ITEM 2.03 *Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant*

See discussion under Item 3.02 *Unregistered Sales of Equity Securities*.

ITEM 3.02 *Unregistered Sales of Equity Securities*

On November 2, 2004, Zix Corporation (NASDAQ: ZIXI) (ZixCorp) entered into purchase agreements (the Transaction) with Omicron Master Trust (Omicron) and Amulet Limited (together with Omicron, the Investors), pursuant to which ZixCorp issued and sold to the Investors \$20 million aggregate principal amount of secured, convertible notes (Notes) and related warrants (the Warrants and together with the Notes, the Securities). The Notes convert into ZixCorp common stock, par value of \$.01 per share (Common Stock), at an initial conversion price of \$6.00 per share (as adjusted in accordance with certain anti-dilution adjustments, the Conversion Price). At the initial Conversion Price, the Notes would convert into an aggregate of 3,333,333 shares of Common Stock. As of October 30, 2004, there were approximately 32.2 million shares of Common Stock outstanding.

Principal Payments under the Notes

The principal owing under the Notes is to be repaid in four equal installments of \$5 million on the one, two, three and four year anniversary dates of the sale and issuance of the Notes. The principal is payable in cash; provided, however, that at ZixCorp s option, the principal may be repaid on scheduled payment dates by converting the principal amount to be repaid into Common Stock at the Conversion Price if the Common Stock closes above \$6.00 per share for a specified number of trading days preceding the scheduled principal payment date and if other specified conditions are satisfied.

ZixCorp has the right to prepay the principal amount owing under the Notes at 105% of the par (principal) amount of the Notes, plus accrued interest, plus issue an immediately exercisable supplemental warrant exercisable for 70% of the Common Stock that would be issued to the holders of the Notes in respect of the principal amount thereof if the Notes were to remain outstanding. The exercise price of this warrant will be the Conversion Price of the Notes and the term of this Warrant will be identical to the remaining term of the Note.

Interest Payments

The Notes bear interest at the six-month London Interbank Offered Rate (LIBOR) plus 3% (currently, approximately 5.3%). Interest on the Notes is payable quarterly in cash; provided, however, that at ZixCorp s option, such interest may also be paid in Common Stock valued at a 10% discount to the volume weighted average price (VWAP) for the Common Stock for a specified number of trading days preceding the interest payment date.

Conversion of the Notes

The holders of the Notes may convert the Notes into the Common Stock at any time or from time-to-time at the Conversion Price. ZixCorp has the right to force the conversion of the Notes at

the Conversion Price if the Common Stock closes above \$11.00 per share for a specified number of trading days and if other specified conditions are met.

The Notes have both weighted average and full ratchet anti-dilution provisions that would cause an adjustment to the Conversion Price and the number of shares issuable under the Notes upon the occurrence of specified events.

Events of Default and Repurchase Rights

The Notes become immediately exercisable in full upon the occurrence of certain specified events of default. Furthermore, the holders of the Notes have the right to require ZixCorp to repurchase the Notes in cash upon the occurrence of specified repurchase events, such as a change in control, while the Notes are outstanding.

Restrictive Covenants

The Notes contain restrictive covenants, including covenants that prohibit ZixCorp from incurring certain indebtedness, establishing certain liens on ZixCorp assets or issuing any variable priced securities.

Security Arrangements for the Notes; Cash Balance Requirement

The Notes are secured by a first, perfected security interest in certain cash collateral placed in a restricted, segregated collateral account. The amount of cash collateral required to be maintained in this account is 50% of the aggregate principal amount then owing under the Notes (currently \$10 million). The cash collateral is not accessible for use by ZixCorp until such time as it is released. The cash held in the cash collateral account will be released in its entirety following ZixCorp attaining two consecutive quarters of net income, assuming ZixCorp is otherwise in compliance with its obligations under the Notes and other transaction documents and no event of default or repurchase event has occurred.

Separately, ZixCorp is required to maintain cash (including the cash collateral held in the collateral account) and cash equivalents equal to \$10 million through November 2, 2007, and \$5 million thereafter for so long as the Notes are outstanding. Failure to maintain the required cash and cash equivalents is an event of default under the Notes.

Right to Participate in Future Financings

The Investors have the right to participate in certain security offerings undertaken by ZixCorp within two years of the sale and issuance of the Securities. This participation right entitles the Investors to collectively purchase up to one-third of the securities offered in such offerings.

Warrants

Immediately exercisable warrants initially covering an aggregate of 1,000,000 shares, at an initial exercise price of \$6.00 per share, were also issued to the Investors. The Warrants have a five-year term and have

both weighted average and full ratchet anti-dilution provisions that would cause an adjustment to the exercise price of, and number of shares issuable under, the Warrants upon the occurrence of specified events.

Share Limitations

The transaction documents entered into in connection with the sale and issuance of the Securities provide that the aggregate number of shares issued under the Notes and the Warrants and otherwise in connection with the Transaction may not exceed 19.9% of the number of outstanding shares of the ZixCorp common stock (measured as of the date of the purchase agreement relating to the Transaction).

Registration Rights

In connection with the sale and issuance of the Securities, ZixCorp and each of the Investors entered into a Registration Rights Agreement, dated November 2, 2004, with respect to the Securities, pursuant to which ZixCorp agreed to prepare and file, within 30 days following the issuance of the Securities, a registration statement with the SEC covering the resale of (a) 150% of the Common Stock issuable upon the conversion of the Notes and the exercise of the Warrants and (b) an estimated number of Common Stock shares potentially issuable in respect of interest on the Notes. ZixCorp is required to have such registration statement declared effective within 75 days (if the registration statement is not reviewed by the SEC) and 105 days (if the registration statement is reviewed by the SEC) following the date of the sale and issuance of the Securities, or be subject to specified liquidated damages and actual damages incurred by the Investors as a result of the failure to have the registration statement effective by such date.

Other

The Securities have not been registered under the Securities Act of 1933, as amended (the Act), and were issued and sold in reliance upon the exemption from registration contained in Section 4(2) of the Act and Regulation D promulgated thereunder. The Securities may not be offered or sold in the United States in the absence of an effective registration statement or exemption from the registration requirements under the Act.

Copies of the definitive agreements relating to the sale and issuance of the Securities are filed herewith as Exhibits 4.1 through 4.6, and are incorporated herein by reference. The summary of the matters set forth above is qualified in its entirety by reference to such exhibits.

On November 2, 2004, ZixCorp issued a press release announcing the consummation of the sale and issuance of the Securities. A copy of the press release is attached hereto as Exhibit 99.1.
