHARES / - Form DEF 14A

- monitors director independence, and
- reviews our corporate governance guidelines and code of business ethics.

The committee was formed in 2003 and met for the first time in 2004.

NOMINATION AND ELECTION OF DIRECTORS

- the ability to make independent analytical inquiries, and
- an understanding of our business environment.

The committee has not established any specific minimum qualification standards for directors, except that no person may serve as a director who is seventy-five years of age or older at the time of election. However, the committee may identify certain skills or attributes as being particularly desirable for specific director nominees in order to complement the existing Board composition. To date the committee has identified and evaluated nominees for directors based on several factors, including:

- referrals from our management, existing directors and advisors,
- business or banking experience,
- education,
- leadership abilities,
- professional reputation and affiliation, and
- personal interviews.

We do not currently pay any fee to a third party to identify or evaluate potential director nominees, although we may retain search firms to assist in finding qualified candidates.

Shareholder Nominations. The committee will consider nominees recommended by shareholders if those nominations are submitted under Section 15 of our bylaws. Section 15 provides that nomination for election of members of the Board of Directors may be made by the Board of Directors or by any shareholder of any outstanding class of capital stock of TriCo entitled to vote for the election of directors. Notice of intention to make any nominations shall be made in writing and shall be delivered or mailed to the president of TriCo not less than twenty-one (21) days nor more than sixty (60) days prior to any meeting of shareholders called for the election of directors; provided, however, that if less than twenty-one (21) days' notice of the meeting is given to shareholders, such notice of intention to nominate shall be mailed or delivered to the president of TriCo not later than the close of business on the tenth (10th) day following the day on which the notice of meeting was mailed; provided further,

Edgar Filing: TRICO BANCSHARES / - Form DEF 14A

that if notice of such meeting is sent by third-class mail as permitted by Section 6 of the bylaws, no notice of intention to make nominations shall be required. Such notification shall contain the

10

following information to the extent known to the notifying shareholder: (a) the name and address of each proposed nominee; (b) the principal occupation of each proposed nominee; (c) the number of shares of capital stock of TriCo owned by each proposed nominee; (d) the name and residence address of the notifying shareholder; and (e) the number of shares of capital stock of TriCo owned by the notifying shareholder. Nominations not made in accordance with these provisions may, in the discretion of the chairman of the meeting, be disregarded and upon the chairman's instructions, the inspectors of election can disregard all votes cast for each such nominee.

Nominees recommended by shareholders are evaluated in the same manner as other nominees. We have not received any proposals for director nominees from shareholders for this election.

Cumulative Voting. Each shareholder may cumulate votes in the election of directors. This means that a shareholder can cast votes for the number of shares owned multiplied by the number of directors to be elected. For example, if you own 1,000 shares, you could cast 9,000 votes since we will be electing eleven directors at the meeting. You may cast those votes for a single candidate or distribute your votes among any or all of the candidates. However, you may not cumulate votes for a candidate unless that candidate has been properly nominated prior to the voting and you have given notice of your intention to cumulate your votes. You must express your intention to cumulate votes at the meeting prior to the election. If any shareholder gives notice to cumulate his shares, all other shareholders shall be allowed to cumulate their votes as well. We will provide an opportunity at the meeting for any shareholder who desires to cumulate votes to announce his intention to do so. We are soliciting discretionary authority to vote proxies cumulatively.

ATTENDANCE AT MEETINGS

The Board of Directors of TriCo and Tri Counties Bank each met 14 times during 2003. Each director attended at least 75% of the meetings of the Boards of Directors of both TriCo and Tri Counties Bank and the meetings of the committees of TriCo and Tri Counties Bank on which they served. In addition, our independent directors meet in executive session at least semi-annually to discuss our chief executive officer's performance.

Our corporate governance guidelines provide that each director must attend our annual shareholders meeting. In 2003 all of our directors attended the annual meeting except for Mr. Vereschagin.

COMPENSATION AND MANAGEMENT SUCCESSION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

No member of our compensation and management succession committee is an officer, former officer or employee of TriCo or Tri Counties Bank. No executive officer of TriCo had any interlocking relationship with any other for-profit entity during 2003, including serving on the compensation committee for any other entity.

