PROXY STATEMENT
ANNUAL MEETING OF SHAREHOLDERS
To be held December 5, 2006

GENERAL

This Proxy Statement is furnished in connection with the solicitation of the enclosed Proxy on behalf of the Board of Directors of Trio-Tech International, a California corporation (Trio-Tech or the Company), for use at the annual meeting of shareholders of the Company (the Annual Meeting) to be held at our principal executive offices, located at 14731 Califa Street, Van Nuys, California at 10:00 a.m., local time, on Tuesday, December 5, 2006, and at any adjournments thereof, for the purposes of electing directors and such other business as may properly come before the Annual Meeting. This Proxy Statement and the enclosed Proxy are intended to be mailed to shareholders on or about November 6, 2006.

RECORD DATE AND VOTING SECURITIES

The close of business on October 12, 2006 was fixed as the record date for shareholders entitled to notice of and to vote at the Annual Meeting. As of that date, there were 3,222,492 shares of the Company s common stock (the Common Stock) outstanding and entitled to vote, the holders of which are entitled to one vote per share.

VOTING GENERALLY

In the election of directors, a shareholder may cumulate his votes for one or more candidates, but only if each such candidate s name has been placed in nomination prior to the voting and the shareholder has given notice at the meeting, prior to the voting, of his intention to cumulate his votes. If any one shareholder has given such notice, all shareholders may cumulate their votes for the candidates in nomination. If the voting for directors is conducted by cumulative voting, each share will be entitled to a number of votes equal to the number of directors to be elected. These votes may be cast for a single candidate or may be distributed among two or more candidates in such proportions as the shareholder thinks fit. The four candidates receiving the highest number of affirmative votes will be elected. Abstentions will be counted for purposes of determining the presence of a quorum but with respect to the election of directors, any votes against a candidate or withheld from voting (whether by abstention, broker non-votes or otherwise) will not be counted and will have no legal effect on the vote. Discretionary authority to cumulate votes is solicited hereby.

Shareholders are requested to date, sign and return the enclosed Proxy to make certain their shares will be voted at the Annual Meeting. Any Proxy given may be revoked by the shareholder at any time before it is voted by delivering written notice of revocation to the Secretary of the Company, by filing with the Secretary of the Company a Proxy bearing a later date, or by attending the Annual Meeting and voting in person. All Proxies properly executed and returned will be voted in accordance with the instructions specified thereon. If no instructions are specified, Proxies will be voted FOR the election of the four nominees for directors named under Election of Directors.

The Board has nominated the persons listed below for election to the Board at the Annual Meeting, to hold office until the next Annual Meeting and until their respective successors are elected and qualified. It is intended that the Proxies received, unless otherwise specified, will be voted **FOR** the four nominees named below, all of whom are incumbent directors of the Company. It is not contemplated that any of the nominees will be unable or unwilling to serve as a director but, if that should occur, the persons designated as Proxy holders will vote in accordance with their best judgment. Siew Wai Yong

BOARD MEETINGS AND COMMITTEES

The Board held four meetings during the fiscal year ended June 30, 2006. All of the directors attended (in person or by telephone) at least 75% of the meetings of the Board and any committees of the board on which they served during the fiscal year. Directors are expected to use their best efforts to be present at the Annual Meeting of Shareholders. All of our directors attended the Annual Meeting of Shareholders held in December 2005.

The Company does not have a standing nominating committee. The entire Board nominates the directors for election at the Annual Meeting. Because the Company currently has only four Board members, three of whom are independent (as defined under the listing standards of the American Stock Exchange upon which the Company's securities are listed), the Board of Directors does not believe that a separate nominating committee is necessary as any selection of nominees, by virtue of the composition of the current Board, would be by a vote that would be the same as the vote of any separate committee consisting of only the independent directors. Furthermore, the Board values the input of each of its members and believes that input is important in determining the Board nominees. At such time, if any, as the Board composition changes, the Company may establish a separate nominating committee. As a result, the entire Board participated in the consideration of Board nominees and nominated the candidates for election named in this Proxy Statement.

The Board has adopted a resolution addressing the nomination process and related matters. That resolution states that, among other things, the Board believes that the continuing service of qualified incumbents promotes stability and continuity in the board room, contributing to the Board's ability to work as a collective body, while giving the Company the benefit of the familiarity and insight into the Company's affairs that its directors have accumulated during their tenure. The resolution further states that the Board will evaluate the performance of its Board members on an annual basis in connection with the nomination process. The Board may solicit recommendations for nominees from persons that the Board believes are likely to be familiar with qualified candidates, including without limitation members of the Board and management of the Company. The Board may also determine to engage a professional search firm to assist in identifying qualified candidates if the need arises. The Board has not adopted specific minimum qualifications for a position on the Company's Board or any specific skills or qualities that the Board believes are necessary for one or more of its members to possess. However, the Board will consider various factors including without limitation the candidate's qualifications, the extent to which the membership of the candidate on the Board will promote diversity among the directors, and such other factors as the Board may deem to be relevant at the time and under the then existing facts and circumstances.

