Table of Contents

Since September 1, 2006, Piltz has performed consulting services to the Plans sponsor, Peoples Financial Corporation, and is therefore no longer independent with respect to the Plans. As a result, Piltz is not able to continue in its role as auditor for the Plans. On March 13, 2007, Porter Keadle Moore, LLP, the independent public accountants for the Plans sponsor, was selected to audit the Plans. Piltz has issued correspondence confirming the facts as stated above by the Company, such correspondence being included as Exhibit 16.1.

Item 4. Description of Securities.

None.

Item 5. Interests of Named Experts and Counsel.

None.

Item 6. Indemnification of Directors and Officers.

The Registrant's bylaws provide that the Registrant shall indemnify any person who is a party, or threatened to be made a party, to any claim, action, lawsuit or proceeding, whether civil, criminal, administrative or investigative, including appeals, by reason of the fact that the person is or was a director, officer, employee or agent of the Registrant, or is or was serving at the request of the Registrant as a director, officer, partner, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorney's fees) actually and reasonably incurred in connection with the defense or settlement of such action if the person acted in good faith and in a manner the person reasonably believed to be in, or not opposed to, the best interest of the Registrant, and, with respect to any criminal action or proceeding, had no reasonable cause to believe that the person's conduct was unlawful. The Registrant's bylaws also provide that the Registrant shall indemnify any person who is a party, or threatened to be made a party, to any threatened, pending or completed claim, action or suit by or in the right of the Registrant to procure a judgment in its favor by reason of the fact that the person is or was a director, officer, employee or agent of the Registrant, or is or was serving at the request of the Registrant as a director, officer, partner, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorney's fees) actually and reasonably incurred in connection with the defense or settlement of such action if the person acted in good faith and in a manner that such person reasonably believed to be in or not opposed to the best interest of the Registrant. Provided, however, that no indemnification shall be made in respect to any claim, issue or matter as to which such person shall have been adjudged to be liable for negligence or misconduct in the performance of his duties of the Registrant unless a court in which such suit or action was brought shall determine upon application that, despite

adjudication of liability, such person is fairly and reasonably entitled to indemnity for such expenses. Registrant's bylaws further provide that expenses incurred in defending a civil or criminal claim, action, suit or proceeding may be paid by the Registrant in advance of the final disposition of such matter upon the receipt of an undertaking by such director, officer, employee or agent to repay such amount if it is ultimately determined that such person is not entitled to indemnification.

Any indemnification may be made by the Registrant only as authorized in a specific case upon a determination that indemnification of the director, officer, employee or agent is proper because such person has met the applicable standard of conduct. Such determination may be made by (1) the board of directors by a majority vote of a quorum of directors who are not parties to, or have been wholly successful on the merits or otherwise with respect to, such claim, action, suit or proceeding, or (2) if such quorum is not obtainable, by independent legal counsel in a written opinion, or (3) by the stockholders.

The Registrant has secured insurance on behalf of its directors, officers, employees and its subsidiary for liability arising out of certain claims which may be made against them, whether or not the Registrant would have power to indemnify them against such liability.

Item 9. Undertakings.

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) to include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) to reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in the volume of securities offered (if the total dollar amount would not exceed that which is registered) and any deviation from the low or high and of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the change in volume and price represent no more than 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective Registration Statement;

(iii) to include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

Provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the Registration Statement is on Form S-8, and the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to the Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Exchange Act) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
