PROXY STATEMENT

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of MKS Instruments, Inc. (the Company or MKS), a Massachusetts corporation, for use at the Annual Meeting of Shareholders to be held on May 9, 2005, at 10:00 a.m. at the Andover Country Club, 60 Canterbury Street, Andover, Massachusetts 01810, and at any adjournment or postponement thereof (the Annual Meeting).

All proxies will be voted in accordance with the shareholders instructions. If no choice is specified in the proxy, the shares will be voted in favor of the matters set forth in the accompanying Notice of 2005 Annual Meeting of Shareholders. Any proxy may be revoked by a shareholder at any time before its exercise by delivery of written revocation to the Secretary of the Company. Attendance at the Annual Meeting will not in itself be deemed to revoke a Proxy unless the shareholder gives affirmative notice at the Annual Meeting that the shareholder intends to revoke the proxy and vote in person.

VOTING SECURITIES AND VOTES REQUIRED

At the close of business on March 3, 2005, the record date for the determination of shareholders entitled to notice of and to vote at the Annual Meeting, there were issued and outstanding and entitled to vote 53,897,138 shares of common stock, no par value per share, of the Company (the Common Stock). Each share entitles the record holder to one vote on each matter submitted at the Annual Meeting.

Under the Company s Amended and Restated By-Laws (the By-Laws), the holders of a majority of the shares of Common Stock issued and outstanding and entitled to vote at the Annual Meeting shall constitute a quorum for the transaction of business at the Annual Meeting. Shares of Common Stock present in person or represented by proxy (including broker non-votes and shares which abstain or do not vote with respect to one or more of the matters presented for shareholder approval) will be counted for purposes of determining whether a quorum exists at the Annual Meeting.

The affirmative vote of the holders of a plurality of the shares of Common Stock voting on the matter is required for the election of Directors. The approval of the Second Restated By-Laws requires the approval of 66²/₃% of the shares of Common Stock outstanding and entitled to vote on the matter. The ratification of PricewaterhouseCoopers LLP (PwC) requires the approval of the holders of a majority of the shares of Common Stock present or represented by proxy at the Annual Meeting and voting on the matter.

Shares held by shareholders who abstain from voting as to a particular matter, and broker non-votes, which are shares held in street name by brokers or nominees, who indicate on their proxies that they do not have discretionary authority to vote such shares as to a particular matter, will not be counted as votes in favor of such matter, and also will not be counted as shares voting on such matter. Accordingly, abstentions and broker non-votes will have no effect on the voting on a matter that requires the affirmative vote of a certain percentage of the shares voting on the matter.

THE NOTICE OF ANNUAL MEETING, THIS PROXY STATEMENT AND THE COMPANY S ANNUAL REPORT TO SHAREHOLDERS FOR THE YEAR ENDED DECEMBER 31, 2004 ARE BEING MAILED TO SHAREHOLDERS ON OR ABOUT MARCH 29, 2005. PROPOSAL ONE
ELECTION OF DIRECTORS

Directors of MKS are reimbursed for expenses incurred in connection with their attendance at Board of Directors and committee meetings. Directors who are not employees of MKS are paid an annual fee of \$20,000 and a fee of \$2,000 for each Board of Directors meeting they attend. In addition, the Chairman of the Audit Committee is paid \$2,500, and the other members of the Audit Committee are paid \$1,500, for each meeting of the Audit Committee that they attend. The Chairman of each of the Compensation and Nominating and Corporate Governance Committees are paid \$1,500, and the other members of such committees are paid \$750, for each meeting of such committees that they attend. Messrs. Chute, Robbins and Valente have each been granted options under MKS's 1996 Amended and Restated Director Stock Option Plan (under which no further grants will be made), to purchase 8,592 shares of Common Stock at a weighted average exercise price of \$4.81 per share. Each has also been granted options to purchase 58,500 shares of Common Stock at a weighted average exercise price of \$23.11 per share under the Second Amended and Restated 1997 Director Stock Option Plan (the 1997 Director Plan). Mr. Anderson and Mr. Kahl have each been granted options to purchase 41,250 shares of Common Stock at a weighted average exercise price of \$21.86 per share under the 1997 Director Plan. Mr. Berges has elected not to receive compensation for serving as a director of MKS.

Second Amended and Restated 1997 Director Stock Option Plan

The 1997 Director Plan authorizes the issuance of up to an aggregate of 750,000 shares of Common Stock. The 1997 Director Plan is administered by MKS's Board of Directors. Options are granted under the 1997 Director Plan only to directors of MKS who are not employees of MKS. Under the 1997 Director Plan, non-employee directors receive an option to purchase 20,000 shares of Common Stock upon their initial election to the Board of Directors. Each initial option vests over a three-year period in 12 equal quarterly installments following the date of grant. On the date of each annual meeting of shareholders, options are automatically granted to each eligible director who has been in office for at least six months prior to the date of the annual meeting of shareholders. Each annual option entitles the holder to purchase 12,000 shares of Common Stock. Each annual option will generally become exercisable on the day prior to the first annual meeting of shareholders following the date of grant, or if no such meeting is held within 13 months after the date of grant, on the 13 month anniversary of the date of grant. The exercise price of all options granted under the 1997 Director Plan is equal to the fair market value of the Common Stock on the date of grant. Options granted under the 1997 Director Plan terminate upon the earlier of (i) 10 years after the grant date and (ii) with respect to options granted prior to May 17, 2000, three months after the optionee ceases to be a director of MKS, or, with respect to options granted on or after May 17, 2000, three years after the optionee ceases to be a director of MKS. In the event of a change in control of MKS, the vesting of all options then

outstanding would be accelerated in full and any restrictions on exercising outstanding options would terminate.

The Company's 1996 Amended and Restated Director Stock Option Plan, under which options have been granted to, and may still be exercised by, three non-employee directors of MKS, has been terminated. See Director Compensation.

Committees of the Board of Directors

The Board of Directors has established three standing committees—Audit, Compensation, and Nominating and Corporate Governance—each of which operates under a charter that has been approved by the Board. Each committee's current charter is posted in the Investor link on the Company's website, www.mksinstruments.com, under the heading Corporate Governance.

The Board of Directors has determined that all of the members of the Board, other than Mr. Bertucci, are independent as defined under the rules of the Nasdaq Stock Market, including, in the case of all members of the Audit Committee, the additional independence requirements of Rule 10A-3 under the Securities Exchange Act of 1934, as amended (the Exchange Act).

Compensation Committee

The Compensation Committee for the year 2004 consisted of Messrs. Kahl and Valente. Mr. Berges, who was initially on the Compensation Committee, resigned from the committee on February 4, 2004. The Compensation Committee's responsibilities include:

determining the CEO's compensation;

reviewing and approving, or making recommendations to the Board of Directors with respect to, the compensation of the Company's other executive officers;

annually reviewing and approving the Company's management incentive plan;

overseeing and administering the Company's equity incentive plans; and

reviewing and making recommendations to the Board of Directors with respect to director compensation.