The Board will consider candidates proposed by shareholders of the Company and will evaluate all such candidates upon criteria similar to the criteria used by the Board to evaluate other candidates. Shareholders desiring to propose a nominee for election to the Board must do so in writing sufficiently in advance of an Annual Meeting so that the Board has the opportunity to make an appropriate evaluation of such candidate and his or her qualifications and skills and to obtain information necessary for preparing all of the disclosure required to be included in the Company's proxy statement for the related meeting should such proposed candidate be nominated for election by shareholders. Shareholder candidate proposals should be sent to the attention of the Secretary of the Company at 14731 Califa Street, Van Nuys, California 91411.

The Board has a standing Compensation Committee, which currently consists of three independent directors, namely Messrs. Jason T. Adelman, Richard M. Horowitz and A. Charles Wilson, Chairman. The Compensation Committee determines salary and bonus arrangements. The Compensation Committee met four times during the past fiscal year.

The Board has a separately designed standing Audit Committee established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended. The members thereof consist of Messrs. Jason T. Adelman, Richard M. Horowitz and A. Charles Wilson, Chairman. The Board of Directors has determined that the Audit Committee has at least one financial expert, namely A. Charles Wilson. The Board of Directors has affirmatively determined that Mr. Wilson does not have a material relationship with the Company that would interfere with the exercise of independent judgment and is independent as independence is defined in Section 121(A) of the listing standards of the American Stock Exchange. Pursuant to its written charter, which charter was adopted by the Board of Directors, the Audit Committee is charged with, among other responsibilities, selecting our independent

public accountants, reviewing our annual audit and meeting with our independent public accountants to review planned audit procedures. The Audit Committee also reviews with the independent public accountants and management the results of

Table of Contents

the audit, including any recommendations of the independent public accountants for improvements in accounting procedures and internal controls. The Audit Committee held five meetings during the fiscal year ended June 30, 2006. Each of the members of the Audit Committee satisfies the independence standards specified in Section 121(A) of the AMEX listing standards and Rule 10A-3 under the Securities Exchange Act of 1934, as amended.

CODE OF ETHICS

The Company has adopted a code of business conduct and ethics applicable to all officers, management and employees and a separate code of ethics applicable to its principal executive officer, principal financial officer, principal accounting officer or controller or persons performing similar functions. A copy of the Company's code of business conduct and ethics and code of ethics may be obtained, without charge, upon written request to the Secretary of the Company at 14731 Califa Street, Van Nuys, California 91411.

REPORT OF THE AUDIT COMMITTEE

During the fiscal year ended June 30, 2006, the Audit Committee fulfilled its duties and responsibilities as outlined in the charter. The Audit Committee has reviewed and discussed the Company's audited consolidated financial statements and related footnotes for the fiscal year ended June 30, 2006, and the independent auditor's report on those financial statements, with the Company's management and independent auditor. Management represented to the Audit Committee that the Company's financial statements were prepared in accordance with accounting principles generally accepted in the United States of America. The Audit Committee has discussed with BDO Raffles (BDO) the matters required to be discussed with the Audit Committee by Statement on Auditing Standards No. 61, as amended,

Communication with Audit Committees. The Audit Committee's review included a discussion with management and the independent auditor of the quality (not merely the acceptability) of the Company's accounting principles, the reasonableness of significant estimates and judgments, and the disclosures in the Company's financial statements, including the disclosures relating to critical accounting policies.

The Audit Committee recognizes the importance of maintaining the independence of the Company's independent auditor, both in fact and appearance. The Audit Committee has evaluated BDO's qualifications, performance, and independence, including that of the lead audit partner. As part of its auditor engagement process, the Audit Committee considers whether to rotate the independent audit firm. The Audit Committee has established a policy pursuant to which all services, audit and non-audit, provided by the independent auditor must be pre-approved by the Audit Committee or its delegate. The Company's pre-approval policy is more fully described in this proxy statement under the caption Policy for pre-approval of audit and non-audit services. The Audit Committee has concluded that provision of the non-audit services described in that section is compatible with maintaining the independence of BDO. In addition, BDO has provided the Audit Committee with the letter required by the Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, and the Audit Committee has engaged in dialogue with BDO regarding their independence.