COMPENSATION OF DIRECTORS

COMPENSATION

During 2003 each non-employee director received a \$1,500 monthly retainer, the chairman of the Board received a \$2,000 monthly retainer and the chairman of the audit committee received an \$1,800 monthly retainer. Each director also:

- received options for shares of our common stock described on page 23,
- was eligible to participate in the deferred compensation plan and supplemental retirement plan described below,
- has an indemnity agreement under which TriCo will indemnify him in his capacity as a director,
- was covered by directors' and officers' liability insurance, and
- has a long-term care agreement with TriCo described on page 18.

We do not pay our directors any additional compensation to attend board or committee meetings. Directors who are employees of TriCo do not receive additional compensation for their service on the Board.

DIRECTOR DEFERRED COMPENSATION PLAN

In 1992 we adopted a deferred compensation plan for directors to provide our directors with supplemental retirement benefits. Under the plan, directors may defer all or part of their retainer fees into a separate account. The amount deferred cannot be less than \$200 per month. The plan permits us to make discretionary contributions to a director's account. It also requires us to make an annual contribution to each director's account based on amounts contributed to other retirement and benefit plans.

Accounts maintained under the plan are credited with interest each month at a rate that is three percent higher than the annual yield of the Moody's average corporate bond yield index. Directors are immediately 100% vested in their own contributions and associated interest. We determine the vesting rate for all discretionary contributions. To date, we have not made any discretionary contributions to directors' accounts.

This plan is nonqualified, unsecured and unfunded. However, we do maintain corporate-owned life insurance on the lives of the directors who participate in the plan to offset some of the costs.

DIRECTOR SUPPLEMENTAL RETIREMENT PLAN

In 1987 we adopted a supplemental retirement plan for directors to provide our directors with additional retirement benefits. Any outside director of TriCo or Tri Counties Bank who has served as a director for at least ten years is eligible to participate. Full benefits apply to all directors who are at least 65 years old.

When a qualified director retires, he can immediately receive 15 times the amount of the retainer fees we paid him during his final year of service. We pay that amount in 15 equal annual installments. If a director has been on our Board for at least ten years but is not yet 65, we will pay the supplemental retirement benefit at a discounted rate. If we experience a change of control, we will pay all vested retirement benefits immediately. This plan is nonqualified, unsecured and unfunded.

Edgar Filing: TRICO BANCSHARES / - Form DEF 14A

STOCK OPTION PLAN

In 2003 directors received stock options under our 2001 stock option plan described on page 18. In 2003 we granted directors options for 10,000 shares when they are first elected to the Board which vest over five years beginning on the first anniversary of the grant date. We also granted directors options for 2,000 shares of common stock when they are reelected to the Board. These options may be exercised on the first anniversary of the grant date.

This chart shows the common stock ownership for each TriCo director and director nominee, the executive officers named on page 15, and owners of more than 5 percent of our outstanding common stock as of March 8, 2004. These figures do not reflect the two-for-one stock split to be effective on April 9, 2004. Each shareholder has direct ownership and sole voting and investment power for the shares listed unless otherwise noted. The share amounts have been rounded to the nearest full share.

EXECUTIVE DEFERRED COMPENSATION PLAN

In 1987 we adopted an executive deferred compensation plan to provide our key employees with supplemental funds for retirement or death. Under the plan, executives may defer all or part of their compensation into a separate account. The plan permits us to make discretionary contributions to an executive's account. It also requires us to make an annual contribution to each executive's account based on amounts contributed to other retirement and benefit plans.

Accounts maintained under the plan are credited with interest each month at a rate that is 3% higher than the annual yield of the Moody's average corporate bond yield index. Executives are immediately 100% vested in their own contributions and associated interest. We determine the vesting rate for all discretionary contributions. So far, we have not made any discretionary contributions.

This plan is nonqualified, unsecured and unfunded. However, we do maintain corporate-owned life insurance on the lives of the executives who participate in

Edgar Filing: TRICO BANCSHARES / - Form DEF 14A

the plan to offset some of the costs.