The Compensation Committee held three meetings in 2004.

Audit Committee

The Audit Committee consists of Messrs. Anderson, Robbins and Valente. The Audit Committee's responsibilities include:

appointing, approving the fees of, and assessing the independence of, the Company's independent auditors;

overseeing the work of the Company's independent auditors, including through the receipt and consideration of certain reports from the independent auditors;

reviewing and discussing the Company's annual and quarterly financial statements and related disclosures with management and the independent auditors;

monitoring the Company's internal control over financial reporting, disclosure controls and procedures and code of business conduct and ethics;

overseeing the Company's internal audit function;

establishing policies regarding hiring employees from the independent auditors and procedures for the receipt and retention of accounting related complaints and concerns;

meeting independently with the Company's internal auditing staff, independent auditors and management; and preparing the Audit Committee report required by Commission rules (which is included on page 13 of this proxy statement).

The Audit Committee held nine meetings in 2004.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee consists of Messrs. Anderson, Chute and Valente. The Nominating and Corporate Governance Committee's responsibilities include:

identifying individuals qualified to become members of the Board of Directors;

recommending to the Board of Directors the persons to be nominated for election as directors and to each of the Board's committees; and

developing and recommending corporate governance principles to the Board of Directors.

The Nominating and Corporate Governance Committee held one meeting in 2004.

The Board of Directors held five meetings in 2004. Each director attended at least 75% of the aggregate of the total number of meetings of the Board of Directors and the total number of meetings of all committees of the Board on which he served. Pursuant to resolutions adopted by the Board of Directors, directors are encouraged to attend annual meetings of shareholders. Messrs. Bertucci, Chute, Robbins and Valente attended the 2004 annual meeting of shareholders.

Audit Committee Financial Expert

The Board of Directors has determined that each of the three members of the Audit Committee is an audit committee financial expert as defined in Item 401(h) of Regulation S-K.

Director Candidates

The Nominating and Corporate Governance Committee nominated the director nominees for election as Class III directors. The process to be followed by the Nominating and Corporate Governance Committee to identify and evaluate director candidates includes requests to Board members and others for recommendations, meetings from time to time to evaluate biographical information and background material relating to potential candidates and interviews of selected candidates by members of the Committee and the Board of Directors.

In considering whether to recommend any particular candidate for inclusion in the Board of Directors' slate of recommended director nominees, the Nominating and Corporate Governance Committee applies the criteria attached to the Committee's charter. These criteria include the candidate's integrity, business acumen, knowledge of the Company's business and industry, age, experience, diligence, conflicts of interest and the ability to act in the interests of all shareholders. The Committee does not assign specific weights to particular criteria and no particular criterion is a prerequisite for each prospective nominee. The Company believes that the backgrounds and qualifications of its directors, considered as a group, should provide a composite mix of experience, knowledge and abilities that will allow the Board of Directors to fulfill its responsibilities.

Shareholders may recommend individuals to the Nominating and Corporate Governance Committee for consideration as potential director candidates by submitting their names, together with appropriate biographical information and background materials and a statement as to whether the shareholder or group of shareholders making the recommendation has beneficially owned more than 5% of the Company's Common Stock for at least a year as of the date such recommendation is made, to the Nominating and Corporate Governance Committee, in care of Kathleen F. Burke, Esq., Corporate Counsel, MKS Instruments, Inc., 90 Industrial Way, Wilmington, MA 01887. Assuming that appropriate biographical and background material has been provided on a timely basis, the Nominating and Corporate Governance Committee will evaluate

shareholder-recommended candidates by following substantially the same process, and applying the same criteria, as it does in considering other candidates.

Shareholders also have the right under the Company's By-Laws (or, if approved by the shareholders at the Annual Meeting, the Second Restated By-Laws) to directly nominate director candidates, without any action or recommendation on the part of the Nominating and Corporate Governance Committee or the Board of Directors, by following the procedures set forth under the heading "Deadline for Submission of Shareholder Proposals for the 2006 Annual Meeting" below.

Communicating with the Independent Directors

The Board of Directors will give appropriate attention to written communications that are submitted by shareholders, and will respond if and as appropriate.

The Chairman of the Nominating and Corporate Governance Committee, with the assistance of the Company's Corporate Counsel, is primarily responsible for monitoring communications from shareholders and for providing copies or summaries to the other directors as he considers appropriate.

Communications are forwarded to all directors if they relate to important substantive matters and include suggestions or comments that the Chairman of the Nominating and Corporate Governance Committee considers to be important for the directors to know. In general, communications relating to corporate governance and long-term corporate strategy are more likely to be forwarded than communications relating to ordinary business affairs, personal grievances and matters as to which the Company tends to receive repetitive or duplicative communications.

Shareholders who wish to send communications on any topic to the Board of Directors should address such communications to the Board of Directors in care of Kathleen F. Burke, Esq., Corporate Counsel, MKS Instruments, Inc., 90 Industrial Way, Wilmington, MA 01887.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Company's executive compensation program is administered by the Compensation Committee of the Board of Directors. In 2004, the Compensation Committee (for purposes of this report only, the "Committee") was comprised of two non-employee directors, Messrs. Kahl and Valente. Mr. Berges, who was initially a member of the Committee, resigned from the Committee on February 4, 2004. The Committee is responsible for determining the salaries of, establishing bonus programs for, and granting stock options to, the Company's executive officers.

The Committee believes that the primary objectives of the Company's compensation policies are to attract, retain, motivate, and reward a management team that can effectively implement and execute the Company's strategic business plan and lead the Company in achieving its long-term growth and earnings goals. These compensation policies include an overall management compensation program that: (i) is competitive with management compensation programs at companies of similar size and in a similar industry; (ii) recognizes individual initiative, leadership and achievement; (iii) provides short-term bonus incentives for management to meet the Company's net income performance goals; and (iv) provides long-term incentive compensation in the form of stock options to encourage management to continue to focus on shareholder return.

The Committee's goal is to use compensation policies to closely align the interests of the Company's management with the interests of shareholders so that the Company's management has incentives to achieve short-term performance goals while building long-term value for the Company's shareholders. In establishing base salaries for executive officers, the Committee considers numerous factors such as the executive's responsibilities, the executive's importance to the Company, the executive's performance, historical salary levels of the executive, and the salaries of executives at certain other companies whose business is similar to that of the Company. The Committee will review its compensation policies from time to time in order to

determine the reasonableness of the Company's compensation programs and to take into account factors that are unique to the Company.

The Company has entered into employment agreements with its executive officers and certain other senior officers of the Company. The Committee believes that the salaries and benefits provided to these senior officers reflect appropriate base salaries and benefits as compared to senior officers of other companies of similar size. These agreements provide for termination for cause as well as termination without cause and for certain severance benefits and restrict the officers' ability to compete with the Company.

