### **Item 1.01 Entry into a Material Definitive Agreement**

On January 30, 2009, Flagstar Bancorp, Inc. (the Company) and the United States Department of the Treasury (the Treasury) entered into a Letter Agreement including the Securities Purchase Agreement Standard Terms incorporated therein (the Purchase Agreement) pursuant to which the Company issued to the Treasury, in exchange for aggregate consideration of \$266,657,000, (i) 266,657 shares of the Company's Fixed Rate Cumulative Perpetual Preferred Stock, Series C, par value \$0.01 and liquidation preference \$1,000 per share (the Series C Preferred Stock), and (ii) a warrant (the Warrant) to purchase up to 64,513,790 shares of the Company's common stock, par value \$0.01 per share (the Common Stock), at an exercise price of \$0.62 per share, subject to certain anti-dilution and other adjustments. The issuance and sale of the Series C Preferred Stock and Warrant is exempt from the registration requirements of the Securities Act of 1933, as amended (the Securities Act), pursuant to Section 4(2) of the Securities Act.

The Series C Preferred Stock qualifies as Tier 1 capital and pays cumulative dividends quarterly at a rate of 5% per annum for the first five years, and 9% per annum thereafter. The Series C Preferred Stock is non-voting, other than class voting rights on certain matters that could adversely affect the Series C Preferred Stock. If dividends on the Series C Preferred Stock have not been paid for an aggregate of six quarterly dividend periods or more, whether consecutive or not, the Company's authorized number of directors will be automatically increased by two and the holders of the Series C Preferred Stock, voting together with holders of any then outstanding voting parity stock, will have the right to elect those directors at the Company's next annual meeting of shareholders or at a special meeting of shareholders called for that purpose. These directors will be elected annually and serve until all accrued and unpaid dividends on the Series C Preferred Stock have been paid.

The Series C Preferred Stock may be redeemed by the Company at par on or after February 15, 2012. Prior to this date, the Series C Preferred Stock may not be redeemed unless the Company has received aggregate gross proceeds from one or more qualified equity offerings of any Tier 1 perpetual preferred or common stock of the Company (a Qualified Equity Offering) equal to \$66,664,250, which equals 25% of the aggregate liquidation amount of the Series A Preferred Stock on the date of issuance. Subject to certain limited exceptions, until January 30, 2012, or such earlier time as all Series C Preferred Stock has been redeemed or transferred by Treasury, the Company will not, without Treasury's consent, be able to increase its dividend rate per share of Common Stock or repurchase its Common Stock. The Series C Preferred Stock will rank senior to the Company's Common Stock in terms of dividend payments and distributions upon liquidation, dissolution and winding up of the Company and senior to other preferred stock of the Company. A merger, consolidation or sale of assets of the Company shall not, however, constitute a liquidation, dissolution or winding up of the Company for purposes of payment of any senior or paramount distribution on the Series C Preferred Stock.

In connection with the issuance of the Series C Preferred Stock, on January 28, 2009, the Company filed with the Michigan Department of Labor and Economic Growth the Certificate of Designations of Fixed Rate Cumulative Perpetual Preferred Stock, Series C of the Company (the Certificate of Designations) establishing the terms of the Series C Preferred Stock, including the relevant provisions described above.

The Warrant is exercisable upon receipt of stockholder approval and has a 10-year term. The exercise price and number of shares of Common Stock subject to the Warrant are both subject to anti-dilution adjustments. The Treasury may not exercise voting power with respect to any shares of Common Stock issued upon exercise of the Warrant. If the Company receives aggregate gross cash proceeds of not less than \$266,657,000 from one or more Qualified Equity Offerings on or prior to December 31, 2009, the number of shares of Common Stock underlying the Warrant then held by Treasury will be reduced by one half of the original number of shares underlying the Warrant, taking into account all adjustments previously made thereto. The Warrant provides that if the Company does not obtain shareholder approval allowing the full exercise of the Warrant for Common Stock within 18 months of the issue date of the Warrant, the Treasury may cause the Company to exchange all or a portion of the Warrant for an alternative economic interest in the Company.

In addition to the foregoing, the Purchase Agreement grants the holders of the Series C Preferred Stock, the Warrant and the Common Stock to be issued under the Warrant certain registration rights and subjects the Company to certain of the executive compensation limitations included in the Emergency Economic Stabilization Act of 2008.

In addition, the Treasury may unilaterally amend any of the terms of the Purchase Agreement to the extent required to comply with any changes after January 30, 2009 in applicable federal statutes.

Copies of the Purchase Agreement, the Certificate of Designations and the form of Warrant are included as exhibits to this Current Report on Form 8-K and are incorporated by reference into this Item 1.01. The foregoing summary of certain provisions of these documents is qualified in its entirety by reference thereto.