CEO INCENTIVE PLAN

In 2001 the Board adopted the CEO Incentive Plan which is described in the "Report of the Compensation and Management Succession Committee" on page 21. This plan provides bonus compensation to our chief executive officer, Richard Smith.

EXECUTIVE EMPLOYMENT AGREEMENTS

We have an employment agreement with Richard Smith which provided Mr. Smith with a base annual salary of \$371,875 for 2003 with future increases as determined by the Board of Directors. Mr. Smith is also eligible to receive an annual incentive bonus under the CEO Incentive Plan and stock options under our 2001 stock option plan. Mr. Smith's compensation is described in the "Report of the Compensation and Management Succession Committee" on page 21. Also, he receives benefits under our supplemental executive retirement plan and other benefit plans.

We also have an employment agreement with Richard O'Sullivan which provided him with an annual base salary of \$196,096 in 2003 with future increases as determined by the Board of Directors. Mr. O'Sullivan is also eligible to receive an annual incentive bonus, stock options under our 2001 stock option plan and benefits under our supplemental executive retirement plan and other benefit plans.

CHANGE OF CONTROL AGREEMENTS

Four of the named executive officers have entered into agreements with TriCo that provide them with benefits if TriCo experiences a change of control. If a change of control occurs, they are entitled to receive the following payments in certain circumstances:

- Mr. Smith and Mr. O'Sullivan: 2 times the combined amount of his annual salary and most recent annual bonus,
- Mr. Reddish: 2 times the amount of his annual salary and 1 1/2 times the amount of his most recent annual bonus, and
- Mr. Carney: 1 1/2 times the combined amount of his annual salary and most recent annual bonus.

LONG-TERM CARE AGREEMENTS

In 2003 we entered into long-term care agreements with all eligible directors and all executive officers and paid a one-time premium for long-term care insurance for each participant. The single premiums cost approximately \$50,000 for each participant and will be amortized by TriCo over five years. The long-term care insurance provides long-term care benefits if a participant becomes disabled or has a long-term medical condition.

The agreements generally provide that if a participant's service with TriCo terminates for any reason, the participant will reimburse a percentage of the premium paid by TriCo. The reimbursement obligation decreases 20% for each year of service following adoption of this agreement. For example, if a participant's service is terminated immediately following his third year of service following adoption of this agreement, he would generally be required to reimburse TriCo

Edgar Filing: TRICO BANCSHARES / - Form DEF 14A

for 40% of the premium. During 2003 we recognized an expense of \$128,000 relating to the long-term care insurance.

STOCK OPTION PLANS

In 1993 we adopted a stock option plan for directors. On March 8, 2004, there were options for 8,400 shares outstanding under this plan and no additional options were available for grant. In 1995 we adopted a stock option plan for key employees. On March 8, 2004, there were options for 193,875 shares outstanding under this plan and no additional options were available for grant. Vesting schedules were determined individually for each grant under both plans.

In 2001 we adopted a stock option plan for key officers, employees, directors and consultants. On March 8, 2004, there were options for 647,896 shares outstanding and options for only 106,470 shares were available for future grant. Vesting schedules are determined individually for each grant. The stock options we have issued to the named executive officers under all of our stock option plans were granted at exercise prices equal to the fair market value of TriCo stock at the date of grant and vest over a five-year period. Any comment we make in this proxy statement regarding stock options granted to directors, executive officers and employees uses option prices and share amounts that have been adjusted for past stock dividends but do not reflect the two-for-one stock split to be effective on April 9, 2004.

Shareholders are being asked to amend the 2001 stock option plan to increase by 450,000 the number of shares which may be issued under the plan. Additional information concerning the plan and the proposed amendment can be found beginning at page 22.