Bonus Plan

To further provide incentives for management to continue to improve operating results, the Committee oversees the administration of the Management Incentive Plan ("Bonus Plan"). The amounts to be distributed pursuant to the Bonus Plan are determined by the financial results of the Company. The Committee believes that the Bonus Plan provides significant incentive to the executive officers of the Company to exceed the Company's financial goals.

Long-Term Incentive Compensation

Long-term incentive compensation, in the form of stock options, allows the executive officers to share in any appreciation in the value of the Company's Common Stock. The Committee believes that stock option participation aligns executive officers' interests with those of the shareholders. In addition, the Committee believes that awarding options to executive officers helps to balance the short-term focus of annual incentive compensation with a longer term view and may help to retain key executive officers. Moreover, because options granted to executive officers generally become exercisable over a four-year period and terminate upon or shortly after the termination of the executive's employment with the Company, stock options serve as a means of retaining these executives.

In January 2005, the Committee accelerated the vesting of unvested options awarded to the Company's employees, including officers, which options had an exercise price of \$23.00 or greater. The closing sale price of MKS stock on the Nasdaq National Market on the date of acceleration was \$16.03. As a result of this action, options to purchase approximately 1.6 million shares became exercisable on January 7, 2005. Under the recently issued Financial Accounting Standards Board Statement No. 123R, "Share-Based Payment" ("FAS 123R"), the Company will be required to apply the expense recognition provisions under FAS 123R beginning July 1, 2005. The Company believes that accelerating the vesting of the identified stock options will reduce the Company's compensation charge in periods subsequent to June 30, 2005.

When establishing stock option grant levels, the Committee considers general corporate performance, the Chief Executive Officer's recommendations, level of seniority and experience, the dilutive impact of the options, previous grants of stock options, vesting schedules of outstanding options and the current stock price.

It is the policy of the Company to make an initial stock option grant to all executive officers at the time they commence employment consistent with the number of options granted to executive officers in the industry at similar levels of seniority. In addition, the Committee may also make grants throughout the year. In making such grants, the Committee considers individual contributions to the Company's financial, operational and strategic objectives.

Senior management also participates in Company-wide employee benefit plans, including the Company's 401(k) Plan. Benefits under these plans are not dependent upon individual performance.

In addition, in 2004, the Committee and the Board of Directors approved supplemental retirement benefits for certain executive officers and other officers of the Company. The Committee believes that such benefits will aid in the retention of these individuals until their retirement.

Compensation of Chief Executive Officer

Mr. Bertucci's compensation was based upon a careful analysis of other comparable companies' Chief Executive Officers' compensation and Mr. Bertucci's efforts and success in improving the Company's operating results, establishing strategic goals and objectives for long-term growth of the Company, and advancing the Company in obtaining its strategic goals and objectives.

Section 162(m)

Section 162(m) of the Internal Revenue Code of 1986, as amended (the Code), generally disallows a tax deduction to public companies for certain compensation in excess of \$1.0 million paid to such company's chief executive officer or any of the four other most highly compensated executive officers. Certain compensation, including qualified performance-based compensation, will not be subject to the deduction limit if certain requirements are met.

The Committee reviews the potential effect of Section 162(m) periodically and generally seeks to structure the long-term incentive compensation granted to its executive officers through option issuances under its stock option plans in a manner that is intended to avoid disallowance of deductions under Section 162(m). Nevertheless, there can be no assurances that compensation attributable to awards granted under our stock option plans will be treated as qualified performance-based compensation under Section 162(m). Because the Company's Bonus Plan is not operated in a manner designed to qualify as performance-based compensation under Section 162(m), it is possible that a portion of any bonus payable to Mr. Bertucci and certain other executives under the Bonus Plan will not be deductible for federal income tax purposes. The Committee reserves the right to use its judgment to authorize compensation payments which may be in excess of the Section 162(m) limit when the Committee believes such payments are appropriate, after taking into consideration changing business conditions or the officer's performance, and are in the best interests of the shareholders.

Compensation Committee Interlocks and Insider Participation

In 2004, the Compensation Committee comprised Messrs. Kahl and Valente, and until February 4, 2004, Mr. Berges. Messrs. Berges, Kahl, and Valente were not, at any time, officers or employees of MKS or any subsidiary of MKS. None of them had any relationship with MKS requiring disclosure under Item 404 of Regulation S-K under the Exchange Act, with the exception of Mr. Berges, which is described below. No executive officer of MKS serves, or has served, as a member of the board of directors or compensation committee (or other committee serving an equivalent function) of any other entity which has one or more executive officers serving as a member of MKS's Board of Directors or Compensation Committee.

Mr. Berges, who resigned from the Compensation Committee on February 4, 2004, is President and a director of Emerson Electric Co. (Emerson). During 2004, MKS purchased materials and services from Emerson and its subsidiaries totaling approximately \$1,854,000. In addition, in accordance with the terms of a Shareholder's Agreement between MKS and Emerson, MKS paid the expenses of Emerson relating to the registration of shares in connection with a public offering of Common Stock that closed in January 2004. Such expenses were \$176,000.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The Audit Committee of the Company's Board of Directors is currently composed of three members and acts under a written charter adopted and approved on February 4, 2004. The members of the Audit Committee are independent directors, as defined by its charter and the rules of the Nasdaq Stock Market, and possess the financial sophistication required by such charter and rules. The Audit Committee held nine meetings during the fiscal year ended December 31, 2004.

Management is responsible for the Company's internal controls and the financial reporting process. The Company's independent auditors, PwC, are responsible for performing an independent audit of the Company's financial statements and the Company's internal control over financial reporting in accordance with auditing standards generally accepted in the United States, and issue a report on those financial statements. The Audit Committee is responsible for monitoring and overseeing these processes. As appropriate, the Audit Committee reviews and evaluates, and discusses with the Company's management, internal accounting, financial and auditing personnel and the independent auditors, the following:

the plan for, and the independent auditors' report on, audits of the Company's financial statements;

the Company's financial disclosure documents, including all financial statements and reports filed with the Commission or sent to shareholders;

management's selection, application and disclosure of critical accounting policies;

major changes in the Company's significant accounting practices, principles, controls or methodologies;

significant developments or changes in accounting rules applicable to the Company; and

the adequacy of the Company's internal controls and accounting, financial and auditing personnel.

The Audit Committee reviewed the Company's audited financial statements for the fiscal year ended December 31, 2004, and discussed these financial statements with the Company's management. Management represented to the Audit Committee that the Company's financial statements had been prepared in accordance with accounting principles generally accepted in the United States. The Audit Committee also reviewed and discussed the audited financial statements and the matters required by Statement on Auditing Standards No. 61—Communication with Audit Committees, as amended (SAS 61), with PwC, the Company's independent auditors. SAS 61 requires the Company's independent auditors to discuss with the Company's Audit Committee, among other things, the following:

methods to account for significant unusual transactions;

the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus;

the process used by management in formulating particularly sensitive accounting estimates and the basis for the auditors' conclusions regarding the reasonableness of those estimates; and

disagreements with management over the application of accounting principles, the basis for management's accounting estimates and the disclosures in the financial statements.