Based on the above-described review, written disclosures, letter and discussions, the Audit Committee recommended to the Board of Directors of the Company that the audited financial statements for the fiscal year ended June 30, 2006 be included in the Company's Annual Report on Form 10-K.

Table of Contents**COMPENSATION OF DIRECTORS**

During the fiscal year ended June 30, 2006, Messrs. Horowitz and Adelman, as non-employee directors, each received quarterly fees in an amount equal to \$1,500 for each Board meeting attended and \$1,000 for each Audit Committee meeting attended, and an annual fee of \$5,000. The Compensation Committee meeting is usually held following the Audit Committee meeting. Hence, no additional fees are paid to the committee members for attendance thereat. Mr. Wilson, as a non-employee director, Chairman of the Board, Chair of the Audit Committee and Chair of the Compensation Committee, received quarterly fees in an amount equal to \$12,500 for each quarter in which he attended a Board meeting. The directors were also reimbursed for out-of-pocket expenses incurred in attending meetings. The Company believes that the director fees paid to its directors were substantially less than the fees paid to directors of comparable public companies.

Each of our directors is entitled to participate in our 1998 Director Stock Option Plan (the Directors Plan) and receives automatic annual grants of options to purchase shares of our Common Stock. On July 7, 2005, pursuant to those automatic grant provisions, each of Messrs. Horowitz and Adelman were automatically granted an option to purchase 5,000 shares of Common Stock at an exercise price of \$3.75 per share and each of Messrs. Wilson and Yong were automatically granted an option to purchase 10,000 shares of Common Stock at an exercise price of \$3.75 per share. All options vested immediately upon grant and will terminate five years from the date of grant unless terminated sooner upon termination of the optionee's status as a director or otherwise pursuant to the Directors Plan. The exercise price under the options was set at 100% of fair market value (as defined in the Directors Plan) of the Company's Common Stock on the date of grant of each such option. On September 22, 2006, in recognition of the contributions from the directors and the fact that our directors' fees are substantially less than those paid to directors of comparable public companies, the Compensation Committee agreed that at the end of each fiscal year, the Compensation Committee will consider a cash bonus for directors. On December 2, 2005, the Board of Directors terminated the Directors Plan due to the cost of such compensation exceeding the benefits.

On September 22, 2005, the Compensation Committee approved the payment of the following bonuses to all the directors based on the sale of the Ireland property. While Mr. Yong was already entitled to a bonus in his capacity as an officer of the Company, he agreed to take his bonus based on profits from the Ireland sale on an after-tax basis rather than a bonus on pre-tax profits of the Company for the year as called for under his bonus arrangement.

Name	Principal Position	Basis of bonuses pay-out
A. Charles Wilson	Director	2.5% on the net proceeds on sale of the Ireland property
S.W. Yong	Director	5.0% on the net proceeds on sale of the Ireland property
Richard M. Horowitz	Director	One-time fixed payment of \$40,000
Jason T. Adelman	Director	One-time fixed payment of \$40,000

VOTE REQUIRED FOR ELECTION

The four persons receiving the highest number of affirmative votes will be elected as directors of the Company. Votes against a nominee or withheld from voting (whether by abstention, broker non-votes or otherwise) will have no legal effect on the vote.

EMPLOYEE BENEFIT PLANS

The Company's 1998 Stock Option Plan (the "1998 Plan") was approved by the Board on September 30, 1997 and the shareholders on December 8, 1997. The purpose of the 1998 Plan was to enable the Company to attract and retain top-quality employees, officers, directors and consultants and to provide them with an incentive to enhance shareholder return. On December 2, 2005, the Board of Directors terminated the 1998 plan due to the cost of such compensation exceeding the benefits. During the fiscal year ended June 30, 2006, the Company did not grant any options under the 1998 Plan.

Pursuant to the terms of the Directors' Plan, options covering an aggregate of 30,000 were issued to the four directors of the Company on July 7, 2005.

The following table contains certain information regarding the option granted to Mr. Yong under the Directors' Plan during the fiscal year ended June 30, 2006, there having been no options granted to the other Named Executive Officers during that fiscal year:

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

Role and Composition of the Committee

The Compensation Committee discharges the Board's responsibilities relating to compensation of the Company's executive officers, including reviewing the competitiveness of executive compensation programs, evaluating the performance of the Company's executive officers, and approving their annual compensation. The Committee reviews and approves the Chief Executive Officer's goals and objectives, evaluates the Chief Executive Officer's performance, and sets the Chief Executive Officer's compensation. The specific responsibilities and functions of the Compensation Committee are delineated in the Compensation Committee Charter.