STOCK OPTION GRANTS IN 2003

The following table presents information concerning stock options granted to

Edgar Filing: TRICO BANCSHARES / - Form DEF 14A

each of the named executive officers in 2003 and the potential realizable value for those stock options based on future appreciation assumptions:

NAME	INDIVIDUAL GRANTS				EXPIRATION DATE	POTENTIAL REALIZABLE VALUE AT ASSUMED 5% APPRECIATION RATES OF STOCK OPTION
	NUMBER OF SECURITIES UNDERLYING OPTIONS GRANTED #	% OF TOTAL OPTIONS GRANTED TO EMPLOYEES IN 2003	EXERCISE PRICE (\$)

Craig Carney	15,000	6.6%	25.41		7-8-13	239,703

(1) Potential realizable value is based on an assumption that the market price of our common stock will appreciate at the stated rates (5% and 10%), compounded annually from the date of grant until the end of the term. The values are calculated based on rules of the Securities and Exchange Commission and do not reflect our estimate or projection of future stock prices. Actual gains, if any, on stock option exercises will depend on the future performance of the price of our common stock and the timing of exercises.

(2) Received as a director of TriCo.

OPTIONS EXERCISED IN 2003 AND 2003 YEAR-END OPTION VALUES

The following table presents information about the number and value of stock options exercised in 2003 and held at December 31, 2003, by each named executive officer. A stock option is "in-the-money" if the closing market price of TriCo stock exceeds the exercise price of the stock option.

SUPPLEMENTAL EXECUTIVE RETIREMENT PLAN

In 1987 we adopted a supplemental executive retirement plan to provide supplemental retirement benefits to key employees. This plan is administered by our compensation and management succession committee. In general terms, the benefits are payable if a participant retires at the age of 65, if he dies or becomes disabled, or if he is terminated within 24 months after a change in control. We do not pay benefits if an

19

employee is terminated for cause. The plan is nonqualified, unsecured and unfunded. The purpose of the plan is to provide an incentive to key executives to remain in TriCo's service by providing additional compensation that is payable only if the executive remains with TriCo until retirement, disability or death. Participants in the plan are approved by the compensation and management succession committee.

The plan provides for payments of 70% of the participant's final average compensation, including salary and bonus for the highest paid 36 months out of the last 60 months of the participant's employment. The benefit amount is reduced by the sum of amounts payable to the officer from social security benefits and the annuity received from TriCo's ESOP, profit sharing plans, frozen tax-qualified retirement benefit plan and other defined benefit plans. The normal retirement age under the plan is age 65 with at least ten years of service. The plan also allows for early retirement at age 55 with at least ten years of service. If a participant retires prior to age 65, the 70% payment under the plan is reduced by 2% per year for each year the participant's retirement date precedes his normal retirement date for the first five years and 4% for the next five years to age 55. Benefit payments under the plan will be made for the lifetime of the participant, with a minimum of ten years of payments if the participant dies after retirement.

The following table shows payments under the plan, assuming a minimum of ten years of service at retirement age.

All of the named executive officers are participants in the plan. At March 8,

Edgar Filing: TRICO BANCSHARES / - Form DEF 14A

2004, they had accrued the following years of service in the plan: Mr. Smith--ten years; Mr. O'Sullivan--nineteen years; Mr. Mastorakis--three years; Mr. Reddish--nine years and Mr. Carney--seven years.

OTHER BENEFIT PLANS

We have an employee stock ownership plan and trust for all employees completing at least 1,000 hours of service with TriCo or Tri Counties Bank. Annual contributions are made by TriCo in cash at the discretion of the Board. Contributions to the plan are held in trust and invested primarily in our common stock. Contributions are allocated to participants on the basis of salary in the year of allocation. In general, benefits become vested after seven years.

We do not have any long-term incentive plans that provide compensation for performance that is measured over a period longer than one fiscal year. We do not provide any actuarial plan that is payable upon retirement. The named executive officers may also participate in other benefits available to all employees.

REPORT OF THE COMPENSATION AND MANAGEMENT SUCCESSION COMMITTEE

TO OUR SHAREHOLDERS:

The report of the compensation and management succession committee for 2003 includes our activities related to compensation review and recommendations for the chief executive officer and, to a certain extent, the other named executive officers.

COMPENSATION POLICIES

The purpose of the committee is to ensure that TriCo's officers are compensated in a manner consistent with our stated compensation strategy, internal equity considerations, competitive practice and the requirements of bank regulatory agencies. The committee determines the compensation of Richard P. Smith, our chief executive officer. We also review Mr. Smith's compensation decisions concerning other officers.