The Company's independent auditors also provided the Audit Committee with the written disclosures and the letter required by Independence Standards Board Standard No. 1—Independence Discussions with Audit Committees. Independence Standards Board Standard No. 1 requires auditors annually to disclose in writing all relationships that in the auditor's professional opinion may reasonably be thought to bear on independence, confirm their perceived independence and engage in a discussion of independence. In addition, the Audit Committee discussed with the independent auditors their independence from the Company. The Audit Committee also considered whether the

independent auditors provision of the other, non-audit related, services to the Company, which are referred to below, is compatible with maintaining such auditors independence.

Based on its discussions with management and the independent auditors, and its review of the representations and information provided by management and the independent auditors, the Audit Committee recommended to the Company's Board of Directors that the audited financial statements of the Company be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2004.

CODE OF ETHICS

We have adopted a written code of business conduct and ethics that applies to all directors, officers and employees of MKS (including our principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions), which is posted in the Investors link on the Company's website, www.mksinstruments.com, under the heading Corporate Governance. We intend to disclose any amendments to, or waivers from, our code of business conduct and ethics on our website.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act (Section 16(a)) requires executive officers, directors, and persons who beneficially own more than ten percent (10%) of the Company's stock to file initial reports of ownership on Form 3 and reports of changes in ownership on Form 4 with the Commission and any national securities exchange on which the Company's securities are registered. Executive officers, directors and greater than ten percent (10%) beneficial owners are required by the Commission's regulations to furnish the Company with copies of all Section 16(a) forms they file.

Based solely on a review of the copies of such forms furnished to the Company and written representations from the executive officers and directors pursuant to Item 405 of Regulation S-K, the Company believes that all filing requirements applicable to its officers, directors and greater than ten percent (10%) shareholders were complied with. The Company believes that all other of its executive officers, directors and greater than ten percent (10%) beneficial owners complied with all applicable Section 16(a) filing requirements.

PROPOSAL TWO**APPROVAL OF THE COMPANY'S SECOND RESTATED BY-LAWS**

On February 7, 2005, the Board of Directors approved, subject to shareholder approval, the adoption of the Company's Second Restated By-Laws, primarily to reflect various provisions of the Massachusetts Business Corporation Act, Chapter 156D, which became effective on July 1, 2004. If approved by the shareholders, the proposed Second Restated By-Laws will replace the Company's current By-Laws. The Second Restated By-Laws are set forth in Appendix A to the electronic copy of this proxy statement filed with the Commission and may be accessed from the Commission's home page (www.sec.gov). Significant differences between the proposed Second Restated By-Laws and the current By-Laws are:

Shareholder voting at meetings. Under the current By-Laws, shareholder action at meetings requires affirmative votes outnumbering the combined total of negative votes and abstentions. Under the proposed Second Restated By-Laws, affirmative votes must outnumber negative votes.

Proxy validity. The current By-Laws require that a proxy must be dated not more than six months before the meeting named in it in order to be valid. The proposed Second Restated By-Laws extend the period of validity to eleven months.

Vacancies in the Board of Directors. The current By-Laws permit the shareholders to fill vacancies in the Board of Directors and to decrease the number of directors to eliminate vacancies. Under the

proposed Second Restated By-Laws, only the Board of Directors may fill vacancies or change the number of directors.

Amendment of By-Laws. The provisions of the current By-Laws relating to removal of directors may be amended only by vote of the shareholders. The proposed Second Restated By-Laws would allow the Board of Directors to amend provisions relating to removal of directors without shareholder approval.

Record date. The current By-Laws allow the Board of Directors to fix a record date not more than sixty days before events for which a record date may be fixed. The proposed Second Restated By-Laws allow the Board of Directors to fix a record date not more than seventy days before such events.

Electronic communications. The proposed Second Restated By-Laws allow electronic communications with directors and shareholders.

THE BOARD OF DIRECTORS BELIEVES THAT THE PROPOSAL TO APPROVE THE ADOPTION OF THE SECOND RESTATED BY-LAWS IS IN THE BEST INTERESTS OF MKS AND ITS SHAREHOLDERS AND THEREFORE RECOMMENDS A VOTE FOR THIS PROPOSAL.

PROPOSAL THREE

RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

On February 7, 2005, the Audit Committee appointed PwC as the Company's independent auditors for the fiscal year of the Company ending December 31, 2005. PwC was the Company's independent auditors for the fiscal year ended December 31, 2004.

Representatives of PwC are expected to be present at the Annual Meeting and will have the opportunity to make a statement if they so desire and will be available to respond to appropriate questions from shareholders. In the event that the ratification of the appointment of PwC as the independent auditors for the Company is not obtained at the Annual Meeting, the Board of Directors will reconsider its appointment.

THE BOARD OF DIRECTORS BELIEVES THAT THE PROPOSAL TO RATIFY THE APPOINTMENT OF PRICEWATERHOUSECOOPERS LLP AS INDEPENDENT AUDITORS OF THE COMPANY FOR THE FISCAL YEAR ENDING DECEMBER 31, 2005 IS IN THE BEST INTERESTS OF MKS AND ITS SHAREHOLDERS AND THEREFORE RECOMMENDS A VOTE FOR THIS PROPOSAL.

OTHER MATTERS

The Board of Directors does not know of any other matters which may come before the meeting. However, if any other matters are properly presented to the meeting, it is the intention of the persons named in the accompanying proxy to vote, or otherwise act, in accordance with their judgment on such matters.

All costs of solicitation of proxies will be borne by the Company. In addition to solicitations by mail, the Company's directors, officers and regular employees, without additional remuneration, may solicit proxies by telephone, telegraph and personal interviews and the Company reserves the right to retain outside agencies for the purpose of soliciting proxies. Brokers, custodians and fiduciaries will be requested to forward proxy soliciting material to the owners of stock held in their names, and the Company will reimburse them for their reasonable out-of-pocket expenses incurred in connection with the distribution of proxy materials.

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

For the years ended December 31, 2004 and 2003, the Company was billed by its independent auditors, PwC, for services in the following categories:

	2004	2003
Audit Fees	\$ 2,309,000	\$ 815,000
Audit-Related Fees	67,000	118,000
Tax Fees	225,000	645,000
All Other Fees		
Total	\$ 2,601,000	\$ 1,578,000

Audit Fees for the year ended December 31, 2004 were for professional services provided for the audit of our consolidated financial statements and of our internal control over financial reporting, statutory and subsidiary audits, consents and assistance with review of documents filed with the Commission. Audit Fees for the year ended December 31, 2003 were for professional services provided for the audit of our consolidated financial statements, statutory and subsidiary audits, consents and assistance with review of documents filed with the Commission.