Compensation Philosophy and Practice

The Company operates in a highly competitive and rapidly changing industry. The key objectives of the Company's executive compensation programs are to attract, motivate, and retain executives who drive Trio-Tech's success and industry leadership.

Components of Executive Compensation

The compensation program presently in effect at Trio-Tech International has two elements: (1) base annual salary; and (2) potential annual cash incentive awards that are based primarily on financial performance of the Company or its relevant business operating units.

Base salary

In determining the compensation levels for the top executive officers, namely the Chief Executive Officer and Chief Financial Officer, the Committee reviewed compensation policies of other companies comparable in size to and within substantially the same industry as Trio-Tech.

There were several factors that the Committee considered while evaluating the annual performance of the top executive officers. The Committee reviewed the actual performance for the year against budget and forecast. Besides the measurement against financial performance, the Committee reviewed whether the top executive officers achieved their long-term and short-term objectives, such as keeping costs low. However, the measurement was subjective as the Committee also took into consideration the overall market conditions.

The fiscal year 2006 base cash compensation for officers of the Company who reside in Singapore was denominated in the currency of Singapore. The exchange rate therefore was established as of June 30, 2006 and was computed to be 1.65 Singapore dollars to each U.S. dollar. Singapore executive officers' base salaries are credited with a compulsory contribution ranging from 1.6% to 6.4% of base salary under Singapore's provident pension fund.

Bonuses

In September 2005, The Compensation Committee approved the bonus formula for the Chief Executive Officer, as intended to satisfy the requirements of Section 162(m) of the Code. The 2006 bonus formula for the Chief Executive Officer was based on 5% of pre-tax profits of the Company's overall performance. Such arrangements depend solely on the profitable results in the Company during the fiscal year.

On September 22, 2005, the Compensation Committee approved the payment of the following bonuses to all the executive officers based on the sale of the Ireland property. This bonus for the Chief Executive Officer and the Chief Financial Officer was already part of their original bonuses. Both, however, agreed to reduce the same by taking their bonus based profits on the Ireland sale on an after-tax basis rather than what their bonus plan called for.

Table of Contents

Name	Principal Position	Basis of bonuses pay-out
S.W. Yong	Chief Executive Officer	5.0% on the net proceeds on sale of the Ireland property
Victor H.M. Ting	Chief Financial Officer	1.0% on the net proceeds on sale of the Ireland property

The Compensation Committee also considered awarding additional discretionary annual cash bonuses to its executive officers based primarily on the Company's overall performance and, to a lesser extent, the contribution each executive made to the Company's success, and directed the Singapore subsidiary to formulate and grant the performance bonuses.

Stock options

Under the 1998 Stock Option Plan (the "1998 Plan"), the Compensation Committee may grant options to purchase Common Stock to employees of the Company, including executive officers. Option grants have an exercise price equal to the fair market value of the Common Stock on the grant date and become exercisable over a period of time or if the Company attains specified levels of economic profit or earnings per share. It is the Compensation Committee's policy that the vesting schedules for option grants be predominantly performance based, with appropriately aggressive vesting targets. Generally, the Compensation Committee considers the making of option grants on an annual basis. The number of options awarded are generally determined based upon management's recommendation and are based upon the position held by an executive, that executive's performance and contributions to the Company over the prior year and the executive's expected future contribution.

During fiscal 2006, the Compensation Committee did not grant any stock options to any employees, including the Named Executive Officers, under the 1998 Plan.

Chief Executive Officer's compensation

Mr. Yong's base annual salary remained the same in the currency of Singapore, which was based on market data for chief executive officers in similarly sized companies or in similar industries. The variance in his base salary as compared to fiscal 2005 was due to the appreciation of Singapore dollars against U.S. dollars. Base salary was also credited with a compulsory contribution under Singapore's central provident fund (CPF). On July 7, 2005, pursuant to the terms of the Directors' Plan, Mr. Yong was granted a five-year option to acquire, at \$3.75 per share, 10,000 shares of Common Stock, which option vested in full on the grant date. As an additional part of the Chief Executive Officer's compensation package, the Company assumed responsibility for payment of the premiums midway through the 22-year term life insurance policy on the life of the Chief Executive Officer. The Company is not the beneficiary under such policy and it is anticipated that the Chief Executive Officer will be entitled to the cash surrender value of the policy at the end of the policy in 2009. The remaining premiums thereunder are approximately \$18,335 (29,024 Singapore dollars, based on the spot exchange rates published in Federal Reserve on June 30, 2006).