The compensation program for executive officers consists of three key elements:

- base salary,
- performance-based annual bonus, and
- periodic grants of stock options.

This three-part program enables us to tie compensation to TriCo's performance. As a result, we believe that this program best serves the interests of TriCo and its shareholders.

COMPENSATION OF CHIEF EXECUTIVE OFFICER

Base Salary. Mr. Smith's salary was originally set forth in his employment agreement. In determining the annual adjustments to his base salary, we considered compensation levels at banks of similar size and type. In 2003 Mr. Smith received a salary of \$371,875.

Annual Bonus. The bonus permits annual recognition of individual performance and is based on the CEO Incentive Plan adopted in 2001. Under this plan, we evaluate

Edgar Filing: TRICO BANCSHARES / - Form DEF 14A

Mr. Smith's performance annually based on the following four components:

- financial performance,
- asset and liability quality,
- internal growth of TriCo and our common stock, and
- Mr. Smith's leadership skills.

Based on our evaluation under each of the four guidelines outlined in the CEO Incentive Plan, we recommended that Mr. Smith receive an incentive bonus of \$168,750 for 2003. The Board approved payment of this bonus.

Stock Options. The number of stock options granted is determined by a subjective evaluation of Mr. Smith's ability to influence our long-term growth and profitability. Since the value of an option bears a direct relationship to TriCo's stock price, we believe it is an effective incentive to create value for shareholders. All options are granted at exercise prices not less than the fair market value of the stock on the date of the grant. In 2003 Mr. Smith received stock options for 2,000 shares of common stock for his re-election to the Board of Directors and stock options for 50,000 shares for his employment as chief executive officer.

COMPENSATION OF OTHER EXECUTIVES

The salaries and annual bonuses for all other officers are established by Mr. Smith subject to our review. Mr. Smith seeks to establish base salaries that are within the range of salaries for persons holding similarly responsible positions at other banks and bank holding companies. In addition, he considers factors such as relative company performance, the individual's past performance and future potential.

As with Mr. Smith's compensation, the number of stock options granted to top executives is determined by a subjective evaluation of the executive's ability to influence TriCo's long-term growth and profitability. In 2003 our executives other than Mr. Smith together received stock options for 105,000 shares of common stock.

AMENDMENT OF 2001 STOCK OPTION PLAN

PROPOSED AMENDMENT

Our 2001 stock option plan provides that options may be granted for shares of our common stock to our officers, directors, employees and consultants. As of March 8, 2004, the maximum number of shares of common stock which may be granted under the plan was 837,325. On that date, we had granted stock options for 730,855 shares with only 106,470 shares available for future grant under the plan. On March 11, 2004, the Board declared a two-for-one stock split to be effective on April 9, 2004. After effectiveness of the stock split, there would

Edgar Filing: TRICO BANCSHARES / - Form DEF 14A

only be 212,940 shares available for future grant under the plan from a total of 1,674,650 reserved for grant.

Also on March 11, 2004, our Board revised the amendment to our 2001 stock option plan to increase by 450,000 from 1,674,650 to 2,124,650 the number of shares which may be granted under the plan subject to stockholder approval. The compensation and management succession committee believes that the number of shares remaining for grant under the plan is not sufficient to make future awards to our directors, officers and employees. Our Board believes it to be in our best interest to adopt this amendment in order to continue to use the stock options as incentives to attract and retain qualified officers, directors and employees in a competitive labor market, and encourage their increased stock ownership. The plan is summarized below. Please also review the equity compensation chart on page 18 when considering approval of the amendment to this plan.

The additional 450,000 shares that would be reserved for issuance under the plan if the amendment is approved by shareholders represented approximately 2.98% of our outstanding shares on March 8, 2004, assuming the 2-for-1 stock split had been effective on that date. Based solely on the closing price of our common stock as reported on Nasdaq on that date of \$35.34 per share, the total market value of the 450,000 additional shares which may then be issued under the plan would be \$7,951,500, assuming the 2-for-1 stock split had been effective on that date and the estimated post-split closing price was \$17.67.