Audit-Related Fees for the year ended December 31, 2004 were for advice related to accounting and reporting standards. Audit-Related Fees for the year ended December 31, 2003 were for advice related to accounting and reporting standards and services related to employee benefit plan audits.

Tax Fees for each of the years ended December 31, 2004 and 2003 were for services related to tax compliance, including the preparation of tax returns and claims for refund; and tax planning and tax advice, including assistance with acquisitions, foreign sales and foreign subsidiaries.

None of the audit-related, tax or other fees in 2004 or 2003 were provided under the de minimis exception to the audit committee pre-approval requirements.

Pre-Approval Policy and Procedures

The Audit Committee has adopted policies and procedures relating to the approval of all audit and non-audit services that are to be performed by the Company's independent auditors. This policy generally provides that the Company will not engage its independent auditors to provide audit or non-audit services unless the service is specifically approved in advance by the Audit Committee or the engagement is entered into pursuant to one of the pre-approval procedures described below.

From time to time, the Audit Committee may pre-approve specified types of services that are expected to be provided to the Company by its independent auditors during the next 12 months. Any such pre-approval is detailed as to the particular service or type of service to be provided and is also generally subject to a maximum dollar amount.

The Audit Committee has also delegated to the chairman of the Audit Committee the authority to approve any audit or non-audit services to be provided to the Company by its independent auditors. Any approval of services by the Chairman of the Audit Committee pursuant to this delegated authority is reported on at the next meeting of the Audit Committee.

The Audit Committee has considered and determined that the provision of the non-audit services noted in the foregoing table is compatible with maintaining PwC's independence.

**DEADLINE FOR SUBMISSION OF SHAREHOLDER PROPOSALS
FOR THE 2006 ANNUAL MEETING**

Proposals of shareholders intended to be presented at the 2006 Annual Meeting of Shareholders must be received by the Company at its principal office in Wilmington, Massachusetts not later than November 30, 2005, for inclusion in the proxy statement for that meeting.

In addition, MKS's By-Laws (or, if approved by the shareholders at the Annual Meeting, MKS's Second Restated By-Laws) require that MKS be given advance notice of matters that shareholders wish to present for action at an Annual Meeting of shareholders (other than matters included in MKS's proxy statement in accordance with Rule 14a-8 of the Exchange Act). The required written notice must be delivered to the Secretary of MKS at the principal offices of MKS at least 60 days prior to the Annual Meeting, but no more than 90 days prior to such meeting. However, if less than 40 days notice of the Annual Meeting is provided to the shareholders, the written notice of the shareholder must be received by the Secretary of MKS no later than 10 days after the notice of the Annual Meeting was mailed or publicly disclosed. The advance notice provisions of MKS's By-Laws (or, if approved by the shareholders at the Annual Meeting, MKS's Second Restated By-Laws) contain the requirements of the written notice of shareholders and supersede the notice requirement contained in Rule 14a-4(c)(1) under the Exchange Act.

The annual meeting of shareholders shall be held within six months after the end of each fiscal year of the corporation on a date to be fixed by the Board of Directors or the President (which date shall not be a legal holiday in the place where the meeting is to be held) at the time and place to be fixed by the Board of Directors or the President and stated in the notice of the meeting. The purposes for which the annual meeting is to be held, in addition to those prescribed by law, by the Articles of Organization or by these By-Laws, may be specified by the Board of Directors or the President. If no annual meeting is held in accordance with the foregoing provisions, a special meeting may be held in lieu of the annual meeting, and any action taken at that special meeting shall have the same effect as if it had been taken at the annual meeting, and in such case all references in these By-Laws to the annual meeting of shareholders shall be deemed to refer to such special meeting.

Section 2. Business at Annual Meetings. Except as otherwise provided by law, at an annual meeting of the shareholders, only such business shall be conducted as shall have been properly brought before the meeting. To be properly brought before an annual meeting, business

must be (a) specified in the notice of the meeting, (b) otherwise properly brought before the meeting by or at the direction of the Board of Directors, or (c) otherwise properly brought before the meeting by a shareholder.

For business to be properly brought before an annual meeting by a shareholder, the shareholder must give timely notice thereof in writing to the Secretary of the corporation. To be timely, a shareholder's notice must be delivered to or mailed and received at the principal executive offices of the corporation not less than 60 days nor more than 90 days prior to the meeting; provided, however, that in the event that less than 40 days' notice or prior public disclosure of the date of the meeting is given or made to shareholders, notice by the shareholder to be timely must be so received not later than the close of business on the 10th day following the day on which such notice of the date of the annual meeting was mailed or such public disclosure was made. A shareholder's notice to the Secretary shall set forth as to each matter the shareholder proposes to bring before the annual meeting (a) a brief description of the business desired to be brought before the annual meeting and the reasons for conducting such business at the annual meeting, (b) the name and address, as they appear on the corporation's books, of the shareholder proposing such business, (c) the class and number of shares of the corporation which are beneficially owned by the shareholder, and (d) any material interest of the shareholder in such business. No later than the tenth day following the date of receipt of a shareholder notice pursuant to this Section 2, the Chairman of the Board of Directors of the corporation shall, if the facts warrant, determine and notify in writing the shareholder submitting such notice that such notice was not made in accordance with the time limits and/or other procedures prescribed by these By-Laws. If no such notification is mailed to such shareholder within such ten-day period, such shareholder notice containing a matter of business shall be deemed to have been made in accordance with the provisions of this Section 2. Notwithstanding anything in these By-Laws to the contrary, no business shall be conducted at an annual meeting except in accordance with the procedures set forth in this Section 2.

Section 3. Special Meetings. Special meetings of shareholders may be called by the President or by the Board of Directors. In addition, upon written application of one or more shareholders who are entitled to vote and who hold at least the Required Percentage (as defined below) of the capital stock entitled to vote at the meeting, special meetings shall be called by the Secretary, or in case of the death, absence, incapacity or refusal of the Secretary, by any other officer.

For purposes of this Section 3, the Required Percentage shall be (i) 10% at any time at which the corporation shall not have a class of voting stock registered under the Securities Exchange Act of 1934, as amended (the Exchange Act), and (ii) 40% at any time at which the corporation shall have a class of voting stock registered under the Exchange Act.

Any request for a call of a special meeting of shareholders (a Call) by the holders of the Required Percentage of the capital stock entitled to vote at the meeting (the Voting Stock) shall be governed by and subject to the following:

- (a) Any shareholder of record seeking to solicit requests for a Call pursuant to this Section 3 shall so notify the corporation in writing to the Secretary of the

corporation and such written notification shall set forth the reason or reasons for the Call and the purpose of such special meeting.

