The following e-mail was sent by ScanSoft, Inc. to an institutional holder of ScanSoft common stock on March 10, 2005.

At a future meeting of ScanSoft's Compensation Committee, I will review the topic of providing loans for the exercise for stock options with a view towards eliminating this provision. I will also review with them the topic of accelerating vesting with a view toward redefining the Administrator's ability to accelerate vesting only for terminations and with proscribing specific conditions and circumstances by which the Compensation Committee can accelerate vesting.

Sincerely,