ELIGIBILITY AND ADMINISTRATION

Current and prospective officers, employees, directors and consultants of TriCo or its subsidiaries or affiliates may be granted awards under the plan. As of March 8, 2004, approximately 623 individuals were eligible to participate in the plan. Our compensation and management succession committee has not yet determined the individuals who will receive new awards under the plan if the amendment is approved by stockholders.

The plan is administered by our compensation and management succession committee. Awards to directors serving on the committee are determined and administered by the full Board of Directors. The committee may:

- select participants,
- determine the type and number of options to be granted,
- determine the exercise price and vesting period of any option,
- determine and later amend the terms and conditions of any option,
- interpret the rules relating to the plan, and otherwise administer the plan.

STOCK OPTIONS

The committee may grant both incentive stock options, which can result in potentially favorable tax treatment to the participant, and non-qualified stock options. The committee determines the terms and vesting provisions, including the exercise price that generally may not be less than the fair market value of a share of common stock on the grant date. The maximum term of each option, the times at which each option will

Edgar Filing: TRICO BANCSHARES / - Form DEF 14A

be exercisable, and the provisions requiring forfeiture of unexercised options following termination of employment generally are fixed by the committee, except that no option may have a term exceeding ten years. Incentive stock options that are granted to holders of more than 10% of our stock are subject to certain additional restrictions, including a five-year maximum term and a minimum exercise price of 110% of the fair market value.

Shares subject to options that are cancelled, expire unexercised, forfeited, settled in cash or otherwise terminated remain available for awards under the plan. Shares issued under the plan may be either newly issued shares or shares which we have reacquired. The plan imposes individual limitations on the amount of certain awards in order to comply with Section 162(m) of the Internal Revenue Code of 1986. Under these limitations no single participant may generally receive options in any calendar year that relate to more than \$1 million. Finally, options may generally be adjusted to prevent dilution or enlargement of benefits when certain events occur, such as a stock dividend, reorganization, recapitalization, stock split, combination, merger or consolidation.

DIRECTOR OPTIONS

In 2003 a new director to the Board received options for 10,000 shares when he was elected. These options were exercisable in five equal installments of 2,000 shares each beginning on the first anniversary of the grant date. Each director who was re-elected to the Board received options for 2,000 shares upon re-election which were exercisable on the first anniversary of the grant date. In addition, each director who was appointed as chairman of the Board, vice-chairman of the Board or chairman of a Board committee received options for 500 shares when he was appointed which were exercisable on the first anniversary of the grant date. The option price for all options granted to directors is the fair market value on the grant date. The Board determines the terms and conditions of any other options granted to directors.

OTHER TERMS

Termination of Employment. All options not exercised within 90 days after an optionee ceases to serve as a director, officer, employee or consultant of TriCo are forfeited.

Change in Control. All outstanding awards vest, become immediately exercisable or payable and have all restrictions lifted immediately when TriCo experiences a change in control.

Amendment and Termination. The Board may amend, suspend or terminate the plan subject to applicable shareholder approval. The committee may waive any conditions or amend the terms of any option. However, the committee may not amend the terms of previously granted options to reduce the exercise price or cancel options and grant substitute options with a lower exercise price than the cancelled options. The committee also may not adversely affect the rights of any award holder without the award holder's consent.

CERTAIN FEDERAL INCOME TAX CONSEQUENCES

Following is a brief description of the federal income tax consequences generally arising for awards under the plan. Tax consequences to TriCo and to participants receiving options will vary with the type of option. The plan is not intended to be a "qualified plan" under Section 401(a) of the Internal Revenue Code.

Effects on Participants. Generally, a participant will not recognize income, and TriCo is not entitled to take a deduction, when an incentive stock option or a nonqualified option are granted. A participant generally will not have taxable income when he exercises an incentive stock option. When a participant exercises

Edgar Filing: TRICO BANCSHARES / - Form DEF 14A

a nonqualified option, he must generally recognize ordinary income equal to the difference between the exercise price and fair market value of the shares acquired on the exercise date.