- (b) No solicitation of shareholder requests for a Call (a Call Solicitation) may be commenced (i) before the Call Request Record Date (as defined in paragraph (c) of this Section 3) or (ii) during the period of 90 days following the most recent meeting of the shareholders of the corporation.
- (c) In order that the corporation may determine the shareholders entitled to request a Call, the Board of Directors of the corporation shall fix a record date (the Call Request Record Date). Any shareholder of record seeking to solicit shareholder requests for a Call shall, with delivery to the corporation of the written information specified in paragraph (a), request in writing that the Board of Directors fix the Call Request Record Date. The Board of Directors shall, within 10 days after the date on which such request is received, adopt a vote fixing the Call Request Record Date and such Call Request Record Date shall be not more than 10 days after the date upon which such vote is adopted by the Board of Directors.
- (d) All requests for a Call and revocations thereof shall be delivered to the corporation no later than the 30th day (the Delivery Date) after the Call Request Record Date.
- (e) Any shareholder may revoke a prior request for a Call or opposition to a Call by an instrument in writing delivered prior to the Delivery Date.
- (f) Promptly after the Delivery Date, requests for a Call and revocations thereof shall be counted and verified by an independent party selected by the corporation.
- (g) If, in response to any Call Solicitation, the holders of record of the Required Percentage of the Voting Stock as of the Call Request Record Date submit valid and unrevoked requests for a Call no later than the Delivery Date, the Board of Directors of the corporation shall fix a record date pursuant to Section 6 of Article V hereof and a meeting date for the special meeting; provided that the date to be fixed for such meeting shall be no earlier than 60 days or later than 90 days after the Delivery Date; and provided further that the Board of Directors shall not be obligated to fix a meeting date or to hold any meeting of shareholders within 60 days of the next scheduled meeting of the shareholders of the corporation.
- (h) In the absence of a quorum at any special meeting called pursuant to a Call Solicitation, such special meeting may be postponed or adjourned from time to time only by the officer of the corporation entitled to preside at such meeting.

Section 4. Time and Place of Meetings. All meetings of shareholders shall be held at a suitable time at the principal office of the corporation or at such other suitable place within Massachusetts or, to the extent permitted by the Articles of Organization, elsewhere in the

United States, as shall be selected by the President or the Board of Directors in the case of an annual meeting and, in the case of a special meeting, by the President, the Board of Directors or the applying shareholders calling such meeting.

Section 5. Notice of Meetings. A written notice of each meeting of shareholders containing the place, date and hour, and the purposes for which it is to be held, shall be given by the Secretary or, in the case of the death, absence, incapacity, or refusal of the Secretary, by any other officer, at least seven days but not more than sixty days before the date of the meeting, to each shareholder entitled to vote at the meeting and to each shareholder who is otherwise entitled by law or by the Articles of Organization or these By-Laws to such notice, by leaving such notice with him or at his residence or usual place of business or by mailing it postage prepaid and addressed to each shareholder at his address as it shall appear in the stock and transfer records of the corporation. Notice of a meeting need not be given to a shareholder if a written waiver of notice, executed before or after the meeting by such shareholder or his attorney thereunto authorized, is filed with the records of the meeting.

Section 6. Quorum. Unless otherwise provided by law, or in the Articles of Organization, these By-Laws or, to the extent authorized by law, a vote of the Board of Directors requiring satisfaction of a greater quorum requirement for any voting group, a majority of the votes entitled to be cast on the matter by a voting group constitutes a quorum of that voting group for action on that matter. As used in these By-Laws, a voting group includes all shares that, under the Articles of Organization or the Massachusetts Business Corporation Act, as in effect from time to time (the MBCA), are entitled to vote and to be counted together collectively on a matter at a meeting of shareholders. A share once represented for any purpose at a meeting is deemed present for quorum purposes for the remainder of the meeting and for any adjournment of that meeting unless (1) the shareholder attends solely to object to lack of notice, defective notice or the conduct of the meeting on other grounds and does not vote the shares or otherwise consent that they are to be deemed present, or (2) in the case of an adjournment, a new record date is or shall be set for that adjourned meeting. If a quorum is not present, a majority of the votes present may, from time to time, postpone to a new time or place any meeting and the postponed meeting may be held without further notice.

Section 7. Voting and Proxies. Each shareholder entitled to vote shall have one vote, to be exercised in person or by proxy, for each share of stock held by him, and a proportionate vote for a fractional share. If a quorum of a voting group exists, favorable action on a matter, other than the election of directors, is taken by a voting group if the votes cast within the group favoring the action exceed the votes cast opposing the action, unless a greater number of affirmative votes is required by law, the Articles of Organization, these By-Laws or, to the extent authorized by law, a vote of the Board of Directors requiring receipt of a greater affirmative vote of the shareholders, including more separate voting groups. Directors are elected by a plurality of the votes cast by the shares entitled to vote in the election at a meeting at which a quorum is present. No vote need be taken by ballot unless so requested by any shareholder present or represented and entitled to vote thereon. Proxies must be in writing and received by the Secretary or other officer or agent authorized to tabulate votes before being voted. The person named in a proxy may vote at any adjournment of the meeting for which the proxy was given, but the proxy shall terminate after final adjournment of the meeting. No proxy dated more than

eleven months before the meeting named in it shall be valid. Subject to the limitations of Section 7.24 of the MBCA, or any successor section thereto, the corporation is entitled to accept a proxy purporting to be executed by or on behalf of a shareholder and to give it effect as the act of the shareholder. A proxy with respect to stock held in the name of two or more persons shall be valid if executed by any one of them and the person signing appears to be acting on behalf of all of them. Inspectors of election, if any, shall be appointed by the Board of Directors or, in the absence of such appointment, by the officer presiding at any meeting of the shareholders.

Section 8. Action by Consent. Any action required or permitted to be taken by shareholders may be taken without a meeting if all shareholders entitled to vote on the matter consent in writing or by electronic transmission to the action and such written consents or electronic transmissions are filed with the records of the meetings of shareholders. Such consents shall be treated for all purposes as a vote at a meeting.

ARTICLE III

THE BOARD OF DIRECTORS

Section 1. Number, Election and Qualification. The number of directors which shall constitute the whole Board of Directors shall be fixed by vote of the Board of Directors, but shall consist of not less than three directors (except that whenever there shall be only two shareholders the number of directors shall be not less than two and whenever there shall be only one shareholder or prior to the issuance of any stock, there shall be at least one director). The directors of the corporation shall be classified with respect to the time for which they severally hold office into three classes, as nearly equal in number as possible. At each annual meeting of the shareholders, the successors to the class of directors whose term expires at that meeting shall be elected by such shareholders as have the right to vote on such election to hold office for a term continuing until the annual meeting held in the third year following the year of their election and until their successors are duly elected and qualified. No director need be a shareholder of the corporation.

Section 2. Change in Size of the Board. The number of directors may be changed at any time and from time to time by a majority of the directors then in office, provided that any such action does not operate to remove a director elected by the shareholders or the directors other than in the manner specified in the Articles of Organization or these By-Laws.

Section 3. Tenure. Except as otherwise provided by law, these By-Laws or the Articles of Organization, each director shall hold office until the third annual meeting of shareholders after the meeting at which he was elected and until his successor is elected and qualified, or until his earlier death, resignation or removal.

