Item 7.01. Regulation FD Disclosure.

On May 9, 2007, Inverness Medical Innovations, Inc. (Inverness) issued a press release relating to the matters discussed below. A copy of that press release is attached hereto and incorporated herein by reference to Exhibit 99.1 hereto.

Item 8.01. Other Events.

On May 9, 2007, Inverness submitted a new binding offer to acquire Biosite Incorporated (Biosite) in a transaction structured as a cash tender offer, and has enhanced the value of its prior proposal from \$90.00 per Biosite share to \$92.50 per Biosite share. Under the new offer, in the event that Inverness enters into a definitive agreement with Biosite, Inverness would commence an upfront tender offer to acquire all of Biosite's outstanding shares at a price of \$92.50 per share, payable in cash, and complete a follow-on merger. The tender offer would be conditioned upon at least a majority of Biosite's shares being tendered and would not be conditioned on a stockholder vote.

The foregoing summary is qualified in its entirety by reference to the copy of the offer letter delivered to Biosite on May 9, 2007, attached as Exhibit 99.2 hereto and incorporated herein by reference. Copies of revised commitment letters to finance Inverness's proposal are attached as Exhibits 99.3 and 99.4 hereto and incorporated herein by reference. A copy of the proposed Agreement and Plan of Merger among Inverness Medical Innovations, Inc., Inca Acquisition, Inc., and Biosite Incorporated is attached as Exhibit 99.5 hereto and incorporated herein by reference.

This report on form 8-K may contain forward-looking statements within the meaning of the federal securities laws. These statements reflect Inverness's current views with respect to future events and are based on management's current assumptions and information currently available. Actual results may differ materially due to numerous factors including, without limitation, risks associated with general competitive factors, market and economic conditions generally, the demand for the acquired products, the ability of Inverness to successfully develop and commercialize the acquired products, the risks and uncertainties described in Inverness's annual report on Form 10-K, as amended, for the period ended December 31, 2006, and other factors identified from time to time in its periodic filings with the Securities and Exchange Commission (the SEC). Risks and uncertainties relating to the proposed transaction include, without limitation: volatility in the market price of Biosite's common shares; the lack of assurance that regulatory approvals or exemptions will be obtained or the proposed offer conditions will be satisfied; the extent to which holders of common shares determine to tender their shares to any offer; Biosite will not terminate its merger agreement with Beckman Coulter, Inc.; Biosite will not enter into any definitive agreement with Inverness or, if entered into, that the terms of any agreement will be materially different from those described above; Inverness will not obtain the requisite debt financing for the transaction or, if obtained and the proposed transaction is consummated, Inverness would significantly increase its level of indebtedness; the anticipated benefits, including synergies and accretion, of the transaction will not be realized; the closing conditions to any transaction that may be entered into are not realized; and the proposed transactions will not be consummated. Inverness undertakes no obligation to update or revise any forward-looking statements contained herein.

Additional Information About the Proposed Transaction and Where to Find It:

This report is neither an offer to purchase nor a solicitation of an offer to sell shares of Biosite. The solicitation and the offer to buy Biosite common shares will only be made pursuant to an offer to purchase and related materials that Inverness intends to file with the SEC. INVESTORS AND SECURITY HOLDERS ARE URGED TO READ CAREFULLY, PRIOR TO MAKING ANY DECISIONS WITH RESPECT TO THE PROPOSED TENDER OFFER, THE TENDER OFFER STATEMENT ON SCHEDULE TO, THE OFFER TO PURCHASE AND ALL OTHER RELEVANT DOCUMENTS IF, AND WHEN, THEY BECOME AVAILABLE BECAUSE THEY WILL CONTAIN IMPORTANT INFORMATION, INCLUDING THE TERMS AND CONDITIONS OF THE PROPOSED TENDER OFFER. All such documents, if filed, would be available free of charge at the SEC's website (www.sec.gov) or by directing a request to Biosite, 11030 Roselle St., San Diego, CA 92121 (619) 455-4808.

Participants in any solicitation that may occur in the event Inverness and Biosite enter into the proposed transaction: In the event a transaction is entered into by and between Inverness and Biosite, Biosite and its directors, executive officers and other employees may be deemed to be participants in any solicitation of Biosite shareholders in connection with the proposed transaction.

Information about Biosite's directors and executive officers is available in Biosite's proxy statement for its 2006 annual meeting of stockholders, as filed with the SEC on April 28, 2006.