If a participant sells shares of common stock acquired from an incentive stock option before the end of two years from the grant date and one year from the exercise date, the

23

participant must generally recognize ordinary income equal to the difference between the fair market value of the shares at the exercise date and the exercise price. Otherwise, a participant's disposition of shares acquired when an option is exercised generally will result in short-term or long-term capital gain or loss measured by the difference between the sale price and the participant's tax basis in the shares.

Effects on TriCo. TriCo generally may receive a tax deduction equal to the amount recognized as ordinary income by the participant in connection with an option. TriCo generally is not entitled to a tax deduction relating to amounts that represent a capital gain to a participant. Accordingly, TriCo will not be entitled to any tax deduction for an incentive stock option if the participant holds the shares of common stock for the incentive stock option holding periods prior to selling the shares.

Performance-based Compensation. Section 162(m) of the Internal Revenue Code generally disallows a public company's tax deduction for compensation paid in excess of \$1 million in any tax year to its five most highly compensated executives. However, compensation that qualifies as "performance-based compensation" is excluded from this \$1 million deduction limit and therefore remains fully deductible by TriCo. TriCo intends that the following grants will qualify as "performance-based compensation" so that these awards will not be subject to the Section 162(m) deduction limitations:

- performance awards,
- options granted with an exercise price at least equal to 100% of the fair market value of the underlying shares of common stock at the grant date, and
- options granted to employees that the committee expects to be named executive officers at the time a deduction arises.

REPORT OF THE AUDIT COMMITTEE

The audit committee of the Board of Directors is composed entirely of independent directors as defined in NASD Rule 4200(a)(15). The committee assists the Board in fulfilling its responsibility for oversight of the quality and integrity of TriCo's accounting, auditing and reporting practices. The responsibilities of the committee are described on page 10 and are set forth in its charter which can be accessed on our website at www.tricountiesbank.com under "investor information--corporate information--Board of Directors."

Management is responsible for internal controls and the financial reporting process, including the system of internal controls. KPMG, LLP, our independent accountant, is responsible for expressing an opinion on the conformity of

Edgar Filing: TRICO BANCSHARES / - Form DEF 14A

TriCo's audited consolidated financial statements with generally accepted accounting principles. The committee has reviewed and discussed the audited consolidated financial statements with management and KPMG. The committee has discussed with KPMG the matters required to be discussed by Statement on Auditing Standards No. 61 (communication with audit committees).

The audit committee has reviewed and implemented the provisions of the Sarbanes-Oxley Act, the new rules of the Securities and Exchange Commission and the new Nasdaq listing standards. The committee may also engage independent legal counsel to review assets and make recommendations on procedures required by the Sarbanes-Oxley Act. At four of its regular meetings in 2003, the committee met privately in executive session with KPMG, TriCo's chief executive officer and the director of the internal audit department.

The audit committee considered the need to ensure the independence of TriCo's accountants while recognizing that in certain situations KPMG may possess the expertise and be in the best position to advise TriCo on issues other than accounting and auditing. Any audit services and fees payable to KPMG for audit services must be pre-approved by the committee. The charter requires that any other services, including any permitted non-audit services, be pre-approved by the committee. The committee then communicates its approval to management. All audit and non-audit services performed by KPMG during 2003 were pre-approved by the committee.

KPMG has provided the committee with the written disclosures required by Independence Standards Board Standard No. 1 (independence discussions with audit committees), and the committee discussed with KPMG their independence. The audit committee has considered the effect that provision of the services described under "tax fees" and "all other fees" under Independent Public Accountants on page 26 may have on the independence of KPMG. These fees amounted to approximately 9.72% of our total fees paid to KPMG in 2003 and approximately 1.16% of our total fees paid in 2002. The committee approved these services and determined that those services were compatible with maintaining the independence of KPMG as TriCo's principal accountant.

Based on the audit committee's review and discussions with management and KPMG, the audit committee recommended to the Board of Directors, and the Board approved, that the audited financial statements be included in TriCo's annual report on Form 10-K for the year ending December 31, 2003, for filing with the Securities and Exchange Commission.