Section 4. Vacancies. Any vacancy in the Board of Directors, however occurring, including a vacancy resulting from an enlargement of the Board, shall be filled solely by vote of a majority of the remaining directors then in office, even though such directors constitute less than a quorum of the Board of Directors. Each such successor shall hold office for the unexpired

term of his predecessor and until his successor is chosen and qualified or until his earlier death, resignation or removal.

Section 5. Resignation. Any director may resign by delivering his written resignation to the corporation at its principal office or to the Board of Directors or its Chairman. Such resignation shall be effective upon receipt unless it is specified to be effective at some other time or upon the happening of some other event.

Section 6. Removal. A director may be removed from office with or without cause by vote of the holders of a majority of the shares entitled to vote in the election of directors. However, the directors elected by the holders of a particular class or series of stock may be removed from office with or without cause only by vote of the holders of a majority of the outstanding shares of such class or series. In addition, a director may be removed from office for cause by vote of a majority of the directors then in office. A director may be removed for cause only after reasonable notice and opportunity to be heard before the body proposing to remove him.

Section 7. Nomination of Directors. Only persons who are nominated in accordance with the procedures set forth in this Section 7 shall be eligible for election as directors. Nominations of persons for election to the Board of Directors of the corporation may be made at a meeting of shareholders of the corporation by a shareholder entitled to vote for the election of directors at the meeting who complies with the notice procedures set forth in this Section 7. Any such nomination by a shareholder shall be made pursuant to timely notice in writing to the Secretary of the corporation. To be timely, a shareholder's notice shall be delivered to the principal executive offices of the corporation not less than 30 days nor more than 90 days prior to the date of the meeting; provided, however, that in the event that less than 40 days' notice or prior public disclosure of the date of the meeting is given or made to shareholders, timely notice by the shareholder must be received not later than the close of business on the 10th day following the day on which such notice of the date of the meeting was mailed or such public disclosure was made. Such shareholder's notice shall set forth (a) as to each person whom the shareholder proposes to nominate for election or re-election as a director, (i) the name, age, business address and residence address of such person (ii) the principal occupation or employment of such person, (iii) the class and number of shares of the corporation which are beneficially owned by such person and (iv) any other information relating to such person that is required to be disclosed in solicitations of proxies for election of directors or is otherwise required in each case pursuant to Regulation 14A under the Exchange Act (including without limitation such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected); and (b) as to the shareholder giving the notice, (i) the name and address, as they appear on the corporation's books, of such shareholder and (ii) the class and number of shares of the corporation which are beneficially owned by such shareholder. At the request of the Board of Directors, any person nominated by the Board of Directors for election as a director shall furnish to the Secretary of the corporation that information required to be set forth in a shareholder's notice of nomination which pertains to the nominee. No later than the tenth day following the date of receipt of a shareholder nomination submitted pursuant to this Section 7, the Chairman of the Board of Directors of the corporation shall, if the facts warrant, determine and notify in writing the shareholder making such nomination that such nomination

was not made in accordance with the time limits and/or other procedures prescribed by these By-Laws. If no such notification is mailed to such shareholder within such ten-day period, such nomination shall be deemed to have been made in accordance with the provisions of this Section 7.

Section 8. Powers. The business of the corporation shall be managed by a Board of Directors, who may exercise all the powers of the corporation except as otherwise provided by law, by the Articles of Organization or by these By-Laws. In the event of a vacancy in the Board of Directors, the remaining Directors, except as otherwise provided by law, may exercise the powers of the full Board until the vacancy is filled.

Section 9. Chairman of the Board and Vice Chairman of the Board. The Board of Directors may appoint a Chairman of the Board. If the Board of Directors appoints a Chairman of the Board, he shall perform such duties and possess such powers as are assigned to him by the Board of Directors. If the Board of Directors appoints a Vice Chairman of the Board, he shall, in the absence or disability of the Chairman of the Board, perform the duties and exercise the powers of the Chairman of the Board and shall perform such other duties and possess such other powers as may from time to time be vested in him by the Board of Directors.

Section 10. Regular Meetings. Regular meetings of the Directors may be held without call or notice at such places, within or without Massachusetts, and at such times as the Directors may from time to time determine, provided that any Director who is absent when such determination is made shall be given notice of the determination. A regular meeting of the Directors may be held without a call or notice immediately after and at the same place as the annual meeting of shareholders.

Section 11. Special Meetings. Special meetings of the Directors may be held at any time and place, within or without Massachusetts, designated in a call by the Chairman of the Board, President, Treasurer, two or more Directors or by one Director in the event that there is only a single Director in office.

Section 12. Meetings by Telephone Conference Call. Directors or members of any committee designated by the Board of Directors may participate in a meeting of the Board of Directors or such committee by means of a conference telephone or any other communications equipment by means of which all persons participating in the meeting can simultaneously hear each other and participation by such means shall constitute presence in person at a meeting.

Section 13. Notice of Special Meetings. Notice of any special meeting of the Board of Directors shall be given to each director by the Secretary or by the officer or one of the directors calling the meeting. Notice shall be duly given to each director (i) by notice given to such director in person or by telephone or electronic communication at least 24 hours in advance of the meeting, (ii) by sending a telegram or telex, or by delivering written notice by hand, to his last known business or written notice to his last known business or home address at least 48 hours in advance of the meeting. Notice need not be given to any director if a written waiver of notice, executed by him before or after the meeting, is filed with the records of the meeting, or to any director who attends the meeting without protesting prior to the meeting or at its

commencement the lack of notice to him. If notice is given in person or by telephone or electronic communication, an affidavit of the Secretary, officer or director who gives such notice that the notice has been duly given shall, in the absence of fraud, be conclusive evidence that such notice was duly given.

Section 14. Quorum. At any meeting of the Board of Directors, a majority of the directors then in office shall constitute a quorum. A majority of directors present at any meeting, even if less than a quorum, may adjourn the meeting from time to time without further notice.

Any action required or permitted to be taken at any meeting of the Board of Directors may be taken without a meeting if all of the directors consent to the action in writing or by electronic transmission and such consents are filed with the records of the meetings of the Board of Directors. The Board of Directors may, by vote of a majority of the directors then in office, elect from their number an executive committee or other committees and may by like vote delegate to committees so elected some or all of their powers to the extent permitted by law. Except as the Board of Directors may otherwise determine, any such committee may make rules for the conduct of its business, but unless otherwise provided by the directors or in such rules, its business shall be conducted as nearly as possible in the same manner as is provided by these By-Laws for the directors. The Board of Directors shall have the power at any time to fill vacancies in any such committee, to change its membership or to discharge the committee.

The President shall also have such other powers and duties as the Board of Directors may decide. It shall be his duty, and he shall have the power, to see that all orders and votes of the directors are carried into effect. Unless the Board of Directors provides otherwise, the President or his designee shall preside at all meetings of the shareholders and at all meetings of the Board of Directors. Unless otherwise directed by the Board of Directors, the President may on behalf of the corporation vote or consent to any action with respect to or in connection with any interest that the corporation may hold or have in any other corporation or in any partnership, joint venture, association, trust, proprietorship, business entity or common undertaking whatsoever, and may appoint any other person or persons to act as proxy or attorney-in-fact for the corporation, with or without power of substitution. The Board of Directors may from time to time confer like powers upon any other officer.

He shall render to the President or to the Board of Directors, whenever either may require it, a statement of the accounts of his transactions as Treasurer and of the financial condition of the corporation. The Treasurer shall perform such other duties and have such powers additional to the foregoing as the directors or the President may designate.

Any Assistant Treasurer shall have such powers and duties as the Board of Directors or the President may decide.

Section 6. Secretary and Assistant Secretaries. The Secretary shall record in books kept for that purpose all votes, consents and the proceedings of all meetings of the shareholders and of the Board of Directors. Record books of shareholders meetings shall be open at all reasonable times to the inspection of any shareholder. The Secretary shall notify the shareholders and directors of all meetings in accordance with these By-Laws.

In the absence of the Secretary from any meeting of the shareholders or from any meeting of the directors, the Assistant Secretary, if one be elected, or, if there be more than one, the one designated for the purpose by the directors, and otherwise a temporary secretary designated by the person presiding at the meeting, shall perform the duties of the Secretary.

Any Assistant Secretary shall have such other powers and duties as the Board of Directors may decide.

Section 7. Vacancies. A vacancy in any office may be filled by the Board of Directors by the election of a successor to hold office for the unexpired term of the officer whose place is vacant and until his successor is chosen and qualified.

Section 8. Removal. All officers may be removed from their respective offices with or without cause by vote of a majority of the directors then in office.

Section 9. Resignation. Any officer may at any time resign his office by delivering a written resignation to the corporation. Such resignation, unless a later date is specified therein, shall take effect upon delivery to the principal office of the corporation, and acceptance thereof shall not be necessary to make it effective.

Section 10. Salaries. Officers of the corporation shall be entitled to such salaries, compensation or reimbursement as shall be fixed or allowed from time to time by the Board of Directors or an appropriate committee of the Board of Directors.

ARTICLE V

CAPITAL STOCK

Section 1. Certificates of Stock. Each shareholder shall be entitled to a certificate in the form approved by the Board of Directors stating the number, class, and designation of series, if any, of the shares held by him. Such certificate shall be signed by the President or a Vice President and by the Treasurer or an Assistant Treasurer. Such signatures may be facsimiles if the certificate is countersigned by a transfer agent, or by a registrar of transfers, other than a director, officer or employee of the corporation. In case any officer who has signed or whose facsimile signature has been placed on such certificate shall have ceased to be such officer before such certificate is issued, it may be issued by the corporation with the same effect as if he was such officer at the time of its issue.

Every certificate for shares of stock subject to any restriction on transfer pursuant to the Articles of Organization, these By-Laws, or any agreement to which the corporation is a party shall have the restriction noted conspicuously on the certificate and shall also set forth on the face or back either the full text of the restriction or a statement of the existence of such restriction and a statement that the corporation will furnish a copy to the holder of such certificate upon written request and without charge. If the corporation is authorized to issue more than one class or series of stock, every certificate issued shall set forth on its face or back either the full text of the preferences, voting powers, qualifications and special and relative rights of the shares of each class and series authorized to be issued or a statement of the existence of such preferences, voting powers, qualification and special and relative rights, and a statement that the corporation will furnish a copy thereof to the holder of such certificate upon written request and without charge.

Section 2. Transfer. Shares of stock shall be transferred of record on the books of the corporation only upon the surrender to the corporation or its transfer agent of the certificate therefor properly endorsed for transfer (or accompanied by a written assignment and power of attorney properly executed for transfer; and only upon compliance with the provisions, if any, respecting restrictions on transfer contained in the Articles of Organization, these By-Laws or any agreement to which the corporation is a party. The corporation may require proof of the genuineness of the signature and the capacity of the party presenting the certificate for transfer.

It shall be the duty of each shareholder to notify the corporation of his post office address and of his taxpayer identification number.

Section 3. Interest Not Recognized. The corporation shall be entitled to treat the holder of record of any share or shares of stock as the holder in fact thereof and shall not be bound to recognize any other claim to or interest in such share or shares on the part of any other person except as may be otherwise expressly provided by law.

Section 4. Lost, Mutilated or Destroyed Certificates. Subject to Section 8-405 of the Massachusetts Uniform Commercial Code, as amended from time to time, the Board of Directors may determine the conditions upon which a new certificate of stock may be issued in place of any certificate alleged to have been lost, mutilated or destroyed. It may, in its discretion, require the owner of a lost, mutilated or destroyed certificate, or his legal representative, to give a bond, with or without surety, sufficient in its opinion to indemnify the corporation against any loss, claim or expense which may arise by reason of the issuance of a new certificate in place of such lost, mutilated or destroyed stock certificate.

Section 5. Transfer Agent and Registrar. The Board of Directors may appoint a transfer agent or a registrar, or both, and require all stock certificates to bear the signature or facsimile thereof of any such transfer agent or registrar. Unless the Board of Directors shall appoint a transfer agent, registrar or other officer or officers for the purpose, the Secretary shall be charged with the duty of keeping, or causing to be kept, accurate records of all stock outstanding, stock certificates issued, and stock transfers. Subject to any other rules which may be adopted from time to time by the Board of Directors, such records may be kept solely in the stock certificate books.

Section 6. Setting Record Date and Closing Transfer Records. The Board of Directors may fix in advance a time not more than seventy days before (i) the date of any meeting of the shareholders or (ii) the date for the payment of any dividend or the making of any distribution to shareholders or (iii) the last day on which the consent or dissent of shareholders may be effectively expressed for any purpose, as the record date for determining the shareholders having the right to notice of, and to vote at, such meeting or any adjournment thereof, or the right to receive such dividend or distribution, or the right to give such consent or dissent. If a record date is fixed by the Board of Directors, only shareholders of record on such date shall have such rights notwithstanding any transfer of stock on the records of the corporation after such date. Without fixing such record date, the Board of Directors may close the transfer records of the corporation for all or any part of such seventy-day period.

If no record date is fixed and the transfer books are not closed, then the record date for determining shareholders having the right to notice of or to vote at a meeting of shareholders shall be at the close of business on the date next preceding the day on which notice is given, and the record date for determining shareholders for any other purpose shall be at the close of business on the date on which the Board of Directors acts with respect thereto.

Section 7. Issue of Stock. Unless otherwise voted by the shareholders, the whole or any part of any unissued balance of the authorized capital stock of the corporation may be issued or disposed of by vote of the Board of Directors, in such manner, for such consideration and on such terms as the directors may determine.

ARTICLE VI