INDEPENDENT PUBLIC ACCOUNTANTS

CHANGE IN INDEPENDENT ACCOUNTANTS

On March 20, 2002, the Board of Directors, on recommendation of the audit committee, dismissed our independent accountants, Arthur Andersen LLP, and engaged the services of KPMG, LLP as our new independent accountants. KPMG

Edgar Filing: TRICO BANCSHARES / - Form DEF 14A

audited our financial statements for the years ending December 31, 2002 and December 31, 2003. The audit committee selected KPMG, LLP as our independent accountant for 2004.

During the years ended December 31, 2001 and 2000, and the following interim period through March 20, 2002, there were no disagreements between TriCo and Arthur Andersen on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to Arthur Andersen's satisfaction, would have caused Arthur Andersen to make reference to the subject matter of the disagreement in connection with its reports on our financial statements for such periods.

During the years ended December 31, 2001 and 2000, and the following interim period through March 20, 2002, we did not consult with Arthur Andersen regarding any of the matters or events set forth in Item 304(a)(2)(i) and (ii) of Regulation S-K. Also, none of the reportable events described under Item 304(a)(1)(v) of Regulation S-K occurred within the years ended December 31, 2001 and 2000 or within the following interim period through March 20, 2002.

The audit reports of Arthur Andersen on the consolidated financial statements of TriCo as of and for the years ended December 31, 2001 and 2000 did not contain any adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles. We requested Arthur Andersen to furnish us a letter addressed to the Securities and Exchange Commission stating whether they agreed with the above statements. A copy of that letter was filed with a Form 8-K on March 27, 2002.

FEES

The following table shows the fees we paid to KPMG, LLP in 2003 and 2002. We also paid Arthur Andersen \$165,000 for audit work performed in 2002.

We are changing our peer group index from the SNL Securities Index of \$500 million to \$1 billion Independent Western Banks to the SNL Western Bank Index for future proxy statements. We believe that this change is appropriate due to the increase in TriCo's assets. The SNL Western Bank Index includes banks located in California, Oregon, Washington, Montana, Hawaii and Alaska with market capitalizations more similar to that of TriCo's. Both our old peer group index and our new peer group index were compiled by SNL Financial. The amounts shown assume that any dividends were reinvested. OTHER INFORMATION

CERTAIN TRANSACTIONS

Some of our directors, executive officers and their associates are customers of Tri Counties Bank and we expect to have banking transactions with them in the future. In our opinion, all loans and commitments to lend were made in the ordinary course of our business and complied with applicable laws. Terms, including interest rates and collateral, were substantially the same as those prevailing for comparable transactions with other persons of similar creditworthiness.

In our opinion, these transactions did not involve more than a normal risk of collectibility or present other unfavorable features. The aggregate amount of all loans and credit extensions outstanding as of December 31, 2003, to all directors, director nominees and executive officers (including their associates and members of their immediate family) was approximately \$5,053,256, representing 3.9% of shareholders' equity at that time. Our audit committee reviews the adequacy and fairness of the loans to our directors and officers.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Our directors, executive officers and some other shareholders are required to report their ownership of our common stock and any changes in that ownership to the Securities and Exchange Commission and Nasdaq. To the best of our knowledge, all required filings in 2003 were properly made in a timely fashion, except that Mr. Reddish, Mr. O'Sullivan, Mr. Casey, Mr. Compton, Mr. Nettleton, Mr. Hagstrom and Mr. Smith each inadvertently filed one late report. In making these statements, we have relied on the representations of the persons involved and on

Edgar Filing: TRICO BANCSHARES / - Form DEF 14A

copies of their reports filed with the Commission.

FINANCIAL MATERIALS

Shareholders may request free copies of our financial materials (annual report, Form 10-K and proxy statement) from TriCo Bancshares, 63 Constitution Drive, Chico, California 95973, Attention: Wendell Lundberg, Corporate Secretary. These materials may also be accessed on our website at www.tricountiesbank.com under "investor information."

CONTACT THE BOARD

Shareholders may direct questions to the independent lead director by sending an e-mail to leaddirector@tricountiesbank.com. All communications required by law or regulation to be relayed to the Board will be promptly delivered to the lead director. The lead director monitors these messages and replies appropriately. The lead director for 2004 is Mr. Casey. We also encourage shareholders to attend the annual meeting to ask questions of directors concerning TriCo.
